

Mr Han 3301

Chapter 3301: I Will Keep My Word

However, he still softened his voice and said, "Chen Zeqing, we can't use him anymore."

"Regardless of whether we decide to use him or not, the film crew would still suffer a loss," Wu Mosen said, "In the end, we evaluated this situation and thought that replacing him would reduce our losses even more."

Actually, the members of the Mount Lan Compound felt bad.

They knew that if they hadn't exposed Chen Zeqing...

Chen Zeqing would not have gotten into trouble.

Those secrets from Chen Zeqing's dark past would have remained well hidden.

At least nothing would have happened during the filming and even after the movie started showing in cinemas.

However, they had created a mess.

The film crew of the Left Right seemed to be very unlucky.

As such, the group felt guilty about this.

Since the question had already been asked, Liu Yuhao added another one. "Director Wu, do you need us to help you keep the situation under control?"

Wu Mosen said, "Hm?"

Liang Shibo smacked himself on the chest as he promised, "Director Wu, don't worry. There are many of us, and we are very reliable as well!"

"If all of us team members stood on one side, Chen Zeqing wouldn't dare to say even a word," Liang Shibo said.

He then straightened his chest as an indication that he was very reliable.

Wu Mosen was speechless.

Chen Zeqing wouldn't dare to say a word, anyway.

Chen Zeqing wouldn't dare to offend Director Wu.

Wu Mosen looked over and saw the team members appear as though they were ready to threaten Chen Zeqing at any time.

The corner of Wu Mosen's mouth twitched. He had a feeling that life in the studio would be bustling with noises in the future.

“There’s no need for that now,” Wu Mosen said with a smile, “With your abilities and skills, I am sure you would instantly notice if Chen Zeqing were to make a scene, and you should be able to salvage the situation in time.”

The group thought about it and agreed.

If it was Chen Zeqing, they really didn’t have to worry about anything.

However, when Wu Mosen went to see Chen Zeqing...

Liu Yuhao, Hu Xuming, and Liang Shibo still called their team members over and secretly followed.

However, at least they weren’t staring at Wu Mosen and Chen Zeqing within close proximity.

They just waited in a corner outside.

They weren’t scared that Chen Zeqing might feel awkward when he came out of the room. Obviously, they wouldn’t really care about Chen Zeqing.

They were scared that Wu Mosen might feel awkward if he came out.

But the group had only waited for a short while when...

All of a sudden, the sound of something heavy falling on the ground sounded in the room.

Everyone exchanged glances as they thought to themselves. Could Chen Zeqing really be that bold? Did he actually try to attack Wu Mosen?

They couldn’t bother to think about it anymore. They were worried that Wu Mosen might suffer.

As such, the group quickly dashed into the room.

But when they went inside, they saw Chen Zeqing standing on the same spot with a grave and despairing expression.

A chair was lying flat behind him.

Wu Mosen stood opposite Chen Zeqing, and nothing had happened to him.

Looking at this scene, it seemed like Wu Mosen had already said everything.

However, Chen Zeqing couldn’t accept the outcome and panicked.

He didn’t try to attack Wu Mosen.

But when Wu Mosen saw the group of people who rushed into the room...

He was stunned for a moment.

Liang Shibo quickly explained, “We heard the noise and were slightly worried.”

Wu Mosen felt moved.

It might be scary to see so many people rush inside a room at the same time.

But they had done this because they were worried about him.

Knowing that so many people were worried about him...

Wu Mosen felt warm inside.

It seemed like he was very important.

Everyone's thoughtful actions comforted him.

Wu Mosen then said to Chen Zeqing, "Xiao Chen, there's nothing we can do. Considering your current situation, the film crew cannot handle such a huge loss."

"Director Wu, give me one more chance. I... I can solve this." Chen Zeqing said, "I finally seized such a good opportunity. I can't let it go just like this."

"If possible, I usually give people the chance to solve the problem," Wu Mosen said, "But you and I both know that your issues cannot be solved that easily. It affects the film too much. Some netizens might find your appearance in the movie repulsive, which would affect their experience of the movie."

"I know you cherish this chance and had put in a lot of effort for this role." Wu Mosen thought about it and said, "How's this? I really can't keep you for this movie."

"You suffered this time. I will remember this," Wu Mosen said, "If there are suitable opportunities, not necessarily films directed by me but any good films with good directors, I will recommend you."

Wu Mosen gave Chen Zeqing a pat on the shoulder and said, "Xiao Chen, this is all I can do for you. You are still young, and there are still chances for you in the future."

What could Chen Zeqing say?

He couldn't accept this. It was so unfair.

However, he couldn't play hardball.

After all, he didn't dare to offend Wu Mosen.

"Got it," Chen Zeqing said with a grave expression.

He thought to himself. The person who had done this to him; they better not let him find out who they were!

If Chen Zeqing were to find out who had done this to him, he definitely wouldn't let that person off the hook!

Chen Zeqing took a deep breath and said to Wu Mosen, "Director Wu, I feel reluctant. Yes, I have made mistakes in the past, but those things have nothing to do with my acting skills."

"I didn't do anything that would offend the gods or anything illegal. My personal life is my own matter that I have to deal with myself. I didn't hurt anyone, and my personal life had never affected anyone. I didn't ruin someone else's family, and I didn't tell anyone to do bad things."

“But now, a group of people who have nothing to do with me appeared and started criticizing me. My question is, who gave them the right to do so? It’s my life. I worked hard for my career, but they ignored that effort. But what does this have to do with them?” Chen Zeqing’s words were reasonable.

Although Wu Mosen did not approve of what Chen Zeqing had done, it was true that Chen Zeqing had been beaten down by things that had happened in his personal life.

Since they were things that had happened in his personal life, what did that have to do with others?

One could express their disapproval of his actions, but they didn’t have the right to criticize him.

As such, Wu Mosen felt sorry for him.

Of course, the members of the Mount Lan Compound had no mercy for Chen Zeqing.

They then heard Chen Zeqing say, “Therefore, I feel wronged, but I know your struggles, so I won’t make things difficult for you.”

“However, Director Wu, you have to remember this promise. I have no other means. If I lose this role, I won’t have any film contracts and event collaborations for a long time.”

Chen Zeqing looked at Wu Mosen pitifully. “Director Wu, I can only rely on you. Don’t lie to me.”

For some reason, Wu Mosen remembered one of the dark secrets in Chen Zeqing’s past—the time when he was the lover of some big Boss in the entertainment industry.

Wu Mosen felt disgusted and hurriedly said, “Don’t worry. I will keep my word.”

Chen Zeqing then left like his soul had left his body.

He turned and saw that the members of the Mount Lan Compound were still there.

Chen Zeqing had no idea who they were.

Chapter 3302: Are You Showing Concern For Me?

However, it was still inappropriate to have so many people crowded in this room.

These people clearly didn’t know how to read the room.

Chen Zeqing felt a little embarrassed.

His face darkened as he left the room.

Liang Shibo scratched his head and said to Wu Mosen in an apologetic manner, “Director Wu, I am sorry. We heard the noise, and we thought that he couldn’t handle the shock and was going to fight you out of anger and embarrassment.”

“It’s alright. It’s alright. I know. Thank you,” Wu Mosen responded with a smile.

The group then left as well.

When Chen Zeqing came out, he saw Yan Zhiqing and Wei Wucai together.

The two were sitting together and having a conversation.

They weren't being intimate with each other, but Chen Zeqing felt as though something was different about the two.

Yesterday, Yan Zhiqing only talked to Wei Wucai and ignored Chen Zeqing.

But yesterday, there was still a gap in Yan Zhiqing and Wei Wucai's interaction.

But now, the two looked very close.

Wei Wucai leaned in to say something to Yan Zhiqing. He was so close to her.

If Wei Wucai were a little closer, he would be practically kissing Yan Zhiqing.

The proximity between them was no longer normal.

But a more exciting thing happened.

But then, Chen Zeqing saw Wei Wucai talking to Yan Zhiqing at such a close distance.

As he was talking, he suddenly leaned in and kissed Yan Zhiqing on the lips.

If this were not intentional, that would be absurd.

Wei Wucai was obviously seizing the chance to take advantage!

Chen Zeqing didn't expect Wei Wucai to be this shameless!

Chen Zeqing was so angry that he was about to berate Wei Wucai and show Yan Zhiqing how shameless Wei Wucai was as a person.

