

Spoiled by Mr. Russell Chapter 799

"So, Mr.Tanner, you seem to prioritize your company's loss over Ms.Schiffer's well-being, am I right?"

Another reporter immediately stepped in and questioned.

Damian was no fool and immediately picked up on the trick question.

"Of course, I care about Ms.Schiffer, but before there's any conclusive evidence, it's wrong for her to say something is wrong with our perfume.We consider it slander and have the right to pursue it!"

"The hospital has already issued a test report confirming that your company's perfume triggered Ms.Schiffer's allergic reaction.There is no doubt about that.Why are you still trying to argue? What other evidence do you need?"

"Mr.Tanner, did you come here to pressure Ms.Schiffer into changing her statement?"

"Are you here to suppress this matter because your company cannot prove its innocence?"

sources say your perfume contains prohibited ingredients that aren't supposed to be on
