

Mr Han 3121

Chapter 3121: Not an Ordinary Person

“Of course, even if he hadn’t said that, I would still take good care of you. I wouldn’t let you get bullied,” Wei Wucai said.

Upon hearing this, Yan Zhiqing felt a bit embarrassed and at a loss as to what she should do to conceal her feelings.

She unconsciously raised her hand and scratched the back of her head before saying softly, “There’s no one who can bully me.”

After all, who would dare to?

Wei Wucai then lowered his voice and said, “It’s still a cause for worry. I’d only feel at ease if I stay by your side.”

Yan Zhiqing’s ears reddened. Then, just as she was about to say something, Yan Beicheng suddenly turned around and said to her, “What are you doing, dilly-dallying over there at the back? Hurry up and come over here. We haven’t seen each other in such a long time. Aren’t you going to spend more time with your older brother, hmm?”

Lin Chu held back a laugh and stealthily poked Yan Beicheng.

“I think Zhiqing has pretty good feelings towards Wei Wucai,” Lin Chu said softly to Yan Beicheng.

Yan Beicheng replied just as quietly, “Do you know what that rascal lied to Zhiqing about?”

“What did he lie about?” Lin Chu asked in surprise.

Yan Beicheng let out a cold laugh and replied, “That rascal actually lied to Zhiqing, saying that he’s gay.”

Lin Chu hurriedly covered her mouth, afraid that she would shriek.

“Wei Wucai... is truly not an ordinary person!” Lin Chu lamented.

It seemed like there was nothing he was unwilling to say in order to chase the young lady.

“How is he going to turn this around in the future?” Lin Chu said worriedly.

“Who cares about him? In any case, Zhiqing hates being lied to the most. When the truth gets revealed, the unlucky one will be Wei Wucai,” Yan Beicheng said, rejoicing over Wei Wucai’s future misfortune.

“Since he dared to deceive Zhiqing like this, he will be unlucky in the future.”

Lin Chu tugged at Yan Beicheng hastily because Yan Zhiqing was approaching.

Lin Chu knew that since Yan Beicheng had yet to tell Yan Zhiqing about this matter, it meant he had no intention to expose Wei Wucai for now.

However, Lin Chu also knew Yan Beicheng was not doing this to help Wei Wucai.

She supposed it was purely that he was holding back his bad side for now because he wanted to see how Wei Wucai would explain to Yan Zhiqing once his lies were revealed.

The longer it was kept a secret, the angrier Yan Zhiqing would be once the truth of the matter was revealed.

So, upon seeing Yan Zhiqing approach...

Lin Chu signaled to Yan Beicheng with totally tacit understanding.

As expected, Yan Beicheng immediately stopped talking.

It was clear he truly intended to keep the matter a secret from Yan Zhiqing.

As Yan Zhiqing approached, she saw the two people whispering to each other.

She thought the two of them were just whispering sweet nothings to each other as husband and wife.

After all, Yan Beicheng and Lin Chu did not refrain from making public displays of affection.

The men of the eight great families seemed to feel especially strongly about matters like making displays of affection.

They would not show it only to outsiders; they would not let their own family members off either, showing off in a totally berserk way.

In the past, Yan Zhiqing had had to face many displays of affection from Yan Beicheng and Lin Chu, so she was already used to it now.

Upon seeing Yan Beicheng and Lin Chu seemingly whispering sweet nothings to each other, Yan Zhiqing slowed her pace and did not immediately arrive in front of them.

...Lest she got shown yet another public display of affection.

It was only after she had seen the two people pretty much finish their conversation that Yan Zhiqing finally continued walking over.

“Older Brother, what did you call me for?” Yan Zhiqing asked as she approached.

She had been chatting with Wei Wucai just fine. Then, when she was suddenly called over, the latter had a very awkward expression.

“We haven’t seen each other in so long, yet you don’t miss us? Come tell us about what you did after you left us for such faraway lands,” Yan Beicheng said.

“I’ve missed you,” Yan Zhiqing said. “But I saw the two of you talking, so I didn’t think it would be polite to disturb you.”

Yan Zhiqing was very self-aware.

The private space between a couple would not tolerate the presence of another person.

It would not be okay even if she was their younger sister.

Of course, Yan Zhiqing would not get jealous; she just very conscientiously gave them some space.

Chapter 3122: This Guy Did It Intentionally

After all, she had gotten used to this.

When Yan Beicheng and Lin Chu were being affectionate with each other, even their two kids had to keep their distance.

