

Mrs. Gibson Your Identity Is Exposed by Fair Day

Chapter 241

Chapter 241 I'll Wait for Your Answer

Melissa ignored the chill coming from the man beside her, calmly picked up the phone, and said, "Hello,

Jaylin!"

"Melissa, are you busy? Did I disturb you?" Jaylin asked in a soft voice

"No, not at all. What's the matter?" Melissa asked indifferently

"It's about 'Harem'. I found some characters suitable for you. I wonder which character you prefer, How about discussing it together when you are free?" Jaylin asked on the phone,

Melissa thought for a while and answered, "Okay! How about tomorrow night?"

"Alright, see you tomorrow!" Jaylin said, keeping his tone light when Melissa agreed with his idea.

"See you tomorrow!" Melissa said, nodding her head.

Murray's face fell when he heard their conversation.

Murray thought, What? Did she say they would meet tomorrow night?

Is she going to date Jaylin?

How dared she agree with that in my presence?

Murray gave her a black look and asked in a cold tone, "Are you going to see Jaylin tomorrow night?"

"Yes!" Melissa answered affirmatively

"You are not allowed to go!" Murray frowned and said in an autocratic style.

"What? I'm free to go anywhere I want!" Melissa said. She glanced at Murray and said sarcastically. "I don't like your bossy manner. It's only the first day of the probation period!"

Murray couldn't utter a word.

That wasn't only a matter of his performance.

Murray knew how much Jaylin liked Melissa

Even if Melissa had *no* feelings for Jaylin, Murray still didn't want to give Jaylin any chance to stay with

Melissa

After all, Jaylin had pursued Melissa for two years. Moreover, Jaylin had just proposed to Melissa last night

Jaylin only asked me to discuss the characters in 'Harem' it's all about business,' Melissa explained when

she saw Murray's face become darker than the coal

"Do you have to act in the play Murray asked with a frown His thin lips were tightly pursed into a line, showing his displeasure of the moment

"Of course I must keep my word!" Melissa said as she nodded affirmatively

Chapter 24 Til Wallur To

There was no turning back. Melissa told the reporters that she would act in "Harer" at the awards party last night when she promoted the new drama.

Murray put on a long face and said nothing more.

As Murray drove Melissa back to Eastern Garden, the two persons kept silent along the way.

Melissa got off the car, smiled at Murray, and said, "Thank you for taking me back!"

As Melissa was about to go upstairs, she suddenly found Murray following behind her.

Melissa stopped, turned around to face him, and asked, "Are you not going back home?"

Murray grabbed Melissa's arm and said in a low voice, "Melissa, move back to Moonlight Mansion!"

"Why?" Melissa furrowed her brows.

"You are my fiancée. How can you live with another man?" Murray asked with an ice-cold expression on his face, which led to a drop in temperature.

Melissa rolled her eyes at Murray snappily and said, "I haven't accepted your proposal yet."

She pushed Murray back into the car and said, "Go home now! Hurry up!!"

Melissa turned around and was ready to leave when Murray suddenly pulled her back.

"What are you doing?" Melissa asked. She was speechless by sentimental things.

Murray pulled Melissa into his arms, lowered his head, and whispered into her ear, "Melissa, I'll wait for your answer. Don't let me wait too long!"

Melissa could feel Murray's warm breath on her neck.

It was like a soft feather gently scratching her neck, and she felt itchy and numb.

Melissa

took a deep breath and pushed Murray away. She pursed her lips and said indifferently, "I told you that would depend on *your* performance, didn't I?"

As *Murray* watched Melissa turn around and leave him, Murray looked confused at first, then his gaze falling

on Melissa became extremely firm.

Murray would try everything to win Melissa's heart.

Murray also *believed* that it wouldn't take long.

When Melissa got home, she felt a little bit tired. Therefore, she put off the improvement of Ice and Fire she had planned to do that night

Lying clothfully on the bed, Melissa couldn't stop thinking of the romantic scene when *Murray* had asked her to *marry him*

After losing and *turning* for a long time, Melissa fell asleep

Murray appeared in her dream that night

Moreover, it was a sexual dream.

In her dream, Murray kissed her in an overbearing manner. They hugged and kissed on a king bed. She didn't resist him at all. Instead, she enjoyed it very much

Melissa suddenly woke up with a start. She turned on the light, looked around, and only found that it was only a dream

Melissa felt shameful for that dream.

Melissa thought, How could I have that kind of dream?

It was all Murray's fault. He has been so provocative.

Melissa took a few deep breaths before she chased away those strange emotions.

Adela was pestering Declan in the study room of the Yale family's villa.

Adela asked, "Declan, when can I start to work in the Gibson Corporation?"

Declan rubbed his temples in frustration. He looked up at his adorable sister and said, "Adela! I still need some time to arrange that. Don't worry too much about it!"

Adela pulled Declan by the arm and said with an innocent look, "How long should I wait? Declan, I know you love me the most. I don't care how hard it is. I only want to work in the Gibson Corporation as soon as possible!"

Declan sighed helplessly and said, "Adela, there are so many nice men in this world except Murray."

Determined, Adela said, "He is the only man in the world that I love."

"Alright, I'll find another way," Declan said perfunctorily.

"You must help me!" Adela emphasized.

Adela couldn't wait any longer. All she wanted was to see Murray in the Gibson Corporation every day.

After coming out of the study room, Adela received a call from Julie when she returned to her room

It was *already* 11 pm Adela looked at the time and asked, "Why are you calling me at such a late time?"

"Adela, there's something you don't know. And I'm not sure whether to tell that to you or not. Julie said hesitantly

fretting about Julie's hesitation, Adela said snappishly, "Say it! You shouldn't hide anything from me!"

Julie hurriedly said, 'My cousin went to the beach with her child tonight, and she saw Murray and Melissa there'

Adela put on a long face and asked jealously, "What? Did they stay together until late in the night

Yes, and

Julie onld

Chapter 241 Wait for at Answere

"And what?" Adela interrupted.

"And Murray proposed to Melissa," Julie said carefully.

There was a trace of an incomparable hatred hard to hide in Adela's eyes.

Adela thought, What? Did he propose to Melissa?

Oh, what a shameless slut! Melissa must have seduced Murray!

Noticing Adela didn't say anything, Julie quickly said, "Adela, don't worry! It seems that he failed."

"Failed? It must be Melissa's trick! I'll make Melissa suffer for it!" Adela said hatefully.

Chapter 242 Shameless

Adela couldn't suppress her incomparable jealousy and hatred toward Melissa.

Melissa!

Again!

How could Melissa gain Murray's favor?

Murray proposed to Melissa but was rejected by her.

Adela thought Melissa was good at playing a cat-and-mouse game. It was no wonder Melissa had attracted so many men.

Yesterday was Jaylin, and today was Murray.

The two most outstanding men in Aldness had both proposed to Melissa!

Were these men blind?

Why were they surrounding Melissa?

What was so good about Melissa?

“Adela, what should we do now?” Sensing that Adela suddenly fell silent, Julie couldn’t help asking

Adela came back to her senses and said coldly, “Help me ask Anaya out.”

“Adela, what do you mean?” Julie asked deliberately.

In fact, Julie knew that Adela wanted to use Anaya to deal with Melissa.

“I’m not the only one who wants Melissa to die!” Adela raised the corners of her lips, and a cold chill burst out

from her eyes.

“I understand.” Julie nodded, not forgetting to brag, “You are still the smart one.”

The sun shone brightly the next day. It was a sunny day,

Melissa had just left the house and was about to go to work when a familiar black Rolls–Royce stopped right

in front of her.

She knew that this was Murray’s car.

“Melissa, get in the car.” Murray opened the car door and looked at Melissa with a smile.

Melissa sat in the passenger seat and asked with a little doubt, “Why are you here?”

Murray raised the corners of his lips, his deep eyes filled with gentleness, “It’s a matter, of course, to pick up my wife to work

Wife?

Melissa didn’t know that Mr. Gibson, who was high and mighty in front of others, was so shameless in front of her.

“Who is your wife?” Melissa rolled her eyes at Murray in annoyance.

Murray smiled softly, his eyes filled with confidence, "You will be my wife soon."

"How shameless you are." Melissa tugged at the corner of her mouth and turned around, almost bumping into Murray's handsome face that was approaching her.

Murray looked cold, his facial features exquisite, his eyes deep, his nose straight, and his tightly pursed lips sexy... Murray was so attractive.

"What are you doing?" Melissa leaned back vigilantly.

