

Spoiled by Mr. Russell Chapter 714

Lily yawned. She had never felt this tired ever.

Alexander also told her not to go to bed yet, so she decided to get up and took out the hair dryer to dry her hair.

She did not have this habit while living with the Lodge family.

To make things easier when she was practicing her kickboxing and because most of the people at home were men, no one knew how to manage her long hair, so she had always kept her hair short.

When she got into university, Lily allowed her hair to grow.

Moreover, at that time, Nathaniel told her that he loved girls with long hair, so she had stopped cutting hers.

Before she knew it, her hair was already very long.

After she got together with Alexander, he always dried her hair for her and ensured that she did not go to bed with wet hair.

She realized that someone who loves you would not care about what kind of hairstyle you had.
