

Spoiled by Mr. Russell Chapter 778

"Hey,"

Alexander's grandmother, Margaret, snorted, but she looked past him and stared at Lily.

"Aren't you going to introduce her to me?"

"Grandma, you'll get to know her on our wedding day."

After a pause, he continued, "Plus, you can find out about everything. I'm sure you knew who she was long ago, so I don't need to introduce her to you, right?"

"you!"

Margaret gritted her teeth as her gaze turned fierce. Lily was speechless upon seeing that.

Although she could not hear their conversation, she could see that Margaret's gaze changed after listening to Alexander's words.
