

Spoiled by Mr. Russell Chapter 655

"What? You gave him my seat?!"

Nathaniel, who had just returned from out of town, heard the bad news once he entered the office.

"Why are you so anxious? It's just a district manager position for that project. Is your vision that limited?" Arianna said coldly, anticipating his reaction.

"I've only been in this seat for a few days. What will others think of me if I give it up now? My dear sister, if you're not even able to let me stay as the district manager, that means I'm nothing against that brat. Now I'm starting to doubt your ability."

Pulling his tie, Nathaniel sneered.

Arianna was not angry either. She replied calmly, "Don't you think this is a good opportunity to get rid of him?"

"What do you mean?" Nathaniel was still angry.

"Think about it. Why does Damian want to take this position?"

Arianna revealed a mocking smile, He wants to take credit! He knows very well that if he makes any achievements in the project, he will become a hero.
