

Spoiled by Mr. Russell Chapter 998

Ralph was secretly delighted to hear this, but he continued to add fuel to the fire.

"If you're scared that others might talk about you, Tcan-"

"I said, shut up! Whoever dares to criticize me will face my wrath, including you!"

Then she yanked his wrist forcefully.

He had more to say, but the force she exerted was so sudden and intense that his body was pulled forward involuntarily, and his lips were pressed against hers again. Ralph was stunned.

'What is this woman playing at? This isn't going as planned. Wasn't it just a while ago that she hated and bit me? Why is she taking the initiative now?' Ralph was confused.

This was the first time he didn't enjoy a kiss.