Therefore, Yan Zhiqing didn't think that it was unfair.

"Come walk with us," Yan Beicheng said. "Why are you sticking so close to Wei Wucai?"

Yan Zhiqing thought it was weird. "Didn't you ask him to take care of me earlier?"

Yan Beicheng's eyes turned fierce as he responded, "When did I say that? Do you think that is possible? Do you think I will ask him to take care of you? Wouldn't that be equivalent to sending you to the wolf's cave?"

Yan Zhiqing felt speechless.

She did think that it was quite impossible for Yan Beicheng to have said that.

But Wei Wucai had told her that...

Yan Zhiqing couldn't help but look towards Wei Wucai.

At this moment, Wei Wucai had also walked over and heard what Yan Beicheng said.

He naturally knew that his lies had been exposed.

But he wasn't flustered at all. He explained, "That was what I sensed."

Yan Zhiqing felt speechless.

Lin Chu felt speechless.

"..." Yan Beicheng sneered and said, "Hehe, you are wrong."

Yan Beicheng intentionally instructed Yan Zhiqing, "Make sure to keep your distance. Even if you are friends, you shouldn't get that close to each other. A gentleman's friendship is as flavorless as water. Got it?"

Yan Zhiqing felt speechless.

Wei Wucai felt speechless.

Look at Yan Beicheng sounding cultured.

With this, Yan Beicheng ignored Wei Wucai's presence as he proceeded to ask Yan Zhiqing, "What do you want to eat tonight?"

"I don't know yet. We still have a whole afternoon until dinner time. Let me think about it," Yan Zhiqing said.

Wei Wucai knew that the dinner he was supposed to have with Yan Zhiqing tonight was not going to happen anymore.

After a while, the production crew started preparing for the next scene.

When everything had been prepared, Yan Zhiqing went to shoot another scene.

Yan Beicheng and Lin Chu had nothing to do, but they didn't want to go back to the hotel.

They sat and rested at the side.

Lin Chu had nothing to do, so she started surfing the web on her phone.

The moment she started scrolling, she found out that newer marvelous content had popped up on the web.

She hurriedly pulled Yan Beicheng and said to him, "Beicheng, look!"

Yan Beicheng didn't search for the news with his own phone. He just looked at it at the same time as Lin Chu.

"I guessed correctly! That guy did it intentionally!" Yan Beicheng was furious as he pointed at the screen and scolded Wei Wucai for being a wolf with wild ambitions!

All the reporters who had been waiting outside had published the news.

Each media company published two articles about this.

One was a video interview of Yan Beicheng.

Regardless of whether Yan Beicheng's answers were useful, he rarely showed up in public, so an interview with him was very rare.

And so, this video received a lot of views the moment it was published.

As for what Yan Beicheng had said about Wei Wucai and Yan Zhiqing being friends...

The netizens have heard so many celebrities give this same explanation, and most of those celebrities could not be trusted.

All the attention was on Yan Beicheng and Lin Chu.

No one focused on what they were saying.

"Master Yan has not shown his face for a long time."

"He went into hiding the moment he got married."

"We rarely get a chance to see him now. His presence is almost a legend."

"It's been so long, but Master Yan is still so handsome."

"Lin Chu has indeed saved the universe in her previous life."

However, the entertainment news media company did not give the netizens a lot of time to think about how long it had been since they last saw Yan Beicheng's face.

They immediately published the picture of the mysterious man who had picked up the takeouts with Yan Zhiqing last night.

They posted the picture of the mysterious man's back as well as the picture of Wei Wucai's back, which they had taken during noon today.

They then did a comparison.

They even zoomed in on the pictures.

Chapter 3123: Who Would Be Able to Hold Back Against Such a Man?

They compared the size of their ears, the shape of their earlobes, and other details.

They even compared their fingers.

This was so they could prove that Wei Wucai was the man from last night.

And then, they published photos of Wei Wucai's face.

They noted under that picture that it had been accidentally taken.

They took this picture when Wei Wucai accidentally turned around and looked at them.

They hadn't expected the mysterious man from last night to be a production crew member who was working alongside Yan Zhiqing.

"This appearance... is so handsome that it is ungodly!"

"Outrageously handsome! Who would be able to hold back against such a man??"

"If it was me, I wouldn't just pick up takeouts with him, I would follow him to his room."

"How do you know Yan Zhiqing didn't follow him to his room?"

"Are they dating?"

"I am curious. Who is this guy? Is he an actor? Is he new? I have never seen him before."

Another news media company published a similar article and added more details, stating that Wei Wucai was not an actor.