Murray moved closer to Melissa, his handsome face almost touching her forehead. His thin lips parted

slightly, and his magnetic voice sounded, "I'll help you fasten your seatbelt."

Closing the distance, his warm breath hit Melissa's face.

Melissa's face blushed slightly.

Somehow, in Melissa's mind, the dream from last night suddenly popped up.

Melissa felt short of breath and flushed.

"I can do it myself." Melissa pushed Murray away.

Murray nodded slightly, his deep gaze falling on Melissa's face, his tone carrying a bit of ridicule, "Why is your face so red?"

Could Murray not bring up this sore point?

Melissa took a few deep breaths and said seriously, "It's too hot."

"Is that so?" Murray curled his lips, his eyes filled with smiles.

Melissa sat up straight and glared at him, "Hurry up and drive."

When they *arrived* at the Gibson Corporation, *Melissa* was engrossed in her work.

When it was close to noon, Melissa received a call from Anthony

'*Ada*, you asked me to investigate Ryleigh's background I have some clues about it' Anthony's voice sounded

Melissa worked to the *corridor* outside and looked around to see if there was anyone around before asking

Anthony said in a deep voice, "The person who adopted Ryleigh was a university professor who died a year

ago

A university professor? Is he related to Sebastian? Melissa asked

Anthony shook his head, "I haven't found anything about it yet. But there is one strange thing."

Melissa asked, "What is it?"

"There are no records of Ryleigh's admission to Australia." Anthony said, "By right, Ryleigh was so seriously injured that she could not be cured overnight. Even if she came to Australia, she should go for a routine physical examination every year, but she didn't."

"What if she wasn't hurt at all?" Melissa narrowed her eyes.

If Ryleigh wasn't Lily, then she wouldn't have fallen off the cliff and wouldn't have been seriously injured.

Anthony said in a deep voice, "That made sense."

Melissa thought about it and said, "I want all the information about Ryleigh's foster parents."

"Okay. I will send it to you as soon as possible." Anson agreed.

After hanging up the phone, Melissa pursed her lips and seemed to be deep in thought.

That day, when Ryleigh was exposed that she revealed the base price to frame Melissa, to win

Murray's sympathy, Ryleigh deliberately exposed the scars on her body and cried to mention the past when she was injured to save Murray.

Melissa remembered clearly that the scars on Ryleigh's body were problematic. They didn't look like they were caused by falling off a cliff eight years ago.

It seemed that she had to find a chance to meet Ryleigh.

Melissa had just returned to her seat when she received a call from Murray.

"Why are you looking for me?" Melissa picked up the landline.

"Bring me a cup of coffee." Murray's clear voice came from the other side of the line.

Melissa fell silent.

Did Murray treat her as a secretary again?

Before Melissa could speak, Murray had already hung up the phone.

Since Murray had sent the message, Melissa could only go to the tea restaurant on the second floor and get Murray a cup of coffee.

Arriving at the door of Murray's office on the 18th floor, Melissa reached out and knocked on the door

Murray spoke in a magnetic voice, "Come in, please."

Melissa pushed open the door and entered. She brought the coffee to Murray and said lightly. The coffee you

want

Murray typed on the keyboard with his hands. He raised his eyes to look at Melissa with a smile "Lead in

Melissa was speechless. She placed the coffee in front of Murray, 'help yourself

Murray suddenly stood up and grabbed Melissa's hand. "Are you angry

Melissa rolled her eyes at Murray

Melissa shook her head. Have you forgotten that I made an appointment with Jaylin tonight***

Murray's face collapsed when he heard what Melissa said

Melissa dared to go on a date with Jaylin!

"You are not allowed to go! Murray spoke in a domineering tone

Melissa snorted and met his cold eyes. "What if I insist on going?"

As soon as she finished speaking Murray's handsome face approached her.

As soon as she finished speaking Murray's handsome face approached her.

Chapter 243 Kiss Her

Seeing that Melissa kept on opposing him, disregarding his strong reaction, and insisting on seeing Jaylin, Murray could not help but feel anger rise in his mind.

Was Jaylin more important than him to Melissa?

Melissa had clearly said that she had no interest in Jaylin. Why did she insist on going on a date with Jaylin?

Even if Melissa met Jaylin only for business, Murray would not allow Melissa to go on a date with Jaylin!

The fire of jealousy burned in his mind. Murray lowered his head and kissed Melissa's tender lips without hesitation

Once again tasting Melissa's soft sweet lips, Murray held his breath, his hands unable to stop moving.

The faint fragrance on Melissa's body was so familiar that it moved Murray.

It was exactly the same as the feeling Murray had in his memories.

In a trance, Murray seemed to return to eight years ago, when he and Lily were locked up in that small dark

room.

Not far away *was* a ferocious big wolf dog.

At that time, Murray was afraid of dogs.

Lily hugged him without hesitation.

Lily stretched out her hands and hugged Murray tightly. Her clear and melodious voice sounded, "Murray. don't be afraid. I will protect you!"

Lily hugged Murray while Murray smelled the faint fragrance on her body. It was very sweet and made him

feel at ease.

That feeling was the same as now.

Why did Murray always feel that Melissa was the girl who had moved him and made him keep her in his mind eight years ago?

As he sucked on her lips in an incomparably overbearing manner, Murray breathed disorderly. His dark eyes surged with burning lust.

This sudden kiss stunned Melissa.

Murray kissed her without a word!

How annoying he was!

Melissa *wanted* to resist, but her hands were firmly restrained by Murray, unable to use any strength

This feeling was hard to describe

The temperature *in* Murray's office kept rising

Just as Murray and Melissa were kissing fiercely, an abrupt voice broke the ambiguous atmosphere,

"Melissa, what are you doing?"

Adela begged Declan with great difficulty and asked Declan to bring her to the Gibson Corporation to discuss the collaboration.

As soon as she arrived at the Gibson Corporation, Adela went straight to Murray's office .

Unexpectedly, what entered her eyes was the scene of Murray and Melissa kissing intensely.

Adela walked forward with incomparable jealousy and glared at Melissa fiercely.

Murray let go of Melissa and slowly adjusted his messy shirt. He glanced at Adela and asked, "Why are you here?"

Adela pulled Melissa away and put away her jealousy. She revealed a charming smile to Murray, "Murray, I came with my brother to discuss cooperation with you."

"Where is your brother?" Murray asked indifferently.

"Oh. He went to stop the car and will be there soon." Adela looked at Murray with infatuation.

Murray was the man that Adela had taken a fancy to. Other women could not think of getting him!

Since Melissa shamelessly seduced Murray, Adela would not let Melissa off!

While Adela was calculating, Declan came over and asked, "Adela, why aren't you waiting for me?"

"Declan, you came at the right time." Adela pulled Declan by the arm and said coldly to Melissa, "Melissa, we will discuss official business with Murray right now. What are you doing here?"

Melissa looked at Adela indifferently, "Ms. Yale, I'm also discussing business with Murray. You should know

what 'first come, first served' means."

Declan, take your sister to the conference hall and wait for me." Murray curled the corners of his lips and

said coldly to Declan.

"Okay Then we'll wait for you to finish your work in the conference hall." Declan nodded and pulled Adela out of *Murray's office*

Adela looked unwilling, "Declan, just now, Melissa..."

Alright, Adela Since Murray wants you to wait for him in the meeting room, just do as he says Declan

dragged Adela away

Adila turned around and glared at Melissa nastily

She had to teach Melissa a lesson!

Seeing Declan and Adela leaving, Murray smiled and looked deeply at Melissa, "What business do you want to talk to me about?"

"Nothing." Melissa pursed her lips.

Murray strode forward and stood in front of Melissa. Looking down at Melissa, Murray asked in a low magnetic voice, "Didn't you just say that you wanted to talk about businesses with me?"

Melissa shrugged her shoulders, "I suddenly forgot what I wanted to talk about with you."

In fact, there was no business to talk about at all. It was just that Melissa could not bear to see Adela like that.

After saying that, Melissa turned and left, leaving Murray behind her with a black face.

Melissa returned to her office and made some improvements to the design of "Ice and Fire," but she always felt that something was missing.

Unknowingly, it was time to get off work.

Melissa stood up and was about to get off work when she received a call from Jaylin.

"Jaylin, what's the matter?" Melissa picked up the phone.

"Melissa, are you off work?" Jaylin's clear voice sounded.

Melissa replied, "I just got off work."

Jaylin said in a low voice, "I'll wait for you at the entrance of the Gibson Corporation."

Then, Jaylin hung up the phone.

