Chapter 3281: Untitled

Yan Zhiqing was shocked, and she trembled for a moment.

Her whole body stiffened; she was afraid to make even the slightest movement.

She initially had her head lowered. However, when Wei Wucai kissed her, he exerted a bit of strength.

While kissing her, he used his lips to push her head upwards.

Yan Zhiqing couldn't help it. She just let her head be raised by his kiss.

It became even easier for him to kiss her.

As such, the back of Yan Zhiqing's head was pressed firmly against the door.

It was as if Wei Wucai had pinned her whole body against the door.

Wei Wucai kissed her more and more deeply.

His two hands, which had initially been grasping her shoulders, couldn't help gradually moving upwards to her face instead.

Her face was really small and delicate. His one hand could cover it completely.

With one hand cupped around one of her cheeks, he felt that her face was outrageously small and seemingly fragile in his hand.

He had two hands around her face, but he truly couldn't hold it properly as her face was simply too small and delicate.

Consequently, he kept one hand around her face while the other drifted down the side of her neck and then her shoulders until it reached her lower back.

After that, he pulled her into his embrace.

Ultimately, Yan Zhiqing couldn't resist lifting up her hands.

They grabbed the sides of Wei Wucai's waist.

After a long while, Yan Zhiqing's lips had become sore from all the kissing and were even tingling, as if they had been rubbed until they turned numb.

Yan Zhiqing silently tugged at the clothes by Wei Wucai's waist, indicating for him to stop.

Wei Wucai understood what she meant.

It's just that, her little tugs at his waist felt just like those of a kitten.

They had a sense of being hesitant but curious, gentle and cautious, and somewhat delicately loveable.

Wei Wucai eased up on her lips slightly, but he didn't allow her to lower her head.

With his hand still cupping her cheek, he took the chance to press his forehead against hers.

"You didn't reject my kiss this time," Wei Wucai said in a quiet voice. It was husky and seemed to contain deep desires.

Yan Zhiqing didn't say a word and just breathed somewhat heavily and rapidly.

Although he had just taken away most of her breath, it wasn't to the extent where she wouldn't be able to speak.

As such, since Yan Zhiqing did not speak, that naturally meant she was agreeing tacitly.

Wei Wucai thus said, "I'll take it that you agree, then."

Yan Zhiqing's eyelashes fluttered as she raised her head to look at him before immediately lowering her head again.

Then, she heard Wei Wucai say, "I'm taking it that you agree to be my girlfriend."

Wei Wucai cautiously waited for several minutes. He became so nervous that he held his breath unconsciously.

He was deathly afraid that Yan Zhiqing would say she was rejecting him again.

However, even after he had waited for roughly 10 minutes, Yan Zhiqing still didn't say a word.

Wei Wucai had a very good understanding of Yan Zhiqing's temperament.

If she were truly unhappy and didn't like it, she would have made it clear early on.

She wouldn't be like she was now, so distressed and embarrassed.

She was the kind of person who would tell you she was angry when she got angry.

She definitely wouldn't conceal it or keep it secret.

Right now, Wei Wucai had already given her the time to reject him.

Yet Yan Zhiqing did not say a single sentence or word.

Wei Wucai lowered his head too and gently kissed her on the lips.

This time, it wasn't deep at all.

He just planted his lips on hers and didn't move away.

His pair of lips were pressed against her lips, which were so soft that they turned his heart to mush as well.

And Yan Zhiqing just submissively let him do that. Neither did she avoid it or reject it.

As Wei Wucai's lips pressed against hers, her lips couldn't resist curving up slightly.

This was when Wei Wucai gained a clear understanding of Yan Zhiqing's feelings.

From today onwards, he would also be someone who had a girlfriend!

This was truly... such a happy thing!

Moreover, it made him feel especially proud!

Wei Wucai released Yan Zhiqing's lips but continued to hug her. He said proudly, "Now, I'm also someone who has a girlfriend."

Yan Zhiqing finally couldn't resist curving her lips into a smile.

With his content appearance and proud reaction, he truly seemed really happy.

Just as he said, he now had a girlfriend.

Similarly, Yan Zhiqing would now be someone who had a boyfriend.

Let's not mention how Wei Wucai had been single until now.

When had Yan Zhiqing not been single?

She was younger than Wei Wucai, so she had been single for a fewer number of years...

However, she was the same in that she had also been single until now.

...Until now, when she had finally gotten a boyfriend and stopped being single.

She now had someone who was especially intimate with her...

Someone else who loved her...

In a way that was unlike how Yan Beicheng loved her.

It was a sense of closeness that was completely different from what she had with her older brother.

In fact, she felt that Wei Wucai was now someone who was even closer to her than her brother.

Yan Beicheng was not only her brother but also Lin Chu's husband and the father of his and Lin Chu's child.

Yan Beicheng cared for Yan Zhiqing, but he also had his own family to take care of.

Yan Zhiqing didn't feel that there was anything wrong about this.

It's just that she kept feeling like it would be bad for her to disturb Yan Beicheng.

However, she now had a boyfriend.

She could share all her happiness, anger, sorrow, and joy with Wei Wucai henceforth.

If she encountered any difficulties, she didn't need to seek out Yan Beicheng to do anything. Wei Wucai would resolve them for her.

It was just like what happened with Hou Wu's company and Chen Zeqing.

Wei Wucai was the one who helped her resolve those matters neatly.

He was especially reliable.

This gave her the feeling that she had someone who only belonged to her, someone she could rely on.

In the future, she would no longer need to feel envious when she saw couples.

If anyone bullied her, she would immediately seek out Wei Wucai for support.

As the scenes Yan Zhiqing imagined became more and more beautiful, her smile continued to stay up.

Wei Wucai's mood became extremely good upon seeing Yan Zhiqing like this.

He wrapped his arms around Yan Zhiqing's waist, not wanting to let her go.

The problem was that it was now very late, and it would be bad if he caused her to sleep late.

Wei Wucai sighed regretfully. In order to put his mind more at ease, he asked, "Does your agency have any sort of rule that forbids you from openly having a romantic relationship?"

Yan Zhiqing looked at him suspiciously.

Then Wei Wucai said, "If you're not allowed to or if it's inconvenient to make our relationship public, we can keep it low-profile. I'm fine with it."

He paused for a moment, seemingly afraid that Yan Zhiqing would truly want to have a covert relationship with him.

The heavens knew how much Wei Wucai wanted to date openly and go berserk with making public displays of affection.

He wanted to let everyone know that Yan Zhiqing was his girlfriend and that everyone else had better give up on their intentions towards her.

So, Wei Wucai said, "Of course, if you're asking me, I definitely still hope we can date openly without avoiding people."

Yan Zhiqing thought to herself, she hadn't even asked him.

However, Yan Zhiqing still said realistically, "My agency doesn't have any rules like that. Elder Sister Mouou has never placed any restrictions regarding having romantic relationships. She just told me that if I get a boyfriend and want to make it public, I definitely have to tell them so that they can make the proper preparations for it."

Wei Wucai nodded.

It was to indicate he understood this point well.

He initially thought that there would be some restrictions considering Yan Zhiqing's circumstances.

Unexpectedly, she gave him enough freedom in this relationship.

Wei Wucai couldn't help but grin from ear to ear.

He couldn't control himself and gently gave her a pinch on the waist.

Yan Zhiqing just thought that her waist felt numb and she felt really nervous.

She subconsciously sucked in her stomach. Her face turned red.

"What about you? Since the company doesn't care, what are your thoughts?" Wei Wucai whispered as he asked, "Are you willing to give me a status?"

Yan Zhiqing felt tingling senses on her scalp. She felt her head exploding.

When she heard him ask for a status..

Why... why did it make her feel so happy?

Yan Zhiqing was still secretly feeling happy when he suddenly held her up.

Yan Zhiqing was shocked and subconsciously gasped out loud.

And then, she was lifted into the air!

Yan Zhiqing's feet couldn't touch the ground so she could only flutter her arms around to grab onto his shoulders.

Suddenly, Wei Wucai pulled her into his arms.

Initially, he was holding onto her slender waist.

But now, he had both his arms around her slender waist.

She was sticking intimately onto his body.

This way, she became taller than him.

Wei Wucai looked up and his chin was right at the center of her ribcage.

She could feel his breathing coming through her clothes onto her skin.

Yan Zhiqing felt extremely nervous.