The article stated that Wei Wucai was working on set, but his specific job was currently unknown.

His name and background were both unknown.

However, based on the interview they'd had with Yan Beicheng, they knew that Wei Wucai was a friend of Yan Beicheng's and that Wei Wucai's family had a good relationship with the Yan Family.

The news media then deduced that Wei Wucai was not some small fry.

As of now, they only knew what he looked like and were able to deduce that Wei Wucai was not an ordinary individual. However, they knew nothing else.

Last night, they didn't even know what Wei Wucai looked like. So with this, they had made huge progress.

"What? Despite having such an appearance, he is not a celebrity? He's just a staff member?"

"What a waste of such a handsome face! Since he is working on set, is the director not going to promote him and give him a chance at acting?"

"Don't talk nonsense. According to Yan Beicheng, he is a good friend and is close to all the members of the eight great families. Obviously, he is someone with an extraordinary background. I've never heard of Yan Beicheng having ordinary friends. Even if Yan Beicheng has ordinary friends, the fact that this man was also able to befriend the members of the eight great families shows that he is not an ordinary individual. And so, if he is not interested in becoming an actor like Yan Zhiqing, he wouldn't have to join the entertainment industry."

"What is he doing on set, then? I am so curious."

"Does anyone know a production crew member? Please tell us."

Immediately, though everyone was curious about Wei Wucai and Yan Zhiqing's relationship, they became even more curious about Wei Wucai.

"Look at this," Yan Beicheng snapped. "I told you he did it intentionally!"

Lin Chu nodded. "Indeed. So cunning. Considering this, Zhiqing is no match for him."

"Hmph. You better wait and see. Soon, there will be a netizen who will claim that he is a production crew member and an employee of Wei Wucai's company. This netizen will tell the web about him." Yan Beicheng knew such tricks very well.

Lin Chu felt speechless.

"If you know, are you not going to do anything to stop this from happening?" Lin Chu asked softly.

Was Yan Beicheng really going to sit and watch Wei Wucai trick Yan Zhiqing?

That couldn't be possible.

"It's not like we can stay here every day. We won't be able to guard against that guy after we leave," Yan Beicheng explained with a pout.

Lin Chu tried to suppress her laughter as she responded, "Actually, Wei Wucai is not a bad guy. He is just cunning, and Zhiqing is no match for him."

Chapter 3124: Is This Something Happy?

"He leads a pure personal life. I heard that he has never even gotten a girlfriend. He even rejected the girls that his mother had introduced to him.

"At least he won't have any persistent ex-girlfriend or past potential girlfriend."

They couldn't do anything about the girls who might have a crush on him right now.

People are bound to fall in love with splendid individuals.

There were many people in the entertainment industry pursuing Yan Zhiqing, not to mention people outside of this industry.

Therefore, they couldn't request Wei Wucai to promise that there would be no other girls who would have feelings for him.

Nothing could be that perfect.

If there were no girls who had feelings for him, Yan Beicheng would then think that there was something wrong with Wei Wucai.

Yan Beicheng was surprised to hear this, so he asked, "Do you think he is a good match for Zhiqing?"

Lin Chu laughed and said, "Do you not think so? If you don't think he is a good match, you would have stopped him immediately. It wouldn't have ended with just a simple warning."

When Yan Beicheng heard this, he laughed so hard that his eyes squinted. His eyes radiated a warm glow.

"As expected, my wife knows me well." Yan Beicheng extended his hand and pulled Lin Chu into his arms.

Lin Chu hurriedly pushed him and scolded, "There are so many people here!"

"They are all busy filming. They don't have time to look at us," Yan Beicheng said. "In addition, I am not doing anything wrong. I am just hugging my wife."

Lin Chu couldn't push him away and had no choice but to give up.

Thankfully, the others were busy and didn't look in their direction.

Wei Wucai had finished his work. He finally had some time to rest and didn't need to do anything.

His employees were done with work and were on their phones, waiting to continue their job later.

While they were scrolling on their phones, they suddenly saw the news about Wei Wucai.

"Boss! Look! Entertainment news sites have posted about you." Wei Wucai's technical assistant, Yu Wenhan, was very excited as he ran over to show Wei Wucai his phone.

Wei Wucai felt speechless.

Were people that happy to see him on the entertainment news?

Yu Wenhan ran over and whispered, "Boss, it's news about you and Yan Zhiqing."

"Eh?" Wei Wucai raised his brow. He immediately felt energized as he asked, "Where? Let me see."