Melissa went downstairs and walked out of the gate of the Gibson Corporation. She saw Jaylin's car.

Jaylin opened the car door and got out of the car. He walked up to Melissa, his gaze incomparably gentle, "Melissa, get in the car please!"

"Okay," Melissa responded faintly and sat in the passenger seat

She turned her head to look at Jaylin, "I was planning to look for you after dinner

Jaylin smiled, "I'll treat you to a meal. Let's go together."

Melissa nodded, "Okay *"

Seeing that Melissa had agreed, Jaylin could not help but raise the corners of his lips and reveal a gentle

smile

Jaylin started the car and drove in the direction of his villa in the suburbs

"Isn't it Melissa?" A light flashed in Adela's eyes.

Just now in Murray's office, Melissa shamelessly seduced Murray.

Now that Melissa turned around and got into Jaylin's car.

Adela coldly stared at Jaylin's car for a while, then picked up her phone and sent a text message to Julie, "Go and inform the reporters that Melissa and Jaylin are going on a date. Besides, don't forget to tell Anaya!"

Soon, Adela received a reply from Julie, "Roger!"

Adela narrowed her eyes.

Melissa, just you waited!

Chapter 244 She Doesn't Need You

Just as Adela was angrily staring at Jaylin's car, Murray walked out.

When Adela saw Murray, she quickly greeted him.

She pointed at Jaylin's almost disappeared car and deliberately stirred up troubles, 'Murray, I saw Melissa get into Jaylin's car just now. Melissa and Jaylin were talking and laughing, and they looked so intimate.'

Murray's face collapsed when he heard what Adela said.

He hurriedly ended his discussion with Declan and went to the Secretary Department to look for Melissa. But Melissa had already disappeared.

The surrounding colleagues told him that Melissa had left work.

Unexpectedly, Melissa ignored his strong opposition and met Jaylin.

Seeing that Murray was so unapproachable, Adela raised the corner of her lips and deliberately said, 'Actually, Melissa matches Jaylin perfectly. I heard from Declan that Jaylin canceled the engagement with Anaya because of Melissa.'

'I heard that Jaylin has been chasing Melissa for two years. Moreover, Jaylin proposed to Melissa at the award ceremony, although it was said that they were for the new play...'

Adela's words were extremely harsh to Murray. Murray interrupted Adela impatiently, 'If you don't speak, no

one will think you are mute.'

With that, Murray left without looking back.

Adela stared at Murray's distant back with her infatuated eyes.

She swore in her mind that she would get this outstanding man one day!

She must become Murray's wife!

Melissa sat in Jaylin's car, driving to his villa in the suburbs.

Jaylin handed the script to Melissa, "This is the script for 'Harem. Take a look, Which role do you like?"

Melissa took the script and flipped through it, "Give me some advice. Find a random role that doesn't have

too many scenes

Melissa was not too interested in filming

She *did* not like to be too high profile. Moreover, she did not have much time to film

However, since Melissa had said in front of everyone that she would play a role in a new drama at the award ceremony, she *would* not break her promise

"*Why don't you choose Alina?* This role meets your requirements Jaylin turned his head to look at Melissa

and suggested in a *low voice*

Cheter 24 Stina

In fact, Jaylin was a little selfish to advise Melissa to choose this role.

Alma was the hero's beloved. Unfortunately, Alma had been weak and sick since she was a child. Although she was loved, she died young and became the unforgettable beloved of the hero.

The key point was that this role and the hero had a lot of scenes to play.

There were even a lot of intimate scenes of Alma and the hero.

Even if he could only act as a couple with Melissa in the act, Jaylin would be very satisfied,

Melissa didn't think too much about it and nodded, "Okay. I'll choose this role."

Jaylin handed the script to Melissa and said patiently. "This script is for you. When you have time, you can read and memorize the lines."

Melissa smiled, "Thank you."

After a pause, Jaylin suddenly thought of something and asked, "By the way, it is the opening ceremony of 'Harem' tomorrow. Will you participate?"

“Of course, I will.” Melissa pursed her lips and said.

Although Murray might disagree with her asking for leave, this was her freedom. Murray had no control over her.

Jaylin then explained the key points of filming to Melissa until late at night.

Melissa raised her hand to look at the watch, stood up, and said, “It’s late. I should go back.”

“I’ll send you off.” Jaylin hurriedly stood up as well.

Just as Melissa and Jaylin reached the entrance of the villa, the reporters who had been waiting outside

suddenly swarmed over.

The spotlights kept flashing and taking photos of Jaylin and Melissa.

The reporters received news from Julie that Melissa had a private meeting with Jaylin at night.

They wait at the entrance of Jaylin’s villa. Sure enough, Melissa and Jaylin were having a quiet meeting at night.

Jaylin was the best actor for the *Oscar Awards* for three consecutive years. Melissa was the boss of Star Entertainment. Whether Jaylin and Melissa had affairs or not, as long as they hyped that Melissa and Jaylin had a *private* meeting, it would be a piece of hot news.

What’s more, Julie had given the reporters money. Where could they find such a good thing?

“What are you doing?” Melissa was surrounded by reporters and asked with a frown

A reporter asked, “Ms. Eugen, may I ask if there is any unusual relationship between you and Mr Segar?”

“Of course not.” Melissa said coldly, “We were discussing work.”

Chapter 244 She Doesn't Need You

“A single man and a single woman alone in the room discussing work late at night?” An entertainment reporter continued to ask Melissa, “Ms. Eugen, we received an anonymous tip saying that you had affairs with Mr. Segar. May I ask what your relationship is?”

Melissa rubbed the space between her eyebrows. Just as she was about to speak, a cold male voice

suddenly sounded, "Which newspaper office are you from?"

This voice was so familiar.

Melissa followed the voice and looked back.

What appeared in her sight was the tall and handsome figure of Murray.

Murray was dressed in a black custom-made, high-grade suit, displaying his perfect body.

He looked cold and unapproachable, almost merging with the night.

"Mr. Gibson!" When the reporters saw Murray, they looked at each other for a few seconds before surrounding

Murray.

Although Julie did not mention that Murray would appear tonight, wasn't this love triangle more eye-catching?

Thus, a fearless reporter asked Murray, "Mr. Gibson, may I ask..."

"All of you, scram!" Before the reporter could finish, Murray gave the reporter a sharp and deep look and said

coldly.

The aura around Murray was so strong that it scared the reporters, "Whoever writes nonsense will not have to appear in Aldness in the future!"

The reporters all shivered, not daring to breathe.

"Get lost!" Murray said indifferently, his eyes cold.

Under his powerful aura, the reporters left in a flash.

Melissa looked at the man with a cold face in front of her and asked in a surprised tone, "Murray, why are you here?"

Murray narrowed his eyes slightly, and his cold gaze fell on Melissa's face as he said in a deep voice, 'Follow me back'

"Murray, Mill send Melissa home" Jaylin stepped forward and stood in front of Melissa, *"This is none of your business You don't need to send my woman away!"* Murray gave Jaylin a cold glance and directly picked up Melissa

Chapter 244 She Doesn't Need You

Just as Adela was angrily staring at Jaylin's car, Murray walked out.

When Adela saw Murray, she quickly greeted him.

She pointed at Jaylin's almost disappeared car and deliberately stirred up troubles, *"Murray, I saw Melissa get into Jaylin's car just now. Melissa and Jaylin were talking and laughing, and they looked so intimate."*

Murray's face collapsed when he heard what Adela said.

He hurriedly ended his discussion with Declan and went to the Secretary Department to look for Melissa. But Melissa had already disappeared.

The surrounding colleagues told him that Melissa had left work.

Unexpectedly, Melissa ignored his strong opposition and met Jaylin.

Seeing that Murray was so unapproachable, Adela raised the corner of her lips and deliberately said, *"Actually, Melissa matches Jaylin perfectly. I heard from Declan that Jaylin canceled the engagement with Anaya because of Melissa."*

"I heard that Jaylin has been chasing Melissa for two years. Moreover, Jaylin proposed to Melissa at the award ceremony, although it was said that they were for the new play..."

Adela's words were extremely harsh to Murray. Murray interrupted Adela impatiently, *"If you don't speak, no*

one will think you are mute."

With that, Murray left without looking back.

Adela stared at Murray's distant back with her infatuated eyes.

She swore in her mind that she would get this outstanding man one day!

She must become Murray's wife!

Melissa sat in Jaylin's car, driving to his villa in the suburbs.

