

Chapter 151 The Return of the King

In a warm applause, Jaxson Lambert stood up with a breeze-like smile on his face. "Thank you, thank you for your support!"

He waved his hand, motioned for silence, cleared his throat, and said in a deep voice, "I feel very sad and sad about Asher's misfortune. But now is not the time to be sad. I have more important things to do.

The Hawn Goup is the painstaking efforts of my adoptive father. Now my adoptive father is seriously ill, Asher's fate are unknown, and The Hawn Goup's century-old foundation cannot be shaken. Since everyone trusts me, I can only shoulder this burden. "

A reporter keenly asked, "Excuse me, Mr. Jaxson Lambert, are you authorized by Howard to take over as the next president of The Hawn Goup?"

After all, The Hawn Goup was founded by Howard. As the chairman of The Hawn Goup, Howard has the right to decide who will hold the post of president.

Without Howard's authorization, Jaxson Lambert is not justified.

Jaxson Lambert smiled, taking it for granted. "Of course, this is also the meaning of adoptive father."

"Then why didn't Howard come to the press conference today?" The reporter asked.

Jaxson Lambert eyes flashed. "Because of Asher, my adoptive father had a heart attack. Now the situation is very dangerous. Of course, I can't attend the press

conference. His old man's house has fully entrusted me to handle The Hawn Goup's affairs."

Looking at Jaxson Lambert, who was talking triumphantly on the stage, Nora Smith's lips raised a sarcastic smile.

It seems that Jaxson Lambert really can't wait for Asher Hawn to die. Unfortunately, his wishful thinking is wrong.

Nora Smith looked down at his cell phone. There was no news from Asher Hawn.

He went to rescue Howard, should there be no accident?

Jaxson Lambert still made a long and wide talk on it, and Nora Smith took off his sunglasses and winked at Clark.

Clark got the message and nodded. Long legs walked to the stage and looked at

Jaxson Lambert coldly. "Jaxson Lambert can't take over the post of president of The Hawn Goup!"

This sudden opposition made everyone's eyes suddenly focus on Clark.

As we all know, Clark is Asher Hawn's right-hand man.

"What do you mean, Lint?" A reporter immediately asked questions.

Clark said faintly, "It means literally."

See this suddenly halfway through Cheng Yaojin, Jaxson Lambert's face changed.

Why did Clark suddenly change his mind?

"Asher is just missing now. As long as he is not found for one day, it means that there is still hope to find him. Why are you in a hurry to replace him, Vice President Lin?" Clark's cold eyes looked directly at Jaxson

Lambert.

Jaxson Lambert, barely smiling, stepped up to Clark and patted him on the shoulder. "I know you are sad about Asher, but why am I not? I watched Asher grow up and regarded him as my own.

But now, we must face the reality.

After Asher's accident, how many of us went to search and rescue with all our heart, but what was the result? Nothing! Asher, his life and death are still uncertain! "

"Since life and death are uncertain, it means that Asher is also likely to be alive. Jaxson Lambert, can you wait so much?" Clark sneered.

Jaxson Lambert frowned and winked at the security guard next to him.

The security guard immediately got the message and stepped forward. "Lint, please go out!"

Clark ignored the security guard at all and looked coldly at Jaxson Lambert. "Why, you have a guilty conscience?"

"What are you talking about?" Jaxson Lambert's eyebrows puckered.

Clark improved a few minutes what, "I nonsense? If you take over The Hawn Goup in a fair and square way and have the authorization of Chairman Huo, why should you coerce and induce me to buy me off?"

Said Clark, taking out a cheque from his mouth and shaking it in front of everyone.

"It has your autograph on it."

Now, there is no news from the president. All Clark has to do is stall for time.

When Clark said this, all the people present whispered.

"It seems that the water inside is very deep!"

"Does Jaxson Lambert really have

Howard's authorization? If so, why did Lin Yanfeng say in person that he bought him?"

"Clark, don't pester me, or I'll be rude to you!" Jaxson Lambert's cold eyes flashed. At this juncture, how could he let Clark destroy his plan?

"You know if I'm importuning. Jaxson Lambert, you advise you to stop in time!" Clark said word by word.

Jaxson Lambert waved his hand and said to the security guard on the side, "What are you still waiting for? Don't you drive him away?"

The two security guards looked at each other and pulled Clark forward.

Jaxson Lambert cleared his throat and said again, "Ladies and gentlemen, we will continue the press conference now. I announce that from now on, I will be the CEO of The Hawn Goup!"

At this moment, from the gate of the conference hall, a clear and cold man's voice came. "Jaxson Lambert, I'm afraid you will be disappointed!"

It's Asher Hawn!

Nora Smith's heart, which he had been holding tightly, finally fell down.

Asher Hawn finally arrived. He must have rescued Howard.

"Asher!!!"

"Asher is all right! He's back!!!"

Asher Hawn's appearance caused a sensation, and everyone looked at the dazzling man at the gate in shock.

Under the illumination of the lights in the conference hall, Asher Hawn seemed to be wearing golden light, exuding a powerful aura, and walked to the front rostrum step by step.

Not only alive, but also appearing in the press conference now!

Jaxson Lambert's thousands of calculations, never expected Asher Hawn to appear unscathed!

He has been planning for so long, and he is about to succeed. How can he lose his achievements?

Asher Hawn glanced at Jaxson Lambert

coldly, thin lips slightly lift, "How, Lin Shu you don't want to see me?"

"Why, Asher, I'm not glad you're back." Jaxson Lambert suppressed his anger and patted Asher Hawn on the shoulder hypocritically. "I sent a lot of people to find you these days when you disappeared. Now I am relieved to see that you are fine."

"In this case, today's press conference will be cancelled!" Asher Hawn looked around and said with a faint look.

Chapter 152 Do not intend to dissolve the marriage

"Since the press conference has been held, there is absolutely no reason to cancel it." Jaxson Lambert's face was full of extreme unwillingness.

Just one step away, he is about to succeed. Why did Asher Hawn come back at this time?

He can't fall short.

"Asher, I have taken over The Hawn Goup during your absence, which is what your grandfather meant." Jaxson Lambert began.

"Is it? Is this really what my grandfather meant?" Asher Hawn's handsome face sank, and a cold hum came out faintly from the nasal cavity.

"Jaxson Lambert, in order to seize power, you secretly drugged grandpa to give him a heart attack and put him under house arrest. Do you think I don't know?"

When Asher Hawn said this, it was like throwing a boulder into the already unsettled lake, which stirred up waves after waves.

They whispered:

"Is Howard under house arrest?"

"Didn't he have a heart attack?"

"Jaxson Lambert will really do this?"

Howard is his adoptive father."

"What is the adoptive father? Are there still few enemies between father and son these days?"

"..."

These remarks fell into Jaxson Lambert's ears, and his face changed and changed. He stared at Asher Hawn. "Asher,

don't talk nonsense!"

How does Asher Hawn know so much?

Isn't he missing so many days before he comes back?

Why does Asher Hawn even know about his house arrest in Howard?

Jaxson Lambert's finger joints tightened bit by bit, and his heart became more and more panicked.

Seeing Jaxson Lambert like this, Asher Hawn's thin lips raised a sarcastic smile. "I talk nonsense? Then let Grandpa tell you in person, am I talking nonsense?"

Asher Hawn couldn't wait to come to the press conference after he rescued Howard.

Counting the time, his man Howard should be here soon.

Asher Hawn's voice just fell, and suddenly he was present, and everyone

made a sensation again. "Howard! It's really Howard!!"

I saw at the gate of the conference hall, two bodyguards dressed in black, holding the faltering Howard, walking towards the conference hall.

"Grandpa." Asher Hawn took a long leg and hurried to the gate.

Nora Smith also stood up at the same time, raising his lips and looking at Asher Hawn.

The two smiled at each other, walked to the gate, and lifted Howard from left to right. "Grandpa, are you all right?"

Howard looked tired and forced his spirit to smile. "It's okay."

The two men held Howard and walked to the center of the stage.

"Adoptive father, you are not..." At the moment when I saw Howard, Jaxson

Lambert's color became very ugly.

Shouldn't Howard be lying unconscious in the hospital now?

Why did you suddenly appear at the press conference?

It's over... It's all over!

"Adoptive father, why are you here?"

Jaxson Lambert asked, trying to be calm.

Howard snorted coldly. "Of course you don't want me to come."

"How come?" Jaxson Lambert said hypocritically, "Your old man is fine, this is a great happy event."

"Jaxson Lambert, in order to seize The Hawn Goup, you drugged me, falsely told me that I was seriously ill, and put me under house arrest. Unfortunately, your wishful thinking is wrong!" Howard's cold eyes looked directly at Jaxson Lambert and hit the floor.

"Adoptive father, I didn't." Jaxson Lambert took a step back, cold sweat on his forehead.

"Yes, you know it in your heart." Howard stepped onto the podium and cleared his throat. "I announce that today's press conference is cancelled, and the CEO of The Hawn Goup is still Asher Hawn.

From now on, the vice president of Jaxson Lambert Asher will be relieved, and he will no longer hold any position in The Hawn Goup, that's all. "

In front of everyone, Howard has given Jaxson Lambert enough face.

After all, he was raised by his own adopted son, but he didn't expect to hurt him in the end.

Mourn its misfortune, anger its indisputable.

Howard eventually left Jaxson Lambert

a little leeway, just driving him out of The Hawn Goup.

The press conference ended hastily, and reporters surrounded Howard and wanted to interview:

"Howard, what did you say about Jaxson Lambert's house arrest?"

"Jaxson Lambert is your adopted son, why did he do this?"

"Howard, are you out of father-son relationship with Jaxson Lambert?"

One question after another left Howard, Asher Hawn frowned, and Clark immediately got the message. "I'm sorry everyone, Howard won't be interviewed today."

Asher Hawn and Nora Smith helped Howard out of the conference hall.

Just walked out of the gate, suddenly a tall and straight figure eagerly came

towards Nora Smith.

Nora Smith raised her eyes. It was Julian Spencer who appeared in her sight.

"Nora Smith, it's great that you're all right!" At the moment of seeing Nora Smith, Julian Spencer's eyes sparkled with strange brilliance and strode towards Nora Smith.

Nora Smith was surprised and dazed. "Julian Spencer, why are you in The Hawn Goup?"

Julian Spencer walked directly up to Nora Smith and took her hand. "Nora Smith, you've been missing for so many days. Do you know how worried I am about you? I've been looking for you. I saw you were fine at the press conference just now, and I immediately rushed over. Fortunately, you are fine."

In front of so many people, Julian Spencer showed his true feelings, but Nora

Smith was embarrassed.

She pulled out her hand quietly and smiled lightly. "I'm fine, you don't have to worry."

"Nora Smith..." Julian Spencer tried to say more, but was interrupted by a cold voice.

One side of Asher Hawn's face, visible black, "Julian Spencer, are you idle? There is nothing for you here, go back to your stars for entertainment."

Julian Spencer's face also sank. "Star entertainment is not mine, it is..."

