

Mr Smith 151

Chapter 151: I Broke My Skirt by Accident.

0 5 minutes read

Gu Jinyan was an eyesore.

Sean just thought the smile on Gu Jinyan's face was too brilliant!

Gu Jinyan knew what kind of person Amber was. In this way, he can still laugh?!

As Sean's lips were pressed, Amber put her broken hair behind her ear and said in a low voice, "there were signs of relapse just now, but now it seems that the fever has gradually subsided. After dawn, if there will be no accident, Cindy should be fine. "

Although Amber was uncertain, it was almost right.

Amber, knowing medicine, dared to give birth to her baby by caesarean section in the Smith family's bedroom three years ago.

Gu Jinyan took a look at the bed and saw that Cindy's face was not so pale. Then he smiled.

He turned his head and just wanted to talk, but he saw the broken skirt on Amber.

He was stunned for a moment. The smile on his face brightened and he looked at Sean.

"Sean, you're too impulsive. You've torn my sister-in-law's skirt by accident."

As soon as Gu Jinyan finished, Sean's face suddenly turned terrible, and there was also a flash of guilt in his eyes.

However, Amber, with a thin pink face, explained for Sean: "it has nothing to do with Sean. I should have broken it by myself. It's rude."

Gu Jinyan said a meaningful word. "Oh".

He didn't miss the guilty in Sean's eyes.

He didn't believe Amber's skirt had nothing to do with Sean!

Amber's daughter was still sick. Sean was really a beast. If he got impulsive, he learned to do in any situations!

Gu Jinyan's eyes have always been on Sean.

Tired of being seen, Sean frowned and the marks between his brows were deep, showing his strong anger.

"What are you looking at? Don't go home so late? Or you want to stay in the hospital, and plan to sleep with me and Amber? "

Gu Jinyan, " ..."

Sean gave Amber a vicious look.

Amber still blushed and Sean's eyes were deep.

What was Amber's expression?!

Was she going to let Gu Jinyan stay here to watch play?!

His embarrassment was so easy to see?!

Before Sean could get angry, he suddenly saw Gu Jinyan pointing to Amber's skirt.

He was especially familiar with that posture.

Something flashed through Sean's mind.

Sean suddenly remembered Lu Yi touching Amber's leg when he entered the door...

His narrowed his eyes. So he misunderstood them just now?

Sean licked the corner of his lips, and this idea was rejected by Sean himself!

There was ambiguous feeling between Amber and Lu Yi, even if it was his mistake this time!

Could he have been wrong again and again?

Sean looked at other side. He was in a bad mood.

What he said just now was too ambiguous. Amber's eyes darkened. She lowered her head and held back the emotion on her face and said in a low voice:

"Sean, even if you can't trust me, you should trust Mr. Gu!"

Sean chuckled. Amber was a little self-conscious and knew that her credibility here was not high!

He didn't say any more and glanced at Gu Jinyan who didn't intend to leave.

The teasing in Gu Jinyan's eyes was so deep that he seemed to continue to watch the play.

Sean's eyes flashed, and he raised up his eyebrows. "What are you doing? Waiting for me to see you off? "

Gu Jinyan sat on the single sofa and smiled with slight provocation.

"Sean, don't you know what it's easier to invite God than to send God away?"

Disturbing his dream, Sean still wanted to have a good sleep with his wife and child?

Sorry, in this world, there was not a so good thing!

Gu Jinyan reached out and took up the magazine on the table. He turned two pages. He seemed to be interested in it.

Sean knew clearly what kind of person Gu Jinyan was.

Sean glanced at Amber's skirt. His face turned cold.

Gu Jinyan was too dangerous!

Amber had Man Man's watch. If Gu Jinyan said something that shouldn't be known by Amber...

Such as the skirt. It was so shameless.

Sean sneered and said, "OK, you must stay!"

Sean strode to the table, took Amber's mobile phone and sent several messages.

After a series of actions, Sean glanced at Gu Jinyan and gave a gloomy smile.

Gu Jinyan's shoulder shook for a moment, and a bad premonition flashed in his heart!

About half an hour later, when Amber was drowsy, the door of the ward was knocked from outside.

Amber woke up.

It so late. Who was it? She can't bear another Lu Jinyan or Song Jinyan and so on!

Sean, who was lying on his side in the hospital bed, said, "come in!"

The door of the ward was pushed open from the outside. The visitor was wearing a chiffon long skirt, beautiful and graceful. It was Lu Xiangxiang

"Xiangxiang, why are you here at this time?"

Hearing Amber's words, Gu Jinyan's face suddenly changed, and his face was cold and heavy.

As soon as Lu Xiangxiang entering the door, she glanced at Gu Jinyan on the sofa, and then looked at Amber again.

She strode to the bedside and took a look at Cindy.

The girl didn't sleep well and looked bad.

Lu Xiangxiang's face sank: "Amber, you don't tell me that Cindy is ill! I'm not your friend?"

"It's not a big problem. It's just that she ate something cold and had a stomach. She is so young. Don't make a little thing become bigger!"

Referring to Cindy, Amber's face softened a bit. She held a paper towel and wiped the forehead for Cindy. She turned her head and looked at Lu Xiangxiang.

"Even if you know it, you shouldn't come here at this time! It is a daybreak soon."

Lu Xiangxiang stood up and turned to see Gu Jinyan.

Her voice was cool and playful.

"Someone has asked me for help, saying that Mr. Gu is playing cards with you and Mr. Smith in the hospital!"

Amber, "..."

Gu Jinyan's face turned bad.

In addition to Amber and Sean, Gu Jinyan was the only one left in the ward. Lu Xiangxiang was obviously satirizing him!

He looked at Sean who was on the bed subconsciously.

Sean had a cold smile on his face.

Obviously, it was Sean who asked for Lu Xiangxiang's help!

Gu Jinyan licked his lips and laughed.

"At least I am play cards with Sean and his wife. We are all acquaintances! But, Miss Lu don't sleep in the middle of the night and run to man's room. Even if you want to play cards, you don't have enough people."

Chapter 152: He Couldn't Sleep If He Didn't Say Clearly

0 5 minutes read

Lu Xiangxiang's face changed.

Not long ago, she and Feng Chen went to S City on a business trip to attend the training meeting. It was about one o'clock in the morning after the end.

When she just came from Feng Chen's room, she met Gu Jinyan.

Lu Xiangxiang licked the corners of her lips. She didn't steal or commit crimes. But why was the words of Gu Jinyan so dirty?!

"Mr. Feng and I had business to do. Mr. Lu is leisurely and stay in the hospital in the middle of the night to disturb the good sleep of the family."

Gu Jinyan clenched his big hands instantly.

His face was terrible. He was in a rage.

"I'm not as good as Feng Chen. I can't learn how to leave female employee in hotel room at night!"

Gu Jinyan sneered, looked at Sean, who was watching the play, and said in a sarcastic tone.

"Sean, you are so kind. Call Miss Lu here at this time. It is not good if you ruin her business!"

"After all, Miss Lu is a person who likes working at night!"

Lu Xiangxiang's face turned white, but Sean raised up his eyebrows. There was a smile at the bottom of his eyes. He was thinking something!

"I told you to leave. Now you're happy!"

Gu Jinyan choked!

Sean was in a better mood.

Gu Jinyan always liked to watch his plays. Now it was Sean's turn to watch the play!

The last time Gu Jinyan went to Smith group to ask Amber for Lu Xiangxiang's phone number. Sean felt strange!

Since Gu Jinyan refused to leave, it was already chaotic enough, so let it be more chaotic!

Sean raised up the corner of his mouth and was surprised.