She then heard Wei Wucai urge again, "Are you willing to give me a status?"

"Alright! Alright!" Yan Zhiqing hastily nodded and said, "I am willing..."

She had replied in a firm and straightforward manner.

But then, Wei Wucai actually showed an expression of disappointment.

"Aren't you going to insist a little longer?" Wei Wucai asked.

Yan Zhiqing felt speechless.

He's already acting this way. How would she even dare to insist?

In addition, she had always been willing.

It's a dating relationship. What was there to hide about this?

However, why did Wei Wucui look slightly disappointed?

Yan Zhiqing couldn't figure it out.

She had no idea that Wei Wucui wanted her to persist because...

Then, he would have a reason to urge her.

He would then take this chance to take her to the bed and kiss her on the ears or something. It would be amazing.

But who would have expected Yan Zhiqing to reply so quickly?

Of course, Wei Wucui was still very happy that she replied without any hesitation.

But then, Yan Zhiqing misunderstood his disappointed expression.

Yan Zhiqing narrowed her eyes and sneered as she said, "Why? Are you not happy? Do you want a secret relationship?"

Irresponsible?

Player?

Wei Wucui immediately felt agitated and quickly said to Yan Zhiqing, "No! Absolutely not! You have to announce this! I don't want a secret relationship. I want everyone to know that I am your boyfriend. If people meet me outside, they would ask me if I was Yan Zhiqing's boyfriend."

Wei Wucui added excitedly, "That would make me feel so proud."

Yan Zhiqing felt speechless.

Most guys didn't want such pride.

At least in the entertainment industry, many of the dating or married couples she knew...

If the girl was more famous than the guy...

People would think that the guy didn't deserve to be called by his name.

Whether it was some ordinary person, someone in real life, a netizen's comment, or the article posted by the news media...

Those guys were always described as someone's boyfriend or someone's husband.

Yan Zhiqing knew that most guys did not like it when this happened.

They didn't like being overpowered by the girl. They didn't like to be inferior to the girl and end up without a name.

However, why did Wei Wucai seem very happy?

When Wei Wucai saw Yan Zhiqing's puzzled expression, he immediately explained, "I was never famous. If it wasn't for you, who would know me?"

"You are famous. Even in the entertainment industry, there are only very few who are more popular than you, and among those people, there are even fewer potential boyfriends. If you were to look for someone in the industry to be your boyfriend, you would only find those who are less famous than you. If that happened, they would be compared to you and would not deserve to be called by their names.

"However, since I fancy you and I want to be with you, these are things I should have expected.

"It's not just me. The others as well. When they choose someone who is more famous than them, they should know that their glow would be overshadowed by their partner's brilliance. Because their partner is more popular, it is normal for people to bring up the more famous one.

"They would obviously pay more attention to the more popular one. And so, he would become someone's property.

"But so what? It's not like they're not able to think of this. They know about it and still stick with their choices. And so, they should cope with feeling ignored by the public. They get something, but they would definitely lose something.

"Do you think their partner wanted them to be ignored by people and be overshadowed? No. They receive their partner's love and the benefits that come with that partner, but in the end, they hate that their light is overshadowed by their partner's?

"They should be aware that no one would know them if their partner was not famous, shouldn't they?"

"This type of person is too selfish. Frankly speaking, they don't like their partner. They just like the benefits and advantages that their partner can provide for them.

"In the end? They got the benefits and advantages. They even became more popular. Who would have known them prior to them getting together with their partner? Who would have known who they were?"

"If they got all these through their partner but felt that it was unfair in the end and that they lost their pride as a man, then that's just ridiculous in my opinion.

"A man like this is trash.

"Clearly, since the beginning, they hope to use their partner to achieve success. But then, they hate it when others say that they are a freeloader. But honestly, they are a freeloader. They did it and wouldn't let anyone say they did it." Wei Wucai sneered out of contempt and said, "A whore that wants to be pure."

Yan Zhiqing froze.

However, she thought about it and realized that Wei Wucai made sense.

That was her thoughts indeed.

Yan Zhiqing showed an agreeing expression.

Wei Wucai then said, “Anyway, I was never famous and I am not in the industry. If we announce our relationship, they can say that I am Yan Zhiqing’s boyfriend and I won’t care.

“As long as everyone knows that I am your boyfriend, then I am fine with it. I don’t care about what they say. The more they say it, the better. If you become more famous, there will be more people knowing that I am your boyfriend.”

Wei Wucai raised his brows and grinned happily. “Isn’t that exactly what I want?”

Yan Zhiqing felt speechless.

He didn’t even take it to heart.

But Yan Zhiqing knew that Wei Wucai had always been a very broad-minded guy.

Because of how he was as a person, he didn’t mind her stealing the limelight.

Chapter 3283: Should I Help You Edit?

Because of him, she was able to announce their relationship without any worries.

If Wei Wucai was someone who liked to be under the spotlight and become famous...

He could have announced that he was the CEO of Ledepic More long ago.

He didn’t have to remain a mystery within his industry.

If he announced his identity, his popularity would not be less than those famous celebrities.

But the opposite happened. Wei Wucai kept a low profile.

If not for the pictures of him and her getting taken, causing him to be exposed to the public...

Wei Wucai would have continued to keep a low profile. He would have never allowed people to know that he was the CEO of Ledepic More.

And so, Yan Zhiqing knew that Wei Wucai had never been someone who cared about those things.

“Do you want to post it online and announce it now?” Wei Wucai immediately went to grab her phone. “Should I help you edit?”

“Wait!” Yan Zhiqing quickly grabbed her phone back and hid it behind her.

She didn’t know when it happened, but she suddenly realized that he had carried her to the bed.

It really... happened before she knew it.

.....

While she was fighting with him for the phone, their bodies had somehow gotten entwined.

Yan Zhiqing placed the phone behind her waist and lay flat on the bed.

Wei Wucai then went on and pressed against her, keeping his body close to hers.

Yan Zhiqing suddenly didn't dare to move at all.

She looked at Wei Wucai nervously and didn't even dare to breathe heavily.

Her body was being pressed down by Wei Wucai. She could even feel the burning heat coming from Wei Wucai's body.

"You..." Yan Zhiqing froze the moment she said that.

Her entire face was so red that it was almost as though you could see smoke.

How did they... turn out this way?

Yan Zhiqing thought it was really dangerous.

She had just thought about that when she suddenly felt the fierce changes happening to Wei Wucai.

"Do... do you want to get up first?" Yan Zhiqing poked him on the arm with her index finger. She didn't dare to move even a bit in his arms.

However, when she poked Wei Wucai, she realized that his arm was very hard.

He was pressing onto her, but he wasn't really hurting her.

Wei Wucai was supporting himself with his arms.

The two were close to each other in a very intimate way, but Wei Wucai did not place his entire weight on her.

Because he couldn't bear to do so...

Because he was supporting himself with his arms, the muscles on his arms were tense.

Yan Zhiqing poked him, and she could feel the firmness of his muscles.

Wei Wucai really didn't want to let her go.

She smelled so good and felt so soft in his arms. This was such a good feeling.

He just stared at her with passion in his eyes.

Being stared at like this, Yan Zhiqing trembled and bit her lips nervously.

Erm...

Considering their current situation, things could go out of control.

Wei Wucai actually wanted things to go out of control.

He finally got her to agree to be his girlfriend.

And now, he could finally kiss her confidently and without any fear.

He didn't have to worry about her getting mad.

Right now, she looked shy in his arms. She no longer looked at him with a scowl like what she had been doing previously.

Wei Wucai felt like he would never get enough of this.

He could finally do this openly. He felt excited and happy that he couldn't stop his desire to be intimate with her.

But he was well aware...

In his current situation, if he continued, he might not be able to stop.

Wei Wucai had no choice but to gnash his teeth and take a deep breath. He rolled around and lay flat on his back.

It took him a while to calm down until he finally felt better.

Yan Zhiqing didn't dare to continue to lie down.

She quickly sat up.

But she didn't move and just sat by the bed.

Because she wanted to see Wei Wucai.

This was Yan Zhiqing's first time dating. She had no experience.

At this moment, she felt so much joy that she couldn't describe it. She couldn't remain calm.

Whenever she thought about the fact that she now had a boyfriend and that boyfriend was Wei Wucai...

Her heart would get filled with sweetness.

It was like her heart was getting filled up to the brim. She was so content.

