

Spoiled by Mr. Russell Chapter 717

Eloise did not expect Joseph to pull such a stunt. She was so dumbfounded that she could barely say a thing.

By the time she regained her composure, he was already gone.

"Miss..."

The housekeeper quickly brought the first aid kit over as she noticed Eloise's burnt hand.

However, before she could touch Eloise, Eloise stood up abruptly and swept everything on the table to the ground in anger.

Smash! That was the sound of the teacup as it hit the floor, glass shards flying everywhere.

The housekeeper was too afraid to speak or move, and she could only stand there, not knowing how to react.

telling the housekeeper gently, "Go clean up the