Nora Smith's eyebrows beat. Julian Spencer, what's wrong with him?

She doesn't want to drop her waistcoat!

Nora Smith interrupted Julian Spencer quickly. "Julian Spencer, you haven't given me the autographed photo my friend asked for last time."

Julian Spencer took a deep look at Nora Smith. "You go to Star Entertainment with me to get it."

Nora Smith nodded and looked sideways at Asher Hawn. "Asher, take Howard back to rest first. Julian Spencer and I have something to say."

Asher Hawn's face was livid. What do you mean, when Nora Smith saw Julian Spencer, he was going to get some autographed photos? ?

Nora Smith ignored Asher Hawn and took Julian Spencer away directly.

There are some words that she must make clear with Shenjun.

In the freezing eyes of Asher Hawn, Nora Smith and Julian Spencer walked out of The Hawn Goup Group.

"Nora Smith, haven't you broken off your engagement with Asher Hawn yet?"

Chapter 152 Do not intend to dissolve the marriage

Julian Spencer couldn't wait to ask.

Nora Smith shook his head. "I'm not going to break off the engagement."

Chapter 153 won't look at me again

"Why?" Julian Spencer's eyes darkened in a split of second, and his tone asked eagerly, "Aren't you and Asher Hawn in a contract? Didn't you say that you didn't like him and would soon break off your engagement with him? Is he forcing you?"

Seeing Julian Spencer so excited, Nora Smith shook his head helplessly. "Why, do you think anyone can force me?"

"Then why are you..." Julian Spencer's face, with a bit of melancholy and hurting.

Indeed, according to Nora Smith's personality, no one can force her, including Asher Hawn.

So... Nora Smith accepted Asher Hawn because...

Nora Smith sipped his lips and gave

Julian Spencer the answer, "Because I fell in love with Asher Hawn. So, I promised his pursuit."

"No, it's impossible!" Hearing Nora Smith's words, Julian Spencer's face was full of shock and disbelief.

Nora Smith clearly said that between him and Asher Hawn, it was just an engagement made by both grandfathers. Nora Smith had no feeling for Asher Hawn at all. How could he fall in love with him? !

"During my stay in France, I met Asher Hawn again." Nora Smith explained, "Especially after we crashed into the sea, Asher Hawn saved me at the expense of his own safety. He deserves my trust for life."

"Nora Smith, this is not love at all."

Julian Spencer put his hands on Nora Smith's shoulders. "You are just moved by Asher Hawn. Moving is not equal to love. I

can do what Asher Hawn did for you. Why didn't you choose me?"

"Julian Spencer, don't do this." Nora Smith gently pushed Julian Spencer away. "We are not suitable."

Julian Spencer's eyes were full of hurt. "Nora Smith, don't you know that Asher Hawn loves Mia in his heart?"

Mia ...

Nora Smith's heart, inexplicably sinking. She screwed her eyebrows and said, "Mia in Asher Hawn is a thing of the past. Now Asher Hawn loves me."

"Nora Smith, don't deceive yourself. Are you sure? If one day, Mia suddenly appears, can you guarantee that Asher Hawn will not choose Mia?"

Julian Spencer's words, like a hammer hammering in Nora Smith's heart, made her feel very uncomfortable.

She didn't think that Mia might still be alive and might suddenly appear one day.

But the moment she decided to be with Asher Hawn, she had already thought it over.

She will make Asher Hawn completely fall in love with her, so that he only has her in his heart, and can no longer hold other people, including Mia.

Thinking of this, Nora Smith nodded firmly. "Yes, I am sure."

"I hope one day, you won't regret it." Julian Spencer said faintly, letting go of Nora Smith.

In the distance, Brittany Sherry and Lany walked in the direction of The Hawn Goup.

In these days of Asher Hawn's disappearance, Brittany Sherry was heartbroken. She was afraid that Asher

Hawn had an accident.

Fortunately, Asher Hawn is lucky and fine.

Today's press conference in The Hawn Goup has already spread on the Internet. As soon as Brittany Sherry saw the news and learned that Asher Hawn was back, he immediately rushed to Lany with The Hawn Goup.

Who knows but saw Nora Smith and Shenjun two people pandering at the door of The Hawn Goup.

"What are they doing, Lany?" Brittany Sherry stopped and looked sideways at Lany beside him.

Lany's face was already very ugly, and he spoke angrily. "It's not Nora Smith, a shameless fox, who seduced Julian Spencer!"

Lany wanted to rush to separate Nora Smith and Julian Spencer, but Brittany

Sherry stopped him. "What are you doing?"

Brittany Sherry naturally hopes that Nora Smith and Julian Spencer will be together, and it is best for her to take the initiative to break up with Asher Hawn.

Even if she can't, Asher Hawn can't stand her two feet.

Lany stared bitterly at Nora Smith and watched Nora Smith get into Julian Spencer's car.

"Why, still thinking about your shen da film emperor?" Seeing Lany's anthoniac and indignant appearance, Brittany Sherry raised his lips. "You want to be with Julian Spencer. It's very simple. Just get rid of Nora Smith."

"Brittany, you're right." Lany nodded, his heart had already cut Nora Smith to pieces.

Just then, a tall and handsome figure

came out of The Hawn Goup.

"Asher Hawn!" Brittany Sherry greeted him excitedly.

Once again, when I saw the man I was thinking about, Brittany Sherry's eyes showed love without concealing it.

Asher Hawn frowned. "Brittany Sherry?"

"Asher, you're back, I'm glad you're okay." Brittany Sherry true feelings, eyes slightly red, "These days, you don't know how much I miss you and worry about you. Fortunately, you are fine."

Asher Hawn's eyes were a little cold, and he replied lightly out of politeness, "I'm fine. Thank you for your concern."

"So, Asher, how are things with you and Nora Smith?" Brittany Sherry seemed to open his mouth inadvertently. "When I came just now, I saw Nora Smith and Julian

Spencer cuddling in front of The Hawn Goup, and Nora Smith got on Julian Spencer's car."

Poo-poo?

In Julian Spencer's car?

What does this woman, Nora Smith, want to do? She just promised his pursuit, vowed to be with him, and turned around and threw herself into Julian Spencer's arms?

Asher Hawn's face grew colder and colder.

Brittany Sherry continued to add fuel and vinegar. "They look like lovers, Asher. Did you break up with Nora Smith? You were just contracted marriage, and Nora Smith and Julian Spencer are fine together."

"Brittany Sherry, I repeat, I don't want to hear any gossip about Nora Smith." Asher Hawn glanced at Brittany Sherry with cold

eyes, and his voice opened faintly.

It is one thing for him to be angry, but he will never allow anyone to gossip about Nora Smith and judge her.

Brittany Sherry was unwilling to open his mouth. "Asher, why are you so kind to Nora Smith? She is not worth it at all."

"It's not something you need to know." Asher Hawn's eyes seemed to be stained with frost, which made people shudder.

After that, he ignored Brittany Sherry and left directly past her.

Looking at Asher Hawn's alienated back in MoMo, Brittany Sherry was wronged. "Asher, you will always regret it!"

...

Nora Smith sat in Julian Spencer's car, while Julian Spencer clasped the steering wheel with both hands and drove silently, the atmosphere was somewhat awkward.

Although she is busy with The Hawn Goup these two days, she also pays attention to star entertainment.

Julian Spencer has transferred many foreign businesses to China and invested in several heavyweight films one after another, which caused a great sensation in the entertainment industry.

"You did a good job." Nora Smith sincerely praised.

Julian Spencer is very talented in this respect, otherwise Nora Smith would not have invested in Star Entertainment.

Julian Spencer gave a wry smile. "No matter how good I am, you won't look at me again."

Chapter 154 The Blessing of Julian Spencer

"Julian Spencer, don't do this." Nora Smith sighed, looked sideways at Julian Spencer and said, "Actually, I found true love. You should congratulate me and bless me, shouldn't you?"

True love ...

In Julian Spencer's heart, there is an extremely bitter taste.

He chased Nora Smith for two years, a whole two years, but he couldn't compare with Asher Hawn and Nora Smith for a month.

He is really a failure.

There was silence for a few minutes, and when he looked up again, Julian Spencer's handsome face had recovered its

calm.

He gave Nora Smith a deep look. "I wish you happiness."

To love someone, you don't have to get her.

As long as Nora Smith can get happiness, he is willing to bless her silently.

"Thank you." Nora Smith finally breathed a sigh of relief.

It's best that Julian Spencer can figure it out. Nora Smith doesn't want him to get into a corner.

"So, are we still friends?" Julian Spencer hesitated and asked again.

Nora Smith smiled and replied very affirmatively, "Of course."

When the two arrived at Star Entertainment, Nora Smith looked at the recent work arrangement and spoke with satisfaction. "Well, this plan is doing well.

The new product shooting in the next quarter can be carried out according to this plan."

"Just be satisfied." Julian Spencer said faintly.

He stayed up all night to make this plan.

As long as it satisfies Nora Smith, he will do his best.

Julian Spencer gave Nora Smith a detailed introduction to the next actor recruitment plan, and Nora Smith made some suggestions.

By the time I finished, it was already dusk.

"I went back." Nora Smith handed Julian Spencer the revised plan and stood up.

"I'll send you back." Julian Spencer followed.

After thinking for two seconds, Nora

Smith nodded.

By the time Nora Smith returned to Water Moon Island, it was already dark.

Julian Spencer got off the bus and opened the co-pilot door for Nora Smith. "Here we are."

Nora Smith got out of the car and thanked Julian Spencer with a smile. "Thank you for taking me back."

With that, Nora Smith turned and walked to Asher Hawn's house. Suddenly, Julian Spencer's voice sounded behind her. "Nora Smith."

"Hmm?" Nora Smith took a step and turned back.

I saw Shenjun quickly step forward, approach Nora Smith with lightning speed, hug Nora Smith, and say in her ear, "Nora Smith, I wish you happiness and happiness!"

His sudden approach made Nora Smith

feel uncomfortable. He took a step back and said, "Thank you."

On the third floor of the balcony, Asher Hawn, holding a wine glass in his hand, looked gloomily at the dazzling scene downstairs.

What are Nora Smith and Julian Spencer doing!

Today, after the press conference, Nora Smith left Julian Spencer in front of so many people and left him alone in The Hawn Goup.

She can know how much patience he used to suppress the impulse to go to the stars for entertainment and pull her back directly.

Back home, Nora Smith was still nowhere to be seen.

Asher Hawn was depressed. A person opened a bottle of Lafite and drank a stuffy

wine.

He drank at home to drown his sorrows, and Nora Smith made love with Julian Spencer?

Does this woman regard him as her fiance? !

Nora Smith took out the key and opened the door. There was no beginning in the living room, and it was dark.

Haven't Asher Hawn come home yet?

Nora Smith was about to turn on the light when a dark man's voice came. "Are you willing to come back?"

It's Asher Hawn's voice.

Nora Smith looked back subconsciously, and through the dim moonlight cast out of the window, he saw Asher Hawn sitting on the sofa in the living room, dressed in a black suit, almost integrated with the moonlight.