Jaylin handed the script to Melissa, "This is the script for 'Harem. Take a look, Which role do you like?"

Melissa took the script and flipped through it, "Give me some advice. Find a random role that doesn't have

too many scenes

Melissa was not too interested in filming

She *did* not like to be too high profile. Moreover, she did not have much time to film

However, since Melissa had said in front of everyone that she would play a role in a new drama at the award ceremony, she *would* not break her promise

"*Why don't you choose Alina? This role meets your requirements* Jaylin turned his head to look at Melissa

and suggested in a *low voice*

Cheter 24 Stina

In fact, Jaylin was a little selfish to advise Melissa to choose this role.

Alma was the hero's beloved. Unfortunately, Alma had been weak and sick since she was a child. Although she was loved, she died young and became the unforgettable beloved of the hero.

The key point was that this role and the hero had a lot of scenes to play.

There were even a lot of intimate scenes of Alma and the hero.

Even if he could only act as a couple with Melissa in the act, Jaylin would be very satisfied,

Melissa didn't think too much about it and nodded, "Okay. I'll choose this role."

Jaylin handed the script to Melissa and said patiently. "This script is for you. When you have time, you can read and memorize the lines."

Melissa smiled, "Thank you."

After a pause, Jaylin suddenly thought of something and asked, "By the way, it is the opening ceremony of 'Harem' tomorrow. Will you participate?"

"Of course, I will." Melissa pursed her lips and said.

Although Murray might disagree with her asking for leave, this was her freedom. Murray had no control over her.

Jaylin then explained the key points of filming to Melissa until late at night.

Melissa raised her hand to look at the watch, stood up, and said, "It's late. I should go back."

"I'll send you off." Jaylin hurriedly stood up as well.

Just as Melissa and Jaylin reached the entrance of the villa, the reporters who had been waiting outside

suddenly swarmed over.

The spotlights kept flashing and taking photos of Jaylin and Melissa.

The reporters received news from Julie that Melissa had a private meeting with Jaylin at night.

They wait at the entrance of Jaylin's villa. Sure enough, Melissa and Jaylin were having a quiet meeting at night.

Jaylin was the best actor for the *Oscar Awards* for three consecutive years. Melissa was the boss of Star Entertainment. Whether Jaylin and Melissa had affairs or not, as long as they hyped that Melissa and Jaylin had a *private meeting*, it would be a piece of hot news.

What's more, Julie had given the reporters money. Where could they find such a good thing?

"What are you doing?" Melissa was surrounded by reporters and asked with a frown

A reporter asked, "Ms. Eugen, may I ask if there is any unusual relationship between you and Mr Segar?"

"Of course not." Melissa said coldly, "We were discussing work."

Chapter 244 She Doesn't Need You

"A single man and a single woman alone in the room discussing work late at night?" An entertainment reporter continued to ask Melissa, "Ms. Eugen, we received an anonymous tip saying that you had affairs with Mr. Segar. May I ask what your relationship is?"

Melissa rubbed the space between her eyebrows. Just as she was about to speak, a cold male voice

suddenly sounded, "Which newspaper office are you from?"

This voice was so familiar.

Melissa followed the voice and looked back.

What appeared in her sight was the tall and handsome figure of Murray.

Murray was dressed in a black custom-made, high-grade suit, displaying his perfect body.

He looked cold and unapproachable, almost merging with the night.

"Mr. Gibson!" When the reporters saw Murray, they looked at each other for a few seconds before surrounding

Murray.

Although Julie did not mention that Murray would appear tonight, wasn't this love triangle more eye-catching?

Thus, a fearless reporter asked Murray, "Mr. Gibson, may I ask..."

"All of you, scram!" Before the reporter could finish, Murray gave the reporter a sharp and deep look and said

coldly.

The aura around Murray was so strong that it scared the reporters, "Whoever writes nonsense will not have to appear in Aldness in the future!"

The reporters all shivered, not daring to breathe.

"Get lost!" Murray said indifferently, his eyes cold.

Under his powerful aura, the reporters left in a flash.

Melissa looked at the man with a cold face in front of her and asked in a surprised tone, "Murray, why are you here?"

Murray narrowed his eyes slightly, and his cold gaze fell on Melissa's face as he said in a deep voice, 'Follow me back'

"Murray, Mill send Melissa home' Jaylin stepped forward and stood in front of Melissa,

His woman?

What was Murray talking about?

When did she become his woman?

Murray was talking nonsense!

"What are you doing?" Melissa was suddenly shocked. Caught off guard, her entire body actually rose into the air. She was being carried by Murray.

As she fell into Murray's firm and powerful embrace, Melissa could even hear his heartbeat,

Melissa's face was slightly red.

She subconsciously raised her head and immediately met Murray's unfathomable look.

In his deep and cold eyes, Melissa saw her reflection in his embrace.

In a daze, Melissa actually forgot to struggle and let him hug her.

A few seconds later, she came back to her senses and wanted to push Murray away, but he held her firmly.

Murray carried Melissa into the car.

He sat in the driver's seat and started the car with a cold face,

Watching Murray's car gradually drive away, Jaylin revealed a touch of sadness in his eyes.

Melissa was taken away by Murray.

Jaylin watched helplessly as his beloved woman was taken away by another man, while he could do nothing.

The reason was that Jaylin could see that Melissa had never forgotten Murray.

The frustration made Jaylin feel that he had suffered such a disastrous defeat, which he had never had

before,

However, he would not give up easily.

As long as Melissa was not married, he still had a chance!

Moreover, Melissa had not agreed to be with Murray,

Jaylin thought that he definitely had a chance!

He kept telling himself this

"Murray, where are you going to take *ino*? Melissa looked out of the window and found that this was not the way to *Eastern Garden*

"Moonlight Mansion," Murray glanced sideways at her and said indifferently

Chapter 245 Make Melissa Have a Tragic Ending

"Send me back I'm tired. I need to go back to rest." Melissa rubbed her forehead,

"I've already asked someone to move all your things to Moonlight Mansion," Murray smiled and said,

"What? How can you handle my stuff without my permission?" Melissa was speechless.

"I didn't break them at will. I just moved them to that place and kept them intact." Murray didn't take it seriously

Melissa was at a loss for words.

She found that Murray was really overbearing.

Half an hour later, Murray and Melissa arrived.

"We're here, Melissa." Murray got off the car and helped Melissa open the door.

Melissa rolled her eyes.

He had already moved all her things here before telling her this. Now she could not return to the Eastern

Garden

Returning to Murray's apartment in the Moonlight Mansion, Melissa felt that everything was so familiar.

"Good evening, Mr. Gibson, Ms. Eugen." The moment Clara saw Melissa, the smile on her face was so brilliant

This time, Murray had moved all of Melissa's things back, so Clara guessed that Melissa should not be

leaving

"Clara, long time no see," Melissa smiled and said.

"Mr. Gibson, if there is nothing you ask me to do now, I will go back," Clara sensibly said.

Murray nodded indifferently.

Melissa turned and returned to her room.

The room was clean. Everything was still the same.

Melissa was a little emotional. She opened the two suitcases that Murray had brought for her from Eastern Garden and began to pack

"Didn't you say *you* were tired and wanted to rest early?" Murray leaned against the door frame with his hands

in his pockets

The orange yellow light shone on his body, making him handsome, refined, and graceful

"How *am* I supposed to rest if you stand there?" Melissa rolled her eyes at Murray unhelpfully

She stood up and pushed Murray out the door

Maybe she had used too much force Melissa suddenly slipped and fell straight into Murray's arms

Murray put his arm around her waist and chuckled. "Isn't it that you can't wait to throw yourself into my arms?"

Melissa glared at him again,

How could he be so cheeky?

"Don't talk nonsense! Go out!" Melissa struggled out of his embrace.

Finally pushing Murray out, Melissa quickly locked the door.

Lying on the familiar big bed, Melissa was immersed in her thoughts.

So she just moved back like this?

As she thought about her worries, she fell asleep in a daze and slept soundly the entire night.

The next day

In Yale's villa.

"Adela, the reporters had already taken photos of Jaylin and Melissa meeting in the middle of the night, but..." Julie stood in front of Adela and spoke carefully.

"But what?" Adela asked.

Julie took a deep breath and answered, "It's just that Mr. Gibson suddenly came and chased the reporters

away."

Murray?

Why was he also in Jaylin's villa?

Could it be because of Melissa that...

“And then?” Adela could not suppress the jealousy in her eyes.

“Then, Mr. Gibson took Melissa away.”

