

## Spoiled by Mr. Russell Chapter 985

"Still, it'll be interesting!"

Lisa was also interested now.

Two hands, one adult-sized and the other small, reached out toward her tummy.

Lily sat there speechless. She could not just move out of their reach, after all.

At that moment, Lily's phone rang, and it was the perfect excuse to get away from them.

"I need to take this."

Lisa and Nick both felt disappointed because they could not feel the infant.

The caller was none other than Alexander. He was curious about how Lily was doing and wanted to know if she was resting well.
