

Spoiled by Mr. Russell Chapter 704

After a pause, Alexander looked at the audience and asked, "I noticed many perfumers among the guests who came today. As far as you are concerned, do you think adding poisonous materials to perfumes is feasible? In other words, can it be done?"

Nobody expected Alexander to turn the tables on them, that he would question them now.

Some wanted to say, "We are here to question you, not for you to question us."

However, Alexander was on stage, and no one dared to say that—instead, they just looked at each other, stunned.

"Is there anyone who can enlighten me?" Alexander continued.

His attitude was sincere, and it did not look like he was deliberately making things difficult for them, so some perfumers were eager to answer.

The status of La Beauté Group in this industry did not need anyone to comment.
