

Spoiled by Mr. Russell Chapter 979

Alexander was rendered speechless by Ralph's outrageous warning.

"I know that Heather is an attractive woman, and she's from a prestigious family, too, but she's my future wife, so don't even think about it!"

Ralph warned him explicitly. He was feeling restless and worried that Alexander was also interested in Heather. He knew that he would be no match for Alexander.

However, Alexander laughed and tapped Ralph's shoulder, "Uncle, you're overthinking. She's not my type!"

He added casually, "I understand your thinking, but I advise you to keep your eyes peeled and be wary of her. She's a wolf in sheep's clothing."

Then, he released Ralph, walked toward his car, and drove off.

Ralph stood frozen on the spot for a moment before regaining his senses. He pondered about what he had said but decided that Alexander was just trying to scare him.
