

Spoiled by Mr. Russell Chapter 963

"Annie?"

Puzzled, Ralph repeated.

"Yeah!"

Afraid that he would be mistaken again, Hannah quickly explained, "When we go out on dates in the future, could you call me Annie?"

"Is...Annie your nickname?" he asked while thinking, 'This is weird. I've never heard that Heather had any nicknames in the past. Plus, where did that nickname come from?' She looked so excited, so Ralph just agreed to her request.

"Sure."

His answer made Hannah happy, and her cheeks were red, but she thought of something suddenly.

"Don't call me Annie all the time too. I might not like it sometimes."

"Huh?" Ralph frowned. He was even more puzzled now.

'What does she even mean?' Ralph knew that she had a weird temper, but he did not expect her to be this weird.