Seeing how well-behaved she was, Wei Wucai felt as though he was dreaming.

He couldn't believe that Yan Zhiqing had become his girlfriend.

Wei Wucai lay down. He didn't move as he reached out to grab Yan Zhiqing's hand, which was beside his thigh.

He pinched her thin fingers with his index finger and pressed on her index finger. Then, she pressed on her palm.

He seemed to be asking for attention.

Yan Zhiqing looked over.

Then, she saw Wei Wucai appearing very pitiful.

Yan Zhiqing was speechless.

Why was this man acting pitiful?

“Didn’t you say that you would announce our relationship?” Wei Wucai said in a pitiful manner, “Why aren’t you announcing it?”

‘...So that’s what he wanted to say.’ Yan Zhiqing muttered helplessly inside.

Because of that, he even pretended to be pitiful.

Did he think he was God?

“I thought I already explained? We have to tell Elder Sister Mou before we announce so that she would at least be aware. This way, she wouldn’t be blindsided when the reporters ask her.” Yan Zhiqing explained.

“Then why don’t you tell her now?” Wei Wucai said.

Actually, it was already quite late.

Since it was already so late, Yan Zhiqing would feel bad if she disturbed Mou Danqiong.

Although Mou Danqiong was used to sleeping late, she didn’t usually sleep early.

However, Yan Zhiqing didn’t want to cause Mou Danqiong trouble outside work periods.

However, seeing the anticipation in Wei Wucai’s eyes, Yan Zhiqing felt like she couldn’t say no to his request.

Yan Zhiqing froze.

She recalled that this seemed to have... happened more than once.

Previously, she never really rejected Wei Wucai.

She never really said no to whatever request Wei Wucai had.

Even when she was being stubborn, she would still eventually give in.

She had already been under Wei Wucai’s control a long time ago.

She couldn’t say no to his suggestions and request.

She must have started to fall for him a long time ago.

Yan Zhiqing thought she would never be able to reject Wei Wucai.

And so, she then said, “Alright. I will tell her now.”

Yan Zhiqing took up her phone and dialed Mou Danqiong’s number.

Mou Danqiong was coincidentally holding her phone.

And so, when the call went through, it only took her a few seconds to pick up the call.

“Zhiqing,” Mou Danqiong said on her end of the phone.

“Elder Sister Mou, you haven’t slept?” Yan Zhiqing asked.

“No. I am reading Chen Zeqing’s gossip news,” Mou Danqiong said with a smile. It was Fang Qiaohan who had told her about this.

Fang Qiaohan had sent her a voice message through WeChat and told her about it in a very excited tone.

And so, Mou Danqiong, who hadn’t been interested, started to feel curious because of what Fang Qiaohan had said.

It was beyond her expectation. This was truly the biggest gossip of the year.

Mou Danqiong lost track of the time while she was reading, and she found that her exhaustion had disappeared.

She became addicted to reading gossip news.

And so, she was still awake.

“You aren’t here to talk to me about Chen Zeqing’s gossip, right?” asked Mou Danqiong.

Chapter 3284: Seems Like He’s In a Rush

Yan Zhiqing thought that her news would be even more shocking than Chen Zeqing’s gossip.

“No,” Yan Zhiqing said. While she was talking, she could feel Wei Wucai’s eyes glowing with anticipation.

“...” Yan Zhiqing felt a lot of pressure being stared at by Wei Wucai. “Elder Sister Mou, I’m...”

At the side, Wei Wucai’s eyes twinkled as he stared at Yan Zhiqing.

Yan Zhiqing felt a little embarrassed to say it herself.

Especially when she was being stared at by Wei Wucai.

Yan Zhiqing took a deep breath. Her scalp felt numb as she said, “I am dating Wei Wucai.”

But what happened was completely different from what Yan Zhiqing had expected. Mou Danqiong wasn’t surprised at all.

Instead, she said in a tone that conveyed that she had been waiting for this for a long time. “You two are finally together.”

“...” The corner of Yan Zhiqing’s mouth twitched when she heard this. She then turned and saw Wei Wucai looking very proud and satisfied.

“Elder Sister Mou, are you not surprised?” Yan Zhiqing asked.

“Of course, I’m not. You two like each other and are bound to date each other. I just thought it was weird that you two hadn’t gotten together sooner,” Mou Danqiong said.

“Now that you have confirmed your relationship, I am not that worried anymore,” Mou Danqiong added.

.....

Fortunately, she didn’t put her phone on speaker. Otherwise, if Wei Wucai heard Mou Danqiong, who knew how much he would flatter himself?

“Didn’t you ask me to tell you if I were to date someone? Let’s discuss how we can announce this,” Yan Zhiqing said.

“Wei Wucai and I have no intention of keeping our relationship a secret,” Yan Zhiqing said.

“Let me think.” Mou Danqiong thought about it and said, “What does Wei Wucai think about this? When does he want to announce this?”

“...” The corner of Yan Zhiqing’s mouth twitched as she said, “He was the one who urged me to tell you about it. He wants to announce it now.”

Mou Danqiong burst out in laughter. “Seems like he’s in a rush.”

Yan Zhiqing thought, ‘Isn’t that right?!’

“Are you in your room right now?” Mou Danqiong asked.

Yan Zhiqing paused for a moment and said embarrassingly, “I... I am in his room.”

Mou Danqiong said in surprise, “Are you going to spend the night in his room?”

“Of course not!” Yan Zhiqing hurriedly denied it. “I just came to ask him something, and we just happened to use this chance to officially start dating.”

Mou Danqiong guessed that it really did happen just now.

She realized that Yan Zhiqing had called and told her immediately after she had confirmed her relationship with Wei Wucai.

Yan Zhiqing had clearly taken Mou Danqiong’s words seriously.

Mou Danqiong was touched.

“Then put your phone on speaker. I will tell both of you so that Wei Wucai can hear as well,” said Mou Danqiong.

“Alright.” Yan Zhiqing responded and put her phone on speaker. “Elder Sister Mou, you can talk now.”

“Alright.” Mou Danqiong nodded and said, “Here’s my thought. There’s no rush to announce your relationship tonight.”

Before Wei Wucai could protest against this, Mou Danqiong explained, "Because Chen Zeqing's news has taken over the ranking of Weibo's top trending posts. And now, the top twenty trending posts are all news about Chen Zeqing."

"I'm sure you would want to release a public statement and want more people to know that you two are now dating." Mou Danqiong still gave Wei Wucai some respect.

Yan Zhiqing had just said that it was Wei Wucai who demanded to announce their relationship status tonight.

Obviously, Wei Wucai was in a rush for official status.

He wanted everyone to know that he was Yan Zhiqing's boyfriend.

And so, Mou Danqiong said, "If the netizens tonight are all paying attention to Chen Zeqing's news and you decided to announce it at this time, only some of the netizens will see it. Most of the netizens won't see your announcement."

"As for the group that would see your announcement, they won't pay a lot of attention to it. They might be surprised for a second, but then they would turn their attention back to Chen Zeqing's news. You would not be able to achieve the desired effect."

"There's nothing you can do. It's just that this happened at the same time. If it were yesterday when there was no other celebrity news, Zhiqing's announcement would have become the top trending post. And your announcement post would have been the reason why the server crashed."

Wei Wucai couldn't say anything.

What could he do?

He had been the one who released the news about Chen Zeqing.

Since he did it himself, he had to endure.

"So we should wait for a while and announce until the news about Chen Zeqing fades away?" Wei Wucai asked.

Then how long would they have to wait?

He couldn't wait any longer.

"There's no need." Mou Danqiong said, "I suggest you announce tomorrow."

"Chen Zeqing's news would still be popular tomorrow," Yan Zhiqing asked puzzledly.

"Yes. Because too much news about him was released all at once tonight, if you wanted to wait until his news is no longer trending, you would have to wait for at least two months," Mou Danqiong explained.

"In addition, Chen Zeqing's explosive popularity resulted from his negative news. Considering Director Wu's temper, Chen Zeqing definitely won't be a cast in that movie. They will replace him as soon as possible since he has only been filmed for a day and there aren't many scenes of him that have been filmed. There won't be a huge loss of profit then."

“I think that’s very likely to happen,” Mou Danqiong said.

“You can check Weibo tomorrow and see how the official account for the movie Left Right intends to deal with this matter,” Mou Danqiong said, “If Director Wu really made that kind of decision, the official account will post the news and grip the attention of many netizens again.

