His threatening aura was so overpowering that it frightened the others, causing them to freeze on the spot.

Not long after he left, Margaret returned to her senses and howled, "Where have I gone wrong?!"

"Mom, don't cry! He's just an ungrateful child, and you know that. He doesn't even look like a Russell! He's always been so distant from us! I've said since the beginning that this family could not be handed over to him, but Dad wouldn't listen! Look at him now! He doesn't even care about you!"