How sour the ward was!

After watching the play for a long time, Amber also reacted and guessed that it should be Sean's action.

She looked at Lu Xiangxiang in a puzzle.

"Xiangxiang, are you in conflict with Mr. Gu?"

"No!"

"No!"

Lu Xiangxiang and Gu Jinyan answered at the same time. Now, even Sean thought it was interesting.

Both of them were embarrassed. Sean moved his eyebrows and the smile on his face was even playful,

"Miss Lu, actually, it's Gu Jinyan who asked me to call you here. He said he wanted to tell you something! He also said that he couldn't sleep if he didn't say clearly."

"He couldn't sleep, so he ran to the hospital and disturbed us. In this case, I think it's necessary for him to explain to you clearly!"

Lu Xiangxiang looked at Gu Jinyan suspiciously.

Gu Jinyan was shocked and subconsciously wanted to refute.

Sean was so sleepy that he couldn't give Gu Jinyan a chance to talk. He said, "it's too late. We have to go to work tomorrow. Let Gu Jinyan take you home. You can talk while you go back."

Lu Xiangxiang has just been sneered at by Gu Jinyan. She was going to ask him what he meant. Although she didn't like Sean, Lu Xiangxiang still nodded.

Besides, if it wasn't for Amber, she wouldn't come here.

Lu Xiangxiang tilted her head and looked at Amber.

Amber hasn't had a good rest for two nights. She had dark circles. Amber's skin was white, and the dark circles were very startling.

Lu Xiangxiang was a little distressed by Amber. She was also angry at Gu Jinyan's words. She licked the corner of her lips and said, "it's just that I have something to tell him."

"Amber, I am leaving. I'll take Cindy to the amusement park when I am free."

Amber blinked her eyes. Because of Cindy's illness, she shivered when she heard the words "amusement park".

In fact, Amber still wanted to ask Xiangxiang what the relationship was between she and Feng Chen?

But the atmosphere in the ward was so tense. After thinking, Amber decided to ask Xiangxiang in private.

“Good. Be careful on the way back. “

Lu Xiangxiang nodded and walked to the side of the single sofa. She said with a deep tone: “let’s go!”

Gu Jinyan did not move but sneered.

Lu Xiangxiang walked out of the ward first. Gu Jinyan frowned, and glanced at Sean. His eyes flashed, “When did I say that I have something to tell her?”

Sean smiled and lowered his voice: “If you don’t want to leave, OK! Come on, I will share the bed.”

Gu Jinyan didn’t expect that Sean was so shameless. He ground and said, “Sean, you win!”

Sean’s anger because of Amber disappeared now. He even had a pleasant smile on his face.

Gu Jinyan’s face turned bad, and Sean raised his chin toward the door.

Gu Jinyan took a look at outside the ward. Lu Xiangxiang has already walked to the corner of the hospital corridor. She just turned to look at Gu Jinyan. She was slightly frowning and was obviously waiting for him.

Gu Jinyan looked back at Sean, hesitated, and walked out of the ward at last.

In the hospital corridor at 4 o’clock in the morning, the lights were dim and the sound of Lu Xiangxiang’s high-heeled shoes knocking on the floor was only heard.

Two people walked one after another, without any communication, just like strangers on the same road!

Lu Xiangxiang took the handbag tightly and glanced slightly at the tall man. Gu Jinyan had a cigarette in his mouth.

He put his one hand into the pocket, and walked steadily. The smoke gray suit elongated the body, highlighting the charm of this man.

He was a playful and elegant temperament!

It would not make people feel disgusted, but there was a sudden cold!

As soon as they got out of the hospital, Lu Xiangxiang couldn’t help but say, “Gu Jinyan, what did you mean when you were in the ward just now?”

Gu Jinyan lit a cigarette casually. The scarlet fire and thick white smoke blurred the expression on his face in an instant.

After being smoked by the tobacco, Gu Jinyan’s tone became more hoarse: “What? I was wrong? “

When he said, he looked slightly sideways and raised up his eyebrows, with a strong irony!

Lu Xiangxiang's fingertips tightened, and their relationship has always been very good. She never thought that Gu Jinyan would think she was so bad.

She glared and sneered.

"Yes, I just like Mr. Feng. I like working with him and working overtime in the hotel."

"Who do you think you are! How can you control my life? "

Lu Xiangxiang stressed every word, as if she was afraid Gu Jinyan can't understand her.

She was emotional and did not find, Gu Jinyan clenched because of her words.

Gu Jinyan smoked fiercely, "Miss Lu is willing to do that. It's me who care too much!"

With that, he raised his wrist, looked at the time, and sneered: "it's still early. I won't disturb Miss Lu and your Mr. Feng's work!"

The last few words seemed to be squeezed out of the teeth of Gu Jinyan which directly hit Lu Xiangxiang's heart.

Gu Jinyan said that, without looking at Lu Xiangxiang's face. He patted the folds on his suit that didn't exist. Without hesitation, he turned around and strode away!

Chapter 153: Feng Chen

0 5 minutes read

At the gate of the hospital, there was only Lu Xiangxiang left.

At four o'clock in the morning, there was almost no one on the street. The lights were bright and had a delicate halos.

The lights were on Lu Xiangxiang's heart. In this hot and dry night, her heart was particularly cold.

Tears fell from the eyes and the heart was ache.

There was no taxi on the road. Lu Xiangxiang wore a pair of high-heeled shoes and waited for a taxi by the green belt.

She bit her lip and the night wind was getting hotter.

Lu Xiangxiang's brain was in a blank. She was staring at the other side of the road. She didn't find a car stopping in front of her.

Feng Chen cleared his throat. Hearing the sound, Lu Xiangxiang reacted and took a look at the person in the car.

She reached out and wiped the tears on her face: "Mr. Feng?"

Feng Chen pressed the painful forehead, and narrowed his eyes. This subtle action showed his mysterious atmosphere.

“Yes.”

“So coincidentally. I can meet Secretary Lu even if I go to hospital?”

Lu Xiangxiang licked her lips and winked. Her mood was somewhat complicated.

She was called by Sean to help, and argued with Gu Jinyan just now because of Feng Chen.

It was a coincidence?

But Feng Chen was her boss. Lu Xiangxiang pressed her lips and said,

“My friend’s daughter is in hospital, so I come here. Mr. Feng have a stomachache again?”

Feng Chen did not answer.

In his opinion, what Lu Xiangxiang asked was all nonsense.

He raised his chin to shotgun, and the expression on Feng Chen’s face was meaningful.

“Get into the car and I send you back.”

“No need...”

“I don’t want to say it again!”

Feng Chen interrupted Lu Xiangxiang. She stopped for a moment.

The jerk Feng has always been domineering. She was disturbed by Feng Chen, and her sadness almost disappeared.

It was already four o’clock in the morning. Lu Xiangxiang didn’t think she can take a taxi and then she didn’t refuse.

Gu Jinyan strode to the parking lot of the hospital, drove the car, and directly stepped on the accelerator to the bottom. He drove fast in the quiet street at night.

He frowned and the color of his lips was light.

If it was not for the angle of his lips, his anger would not be able to be seen.

The smoke gray Bentley ran quickly on the road. At the next second, the sharp sound of the brake sounded.

Gu Jinyan licked his lip, hit the steering wheel heavily, turned and drove towards the hospital.

As soon as he got to the hospital gate, Gu Jinyan turned around and looked at the roadside. There was a beautiful Lamborghini super run car stopped next to the green belt.

Gu Jinyan frowned.

Few people can get this car. At this time point, it can be driven.

