

Spoiled by Mr. Russell Chapter 1037

All about kpop playing, genie original

Having thought of that, Hannah turned cold, and her previously pink face grew pale. "I'm fine. I think I should go back." She answered coldly.

"Go back? So early?" Ralph was astounded. He had made many arrangements to make sure they would make love, but everything would go to waste if she went back now.

"Yes." Hannah strode out of the lift and planned to call someone to pick her up, as her car was still at the office.

Ralph noticed she was serious and hurriedly held her wrist. "Annie, what's the matter? Didn't you say we're going to spend a romantic night together? You..."