Nora Smith turned on the light and was about to put down her handbag when a force came behind her, and Asher Hawn's tall body pressed her directly against the door panel.

A strong smell of wine came to me, and Nora Smith twisted his eyebrows. "Asher Hawn, what are you doing?"

The man in front of him, with a cold breath, opened his mouth as cold as ice. "Nora Smith, what have you been doing with Julian Spencer?"

Nora Smith smiled. "Didn't you say, get my friend's autograph?"

Signed photo?

Is Asher Hawn a fool when he is?

Asher Hawn Jun's face churned with anger, and his cold eyes fell on the beautiful face of the woman in front of him. His mind flashed the intimate appearance of Shen Jun

and her just downstairs, and his slender fingers twisted her chin, and suddenly he bowed his head and kissed her.

"Asher Hawn, you let go..." A pain came from his chin, and Nora Smith's voice did not fall, but all the men in front of him were blocked back.

Asher Hawn's kiss, with overbearing punishment, made Nora Smith breathless.

She struggled for a moment, couldn't break free, and stopped resisting.

She knows what Asher Hawn cares about, and she has done something wrong.

I don't know how long it took, Asher Hawn finally ended this overbearing kiss, his face was still ugly, and his tone was as cold as ice. "Did Julian Spencer kiss you like this?!"

"What are you talking about?" Nora Smith gasped and stared at him.

"Julian Spencer didn't send you back just now? Why did he hug you? You were together all afternoon? What did you do?" Asher Hawn's dark eyes were bottomless, churning with irrepressible anger.

"Asher Hawn, you're drunk." Nora Smith pushed Asher Hawn away and headed for the sofa.

The next second, a force hit his waist, and Nora Smith stood unsteadily and fell on the sofa.

Asher Hawn pressed up, his voice cold. "I'm awake. Nora Smith, do you regret it? Or did you promise me just because we were on a desert island, and you thought you would never come back?"

Nora Smith was puzzled. "Why, in your mind, am I such a person?"

"Then tell me, what is your relationship with Julian Spencer?" Asher Hawn pressed

his anger and opened his mouth in a heavy tone.

Strong jealousy came to me. Nora Smith thought for a moment and said faintly, "I can only tell you that Julian Spencer and I are friends, and he did send me back just now. And you saw him hug me. That's his blessing to me. It's not what you think between me and him."

"Blessing?" Asher Hawn frowned.

"Yes, because I told him I found the man I wanted to spend my life with, and that man was you. Asher Hawn, can you stop being jealous?"

"Really?" Asher Hawn hooked his lips, and the tight lines of handsome face finally relaxed.

Nora Smith nodded. "Yes, it's true. But..."

"But what?" Asher Hawn pressed.

"But you have wronged me so

his anger and opened his mouth in a heavy tone.

Strong jealousy came to me. Nora Smith thought for a moment and said faintly, "I can only tell you that Julian Spencer and I are friends, and he did send me back just now. And you saw him hug me. That's his blessing to me. It's not what you think between me and him."

"Blessing?" Asher Hawn frowned.

"Yes, because I told him I found the man I wanted to spend my life with, and that man was you. Asher Hawn, can you stop being jealous?"

"Really?" Asher Hawn hooked his lips, and the tight lines of handsome face finally relaxed.

Nora Smith nodded. "Yes, it's true. But..."

"But what?" Asher Hawn pressed.

"But you have wronged me so

indiscriminately, it seems that I will reconsider my choice." Nora Smith raised his lips faintly and opened his mouth half jokingly.

"Don't think about it! Promise me, don't change your mind!" Asher Hawn opened his mouth in an overbearing tone, bowed his head and kissed Nora Smith's red lips...

Chapter 155 Nora Smith, Let's Get Married

Touching and with some overbearing kisses, Nora Smith's face burned.

His burning breath intertwined with Nora Smith's breath, and his warm thin lips clung to Nora Smith's lips. The feeling of two of a kind and harmony made Nora Smith's breath a little messy.

The temperature in the living room keeps rising...

Nora Smith's eyes light, gradually some blurred.

In a trance, she heard Asher Hawn's low, dumb voice. "Nora Smith, let's get married."

Married? ? ?

Nora Smith suddenly woke up. "What

are you talking about?"

Asher Hawn's eyes grew deeper and deeper, her thin lips filled with a shallow smile, and she opened her mouth deeply.

"Nora Smith, marry me!"

Nora Smith: ...

She promised Asher Hawn, yes, but she didn't want to get married so early.

After all, they have only known each other for more than a month. Although they have experienced life and death together, they can get married... It seems a little too fast!

What's more, she still has a lot of things to do, so she can't get married so early.

"Asher Hawn, you are drunk. Don't talk nonsense." Nora Smith blocked Asher Hawn's thin lips with his hand to stop him from talking any further.

Asher Hawn gave a chuckle.

The next day, when Nora Smith woke up, Asher Hawn prepared a big breakfast for her.

"Look, do you like it?" Asher Hawn opened the chair for Nora Smith and pulled her down.

Looking down at the delicious breakfast in front of her, Nora Smith's heart warmed. "Did you make all these?"

"Hmm." Asher Hawn faintly answered, "If you like, I will cook one for you every day in the future."

Lift your eyes and look at the elegant and noble man in front of you. Nora Smith's heart can't help but jump half a beat slowly.

As high as Asher Hawn, there is such a gentle side.

If you really marry her, you should be very happy in the future, right?

"What are you thinking?" Asher Hawn

noticed Nora Smith's distraction, and his big, well-boned hands shook in front of her.

Nora Smith came to his senses. "Oh, nothing. I was thinking about so many delicious things. Which one should I eat first?"

"Try the fried eggs, your favorite." Asher Hawn placed an omelette on Nora Smith's plate. His eyes flashed across her face, and he said in a clear voice, "Did you consider my proposal last night?"

Nora Smith gave a meal with chopsticks in his hand. "Are you proposing to me?"

Asher Hawn raised his eyebrows. "You can say that."

"Have you proposed so? It's not romantic at all." Nora Smith was speechless. "What's more, we just met, and it's too early to talk about marriage."

Not romantic ...

Asher Hawn grasped the three words.

It seems to be a little casual, but he has no experience.

Nora Smith breathed a sigh of relief when Asher Hawn didn't mention this topic again.

All day, Asher Hawn thought about these three words, so that he was a little distracted when he held a meeting with the company executives.

Very not easy to wait until the end of the meeting, Clark followed Asher Hawn, to the president's office, "Asher, you have something on your mind?"

Asher Hawn sat down, his legs folded at random, and suddenly asked, "Do women all like romance?"

Clark dazed stare blankly for a moment, he thought his president was greatly worried about Howard's body, did

not expect the president adult unexpectedly asked such an unexpected question.

"I think so." Clark nodded.

Asher Hawn sipped her thin lips and gave Clark a faint look. "How can a proposal be considered romantic?"

Proposal? ?

Clark was surprised, and then he knew

President, this is to propose to Nora.

But how did he know how to propose to be romantic?

Clark whined. "Asher, I'm a single dog. I'm not good at this kind of thing!"

"Come on, you go out first." Asher Hawn loosened his tie impatiently.

It seems that he has to do it himself.

Two days later.

Nora Smith had been busy all day and was about to get off work when he received a phone call from Asher Hawn.

"Busy? Let's go together." Asher Hawn's clear voice rang on the other end of the phone.

"Good." Nora Smith said yes.

Hang up the phone. As soon as Nora Smith arrived in the underground garage, he saw Asher Hawn's tall and straight figure leaning against his car, his hands copied in his trousers pockets. Under the dim light, there was a kind of beautiful and leisurely elegance like God.

"Nora Smith." When Asher Hawn saw Nora Smith, he stood up straight and stepped up to her with long legs.

Nora Smith smiled. "Let's go."

Sitting in the car, Nora Smith discovered that the direction of Asher Hawn is not Huishuiyue New Town.

She couldn't help but be surprised.

"Aren't you going home?"

Asher Hawn held the steering wheel tightly in his hands and his lips raised.

"Take you somewhere."

"Where?" Nora Smith wondered.

Asher Hawn looked at her deeply sideways. "You'll know when the time comes."

Okay... and it's so mysterious.

Nora Smith stopped asking questions, and then he would know what Asher Hawn was doing.

About half an hour later, Asher Hawn stopped the car. "Here we are."

Nora Smith looked forward and Asher Hawn took her to the seaside.

The vast sea is calm at the moment, the blue sea is sparkling, and the cool sea breeze blows Nora Smith's hair, giving people a relaxed and happy feeling.

It's just, what are they doing by the sea?

Nora Smith frowned. "Asher Hawn, what did you bring me here for?"

"This is my cruise ship." Asher Hawn pointed to a luxury cruise ship parked by the sea, with thin lips slightly raised.

Nora Smith was speechless. Does Asher Hawn have such leisure to take her out to sea on this big night?

To be honest, Nora Smith has not liked the sea since that time.

Before Nora Smith could say anything, Asher Hawn took Nora Smith's hand and took her aboard the cruise ship.

"Come with me, I have a candlelight dinner prepared." Asher Hawn took Nora Smith's hand and headed for the restaurant.

Walking into the restaurant, Nora Smith discovered that the wall of the restaurant was covered with paper crane of various colors.

"Why are there so many paper cranes?"
Nora Smith looked at the strings of paper cranes hanging on the wall in surprise and asked inexplicably.

Asher Hawn took Nora Smith to the exquisite and luxurious table in the middle of the restaurant and sat down.

On the dining table, there is a pair of vivid paper crane.

Asher Hawn handed Nora Smith the red one, and his deep eyes were somewhat soft. "For you, see if you like it?"

"Don't tell me you folded this."
Confused, Nora Smith took the paper crane and looked down.

I saw several golden words on a pair of wings of paper crane: "Nora Smith, marry me!"

The handwriting on it is vigorous and powerful, which Nora Smith knows and

belongs to Asher Hawn.

So... what does this man want?

Chapter 156 Let's Get Engaged First

"I folded it." Asher Hawn raised his eyebrows and looked at the surprised woman. "I folded every paper crane with my own hands. Do you like it?"

I like it, but...

Nora Smith frowned and gave Asher Hawn a speechless look. "Asher Hawn, are you so idle?"

Asher Hawn stretched out his hand and rubbed her eyebrows, and handsome face pretended to take a somewhat wronged expression. "Didn't you say you want romance?"

Romantic... well, she just said it casually. Does this man take it seriously?

There is a touch of helplessness in Nora Smith's beautiful eyes. "So old-fashioned."

"Is it old-fashioned?" Asher Hawn's deep eyes smiled. "It doesn't matter if you don't like paper cranes, there are others."

"Others?" Nora Smith stunned, what did this man do?

Asher Hawn got up, stepped up to Nora Smith with long legs, took her hand, and said, "Come with me."

He took Nora Smith to the window and pointed out. "Look over there."