“However, such popularity is not a good thing to the crew and cast,” Mou Danqiong said.

Although this was Chen Zeqing’s negative news coverage and had nothing to do with the crew and cast, as long as Chen Zeqing remained as a cast member of the movie, the others would put him and the crew, as well as the cast of Left Right in the same group.

“Even though it has nothing to do with the crew and the cast, they would still leave a bad impression.”

“In addition, everyone’s attention would then be on the celebrity news instead of the film Left Right.” Mou Danqiong said, “This has to be something Director Wu wouldn’t want to see.”

Wu Mosen never liked those celebrities caught in scandals and those who loved to cause trouble.

He preferred if the celebrities could remain well-behaved and focus only on acting.

Mou Danqiong had done a good job guessing Wu Mosen’s thoughts about this.

Mou Danqiong was worthy of the title of the best manager in the entertainment industry.

“Therefore, even if the official team of Left Right announced that Chen Zeqing will be replaced tomorrow, it’s still not exactly a good thing for the crew and the cast of Left Right.”

“The moment something bad happened to Chen Zeqing, some keyboard warriors might even think that the film crew of Left Right is too cruel because they abandoned him,” Mou Danqiong said.

Chapter 3285: Keep this Favor In Mind

“No matter what, this is not something good for the film crew of Left Right. This whole thing is a mess right now. They do need a good piece of news to help distract the netizens.”

“If you announce your relationship at this moment, which might not be the best timing to announce a relationship since it wouldn’t gain the same amount of traction as usual; you would at least be able to help the film crew of Left Right distract the netizens and help them deal with some of the verbal attacks.”

“In addition, your story is very positive. The moment you started dating, you directly announced it. You didn’t lie to the netizens, which will leave a good impression on the people who know you but aren’t your fans. Your relationship will be blessed by the netizens.”

“Both of you have very good reputations as well. Zhiqing had never been in a scandal before this and never had negative news coverage, not to mention Wei Wucai. Wei Wucai kept such a low profile that it’s almost as though he didn’t exist.”

“If it weren’t because of the scandal with Zhiqing, no one would know that you are the CEO of Ledepic More. You were mysterious and kept a low profile. You never show off and never use your good looks and the success you have achieved while young to grip people’s attention and get even more benefits.”

“Considering that you have a humble way of doing things, it’s easy for you to create a good impression,” Mou Danqiong said, “Both of you have very positive images. If you announce your relationship at this moment, it is good for the film crew.”

“I think Director Wu would be very happy that you two had decided to announce your relationship at this time. I am sure he could easily guess the reason why you announced it at this time, and he would surely remember the favor.”

“Of course, the person who will receive the most benefit from this would be Zhiqing. Director Wu will think that he owes Zhiqing a favor,” said Mou Danqiong.

“Consider me selfish about this...” Mou Danqiong said, “I just want to use this chance to fight for Zhiqing to get some benefits.”

Of course, Wei Wucai didn’t mind it at all.

He was happy to do anything that benefited Yan Zhiqing.

Initially, he felt a little sad about this. Yan Zhiqing had finally agreed to be his girlfriend, but the timing was bad when they wanted to announce their relationship status.

He couldn’t get more people to know about this.

.....

But after hearing what Mou Danqiong said, he realized that doing this was more beneficial to Yan Zhiqing.

And so, Wei Wucai no longer felt sad.

In fact, he felt happy about this chance.

“Alright. That’s what we will do.” Wei Wucai said.

At this moment, there was no reason for them to be in a rush to announce their relationship status.

Yan Zhiqing couldn’t help but turn to glance over at Wei Wucai.

She knew why he had agreed so quickly.

It was because Mou Danqiong had said that this was beneficial to her.

And so, as long as it was beneficial, Wei Wucai agreed without any hesitation.

To be honest, they hadn’t spent a long time together.

The time they spent together wasn’t long and unforgettable.

However, he was already treating her so well.

He would try to solve all her issues.

He would yield to anything that was good for her.

Yan Zhiqing couldn't help but think... If it was something that was beneficial to her but required him to sacrifice or receive ill-treatment...

Would he still choose to do it because it was beneficial to her?

However, in Yan Zhiqing's opinion, such an assumption would forever be an assumption.

Because she would neither do that nor give him the chance to choose.

There would never be a day when that assumption would come true.

She would never test him.

And the amazing thing was that...

Even though the two had just officially started dating...

Yan Zhiqing already had so much confidence in Wei Wucui even when they still weren't dating.

She was very sure that Wei Wucui would put her first in all things.

Even if he had to sacrifice, he would do it without any hesitation.

Yan Zhiqing didn't know why she had such confidence in Wei Wucui.

The two had just confirmed their relationship status, but she already knew how he would behave.

Even Mou Danqiong was surprised that Wei Wucui had agreed without any hesitation.

Of course, she knew that Wei Wucui would agree because this was something that would benefit his girlfriend. He would agree even if it were done to show how broad-minded he was.

But Mou Danqiong did not expect Wei Wucui to agree to this without any hesitation.

He didn't even think about it.

The moment he heard that it would benefit Yan Zhiqing, he agreed without a second thought.

He was earnestly willing to do anything for Yan Zhiqing.

His emotions were very clear in his tone.

Mou Danqiong couldn't help but smile.

She was very happy for Yan Zhiqing.

It was Yan Zhiqing's first time dating, and she had actually met someone so good.

Mou Danqiong genuinely hoped that Wei Wucui would be Yan Zhiqing's first love and eventually her husband.

So that she wouldn't have the chance to experience another relationship.

It would be her first love and the final one. That would be a very lucky thing.

She might seem inexperienced in dating.

But if possible, who would be willing to experience so many emotions and suffer so much pain?

After all, not everyone had the luck to meet their Mr. Right for their first relationship.

“Then that’s a deal.” Mou Danqiong said, “Don’t worry for now. Just keep an eye out on Director Wu’s reaction tomorrow.”

“What if Director Wu still intends to cast Chen Zeqing?” Yan Zhiqing asked.

Wei Wucai could think for her sake without any hesitation.

Yan Zhiqing couldn’t allow Wei Wucai to yield blindly.

A relationship was a two-way street. Both would need to think from each other’s point of view.

Plus, her consideration was nothing in comparison to Wei Wucai’s act of giving in.

“I just thought that it’s impossible for Director Wu to continue casting Chen Zeqing. He doesn’t know Chen Zeqing well. Chen Zeqing was able to get this role because of his ability. He did not rely on the people who supported him to get this role...”

“In addition, if Director Wu decided not to cast him because of the negative news, he wouldn’t retract his decision even if the boss supporting Chen Zeqing pleaded for the latter. After all, Director Wu is one of the very few directors who only cares about making a good film.”

As the best manager in the country, Mou Danqiong naturally had connections and a social circle.

She usually treated Yan Zhiqing like a very kind little sister.

But that was because she had spent a lot of time with Yan Zhiqing, and likewise, Yan Zhiqing treated her like she was her older sister.

Initially, she might have treated Yan Beicheng well because of how he was as an individual.

But she only behaved like a well-tempered older sister in front of Yan Zhiqing.

However, if you asked around in the industry about how she often behaved in front of strangers...

Mou Danqiong was no joke.

The connections and work opportunities she had as well as her relationship with the figures of authority in the entertainment industry as well as in other industries, could be described as a terrifying social network.

As such, she had more than enough sources and information on things that were going on in the industry.

And so, she was confident when she said that Wu Mosen would definitely replace Chen Zeqing.

Besides the fact that she had analyzed this herself, she had also heard some things from some powerful figures in the industry.

Chapter 3286: Who Didn't Know How to Make Public Displays of Affection?

Since she could say it out loud, it meant she was 99% certain about that matter.

Consequently, Yan Zhiqing didn't actually feel suspicious about it.

It was just that she still wanted to ask for Wei Wucai's sake.

As such, Mou Danqiong said, "Of course, even if there were to be some unexpected factors outside of our control that would cause Director Wu to continue using Chen Zeqing, you can still make your announcement tomorrow."

"If they continue using Chen Zeqing, it will have a greater negative impact on them as the matter regarding Chen Zeqing will continue to worsen tomorrow. It has yet to implicate the cast and the crew as of this evening, but it definitely will implicate them by tomorrow."

