

Spoiled by Mr. Russell Chapter 736

Damian was silent for a while, then whispered, "Mom doesn't know much. She's a woman after all. Don't be angry, Dad. Since it's been resolved just let it go. Don't worry, I'll coax her. She just loses her temper sometimes but doesn't mean it. She'll be okay after her rant."

"Mom has been with you for so many years. You should understand her character by now. She was impulsive at the auction, and it was because she suppressed it for too long. Please forgive her this time."

Seeing that his son was on his side, and every sentence was sincere, Joseph felt a little more at ease, "Alright, I'm just complaining. You're right, your mother has that temper. I'll go buy her a diamond necklace later, and that'll do."

"Well, then Dad, I'm going out to work."

Joseph nodded, "Go!"

After retreating, he let out a long sigh of relief.

After thinking about it, Damian also felt that Elizabeth was too abrupt this time.