"Hmm?" Nora Smith looked out of the window as Asher Hawn pointed out, only to see that it was dark outside.

"What's so good about this..."

Before the words of love were finished, suddenly on the beach, thousands of candles lit up in an instant, and they were placed in the shape of two stars connected by Cupid's arrow.

The candle flickered in the wind,

changing all kinds of colors and being beautiful.

Suddenly, as soon as the candle dimmed, it lit up again, this time in five characters, "Nora Smith, marry me!"

See Nora Smith stunned looking at the beach outside, Asher Hawn embraced her slender waist, thin lips hook, "Is this a little romantic?"

Nora Smith recovered and helped his forehead. "This is more old-fashioned..."

"Oh, don't worry, and..." Asher Hawn reached out and pointed to the sky again.

Nora Smith pressed him down quickly. "Come on, don't do so many tricks."

As soon as the words sound just fell, countless gorgeous fireworks bloomed in the night sky, almost illuminating the sea.

At the same time, Asher Hawn magically took out a red heart-shaped

ing velvet ring box from his pocket, kn
on one knee, raised his eyes, and lo
the woman in front of him with de
affection. "Nora Smith, here you ar

His deep eyes are like the vast

She thought about it and said seriously, "Asher Hawn, you barely passed the proposal. But I didn't want to get married so early."

"Why?" Asher Hawn frowned slightly. "Isn't it romantic enough?"

Nora Smith sipped his lips. "It has nothing to do with romance. After all, we have only known each other for more than a month, and we don't know each other deeply enough. What's more, how can you get married without falling in love?"

Nora Smith's idea, since two people are two of a kind and have determined their love relationship, they should have a good love, and marriage will be put on the agenda naturally.

Now, she has just promised to confirm her love relationship with him, but she

doesn't want to rise to the height of marriage at once.

"That's it." Asher Hawn lowered her head and whispered in her ear. "I'm not reluctant if you don't want to get married so early, but at least we must get engaged first."

His warm breath sprayed all around her neck, which made Nora Smith's face burn.

Before Nora Smith could say anything, Asher Hawn suddenly grabbed her hand.

There was a slight coolness in his hand, and Nora Smith dropped his eyes. He saw Asher Hawn put the beautiful ring on Nora Smith's ring finger with lightning speed.

"What are you doing?" Nora Smith looked at the ring on his hand, and his heart was amazed.

In the light, the ring on Nora Smith's hand shone brightly, and a delicate and

huge DIA sparkled, which made Nora Smith almost dazzled.

"This is our heirloom in the Hawn family. Grandpa asked me to give it to his grandson's wife. Now I will give it to you." Asher Hawn, with her thin lips and deep eyes, with the softness only shown in front of Nora Smith, reached out and took her into her arms.

Snuggling in Asher Hawn's arms, Nora Smith's heart beat a little fast.

After thinking for a moment, she nodded. "Then, as you said, we will be engaged first."

In fact, about engagement, Grandpa and Howard had already engaged them before, but after all, it was an oral agreement between the two grandfathers, and Nora Smith and Asher Hawn didn't know each other at all at that time.

Now, it is her and Asher Hawn's own wishes.

Seeing the woman nodding in her arms, Asher Hawn's deep eyes flashed strange colors. "Nora Smith, I am willing to wait until you are ready to marry me."

"Then you have to wait slowly." Nora Smith's face turned a little red unwillingly.

"Don't keep me waiting too long." Asher Hawn chuckled, bowed his head and kissed her...

The next day was the weekend, and Asher Hawn took Nora Smith back to his old house in the Hawn family to visit Howard.

"Master, Nora." Lean opened the door, saw Asher Hawn and Nora Smith, and shouted respectfully.

Asher Hawn asked faintly, "Where's my grandfather?"

"Howard, he's in the study." Lean took

them to the study and knocked at the door.

"Master, young master and Nora are coming."

"Come in." Howard's voice came from the study.

Asher Hawn pushed through the door and saw Howard practicing calligraphy in the study. He stepped forward and said, "Grandpa."

Howard put down his pen. "Asher, Nora, there you are."

Seeing that Howard looked much better, Nora Smith smiled and asked with concern, "Howard, are you all right?"

"And call me Howard?" Howard stared at Nora Smith with a smile. "Should I call me Grandpa like Asher?"

Uh, grandpa...

Nora Smith looked at Asher Hawn beside him and saw him pick his eyebrows.

"Grandpa is right."

In Howard's eager eyes, Nora Smith opened his mouth. "Grandpa."

"That's right!" Howard touched his beard and said amazingly, "Asher, when are you and Nora going to get married?"

Get married ...

Well, it seems that the Huo family is short-tempered when it comes to marriage.

Nora Smith said hastily, "Grandpa, we didn't plan to get married so early."

"Hmm?"

Howard frowned and was about to say something when Asher Hawn's magnetic voice sounded, "Grandpa, Nora Smith and I will be engaged first."

Chapter 157 Expecting the Engagement Ceremony

"Engaged ah, also OK..." Howard hearty smile a few times, and then ordered Li housekeeper, "Lean, you go and get the almanac."

Looking through the almanac, Howard put on his reading glasses and studied it carefully for a few minutes. Then he looked up at Asher Hawn and Nora Smith. "The 18th of this month is an auspicious day in the zodiac. It is good for you to have a wedding on this day."

"Isn't it too hasty, eighteenth?" Nora Smith is speechless. It's already the 10th today, and there are only eight days left. It's too hasty!

Even she didn't have enough time to

design a dress for herself.

Asher Hawn's deep eyes flowed and fell on Nora Smith. He stretched out his hand and took her directly. He said in a clear tone, "Don't rush, you don't have to prepare anything. I will give you a grand engagement ceremony when the time comes, and you will just wait for Meimei to be a bride."

Looking at his grandson and Nora Smith's loving appearance, Howard nodded with satisfaction. "That's a deal."

Nora Smith was speechless: ...

It's a deal. She hasn't said yes yet.

Men in the Hawn family are really more overbearing than others.

"Grandpa, Jaxson Lambert, I will continue to send people to keep an eye on it." Asher Hawn suddenly remembered something. "Clark has found the captain. He

fell into the sea after the crash and was rescued by a foreign ship. Unfortunately, he was injured when he fell, and his memory of the day of the crash was blank."

"That's it." Howard frowned. "Let the best doctor treat him."

"I have arranged it." Asher Hawn's eyes are cold. "Grandpa, Jaxson Lambert can put you under house arrest, and he can try to harm me on my plane. Even my father's death... is related to him."

Howard's eyes narrowed slightly and flashed a complicated look. "Don't startle the snake before there is no definite evidence. I really don't want to be a home building."

After all, Jaxson Lambert was his adopted son, and Jaxson Lambert's father was kind to him and even sacrificed himself to save him.

Howard adopted Jaxson Lambert.

Howard really didn't want to believe that Jaxson Lambert was the one with wolf ambition.

"I see, Grandpa." Asher Hawn said faintly.

The news that Asher Hawn and Nora Smith are going to get engaged spread like wildfire, which made a sensation and became a hot search top1, sensationalizing the whole network.

The following comments have also reached an unprecedented enthusiasm, and there are many blessings:

"Huo Nan Shen and Shu Mei are finally engaged!"

"Huo male god & Shu beautiful woman, the best cp goes online, bless them!!"

"The male god is going to be engaged, envy, jealousy, hate... a joke, congratulations

to Huo male god and Shu beauty!"

There are also many discordant voices discrediting Nora Smith:

"That bumpkin in Nora Smith, which point is worthy of Huo Nan God?"

"Nora Smith is a bitch of easy virtue, stepping on two boats, so don't be fooled!"

The Hawn Goup, the president's office.

Asher Hawn sat in a chair, his slender fingers brushing the screen of his mobile phone, and saw the comments that discredited Nora Smith, and his knife-shaped eyebrows frowned.

He called to Clark and sank. "Go and delete all the negative news."

Clark respectfully agreed, "Yes, president."

Charming bar, flickering lights, drunk.

In the dressing room, a young girl in a white dress looks down at the large photos

of Asher Hawn and Nora Smith on her mobile phone.

"Angel, why haven't you put on your makeup? The performance will start in half an hour." Angel's companion Alice saw her staring at the screen of her mobile phone and reminded her.

In the bar, all the resident girls use English names.

So is Angel, whose Chinese name is Tang Ruoying.

Tang Ruoying looked up and gave her a faint look. "I see."

"What are you looking at?" Alice leaned over curiously,

After seeing the news about Asher Hawn and Nora Smith's upcoming engagement ceremony, Alice spoke with envious eyes. "Angel, are you also concerned about Asher Hawn and Nora

Smith? I heard that they are going to be engaged soon."

"So what?" Tang Ruoying snorted coldly.

Alice envied and sighed, "Nora Smith can marry such an excellent man as Asher Hawn, which is really the happiest woman in the world!"

Tang Ruoying's eyes flashed a cold light.

"Not soon."

"Hmm? What did you say?" Alice asked in amazement.

Tang Ruoying raised her lips and opened her mouth coldly. "You will know when the time comes."

In a twinkling of an eye, it was the 18th, when Nora Smith and Asher Hawn held their engagement ceremony.

Asher Hawn got up early in the morning. He knocked on Nora Smith's door.

"Nora Smith, are you up?"

"Hmm." Nora Smith opened the door.
"You're so early."

"Today is a very special day, won't you forget it?" Asher Hawn said with a gentle smile on her lips.

Nora Smith rubbed his hair. "I know. But now... it's too early."

The woman in front of her is sleepy, with long hair flowing in a shawl and somewhat lazy.

Asher Hawn eyes light deep a few minutes, can't help stretching out his hand to hold her willow waist, will she to his arms press.

Nora Smith hasn't reacted yet, and Asher Hawn's burning kisses have fallen all over the place...

"All right." Chest ups and downs, Nora Smith pushed away tightly imprisoned her man, thought about it and said, "I will not

go to the company today, rest at home in the morning, and Nana and I will do modeling in the afternoon."

"I'll accompany you." Asher Hawn took her in his arms again and kissed her on the forehead.

This man, do you want to be so touching...

Nora Smith's body can't help but tremble, gently pushed him away, "No, there is Nana to accompany me on the line. Isn't your company still have something to do?"

"But I want to be with you." Asher Hawn sipped her thin lips.

On such a special and grand day, Asher Hawn doesn't want to be separated from his beloved fiancée for a moment.

"Why don't you do this? I'll call you last night, and then you'll pick me up. Now you

go to the company first." Nora Smith thought about it and said.

She knows that Asher Hawn is a workaholic, that The Hawn Goup has had some influence after Jaxson Lambert, and that Asher Hawn needs to put more energy into it now.

Seeing Nora Smith's insistence, Asher Hawn quickly kissed her on the cheek, and a low, dumb voice sounded, "OK, listen to your wife."

"Who is your wife? It's so thick-skinned." This title made Nora Smith's face hot.

Seeing that Nora Smith's face was as red as cooked shrimp, Asher Hawn bent his lips in a good mood.