"I will share it with you," Yu Wenhan said with high expectations. "I haven't finished reading it. I merely skimmed through this article."

Therefore, he needed to continue reading it. He couldn't just hand his phone over to Wei Wucai.

His coworkers heard him and ran over as well. "What is it? What is it? Did I just hear you say that boss is on the news?"

"Wasn't he on the news last night?"

"This is part two of that news," Yu Wenhan answered.

"Send me the link quickly. I want to see."

Even while they were in front of Wei Wucai, they had no control of themselves.

Wei Wucai usually didn't behave like he was the boss of this company.

All of his employees were young techies.

The company had an open-book management policy, and it provided their employees enough freedom to do their job.

Everyone interacted with each other in a very modern and transparent work environment.

Of course, they would still be afraid when Wei Wucai looked angry.

Yu Wenhan shared the link with everyone.

After all the employees had read the article, they proceeded to search for other articles published by other media companies.

Within ten minutes of the publication of those articles, Yan Zhiqing and Wei Wucai became trending topics.

Of course, no one knew anything about Wei Wucai.

They did not even know his name.

Chapter 3125: Does He Have to Make It This Clear?

Therefore, Wei Wucai was trending on social media as the "mysterious guy."

By clicking all the other hot topics, they were able to see all the other articles about this gossip.

Wei Wucai checked all those articles and realized that no one knew who he was.

These reporters were weak!

Their investigative capacity was too weak.

"Boss, this photo was taken during noon today." Hu Guangmo saw that both Yan Beicheng and Lin Chu were in the photo.

Hu Guangmo felt very suspicious.

Wei Wucai had never gone to pick Yan Beicheng up himself before.

He wasn't someone who could be so easily tricked as to have gotten his pictures taken.

Their boss was a very smart man.

He wouldn't make such a low-class mistake.

Therefore, Hu Guangmo thought that Wei Wucai had done this intentionally.

But he didn't dare to say this out loud.

He could only hint at Wei Wucai crazily with eyes brimming with expectations. He really hoped Wei Wucai would say something.

But Wei Wucai was still reading the news articles calmly.

When he was done reading, he looked up at them.

He then saw five pairs of eyes staring at him like a baby staring at their mother, waiting for milk.

Wei Wucai felt speechless.

"What?" Wei Wucai asked impatiently.

"Boss, what is going on with this?" Hu Guangmo asked. "Did you and Yan Zhiqing..."

"The netizens are very curious about me," Wei Wucai said slowly.

Everyone was confused as they waited for the next sentence.

"Don't you guys know me well?" Wei Wucai said. "You know who I am and what I do. You all know my name, my job, my age, and my relationship status."

Everyone was speechless.

So?

Wei Wucai pursed his lips.

Why weren't these people understanding what he was trying to say!

"Since you know what others don't know, wouldn't you want to tell them?" Wei Wucai gritted his teeth as he spoke these words, "Can you endure not telling them?"

Did he have to make it this clear?

Why couldn't they just understand what he was suggesting!

And be his considerate employees!

They had advanced tech skills and they were very smart.

Why couldn't they figure things out during critical moments like this?

Everyone was speechless.

They finally understood what Wei Wucai was trying to say.

Yu Wenhan immediately gave Wei Wucai a thumbs-up and said, "Okay, Boss. I understand."

The others also understood what Wei Wucai had hinted at.

They thought to themselves, "If you don't tell us frankly, how do you expect us to know what you want us to do? We can't guess it right even if you wanted us to guess."

"Do you really understand?" Wei Wucai asked doubtfully.

"We understand. We understand." Hu Guangmo nodded.

Then, the five lowered their heads and started typing furiously on their phones.

Yes, these techies weren't very good at understanding their boss' insinuation.

But they were very good at things related to technology, or even just typing on the phone...

They could type extremely quickly and accurately.

And so, soon, comments started appearing under those articles questioning the identity of the mysterious guy. "Eh? Isn't this my boss? Boss, you are trending! @Wei Wucai"

The smart one who had tagged Wei Wucai was Yu Wenhan.

The others also proceeded to tag Wei Wucai. "It is our boss."

The netizens finally gained access to this "navigation portal."

But when the netizens clicked on the handle that was mentioned, they realized that Wei Wucai's Weibo was completely empty.

He didn't even have his own profile picture.

He was using the same profile picture that the application gave to new users.

He didn't even verify his identity.

His account had no basic information and no introduction.

Chapter 3126: Tell Him to Verify My Identity for Me

When the netizens saw a completely blank account, they were speechless.