Julie glanced at the angry Adela and quickly said, “Actually, it wasn’t that they didn’t get anything last night. The reporters gave me all the photos taken.”

As Julie spoke, she quickly turned on her phone and showed the photos to Adela, “Adela, take a look. These are all photos of Jaylin and Melissa together.”

Adela narrowed her eyes. “Very good. Have you asked to meet Anaya for me?”

“I made an appointment at the coffee shop,” Julie nodded repeatedly as she said

imela’s eyes flashed with a hint of viciousness

Because Anaya was exposed to the public by Melissa, Jaylin canceled the engagement with Anaya, and her

wife of a pure and elegant pianist also collapsed

Anaya must hate Melissa extremely

As long as Adela hinted a few more words of provocation, Anaya would definitely make a move against

Melissa

At that time, Adela could watch Melissa’s tragic ending!

In a cafe.

Adela and Julie arrived a few minutes earlier than the appointed time, but Anaya even arrived earlier than them

“Ms. Yale, why do you want to meet me?” Anaya stirred the coffee in her hand and asked directly.

The Yale family and the Knowles family could be considered friends.

Anaya and Adela had known each other since young.

Adela gave Julie a look. Julie then took out her phone and clicked on the photos. “Ms. Knowles, look at this.”

Anaya took the phone and looked.

She found that the main characters in each photo were always Jaylin and Melissa.

Anaya's face suddenly turned gloomy

"Ms. Knowles, a reporter friend of mine sent me these photos." Julie cleared her throat and said exaggeratedly, "Last night, Melissa was always in Mr. Segar's villa. A man and a woman stayed alone. It's not *hard* to guess what they have done, is it?"

Anaya returned the phone to Julie. She looked at Adela and smiled faintly. "Ms. Yale, you didn't come to me today just to show me these photos, did you? If you have something to say, just say it."

Chapter 246 She Is All Over His Mind

"Ms Knowles, the reason why I asked to meet you is that I just want to speak out against injustice. Adela took a sip of coffee and looked up at Anaya.

Seeing Anaya's eyes flicker, Adela tipped Julie the wink

Julie understood immediately and said, "Ms. Knowles, we sympathize with you

"Actually, we all know that it was Melissa who did this

"She deliberately made a few photos to discredit you and ruin your reputation, so that Jaylin would cancel the engagement with you. That way, Melissa can justifiably seduce Jaylin

*It was not the first time that Melissa had done something like this. Previously, she and Murray had also been in an ambiguous relationship. In public, she seemed so lofty to cancel the engagement with him. However, she just secretly leaves Murray at large the better to apprehend him.

"It is the same for Jaylin. Look at how worried he was about Melissa. Anyone with a discerning eye could tell that Jaylin likes Melissa.

"Melissa is such a shameless woman. She just wants to seduce as many men as possible. She enjoys such feelings so much! How disgusting she is!"

As Julie kept saying, Anaya's face turned gloomier bit by bit.

Anaya also felt that Melissa was the one who caused this all!

It was Melissa who deliberately released Anaya's nude photos at the global awards ceremony and made her lose face in front of everyone.

It also made Jaylin hate Anaya and insist on canceling the engagement with her!

Besides, the reputation that Anaya had built up with great difficulty had plummeted so quickly. Now, Anaya felt that everyone was laughing and blaming her. Even the companies she signed contracts with wanted to cancel their contracts with her in secret.

"I will never let Melissa go!" At the thought of this, Anaya said angrily with her eyes full of hatred,

heard that she will be filming 'Harem' with Jaylin soon. The two of them are going to play a couple. Adela hinted. However, things like filming are complicated. It's easy for them to have some special feelings for each other.

Hearing this, Anaya smiled and stood up, "Ms Yale, thank you for treating me to coffee. I have some things to do now so I'll have to go now. See you."

Seeing Anaya walking away, Adela revealed a pleased smile.

If Adela's guess was correct, Anaya should make a move on Melissa very soon.

At that time, Adela would benefit from it.

You wait!

This time, you won't be so lucky anymore!

In the Gibson Corporation,

Melissa looked at the time and found that it was almost noon.

The opening ceremony for "Harem" would start at 2 in the afternoon.

She then went to the president's office for Murray to ask for leave.

After taking the elevator, Melissa came to the president's office on the 18th floor.

Melissa had told Murray in the morning that she was going to take leave in the afternoon to attend the opening ceremony. At that time, Murray had a cold face. Thinking of this, Melissa guessed that it would be troublesome.

She took a deep breath and knocked on the door of the president's office.

"Come in," Murray's cold voice came from the inside.

Melissa opened the door and entered.

Murray sat in his seat, his hands tapping on the keyboard. His deep eyes were fixed on the computer screen,

and he was concentrating on his work.

It was said that men who worked hard were the most handsome. Melissa now couldn't agree more.

Murray had taken off his suit jacket and hung it on the hanger on the side. He only wore a white shirt. Two buttons on his chest were unbuttoned, revealing his strong pectorals.

His delicate face was like the masterpiece of God, dazzling to the point that Melissa could not take her eyes

off it.

Melissa couldn't help but get a little dazed.

"Have you seen enough?" Murray suddenly raised his head and asked coldly.

"Well, I just..." Melissa came back to her senses and suddenly felt a little awkward.

"What? Haven't you seen enough?" Before Melissa could finish, Murray deliberately interrupted her with a tone of ridicule

Sensing *Murray* deliberately misinterpret her meaning, Melissa glared at him unhappily.

"I'm not looking at

you"

"Really? I saw it all," Murray chuckled, strode over to Melissa, and pulled her into the president's office before closing the door

They suddenly got so close, and Melissa's face turned slightly red

She quickly pushed Murray away, cleared her throat, and said coldly. "I came to ask for leave from you."

Chapter 246 She Is All Overtinu Mind

“Are you going to attend the opening ceremony?” Murray looked down at Melissa and asked expressionlessly

“Yes ‘Melissa nodded.

“I’ll drive you there,” Murray suddenly said.

What? You don’t object? Melissa was surprised.

When she mentioned this to him this morning. Murray still had an icy face, which meant that he did not

agree.

Melissa didn’t know why he suddenly change his mind.

Besides, he actually took the initiative to send her there.

Melissa felt that it was so strange.

Seeing the puzzled

look on Melissa’s face, Murray looked at her with a faint smile. He leaned down slightly and whispered in her ear, “Don’t I need to perform a little better? That way, you can agree to my proposal sooner, right?”

His deep voice, coupled with his deliberately lengthened final sound, was so charming.

Melissa’s face suddenly turned red.

Her shy

and cute appearance was seen by Murray. He couldn’t help but roll his Adam’s apple.

The next second, he lowered his head and kissed her seductive red lips.

Murray’s kiss came like a storm, which made Melissa’s mind suddenly freeze.

Why did he always kiss her suddenly?

The familiar and beautiful feeling from Melissa in front of him made Murray deepen the kiss.

His look became more and more affectionate, and his slender fingers reached into Melissa's shirt.

Sensing the scorching heat of Murray's palm, Melissa took a deep breath and subconsciously pressed down on his hand, pushing him away forcefully. "Don't!"

"Melissa, what exactly should I do for you to agree to come back to me?" Murray stared at Melissa in front of

him

He couldn't wait to see her return to him. Murray had never felt this way before,

From childhood to adulthood, *there was* nothing he couldn't get as long as he wanted

As *for* the women, *iriany wanted* to sleep with him, but Murray never paid any attention to them

In the past, he had Lily in his heart and his only thought was to find Lily

However, ever sinco Melissa came to the Gibson family, his heart was full of Melissa Murray could no longer

He wanted Melissa.

He wanted to be with her, have children, and spend the rest of his life with her.

Murray was confident that he could protect her *for* life and make her the happiest woman in the world.

However, Melissa *refused* him again and again.

Murray's deep eyes *were* fixed on Melissa's face. He pressed his hands on her shoulders, and his usually cold eyes flashed with a blazing light at this moment. "Melissa, promise me, okay?"

Chapter 247 Surprise of the Opening Ceremony (1)

Looking into the deep eyes of the man, Melissa took a few deep breaths and changed the topic, "Let's go

were going to be late."

After saying that, Melissa quickly turned around and walked away

She was afraid that she would not be able to resist agreeing to him if she stayed for another second

However, not now

She did not want to promise him so quickly.

Murray's vision dimmed a little when he saw Melissa was almost fleeing away.

He strode and followed.

The two of them arrived at the underground garage and Melissa got into Murray's car.

Murray started the car and drove to Star Entertainment.

