

Spoiled by Mr. Russell Chapter 934

After saying that, he laughed out loud.

However, Heather did not laugh at his joke.

She only looked at him with squinted eyes and was puzzled by what he said, "I didn't go into the next room. There's a wall, and I can't get past it."

Ralph was silent and thought "Which cave did she crawl out from?' He heard that the Riggs family lived on an island and had been out of touch with society for many years.

Was that the reason she had no sense of humor? He silently cursed but could not show it, so he followed along and replied, "Yes, you're right. There's no way you can get into the next room. I'm stupid and just talking nonsense."

Looking at his appearance, Heather whispered, "You're not stupid."

These words were not loud, but they fell into Ralph's ears, and he was immediately delighted, Heather, what impression do you have of me? What do you think of me?"

She pursed her lips and then bit her lower lip lightly without replying.
