

Spoiled by Mr. Russell Chapter 733

Olivia said, sighing, "You're right, but the rules of the industry have always been so."

"Rules are made to be broken!"

Lily straightened up and slammed her desk.

"I never wanted to interfere with them, but if they want to get serious on this, I'll fight back."

"But the company..."

Jenny hesitated and shook her head.

"Well, never mind. Mr. Russell will be on your side."

Lily shook her head.

"No, this is my own doing. If it gets the company into trouble, I'll quit."

She did not have much faith in herself before this, but after more than a year's worth of experience, she fully believed she could create a product line of her own as she was good in perfumery.