And so, the netizens started tagging Yu Wenhan and the others.

"Hey, your boss's account is completely blank. What's the point of you tagging that account? What's the use of it?"

"We finally found his real name. I searched this name on Baidu, but I didn't find anything. Is he really that mysterious?"

“I have a bold idea.”

“What are you thinking? Say it out loud bravely.”

“We have to first confirm that the Wei Wucai they had mentioned was really the mysterious guy that was with Yan Zhiqing that night, and that this Wei Wucai is not some account that these netizens had created because this is a trending topic. After all, that account is too...”

“I checked the account. It was created five years ago, but it had never posted anything before. They couldn’t have possibly created an empty account a long time ago just to do this, right? If this account is an alternate account, there should be some signs of it being used before, right?”

“Let’s just assume that this account belongs to that mysterious guy. From there, let’s all contribute some bold ideas.”

“Alright. I will go first. Previously, when Yan Beicheng was being interviewed, he said that this mysterious guy was a friend. He also said that he was a good friend of the members of the eight great families. All of them know each other. All of their families know each other. And so, if Wei Wucai was really his name... The surname Wei... Do you have any thoughts about this?”

“Wei... That’s scary...”

“Forgive my ignorance. I only know one famous family with the surname Wei.”

“Is it the Wei Family I have in mind?”

“Which do you have in mind? Tell me boldly.”

“Actually, this matches Yan Beicheng’s description. The Wei Family is one of the eight great families. Obviously, the members of the Wei Family would know the other members of the great families well. They would all be good friends with each other, right?”

“Yes. Even if it was another one among the eight great families, it would still be this powerful. Honestly, even if they told us the name, we might not know who it is. We might just think that they were bluffing.”

A netizen very boldly tagged Wei Zhiqian.

“@Wei Zhiqian. Master Qian, are you there? Can you verify if he is a member of your family?”

“Amazing. You are so quick-witted.”

“Clap for this brave netizen!”

Wei Wucai was constantly refreshing, and he obviously saw the netizen tagging Wei Zhiqian.

He immediately made a phone call.

Hu Guangmo unknowingly asked, “Boss, who are you calling?”

“Wei Zhiqian,” Wei Wucai answered in a very calm tone. “I am asking him to verify it for me.”

Everyone was speechless.

Boss must really want to expose his identity.

Wei Wucai had always kept a low profile.

Whether it was because of the Mount Lan Compound or because he didn't want to meddle in those troublesome things in the entertainment industry...

He kept a low profile.

He hadn't verified his identity. There wasn't a Wikipedia page about him.

There was nothing about him on the web.

You wouldn't be able to search anything about him.

If not, Luo Qingxian wouldn't have had such a hard time finding information on Wei Wucai.

But now, because he wanted the crowd to know that he was the one with Yan Zhiqing...

Because he wanted everyone to guess what kind of relationship Yan Zhiqing had with him...

Wei Wucai was risking everything to reveal his identity.

Hu Guangmo wanted to remind Wei Wucai that they could just snap a few photos of him and make those photos seem like they had been taken secretly. Then, they'd just have to post the pictures online. It would achieve the same result.

Chapter 3127: Is Our CEO In Love?

That would prove Wei Wucai's identity.

They could provide photo evidence. Plus, they had tagged Wei Wucai just now.

However, if he could approach Wei Zhiqian, that would be even more convenient.

And so, the crowd didn't tell him about this.

After a while, Wei Zhiqian picked up the phone.

He was in a meeting and did not see the active engagements on Weibo.

Before the meeting had started, Wei Zhiqian had placed his phone on vibration mode.

And so, he'd felt his phone vibrating in his pocket. It was rubbing onto the cloth, making a buzzing sound.

Wei Zhiqian frowned. He took out his phone to check the caller ID.

He was not planning to pick up the phone. He just wanted to see who it was and call that person back later.

But if he didn't check now, he would be constantly curious.

Being someone with OCD, he had no choice.

When he took out his phone, he saw that it was a call from Wei Wucai.

Wei Wucai rarely contacted him.

Especially not during work...

If it was someone else, Wei Zhiqian wouldn't have been so curious.

But because of this phone call from Wei Wucai at this time, Wei Zhiqian's curiosity peaked as high as it could go.

All he could think about was that if he didn't find out why Wei Wucai was calling, he wouldn't be able to continue this meeting in peace.

If nothing had happened, Wei Wucai normally wouldn't call him.