As he strode a step forward, he saw that Yan Zhiqing was not mad at all.

Wei Wucai had already kissed her, but she didn't even dodge.

After the first kiss, Wei Wucai then gave her another peck on the lips.

Yan Zhiqing was not angry at all. She didn't even look surprised.

She even smiled at Wei Wucai.

Wei Wucai said something, and Yan Zhiqing then punched him lightly on the shoulder.

That punch was very gentle. It was more like she was acting cute.

It had nothing to do with embarrassment or anger.

Chen Zeqing then noticed that Yan Zhiqing was even looking at Wei Wucai with a shy and affectionate expression.

Regardless of the two's relationship yesterday, their relationship became very different today!

Yan Zhiqing wouldn't treat him like this.

he had never seen Yan Zhiqing treat anyone this way.

“They...” Chen Zeqing muttered grudgingly to himself.

He didn’t expect someone to hear him mutter to himself.

“Why are you so surprised?” A voice suddenly sounded beside Chen Zeqing’s ear.

Chen Zeqing was shocked and quickly looked back.

Unknowingly, Yuan Jiangyi and Hao Donghuai were now standing behind him.

“Why are you this scared? Look at you fearful one! You are not very steadfast!” Hao Donghuai stared at Chen Zeqing with an expression of disdain.

Chen Zeqing was speechless.

Who the f*ck were these people!

How dare they speak to him in a lecturing tone?

Not steadfast?

If it were someone else who had encountered such a serious matter, it would be impossible for them to remain steadfast as well!

Who was this dumbf*ck?

At this moment, Hao Donghuai, whom Chen Zeqing had just referred to as a dumbf*ck, said, “Why are you so surprised?”

“Although you joined the crew late, you should have known when you saw Xiao Cai and Zhiqing’s interaction yesterday?” Hao Donghuai asked, “The two do not interact like they are just friends.”

“What does this have to do with you?” Chen Zeqing said in an annoyed tone.

“Hehe!” Hao Donghuai chuckled wickedly, “I knew you were stupid from how you looked, but you couldn’t even tell that they are in a good relationship that you even tried to step in between them. But they already like each other. Think about how hilarious you looked when you were beside them.”

Chen Zeqing wanted to say that Yan Zhiqing didn’t seem like she wanted to respond to Wei Wucai yesterday.

He didn’t say it out loud, but he might have shown the contempt he was feeling on his face.

Therefore, Hao Donghuai immediately knew what he was thinking.

As such, Hao Donghuai said, “The two had an argument yesterday.”

“Every couple will have some small arguments.” Hao Donghuai stood up straight and placed his hands on his hips as he said, “These might be trivial to others, but they are very important to two people who have feelings for each other.”

“They are arguing, but it’s more like a game of romance,” Hao Donghuai said, “Only truly stupid people would think that they don’t see eye to eye.”

Chen Zeqing closed his mouth tight.

Hao Donghuai was clearly seizing the opportunity to talk sh*t about him!

If Hao Donghuai knew what Chen Zeqing was thinking, Hao Donghuai would have also told him this.

He wasn’t just seizing the opportunity to scold Chen Zeqing.

Even if there were no opportunities, he would have tried to create the opportunity to scold him!

Chen Zeqing still couldn’t accept it. After all, even before he arrived on set, he already had his eyes on Yan Zhiqing.

But then, he was still one step slower, and Wei Wucui ended up overtaking him.

It was an unsuccessful attempt.

He had his eyes on Yan Zhiqing for such a long time. He felt reluctant to let it go and leave it just like that.

Chen Zeqing still walked to Yan Zhiqing and stood in front of her.

The two didn’t even notice him approaching.

Chen Zeqing kept his anger under control as he cleared his throat and said, “Ahem!”

Yan Zhiqing and Wei Wucui finally noticed him.

The two turned their heads at the same time and saw that it was Chen Zeqing. They were confused.

Wei Wucui looked extremely puzzled as he asked, “Why are you here?”

His expression conveyed this: ‘We have nothing to do with you. Why are you here?’

Chen Zeqing felt a moment of suffocation because of Wei Wucui’s attitude.

Yan Zhiqing felt confused as well as she asked, “What’s... the matter?”

Chen Zeqing suddenly didn’t know what to say.

It seemed as though he would be embarrassed no matter what he said.

Chen Zeqing took a deep breath and said, “I... I am going to leave the crew.”

“I see.” Yan Zhiqing said. But then, she thought she acted too aloof and thought it wasn’t very good. As such, she added, “I saw what happened to you online.”

Chen Zeqing was speechless.

He knew that many people probably knew about it by now as everything had blown up.

After all, there were no secrets in the entertainment industry.

But when he heard what Yan Zhiqing said, he just wanted to flee.

"I hope things go well with you," Yan Zhiqing said in a courteous manner, "Things will get better."

Chen Zeqing froze for a moment and said out of joy, "Are you showing concern for me?"

Yan Zhiqing didn't know what to say.

"Not really." Yan Zhiqing was scared that Chen Zeqing might misunderstand, so she hurriedly said in a straightforward manner, "I just thought it wouldn't be good to be too indifferent."

Chapter 3303: Good Dream You Got There

Yan Zhiqing paused and said, "I was just being courteous."

Chen Zeqing didn't know what to say.

He shouldn't have asked.

However, Chen Zeqing still couldn't help but ask, "Are you and Wei Wucai..."

"We are dating." Yan Zhiqing didn't even hesitate when she admitted, "It started last night."

As she was saying, Yan Zhiqing held Wei Wucai's hand.

Wei Wucai immediately held her hand firmly.

But then, he felt dissatisfied, so he interlocked his fingers with her.

He then tilted his head and smiled sweetly at Yan Zhiqing right in front of Chen Zeqing.

He didn't even care if he was being cringey. He wasn't scared that someone might die from the cringe.

Obviously, Wei Wucai wanted to make Chen Zeqing die from the cringe.

Chen Zeqing was speechless.

Chen Zeqing took a deep breath and said, "Then... Congratulations."

Chen Zeqing barely managed to squeeze those words out amidst his gnashed teeth.

He was hesitant; he didn't want to give up.

But even if he didn't want to, what could he do?

In addition, someone unfamiliar to him had even ruined his life. This might be the end of his career. It would be hard for him to get any more opportunities for a very long time, at the very least.

He had to try and clean up his reputation and try to get the netizens to forget about all the mistakes he had made in the past.

He had to at least try to convince most of the netizens not to care about his dark past anymore.

Of course, some people might still occasionally bring up his past mistakes.

There would still be people who would remember what he had done, but those people would be the minority.

Most importantly, he had to ensure that his fans would stop caring about his past.

However, there were just too many secrets that had gotten exposed.

He felt exhausted as he thought about how long it would take him to clean all those up.

In addition, not only would he need to clean up his reputation...

He would also need to keep a low profile for a very long time.

He had to become invisible.

Over time, the netizens would forget about him, and they would lose their impression of him. By then, they would naturally forget about all his past mistakes.

Unless someone brought them up, no one would remember them.

If he managed to do this, then it would be considered a success.

By then, he could gradually rebuild his presence in the industry.

However, this required a step-by-step process.

He would have to test the netizens' limit again and again.

When most people were able to accept him again, he could then officially make a glamorous comeback.

After what happened tonight, his manager immediately contacted him and suggested this method, which was the safest solution.

However, the process was very long and excruciating.

At least for now, Chen Zeqing felt as though he couldn't see a future for himself.

As such, Chen Zeqing didn't even have the energy to fight.

Chen Zeqing was quiet for a while before he said, "All those things posted online are simply born from misunderstandings. I don't know how to explain it, but even if I tried, no one would believe me."

"The netizens are more willing to believe those negative stories because that's what they can talk about when they are socializing. However, those things are simply not true. Please don't believe the deceitful news on the Internet," Chen Zeqing said.

Before Yan Zhiqing could say anything, Wei Wucai interrupted, "You shouldn't worry about whether or not Zhiqing believes in those stories of yours because those things have nothing to do with her."

"In addition, she doesn't care about you, so it doesn't matter whether she believes it or not. Because she does not care, she won't think about it and won't analyze whether the news articles are true or not," Wei Wucai said.

Wei Wucai looked up and straightened his back in a prideful manner as he said, "Zhiqing only cares about me."

Yan Zhiqing thought to herself. She cared about her family as well.

She also cared about her grandparents, brother, sister-in-law, niece, and nephew.

