

## Spoiled by Mr. Russell Chapter 656

"We won't need extra company if our team is sufficient to fight him."

"Henry also brought other people along? Who were they?"

Nathaniel shook his head, "I don't know, but he did come prepared. I also inquired about it in detail; the entire Lodge family is now just a fake name. There are still a few good disciples, but others are not very good. Justin is busy with the company, so he's probably gotten rusty in kickboxing. As for the other..."

With a sneer, he did not continue to speak.

Arianna naturally knew who he was talking about and laughed, "Why did you stop talking?"

"I've said everything I needed to say. I just want to have a good night's sleep and wait for tomorrow's good news," he yawned.
