Hannah's expression did not look good, and she rarely looked at Ralph.

Ralph could not help but wonder if she was still mad at him.

'If she's still angry at me, why did she ask me out? If she had calmed down, why does she look like this?' Ralph could not figure it out, but with yesterday's incident, he did not dare to be rash.

After clearing his throat, he started, "Ms. Riggs, you can order the food you'd like. This place serves amazing desserts, which I think are worth a try. Is there anything else you'd like to try? That would be fine too."

"No, I'm not hungry!"

Hannah exclaimed. She regretted it almost instantly after saying that.