What attracted Gu Jinyan’s attention was the woman bending over to get into the car. She wore a white skirt, which can show the outline of her body.

It was Lu Xiangxiang.

When she opened the door and got into the car, Gu Jinyan looked at the driver's seat.

With the lights on in the car, Gu Jinyan can see clearly enough it was Feng Chen's handsome face.

Gu Jinyan tightened the hands holding the steering wheel, and there was a trace of cold in his eyes.

And the cars passed, Feng Chen seemed to feel Gu Jinyan's eyes. He turned his head and found Gu Jinyan.

Feng Chen raised up his eyebrows and a trace of provocation leaked out.

Gu Jinyan stepped on the brake and parked the car on the side of the road. His handsome face was covered by the night.

...

After Gu Jinyan left, Amber licked the corner of her lips.

The atmosphere in the ward was a little awkward because she had driven Sean out before.

But the person who was on the hospital bed changed his posture and went to the bathroom.

When Sean came out of the bathroom, he glanced at the door of the ward.

As Gu Jinyan left, the door was not closed. After all, it was at night. Sean did not want to share his privacy with strangers, so he got up neatly.

As soon as he arrived at the door, Sean saw Lu Yi sitting on the bench of the hospital.

Sean raised up his eyebrows.

When he woke up, he sat in that position. If there was a light in the room, he could see the whole ward.

In the middle of the night, director Lu did not go home to sleep, but stayed outside of Mrs. Smith's ward.

He was really a good cousin of Sean.

Sean frowned and closed the door.

Turning back, Sean lay down on the bed against Cindy. His movements were very big, and his hair were slightly disordered.

Sean hooked his finger at Amber: "come here. Go to bed."

This sentence was very ambiguous. Amber's eyelids jumped and she stood still.

"No, I'm not tired. Mr. Smith should have a good rest."

Sean sneered, "have a good rest? Director Qin don't come to sleep because you want me to take care of your daughter? "

"And then director Qin is going to go out and be close to my cousin?"

Amber was a woman who had no other skills but she can seduce men.

Even his clever cousin was fascinated by Amber.

He the husband was still in the ward. Lu Yi stayed in the hospital corridor.

Amber must attract Lu Yi deeply!

“Mr. Smith, don’t you think people are too dirty in your mind?”

Amber frowned and stared at Sean.

Sean’s eyebrows pressed down and the anger appeared on his face

“If you want me to have a pure mind, director Qin and director Lu should do something pure!”

“Smith family is a big family. Every action of Mrs. Smith affects Smith group’s stock market! You can’t be shameless, can you, Mrs. Smith? “

Mrs. Smith two words were stressed by by Sean. It was meaningful!

Amber was silent. Sean reached out and patted the empty position on his side. The meaning was obvious.

Amber pressed her lips and took two steps towards Sean.

Amber looked at the position which Sean pointed at. Once she lay down, her body touched Sean.

If they were normal husband and wife, it was OK. but after three years of marriage, let alone intimate actions, even if they met, they also looked like strangers.

Amber’s lips moved: “Mr. Smith, I want to sleep inside, next to Cindy. It is convenient to take care of her!”

Sean didn’t move. He didn’t mean to give a place to Amber.

“Mr. Smith?”

Sean opened his eyes and glanced at his side.

“The room is too small. You want me to sleep there?”Sean pressed his lips “Sorry, I’m afraid I’ll fall off in the middle of the night.”

“The bed is so small. Mrs. Smith know that my family’s bed is more than three times the size of this bed!”

The big bed on the third floor of the old house flashed in Amber’s mind quickly.

Amber,”... There’s a hotel next to the hospital. Mr. Smith don’t have to be so aggrieved to sleep with us!
“

Sean was stunned

She still wanted to drive him away. Was Amber trying to let him give room for her and the one outside?

Chapter 154: Sean, I Won't Love You Again.

0 4 minutes read

Amber really thought he liked to be cuckolded?!

He sneered and said, "I got the room, and director Qin want to drive me away for the second time?"

"Why, do you want me to make room for you and director Lu to have sex?"

The pupil of Amber shrank violently.

"Mr. Smith, you can humiliate me! Why do you humiliate another innocent person every time?"

Amber has been hurt by Sean many times. Naturally, she wouldn't think that Sean was jealous!

Sean was unhappy.

He just said Lu Yi, but Amber couldn't help but refute. She dared to say that she and Lu Yi were innocent?

Sean touched his head, and his face was more worse.

"Since you are innocent, don't you come here?"

Amber frowned. It seemed that if she was not sleeping in bed, she had something to do with Lu Yi!

Sean moved in. Amber hesitated and had to lie down beside him.

The lights in the ward were not turned off, and Sean smiled and leaned sideways.

Amber lay beside him, motionless, like a sculpture.

Sean looked at Lu Yi who was outside the ward. His arm moved. He put his hand above Amber's body and put it behind her.

This gesture was particularly intimate, which closed the distance between the two people. The light fragrance of Amber filled Sean's nose in an instant. His eyes were deep and he suddenly laughed.

Amber didn't expect Sean's sudden approach, and her body became stiff, especially when Sean's hand was placed so close to her. Amber didn't know what he wanted to do.

It seemed she was in his arms. She can smell the breath of Sean!

Strange!

Lu Yi sat for a few minutes, stood up and left the hospital in a gloomy mood.

Sean looked coldly, smiling sarcastically, closing his eyes and breathing evenly.

Amber, who had not been intimate with Sean for many years, suddenly got so close to him that she felt a little flustered and couldn't breathe. She couldn't sleep at all.

After being awake, Amber counted the sheep with her eyes closed.

She heard the movement, and opened her eyes subconsciously.

Cindy had a fever. It should be time for her to sweat. Amber was worried that Cindy would kick the quilt because of the heat.

She raised her body slightly, looked at Cindy and frowned.

Sean's breathing was slow, and he was obviously asleep soundly.

It was obviously impossible for him to reach out and help Cindy cover up the quilt.

After all, Sean has made it clear more than once that he didn't want or was willing to help her take care of Cindy.

Amber raised up her body finally. There was Sean between her and Cindy.

She leaned over, over Sean's body.

As soon as Amber had finished covering up Cindy with the quilt, she was suddenly dragged down. After a while, she fell on the hard chest of Sean.

She was dizzy, and Amber blinked.

The hormone breath of a man filled Amber's breath instantly. Being stimulated by this breath, Amber struggled subconsciously. However, Sean was a little strong, and she can't get free.

Amber was a little confused. She huddled in front of Sean's chest and listened to the strong heartbeat of this man. Her heart rate was disordered for a time.

She raised her head slightly, and looked at Sean's chin.

It was just a silhouette, revealing Sean's charm. Amber blinked and stopped struggling.

Sean's eyelashes moved.

After dragging Amber into his arms, Sean had some regrets.

But he thought Amber moved at the night without sleeping. She must want to seduce him!

He was laughing at her in his heart. Next second, a touch of tenderness fell on his lips.

Sean was shocked and controlled the impulse of opening his eyes. His hands tightened.

He smelled Amber's light fragrance. Her body was very soft and close to his body. Sean felt thirsty and hot for no reason.

The corners of his lips curled up, and his heart was filled with sarcasm.

Just now, Amber asked him to stay in the hotel nearby. She couldn't control herself so quickly. Amber secretly kissed him when he was sleeping.

It was because of his charm or she can't control herself!

Amber was a bit two-faced!

If he fell asleep, he would have missed the good play!

“This is the last time. Sean, I will not love you again.”

When Amber said, her heart trembled. Her voice was very peaceful. She didn't feel excited. She didn't cry. But Sean's hands suddenly tightened.