However, since Chen Zeqing was present, Yan Zhiqing decided not to expose Wei Wucai.

With this, Wei Wucai asked in an annoyed tone, "Are you leaving or not?"

Chen Zeqing pursed his lower lips and ignored Wei Wucai.

He ignored Wei Wucai and said to Yan Zhiqing, "Zhiqing, I am leaving. It's such a pity. I really wanted to work with you through this opportunity, but I lost this chance."

"I don't know when we might get to work together next time." Chen Zeqing sighed and said, "Can... you send me off?"

Yan Zhiqing froze. What kind of request was this?

She wasn't even close to him; they weren't even close.

If this relationship were a collaborative relationship, their collaboration would have already stopped when they had just started working together just because of this.

However, there wasn't even much relationship between them, to begin with.

No matter what, she shouldn't be the one to send him off.

"Just walk with me to the entrance," Chen Zeqing said, "Zhiqing, I am sure you can tell. I won't keep this a secret."

"I like you." Chen Zeqing's shoulders drooped as he said, "But because of the news articles, I know I don't really have a chance with you anymore."

"You never had a chance, to begin with." Wei Wucai's face darkened as he said.

With Wei Wucai here, Chen Zeqing would have no chance.

Chen Zeqing didn't know what to say.

Chen Zeqing decided to ignore Wei Wucai again.

He said to Yan Zhiqing, "I want to leave without any regrets."

"My biggest regret was my inability to make you fall for me." Chen Zeqing smiled bitterly as he said in a regretful tone, "But since I can't do that anymore, I am hoping for a chance to spend some time with you at the last moment."

"Just walk with me to the entrance." Chen Zeqing said, "I am not begging for anything else. Just walk with me to the entrance."

He paused for a moment before he said, "Send me off by yourself."

How would that be possible?!

That was Yan Zhiqing's first thought.

Wei Wucai sneered and said, "Chen Zeqing, are you perhaps expecting many reporters to be waiting for you outside because your news articles had blown up?"

"You wanted Zhiqing to send you off to the entrance so that the reporters will take pictures of you two, which will create a new topic." Wei Wucai sneered and said, "You got a good dream there."

Chen Zeqing didn't know what to say when he heard Wei Wucai's rebuttal.

He was truly hoping that the reporters might assume that something was going on with him and Yan Zhiqing.

And their scandal would overshadow everything else.

After all, Yan Zhiqing was famous. She had never been in a scandal with someone else other than Wei Wucai.

However, if he got into a scandal with Yan Zhiqing, all those news articles about him would no longer be important because of how famous and eye-catching Yan Zhiqing was.

As such, Chen Zeqing thought he had a perfect plan.

This idea came to his mind all of a sudden, and he thought he was so smart to have thought of it.

But then, the moment he uttered those words, Wei Wucai exposed him.

Wei Wucai's words made it very difficult for Chen Zeqing to back down.

Yan Zhiqing immediately said, "It's not suitable for me to send you off. It could easily create a misunderstanding if the reporters took pictures of us."

"However, there are no reporters at the entrance." Yan Zhiqing was very certain.

Because the members of the Hidden Shadows of the Mount Lan Compound stationed at the entrance and had already removed anyone who wasn't supposed to be there.

Even if those reporters were able to go to extreme places with their cameras to stalk someone for a news story...

Chapter 3304: Are All Of Us Enough?

If the members of the Mount Lan Compound made a move, even those experienced reporters would not be able to do anything.

Therefore, even if she really did send Chen Zeqing off, there would be no reporters to take pictures of them.

Still, she didn't want to send him off.

When Chen Zeqing heard that there were no reporters, he was very disappointed.

He wanted to use this opportunity to get more exposure.

The exposition wouldn't be a good thing, but it would get him more publicity at the very least.

But then, his eyes lit up.

"So you are willing to send me off?" Chen Zeqing immediately asked, "There are no reporters, so no one will take any pictures of us. So, are you willing to send me off?"

How was that possible?!

Yan Zhiqing smiled and said, "No. I just wanted to tell you. You might as well leave while there are no reporters. If the reporters surround you, you will get the exposure you wanted, but I don't know what they might write about you."

Chen Zeqing wasn't scared about that at all.

He was already at rock bottom, so it couldn't go worse.

"You should just leave," Wei Wucai said rudely.

Chen Zeqing actually dared to show his intention toward Yan Zhiqing in front of him.

Did this Chen Zeqing think that he, Wei Wucai, was dead?

"If not, I would need to ask someone to remove you." Wei Wucai said coldly.

Chen Zeqing really thought that Wei Wucai's presence was repulsive in his eyes. He sneered and said, "Ask someone to remove me? Who do you think you are? Do you think you are able to do that with the few people in your visual effects editing team?"

Wei Wucai was really treating himself like he was a big shot.

"Are all of us enough to do that?"

A voice sounded the moment Chen Zeqing finished speaking.

Chen Zeqing looked up and was startled.

A group of people suddenly appeared before his eyes.

He couldn't even count them. There was a dense crowd of people surrounding him.

"So are you leaving or not?" Liang Shibo urged.

There were too many of them.

As such, Chen Zeqing had no choice but to find a way out for himself. "There's no need for you to drag me outside. I was going to leave anyway."

Chen Zeqing humphed angrily and left.

Yan Zhiqing did say that there were no reporters at the entrance.

However, Chen Zeqing didn't actually believe her.

How could there be no reporters when something this big had happened to him?

He imagined that there would be a dense crowd of reporters waiting for him at the entrance.

But when Chen Zeqing arrived at the entrance...

He realized that there was no one at the door. There wasn't even a bird.

It was so quiet at the entrance; it was very peaceful.

It was a completely different scene from before when there were many reporters at the entrance hoping to take pictures of something on the set.

When he had arrived on set, he had even gotten surrounded by reporters.

But now, there were no reporters interviewing him. How could he believe this?

"Zeqing." Chen Zeqing's manager rushed over here.

When the manager saw how quiet the entrance was, he couldn't get used to it. "No. Where are the reporters?"

Chen Zeqing thought it was really weird. "I didn't see them. When I arrived on set, there were many of them. It makes no sense that there aren't any reporters following this story when I am in such big trouble, which could give them so much content to write about."

"Let's not worry so much for now." the manager said, "I was hoping that you could use this chance to become an infamous celebrity. Then, you would just have to keep a low profile. This would be a rare chance to get high exposure."

"But there are no reporters." The manager took Chen Zeqing to the car as he said, "Let's just keep a low profile from now on. It would be best to weaken our presence so that no one will remember you. That would be a good thing."

Chen Zeqing rubbed his face and asked, "What about my job? How long will I have to rest?"

"For now, all your endorsements and events have been canceled. We lost all the work that we had negotiated for you. But don't worry." The manager said, "Even though you are said to be resting, you are really just not participating in any public events. I will still arrange for you to join some dinner parties."

"You wouldn't lose anything if you invest with those CEOs. Even if you aren't in the eyes of the public, you won't starve. Just wait a while and make a comeback later," the manager added, "For now, your goal is to fade away."

"You don't have to say anything or do anything. If the reporters ask you questions, you don't have to answer anything. That's enough."

The manager explained to Chen Zeqing as he drove the car.

When they left, Wu Mosen had someone post an announcement as well.

The announcement explained that Chen Zeqing was no longer a cast member of the movie Left Right and they had found a new actor to replace him.

The change wouldn't affect the filming progress of this movie.

As expected, there were some rational netizens who viewed things with high moral standards.

They jumped out and scolded the film crew for being ruthless. The film crew was obviously putting profit first and ignoring human sentiment.

The film crew fired Chen Zeqing after something bad happened to him.

The fact that they were worried about being implicated was so gross.

Of course, Chen Zeqing's fans were among them as well.

They were scolding the film crew as well.

"Our QingQing is definitely not the person the articles had been describing! The person who released those news articles will die a cruel death."

"Is the casting crew sick? They fired QingQing after hearing only one side of the story. You didn't even verify if they were true. You replace your actors if they receive bad publicity. If you are scared like this, why should you film any movies?"

"You don't even know to protect your casting members. You just ditch them."

"Qing Lovers, when the movie Left Right is released, don't watch it. We will definitely not forgive the people who hurt QingQing!"

Of course, Wu Mosen didn't care about anything Chen Zeqing's fans were saying.

The announcement released by the crew was still up on the board. They neither edited nor deleted the announcement.