"When the time comes, the cast and the crew will become one of the parties involved in the scandal. Your announcement to the public about your romantic relationship would still be able to draw some attention away from the cast and the crew. Similarly, Director Wu would remember this act of kindness of yours."

"In that case, when would be a suitable time to make the announcement tomorrow?" Yan Zhiqing asked. "If the cast and the crew are making their own announcement, we can wait until after an official post is made. However, what if it's decided that Chen Zeqing will continue to stay on the cast? Until what time tomorrow should we wait?"

Mou Danqiong looked at her watch and said, "Wait until 8 pm."

"8 pm is prime time. People work during the day. Even if they go looking on Weibo during their break time, they would only scroll through content posted during that time, so it's very easy for your announcement to get missed."

"If your announcement is made at 8 pm, those who get off work early will have returned home by that time. They can scroll through Weibo while watching TV. Those who are having dinner or even while waiting to have dinner would all have the time to look on Weibo. Most of those who have yet to get home would be on the way home at that time."

"The best way to pass time while traveling home on the bus or train is to go on the internet, right?"

"And the rest of the people would either be doing overtime or be out having fun," Mou Danqiong said. "That means they wouldn't be able to see your first post regardless of when you make your announcement."

Yan Zhiqing nodded. She could feel that what Mou Danqiong had said made sense.

Right after, she heard Mou Danqiong continue, "I wanted the celebrities my subordinates are managing to become hot topics and snatch the search hits, so I had someone collect data and make a comparative analysis to find out when is the best time to release news to attract the most attention."

Mou Danqiong's subordinates were divided in a very systematic way.

One group specialized in doing research on the data regarding popular search queries. They analyzed the public's reactions, the popularity of the posts, and the netizens' feedback after the celebrities that her subordinates were managing released posts on Weibo, as well as when was the best time to release news and so on.

There was another group that specialized in creating data reports regarding the data of the celebrities' Weibo posts. They would form beautiful visualizations for each celebrity based on the data results from the first group.

There was even a public relations team.

Their scope wasn't that wide, but it was enough to deal with unexpected everyday mishaps.

In particular, their purpose was to act as a safeguard for the occasional moments when the celebrities might say the wrong thing.

Aside from sharing their daily lives, the celebrities would post opinions regarding some facts or hot topics. There might also be times when they would need to declare their positions on a matter.

Mou Danqiong would not let the celebrities make these posts themselves.

Instead, once the celebrities were done writing the posts, the posts were screened and refined by the public relations team. They would remove and change anything that wasn't that appropriate.

Words that could lead to ambiguous interpretations or opinions that could cause netizens to misunderstand or misinterpret would also be changed.

Once they were certain that there were no mistakes, they would use the celebrities' personal accounts to release the posts.

This was because the public reputation of the celebrities managed by Mou Danqiong's subordinates had always been pretty good. In other words, even the general public viewed them in a good light.

The celebrities Mou Danqiong had personally managed were all renowned and had flourishing popularity.

The more famous they were, the more Mou Danqiong would restrict them and ensure that they would cherish their prestige...

This was better than causing trouble for themselves due to a slip of a tongue and ultimately damaging their reputation.

"If you post at 8 pm, it will definitely be a hot search after the prime time. If we manipulate things somewhat, it's definitely possible to make it the top hot search," Mou Danqiong said with a smile. "It's

also possible that we won't need to do anything, and it'll become the top search on its own because of your popularity."

"By the time the people who return home late at night finally see the news, your post will already be the top search. They won't need to search for it, so we won't need to worry that they won't see it," Mou Danqiong said. "Additionally, when the number of people who have seen the post increases, the number of search hits will increase, and so will the likelihood of maintaining your spot as the top search. This way, there will be even more people who will see your post, which will ultimately lead to a loop."

Yan Zhiqing thought about it and felt that it was quite fitting.

In any case, the public announcement simply had to be made tomorrow.

Yan Zhiqing then turned to ask Wei Wucai, "Is this okay?"

She respected Wei Wucai's opinion greatly.

Wei Wucai really wanted to know. If he said no...

What would Yan Zhiqing do?

So, he asked, "If I think it's too late?"

Yan Zhiqing blanked for a bit, but she didn't appear distressed at all.

She immediately said, "If you think it's too late, let's not bother about the timing so much. We can do it tonight or tomorrow morning. We'll do what you say."

Wei Wucai couldn't help but smile.

He cradled Yan Zhiqing's face in his hands. "How can you be this good?"

How could he have ever thought of her as willful in the past?

This girl was clearly extremely adorable.

As long as you treated her well, she would treat you well as well.

Moreover, she was especially considerate of the other party.

Mou Danqiong had clearly analyzed it for Yan Zhiqing and told her what the most favorable plan of action was for her.

However, as long as he said he wasn't happy, Yan Zhiqing would go with what he said without the slightest hesitation.

She was willing to decisively give it up even though it was favorable to her.

All she wanted was to not disappoint him.

"We'll do what Elder Sister Mou said," Wei Wucai said. "I just asked out of curiosity. I think that plan of action is a very good choice."

Mou Danqiong thought to herself: she wasn't that close to Wei Wucai!

Why was he even calling her 'Elder Sister'?

Moreover, they were talking on the phone.

She just suffered a hit from these two people... What did she do wrong?

It wasn't as if she didn't have a husband...

Mou Danqiong's mouth twitched. She said, "All right. That's fine. I need to go to bed now. Your Elder Brother Lin's calling me."

Who didn't know how to make public displays of affection?

Wei Wucai was speechless.

He just really wanted to go to bed with Yan Zhiqing. Otherwise, what was he going to do?

Mou Danqiong countered their attack with a public display of affection as well. She hung up the call feeling perfectly satisfied.

Yan Zhiqing hung up and looked at the time on her phone.

It was already midnight.

"I'll be heading back then," Yan Zhiqing said to Wei Wucai.

It was simply too dangerous for her to stay here.

She wasn't just afraid of Wei Wucai.

Yan Zhiqing was also very afraid that her determination wouldn't be strong enough.

After all, Wei Wucai was truly too attractive.

Just staring at him like this made it very easy for her to lose restraint and make a mistake.

Yan Zhiqing was even rather afraid that her true feelings would be revealed.

As such, she hurriedly stood up as she spoke.

She did not dare to continue sitting on the bed.

Chapter 3287: Winner in Life

It was really too late.

There was no reason for Wei Wucai to ask her to stay.

In addition, the two had just gotten together today.

He couldn't rush and make himself seem like a pervert.

What if he scared her?

However, Wei Wucai really wanted Yan Zhiqing to stay.

And so, he stood up as well.

When he stood up, Yan Zhiqing had already turned and stepped toward the door.

Wei Wucai had to follow her quickly.

Yan Zhiqing stopped when she reached the door.

She had yet to open the door. She turned around and was about to bid goodnight to Wei Wucai.

But then, Wei Wucai was right behind her and was standing very close by.

Unknowingly, he had trapped Yan Zhiqing at the door.

.....

Wei Wucai had his hand on the door and held her tightly in his arm.

The other hand was holding onto her waist.

Her waist was very thin, and his hand seemed to be holding almost half of her waist.

“It took much effort to get you to agree to be my girlfriend,” Wei Wucai said.

Yan Zhiqing thought about it. Did it take much effort?

It hadn't seemed so.

It had only been a few days since he confessed to her.

Only a few days had passed, and she had already agreed.

In addition, during these three days, she found out that he had lied.

Only a night had passed, and Yan Zhiqing had already forgiven him.

Wei Wucai didn't struggle at all when he was trying to get her to be his girlfriend.

Even Yan Zhiqing thought that she had agreed too easily.

As she thought about this, she realized that she was an easy catch.

However, before Yan Zhiqing could retort.

She heard Wei Wucai say, “And now, you are leaving.”

Yan Zhiqing was speechless.

It was not like she would leave and never come back.

Immediately, Wei Wucai said, “Then, can I get a good kiss?”

Yan Zhiqing's face instantly flushed red. Her face was burningly hot.

She couldn't say anything.

However, Wei Wucai didn't need her answer.

And now, he wasn't asking Yan Zhiqing for her permission.

Who would ask their girlfriend for permission before they kissed their girlfriend?

And so, the moment Wei Wucai said that...

He didn't even bother to wait to see Yan Zhiqing's reaction. He just kissed her right away.