The two of them remained silent all the way. The atmosphere in the car was slightly awkward.

Melissa tilted her head and looked out the window.

There were only a few days left in the three months that Grandpa had agreed on.

When the time comes, how should she reply to her grandpa?

Should she stay in Aldness? Or should she travel around the world with her grandpa and return to her

previous unrestrained life?

For a moment, Melissa had no answer.

Melissa rubbed her forehead tiredly. Suddenly, she heard Murray's clear voice, "We're here."

Melissa was about to get out of the car when Murray suddenly pulled her back.

"What's wrong?" Melissa turned her head and looked at Murray in surprise.

"Melissa, are you not going to answer my request?" Murray felt wronged.

Seeing Murray suddenly mention the issue again, Melissa's heart couldn't help but beat faster.

"Let's wait until Mr Marc is better, okay?" Melissa asked.

Murray seemed displeased when it came to Mr Marc, but he nodded lightly

"Don't worry, Mr Marc will be fine, Melissa know that Murray was worried about Mr Marc and comforted him

"Have contact with Dr White every day, and his condition is very stable Dr Hanson said that he can give Mr Marc one last shot in a few days Mr Marc will wake up then

"Yes." The meOUS expression on Murray's handsome face relaxed a little

He believed that Melissa would be able to cure his grandpa.

"Then I will go in first," Melissa said with a smile.

"I'll go with you," Murray strode forward with his long legs and followed her without saying a word,

He made up his mind not to give Jaylin and Melissa a chance to be alone.

Melissa belonged to him.

Under his eyes, what could happen between Melissa and Jaylin?

Melissa was a little speechless.

When did Mr. Gibson become so free?

Why would he participate in the opening ceremony that had nothing to do with him?

After the award ceremony that night, everyone in Starry Entertainment now knew that Melissa was the boss.

Seeing that Melissa and Murray had appeared together, the employees of Starry Entertainment greeted her one after another, "Hello, Ms. Eugen, Mr. Gibson."

Melissa had a faint smile on her face. She nodded slightly and walked toward the elevator.

Looking at the backs of Melissa and Murray, the employees began to gossip.

“What is the relationship between Ms. Eugen and Mr. Gibson?”

“Are there rumors that Mr. Gibson has been pursuing Ms. Eugen?”

“There are also rumors that Mr. Segar is also pursuing Ms. Eugen! I think Mr. Segar and Ms. Eugen are suitable for each other. He is handsome, rich, and gentle to Ms. Eugen.”

These words fell into Murray’s ears without missing a single word.

He looked gloomy.

“The elevator is here,” Melissa felt the displeasure of the man beside her and pursed her lips.

The two took the elevator and arrived at the top floor.

“Melissa, you’re here,” Jaylin had long been waiting for Melissa, and his face was filled with a smile like a spring breeze.

When Jaylin saw *Murray* who was behind Melissa, the smile on his face froze

“*Murray*, you go back first. I want to do the styling.” Melissa told Murray and went to the dressing room

When Melissa walked out of the dressing room again, she saw Murray leaning against the door

“*Why* haven’t you left yet?” Melissa frowned

“I’m here to support you.” Murray said indifferently

Looking at the gorgeous woman in front of him, Murray’s eyes flashed with surprise.

Melissa was wearing a purple dress, which made her skin particularly white. Her shoulder-length hair was tied up high, revealing her sexy collarbone. The design of the fishtail skirt showed her exquisite and graceful figure.

A pair of sparkling eyes were clear and bright like water. The parts of her eyes were slightly dyed red. She was elegant, graceful, and capable.

She was incredibly beautiful.

Feeling the burning gaze of the man in front of her, Melissa turned her face away uncomfortably.

Just then, Jaylin walked out of another dressing room.

“Jaylin, it’s about time. Let’s go.” Melissa smiled.

Jaylin’s gentle gaze fell on Melissa, and he was unable to shift his gaze away, “okay.”

As he watched Melissa and Jaylin leave side by side, Murray could not help but turn a little unpleasant.

The opening ceremony was held in the auditorium of Star Entertainment.

It was Melissa’s first time participating in the opening ceremony.

In the past, Jaylin would handle everything when the new film was released.

As for Melissa behind the scenes, she only wanted to “dump” the responsibility on another person.

But it was different this time.

After all, everyone knew her identity as the boss of Star Entertainment.

Furthermore, Melissa’s participation was also the biggest gimmick of “Harem”.

Therefore, the opening ceremony today was particularly lively.

In addition to all the actors, directors, and producers of “Harem”, there were also a lot of business celebrities and higher-ups.

The reporters had also arrived early and were carrying their machines excitedly.

It was said that the people participating in the opening ceremony today were all important figures. Not only did they have Jaylin, who had been the Best Actor for three years, but they also had the mysterious and low-

key Melissa, the real boss of Starry Entertainment. Therefore, the reporters were all rubbing their fists and *were* afraid that they would miss the explosive news.

As soon as Melissa and Jaylin appeared, the entire audience boiled over,

“Mr Segar and Ms Eugen are coming!” Someone shouted

Everyone was focused on Melissa and Jaylin

Just then, someone shouted again, "Me Gibsoni Mi Gibson is here too!"

Everyone followed the voice and looked toward the entrance of the auditorium

They saw Murray walking into the auditorium with steady steps.

His appearance immediately attracted everyone's attention,

The reporters were excited,

As a super popular actor, Jaylin had an extraordinary temperament. Melissa was incomparably beautiful and

the boss of a company.

In addition, Murray, the high and mighty president, was as intimidating as the Emperor.

The relationship between the three of them was complicated,

Melissa recently had a lot of scandals with Jaylin or Murray.

All in all, the opening ceremony today would be exciting.

The reporters had also arrived early and were carrying their machines excitedly.

It was said that the people participating in the opening ceremony today were all important figures. Not only did they have Jaylin, who had been the Best Actor for three years, but they also had the mysterious and low-key Melissa, the real boss of Starry Entertainment. Therefore, the reporters were all rubbing their fists and *were* afraid that they would miss the explosive news.

As soon as Melissa and Jaylin appeared, the entire audience boiled over,

“Mr Segar and Ms Eugen are coming!” Someone shouted

Everyone was focused on Melissa and Jaylin

Just then, someone shouted again, “Me Gibsoni Mi Gibson is here too!”

Everyone followed the voice and looked toward the entrance of the auditorium

They saw Murray walking into the auditorium with steady steps.

His appearance immediately attracted everyone’s attention,

The reporters *were* excited,

As a super popular actor, Jaylin had an extraordinary temperament. Melissa was incomparably beautiful and

the boss of a company.

In addition, Murray, the high and mighty president, was as intimidating as the Emperor.

The relationship between the three of them was complicated,

Melissa recently had a lot of scandals with Jaylin or Murray.

All in all, the opening ceremony today would be exciting.

The reporters surrounded Murray and asked him question after question.

“Mr. Gibson, may I ask if you are here to attend the opening ceremony of Star Entertainment? Does that mean that the Gibson Corporation will go into the entertainment industry?”

“Mr. Gibson, there are rumors that you are pursuing Ms. Eugen again. Is that true?”

“Mr. Gibson, there was a rumor that you broke off the engagement with Ms. Eugen because she came from the countryside. Her status is low and she is not worthy of the Gibson family. In fact, Ms. Eugen is a young lady from a rich family. Moreover, she is the mysterious CEO of Star Entertainment. Is this reason why you pursued Ms. Eugen again?”

Murray frowned and said coldly, “Move aside. I won’t accept the interview.”

His powerful and cold aura made the reporters tremble and consciously make way for him, not daring to ask anything more.

Murray walked to the corner seat and sat down.

At two o’clock sharp, the opening ceremony began on time.

“Hello, everyone. Today is the opening ceremony of “Harem“. I announce that the opening ceremony is officially open! Let us give a warm round of applause to welcome Mr. Segar and Ms. Eugen to the stage to

speaking.”

Amidst the thunderous applause, Jaylin and Melissa walked up to the stage together.

Jaylin cleared his throat and said, "Welcome to the opening ceremony of "Harem".

"Harem", a large-scale ancient palace drama, is a new program that Star Entertainment has invested 300 million dollars in and will be aired in the second half of the year.

It has a strong lineup. Those who play the protagonist are the top famous stars in the entertainment industry. The CEO of our Star Entertainment, Ms. Eugen, will be a friendly guest. I believe that this drama will make everyone's eyes light up and bring everyone an extraordinary visual feast."