They didn't even disable the comments. They allowed anyone to comment whatever they wanted.

In comparison to the majority, there were very few comments that scolded the casting crew.

Most of the netizens supported the casting crew's decision.

Especially Yan Zhiqing's fans...

Bloody Eyeballs: "Thank goodness the casting crew fired Chen Zeqing. If not, I would really worry if Zhiqing would have to partner with someone like him."

Wei Wucai and Yan Zhiqing saw the announcement that the casting crew had posted.

Because when Chen Zeqing left, the actor replacing him would only arrive in the afternoon.

Therefore, Yan Zhiqing filmed a scene with someone else in the morning.

When afternoon arrived, the actor replacing Chen Zeqing had arrived as well.

The new actor's reputation was pretty good.

But he only became famous at about 30 years old, so he became famous late in his life.

Regardless of his personal life and whether he had a dark past or not...

The way he was behaving meant he was cherishing his fame right now.

When he arrived, he was very courteous to everyone.

He didn't act like he was a big shot.

Of course, he didn't ask anyone to call him Teacher like what Chen Zeqing had done.

He didn't try to befriend Yan Zhiqing.

He treated Yan Zhiqing like how he treated everyone else.

He was very polite and kept a comfortable social distance in his interaction with everyone

Chapter 3305: Forgot To Tell My Brother

Wei Wucai was very satisfied with him.

And so, when Yan Zhiqing was filming with the new actor...

Wei Wucai had no opinion against the new actor.

However, Wei Wucai still watched as Yan Zhiqing was acting.

Whenever Yan Zhiqing was done filming a scene, she would look up to see Wei Wucai.

Whenever she looked at him, she would always grin sweetly at him.

She didn't avoid doing it because the crew and cast members were there.

She ran toward Wei Wucai.

And jumped into his arms.

Wei Wucai smiled and held her.

He never stopped looking at Yan Zhiqing.

Until he had Yan Zhiqing in his arms...

He lowered his head and saw Yan Zhiqing looking up at him.

"How was my acting?" Yan Zhiqing immediately looked up and asked sweetly.

Since Wu Mosen thought that Yan Zhiqing acted fine, Yan Zhiqing was obviously doing fine.

Wei Wucai smiled and said, "I felt as though I was a bystander in the movie."

“Was I pretty when filming? Was I very beautiful when I was working?” Yan Zhiqing looked up and asked. She even secretly pinched Wei Wucui’s waist.

“Yes.” Wei Wucui nodded and said, “You looked really good when you were acting.”

“The thought of having someone excellent like you as my girlfriend makes me really proud.” Wei Wucui couldn’t help but smile.

His eyes curved up along with his smile as he said, “I really think I profited big.”

Yan Zhiqing immediately nodded and said, “Of course!”

This was the first time everyone saw the two being so intimate with each other without worrying that they were in the public’s eyes, so everyone was surprised.

They already knew that there was a spark between the two.

But they still felt a huge blow when they saw the two being together.

“Are they... are they going to announce?” a staff member whispered to his coworker.

The coworker whispered, “Seems like it. Look at their honest behavior. It doesn’t seem like they are trying to hide anything.”

It definitely had to be because the first step was done. As such, there was no more pressure.

As a result, their public display of affection became very natural.

Wu Mosen knew that the two intended to announce their relationship tonight, so he especially ended their work early.

This would allow the two to have enough time to prepare for their announcement at eight tonight.

Wu Mosen laughed and said, “Alright. That’s it for the filming today.”

It was only 6:30 PM, so everyone was surprised.

“Director Wu, why are we ending work so early today?” someone asked.

Wu Mosen didn’t say that it was because Yan Zhiqing and Wu Mosen intended to release a public statement today.

“We will end work earlier today. It is Yousen’s first day on set and he is still not very familiar with things. Let’s not give him so much work pressure.” Wu Mosen explained with a laugh.

“We will try to catch up on work tomorrow. Everyone, get some good rest today. We will work harder tomorrow,” Wu Mosen said, “We will try to catch up on work tomorrow, so we can catch up on the schedule.”

“Because of what had happened, we had to film some scenes again, resulting in us being behind schedule. And this time, we replaced someone and had to film some scenes again, putting us even more behind in our schedule. We will catch up with work and try to film all the scenes we have lost.”

“After we are done filming the scenes we have lost, we can continue filming at the normal rate, and it won’t be that exhausting anymore.”

When the group heard that, they decided that they were going to get a good rest today.

The next few days were bound to be very exhausting.

Everyone then dispersed to organize things.

Wu Mosen stepped in front of Yan Zhiqing and Wu Mosen.

“You two are really holding it in. You must be dying to announce your relationship,” Wu Mosen said with a smile.

“I am in a rush to give him a status.” Yan Zhiqing responded frankly.

Hearing this, Wu Mosen laughed out loud and muttered, “Alright then.”

“We ended work early. You two still have to go back and prepare yourselves. right? I will be ready. Tell me the moment you announce so that I can post my congratulations.”

This would be an indication that they affirmed this relationship.

In addition, it would boost the amount of attention on Yan Zhiqing even more.

Since he had personally published a post, it prevented those malicious thoughts about Yan Zhiqing making up stories to boost her popularity.

“By then, I will also have them post with the movie’s official account.” Wu Mosen said.

Wei Wucai quickly expressed his gratitude.

“Director Wu, thank you.” Yan Zhiqing knew that Wu Mosen had ended work early so that they could have enough time to prepare for this.

And so, the whole group went back to the hotel together.

Yan Zhiqing ordered takeaway and ate dinner in her hotel room.

Shi Xiaoya and Han Zhuofeng came over to join the fun.

If it were not because Yan Zhiqing’s room could not occupy that many people, the members of the Mount Lan Compound would have shamelessly forced their way in.

Even so, Yuan Jiangyi and Hao Donghuai shamelessly forced their way into Yan Zhiqing with the reason being that they represent the Mount Lan Compound.

Seeing the room full of people, Wei Wucai felt doomed.

With his face twitching, he said, “If you want to join in the fun, can’t you come a few minutes before we make the announcement? Why are you here so early?”

“How do you two intend to announce this?” Yuan Jiangyi started speaking, “You don’t have a plan yet, do you? We can help you brainstorm ideas.”

“...” Wei Wucai thought to himself. They just needed to post an announcement on social media.

What other ideas could there be?

Why would he need them for ideas?

Weren't they here just to watch the fun?

He wanted to have a good dinner with Yan Zhiqing.

After dinner, he would sit next to Yan Zhiqing with their heads and shoulders leaning against each other as they scrolled the post on Weibo and read the blessings from the netizens.

Just imagining that scene made him feel so good.

But then, why was there a group of people in the room?!

They had destroyed his hopes and dreams!

“Oh no!” Yan Zhiqing suddenly ran over and whispered to Wei Wucai.

Although there was a room full of people, Wei Wucai thought it was good that they were whispering to each other.

This was the silence in the storm. Such behavior also showed that their relationship was better than the others in the room.

“What's wrong?” Wei Wucai whispered.

“I forgot to tell my brother.” Yan Zhiqing said softly, “If I release the announcement before I tell him, he will die of anger.”

By then, they would have made an announcement, and everyone would have already known.

Yan Beicheng would definitely disagree with that arrangement.

Everyone would be sending their blessings and congratulations.

But Yan Beicheng would show no response.

And with the netizens' amazing imaginations, they would then think that Yan Beicheng was against their relationship.

There was a chance that Yan Beicheng might agree with the netizens' conjecture.

However, he could also pretend that he hadn't seen the announcement, or he could also intentionally reply at a later time to make things difficult for Wei Wucai. Yan Beicheng just didn't want Wei Wucai to overcome the hurdle that easily.

“We still have an hour left. Hurry up and tell him,” Wei Wucai immediately said, “We still have an hour to convince him. If we tell him a few minutes before the announcement, we will have no time to convince him.”

Chapter 3306: Post a Blessing

Yan Zhiqing thought to herself. So, Wei Wucui knew that Yan Beicheng would make things difficult for them.

"I will tell him now," Yan Zhiqing said.

They were in Yan Zhiqing's room, but they weren't in Yan Zhiqing's bedroom.

Therefore, Wei Wucui went to the bedroom with Yan Zhiqing.

They closed the door, and Yan Zhiqing rang Yan Beicheng up.

The group stayed in the living room and stared at the closed bedroom door.