Something seemed to be out of control.

Sean frowned.

Amber gave up so easily?

Didn't she love him very much before?!

Sean sneered. Last Friday night, Amber was in a coma but she still called his name.

What was the trick this time?

She was playing hard to get?

She found out he wasn't sleeping?

Amber was cunning enough to not miss every opportunity to show in front of him!

Sean was annoyed by the smell of Amber. Her breath was very light and had a subtle rose fragrance.

As soon as he got close to her, he was filled with fragrance and seemed to be able to be swallowed up.

Sean still closed his eyes and pretended to be asleep. Then he pressed Amber under his body with a slight force!

He pressed the head of Amber with one hand and kissed heavily. At that moment, Amber opened her eyes.

Her mouth were open, and Sean was quick to attack. His breath was cold and he was overbearing.

Amber's body trembled violently, and her fingertips even began to get cold. It was out of her expectation, and she even forgot struggling. She was pressed by Sean, and the kiss left her lips and fell on her neck.

The kiss was hot and gave Amber a sense of suffocation.

Sean smiled.

Didn't you love me?

She did not even struggle when he kissed her.

The director Qin was really cheap. Sean was afraid she would like him to have sex with her!

Or, Amber can have sex with anyone?!

Sean's eyes were dark and he was a little angry!

He opened his mouth suddenly and bit in her white neck, "Man Man..."

Amber suddenly recovered from shock and fear, and she trembled.

Her heart seemed to be torn off and Amber reached out to against Sean's chest.

She cried in horror: "let me go! Sean, stay away from me!"

Amber struggled hard, but there was a great disparity between men and women. Her struggle was useless under the suppression of Sean.

Chapter 155: Why Is Dad Sleeping on the Ground?

0 5 minutes read

Amber trembled violently, and she kept resisting, but Sean seemed to be tired of this kind of catch-up game. He used a big force, and the button on Amber's skirt broke.

When the skin was exposed to the air, Sean touched the skin.

The rough fingers made Amber pain.

Amber took a deep breath and stopped struggling.

Sean's kiss seemed to be the marks and fell on Amber.

Sean sneered and thought that Amber was a chaste girl. He didn't expect she stopped struggling quickly. He really looked up to Amber!

She must be very proud, wasn't she?

After all, she would get what she wanted.

As Sean's hand went down all the way. because Amber didn't struggle, his pressure on her became smaller.

His hand was just on Amber's thigh. Amber suddenly lifted her leg. It was already late for Sean to be on guard.

With all her strength, Amber kicked Sean out of the bed, then pulled the thin blanket on the bed and covered herself up!

Sean didn't prepare. It was so hurt when his back touched the ground.

He opened his eyes. Amber, that dead woman!

She dared to kick him out of bed!

When her daughter was ill, he ordered a VIP ward for her and he even accompanied them in the ward. She was so ungrateful and dared to kick him out of bed!?

Sean was just about to get angry, but he stopped.

If he questioned Amber now, was it not equivalent to admitting that he did it on purpose just now?

It was so embarrassing!

Amber said she didn't love him, but he kissed her and wanted her?

Was he crazy?

Sean's face turned bad, and his back was painful, but he could only control his anger. What a terrible feeling!

Lying on the ground, Sean was furious.

Amber, a woman, can seduce him. But he can't touch her?

Did she really think he cared about her?!

Amber hid in the thin blanket for a few minutes and looked at at Sean on the ground.

This was a big move, but Sean had no sign of waking up. Amber was worried that Sean would have a fever.

After what happened just now, she didn't dare to go to check on the situation of Sean, for fear that she would be regarded as Lin Man by Sean again.

Amber leaned against the head of the bed and couldn't sleep. Her heart beat abnormally. Her lips were pale!

In this world, no one can hurt her so much except for Sean!

Lin Man...

Man Man...

He has held her and called out the name of another woman more than once.

Amber sat down until dawn. She couldn't put on her clothes. She had to send a message to Xiao Shen, asking her to buy clothes for her and Cindy in the nearby shopping mall when she passed by.

When Xiao Shen arrived, Amber grabbed her skirt to get clothes outside the ward, and then asked Xiao Shen to go to work first.

Amber went into the bathroom and washed and changed clothes before coming out.

Cindy was awake. She looked at Sean on the ground and asked, "Mom, why is Dad sleeping on the ground?"

Amber, "..."

She took a look at Sean and licked the corner of her lip: "the bed is too small..."

When sleeping on the ground for several hours, Sean awoke after hearing Cindy's question.

He didn't open his eyes in a hurry. As soon as he heard Amber's words, he knew that Amber was going to lie to Cindy again.

Well, Amber was good at it.

Before Amber finished, Sean sat up from the ground.

His eyes were lowered and he slept on the ground all night. He had a lot of anger and he wanted to vent now.

Sean licked the corner of his lips, and a trace of evil spirit flashed through his long and narrow eyes. He looked around and finally fixed his eyes on Amber,

"Director Qin, do not explain why I lie on the ground?"

Amber, "..."

"Don't tell me, the bed is too small so that I deliberately make room for you!"

If Amber didn't know that Sean was angry, she wouldn't get the position of the marketing director of Smith group.

Cindy also looked at Amber with a puzzled face. The father and daughter had the same eyes and wanted an answer.

Sean has gotten up from the ground, slapping the dust carelessly. His face got more worse.

After thinking for a moment, Amber said:

"Mr. Smith didn't behave well when you slept. You must roll and I can't stop you."

"Can't stop me? If I remember correctly I slept between you and Cindy last night, right? Director Qin didn't have to take care of you daughter in the middle of the night and slept soundly? "

Sean ground.

No matter how bad his actions were when he slept, he can't get out of bed over Amber!

Amber's face was pale.

Should she tell him that he became a rascal last night, so she kicked him out of bed?

Sean may not believe. Amber was mainly afraid that Sean would kill her in front of Cindy!

Silent, Amber took out a pink and white skirt from the handbag brought by Xiao Shen and waved to Cindy: "Cindy, come on. Change your clothes, and mother will send you to school!"

Cindy answered, got up and walked to Amber.

The shopping bag was not big. After Amber taking out Cindy's skirt, it shrank.

Amber didn't prepare Sean's clothes.

Sean's face was darker.

Amber said to Cindy that they were a family. She didn't let people take clothes for him and didn't share the bed!

Was that family?!

Amber's lie was clumsy and can only cheat Cindy this three-year-old child!

He was curious. When Cindy grew up, how can Amber cheat Cindy!

Sean sat on the bed, reached out his strong arms and interrupted Amber changing clothes for Cindy.

"Mr. Smith, what do you mean?"

"Director Qin let me lie on the ground for a whole night, and you didn't even prepare clothes for me? You want me to dress like this and go to work? "

Amber's face changed.

Sean had a habit of cleanliness. He always kept himself clean and tidy. Since that scandal happened, reporters all stayed under Smith group's building and looked forward to the next headlines.

If Sean went to work like this, maybe the headlines would be that Smith group's stock was overburdened and Sean's clothes proved that Smith group went bankrupt!

"What do you want?"

Sean reached out and held Cindy in his arms, with a fierce smile on his face.

His emotions were unpredictable. When he looked at people, his eyes were sharp.

Amber moved her lips and compromised,

"I'll call Secretary Xu and ask him to send you a suit. You can wait here for a few minutes. Mr. Smith, Cindy is going to school. I have to send her now! Otherwise, she will be late. "

Chapter 156: The Death Day of His Third Brother

0 5 minutes read

If Cindy was late, maybe Amber will be late for work!

