

## Spoiled by Mr. Russell Chapter 850

Obviously, she had to be aware of the rumors circulating online, but nothing had been confirmed yet.

No matter what she said now, it would cause controversy. It was better to be quiet and do only what she needed to do.

"Do you also know that you've become the joke of the town?"

After giving the table next to him a quick glance, he placed a cup of coffee there. It seemed that he was not pretending to be calm.

"Just let them be. It's hard to tell who's a joke until the end."

After clearing away all of the remaining weeds and placing all of the tools in the basket, she stood up and started to walk towards the house.

Noah quickly got up and followed, seeing that she had disappeared from his sight.

The room inside was much cooler than the outside.

organized her flowers and plants. She was

her movements reminded Noah himself that he used to do these things

were the basics. It

the difference in the raw materials was crucial during the mixing

society in recent years,

family is accusing you of tampering with their perfume, and you don't have

standing far

you have so much confidence in

not sure whether he can help me out of this,

worry about me going to jail. You have contributed to this, and

at her watery eyes,

ask for help, even though he was an insider and therefore aware of everything that was happening, down to the last detail, and he was managing the line that could make her rise or fall. She

abide by the rules? Getting a perfumer certificate and joining the society is what every perfumer in Hyderabad wants. The opportunity is right in front

was stubborn to the core. He

ahead would

"With you?"
