

Spoiled by Mr. Russell Chapter 962

His gaze was so fiery that it seemed to warmed her ears.

While covering her ears, she said, "Okay then.I'll have them pierced!"

Ralph grinned, delighted to hear that.

"Heather, you're the best!"

Hannah just stayed silent as the sales advisor brought her to a small cubicle at the side.

In that room, there was a tool that was specially used to pierce one's ears.

In fact, the whole process was quick and did not hurt as much as Hannah thought it would, but it still stung a little.

It was hard for Ralph to believe that a woman who practiced kickboxing all year long and who was tougher than many men would be afraid of getting her ears pierced, as shown by the frown on her face.

There was an indescribable sense of satisfaction in Ralph's heart at the sight.

not care about the type of earrings Hannah wanted to get, but the moment the