Even if Amber didn't say next words, Sean could guess.

But Sean didn't care about Amber.

"As I said before, my secretary is not serving you to be hired at a high price."

Sean was so aggressive that Amber almost thought he knew she kicked him out of bed last night!

Amber was helpless and said at last. "I'll go to the shopping mall nearby to buy you clothes. Do you think it's OK, Mr. Smith?"

Sean nodded.

Amber was worried about Cindy and was back soon.

She bought a shirt and a pair of trousers.

Sean took his clothes to the bathroom to change with his lips pressed tightly.

The clothes fitted well and cut properly, as if Amber had measured his body.

The style of the shirt was very simple. It can be seen that Amber had a good taste, and she didn't buy clothes usually.

But last night, Amber said she would not like him any more.

Amber knew his size clearly. She must like him or she was abnormal.

He came out of the bathroom with a sullen face.

Amber has changed the clothes for Cindy. When Cindy saw him, her eyes brightened: "Dad, you are so handsome today!"

Sean smiled and it was a little ironic.

"Director White, is my father giving you little money? You bought me cheap clothes at will!"

Amber, "..."

She knew that Sean was very well dressed and chose a famous brand for him.

A shirt was up to ten thousand.

Sean didn't like it and he even said it was from a street stall?

"Or, Smith group deducts the salary of Director White, making you so poor that you can't even afford a decent suit!"

"Whether the company has deducted my salary or not, I think Mr. Smith knows!"

Amber looked up, and there was no expression on her face. Suddenly, facing her cold face, Sean remembered that he crossed off a zero of the bonus of Amber...

Sean felt guilty.

The bonus of Amber was highest in the whole company. He always stuck to the issue and crossed it!

What was more, he didn't believe Amber would be short of money because of the old Mr. Smith's support!

Amber held Cindy in her arms without saying a word.

Sean was just about to get angry. His mobile phone on the table rang.

He just answered directly.

"Something?"

Tomas's voice was cold and there was a moment's silence,"asshole! Get back to the old house now."

Sean took a look at the screen of his mobile phone and realized that it was Tomas who was calling.

"What am I going back for now? I don't have to go to work? "

His words can make people furious easily. Sean always had that kind of ability. The speaker suddenly changed.

For her only son, Mother Smith was not harsh as Tomas.

"Sean, you forget? Today is the death day of your third brother! Anyway, you and Amber come back first! "

"Forget it?! I think he just knows how to bully Amber. This jerk!"

After Mother Smith's words, there was also the angry voice of Tomas on the phone.

Sean frowned."Sean, you didn't answer the phone yesterday. Your father is angry. Please come back quickly!" Mother Smith said in a low voice

After hanging up, Sean glanced at Amber, who was holding Cindy.

He stepped forward with long legs and stopped at the door of the ward.

Amber: "Mr. Smith, I can't buy the high-level shirt you are used to wearing in the mall. I hope you don't make trouble, OK?"

Sean was gloomy.

Was he so mean in Amber's eyes?

Sean was upset. He suddenly reached out and took Cindy out of her arms: "call for leave. Come back to the old house!"

After that, Sean walked outside the ward. Amber was worried: "Sean, even if we have to go back, I will accompany you after work in the afternoon. I have a lot of work..."

"Director White is really busy, even forgetting the death day of the third brother!"

Amber choked.

Sean glanced at her with a cold smile.

On the death day of Johnson in the past years, Amber would finish her affairs two days in advance to spare the time of this day.

However, there were too many things happening this year. Besides, Amber was not a God. She can't take everything into consideration.

As soon as Sean said it, Amber remembered.

The death day of Johnson was really a business. She must go back!

Amber lowered her head and asked for leave for Cindy. Sean walked ahead with Cindy in his arms.

“Dad, did you sleep on the ground last night, so you are in a bad mood?”

Sean had a cold face.

Cindy was not afraid. She reached out and pulled the corner of Sean’s lips and said with a smile, “mom said, frowning will lead to wrinkles.”

Sean held Cindy up and threatened Cindy: “if you are naughty again, I’ll throw you down!”

Cindy, smiling, wiped the sweat on Sean’s forehead.

“I don’t believe it.”

“Dad, can you not quarrel with mother in the future? Xiao Pang says that husband and wife quarrel with each other but they still love. However, Cindy is still afraid when you quarrel!”

Sean made a pause and then moved on.

Cindy and Xiao Pang were too young. How could they say such words?

Sean glanced at Amber from the corner of his eyes.

She taught Amber?

Amber, this mother was really strange. She didn’t teach her daughter well, but taught Cindy all the mean ways she had!

Sean’s face was cold and did not answer.

Fortunately, Cindy has been with Amber for a long time. Even if Sean gave her a cold face, she was not unhappy.

Sean didn’t speak and she thought he agreed!

When Sean drove to the old house, everyone was there.

As soon as Tomas saw Sean, he stood up from the sofa: “Jerk! Come to the study with me!”

Mother Smith was shocked by what Tomas said.

The day before yesterday, after Tomas whipped Sean, he left the whip in his study. Now he asked Sean to go to his study. Mother Smith didn’t think that there was anything good!

When Sean moved, he was held by his mother. She glared at Tomas and asked, “what do you want to do?”

“You want to beat my son? Can you figure out the situation? It’s not only my son who doesn’t answer the phone!”

“Why are you partial to outsider?”

Sean frowned.

After entering the hospital last night, it was Amber who asked them to turn the phone on mute!

Sure enough, from the beginning, Amber, the bitch, had no good intentions!

Obviously, she didn't think he was beaten enough. She wanted Tomas to whip him a second time!

He looked at Amber fiercely.

Amber suddenly understood the thought of Sean.

Chapter 157: "It's my fault, Dad"

0 4 minutes read

Amber White shivered her lips.

"Bias in favor of outsiders? A Ru, what do you mean? Amber was our family since she married Sean and she is a nice girl, I'm not going to let him humiliate her just because he's my son."

Sean Smith looked gloomy. How could Mr. Smith consider her as a good girl, did he blind? If she was, then was there a bad woman in this world?

He sneered with an expression of mockery. It was special today and Amber did not want to embarrass anyone, then she said, "It's my fault for not answering the call, Dad. It was because that I was afraid of disturbing Cindy who was ill yesterday and I asked Sean to mute the phone as he accompanied us."

"He would be there, which was amazing!"

Tomas Smith was suspicious about it. He knew his son very well and he did not think Sean would accompany someone who he hated to the hospital to take care of the children as he was always too hard to hold.

"Dad, it's obvious that you have a prejudice against Sean. Anyway, he is the president of the Smith Group, so how could he have the leisure time to embarrass Amber?"

Shen Ruyun laughed, "What's more, Cindy is okay now but I wonder that Amber did even no time to tell us even if she was worried about Cindy."

Amber White glanced at Shen Ruyun and then met her gaze. Shen was stunned but suddenly laughed again, "Please don't be mad at me, Amber, I didn't mean that and I'm just worried that your daughter would have an incurable disease, which would make you sad."

"You should think how to explain the thing about house to brother later."

Hearing that, Shen Ruyun stopped laughing and seemed to say something but said nothing.

The son that Mrs. Smith liked most was Johnson. Now that the crisis of Sean had been lifted, then she did not have to be nervous and want to see them against each other.

"Well, stop talking nonsense! It is the death day of Johnson, so the most important thing is to go to the ancestral hall now! Besides, Don't bother about too much lest there be a scandal about the disagreement between both of you, which would cause out stock turmoil again."

Mrs. Smith glanced at Amber as she talking, which was obvious what she meant.