This kiss was different from the one that happened when Yan Zhiqing had just stepped into the room. There was still some uncertainty in that previous kiss.

But now, the two had already confirmed their relationship status, and Wei Wucai had no more worries.

He pressed his mouth to hers and dived in for a deep and long kiss.

He held her waist and lifted her up.

Yan Zhiqing hastily gripped his shoulder and quickly clung to his waist.

She was like a koala bear, hanging onto his body.

She was so scared that she might fall.

But then, this made things even more convenient for Wei Wucai as he went in and deepened this kiss.

He held Yan Zhiqing in his arms. It felt as though he was pushing her into his flesh and bones.

He was kissing her so much that Yan Zhiqing felt weak, and she almost couldn't continue to cling to him.

Wei Wucai reluctantly let her go.

She could feel his hot and heavy panting on her lips, the tip of her nose, and her chin.

It was as though his lips had gently touched these places.

Yan Zhiqing grabbed the edge of his shirt tightly, scrunching it up.

She couldn't tell him that this kiss was making her want to stay.

Yan Zhiqing had no strength left. As a result, her feet landed feebly on the floor.

However, Wei Wucai was still carrying her, which was why she didn't fall to the ground.

Wei Wucai held her in his arms and lazily leaned his head on her shoulder.

His forehead sat right in the center—between her collarbones.

Yan Zhiqing felt that the areas he was touching were scorching hot.

Her body and the side of her neck were hot.

At this moment, she heard Wei Wucai say, "This is great."

Although he uttered only three words, Yan Zhiqing felt that those three words were enough.

Those three words perfectly described all the feelings the two felt at this moment.

Because that was what she thought as well.

This was really good.

Yan Zhiqing lowered her head and saw the corner of Wei Wucai's eyes.

At this moment, the corner of his eyes seemed full of emotions as they had glowing red spots, which made them look especially attractive.

Later on, Yan Zhiqing would recall what had happened, and she would think that she must have been out of her mind.

Why did she do it?

Anyway, Yan Zhiqing seemed bewitched.

She lowered her head and pressed her lips to the fading red corner of his eyes.

Wei Wucai suddenly shivered and lifted his head up to her shoulder.

He couldn't believe that this was something that Yan Zhiqing would do.

At this moment, Yan Zhiqing regained her rationality and immediately felt embarrassed.

She saw that Wei Wucai's eyes had lit up, and she felt embarrassed to even look at him.

She panicked as she avoided his gaze.

Wei Wucai then move forward and kissed her on the lips.

This time, Yan Zhiqing no longer just played the role of a passive recipient.

As she engaged with him in this kiss, she started to gain experience.

Unknowingly, she hugged him and was even starting to kiss him back.

"I have to let you go." Wei Wucai struggled to say this.

If not, he really would not be able to let Yan Zhiqing out of the door.

Yan Zhiqing gently pursed her lips and nodded silently.

Wei Wucai's eyes were glued on her, refusing to shift away.

With much reluctance, he opened the door and said, "I will send you back."

He wanted to spend as much time with Yan Zhiqing as possible.

However, Yan Zhiqing's room was just a twirl away.

Yan Zhiqing swiped her card and opened the door.

Wei Wucai didn't go inside and just remained at the door.

"Rest. I will come to get you tomorrow morning," Wei Wucai said.

"Alright." Yan Zhiqing nodded, casting a glance at him as she felt reluctant to part ways.

She liked him previously, but she had never felt such reluctance to leave him.

She wasn't even willing to bid goodbye.

It was probably because he was now her boyfriend.

It had to be because she now had the right to honestly show her reluctance to part ways with him.

"Goodnight," Yan Zhiqing said, "You should go back and rest early."

"Alright." Wei Wucai smiled as he stared at her.

Yan Zhiqing closed the door.

The door was only half closed when it couldn't move anymore.

Wei Wucai had stopped it with his hand.

Yan Zhiqing didn't try to push the door. She just looked at him in surprise.

At the same time, Wei Wucai shifted his body between the ajar door.

His feet were on the carpet outside. He hadn't crossed the line.

He pushed the door with one hand and the doorframe with another hand.

He leaned in and kissed Yan Zhiqing again.

But this time, the kiss was short.

It was just a taste.

"Goodnight," Wei Wucai said with a smile.

Yan Zhiqing thought to herself that Wei Wucai's athletic skills were quite good.

This time, the door finally closed.

Yan Zhiqing covered her face as she lay on the bed.

It was her first time being in a relationship, and her boyfriend was so handsome.

Yan Zhiqing felt as though she was a winner in life.

Wei Wucai waited until Yan Zhiqing had closed the door before he turned and went back to his room.

But he stood outside the door without swiping his card and stepping into the room.

The corner of his eyes twitched as he turned and said in an annoyed tone, "Come out."

Chapter 3288: Coaxing and Threatening

Wei Wucai had just spoken. However, there was still complete silence in the hallway.

However, Wei Wucai wasn't worried at all. He just stood at the door.

After a few seconds, people's heads, one after the other, started popping out of the corner.

Soon, they all started walking out one by one.

They were members of the Mount Lan Compound led by Yuan Jiangyi and Hao Donghuai.

!!

And everyone who came was all here.

Wei Wucai pursed his lips and asked, "Tell me. How long have you been watching?"

Yuan Jiangyi laughed and said, "Not too long. We have been here since the time Zhiqing went to your room.

Wei Wucai was speechless.

You describe that as not too long?

"It seems you guys aren't tired at all..." Wei Wucai sneered.

"It's still early." Hao Donghuai waved his hand and said, "Don't you know this is a piece of cake to us?"

Wei Wucai was speechless.

Was he praising them?

Why did Hao Donghuai reply in a humble but proud manner?

Sick!

Yuan Jiangyi and Hao Donghuai then gestured at the members behind them.

Instantly, the group of people pounced on Wei Wucai.

Wei Wucai was speechless.

Even Wei Wucai couldn't help but move two steps back.

But immediately, Yuan Jiangyi and Hao Donghuai each grabbed one of his arms.

"It's not convenient to talk in the hallway," Yuan Jiangyi said.

"Let's go and talk in the house," Hao Donghuai said.

They didn't consider themselves outsiders.

“Why should I talk to you guys in the room?” Wei Wucai said in an annoyed manner.

“We can’t talk in the hallway, can we?” Yuan Jiangyi responded.

“Yes. It wouldn’t be good if others heard us,” Hao Donghuai said.

Wei Wucai was speechless.

If they knew that it wouldn’t be good for others to hear, then why would they still be here?

Eventually, there was nothing Wei Wucai could do. He could only allow them into the room.

And so, the room that had just gotten emptied was fully occupied again.

Thankfully, they didn’t sit on Wei Wucai’s bed but stayed in the living room in a well-behaved manner.

Wei Wucai didn’t want them to taint the bed that he and Yan Zhiqing had just seated on not too long ago.

Thank goodness they knew better!

Liang Shibo was on the side and was live-streaming the newest update through the chat group for the buddies at the Mount Lan Compound who could not be present right now.

“Earlier, we saw Team Leader Xiao Cai at the door with Zhiqing. He kissed Zhiqing. Based on reliable sources, the two are now dating.”

“Xiao Cai, how’s your progress with Zhiqing?” Yuan Jiangyi asked, “We witnessed that Zhiqing stayed in your room for a long time.”

“Don’t guess blindly.” Wei Wucai said, “She came to ask me about Chen Zeqing.”

“You admitted to it, did you?” Hao Donghuai asked hastily.

Of course, he had to admit such things as soon as possible.

If not, he would be doing a good thing anonymously.

“Of course, I admitted to it,” Wei Wucai said.

“And then? Don’t keep secrets from us,” Yuan Jiangyi said, “We just saw you kiss Zhiqing in front of her room!”

Wei Wucai tidied his collar and cleared his throat.

And then, he showed a very big grin.

He then said proudly, “Indeed. Zhiqing has finally accepted my courtship and has agreed to be my girlfriend.”

Liu Yuhao immediately started tapping on the phone screen as he sent a message in the chat group, “Based on the newest reliable source, Team Leader Xiao Cai and Zhiqing are officially together. Team Leader Xiao Cai has finally lost his status as a single man!”

“Aiya! Finally!” Yuan Jiangyi said.

Hao Donghuai laughed out loud and said, "Congratulations."