Yuan Jiangyi whispered to Hao Donghuai, asking, "Hey, what do you think they are doing in the bedroom?"

With this, he saw Hao Donghuai laugh in a lewd manner, "Hehehe. Depends on the time they spend in the room."

"If they came out within half an hour, then we have to suspect that something is wrong with Xiao Cai's body." Hao Donghuai whispered.

Yuan Jiangyi stared at him with disdain as he said, "You are so dirty. Couldn't it be possible that they went into the room to talk about a serious matter?"

"Tsk." Hao Donghuai uttered, "You are so fake. If it was something serious, why would you bother asking me? While squinting your eyes, to boot?"

The two didn't lower their volume. They spoke normally.

Therefore, Shi Xiaoya and the others heard them clearly.

Shi Xiaoya thought to herself. It was no wonder Wei Wucui often had to beat them up.

At this moment, the doorbell for Yan Zhiqing's room rang.

"Who's here?" Hao Donghuai asked.

Shi Xiaoya stood up and walked to the door while saying, "It must be Zhuoling. I asked him to meet me in Zhiqing's room when he's done with work."

Upon answering, Shi Xiaoya stepped in front of the door.

She opened the door and saw that it was indeed Han Zhuoling.

He was holding the food from deliveries.

When Han Zhuoling saw that it was Shi Xiaoya that opened the door, he said while stepping inside, "I saw the food being delivered downstairs, so I brought them up as well."

"Quick, come in." Shi Xiaoya quickly pulled Han Zhuoling into the room.

She held Han Zhuoling's arm and whispered, "I have missed you so much today."

Han Zhuoling felt flattered. Shi Xiaoya hadn't been this clingy for a very long time.

The two had registered their marriage legally, but they still hadn't had their wedding ceremony.

It was currently winter, so it wasn't suitable to arrange a wedding ceremony in such weather.

In addition, it would take a long time to prepare a wedding ceremony.

A very long time...

As such, the two decided to have their wedding ceremony in May next year.

May was a month when the weather was still getting warmer, so the temperature would neither be too cold nor hot.

A wedding dress was very heavy and thick. Even if she wore one for a long time, she wouldn't feel cold.

And Shi Xiaoya also wanted an outdoor wedding, at the appropriate season.

However, although they still hadn't had their wedding ceremony...

Han Zhuoling thought that Shi Xiaoya was starting to treat him like they were already an old married couple.

Han Zhuoling felt really worried and thought that he might not be attractive enough anymore.

He had been so worried and had been brainstorming solutions.

But then, he received this pleasant surprise.

"What's wrong?" Han Zhuoling asked quickly, "Did someone bully you?"

"No, I saw Wei Wucai and Zhiqing displaying their affection for each other." Shi Xiaoya pouted as she said, "Watching that made me miss you so much."

Han Zhuoling didn't expect Yan Zhiqing and Wei Wucai's public display of affection to have such a function.

"Don't worry. I am here." Han Zhuoling quickly wrapped his arms around Shi Xiaoya's shoulder and said, "No one can hurt you with their public display of affection now!"

Meanwhile, in Yan Zhiqing's bedroom...

Yan Zhiqing called Yan Beicheng on the phone.

Yan Beicheng quickly answered the call and asked, "Zhiqing, who bullied you?"

"..." The corner of Yan Zhiqing's mouth twitched as she said, "Elder brother, can't I call you because I miss you? You make it sound like I only think of you whenever I get bullied."

"Is that not true?" Yan Beicheng asked, "Think about it yourself. You always only call me for a reason, and you always just conveniently say that you miss me. You never actually call me because you miss me."

"..." Yan Zhiqing thought about it and realized that it was true.

Now, she seemed very ungrateful!

"It's because I am old now. It would seem immature if I frequently called you because I miss you," Yan Zhiqing said.

"You always have your excuses." Yan Beicheng laughed and said, "Tell me. What made you call me this time?"

"Look. That's what you ask every time I call you. Can't I call you because I miss you?" Yan Zhiqing said.

"Oh. So there's nothing else?" Yan Beicheng couldn't possibly admit defeat in front of Yan Zhiqing and said, "If so, I'm hanging up..."

"Wait!" Yan Zhiqing quickly called out.

"I thought you said there's nothing else going on, and you just miss me?" Yan Beicheng's lips proudly curved upward.

"I miss you, and I just so happened to have something to tell you. Besides, even if I called you because I miss you, I have to find things to talk about, right?" Yan Zhiqing said.

"Sure. Whatever you say is reasonable," Yan Beicheng chuckled and said.

"Brother." Yan Zhiqing called out again.

Her voice sounded soft, and the tone conveyed how much she relied on her brother.

When Wei Wucai heard this, he wanted Yan Zhiqing to call him that.

But when Yan Beicheng heard this tone, he immediately became cautious.

"Yes. I am listening." Yan Beicheng immediately became worried.

"I am in a relationship." Yan Zhiqing thought that it would be better to just rip the Band-aid off.

She just told Yan Beicheng frankly.

"..." Yan Beicheng fell silent for two seconds. He had a bad feeling. "Are you going to tell me that the person you are dating is Wei Wucai?"

Yan Zhiqing was speechless.

Yan Zhiqing became silent.

Yan Beicheng instantly knew he had struck the bull's eye.

Yan Zhiqing still couldn't escape it in the end.

"When was it?" Yan Beicheng asked once again.

However, Yan Zhiqing had no idea that Yan Beicheng was asking this because he had already allowed this relationship.

“Just... last night.” Yan Zhiqing said in a faint tone.

“Last night?” Yan Beicheng’s volume suddenly increased, “What time last night? Why was it at night? Did that guy do anything inappropriate to you?!”

“No.” Yan Zhiqing said quickly, “Brother, what are you thinking?!”

“It’s because we ended work too late last night. We... we decided to date after we were done with work, and we came back to the hotel,” Yan Zhiqing said, “In addition, we were so busy for the entire day, and the crew had to deal with the matter concerning Chen Zeqing as well. I’m sure you know it by now.”

“So, I could only tell you right now since I am done with today’s work,” Yan Zhiqing said.

Yan Beicheng then said unwillingly, “It’s good that you remembered your brother.”

Hearing that Yan Beicheng was satisfied, Yan Zhiqing quickly said, “Brother, we’re going to announce our relationship at 8 PM tonight. Why don’t you post a blessing for us then?”

Yan Beicheng immediately said, “So you conveniently told me about your relationship since you’re about to announce it to everyone else. You probably would have forgotten to tell me if it weren’t because there’s only an hour left before the announcement. Am I right?”

That was true...

Of course, Yan Zhiqing would never admit it.

“It’s just a coincidence. You’re just thinking that way because we’re going to announce our relationship soon after telling you about it.”

Chapter 3307::It Can Be ‘Love You’

Yan Zhiqing quickly said, “Actually, I forgot that we only have about an hour left before we release the announcement. I just thought I should tell you.”

Yan Beicheng almost believed her.

“That fellow had it easy,” Yan Beicheng said angrily.

“So, Brother, are you going to agree?” Yan Zhiqing asked.

“Let me consider,” Yan Beicheng said.

“Consider what?” Yan Zhiqing immediately said, “Xiao Cai is very reliable. He has good physical skills, allowing him to protect me when we are out. He has a business, and he is very good-looking. He’s not a womanizer.”

Yan Beicheng couldn’t say anything.

“Isn’t today your first day dating him? How do you know he’s not a womanizer?” Yan Beicheng asked in an annoyed tone.

"I just know," Yan Zhiqing said, "If he were fickle in his relationships, he would have already dated so many girls. Would he have to be single until now?"

"Since we are talking about this, I just realized he is 30, and I am his first love." Yan Zhiqing didn't even think about this earlier.

But she realized this when she was trying to convince Yan Beicheng.

She was immediately overjoyed.

Yan Beicheng couldn't say anything.

Yan Beicheng didn't know that Wei Wucai, who was beside Yan Zhiqing, had proudly straightened his back when he heard what Yan Zhiqing said.

If Yan Beicheng had seen this, he would have roasted Wei Wucai. What was there to be proud of when he was a thirty-year-old man who had never been in a relationship?

"Wasn't he gay?" Yan Beicheng reminded.

Yan Zhiqing responded embarrassingly, "That was a misunderstanding."

"You knew that it was a misunderstanding, and he never explained it to you despite knowing as well. Even so, do you still trust him? Yan Beicheng asked.