"Then I will go to the company first. Remember to call me in the afternoon and I will pick you up." Asher Hawn told me.

Tonight, he will make his beloved woman, become the happiest woman in the world, let all people envy her.

He is looking forward to the engagement ceremony tonight.

Chapter 158 I am Mia

Asher Hawn had a faint smile on his lips when he thought of his engagement tonight and his surprise for preparing Nora Smith tonight.

His big, well-knit hands, holding the steering wheel tightly, drove in the direction of The Hawn Goup.

Suddenly, a woman in a white skirt in front of her, running back in a panic, rushed straight out of the road and rushed towards Asher Hawn's car.

Asher Hawn's face sank and he stepped on the brakes.

Crunch ...

A sound of car tires rubbing against the ground.

Rao is Asher Hawn already quick-eyed

and quick-witted to step on the brakes, or hit the woman.

Handsome eyebrows frowned, and Asher Hawn opened the car door, got out of the car, and looked down at the pale woman lying on the ground.

This woman seems a little familiar.

Asher Hawn rubbed his eyebrows and remembered that it seemed to be the resident singing of the charm bar.

He once heard her sing in the bar.

I don't know why she suddenly rushed out of the road and hit his car.

Fortunately, it doesn't seem to be serious.

Asher Hawn asked with a light look. "Are you all right?"

Tang Ruoying grabbed Asher Hawn's foot and looked behind him in panic. "Sir, help me!"

Asher Hawn frowned and pulled out his feet. He was about to open his mouth when suddenly two tall men came towards Tang Ruoying.

One of the bearded men directly pulled her up from the ground and said maliciously, "Bitch, still want to run?!"

With a hiss, the collar of Tang Ruoying's skirt was torn by a bearded man, revealing her shoulders.

Out of the corner of Asher Hawn's eye, he suddenly saw a plum blossom birthmark on the woman's snow-white shoulder.

Asher Hawn's eyes condensed.

This plum blossom birthmark... is so familiar.

In the depths of memory, the little girl once had such a plum blossom birthmark on her shoulder.

"Mia?" Asher Hawn stared closely at the

plum blossom birthmark, and his eyes flashed with disbelief.

Tang Ruoying grabbed Asher Hawn's arm again, staring at his handsome face intently, a pair of beautiful eyes shining with tears, and his tone was excited. "Are you... Asher?"

Asher ...

What a familiar name!

That's what Mia called him!

Is this fragile and delicate girl in front of us really Mia?

Those dusty memories, like the tide that burst the bank, surged.

Asher Hawn's thoughts were a little confused at this moment.

"Bitch, it's your blessing that Boss Zhang can take a fancy to you. How many women want to queue up for his bed, which is cheaper for you!" The beard pulled Tang

Ruoying hard and slapped him. "Don't come with me!"

Tang Ruoying covered her face with her hand, shaking all over, and looked at Asher Hawn for help. "Asher, help me! Please help me!!"

Tang Ruoying's words linger in Asher Hawn's ears.

When Mia fell off the cliff, the last sentence he said was, "Asher, help me! Please help me!!"

Without hesitation, Asher Hawn swept his cold eyes to the two men. "What do you want?"

His powerful aura made the originally fierce man's arrogance suddenly weak. "This woman owes money to our boss, and it is natural to pay back debts..."

Asher Hawn directly took out a check, filled in the numbers, and threw it to the

beard. His thin lips slightly lifted and he spit out a cold word, "Get out!"

When beard saw the number on the check, his eyes glowed and he quickly picked up the check from the ground. "This is rolling, this is rolling."

"Thank you, Asher." Tang Ruoying took Asher Hawn's hand and looked at his eyes, which were interwoven with excitement, happiness and shock ... all kinds of complicated feelings.

There seems to be a thousand words, but I don't know how to speak.

The palm of your hand came from the cold temperature of the woman's fingertips in front of you. Asher Hawn narrowed her eyes and took a somewhat if-if-nothing look at her tone. "Are you really Mia?"

"Well, I'm Mia." Tang Ruoying nodded heavily without hesitation.

She's Mia!

She is Mia! !

A cool breeze blows on Tang Ruoying, and her already weak skirt has been torn by the two men just now. Her thin body is as thin as a thin paper, crumbling, as if she will fall down at any time.

Asher Hawn rolled his Adam's apple. He had too many doubts to ask, but for a while he didn't know where to ask.

After all these years, where did Mia go? Why can't he find her?

"Asher... I finally found you..." See Asher Hawn looking at her with the eyes of examination, Tang Ruoying trembling voice, shook the body, the whole person fell to Asher Hawn's arms.

"Mia, Mia?" Asher Hawn subconsciously reached out and held her. "What's wrong with you?"

The woman in her arms, pale, with closed eyebrows, has fainted.

...

RD boutique modelling house.

As soon as Nora Smith and Nana got there, the store manager greeted them warmly. "Nora, your dress and stylist are ready. Asher chose it for you himself."

"Thank you." Nora Smith smiled politely and took the dress.

I have to say that Asher Hawn's eyes are not bad, and even Nana praised, "This dress can be comparable to our family's. It seems that your husband has really spent a lot of thoughts on you."

"What husband? Don't talk nonsense." Nora Smith gave Nana an angry look and followed the stylist inside.

Looking at his boss as a little woman, Nana smiled.

Only a good man like Asher Hawn can be worthy of her boss.

An hour later, after finishing the modeling, Nora Smith came out, and Nana's eyes widened with exaggeration.

Nana knew her boss was beautiful, but she never knew she could be so beautiful! !

Elegant micro-curly hair
shoulder-length batch, a big red dress,
outline her graceful posture, noble and
elegant, natural and graceful.

"Sister, you are really beautiful today!"
Looking at the beautiful and noble woman
like a fairy in front of her, Nana sincerely
exclaimed, "You will be the most dazzling
bride tonight!"

Nora Smith was boasted a little
uncomfortable and looked down at the
time. "It seems that it is getting late."

"How is it?" Nana said with a teasing

smile, "Can't wait to see your husband?"

"I'll give him a call." Nora Smith picked up his cell phone and dialed Asher Hawn's number.

On Asher Hawn's cell phone, there was a prompt tone to turn it off, and Nora Smith bit his lip and shook his head.

Seeing that something was wrong with Nora Smith's face, Nana quickly put away his smile and asked with concern, "What's the matter, Nora Smith?"

"Asher Hawn's phone, I can't get through." Nora Smith twisted her eyebrows and answered.

Chapter 159 Asher Hawn is missing

"Can't get through?" Nana stunned asked, "Are you busy?"

"It's turned off." Nora Smith's eyes can't help but get dark. What is Asher Hawn doing?

Clearly agreed to come to pick her up, why suddenly can't contact?

"Maybe there is no electricity." Nana consoled.

Nora Smith nodded. "Let's wait for him here for a while. He should come when he is busy."

They sat down on the sofa, Nora Smith's eyes fixed on the door.

"Nora Smith, don't worry, maybe your husband wants to give you a surprise and suddenly appears in front of you."

Seeing Nora Smith looking lost, Nana patted her on the shoulder.

"Hmm." Nora Smith gave a faint answer, some absent-minded.

For some reason, a feeling of uneasiness rose in her heart, as if something great was about to happen.

After thinking about it, Nora Smith called Clark again.

"Hello, Nora." Clark's voice came from the other end of the phone.

Nora Smith pursed his lips and asked, "Is Asher Hawn in the company?"

"Asher? He didn't come to the company today." Clark was surprised. "Isn't he with you?"

"What? He didn't go to the company?" Nora Smith's heart fluttered for a moment. "Are you sure?" He asked hastily.

"Certainly." Clark nodded in a positive

tone.

Originally, Asher Hawn had an appointment to see a client today, but Clark didn't see Asher Hawn come to the company all the time, so he called and turned it off.

Clark thought, today is his president's adult engagement ceremony important day, Asher Hawn to accompany Nora Smith, so just specially shut down don't want others to disturb them.

Now received a call from Nora Smith, Clark is very wondering, "Nora, I thought Huo Zong was with you, and specially helped him cancel today's customer meeting. Why are you not together?"

"No, if you see him or hear from him, please let me know at once." The curvature of Nora Smith's mouth was stiff. She took a deep breath and said.

"Well, Nora, Asher, he may have

something urgent. I'll send someone to look for him and let you know as soon as I get any news." Clark said yes.

Hang up the phone, Nora Smith's heart, tightened up.

"How is it?" Nana is concerned about opening his mouth.

Nora Smith frowned. "He's not in the company."

The feeling of uneasiness in Nora Smith's heart grew stronger and stronger.

Where the hell is Asher Hawn?

In the morning, he clearly said that he was going to the company. Why is he missing now? Even the cell phone is turned off.

Asher Hawn is not such a person who has not confessed. How can he disappear inexplicably?

What's more, today is such an

important day for their engagement ceremony.

Can't have an accident...

Thinking of this, Nora Smith suddenly stood up. "I went out to find him."

Nana hurried up. "I'll go with you."

Nora Smith forgot to change his dress and walked out with his skirt.

"Wait for me." Nana chased out and grabbed Nora Smith. "Nora Smith, calm down. Do you know where to find Asher Hawn?"

Nora Smith shook his head, and then an epiphany came to his mind.

She quickly took out her mobile phone and dialed Anthony's phone.

"Sister Ada, isn't today your wedding day? Why are you so free to find me?" Anthony joked on the other end of the phone, "Aren't you afraid your husband will

be jealous?"

Nora Smith's eyebrows were tight, and his cold voice was somewhat urgent.

"Anthony, help me locate a mobile phone number immediately."

"Hmm?" Hearing Nora Smith's cold and serious voice, Anthony was a little surprised. "What number is so important?"

"Don't ask so many questions, tell me the result as soon as possible!" Nora Smith's face condensed.

Hang up the phone and Nora Smith sends Anthony Asher Hawn's cell phone number.

Soon, Anthony replied to her message: "It can only be located in the approximate position, near Mingyang Mountain on the outskirts of the city."

Mingyangshan?

Nora Smith's face grew colder and

colder. Why did Asher Hawn go there?

He won't run so far for no reason. Is there anything important?

Or... he had an accident?

In desperation, Nora Smith took Nana to take a taxi and went straight to Mingyang Mountain.

"Miss, the scope of Mingyang Mountain is very large. Is there a specific location?" The taxi driver looked back at Nora Smith, his eyes full of surprise and doubt.

What is this beautiful woman doing in such a remote place as Mingyang Mountain, all dressed up?

Nora Smith frowned and opened his mouth. "You should drive in the direction of Mingyang Mountain first, and the specific location will be discussed later."

After that, Nora Smith sent a message to Anthony again: "Anthony, can you locate it

in a more specific position?"

Ten minutes later, Anthony replied,
"Sorry, Ada, I tried my best, but I couldn't
locate it."

...

Hospital.

Asher Hawn frowned at the woman
lying in the hospital bed.

Is she really Mia?

