

Spoiled by Mr. Russell Chapter 662

Henry did not know what Lily was up to, making him anxious.

"What tricks are you trying to play in front of your elders, little girl?"

"What's the rush, Uncle Henry? What are you afraid of?"

Lily shot him a faint smile, which sent chills up his spine.

Suddenly, a screen projected onto the white wall in the hall.

The others were surprised that Lily had already prepared the projector.

As for the screen, it was playing a video.

time to identify the characters in the video, but Henry could almost instantly tell it was

took the video was a distance away,

Nathaniel had passed something to Henry and that Henry patted Nathaniel on his shoulder after receiving the item