While providing the newest information to the group chat, the rest of the team members also actively said their most earnest blessings to Wei Wucai.

The group bustled with craziness and joy.

The chat was scrolling so fast that it could make someone dizzy.

However, at this moment, Wei Wucai couldn't bother with the chat group.

"Quick. Tell us the details. How did you get Zhiqing to agree?" Hao Donghuai, who was very cunning, took the phone and lifted it near Wei Wucai's mouth.

He was pretending that he was interviewing him with the phone as the microphone.

But he had already turned on voice message mode.

Wei Wucai obviously knew about this.

He couldn't tell them the things that had happened privately between him and Yan Zhiqing.

No matter how close-knit he was with them, he wouldn't boast to them about his relationship and interactions with Yan Zhiqing.

After all, this was between him and Yan Zhiqing.

He wouldn't allow another man to talk about his woman.

No matter what type of mood the person was in when this question was asked, Wei Wucai was unwilling to answer.

And so, he had to keep what happened between them a secret.

Wei Wucai looked down on those men who always bring up their wives in conversations.

Some people would joke about how they had just paid their taxes to their wives.

To Wei Wucai, such behavior was extremely gross.

The brothers at the Mount Lan Compound would never be this perverted.

Wei Wucai was unwilling to talk about these even to his close-knit brothers.

However, he could tell them how he had confessed.

And so, Wei Wucai answered, "Of course, it was done through my sincerity. I earnestly confessed my feelings to Zhiqing. I have been single for thirty years and finally fell for a girl. Is that not sincere enough?"

"I told her that I like her and that I don't like anyone else. I will never like anyone else. I finally met her. If she rejects me, I will be single for the rest of my life, as I will never like anyone else."

Everyone was shocked.

Hao Donghuai gave him a thumbs up and said, "So cunning! By doing so, she's guaranteed to be emotionally touched!"

"In addition, she can't bear the burden of being the one to cause you to be single for the rest of your life." Yuan Jiangyi said, "You are basically... coaxing and threatening."

"How can you say that!" Wei Wucai's face darkened.

What did he mean when he said coaxing and threatening?

No! He did not do that!

"I meant what I said. I neither coaxed nor threatened," Wei Wucai said.

"Anyway, if she hadn't agreed, I would have been single for the rest of my life," Wei Wucai added.

Of course, the statement that he would target those who liked Yan Zhiqing...

He refused to admit that it had been a threat.

If those people hadn't done anything that couldn't be publicly known, they wouldn't have to be scared of his threats, right?

In addition, he wasn't threatening Yan Zhiqing.

He was threatening those people who liked Yan Zhiqing.

And so, he hadn't threatened Yan Zhiqing.

Wei Wucai was still smiling.

Smiling sincerely.

With a stiff expression, Yuan Jiangyi turned and said to the members of the Mount Lan Compound behind him, "Did you all hear that?"

"We heard it!" the group answered at once.

Wei Wucai was speechless.

"You all should learn!" Yuan Jiangyi said, "If you meet a girl you like in the future, you have to act like Team Leader Xiao Cai."

The group responded, "Like how?"

Wei Wucai was speechless.

Chapter 3289: He's Dreaming

Yuan Jiangyi then answered, "You just have to be shameless. Not only do you have to say sweet things to coax the girl, but you also have to stress her out mentally and make her think that you can't live without her and that she would be responsible for the fact that you are single."

“In the end, you also have to learn to get rid of all your love rivals. Anyone who likes you will be eliminated!” Yuan Jiangyi said.

Everyone responded, “Got it!”

Wei Wucai was speechless.

Yuan Jiangyi said, “If you can do all these things, you will succeed!”

!!

Everyone then said, “I see!”

Wei Wucai was speechless.

Yuan Jiangyi added, “Remember! You can only court a girl by being shameless!”

Everyone responded, “Be shameless!”

Wei Wucai was speechless.

Yuan Jiangyi said, “You can only court a girl by being thick-skinned!”

Everyone responded, “Be thick-skinned!”

Wei Wucai was speechless.

Yuan Jiangyi, “You guys give me a conclusion. Let me see if you remember?”

The group said, “Shameless! Thick-skinned! Sweet Tongue!”

Wei Wucai was speechless.

Yuan Jiangyi nodded and said, “Good. Looks like you all have learned the essence of how Team leader Xiao Cai courts a girl.”

Everyone looked proud.

Wei Wucai was speechless.

“Trust me. If you remember these three things, you will succeed!” Yuan Jiangyi said as he cheered for his team members.

Everyone said, “Learn from Xiao Cai!”

Wei Wucai was speechless.

“Are you guys a group of crosstalk actors? One is the leading actor, and the others are playing the supporting role?” Wei Wucai felt the corner of his eyes twitch as he said, “You guys are quite capable. Why don’t you get a job at Deyun Club?”

“Do you hear yourself?” Yuan Jiangyi said, “Do they need that many people to play the supporting role? Don’t you know they have a lot of people supporting them in the audience seating area?”

Wei Wucai was speechless.

“Buddies!” Yuan Jiangyi said. Yuan Jiangyi got up and gestured his palm downward, which was a sign for the others to be quiet.

“This time, Team leader Xiao Cai successfully lost his status as a single man. This was all thanks to all of us working hard together!” Hao Donghuai felt such comfort and delight. He looked very proud as he said, “We have done so much to help Team Leader Xiao Cai lose his status as a single man.”

“If it weren’t for our help, there’s no knowing when Xiao Cai might lose his status as a single man.” Hao Donghuai said emotionally.

“Think about it. Before you guys were here, Yuan and I had been beside Xiao Cai, and we had always been worried sick. We were helping him plan, and we were following him around. We were worried that he might say something wrong and make that girl unhappy.”

Hao Donghuai appeared mentally exhausted as he shook his head and said, “We were like two old dads.”

Wei Wucui wanted to kick them.

How could they take advantage of him like that?

They even called themselves his old dads!

And the reality was the complete opposite from what they had just said.

Hao Donghuai and Yuan Jiangyi had been beside him, and they almost made him invisible.

Sure, they did everything to strengthen his presence.

But they also had first dibs when it came to speaking.

By the time it was his turn, there would be nothing left for him to say.

In addition, because they were there, they had taken all chances of him spending time with Yan Zhiqing alone.

Help?

They did help.

But most of the time, they had made things worse!

The thought of this made Wei Wucui feel really exhausted.

Hao Donghuai actually even dared to boast in front of him.

Unexpectedly, when the team members heard what Hao Donghuai said, they nodded in agreement.

They were emotionally moved.

“The two team leaders are really good.” Wei Wucui’s deputy, Liang Shibo, said with an emotional expression, “Thanks for taking care of our Team leader Xiao Cai.”

Wei Wucui was speechless.

“Yes. If it was just him alone, who knew when he could lose his status as a single man.” the team member of Shadowless Unit said.

Wei Wucai was speechless.

How could they turn matters upside down?

Wei Wucai said angrily, “You guys...”

Then, Wei Wucai felt helpless. “Are you all not going back to sleep? Are you guys not stressed being with me?”

Everyone felt puzzled. What stress could there be?

As they thought about this, they saw Wei Wucai straighten his back proudly.

“You are all single men. Are you guys not stressed when looking at me, someone who has a girlfriend?” Wei Wucai scanned each and every one of them with contempt.

“Are you all really still in the mood to be chatting here? Why aren’t you all thinking about how to lose your status as a single man? Do you all intend to be a single loser?” Wei Wucai said with disdain.

Everyone: “...”

Wei Wucai straightened his back and perked up his chest. “Was I not a good example for you all?”

“Look at me. I am not single anymore. This is great. You all have to work hard as well! Will you guys be able to lose your status as a single man if you stay here? Are you all not worried about yourselves now that I am going to become a man with a wife and a family? Does that not give you any stress?” Wei Wucai’s questions tortured the members’ souls, and every word hit them where it hurts.

Everyone: “...”

They would go back and sleep then.

However, they didn’t actually feel upset because of Wei Wucai.

They had already asked every question they wanted.

As such, it was indeed time to go back to rest.

And so, everyone stood up.

“We are leaving. We are leaving.” Yuan Jiangyi said.

“Everyone, go back and rest. You still need to sleep early tomorrow morning,” Hao Donghuai said, “We can see Xiao Cai and Zhiqing tomorrow morning.”

