

## **Mrs. Gibson Your identity is Exposed Chapter 656**

For a moment, the people below began to discuss Melissa. Their voices became louder and louder, even reaching Melissa's ears.

Melissa curled her lips and ignored the voices. Then she stood up and fumbled in her pocket to find one that was also wrapped in a red cloth.

"Marc, this is a gift from me. I hope you like it."

Melissa took off the red cloth, revealing a flawless jade pendant.

On the other hand, Marc directly took the jade pendant over and praised Melissa non-stop. Compared with his reaction toward Julia just now, Julia was embarrassed for a moment.

"The color is so good. Why does it feel so familiar..." Marc pondered and suddenly his eyes lit up. He said, "Keyon made this!"

"Exactly."

Melissa smiled euphemistically and began to introduce the story of this jade pendant.

For a moment, the situation changed, and even Julia didn't expect that Melissa had such a hidden trump card.

"Mr. Clench is here!"

At that moment, someone in the crowd shouted, and everyone looked at the gate.

Malcolm was dressed in a green suit, and he must have been carefully selected for the banquet this time.

"Mr. Marc, this is my gift to you."

The main reason Malcolm came to the scene was to celebrate with Marc on behalf of his mentor.

"Mr. Clench, you came at the right time. Ms. Wright was just showing your jade ring!"

Everyone nodded and pointed at the jade ring behind Julia.

Unexpectedly, Malcolm's expression changed from joy to shock. He walked forward and placed the jade ring in his hand, saying, "This ring is not mine."

With so many big shots coming to defend Melissa, no one dared to come forward and say that Melissa was wrong.

'Well, well, well.'

At that moment, someone clapped his hands and cheered, "I admire such a good child."

Seeing Jaron walk over from the crowd, Melissa was a little surprised.

Jaron was a famous scholar in the art and calligraphy world. Anyone who saw him would have to give him some respect.

This made Julia even angrier. Unexpectedly, even Jaron praised Melissa.

"I don't deserve it. You are just being too nice, Mr. Boyle."

Melissa hurriedly denied it. There were countless seniors that came today.

If Melissa didn't behave well, it would probably attract the hatred of many people.

'She knows her manners and is very considerate. Mr. Marc, the fiancée your grandson found is really good.'

Who would have thought that Jaron would actually praise Melissa in front of so many people, causing Melissa's status to rise in everyone's mind?

"No, no. She's just a young girl, like a kid to me."

Marc also heard that something was wrong and quickly denied it.

'Since Melissa's a kid to you, why don't you let her be my student? She won't be a kid after she learns from me.'

Everyone present was shocked at his words.

Jaron had actually declared in front of so many people that he wanted to take Melissa as his student. This was something that many people wished for.

"How, how can I accept this?"

Marc thought it was inappropriate and wanted to refuse, but Jaron spoke again.

'Hey, what you said doesn't count. I want to ask Ms. Eugen for her opinion.'

Melissa swallowed her saliva. Facing the gazes of so many people, she was super calm.

"Mr. Boyle is an outstanding man. It's just that I don't have the intention to do so right now. I'm really sorry."

After saying that, Melissa curled the corners of her lips and was indifferent.