Amber tucked her hair and gently looked at Cindy White who was next to her.

The thing that she did not answer the phone finally passed.

Mrs. Smith was right. After all, the most important thing today was to go to the ancestral hall and worship Johnson Smith.

The ancestral hall in the Smith was built on the back hill of the old house, which was surrounded by mountains on three sides. Although it was not very far, they had to walk a long mountain road.

They would only delay the worship if they kept on worrying about other things. They got off at the foot of the mountain because it was a mountain road, the car could not go up. Amber held Cindy, following behind them. The mountain was not much more than people all the year round, so the steps were covered with moss, which made the road slippery. Amber held Cindy and walked slowly. Shen Ruyun was with them too, wherever Amber walked towards, she unconsciously walked towards the direction of Amber. Being stopped by Shen, Amber could not be quicker even if she wanted. Sean Smith did not walk fast, in other words, he knew that Shen would trouble Amber on the way as Shen was petty and pungent. Sean deliberately slowed down and kept a short distance from Amber. He was not for taking care of her and her daughter, but for watching that how Shen would embarrass her.

Shen Ruyun was not the opponents of Amber White as Amber was a slick talker but Shen often was in some places like casino and she had a lot of bad means, which Amber would not bear. Within a few minutes, Amber fell behind far away from the crowd because of Shen.

“Ruyun, you are in the way of me and Cindy.”

Amber frowned and reminded her.

Shen pretended and said with a little embarrassment on her face, “Sorry, I just thought of Johnson, which made me sad and I did not notice you.”

“Well, you and my little niece go first, I will follow behind.”

Then Shen turned her body and let them go. Amber glanced at Shen with doubts and she did not think Shen would be so kind. After hesitating for a while, Amber took Cindy passed over Shen. With the only downward slope ahead on this road, for multiple times, Cindy almost tripped from walking down on the slippery stairs. Amber was focusing all her attention on Cindy and completely neglected what was happening behind her. In a short moment, someone pushed her from behind. Instantly, Amber White lost her balance and fell from the stairs. “Mommy!”

Cindy trotted towards Amber and steadied her, founding her eyes were red from fear and anxious. The noise alarmed the front people, she fell so badly that the moss mingled with blood from the cut on her elbows and knees. And the white dress she wore was also tore a big hole and full of mud. A look of surprise flashed across Sean’s face. Compared to floundering and fluster today, Amber at most looked scruffy when he found her in Ye Se.

Facing her severe laceration, even as a man, he could feel clearly how much pain she was suffering. But Amber White not only said nothing, but also had energy to wipe the tears for Cindy. The front people

stopped and Mrs. Smith frowned to Amber. She felt disappointed, she had thought Amber would bring the bad luck to her family since she knew Cindy was not the child of Sean. In her mind, Amber had made the family no peace, how dare she even to disturb the worship ceremony of Johnson!

“Why are you so careless? I have told you the road is slippery.” Amber White could not resist gasping to bear the pain, she knew her miserable situation that Mrs. Smith didn’t like her, so no matter how wonderful she was, Mrs. Smith still would regard her as nothing. But Tomas Smith glanced at Amber gently and then turned his eyes to Sean Smith who was standing there complacently.

Chapter 158: Dad, You Are So Smart

0 5 minutes read

The gloat on Sean Smith’s face was so obvious. The buttons on his shirt had not been tied to the top one, and his unpretentious clothes can’t stop his innate temperament and his handsome face.

Tomas Smith immediately blushed: “Sean Smith, explain it to me! How did Amber fall?!”

“You are a rebellious son, you are still not a big man, you are so malicious that you push Amber down the mountain!”

The expression on Sean Smith’s face froze, his tall figure stayed in place, and his eyesight was even indifferent.

He licked the corner of his lips, his eyesight was gloomy.

“Dad, your eyesight is so sharp, you can see me pushing Amber White down when you walk in front?”

“Amazing!”

He glanced at Amber White with a faint smile. He found it. Now as long as anything happened to Amber White, the old man would habitually put the responsibility on him!

Amber White’s status in front of the old man was important enough, at least he can’t catch up even if he was riding a horse!

In his eyes, the stars were gleaming, like a deep well that could not be touched, Amber White was terrified by his eyesight.

Seeing that Tomas Smith was about to get angry, Amber White licked the corner of her lips and said in a low voice: “Dad, you are misunderstanding, it is not Sean, he didn’t push me.”

“Tomas, what do you mean? Amber White fell, it was my son who pushed her, and my son fell, shouldn’t he admit that he is unlucky?!”

“You don’t trust Sean so much. Looking back at this home, is there still a place for Sean and me?”

Mrs. Smith said something serious, and Tomas Smith sneered: “Trust him? Did he ever do something to make me trust him?!”

“Amber, don’t be afraid. Tell me the truth, did this rebellious son did this to you? After Johnson’s matter, I will kill this bastard and give you an explanation!”

Sean Smith’s expression became darker.

The old man can dare to say that! If Sean was killed, he didn’t even have a son?

Did Amber White witch him so that he can believe her?

Being among so many people, Amber White was not feeling well, she can only say in a low voice, “Dad, Sean stands far away from me, he can’t push me!”

Tomas Smith’s eyebrows moved. This meant that it wasn’t Sean Smith, but someone else?

He frowned and his eyesight fell on Shen Ruyun who was standing not far behind Amber White.

A middle-aged man who was over fifty years old, although his face was somewhat old-fashioned, Tomas Smith was all the first batch of people in this country to go to the sea for business. He had been in the market for decades.

There was a high-level aura that young people didn’t have on his body, and a look came over him, it was so heavy that Shen Ruyun was trembling.

Her face turned pale, and she couldn’t help but bluff and said: “Sister, do you mean, I stand closer to you, so it was me? I pushed you?”

“You can’t talk nonsense! How can I have such a vicious thought?!”

With that, teardrops hung on her face, seeming to be wronged. She knew that because of Johnson Smith, Mrs. Smith had always treated her better, so she looked at Mrs. Smith with tears:

“Mom, I was wronged! I just gave way to the fourth sister, and she fell! Usually, she can slander me anyway, but today is the day of Yunci’s death. I am too sad, so why would I push her? ?!”

“Yunci is my husband, and I don’t want to mess up this sacrifice because I don’t want him to be uneasy when he’s in heaven!”

Shen Ruyun cried when she said so, and Amber White was caught off guard by her crying.

Not seen for a day, her acting skills became better, she was not so impulsive, obviously she had been smarter!

Amber White frowned. If she wanted to be an actress, she could gain an Oscar prize!

“Don’t be angry, someone just rely on dad, dad will protect her. She likes to frame others!”

Sean Smith’s lips curled up, adding fuel to the fire.

As soon as he spoke, Shen Ruyun cried more and felt wronged.

The two cooperated, and directly removed Shen Ruyun from the mortgage of Johnson Smith’s property!

Everything Amber White said had turned to be deliberately framed on others!

Before Amber White had time to sneer, Mrs. Smith was so angry that she didn't even give Tomas Smith a chance to speak. She glared at Amber White, and scolded:

"Amber White, stop causing troubles for our family! What's wrong with you? You are not satisfied that Sean has suffered the whip, you even can't endure my daughter-in-law?"

"Since you married into our family, the peaceful life has nothing to do with our family! So? You are a human, but we are not?!"

Amber White's heart trembled, and her eyes become red.

Mrs. Smith intended to convict her without asking what happened?

"Stop, I understand Amer, she is not such a person!"

Mrs. Smith was about to be grinned by Tomas Smith: "What do you mean!?"