“Yes. Yes. Yes. Everyone, buckle up! There will be even more amazing things that we will need to share with the buddies guarding the base by live-streaming for them,” Yuan Jiangyi said.

And so, everyone started to step out of the room while talking.

Wei Wucai was speechless.

How could they say those in front of him like he didn't exist?

However, he had finally sent so many people away.

Wei Wucai just felt mentally exhausted.

He wanted to send Yan Zhiqing a WeChat message.

But he felt so tired that he just wanted to lie down and sleep.

It was really too exhausting to deal with Yuan Jiangyi and the others.

Yuan Jiangyi and the others quickly went out of the room.

Hao Donghuai's deputy, Hu Xuming, asked softly, "Wait, this doesn't seem right. Xiao Cai said he has a family? What family?"

Hao Donghuai laughed and said, "He's dreaming! He's thinking about having a family when he had just gotten together with her."

Wei Wucai was going a little too fast.

"Oh." Everyone understood and went back to their rooms.

Because everyone slept really late, none of them slept for a long time.

They woke up after sleeping three to four hours.

But surprisingly, the group wasn't tired at all.

In fact, they were all very excited.

Because today was officially Wei Wucai and Yan Zhiqing's first day of dating.

Everyone at the Mount Lan Compound was filled with anticipation!

Wei Wucai had just washed up and was preparing to see Yan Zhiqing.

A WeChat notification ringtone sounded on his phone.

Wei Wucai opened it and saw that it was the Mount Lan Compound's live-streaming group.

Because it was too noisy, he had already muted it.

It was just an ordinary chat group. It wasn't a members group for missions and assignments.

Therefore, he wouldn't have to worry about missing out on any important news.

Chapter 3290: These Are All Part of the Scheme

It rang ring this time because someone had tagged him in the group.

Wei Wucai opened it and saw that the message that had tagged him had already moved all the way up, so he had no idea where it was.

He had just received the message, but it had already been washed away by the waves of messages.

Wei Wucai had no choice but to click on the notification, which brought him directly to the message that tagged him.

He then saw that it was Yuan Jiangyi was the one who had tagged him in the group.

!!

“Xiao Cai, are you up? Are you ready?” Yuan Jiangyi asked.

Wei Wucai was speechless.

Wei Wucai didn't dare to answer.

He was scared that if he answered, those people would wait at the door and start gawking on the spot.

The thought of a group of people staring at them from a meter away when he was with Yan Zhiqing...

Wei Wucai felt goosebumps rising on his skin.

And so, Wei Wucai ignored Yuan Jiangyi.

He then checked the group again and saw that the chat history of the group was so long.

It started since the live stream last night.

Looking at the chat history, Wei Wucai saw that Hao Donghuai had even recorded what he said and sent it to the group.

And he checked the time of the messages in the chat history.

The group of people had actually talked for an entire night. Did they not sleep?

That was too much!

Wei Wucai closed his WeChat. He guessed that Yuan Jiangyi would ask that question because Yuan Jiangyi was still in his room.

And so, he quickly stepped out of the door.

He was scared that he might bump into someone.

Wei Wucai knocked on Yan Zhiqing's door.

He knocked a couple of times, and he waited for less than a few seconds when the door opened.

He saw Yan Zhiqing standing in the room.

This was the first time they had met since they became lovers.

Only a few hours had passed.

But the feeling of seeing each other again felt even more unfamiliar than when they had been friends.

Actually, it was not an unfamiliar feeling.

It was just embarrassing.

Of course, Yan Zhiqing was the only one embarrassed.

Wei Wucai didn't feel such emotions.

If he felt embarrassed in front of his girlfriend, how thin-skinned would he be?

However, Wei Wucai refused to admit that he wasn't embarrassed because his skin was especially thick.

He quickly acclimatized to his new identity as Yan Zhiqing's boyfriend.

He leaned over and kissed Yan Zhiqing on the lips.

Then, he smiled and said, "Good morning."

At this moment, near the corner at the end of the hallway.

Liu Yuhao was holding his phone out. He had extended the camera out of the corner and quickly snapped photos of Wei Wucai leaning over and kissing Yan Zhiqing.

However, Yan Zhiqing was hidden in the room.

And so, at this current angle, Yan Zhiqing would not be in the picture.

He couldn't even get Wei Wucai's face in the photo.

Liu Yuhao thought that this was humiliating as a member of the Shadowless Unit.

As a member of the Shadowless Unit, he would never yield.

And so, he fished out something from a hidden pocket in the knee area of his pants.

He fished out a black item that was not much bigger than a piece of rice.

At first glance, it looked like a mosquito.

However, if you zoomed in and observed carefully...

Or even looked at it with a magnifying glass...

You would find that it was neither a mosquito nor a bug.

It was a small machine.

There was a camera even smaller than a pinhole on the machine.

It was unknown how the technical team at the Mount Lan Compound had achieved this.

Anyway, they managed to bring out a product like this.

And they equipped every member of the Mount Lan Compound going out for a mission with this item.

Of course, those smart-asses on the technical team would never expect that...

Their high-tech item would one day be used by Liu Yuhao to take pictures of Wei Wucai's life.

Liu Yuhao used the watch on his left wrist to control the small machine.

This tiny and unremarkable-looking item started flying over toward Wei Wucai in a conspicuous manner.

It stopped behind Wei Wucai and recorded the entire thing.

The recording was transferred in real-time to the special watch on his wrist.

This watch functioned as a remote control and a remote storage device.

At the time, Liu Yuhao had transferred the recording in the watch to the group in real-time through the internet, allowing all the buddies at the Mount Lan Compound to see it.

At this moment, Yuan Jiangyi and the others were hiding at the end of the corner.

They were at the end of the corner to prevent themselves from being discovered by Wei Wucai, as there were too many of them.

And so, they hid behind.

However, they were really curious as to what was happening at the front, so they weren't willing to go back to their rooms.

Even if they couldn't see it, they could at least experience the vibe.

And so, they all gathered here.

Actually, when Yuan Jiangyi had tagged Wei Wucai in the group, they had already gathered here.

They waited for a while, yet Wei Wucai still hadn't stepped out of the door.

They then suspected that Wei Wucai was either still in the room or he had left early to see Yan Zhiqing.

Because of this uncertainty, Yuan Jiangyi had tagged Wei Wucai in the group.

They wanted to know whether Wei Wucai had left or not.

But then, Wei Wucai didn't reply.

But thankfully, Wei Wucai had come out of his room soon after the message.

And so, they decided to pick one person to do the live stream at the frontlines.

It was harder to get noticed if it was just one person.

They were going to ask Wei Wucai's deputy, Liang Shibo, to go.

However, Liang Shibo didn't dare to go.

While feeling the contemptuous glares, Liang Shibo explained pitifully, "That is my team leader! My direct supervisor! I don't dare to go. If he finds out, I will die a worse death than all of you."

"Look at you being useless." Yuan Jiangyi said scornfully, but then he thought that it would be unsuitable for a team member to betray their own leader.

And so, Yuan Jiangyi dragged Hao Donghuai's deputy, Liu Yuhao, out.

As for how Liu Yuhao complained to Yuan Jiangyi about how he had to choose Hao Donghuai's deputy instead of his own deputy...

Yuan Jiangyi pretended as though he had lost his hearing.

And so, Liu Yuhao was sent to the front lines.

At this moment, everyone could see the scene in real-time, thanks to Liu Yuhao's live stream.

Liu Yuhao was scared that Wei Wucui might hear him, so even his breathing was done carefully.

Of course, even so, he daringly recorded himself saying, "Reporter Liu Yuhao risking death to report this."

Everyone: "..."

Was he not afraid of Wei Wucui finding out and beating him to death?

Immediately, they saw the video of Wei Wucui kissing Yan Zhiqing.

But because of the angle, even with the small machine...

Liu Yuhao still didn't dare to blatantly control the machine to film.

The machine hid somewhere unnoticeable.

And so, most of the time, Wei Wucui was still the only one in the video.

As for Yan Zhiqing, she was very blurry in the video.

Of course, it might have been because Liu Yuhao didn't dare to film too clearly.

However, these were enough for Yuan Jiangyi and Hao Donghuai to teach their team members.

"Did you all see that?" Yuan Jiangyi pointed at the screen and said, "Learn from Team Leader Xiao Cai."

Hao Donghuai nodded. He couldn't agree more as he said, "These are all tricks. These are all part of the scheme."