"I trust him," Yan Zhiqing said earnestly, "I don't know why and I can't explain clearly, but I know I trust him."

When Yan Beicheng heard this, he knew that Yan Zhiqing was completely in Wei Wucai's control.

"Brother, are you going to support us or not?" Yan Zhiqing asked.

She knew Yan Beicheng well.

Yan Beicheng had never been dissatisfied with Wei Wucai.

The only thing he didn't like about Wei Wucai was the fact that Wei Wucai was dating her.

However, this simply stemmed from his protective mindset.

If it was someone else, Yan Beicheng might not be this satisfied.

"I will think about it," Yan Beicheng said.

Yan Zhiqing started acting like a little kid as she whined, "But I want to get your blessing."

"Aren't you his friend? That means you approve of him as a person," Yan Zhiqing said.

Yan Beicheng couldn't say anything.

This naughty kid!

Since she got a boyfriend, she was favoring an outsider instead of her own family member.

"I will decide after you announce!" Yan Beicheng said in an annoyed tone.

Hearing this, Yan Zhiqing said, "Then I consider this as you agreeing to our relationship. If you don't respond by then, others might assume that you were dissatisfied! By then, I will be the one to suffer."

Yan Beicheng gnashed his teeth and said, "You really know that you can do this because I love you."

"Of course." Yan Zhiqing immediately responded.

Yan Beicheng couldn't do anything to her. "Alright. I will hang up first. I will have to talk to your sister-in-law about this first."

"Alright." Since Yan Zhiqing had already figured out Yan Beicheng's attitude, she happily hung up.

When the two went out, they smelled the food.

"Dinner's here?" Yan Zhiqing asked in surprise.

When they received an affirmative answer, they heard Hao Donghuai say, "Xiao Cai, you two came out quick."

Wei Wucui was speechless.

Hao Donghuai's words obviously didn't sound like something good.

What did he mean by 'quick'?

What had they been doing that it was considered quick?

Before Hao Donghuai could die at Wei Wucui's hands, Yuan Jiangyi quickly said, "Let's eat first. Let's eat first."

"You two can make your announcement after dinner," Yuan Jiangyi added.

Yan Zhiqing wanted to explain that they had done nothing in the room.

But if she explained, it would only feel like she was trying to hide something.

She knew that Hao Donghuai had done that intentionally.

But since Yan Zhiqing couldn't explain, she felt like she had lost the fight.

Everyone crowded around the table and ate dinner together.

Everyone had ordered food that satisfied their tastebuds.

And when all the food they ordered was placed together, the table came filled with good meals.

Because there were a lot of people and they were eating while talking, they ate dinner very slowly.

The group hadn't even finished dinner just yet when it was already 10 minutes before 8 PM.

Yan Zhiqing and Wei Wucui, the two main characters, hadn't even said anything just yet when Yuan Jiangyi reminded them, "It's going to be 8 PM soon. Move fast!"

Yan Zhiqing then took out her phone.

"I don't think we need to say much. The netizens won't read the whole thing if we post a whole paragraph. They would just read the main points. We might as well just post a sentence so everyone can easily understand," Yan Zhiqing said.

"That's what I think." Wei Wucan nodded in agreement.

Yan Zhiqing thought about it and sent another sentence. "Hello, I officially bid goodbye to my single life. This is my boyfriend. @Wei Wucan."

"Is that okay?" Yan Zhiqing showed Wei Wucan her phone.

The announcement was very simple. When Wei Wucan saw Yan Zhiqing say the sentence "This is my boyfriend," he felt really satisfied.

Receiving an official status felt really good...

"Very good." Wei Wucan nodded.

And Wei Wucan then wrote a draft. "I am grateful to my girlfriend for giving me an official status on the first day. @Yan Zhiqing."

He finished writing it and showed it to Yan Zhiqing. "Look at what I wrote. What do you think?"

Yan Zhiqing nodded heavily and said, "That's so sweet!"

Han Zhuofeng smiled and teased, "Although I don't know what you two have written, you two are very sweet."

The moment Han Zhuofeng said this, Han Zhuoling seized the opportunity and said, "Then why don't you get out of that single life and get a taste of this sweetness?"

Han Zhuofeng was speechless. "..."

"Brother, you were never like this!" Han Zhuoling complained to Han Zhuoling out of frustration.

"I have no choice," Han Zhuoling said, "Zhuoli and I have both found our solution to the relationship issue. You are the only one that Grandma worries about, and she has all her attention on you. She reminds me every day to put in some effort for your future relationship."

"Since Grandma is urging me to do something, I have no choice but to urge you to hurry up." Han Zhuoling said.

Back then, Grandma kept on asking him to get married.

And now, Grandma was asking him to help his brother get married.

There was a lot of pressure on him.

Shi Xiaoya asked Yan Zhiqing curiously, "What did you two write?"

Yan Zhiqing quickly held her phone in front of her chest and blocked the screen. "It's a secret for now. You will know when we post them."

"Then post it, quick." Hao Donghui urged.

“We still have 4 minutes.” Shi Xiaoya checked the time. “You will have to post at exactly 8’o’clock. This number is lucky.”

“It’s not a business. Why would you choose 8’o’clock? Why not choose 520?”

Wei Wucai then said, “In a 24-hour time system, this would be 20:00, and 20:00 sounds like the Chinese characters ‘Love You.’ It’s perfect.”

Chapter 3308: It’s a No Even If You Pay

Yan Zhiqing didn’t expect this time to have such a homonym.

Considering this, it would be good to post it as well.

Awesome!

“Three minutes left.” Yan Zhiqing kept watching the time.

Actually, they were just posting something on Weibo.

But for some reason, Yan Zhiqing felt really nervous.

She wasn’t exactly just nervous. She felt excited as well.

Anyway, her heart was beating really fast.

She couldn’t calm down at all.

It felt like it was her first time officially joining a production crew and being on set.

“Should you post it first, or should we post it together?” Wei Wucai asked.

Yan Zhiqing said, “I will do a 3, 2, 1 countdown, and we can post it together when it is 8’o’clock.”

“Alright.” Wei Wucai chuckled.

They were so nervous, which made the others nervous as well.

They subconsciously became quiet.

Everyone stopped eating, and it became really quiet in the room.

A few pairs of eyes remained focused on Yan Zhiqing and Wei Wucai.

However, Yan Zhiqing couldn’t bother with those things right now.

Wei Wucai and her were both focusing on the time.

Soon, it was 19:59.

Yan Zhiqing had already started counting the seconds.

"I will countdown to 1, and we will press post together at the same time," Wei Wucui said.

"Oh. Okay." Yan Zhiqing nodded.

"3, 2..." Wei Wucui said, "1!"

The moment he said this, the two pressed publish at the same time.

At the same time, Yuan Jiangyi and Hao Donghuai summoned all the members of the Mount Lan Compound in the chat group.

"Brothers! Quick! Take care of Weibo's server just in case it crashes again," Yuan Jiangyi said.

"Members of Day Shadows Unit, come with me to take the administrative rights," Hao Donghuai said, "Members of the Night Shadows Unit, do crowd control with Old Yuan."

And so, they divided up into two groups and arranged everything in an organized manner.

"What about us?" Liang Shibo asked.

At this moment, Wei Wucui couldn't be bothered with them.

Yuan Jiangyi then took over and ordered, "You will fight to turn Xiao Cai and Zhiqing into top search terms."

"Chen Zeqing's posts are still trending, and there are still people trying to pay to be a part of the hot searches as well." Yuan Jiangyi said, "Don't give anyone else the chance to overtake them in the trending search ranking."

Liang Shibo thought about it and said, "Team Leader Xiao Cai and Zhiqing are just two people. We can only take two spots in the trending search ranking. We won't be able to take any other spots."

"Stupid." Yuan Jiangyi said, "Chen Zeqing is now dominating the top search ranking. Don't you need to do something to turn Zhiqing and Xiao Cai into the most searched term?"

"Not only do you have to make them the number one in the trending search ranking, but you also have to make sure that the top ten searches of the ranking would be related to them as well," Yuan Jiangyi said, "For example, if the first one were Wei Wucui and Yan Zhiqing, the second one would be Yan Zhiqing, the third one would be Wei Wucui, the fourth one would be Wei Wucui and Yan Zhiqing's dating news, and the fifth one would be Yan Zhiqing and Wei Wucui Announcement."

