

Spoiled by Mr. Russell Chapter 742

The studio's significant arrangements were made, and only minor concerns remained, such as hiring staff and procuring raw materials.

Olivia will, of course, come along with her.

At first, Jenny wanted to be on her team, but Lily turned her down since Jenny's new position as Rebirth's supervisor increased her likelihood of being promoted.

She could do more at La Beauté Group and be given more opportunities, but she would be limited to doing the bare minimum in the studio.

There wouldn't be too much business initially, and Jenny couldn't contribute much to technical work.

It would be better if she stayed in that company and only joined the studio when its business improved.

Since she understood Lily's persuasive reasoning, Jenny nodded.

"If you need help in the future, just let me know."