"Dad, the fourth sister is not this kind of person, you don't trust us?" Shen Ruyun choked: "I have been married to the Smith family for so many years, and Sean is your child."

"What kind of people are we, can you not know that?"

Shen Ruyun gritted her teeth, Amber White threatened her with the mortgage of the house under the name of Johnson Smith at every turn!

She just wanted to teach Amber White a lesson!

But they were all his daughters-in-law, Tomas Smith was too protective of Amber White, too eccentric!

She stared at Amber White. Amber White kept quiet because of the identity of Mrs. Smith, but Cindy White was different. She only knew that her mother was bullied, and got scolded.

The three-year-old girl stretched out her hand and wiped her tears, pointed at Shen Ruyun's trembling body, and argued loudly: "I saw it, it was this old woman who pushed my mother!"

"She did it on purpose!"

A three-year-old child was innocent and would not lie innocently!

What's more, Cindy White still grasped the corner of Amber White's clothes, and her chubby hands were stained with other colors, a little dirty, but she didn't dislike it at all.

Her eyes were firm, and they had to be convinced by her!

She was still young and not very tall, but she abruptly supported Amber White.

Amber White was heartbroken, and a cloud of mist was in front of her eyes.

"Mom, you just said that dad didn't ask the cause and effect, and he misunderstood Sean, right? Now, what is the difference between you and dad?"

"Shut up! This little wild was talking nonsense! Mom, Dad, she is just a little bitch, she is the daughter of Amber White, of course, she will speak for her mother..."

“Snapped!”

Shen Ruyun’s words were slapped back by Tomas Smith’s slap. At a very fast speed, her face instantly turned red. On her white cheeks, a slap print was especially vivid!

She screamed, covered her face involuntarily, and looked at Tomas Smith in disbelief. It was the first time she had been slapped in the face since she married Johnson Smith for so many years!

“Dad?”

Chapter 159: This Is What You Learned In The Shen Family?

0 5 minutes read

Tomas Smith’s expression was dyed with a thick layer of anger.

“Shut up. This is what you learned in the Shen family? Who taught you that? You dared to frame your sister-in-law. After Johnson’s matter, you are not allowed to go out to prevent doing anything ridiculous!”

“The Smith family can’t afford to lose our reputation like this again!”

Shen Ruyun cried this time, because Johnson Smith died, and she kept being a widow for several years. Whether it was the Smith family or others, they all respect her!

This was the first and only time that she was humiliated in public!

Shen Ruyun glanced at Cindy White with hatred.

She was cursing this little wild species!

If it wasn’t for her, if it wasn’t for her, who didn’t know her father was, how could she be scorned by Tomas Smith in public!

She would get even with her sooner or later!

Shen Ruyun wiped away her tears, covered her face, and lowered her head, covering up the craziness and unwillingness in her eyes.

“Yes!”

This matter should have been turned over, but Cindy White blocked Shen Ruyun’s road and looked up at Tomas Smith: “Grandpa, the teacher in our class taught us that if you did something wrong, you should apologize or be punished!”

“She hasn’t apologized to my mother yet!”

Shen Ruyun’s pupils shrank.

She felt shame. If she apologized to Amber White in public, how can she face others when she returns to the Smith family in the future?

However, Tomas Smith, no matter what Shen Ruyun thought, he stood on the rugged mountain road with majesty.

“Apologize to Amber!”

“Dad!?”

Shen Ruyun was aggrieved: “I have been slapped, and I have to apologize to her? I am not convinced! If Johnson was there, he will not let me suffer such a grievance!”

Although Shen Ruyun was beautiful, the palm prints on her face were too heavy, which affected the effect of beauty.

“Don’t mention Johnson with me. If he was there, he can have different kinds of women? You might have divorced with him!”

Mrs. Smith frowned and glared at Shen Ruyun, “Stop crying! Amber White didn’t cry even after falling like this! Only you have so many tears!”

Without others’ support, Shen Ruyun can only apologize to Amber White.

“Sister, I’m sorry, I shouldn’t push you...”

Sean Smith watched as Shen Ruyun apologized to Amber White with a pale face, and was surprised.

With his words, Amber White can win this fight, what a strong ability!

His third sister-in-law’s strategy was exhaustive. The only accident was Cindy White!

Director White was Director White. At the critical moment, all difficulties can be easily solved by her!

There was a flash of admiration in Sean Smith’s eyes, and then his eyesight deepened.

Amber White offended all his sisters-in-law. He didn’t believe that Amber White wouldn’t have expected that Shen Ruyun would attack her on the way up the mountain!

Perhaps this was something she had arranged in advance, but it was a little bit painful, and with bitterness, she could overwhelm the third sister-in-law who had valued a lot in his mother’s heart!

Why not do it?

Sean Smith thought so, and glanced contemptuously at Amber White.

Cindy White stood in front of Amber White. She tilted her head, staring at Shen Ruyun, and said childishly:

“You pushed mom on purpose, and I heard it. You just scolded me wild species! Mom and I won’t forgive you!”

“I’m not a wild species, I have mom and dad!”

Shen Ruyun was going crazy.

This was the first time she hated a child so much!

“Are you kidding me?!”

Shen Ruyun’s gaze was so ferocious, and she was repeatedly refuted by a three-year-old child in public!

No matter how well-educated she was, she couldn’t hold on. What’s more, Shen Ruyun had not been well-educated at all, and she was impulsive and irritable.

Amber White saw her reaction, and subconsciously pulled Cindy White back.

The people Shen Ruyun knew different kinds of people, and their minds were vicious. Amber White did not want Cindy White to offend Shen Ruyun too much.

“You bullied my mother! Besides, the teacher said, it’s not a sincere apology, I don’t have to accept it!”

“Cindy!”

Amber White stopped Cindy, and Cindy White stopped talking reluctantly!

Shen Ruyun pushed Amber White, but Sean Smith did not expect to be involved in such a big show!

Cindy White was still young after all, so she didn’t plan everything so carefully.

Being able to refute Shen Ruyun in front of so many people was indeed Amber’s daughter!

After the incident, if Amber White didn’t let Shen Ruyun go, in the hearts of the White family, she may leave the bad impression.

But if it was Cindy White, it would be not the same, no one would judge child!

Amber White won the beautiful battle without any effort!

Mrs. Smith glanced at Shen Ruyun, who was trembling with anger, and sighed before turning her gaze on Amber White.

She had misunderstood Amber White just now, and she was a little guilty. Seeing that the clothes on Amber were a bit tragic, she pressed her lips and spoke awkwardly:

“Amber, in this way, I will let Auntie Zhang help you down, go back to home and change clothes. You should also deal with the wounds on your body by the way, and then come up again.”

Hearing that, Sister Zhang took a step in the direction of Amber White, and Sean Smith had only raised his eyes briefly and caught her old face unexpectedly.

What happened the night before jumped into his mind again, and Sean Smith’s expression turned gloomy, and the feeling of nausea rose again.

Here, following Mrs. Smith’s gaze, Amber White glanced down. The place where the white skirt was torn was just a bit embarrassing. There was a big hole in the base of her thigh.

The collar was also torn, and she looked miserable.

Amber White pursed his lips, lifted her legs and feet, and said, “Mom, I’m fine. I don’t need to deal with the wound. It is important to worship the third brother. Let’s go up first!”

“Are you okay? Are you planning to wear this torn skirt to worship the third brother?”

Sean Smith was having an angry fire in his heart, he interrupted when he heard what Amber White said, and his anger poured out, his eyesight swept over evilly, fitting Amber White. Her skin and her whole person seemed to be able to be analyzed clearly through the thin cloth by his eyesight.

