Chapter 611

“Since you’re here, let’s go out and relax.” Shaking Eloise’s arm gently, Arianna said, “ Besides, we’re almost there.”

Since she said that, Eloise did not refuse anymore. Soon, the car drove to a detached bungalow. She looked at it strangely.

“Didn’t you say we’re going out to relax? Where is this?”

“This is my house.” Arianna smiled. She opened the door to get out of the car. Then she turned to help Eloise out.

Eloise suspiciously stuck her head out and looked around. She got out of the car. “Your house? When did you buy it, and why didn’t I know? Does your father know?”

“Mom, I don’t have to tell everything to dad. Did he tell you he cheated on you with another woman and had a child with her?”

This rhetorical question instantly made Eloise lose her cool, but she expressed unhappiness with her expression.

"Alright, I said the wrong thing. Please don't be mad. Trust me. You'll be happy here." She smiled mysteriously and then took Eloise into the house.

"What are you trying to do?"

Eloise looked at her seriously when they stopped at the door. Arianna said the house belonged to her, but how come Eloise did

not know when she bought it? Is there any other place besides here? What else did she not know?

"Mom, don't worry!" she pushed open the door as she said, and then raised her voice, "We're home!"

"Home?" Eloise frowned, but she widened her eyes the next second.

Someone she did not expect stood in front of her eyes, someone she had been searching for a long time but still could not find.

"N-Nathaniel?!" she stuttered shockingly, as she did not believe it with her eyes.

Nathaniel?! Her son! Why was he here?

Since the issue with his company, Nathaniel called her once, then she could not contact him. again. She did not dare to surprise the others, so she could only search quietly, but Eloise searched for so long. She was afraid that he could not take it and something happened....

She had worried for so long there was no news about him, even the bad ones, and as a result, he...?

She looked at Nathaniel, then turned to look at Arianna. Eloise was shocked! She never thought that these two would be here together and had never mentioned that she had a son to Arianna!

"Ari, y-you guys?"

"Mom, I already knew I had a brother," Arianna said with a smile. She walked over and took Nathaniel's arm. "I know you have difficulties. That's why you didn't tell me, so I pretended not to know about this. Maybe this could prevent dad from becoming suspicious. Well, now our family is finally reunited!"

She held Nathaniel's arm and walked toward Eloise. Then, Arianna smiled sweetly as she held their arms side by side.

Eloise still could not believe it. She looked at her children. She had always hoped that maybe one day, she could hold her children together, but she did not expect it to be now.

When she was in her lowest mood, she got such a surprise!

Eloise did not know whether it would be joyful or sorrowful in the future with such an unexpected turn. "Ari, how'd you find Nate?"