"Everyone, please give your support," Melissa said with a decent smile.

The applause sounded again and echoed in the great hall. The atmosphere was unprecedentedly warm.

Right at that moment, two young girls suddenly rushed to the front stage with flowers in their hands and walked up the steps.

The security guard at the side quickly stepped forward and stopped them. "I'm sorry, ladies, please sit back down."

"Mr. Segar, we are your die-hard fans. We just want to send your flowers" The two girls shouted at Jaylin.

It was common for enthusiastic fans to go on stage to send him flowers, and Jaylin did not take it to heart

He nodded slightly at the security guard, and the security guard let them pass,

The two girls each held a bouquet of flowers in their hands and walked toward Jaylin and Melissa.

"Mr. Segar, I am your fan. I have seen all the movies you play many times. I love you so much!" One of the girls said excitedly and handed the flowers to Jaylin.

"Thank you," Jaylin said politely as he reached out to take the flowers.

"Ms. Eugen, you are more beautiful in the flesh than on TV." The other girl walked in front of Melissa and looked at her with amazement.

As she spoke, she handed the flowers in her hand to Melissa, “Ms. Eugen, this is for you.”

“Thank you.”

Melissa was just about to take the flowers, but for some reason, the girl twisted her ankle and pounced on Melissa

The flowers in her hands heavily touched Melissa’s face, shoulders, chest... and then scattered all over the ground.

“I’m sorry. I’m sorry, Ms. Eugen. I accidentally slipped just now.” The girl looked embarrassed and apologized again and again.

“It doesn’t matter,” Melissa smiled.

The little episode of the two girls sending flowers passed, and soon it was time for the reporters to ask questions.

The reporters, who had been waiting for this, were scrambling to ask questions.

“Ms. Eugen, today is the first time you’re showing off as the CEO of Star Entertainment. How do you feel?” One of the entertainment reporters asked first.

Melissa maintained the appropriate smile on her face and said elegantly, “Of course, I feel very happy at this moment. The purpose of our Star Entertainment has always been to produce the most outstanding works to repay the audience. I hope that everyone will support us.”

“Ms. Eugen, I heard that this is your first time filming. Do you think it will be difficult for you to play the guest role?” The reporter pursued.

“Of course not. I will try my best.” Melissa replied.

“I heard that Ms. Eugen and Mr. Segar will act like a couple in the drama. Will you carry it across your real life?” Another reporter asked.

“Of course...”

Before Melissa could finish speaking, Jaylin interrupted her and said, “Of course, we can’t rule out this possibility”

Can’t rule out the possibility?

Murray, who was sitting in the corner of the audience, suddenly became even angrier.

Chantor 248 Surprice of the Orvning Ceremony 21

Melissa did not refute Was this a tacit agreement?

Damn it!

Murray wished he could go on stage to pull Jaylin down and replace him.

Melissa, who was on stage, felt two cold gazes directed at her.

She looked in Murray's direction and inadvertently met his cold gaze.

Even though they were far away, Melissa could tell at a glance that this man was angry.

n was

“Wow, it seems that Ms. Eugen and Mr. Segar really have that possibility! Ms. Eugen, there are rumors that your relationship with Mr. Gibson has been rekindled. Is that true? The reporter asked excitedly, pointing the microphone at Melissa again.

Melissa pursed her lips and was about to say something when she suddenly felt her face itch,

She subconsciously reached out and rubbed her cheeks.

As a result, not only her face, even her shoulders and chest began to itch.

It was as if there were thousands of little ants biting on her body, very itchy and uncomfortable.

This feeling... It seemed that she had an allergy.

Melissa could not help but slightly twist her eyebrows.

She was allergic to platinum, so she would usually be very careful and would not touch such things.

Apart from platinum, Melissa did not have any other allergens.

Now, this strange feeling made her whole body itch, and her judgment should not be wrong. She was allergic to platinum.

That was strange. She had not contacted anything made with platinum today, so why was she suddenly allergic?

Moreover, at such a critical moment?

As long as her skin contacted platinum, it would not take more than a few minutes for her to have an allergic reaction. Hence, she would be allergic within ten minutes.

But Melissa had been on the stage for at least half an hour. How could she touch that?

Melissa was puzzled. She looked down at the flowers on the ground,

A thought suddenly flashed through her mind

When that girl accidentally fell down just now, those flowers contacted her cheeks, shoulders, and chest

And now, it was precisely these parts that were allergic

Could there be something wrong with those flowers?

TANI

Could there be something wrong with those flowers?

“Ms. Eugen...” Seeing that Melissa was suddenly silent and changed her expression, the reporter was about to ask more questions when he noticed that something was wrong with Melissa.

He saw that Melissa’s face and body had become red and swollen, with many rashes.

Chapter 249 Surprise of the Opening Ceremony (3)

“Ms Eugen, what happened to your face?” the reporter seemed to have discovered a new continent as he

stared at Melissa’s face and asked excitedly,

The celebrities in the entertainment industry always focused on their image. As the CEO of Star Entertainment, Melissa suddenly seemed to have been disfigured during the opening ceremony. This was big

news

This time, everyone focused on Melissa,

Her face and the exposed parts of her body were visibly red and swollen, and her entire face was covered with red rashes, looking ghastly,

Everyone was discussing in surprise,

“My goodness! What is going on? Melissa’s face was disfigured?”

“Too terrifying. Just now, she was like a fairy, but she suddenly became ugly.”

“Did she really get disfigured? Or did she have some illness that suddenly flared up?”

“Melissa, what’s wrong?” Jaylin asked worriedly when he saw that something was wrong with Melissa,

“I’m sorry, I’m a little uncomfortable,” Melissa endured the unbearable itch and pulled Jaylin’s arm, “Help me down.”

Jaylin’s eyes were filled with nervousness and concern as he hurriedly helped Melissa off the stage, “What happened? I’ll take you to the hospital.”

The reporters rushed over to take photos of Melissa and began to ask questions one after another,

“Ms. Eugen, why did your face suddenly become like this?”

“Ms Eugen, is this an accident? Or is there an inside story? Can you tell us?”

“Ms Eugen...”

Looking at Melissa being surrounded by reporters, Anaya, who was sitting below the stage, lowered her cap and smiled coldly

Her plan succeeded!

Melissa wanted to be in the limelight during the opening ceremony, right? Then she would let everyone see Melissa’s ugly appearance and let her opening ceremony become a farce!

Non that Melissa was so ugly, could Jaylin still like her?

Anaya felt a trace of pleasure from revenge

She learned *from / dela* that Melissa was allergic to platinum

She specifically *went* to ask the doctor if the alloy was serious, it could be fatal

Chapter 249 Surprise of the Opening Ceremonies

Therefore, Anaya specially asked people to add a lot of platinum to the flowers, and she disguised herself at the opening ceremony of Star Entertainment.

Sure

enough, today's plan was unexpectedly smooth. Melissa was now disfigured, and her ugly appearance would spread throughout the entire Internet soon!

Even if this couldn't kill her, this would ruin her.

Anaya smiled proudly and stared at Melissa, who was surrounded by reporters.

Melissa, tonight is just the beginning!

Melissa caused me to lose everything. If she just suffered from an allergy and made a fool of herself in front of everyone, then it would be too easy for her, this slut!

Next, I must make Melissa die without the burial ground!

Melissa, wait and see!

Melissa was itchy and uncomfortable and needed to go back to apply ointment for anti-allergy, but she was surrounded by reporters.

Just as she was about to open her mouth and ask the reporters to move aside, a familiar cold voice sounded, "All of you, move!"

This voice ... Was Murray!

Melissa looked up and saw Murray's tall and slender figure show in her line of sight.

His domineering and handsome face seemed unhappy and his body emitted a cold aura as if the temperature of the entire auditorium had dropped to freezing point.

Murray's terrifying aura made the crowd involuntarily make way.

With steady steps, Murray approached step by step.

He stood in front of Melissa, and in front of everyone, he directly picked her up.

When he looked at the woman in his arms, his cold eyes suddenly softened a lot. He asked with concern, "Melissa, what's wrong? Are you okay?"

After falling into Murray's familiar embrace, Melissa somehow felt a sense of peace.

She pursed her lips, "I suffered from allergy."

Murray could also tell that Melissa was allergic

He knew that Melissa was allergic to platinum. At the Yole family's banquet, Adela had framed Melissa for stealing her diamond ring. Melissa had used allergy to prove her innocence.

But now, how could Melissa be allergic?

*Till take you to the hospital, Murray held Melissa tightly and walked straight to the gate.