"Let's pause for a moment," Wei Zhiqian said. "I need to pick up this phone call."

Wei Wucai picked up the phone and went out of the room.

Leaving the people in the meeting room staring at each other.

Everyone was thinking—they had heard of Han Zhuoli and the others doing this.

This usually happened after they'd gotten a girlfriend. Han Zhuoli would usually stop a meeting because of his then-girlfriend, and now wife.

This was their tradition.

Anyone who didn't do this became the weird one.

Wei Zhiqian had never stopped a meeting halfway before. He was seen rushing outside with the phone in his hand.

Manager Lian Zhongxiang coughed. He leaned towards Wei Zhiqian's assistant, Mu Chengfeng, and lowered his voice as he asked, "Is our CEO in love?"

Mu Chengfeng froze. He blinked and said, "No. I didn't hear about anything like that."

There was no need for Wei Zhiqian to tell his assistant about whether or not he was dating since this was personal information.

But his schedule showed no signs of him dating.

He had never reserved a restaurant nor ordered any flowers or tickets. Wei Zhiqian had never asked him to help with the things needed for a normal date.

Unless Wei Zhiqian was capable enough to settle these things by himself and had no need to trouble him, the competent assistant...

But based on Mu Chengfeng's understanding of Wei Zhiqian, he judged that the man was not that capable.

In addition, he wasn't someone who could stay quiet if he was dating anyone.

The heavens knew that Wei Zhiqian had been suffering for many years.

He had personally watched his buddies get a girlfriend and build a family. It happened one after the other. It was almost as though they had taken a pledge together to take turns irritating him.

In addition, not only did Wei Zhiqian have to handle the unpleasantness caused by his friends, but he also had to deal with Old Mrs. Wei's pursuit.

And so, if Wei Zhiqian was really dating someone, would it be possible for him to stay quiet about this?

He would take revenge on this world and talk about his girlfriend every day.

Even if he didn't need his capable assistant to order anything, Wei Zhiqian would announce to the entire company that he was in love.

And so, Mu Chengfeng was certain that Wei Zhiqian was not dating anyone.

When Lian Zhongxiang heard this, he found this to be very reasonable.

Chapter 3128: Is It Okay for You to Be Making Such Comments About Your CEO?

He pondered in silence for a while. Then, he gasped and asked Mu Chengfeng, "Maybe he is courting someone?"

Mu Chengfeng rubbed his chin as he pondered, "That's not entirely impossible. However, considering our CEO's emotional intelligence, if he was courting someone, how could he not ask others for ideas?"

Besides him, the competent assistant, who else could Wei Zhiqian be asking?

"..." The corner of Lian Zhongxiang's mouth twitched as he whispered, "Is it really okay for you to be making such comments about your CEO?"

Mu Chengfeng felt speechless.

"What did I say? I didn't say anything," Mu Chengfeng said in denial.

He refused to admit that he had called Wei Zhiqian someone with low emotional intelligence.

Wei Zhiqian had no idea that his manager and assistant had been talking about him.

He picked up Wei Wucai's call and said, "Hey, Xiao Cai. What made you call me?"

Wei Wucai realized that he would never be able to get rid of the nickname Xiao Cai.

"Elder Brother," Wei Wucai called out.

Wei Zhiqian was speechless.

He suddenly didn't know how to react.

Wei Wucai was behaving like a good kid and calling him elder brother. He didn't even have to remind Wei Wucai to call him that way.

Hearing how obedient Wei Wucai had become, Wei Zhiqian felt a little uneasy.

“Cough.” Wei Zhiqian, feeling unaccustomed to this, forced a cough and said, “Xiao Cai, you rarely call me. What is it?”

“I need your help with something,” Wei Wucai said. “It’s nothing major, but it has to be you.”

“Even if it’s something major, I would help you, let alone if it’s something minor,” Wei Zhiqian immediately said.

Especially considering that Wei Wucai rarely asked him for help...

Wei Wucai rarely sought Wei Zhiqian out for help. Therefore, Wei Zhiqian would help him no matter what it’s about.

And so, he agreed to help even before Wei Wucai had told him what it was that he needed help with.

“It’s just... Weibo...” Wei Wucai suddenly realized that he didn’t know how to explain it.

He paused for a while.

Wei Zhiqian waited patiently over the phone.

Wei Wucai didn’t hesitate for too long.

After a while, he said, “Did you see the news last night?”

“What news?” Wei Zhiqian had just asked the question when he suddenly recalled. “Is it about the photo of you and Yan Zhiqing?”