That dusty memory kept flashing in
Asher Hawn's mind.

The plum blossom birthmark on her
shoulder and her "Asher" are exactly the
same as Mia in those days.

But why did she feel so strange to him
when she fainted in his arms?

Is she Mia or not?

Asher Hawn Jun's face was cold and his
thoughts drifted away slightly.

Suddenly, a soft and weak "Asher" came

into his ears and pulled Asher Hawn's thoughts back.

He looked down and saw Tang Ruoying slowly open his eyes, and his pale lips moved. He was excited and opened his mouth with some disbelief. "Asher, is it really you? Did you save me?"

Asher Hawn bowed his head, his deep eyes swept across the woman in the hospital bed, and his voice was cold. "What's your name?"

Tang Ruoying painstakingly sat up and leaned against the hospital bed. He looked at the handsome man in front of him and said softly, "Asher, my name is Tang Ruoying, and my nickname is Mia."

"Tang Ruoying?" Asher Hawn frowned, a strange name.

"Hmm." Tang Ruoying nodded. "Because my surname is Tang, my nickname

is Mia. Asher, when we were kidnapped together and locked up in a small black room, didn't you forget it all?"

Asher Hawn's face has been faint look, slightly moved.

Kidnapped, locked up in a small black room, can really be right.

"Asher, you must remember me, don't you? In those days, those kidnappers were so fierce that they let dogs try to bite us. I am afraid of the dark, you are afraid of dogs, and I said I would protect you from big dogs biting you." Tang Ruoying continued.

Of course, the scene resurfaced.

In the dark little dark room, Mia hugged him with a small body and said in a tender voice, "Asher, don't be afraid, I am very powerful, and I will protect you."

Asher Hawn's thin lips moved. "Mia...

Chapter 160 Isn't this Asher Hawn's car

I'm afraid of the dark, you're afraid of dogs ...

Yes, Asher Hawn was really afraid of dogs.

Mia, too, is afraid of the dark.

So much so that when Asher Hawn knew that Nora Smith was afraid of the dark, she once thought she was Mia.

But it turned out that Nora Smith was not Mia.

So, the girl in front of us-Tang Ruoying, she is Mia?

Tang Ruoying held out his right hand, touched Asher Hawn's face trembling and gently stroked it. "Yes, Asher, I am Mia!"

The warm temperature of the woman in front of her face came from her face. I

don't know why, but Asher Hawn felt a little unaccustomed.

He quietly held down Tang Ruoying's hand and put it down gently.

Tang Ruoying's eyes darkened invisibly, and continued, "Asher, I still remember that year, when we were kidnapped by three men and a woman, the fiercest man lacked a front tooth, and they all called him the third brother. We are all most afraid of this third brother. Every time he enters the little black room, he scares us."

Asher Hawn's heart beat a few minutes faster.

Tang Ruoying said it all right!

Seeing Asher Hawn's face moved, Tang Ruoying slightly raised his lips and continued, "Once, he came in with a knife and wanted to cut my hair. Asher, you tried your best to protect me. He cut a knife in

your chest and shed a lot of blood. Asher, is the wound on your chest still there..."

"Also, that woman is kind and often brings us something to eat. Once she brought in a meat buns. Asher, you couldn't bear to eat them, and left them to me. You said to me, 'Mia, I'm not hungry. Eat quickly. After eating, we will have the strength to escape...'"

Asher Hawn's eyes light, deep a few minutes.

Asher Hawn believes that she should be Mia.

These things, only he and Mia knew.

Therefore, Tang Ruoying is Mia!

It is the Mia he has been looking for for so many years!

"Mia, it's really you." Asher Hawn no longer doubted, and said in a low and heavy mouth.

"Asher, do you finally recognize me?"
Tang Ruoying raised a happy smile on her face and threw herself into Asher Hawn's arms. "Great! I finally saw you again! When I fell off the cliff, I, I thought I would never see you again!"

Tang Ruoying's perfume smell came, and Asher Hawn frowned slightly.

This taste seems to be different from Mia in memory?

Maybe it's because Mia has grown up, and there will definitely be a difference from childhood.

Asher Hawn gently pushed away Tang Ruoying, recalling the past, with some emotion in his tone. "Yes, when you fell off the cliff, I was saved by the people my father brought to find me.

All these years, I have been looking for you, but why haven't I heard from you?

When you fell off the cliff, what happened? "

Tang Ruoying sighed faintly. "After falling down the mountain, I was seriously injured and saved by an Orion. At that time, my injury was so serious that I was taken to Australia by a foreign philanthropist. He cured my injury and accepted me as an adopted daughter.

I have been in Australia all the time. After my adoptive father died, I returned home to find my biological parents, and I found them after several twists and turns. It turned out that they had to abandon me. Over the years, I always misunderstood that they didn't want me to abandon me. "

Tang Ruoying said, sobbing.

Asher Hawn handed her a paper towel.

"Don't cry, wipe it."

"Thank you." Tang Ruoying took the paper towel with red eyes and sucked her

nose.

Asher Hawn said faintly, "It turns out that you went abroad. No wonder I can't find you all the time."

"Asher, have you really been looking for me?" Tang Ruoying lifted her eyes and looked at Asher Hawn with tears.

Asher Hawn nodded, his thin lips flickering. "Hmm."

"I've been looking for you, too." Tang Ruoying's tone is somewhat regretful. "In fact, I often see you on the news, but until today, I realized that you are Asher."

After a pause, she added, "It's a blessing in disguise. If I hadn't hit your car, I think we were still going around looking for each other and continuing to miss."

"By the way, why are those two people chasing you today? How can you owe them money?" Asher Hawn asked.

Those two men are bullies and hooligans at first sight. How can Mia mess with such people?

Tang Ruoying looked sad and lowered his eyes. "Because my grandmother is seriously ill and needs one million surgery, I can't earn so much money when I go to the bar to sing part-time. I can only borrow usury."

"So it is." Asher Hawn squinted slightly.

Tang Ruoying looked up, looked into Asher Hawn's deep eyes, and said, "Asher, I will definitely find a way to work hard to pay back the money you just paid me back."

"No need." Asher Hawn shook his head gently. "The money is just a trivial matter, so you don't have to take it to heart."

"How can that be done?" Tang Ruoying insisted.

Asher Hawn raised his hand and looked

at the time. He thought that Nora Smith was still waiting for him in the modeling house, so he stood up. "Mia, the doctor examined you just now. It's nothing serious. You can rest in the hospital with peace of mind. I have to leave in advance. I will contact you tomorrow."

Asher Hawn just stood up when Tang Ruoying's voice sounded behind him, "Asher."

"What's the matter, Mia?" Asher Hawn paused and looked back.

Tang Ruoying pitifully said, "I don't want to be in the hospital. Can you take me home?"

"Where do you live?" Tang Ruoying's appearance made Asher Hawn unable to refuse.

Tang Ruoying sipped his lips and opened his mouth weakly. "My home is over

there in Mingyang Mountain."

Mingyang Mountain, a little far away.

Asher Hawn thought for a moment and figured out that he should be in time to pick Nora Smith up for the engagement ceremony that evening.

He took out his cell phone and tried to call Nora Smith, only to find that the cell phone was dead.

"Mia, can I borrow my mobile phone?"
Asher Hawn spoke with a faint look.

Tang Ruoying took out her mobile phone. "My mobile phone is broken, so I can't make a phone call, but I can send text messages. Asher, who do you want to send it to? I'll send it for you."

Asher Hawn told Tang Ruoying Nora Smith's mobile phone number and asked her to text Nora Smith that he might pick her up later.

"Well, it's ready." Tang Ruoying shook in front of Asher Hawn with his mobile phone.

"OK, let's go, I'll send you back." Asher Hawn drove Mia home.

...

Nora Smith and Nana took a taxi and turned round and round in Mingyang Mountain.

The taxi driver said helplessly, "Two ladies, where are you going?"

Nora Smith's eyebrows were tight and her heart was extremely uneasy.

She was about to speak when she heard a surprised voice from Nana beside her.

"Nora Smith, isn't that Asher Hawn's car?"

Chapter 161 Asher Hawn and Mia

Embrace

Nora Smith looked in the direction Nana pointed out, and sure enough, in the distance, a Rolls-Royce was parked, which was particularly abrupt and dazzling on the country road.

This is Asher Hawn's car, but why is Asher Hawn here?

Nora Smith's beautiful eyes narrowed, and his uneasiness spread more and more. He said to the driver, "Please go to the front, thank you!"

"Okay!" The taxi driver quickly pulled up to Asher Hawn's car and stopped.

Before the car stopped, Nora Smith couldn't wait to open the door and get off.

Asher Hawn's car stopped by the path

at the foot of the mountain. Nora Smith looked into the car. There was no one inside.

Since his car is here, should he be nearby?

Nora Smith dialed Asher Hawn's phone again, but it was still turned off.

Nana paid the driver, hurried over and asked with concern, "How's Nora Smith?"

Nora Smith shook his head. "There is no one in the car."

The car is here, but the person is not.

Worry, tension, uneasiness... all kinds of emotions are intertwined in Nora Smith's mind.

What the hell did Asher Hawn do? Is he okay?

"Let's look everywhere. Maybe he is nearby." Nana looked around and said, "Don't worry so much, Asher Hawn. He's sure to be fine."

Nora Smith took a deep breath and looked sideways at Nana. "You look on the left and I'll look on the right."

"Good." Nana nodded and walked to the left.

Nora Smith took a few steps to the right and saw a farmhouse next to him, with the door left unlocked.

Nora Smith stepped forward and knocked on the door.

No one responded.

Nora Smith hesitated, but pushed the door and went in. She wanted to ask the people inside if they had seen Asher Hawn.

In the house.

Asher Hawn drove Tang Ruoying back.

This is a poor rural family, which looks very poor.

Asher Hawn frowned. "Mia, do you live here?"

"Well, this is my biological parents' home. I usually rent a house in the city, otherwise it is too far to go to the bar at night. I will come back when I am free." Tang Ruoying bowed his head and bit his lip. "When Grandma's illness stabilizes, I will take them all to live in the city."

Asher Hawn nodded thoughtfully.
"Where's your family?"

"My parents went to the hospital to accompany my grandmother." Tang Ruoying said softly, "I may have to come back later."

"In this way, you have a good rest, and I will go first." Asher Hawn, thinking about Nora Smith and the engagement ceremony in the evening, stood up and said.

"Asher, I think it hurts here." See Asher Hawn to go, Tang Ruoying suddenly pointed to his chest.

Before Asher Hawn could react, she threw herself over him.

"What's the matter with you, Mia?"
Asher Hawn was busy holding Tang Ruoying.

Tang Ruoying snuggled into Asher Hawn's arms, stood on tiptoe slightly, her red lips attached to Asher Hawn's ears, and she was as angry as an orchid's mouth.
"Asher, do you still remember that you once said that you would marry me?"

Asher Hawn's body stiffened.
Indeed, as a child, he once said this sentence to Mia.

But ...
This is what Nora Smith saw when he pushed through the door.

