

## Spoiled by Mr. Russell Chapter 751

Early in the morning, Arianna knocked on the door to Nathaniel's house.

Nathaniel yawned and rubbed his sleepy eyes. He was upset when he answered the door.

"Can you not knock on my door so early next time, please? Even if you don't need sleep, others do."

"I need every bit of information on Lily Christian."

Arianna stepped in and went straight to the point.

Nathaniel was stunned, stopped saying what he was about to say, and looked over at her.

"I want a detailed report on Lily, as detailed as possible."

Having heard her instruction clearly, Nathaniel laughed as he took a can of beer from the refrigerator and handed another to her.