"No matter what, they have to be the top ten," Yuan Jiangyi said, "You can change up your search terms and make different combinations. For example, you can switch up the sequence of the names, and that would create another search term for the next place in the ranking."

"You can have two search terms without their surnames, and that would occupy two places in the ranking. You can add terms like dating and public announcement. By making different combinations of search terms, you would have more than enough terms to take the top ten of the trending search ranking." Yuan Jiangyi was counting with his fingers and thought that he was so smart.

"That's easy. We will just make different combinations if we run out of search terms. I will definitely make sure that Team Leader Xiao Cai and Zhiqing will dominate Weibo," Liang Shibo said.

“Whoever pays to boost their post and wishes to take a spot in the trending search ranking, you have to kick them out.” Hao Donghuai said in a domineering manner, So what if they paid? It’s a no even if they paid!”

“Tonight is Zhiqing and Xiao Cai’s night!” Hao Donghuai exclaimed in a domineering manner.

“Alright. No problem!” Liang Shibo immediately responded.

Yan Zhiqing wasn’t in their group, so she had no idea about their conversation.

However, Wei Wucai saw it.

And he thought that they were... doing an awesome job!

Yan Zhiqing and Wei Wucai both announced at the same time online.

Obviously, it blew up among the netizens.

Ling XiaoXiao06: “As expected, Zhiqing still got together with him.”

Raccoon Honey: “I knew it. The two wouldn’t admit it earlier, but Wei Wucai is the first person ever to get in a scandal with Yan Zhiqing. I thought it was suspicious.”

Little Charlie in Kindergarten: “Yes. Zhiqing’s reaction was fine, but Wei Wucai’s reaction clearly showed ambiguous love. Obviously, even if Zhiqing had no such thoughts, Wei Wucai definitely had such thoughts toward Yan Zhiqing.”

Jiucicicici: “The two are finally together! Sprinkle flower! I have always shipped them as a couple! I knew I was on the right side!”

Cherry Love: “Ahhhh! My girl is single. I am so touched.”

Not Easy Waiting For You: “We have a son-in-law now.”

Kiddo986468148: “Zhiqing, congratulations! I hope you will be happy!”

Sir Forever Together: “Our Zhiqing finally has a dog of her own.”

When saw this comment, the corner of his mouth twitched.

So, he became a dog?

When Yan Zhiqing announced the relationship, Yan Zhiqing’s fans, thousands and thousands of them, immediately gave their blessings.

No one disliked their relationship, and no one found it unacceptable.

Stars Are Feathers: “Considering how handsome Wei Wucai is, I would say nothing even if he kidnaps Zhiqing.”

In this era focused on beauty, Wei Wucai was able to get Yan Zhiqing’s fans to accept him because of his face.

Some people even said, “Wei Wucai is so good-looking! This is not a loss for Zhiqing!”

Queen of Imagination Xin Tong: “Previously, the matters concerning Chen Zeqing caused the server to crash. Can the server handle the news of Zhiqing announcing her relationship?”

Goddess Fan: “Oh shit. You reminded me. The server has to make it. This is a big thing for Zhiqing. Server, you better keep it together.”

Happy Leya: “I think it’s very risky. After all, Zhiqing has too many fans. Based on the current amount of shares and comments, the server is at the risk of crashing.”

Floating Ruoxi: “It has crashed before. Can’t the company pay to buy a larger server storage?”

At this moment, in the office of the technical team at Weibo...

The members of the technical team were sweating out of fear.

“The server won’t be able to handle it soon.”

“Chief, is our request still not approved?”

“No.” The chief said frustratingly, “After it crashed last time, I submitted a request for money to purchase a server storage expansion so that this situation wouldn’t repeat itself. However, I haven’t gotten a response.”

“After all, such explosive news doesn’t happen often. It might not even happen once a year. The matters concerning Chen Zeqing were the gossip of the year. No one would have expected something this big to happen the following day. They really aren’t giving people time to take a break.”

Chapter 3309: What a Coincidence. It is Us Again.

“Yes. It would be a waste of money to expand the server for something that doesn’t even happen once a year. That is why the higher-ups can’t make up their minds and still aren’t approving our request.”

“Yes. We will have to work overtime and sleep late tonight.”

“Can’t these people pick a time when we are working before releasing these types of announcements? It’s either midnight or after we are done with work. Even if they posted it in the morning, it would have been fine! I haven’t been able to go home and rest for quite some time now.”

“The time Yan Zhiqing’s post was fine. At least, she announced at 8 pm. If she announced at midnight, even if we were in our beds, we would have to climb out and come back here.”

At this moment, the computer started to make warning sounds.

“Who is it? Why are they here again?” A technical team member mourned and said, “Is there something wrong with the Fengshui in our office these past two days?”

Hearing what he said, someone chimed in, “Yes. Chief, should we ask a master to come and check it out?”

'What nonsense are you saying?' the chief said angrily, "Are you still in the mood to chat about these boring things? Quick defend!"

"We can't," someone said.

"Yes. We can't defend. They have already seized control of our administrative rights when the alarm rang," someone added.

"It's obvious from the speed and skill that it's still that same group of people."

Therefore, the technical team member wasn't worried at all.

They were here to help!

It was the same thing as last time. They were here to help stabilize the server. When they were done, they would return the administrative rights.

They would flick their sleeves without taking away even a wisp of profit.

They had never seen the people on the other end of the cable. They had no idea of their genders.

However, the young fellas from the technical team felt as though they had built a revolutionary friendship with the people on the other end of the cable.

To say something immodest...

In comparison to the people who had taken their administrative rights, they might be incapable.

The administrative right was taken so easily, and they couldn't even fight back...

They seemed very weak.

However, it was really because the people on the other end of the cable were too powerful.

The young fellas of the technical team weren't too weak.

The technical team members have confidence in themselves.

Someone average would not be able to snatch the administrative rights that easily.

They wouldn't be weak to the point that anyone could just bully them.

As such, not many people could do such a thing.

This meant that the people on the other end of the cable were very powerful.

This was the thought process of the young fellas in the technical team. A group of technical gods had just appeared the other day.

And another group appeared today as well.

Are gods as common as the veggies on the side of the road these days?

Were gods that cheap?

It was already very rare to see a group that could wipe them out within seconds.

There couldn't possibly be a second group.

As the technical team members of the largest social media platform in the country...

None of them were incapable.

Their technical skills were highly ranked locally and internationally.

They were able to compete with so many people for this job and successfully won against their competition. This meant they were highly skilled.

If anyone could wipe them out within seconds...

That would be a joke.

And so, everyone thought that this group of people was the same group as last time.

"Who are these people? Why are they so adamant about helping us stabilize our servers?" someone asked a very deep question.

"Let me ask," one of the members said and typed a series of commands. Then, he typed a sentence. "Brother, are you still that same group of people?"

This would definitely be the right question.

If they were that same group of people, they would know who the member of the technical team was talking about.

As expected, the people on the other end of the cable responded.

"What a coincidence. It is us again. Your server is so weak. To prevent it from crashing like last time, we took over before it crashed," a member of the Mount Lan Compound saw the question and replied out of boredom.

If it were someone else, they would have panicked.

But to the members of the Mount Lan Compound, this was a piece of cake.

They were even bored at this moment.

Seeing that someone had left a message in the backend, the members of the Mount Lan Compound seized the chance and started talking to the young fella in the technical team.

"You should really pay and expand your server. This can't continue," The members of the Mount Lan Compound said, "You can't always have us help you when the server is unstable, right? We have things to do as well."

The young fella in the technical team was speechless.

If that was the case, then why did it feel like you people would appear and snatch the administrative rights every time you were bored?

Who were these people?

“Let me stop. Talk next time,” The members of the Mount Lan Compound said.

The young fella in the technical team didn’t know what to say.

Talk next time? The young fella didn’t want a next time!

Hiibiscus Blossom: “Was it an illusion? Why do I feel like it lagged for a moment?”

Don’t Ask: “It wasn’t an illusion. It lagged. The server almost crashed.”

Too Much Hair Dilemma: “The members of the technical team are doing such a good job. The server is still hanging on and has not crashed yet.”

“It could be because this is not as popular as the matters concerning Chen Zeqing. And so, the server is just on the edge of crashing,” a netizen said.

oSnower: “No. No. Looking at the number of shares and comments, this is definitely as popular as the matters concerning Chen Zeqing.”