Wei Zhiqian didn’t expect that Wei Zhiqian, being someone so busy, would pay attention to these entertainment news.

“Mhm.” Wei Wucai nodded and said, “Unfortunately, the reporters also took pictures of my face during noon today.”

“Eh?” Wei Zhiqian felt very suspicious.

With Wei Wucai’s abilities, those reporters wouldn’t have been able to take his picture if he didn’t want those pictures taken.

If it was an ordinary person, they might not have been able to escape from the pursuit of the reporters.

But in front of Wei Wucai, those reporters would be nothing but a frantic mob.

“How did the reporters get the chance to take a picture of your face?” Wei Zhiqian felt very doubtful as he asked, “Don’t tell me you did this intentionally!”

Wei Wucai felt speechless.

“Of course not,” Wei Wucai lied while keeping a very serious expression on his face. “I just didn’t notice.”

Wei Zhiqian raised his brow and asked, “So do you want me to take down those pictures? Even if those pictures are out there, no one knows you anyway since you’ve protected your personal information well. Your information cannot be found online.”

“No, that’s not what I need. The reporters have already posted the pictures online.” Wei Wucai felt very ashamed of the reporters when he was talking about this. “They are just very useless. They couldn’t even find my identity. What’s the use of publishing a few pictures of me? Besides the fact that I have a good-looking face, the netizens didn’t learn anything else about me.”

Chapter 3129: Snow in June: A Wrongful Accusation That Was Worse Than the Injustice of Dou’E

Wei Zhiqian was speechless.

Considering what Wei Wucai had said, there were so many ways he could roast him. He didn’t even know where he should start.

Wei Wucai had always hated it when people described him as good-looking.

He would never call himself good-looking.

But now, what’s with this boastful tone in Wei Wucai’s voice?

“Are you saying that you don’t want me to ask the media to take down those pictures?” After Wei Zhiqian heard that part, he thought that it didn’t make sense.

According to Wei Wucai, those pictures had been out on the web for a while now.

Even if they removed those pictures, it would be impossible to completely erase their existence from the internet.

They had missed out on the best time to remove those pictures.

And based on what Wei Wucai had said, it seemed like he was not complaining about the reporters taking pictures of his face.

Instead, it seemed more like he was complaining about the incompetence of the reporters and how they couldn’t even report to the public his identity and information.

Wei Zhiqian thought to himself, “You were the one who hid your information so well. Considering your abilities, if a reporter had managed to find out who you are, that reporter would be hired by an intelligence agency and would not be a reporter anymore.”

“No,” Wei Wucai said. “My employees have already revealed my identity to the netizens.”

“Eh?” Wei Zhiqian thought to himself, “Are Wei Wucai’s employees this bold?”

“Sigh, my employees caused me so much trouble.” Wei Wucai sighed. His expression remained unchanged as he said in front of his employees, “My employees secretly went online and tagged my account.”

Wei Zhiqian was speechless.

The employees didn’t even know what to say.

The wrongful accusation they had received was even worse than the injustice done to Dou'E, which was said to have caused snow to fall during the hottest month of June.

Was it a dog that had asked them to tag Wei Wucai on Weibo?

Wei Wucai said in a helpless tone, "It's fine if they mentioned me in the post. It was me in the picture and there is nothing to hide. Since they mentioned me in the post, I will just admit it. I might seem petty-minded if I denied it."

"No..." Wei Zhiqian, feeling confused, asked, "Are you dating Yan Zhiqing now?"

Wei Zhiqian hadn't heard about anything like this.

If they were really dating, could Yan Beicheng stay quiet?

Wei Wucai felt speechless.

"No," Wei Wucai said in a stiff tone.

Wei Zhiqian let out a sigh of relief.

Wei Wucai was younger than him. If Wei Wucai managed to get out of the single life and Old Mrs. Wei found out about it, she would end his life.

"Do you have anything you want to acknowledge?" Wei Zhiqian asked perplexedly.

It's not like he was really dating Yan Zhiqing.

There was nothing Wei Wucai needed to admit.

Wei Wucai gritted his teeth and said, "Anyway, the netizens are suspecting my identity now, and they think that I might be piggybacking on the current trend."

Wei Zhiqian was speechless.

"I have unapologetically admitted to it, but those netizens are suspecting that I am piggybacking on this hot topic. I can't tolerate this," Wei Wucai said. "How can they wrongfully accuse me like this?"

Wei Wucai felt that he had been wronged!

"..." Wei Zhiqian felt speechless. He forced a cough and said, "Cough... So you are asking me to prove your identity for you?"