“You can show your arms and legs to a living person, but you will face a dead man soon, can you show your respect?”

After listening to Sean Smith’s words, Shen Ruyun also glanced at Amber White, and said:

“You are like this, don’t smear my husband’s eyes when you go up!”

“Shut up! What did you say?!” Tomas Smith snapped, “Is Amber’s the clothes torn on purpose?!”

Sean Smith tightened his eyelashes: “I’m not sure!”

Tomas Smith’s expression became gloomy again: “Amber has been wronged, you didn’t comfort her, but blame her?”

With that, he walked in the direction of Sean Smith angrily.

Amber White: “...”

Amber White did not want to delay worshipping Johnson Smith because of her own business. Seeing Tomas Smith getting angry, she hurriedly stopped him:

“Dad, please calm down, the purpose of our visit to the ancestral hall today is to worship the third brother! Don’t disturb the ancestors of the Smith family because of this little incident.”

She leaned over and took Cindy White: “Dad, I’ll go back and change my clothes!”

Chapter 160: Sean Will Take Care Of Cindy!

0 5 minutes read

Tomas Smith’s eyesight became gloomy, he stared at Sean Smith.

Sean Smith had a plain sarcasm on his face, and Tomas Smith worried that if he watched his son’s face again, he could not help but beat this unsatisfied son to death!

He moved his head and saw Amber White who was holding Cindy White, then he frowned and said:

“The mountain is difficult to walk, let Cindy follow this stinky man! You can go back and change your clothes quickly.”

Amber White unconsciously squeezed Cindy White’s hand, the interpersonal relationship of the Smith family was complicated, and Sean Smith had a prejudice against Cindy...

“Cindy is too young to be sensible, so I should take her with me.”

She took a deep breath and turned her head to meet Sean Smith’s smirking eyesight.

How could he not know what Amber White was thinking?

He just accidentally fed some ice cream for Cindy White and she got a stomachache. Amber White didn't trust him so much? !

Did she think that he wanted to take care of a child to her? !

Did he seem so idle? !

Sean Smith was unhappy, and walked up to Amber White in two steps, stretched out his hand and held Cindy White firmly into his arms.

The more things Amber White didn't want him to do, he still did!

"Director White, are you still worried that I will lose your daughter!?"

Amber White's palms became empty, and she raised her head subconsciously. Even if she was embarrassed, it did not reduce her beauty. She was injured. Instead, she had a lovely temperament now.

Sean Smith ignored the beauty of Amber White, holding Cindy White, stepping on a pair of slender legs, and strode towards the mountain.

Cindy White waved her little hand in the direction of Amber White: "Mom, don't worry, I will be obedient and will not run around!"

Amber White felt warm because of her daughter's words.

"Lady, although Young Master has never taken care of a child, but in my opinion, he likes the little girl. There are many people who come to worship the third Young Master. Cindy will be fine, don't worry."

Amber White licked her lips and nodded.

"Let's go."

The fact that Shen Ruyun pushed Amber White down the stairs was just an episode of worshipping Johnson Smith.

Amber White went back to change clothes, and the rest of the Smith family went up the mountain to the ancestral hall.

Only Shen Ruyun glared fiercely at Cindy White who shrank into the arms of Sean Smith.

Cindy White noticed something, she met Shen Ruyun's eyesight, and she pouted and made a face at Shen Ruyun.

"Bad woman!"

The expression on Shen Ruyun's face became stiff, and her eyes were stained with hideousness.

Hearing Cindy White's words, Sean Smith turned his head, just in time to see Shen Ruyun's expression.

Sean Smith raised his eyebrows and asked jokingly: "Sister-in-law, are you planning to get even with a three-year-old child?!"

“I am so stingy in your heart?”

Sean Smith smiled inexplicably, did not answer her question, and walked away with Cindy White in his arms.

Shen Ruyun stomped her feet, instead of following them up the mountain, she found a mountain road and walked over.

She had been to the Smith family ancestral hall more than once, and she was very familiar with this place. She made a few random turns to make sure that she would not be found where she was, and then took out her mobile phone and made a call.

“Hello? Mr. Qian, it’s me, Ruyun!”

Shen Ruyun and the man knew each very well.

“Ruyun, you are calling to settle your gambling debt, right? You should know my old rules, just bring the money to the old place.”

Shen Ruyun’s expression became stiff, and she smiled embarrassingly: “Mr. Qian, you are not an ordinary person. You should understand that the Smith group’s stock has fluctuated greatly during this period. In the past week, I can’t pay the money!”

As soon as this sentence fell, the harmony between the two people was instantly torn apart, and Mr. Qian lowered his voice and sneered: “Bitch, do you think I’m an idiot? If you owe me the money, you must pay it back. I gave you a week, it is already for the business of the Smith family!”

“If you don’t pay the money back, I’m going to find someone in your Smith family who can charge this matter. And I’ll tell them that you pledged Johnson Smith’s house!”

Shen Ruyun’s body shook. Johnson Smith’s character dictated that he did not fight or grab, and he’s weak. He was not like the first child and the second child of the Smith family. After his death, there’re only a few houses were left.

If Mrs. Smith knew it...

Shen Ruyun suddenly remembered what Tomas Smith did to Sean Smith before!

Tomas Smith did not let his biological son go. She had no blood relationship with them, she would die!

Her lips turned pale, and a fierce flash of eyesight flashed: “Mr. Qian, don’t be angry, I haven’t finished speaking yet!”

“Although I don’t have any money yet, I have a good opportunity to make money right now, but I don’t know if you dare to do it!”

“Oh?”

Seeing Mr. Qian interested, Shen Ruyun smiled, she looked around, and after confirming that there was no one, she continued to say: “Today is Johnson’s death date, you send a few prudent people over to the Smith family ancestral hall, I will help you taking Amber White’s daughter away, it is enough for you to blackmail a lot of money!”

“Amber White? Why is this name so familiar?” Mr. Qian twisted his eyebrows for a while, and his eyesight widened suddenly: “I remembered, Amber White and Sean Smith married three years ago!”

“Damn, Shen Ruyun, what tricks do you want to play with me?! Do you think that I’ve lived long enough? How dare you to let me offend Sean Smith?”

“Mr. Qian! You don’t know that Amber White’s daughter has nothing to do with Sean.”

Shen Ruyun fluffed up her hair. This action made her hair fall on her face, making her expression even more vicious.

“The daughter of Amber White is just a bastard she brought into the Smith family, but now the master support Amber White, think about it, if you have found someone to kidnap Amber White’s daughter, then Amber White will ask the old man for money.”

“The Smith family is going to investigate this matter, but it’s not a child of their own, so they won’t go into it!”

“After it’s done, wouldn’t it be easy to find a replacement for crime with your ability?”

There was silence on the phone for a while, and then it took a while before he replied: “Mrs. Smith will tell me about such a secret thing, there must be a request from you?”

Shen Ruyun’s expression became darker, she smiled, gritted her teeth, and said bitterly: “Of course! I only have one request, I don’t want to see that little bastard at the Smith family anymore!”

“As soon as you get the money, you sell that small bastard, the farther the better, and it’s best to let her never come back, I don’t want to see her anymore!”

...

The mountain road was slippery, and Sean Smith had big steps. He didn’t bother to accommodate Cindy White’s short legs, so he hugged her and didn’t let go.

Sean Smith’s arms were strong, even if he was supporting a child, his steps were exceptionally steady.

Sean Smith walked slowly, and the father and daughter fell behind the crowd.

Cindy White’s little hand pinched the top button of Sean Smith’s shirt: “Dad, why didn’t you help my mother when the old woman bullied her?”
