

Spoiled by Mr. Russell Chapter 884

"This man fathers her, but I'm not...we're not siblings." Nathaniel pointed at his own nose and snorted. "Besides, a score needs to be settled even with a sibling, let alone her."

"Even if the same man doesn't father you, you're both my children. Can't you work with her for my sake?" The last thing Eloise wished to see was her children hurting each other.

"Besides, you won't gain company control by setting Ari up. Don't forget you're not a member of the Tanner family. It's not going to be easy for you."

Nathaniel felt upset yet chuckled. "See? Even you treat me as an outsider. Why should I bother to work with Arianna? Also, Tanner Corporation is going to change its name soon."

"In your f*cking dreams" Barely recovering, Joseph cursed.

him lying there, unable to get up. "Say whatever you like. You, all of

you trying

something and added, "Perhaps you think you have everything well-planned, but you might not know that even if you kill all of us, you won't be able to take over Tanner Corporation. Derrick owns more than half of its shares, and his family has gone missing until now.

his shares?" Nathaniel interjected, sounding pleased