Melissa suddenly remembered something and looked at the stage. The flowers were still on the ground.

"Murray, get someone to check those flowers," Melissa leaned against Murray's chest and said with some difficulty.

Flowers?

When Murray heard this, he could not help but be startled.

The scene of the two women presenting flowers on stage just now appeared in his mind.

He quickly understood what Melissa meant.

When he sent Melissa over this afternoon, until Melissa and Jaylin went up on stage together when the

opening ceremony began, Melissa had always been fine.

On the stage, Melissa had not touched anything else, except that bouquet of flowers.

Therefore, it was very likely that the problem was with that bunch of flowers.

"Melissa, don't worry. I'll get someone to find out what's going on," Murray's eyes began to cold.

"OK," Melissa nodded.

It was obvious that someone had done it on purpose

At the Yale family's banquet, she had publicly shown that she was allergic to platinum.

Therefore, many people knew that she was allergic to platinum.

Who was it?

Ryleigh? Adela? Or ... someone else?

At this moment, Melissa's entire body was extremely itchy, and her head was a little wazy. For a moment, she couldn't think of who had done something to her.

The top priority now was to go back to rest.

Once her allergy was cured, she would investigate this matter.

Murray carried Melissa into his car. It made his heart ache when he saw Melissa like this, "Melissa, hold on. I'll take you to the hospital."

"I'm fine I don't need to go to the hospital. I'll be fine after I go back to rest," Melissa rubbed her forehead, *trying* to suppress the strange itch on her body.

She didn't know what was *wrong* with those flowers, but this time, she seemed to suffer from a serious

allergy

Not only was her whole body itchy, but now her body was burning as if she had a fever.

But it didn't matter. She knew that she was allergic to platinum. Just in case, she brought homemade Ointment for allergy

She had put the ointment inside the suitcase.

That was why Melissa had asked Murray to return to Moonlight Mansion

Upon hearing Melissa's words, Murray immediately started the car and drove in the direction of Moonlight Mansion with anxiety

As they sped along, they even ran two red lights before Murray finally arrived at Moonlight Mansion

He saw that Melissa was lying on the seat. Her face was red, and her whole body was red and swollen, making Murray feel distressed.

“Melissa, Melissa, what’s wrong?” Murray reached out his hand and touched Melissa’s forehead,

He felt the heat in his palm

Chapter 250 He Loves Melissa so Much

Melissa was in a daze from the fever. She lay in her seat and subconsciously moaned, “I’m so

uncomfortable.

Not only was she allergic, but she also had a fever...

Seeing Melissa like this, Murray felt distressed and nervous. After thinking for a while, he dialed Anton’s

phone number.

Anton

was attending a medical conference at this time. Just as it was his turn to speak, the phone in his pocket suddenly vibrated.

He looked down and saw it was from Murray.

Anton didn’t dare to trifle with him, so he walked to the outside of the conference hall and picked up the phone, “Bro, what’s the matter?”

“Come to Moonlight Mansion. Hurry up and come over,” Murray said in a cold voice.

“Who’s sick? Is it serious? Can you wait? I’m in a meeting.” Anton looked in the direction of the conference

hall.

Without waiting for Anton to finish his sentence, Murray interrupted him impatiently, “I told you to come here, so hurry up and come here. Don’t talk nonsense.”

“Alright,” Anton had a helpless look on his face and could only go ask for leave.

After hanging up the phone, Murray bent down and picked up Melissa with his hands. With nervousness and concern in his eyes, he comforted her in a gentle tone, "Melissa, it's okay. The doctor will come soon."

Melissa leaned against Murray's chest and felt that his whole body was burning uncomfortably. Murray's chest was cool and comfortable like a puddle of water.

Melissa subconsciously leaned into Murray's arms, rubbing against his chest.

Her unconscious actions caused Murray's chest to itch. It was as if an electric current was flowing through it,

causing his breathing to tighten

This *woman* is sick to this extent, but she is still constantly lighting the fire.

Murray took a deep breath and *drove away* from the strange emotions in his heart. He took Melissa back to the *room* and *carefully* placed her on the big bed,

"So uncomfortable so hot." *Melissa's* whole body was uncomfortable. Her body was hot and itchy as if she *was* being *roasted* by fire She subconsciously reached out and scratched her face

Murray held *Melissa's* hand and said in a deep voice, "Don't move If you scratch it, it will leave a scar"

*Itchy I'm so itchy *Melissa* pouted with a wronged expression

Murray had never seen such an aggrieved look on *Melissa's* face His eyes could not help but flash with a touch of heartache

Much

He gently rubbed *Melissa's* cheek, "Melissa, endure a little longer. The doctor will be here soon"

Anton arrived at this time in a hurry

Seeing *Murray* holding *Melissa* tightly in his arms and looking distressed, *Anton* came to a sudden

realization

Every time *Murray* asked him to come hurriedly, it would be related to *Melissa*

It seemed that *Melissa's* position in *Murray's* heart was extraordinary

Murray really loved Melissa so much that he was so nervous about her.

“Bro, what happened to Ms. Eugen?” Anton walked over and asked.

“Help check Melissa. She’s allergic,” Murray looked up at Anton and his tone was a little urgent

Anton

looked down at Melissa on the bed and saw that she was allergic to her whole body. Not only was it red and swollen, but also had a lot of rashes,

“Ms. Eugen, your allergy is quite serious. How did it become like this?” Anton *frowned* and said.

“She is allergic to platinum. She must have accidentally touched with platinum,” looking at Melissa’s uncomfortable appearance, Murray’s heart was almost clenched, and he said coldly, “hurry up and treat her.”

“OK,” Anton nodded, took out the anti-allergy medicine from the medicine box, and adjusted the injection, “TIL give Ms. Eugen a shot of anti-allergy.”

As he spoke, Anton bent down and gave Melissa a needle on her arm.

It hurt a little, and Melissa *subconsciously frowned*, wanting to pull back her arm.

Murray quickly held her arm, not letting her move. His tone was *rarely* gentle, “Melissa, bear with it for a while. It will be fine soon after the injection.”

“Alright,” after Anton finished the injection, he took out another bottle of medicine and handed it to Murray, “bro, this is the medicine for allergy. Let Ms. Eugen have it three times a day, three slices per time.”

Murray took the medicine bottle and looked at it carefully, “Does this work?”

“Bro, don’t you believe in me?” Anton shrugged his shoulders helplessly

Care will cause disruption of the mind. It seems that this saying is right

The *proud* and mighty Mr. Gibson is also at a loss when his beloved woman is ill.

“But she still has a high fever,” Murray’s deep and concerned gaze fell on Melissa who was lying on the bed

“The *fever is* caused by allergy, Anton smiled and said, ‘as long as the allergy disappears, the fever will be

"Is that so *Murray frowned*

Anton patted *Murray* on the shoulder, "Don't worry it's fine It's just an allergy She will be fine in a few days.

Chapter 2 Here Mitica

"OK," *Murray* nodded his head indifferently.

"If there's nothing else, I'll be leaving first. I still have to continue the meeting," Anton put away the medicine box and looked at the time.

After Anton left, *Murray* lowered his head to look at *Melissa*.

Her face was getting redder and redder. Her beautiful eyebrows were tightly locked, and she would moan from time to time, looking very uncomfortable.

"How are you feeling, *Melissa*?" *Murray* gently held *Melissa*'s hand and asked with concern.

She had taken a shot just now. Why didn't she seem to get better?

Melissa was in a daze, muttering, "I'm so uncomfortable... I'm so itchy."

"Can I feed you medicine? You won't feel uncomfortable after taking the medicine," *Murray* coaxed *Melissa* gently.

He sat at the head of the bed, picked up *Melissa*, and let her head rest on his shoulder.

He held *Melissa* with one hand and opened the bottle with the other. He took out a white pill and carefully fed

it to *Melissa*

"So bitter..." *Melissa* subconsciously curled her lips and turned her head to the side.

Murray straightened *Melissa*'s head and scooped a spoonful of warm water into *Melissa*'s mouth. He gently coaxed her, "Dear, drink it.."

"No... Bitter..." *Melissa* furrowed her brows and spat out all the warm water and medicine.

This won't do

Murray looked down at the woman in his arms and pondered for a moment. Then he took another pill and put it in the cup, stirring it evenly with the warm water

Picking up the cup, Murray took a sip of the warm water that had dissolved the pill. Then he held Melissa's head with both hands, lowered his head, and without hesitation, his thin lips pressed against her red lips.