"Can you bear to watch me being wrongfully accused?" Wei Wucai asked.

Wei Zhiqian wanted to say yes.

After all, Wei Wucai was obviously putting up a pretense.

He obviously had a crush on Yan Zhiqing.

But he refused to admit this.

Did he think he could fool anyone with those excuses?

“Actually, it doesn’t matter. You don’t have that kind of relationship with Yan Zhiqing. If your identity was revealed and this matter became serious, it might become difficult to put an end to this. Wouldn’t you say so?” Wei Zhiqian laughed inwardly as he was saying this. “Hehe.”

Stupid boy! Who did he think he was up against!

“Since the public has no idea about who you are, you might as well wait until this entire thing has died down,” Wei Zhiqian said slowly.

Chapter 3130: Wei Wucai Is a Real Boss

Wei Wucai felt speechless.

“No, the account mentioned is really mine. How can they accuse me of lying and piggybacking on hot topics?” Wei Wucai said coldly.

“But you don’t seem like the kind to care about what those ordinary people think about you,” Wei Zhiqian said intentionally.

Wei Wucai narrowed his eyes and said in a pesky manner, “Are you helping me or not!”

“Yes. Yes. Yes,” Wei Zhiqian hurriedly responded. “I will help you. What do you want me to do?”

What could he do when he had to deal with a vexatious brother who was currently throwing a fit?

Of course he had to help him!

“You just need to verify my identity on Weibo,” Wei Wucai explained.

“Okay,” Wei Zhiqian agreed without any hesitation. He stopped making fun of Wei Wucai. “I will do it now. I will hang up first.”

“Erm...” Wei Wucai called out to Wei Zhiqian.

Wei Zhiqian paused from hanging up. “What?”

“Just reply in a natural tone. Make it seem like you replied accidentally. Don’t let them think that I am trying to prove my identity and that I want them to know about me,” Wei Wucai said.

“Hehe.” Wei Zhiqian couldn’t endure it anymore and blurted out, “And you said that the reporters accidentally took a picture of your face?”

Wei Wucai felt speechless.

As his older brother, Wei Zhiqian didn’t even try to preserve whatever dignity Wei Wucai had left!

Wei Wucai hung up the call in a brutal and heartless manner.

Wei Zhiqian shook his head and tolerated his little brother’s temper like a very generous guy.

He logged into his Weibo and saw that he had received many notifications of people mentioning him.

Wei Zhiqian clicked on the notifications and found out that most of the comments were questions from the netizens asking if Wei Wucui was a member of the Wei Family.

Wei Zhiqian randomly picked a comment that mentioned him and replied, "He is my younger cousin. But what happened? This little brother of mine has always kept a low profile. Why is he suddenly getting so much attention?"

Upon posting this comment, Wei Zhiqian put his phone away and went back to the meeting. He never told anyone of the good things he had done.

However, when he returned to the office, he noticed that everyone was looking at him... with a weird expression.

Their expression even showed their curiosity to learn about the newest gossip.

Wei Zhiqian sat back down. He deliberately put on a calm expression and said, "Let's continue the meeting."

Wei Zhiqian's appearance in the social media post once again boosted this topic to a new height.

The netizens who had mentioned Wei Zhiqian were just doing it for fun. They just wanted to take part in this jolly-making.

No one had expected that Wei Zhiqian would actually appear and reply.

The netizen whom Wei Zhiqian had chosen to reply to felt as though she had won the lottery.

She saw the notification. When she clicked and opened it, she saw that Wei Zhiqian had replied to her.

Her hands quivered and she almost dropped her phone.

"Ahhhh! Wei Zhiqian actually replied to me. What are the chances!" The netizen was so excited.

Wei Zhiqian's reply excited all of them even more.

Wei Zhiqian had even tagged Wei Wucui's account in his comment.

This was equivalent to giving an official verification of Wei Wucui's account.

In addition, Wei Zhiqian's reply was very natural. It didn't seem fake at all.

At least the netizens were not doubtful of his comment.

They just thought that Wei Zhiqian was confused as to why he had been tagged so many times.

A netizen even very nicely explained to Wei Zhiqian why he had been mentioned in this post.

The netizens were going crazy.

"I didn't expect Wei Wucui to really be a member of the Wei Family."

"He's even Wei Zhiqian's little cousin. Based on Wei Zhiqian's reaction, they must be very close with each other."

“It seems like this account is really not piggybacking on this trending topic. Wei Wucai is a real boss in life!”