A disheveled young girl, and Asher Hawn tightly hugged together, two people's movements are so intimate and ambiguous.

Besides, the girl said to Asher Hawn,
"You once said that you would marry me?"

Nora Smith looked at the scene in
disbelief, and his head was blank for a
moment.

She was worried about Asher Hawn
and was anxious to look for him
everywhere.

And what is he doing?

He disappeared for so long, that is, he
was making love with another girl!

Nora Smith's heart, twitching violently,
was so painful that he could hardly breathe.

She took a deep breath, tried to restrain
her emotions, and asked in a trembling
voice, "Asher Hawn, what are you doing?"

Asher Hawn was about to push Mia
away when a familiar voice came.

Why is it Nora Smith's voice?

Asher Hawn was dazed and looked at

the door.

I saw Nora Smith dressed up and his face was as gloomy as ice.

"Nora Smith?" Asher Hawn hooked her lips in amazement.

Didn't he ask Nora Smith to wait for him to pick him up? Why is she here at the moment?

How did Nora Smith find this place?

See Nora Smith's face is very ugly, Asher Hawn loosened Tang Ruoying, "Nora Smith, why are you here?"

But Tang Ruoying held him tightly, and the whole person snuggled in his arms, shaking all over. "Asher, who is she? I'm in pain, don't go."

Feeling Tang Ruoying's whole person trembling badly, Asher Hawn's knife-shaped eyebrows were tight and looked down at her. "Mia, are you all right?"

Mia ...

These two words, like magic, fell into Nora Smith's ears.

This girl, the girl Asher Hawn held tightly, turned out to be Mia!

It's Mia! !

No wonder ...

Hehe.

It's so ironic!

Today is the wedding day of their engagement, but Asher Hawn is holding another woman!

And that woman is still the Bai Yueguang he has been thinking about for so many years-Mia!

At this moment, Nora Smith's heart, as if being severely splashed with a cup of sulfuric acid, was in severe pain.

"Asher Hawn, that's Mia?" Nora Smith had a lot of trouble to make his voice sound

normal.

"Nora Smith, go back first, and I'll explain it to you later." Said Asher Hawn, frowning.

He knew Nora Smith must have misunderstood, but he believed in Nora Smith's feelings for him and that Nora Smith would trust him.

As long as he and Nora Smith explain clearly, it will be fine.

Now Mia seems to be very uncomfortable. It is very likely that he was hit by his car just now and was injured.

What's more, he just found Mia today, when Mia was kind to him, once desperate to save him, he can't leave Mia.

So, all Asher Hawn could think of was to let Nora Smith go back first, and when he was done with Mia, he would rush to the engagement dinner, explain Nora Smith to

Mia, and then hold their engagement ceremony as usual.

However, in Nora Smith's view, Asher Hawn has explained everything with practical actions.

He held Mia tightly in front of her!

In Asher Hawn's mind, the person he cares about, cares about and loves most is always Mia!

Was, is and will be!

Nora Smith, on the other hand, is just a floating cloud.

Yes, Asher Hawn, when his beloved Mia is back, how can he look at her again?

The Lord is back, and what's the matter with her body double?

Nora Smith wanted to go up and slap Asher Hawn hard and ask him loudly why he did this to her.

But Nora Smith held back.

Now that he has found Mia and he doesn't love her, why should she pester again?

She, Nora Smith, is by no means the kind of weak woman who is dumped by a man and never recovered!

Chapter 162 There will be no engagement tonight

Nora Smith eyes flashed a touch of complexity, with a bit of pain and refusal, a deep look at Asher Hawn, turned to leave.

Her footsteps are extremely heavy, and every step is so difficult.

Nora Smith walked out of the door, and Nana was walking towards her, panting. "Nora Smith, I've looked over there, but I haven't seen Asher Hawn..."

"Keep the change." Nora Smith spoke coldly and pinched his nails deep into the meat.

The pain in his fingers spread all over his body, but Nora Smith was oblivious.

Because the pain in my heart is thousands of times, ten thousand times!

Seeing that Nora Smith looked ugly, Nana asked with concern, "Nora Smith, what's wrong with you?"

"Nana, let's go!" Nora Smith recovered and took Nana to the road

The taxi just now is still there. The driver went to the bathroom and just got back to the car.

Just about to start the car, Nora Smith pulled open the door, got on the bus, and said to the driver in a heavy voice, "To the Emgrand Hotel."

Emgrand Hotel is an industry owned by The Hawn Goup, and it is also the place where the engagement ceremony will be held tonight.

"Nora Smith, what happened? Did you find Asher Hawn?" Seeing that there is something wrong with Nora Smith, Nana asked.

Nora Smith's face was cold and he bit his lip and nodded.

"Where is he? Why isn't he with you? Did he go to the Emgrand Hotel first?" Nana was worried in his heart and his tone was anxious.

Having known Nora Smith for so long, she has never seen her boss like this.

Something must have happened.

Nora Smith closed his eyes and a sarcastic smile rose from his lips. "Tonight, there will be no engagement ceremony."

"What?" Nana smell speech, in the heart a surprised.

Nora Smith took a deep breath and said faintly, "I've decided to break off my engagement with Asher Hawn, and tonight's engagement ceremony will be cancelled."

Nana said in shock, "Break off the engagement? Nora Smith, are you kidding?"

"Do I seem to be joking?" Nora Smith smiled mockingly.

Nana asked, "Why?"

Nora Smith's heart twitched hard.

"Because Asher Hawn's Bai Yueguang came back, he disappeared all day today, just to be with her."

"Bai Yueguang?? You said Mia is back? How did this happen!" Nana's tone was full of disbelief.

She had heard Nora Smith talk about Mia and knew that Asher Hawn had loved a girl, Mia.

But when Mia fell off a cliff, there was no news for so many years that everyone thought she was dead.

Now, on Asher Hawn and Nora Smith's engagement day, how did Mia suddenly appear?

Nana doesn't know how to comfort

Nora Smith. "Even if Mia comes back, Asher Hawn may not choose Mia. Nora Smith, don't do this, you have a good talk with him."

"Asher Hawn's actions have already explained everything. Why should I ask for trouble?" Nora Smith narrowed her beautiful eyes, and her tone was somewhat astringent.

"But..." Nana knew her boss's personality. Nora Smith was a woman with her own opinion, self-esteem and arrogance. No one could change what she decided.

Nana wanted to say something more, but Nora Smith interrupted her. "Nana, you leave me alone."

Nora Smith leaned back in his seat, and the scene of Asher Hawn and Mia hugging just now reappeared in his mind, which

could not be driven away.

Heart, bit by bit to sink, has sunk to the deepest part of the lake bottom.

So cold, so painful.

This is a feeling that Nora Smith has never felt before.

It's very uncomfortable. It hurts so much that it almost suffocates.

However, no matter how painful it is, she has to bear it.

At this moment, she must be strong.

Now that Mia is back and Asher Hawn has chosen Mia, there is no need for tonight's engagement ceremony.

Instead of letting Asher Hawn bring it up, she might as well bring it up first.

She wants everyone to know that it's Nora Smith, not Asher Hawn!

Emgrand Hotel.

In the most luxurious banquet hall on

the first floor, guests gathered and were very lively.

Here, today will be the grand engagement ceremony of The Hawn Goup's family Asher Hawn, and all the prominent people in A City will attend this prosperous ceremony.

There are also many reporters who rushed over early for fear of missing the first news.

Everyone is looking forward to this feast, except Brittany Sherry.

She stared bitterly at the front stage of the banquet hall, where Asher Hawn and Nora Smith were about to hold their engagement ceremony and receive everyone's blessings.

Why, why Nora Smith!

"Brittany, don't be angry, it's only an engagement, not a marriage." Lany felt

Brittany Sherry's anger beside him and hurriedly opened his mouth to comfort him.

Brittany Sherry took a hard breath.

"You're right, it's just engagement."

"Well, we'll find a way to get rid of this bitch later!" Lany said, his eyes looked in the direction of Julian Spencer, with a small ninety-nine in his heart.

Nora Smith and Asher Hawn are engaged, so won't they pester Julian Spencer anymore?

As time went by, everyone was here, but tonight's protagonists, Asher Hawn and Nora Smith, were nowhere to be seen.

Howard wondered. When he called Asher Hawn, he turned off his phone and Nora Smith's phone went unanswered.

"Lean, send someone to look for Asher." Howard frowned, with a faint uneasiness in his heart.

He knows his grandson, and Asher Hawn is not an unpunctual person.

What's more, on such an important day today, he should have arrived long ago.

Why is there no one now, and even the phone can't be reached?

"Master, don't worry, young master may have something delayed." Lean comforted Howard.

Just then, Madge Hawn and Ashley Hawn came up in high heels.

"Dad, what's Asher up to?" Madge Hawn looked dissatisfied.

Since that day, when Jaxson Lambert held a press conference and Madge Hawn spoke for Jaxson Lambert, Madge Hawn's position in the Hawn family has plummeted.

Asher Hawn simply moved to Water Moon Island and hasn't been home for so many days.

Howard glanced at her faintly. "Your own son, why do you ask me?"

Madge Hawn choked and was about to speak when Ashley Hawn took her hand.

"Grandpa, my cousin is not an unimportant person. I think he must be on his way." Ashley Hawn sweetly opened his mouth and did not forget to discredit Nora Smith. "But Nora Smith is, too. Cousin's cell phone is dead. Why didn't she answer the phone? There is no sense of proportion at all."

Howard opened his mouth and was about to say something when he heard someone shouting, "Coming, coming!"

I don't know who shouted, and everyone's eyes looked at the door.

I saw Nora Smith in a big red dress, got out of the taxi and headed for the banquet hall gate.

Chapter 162 There will be no engagement tonight

Seeing Nora Smith from a distance,
Howard finally breathed a sigh of relief, but
then found something was wrong.

Why is Nora Smith the only one, Asher
Hawn?

Chapter 163 Cancellation of Engagement Ceremony

Nora Smith got out of the taxi, a pretty face as cold as ice, stepped on the red carpet and went straight to the stage in the center of the banquet hall.

My feet are like being filled with lead, and every step is so heavy.

"Nora, why are you alone? Where's Asher? Isn't he with you?" Howard said, hurriedly stood up, walked to the front of Nora Smith, asked with concern.

Nora Smith paused and replied with a blank face, "He won't come."

"What?" Howard was surprised.

What does Nora Smith mean by this?

Why won't Asher Hawn come?

What happened to him?

Howard wanted to ask Nora Smith again what was going on, but Nora Smith passed him directly and walked forward with determined eyes.

All the people present, all felt Nora Smith's wrong, not from whispering, whispering:

"What happened?"

"Why is the bride alone? And Asher?"

"Tut tut, it's not Asher who broke his marriage temporarily, is it?"

"..."

In everyone's surprised eyes, Nora Smith stepped onto the steps and stepped onto the stage step by step.

The master of ceremonies was on the stage making preparations when he saw Nora Smith coming up and hurrying to meet him. "Nora, the engagement ceremony hasn't started yet. You can have a rest first."