The Soap That Eats So Much And Can’t Gain Weight even sent a screenshot. “Look. The top five searches are all about Yan Zhiqing.”

Mango-colored Yingzi: “The trending searches ranking just updated, showing that the top ten searches are all about Yan Zhiqing.”

Three Raindrops on Sycamore Leave: “Awesome! You can’t even make your post that popular with money.”

Andy Loves Trouble: “Did you guys notice? The second place in the ranking had paid to get that place. But this time, Yan Zhiqing and Wei Wucai had taken up the second place.”

Zhu Xiaonaing: “Then, there are only two possibilities. Firstly, Yan Zhiqing’s team actually paid to get second place in the ranking. If not, then Yan Zhiqing’s post is extremely popular to the point that it kicked out the people who had actually paid to get second place in the ranking.”

Fat Goddess in East Side of Village: “It must have kicked out the old one because I definitely saw that the search terms in the second place were Lin Kexin and her new drama. But now, it changed.”

When the young fellas in the technical team saw this in the office, they were confused.

“I thought they would just help us stabilize the server. Why did they also help Yan Zhiqing soar through the hot search?” a technical member muttered in confusion.

It was so easy to boost something into a hot search term.

They just had to change the data and increase the numbers.

As such, even though the second place in the trending search ranking had paid to get that spot, it was still taken off the list.

The person who had paid would definitely complain.

The young fella in the technical team immediately asked...

Chapter 3310: My Sister Is Ruined By a Pig

He didn't expect the members of the Mount Lan Compound to be so thick-skinned. He replied, "We helped you stabilize the server, so we will take the hot search term ranking as payment."

Everyone in the tech department: "..."

They were now certain that the people on the other end of the cable were on Yan Zhiqing's side.

They just didn't know where Yan Zhiqing had managed to find these technical gods.

They were too powerful.

XuanXuan or GuoGuo: "There's no need for Zhiqing to pay to boost her post. Just look at the people who are going to share her post and send a blessing."

Yijiao: "Aiya, Wei Zhiqian is out!"

Wei Zhiqian just shared Wei Wucai's Weibo post. "Congratulations to Xiao Cai. You have finally lost your status as a single man! We finally managed to have someone within the eight great families date someone else within the eight great families. Keeping the goodies within the family!"

Teamo: "@Yan Beicheng Wei Zhiqian just called Yan Beicheng a goodie! Hahahaha!"

Everyone was waiting for Yan Beicheng's response.

Finally, Yan Beicheng shared Yan Zhiqing's Weibo post and said, "My sister has been ruined by a pig."

Wei Wucai was speechless.

Yan Zhiqing didn't know what to say.

Yan Zhiqing couldn't help but turn to look at Wei Wucai, who had been called a pig.

Where can you find a pig this handsome?!

Wei Wucai was speechless.

Girl... Your thoughts are showing on ur face? Don't be too obvious.

And then, Yan Beicheng shared Wei Wucai's Weibo post with the comment—"You got off easy, you little rascal."

Although there was so much disdain in that sentence, it was all because he cherished his sister.

He obviously thought that no one was worthy of his sister.

It wasn't that Wei Wucai was bad. It was just because Yan Beicheng loved Yan Zhiqing too much.

However, even though the tone of the sentence was scornful, the meaning behind indicated that he had accepted Wei Wucai and Yan Zhiqing's relationship.

With this, the other members of the eight great families appeared and gave their blessings.

Han Zhuoling and Shi Xiaoya were present.

Shi Xiaoya even took photos of Yan Zhiqing and Wei Wucai publishing the Weibo post at the same time.

And she then posted it...

Shi Xiaoya: "We were present and witnessed the entire how Zhiqing and Xiao Cai released the announcement. Congratulations! The number of single people in our group is reduced by two."

Han Zhuoling: "Congratulations. @Yan Zhiqing @Wei Wucai Since you two have solved your problem of being single, can you also help our Zhuofeng solve this problem?"

Hou Manman ice: "Hahahahaha. Young Master Ling, you are acting like the Old Mrs. Wei of your house!"

Han Zhuoling was speechless.

He wasn't that old!

Teamo: " Zhiqian, your brother has lost his status as a single man. What about you?"

With someone starting this, the other netizens immediately started taking their turns to ping Wei Zhiqian.

" Zhiqian, your brother has lost his status as a single man. What about you?"

It would be fine if it were just one person.

But when so many people were commenting, Wei Zhiqian's notification sound rang like crazy.

When he saw these messages, his face darkened.

He was going to reply to them out of anger, but he obviously couldn't reply to every single one of them.

He could only reply to them all at once with a message.

But when he was just about to reply, he got a new message.

Yijiao: "Does Old Mrs. Wei have an alternate Weibo account? Can she see that Wei Wucai has lost his status as a single man?"

XuanXuan or GuoGuo: "Hahahahaha. Old Mrs. Wei must have seen that Wei Wucai is no longer single, but Wei Zhiqian is still an old single man."

Fat Goddess in East Side of Village: "That's fine. But the old single man has no realization that he is an old single man. He doesn't worry for himself when his younger brother has already made it out of that single life. He's still congratulating Wei Wucai without any worries."

Three Raindrops on Sycamore Leaves: “Of course, he still needs to congratulate them. But he must feel sad for himself, right?”

Wei Zhiqian felt speechless.

Wei Zhiqian gnashed his teeth as he responded, “Thank you for all of your concerns. I am not sad for myself at all.”

But Wei Zhiqian had no idea that Old Mrs. Wei really did have an alternate Weibo account.

Wei Zhiqian knew about Old Mrs. Wei’s main account, but he did not know of her alternate account.

The reason why he had sent the congratulatory message late was that he had to first log into his account secretly to check Old Mrs. Wei’s account.

When he noticed that she wasn’t online, he quickly congratulated Wei Wucai.

Because Wei Zhiqian thought that Old Mrs. Wei wasn’t online...

He had no idea that Old Mrs. Wei was very good with her games nowadays!

She registered an alternate account.

Specially used to secretly stalk people.

Because she knew that Wei Zhiqian and the others knew her main account.

If she used her main account, they would easily notice her presence.

As such, Old Mrs. Wei learned to go online with an alternate account that none of them knew.

At this moment, Old Mrs. Wei had secretly come online with her alternate account and was going to just scroll around.

But then, the moment she went online, she saw the announcement that Wei Wucai and Yan Zhiqing had released.

Old Mrs. Wei was so happy that she immediately clicked the trending search ranking.

Starting from number one in the trending search ranking, she read every single one of them in the list.

The more she read, the happier she became.

And Old Mrs. Wei then saw the netizens tagging Wei Zhiqian and making fun of him.

Old Mrs. Wei thought to herself. Even the netizens knew to worry for Wei Zhiqian, but Wei Zhiqian himself was unaware.

However, Old Mrs. Wei was in such a good mood that she could not bother with Wei Zhiqian.

Old Mrs. Wei then gave Wei Wucai’s mother, Dong Muping, a phone call.

The phone rang for a while before Dong Muping picked up.

“Auntie.” Dong Muping picked up the phone and greeted.

“Xiao Dong, did you see the news online?” Old Mrs. Wei chuckled as she asked.

“I saw it. I just saw it.” Dong Muping said, “I feel complicated. There is happiness, and there is dissatisfaction as well.”

The happiness obviously stemmed from the fact that Wei Wucai had finally started dating.

Being in a relationship was a good start and an indication that he was ready for marriage.

In addition, the person he was dating was Yan Zhiqing.

Dong Muping was very satisfied with Yan Zhiqing.

Yan Zhiqing was an actress, but she was part of the Yan Family and did not have any of those bad habits that actors and actresses would usually have.

She never had to sacrifice something for her career.

She never had to do a kissing scene, not to mention a love scene.

Dong Muping wasn't overly conservative and old-fashioned.

She had no issue with Yan Zhiqing being an actress.

Actors and actresses might just have to film kissing scenes or R-rated scenes when they were filming.

Obviously, Dong Muping would feel weird to see her son's girlfriend kissing another guy on screen.

Such thoughts were normal.

However, Dong Muping had also heard that Yan Zhiqing had never filmed such scenes.

As such, Dong Muping was completely satisfied with Yan Zhiqing.

Previously, when Dong Muping had been playing matchmaker and introducing girls to Wei Wucai, she didn't dare imagine the possibility of introducing an immediate female member of the eight great families to him.