Nora Smith ignored him completely and took the microphone directly from his hand.

Her eyes set, she cleared her throat, took a deep breath, and said firmly, "Tonight's engagement ceremony is cancelled."

When Nora Smith said this, it was like throwing a boulder in the calm lake and stirring up huge waves.

It was so sudden ...

There was no warning in advance.

All the guests present looked at Nora Smith on the stage in shock, looking at each other and talking in succession.

"Why did Nora Smith suddenly cancel the engagement ceremony? Is it such a joke?"

"Eighty percent was dumped?"

"Yes, the rich and powerful still have to

make do with each other. How can Asher really want to be engaged to a country bumpkin like her?"

Nora Smith turned a deaf ear to the comments made by his subordinates.

Brittany Sherry couldn't hide the excitement on her face. She glanced at Lany beside her. "Nora Smith, is she crazy?"

Lany flattered. "Who knows? Maybe Asher discovered her true face and dumped her."

Brittany Sherry agreed happily. "Yes, it must be. Asher, he finally saw the true face of this shameless fox. Great!"

"Brittany, I told you, Huo and she are just playing. How can they really be engaged to her? Now you don't have to worry. Mrs. the Hawn family's position will definitely be yours." Lany kept kissing his ass.

Brittany Sherry nodded with satisfaction.

The reporters, with excitement, surrounded the past one after another.

The Hawn Goup's president was suddenly called off on the eve of the engagement ceremony, which is explosive news!

"Nora, why did you cancel the engagement ceremony?"

"Nora, you suddenly announced the cancellation of tonight's engagement ceremony, Asher. Does he know? Is this your decision or Asher's decision?"

"Nora, did you cancel the engagement because you had a problem with Asher?"

One question after another, constantly bombarding Nora Smith.

Nora Smith raised his lips faintly.
"Sorry, I won't give an interview. Tonight's

engagement ceremony has been cancelled.
You can go now."

When Asher Hawn arrived at the entrance of the banquet hall of Emgrand Hotel, he saw this scene.

Nora Smith, the woman he loved deeply, wore a red dress he had chosen for her, which made her extraordinarily tall and charming.

So bright and moving, so let him move.

But when she opened her mouth, she was so ruthless. "Tonight's engagement ceremony has been cancelled."

The engagement ceremony was cancelled...

With a light remark, she cancelled their engagement ceremony without authorization.

Why?!

Asher Hawn didn't understand.

In order to give Nora Smith a grand engagement ceremony, he made people do everything in just eight days.

Everything, according to Nora Smith's preference, chooses the best.

He looked forward to tonight's engagement ceremony, and he looked forward to receiving everyone's blessings with Nora Smith.

He also prepared a gift made by himself for Nora Smith to surprise her in front of everyone and make her the happiest woman in the world.

In order to come to the engagement dinner, he left Mia, raced all the way, and even ran two red lights, just to see Nora Smith earlier.

But, why?

Nora Smith did not hesitate to cancel their engagement ceremony in front of

everyone.

Why is she so rude and cancel the engagement ceremony?

I didn't even tell him in advance.

"Asher, Asher is here!"

Someone saw Asher Hawn standing at the entrance of the banquet hall, his face as cold as ice, and shouted in surprise.

Immediately, the reporters rushed around and pointed the microphone at Asher Hawn.

"Asher, did you know of Nora's sudden cancellation of the engagement ceremony?"

"Asher, would you please..."

Before the reporter finished speaking, Asher Hawn's eyes were crimson, his handsome face was as cold as a thousand miles of ice, and his cold mouth said, "Roll!"

Asher Hawn's aura is so powerful that the reporters shook their bodies and

silenced one after another.

With a cold breath and a horribly gloomy face, Asher Hawn walked step by step towards Nora Smith.

A chill hit, Nora Smith twisted the eyebrows, and looked at Asher Hawn's cold eyes without fear.

Is he willing to come back from Mia?

He is so angry because she proposed to cancel the engagement before him?

Now, everyone knows that it was her Nora Smith who dumped Asher Hawn, and his face is dead, so that's why he is so angry?

Hehe.

Shouldn't Asher Hawn be happy?

She offered to break off the engagement, so that he could be justified with Mia.

What's more, by her point of view, Asher Hawn will not bear the stigma of

fickleness.

What's he got to be angry about?

Looking at the frosty man, approaching her step by step, Nora Smith's lips slightly raised a satirical radian.

Before she could speak, a powerful force came from her wrist.

"You..." Before Nora Smith could react, Asher Hawn buckled her wrist and pulled her directly to the lounge behind the stage and pressed her against the wall.

"Asher Hawn, let me go!" Nora Smith was imprisoned by Asher Hawn, she struggled.

Asher Hawn did not move at all. He clasped Nora Smith's wrist with both hands and looked at her condescending. His sexy thin lips tightly pressed into a line, and his deep eyes churned with anger that Nora Smith couldn't understand.

After a long time, he rolled the Adam's apple, suppressed his anger, and asked in a dull voice, "Nora Smith, why?"

Chapter 164 Howard's Heart Attack

His hands were clasped tightly by Asher Hawn, and Nora Smith struggled hard, but he couldn't break free.

"Nora Smith, why on earth did you cancel the engagement ceremony?" Seeing Nora Smith silent, Asher Hawn repeated.

Asher Hawn is like this, which makes Nora Smith feel moved for a moment.

She closed her beautiful eyes and saw Asher Hawn and Mia hugging each other again in the afternoon.

Heart, a sting.

Take a few deep breaths, and when you open your eyes again, Nora Smith's eyes are already MoMo. "Why? Shouldn't you be very clear?"

Asher Hawn was dazed. What did he

know?

He doesn't know anything!

"Because... Mia?" Asher Hawn frowned.

"Didn't I say I would explain to you about Mia?"

Explain?

Nora Smith smiled coldly.

The facts are already in front of us.

What is there to explain?

Just then, Howard walked into the lounge with crutches and the help of Li Butler.

"Asher, Nora, what the hell are you doing?" Howard, angry and anxious, asked with a calm face and a somewhat anxious tone at the sight of Asher Hawn and Nora Smith.

Good. Why cancel the engagement ceremony?

And in front of all the guests, so

suddenly?

Let everyone see jokes, I don't know what it is!

"Grandpa." Seeing Howard come in, Asher Hawn quickly let go of Nora Smith and went to hold Howard.

"Did you do something to upset Nora?" Howard's face was extremely ugly, and he knocked on his crutches in a serious and cold tone.

Before Asher Hawn could answer, Madge Hawn came up, cleared his throat and said, "Hey, Dad, what do you blame Asher for?"

After a pause, she gave Nora Smith a sharp stare. "Now it's obvious that Nora Smith is responsible for canceling the engagement ceremony!

Rural people are rural people, and they don't know any rules! Today is such an

important day, you have to embarrass yourself. Why do you bring trouble to the Hawn family? "

Ashley Hawn also smeared Nora Smith with embellishment. "That's right, cousin, how could he do something to make Nora Smith unhappy? Today's good engagement ceremony, Nora Smith actually made such a big joke, which made our the Hawn family lose our faces!"

Listening to Madge Hawn and Ashley Hawn chattering each other, Howard suddenly felt his chest stuffy.

He covered his chest and looked at Nora Smith. "Nora, what's going on?"

"Howard, thank you for your concern all the time, but I'm sorry today, but I have to cancel my engagement with Asher Hawn." Nora Smith pursed his lips in a firm and determined tone.

"Nora, is it Asher he..." Howard opened his mouth and wanted to say something more. His chest cramped and his body shook.

Burst-

There was a loud noise and Howard fell to the ground.

"Grandpa, grandpa! What's the matter with you?" Asher Hawn stepped forward and tried to hold Howard, but he was one step late after all.

I saw Howard pale, sweating on his face and his eyes closed.

"Grandpa, what's wrong with you?" Asher Hawn was surprised, and hurriedly crouched down and shouted.

However, Howard did not respond at all.

"Call an ambulance!" Looking at Howard in a coma, Asher Hawn's heart

throbbed and almost roared.

Many people gathered around and the lounge was a mess.

Clark immediately called 120, with a somewhat anxious tone. "Hello, Emgrand Hotel, an old man fainted, please come immediately!"

Nora Smith's heart was also tight, and she looked down at Howard lying on the ground.

His symptoms look like a heart attack.

Nora Smith was about to walk over to see Howard, but Madge Hawn and Ashley Hawn stopped him. "Nora Smith, haven't you done Grandpa enough? What else do you want!"

"Get out of the way!" Nora Smith spoke in a cold tone.

Howard is in a critical condition now. She must give him first aid before the

doctor arrives.

Otherwise, the consequences are unimaginable.

Ashley Hawn snorted coldly, and didn't mean to get out of the way at all. "Nora Smith, who do you think you are? Now that you and your cousin have broken off their engagement, you are nothing! You have no right to see Grandpa!"

"Get out of the way!" Nora Smith didn't have time to pester Ashley Hawn any longer, so he pushed Ashley Hawn to the ground directly.

"Hey!" Ashley Hawn screamed and fell to the ground, staring bitterly at Nora Smith. "Nora Smith, you hit me?"

Nora Smith didn't want to pay any attention to Ashley Hawn, but Ashley Hawn hugged her leg.

Madge Hawn and Ashley Hawn pulled

and pulled, and like two shrews, they entangled Nora Smith.

Nora Smith was in a hurry, and with some strength, he finally got rid of Madge Hawn and Ashley Hawn, opened the crowd and walked to Howard.

She crouched down and stretched out her hand to feel Howard's pulse, but Asher Hawn's big hand pressed her down.

"What are you doing, Nora Smith?" Asher Hawn's knife-shaped eyebrows are locked and his eyes are cold.

Shu showed Asher Hawn a blank look, pushed him away, and directly gave Howard a cardiopulmonary resuscitation.

Asher Hawn was stunned by her skillful movements.

It suddenly occurred to me that, of course, Sarah fell into the water, and Nora Smith helped her do cardiopulmonary

resuscitation.

When they were stranded on a desert island, he was attacked by a big fish, and his wound became inflamed and he had a high fever, which Nora Smith helped him cure.

So, Nora Smith is a doctor?

Nora Smith was absorbed in giving Howard cardiopulmonary resuscitation, completely ignoring the fingers of people around him.

There was some guilt in her heart at the moment. If she hadn't cancelled the engagement ceremony and stimulated Howard, maybe Howard wouldn't have fainted.

Ten minutes later, the ambulance arrived.

The doctor hurried into the lounge.

"Doctor, see how my grandfather is?" Asher Hawn, who has always been at the

top of Mount Tai and does not bend over, has a somewhat nervous and anxious tone at the moment.

"The patient has a sudden heart attack and needs to be rescued immediately!" The doctor gave Howard a simple examination, his face condensed, and he sank his voice, while putting on the emergency equipment he brought to Howard.

Asher Hawn followed the doctor in the direction of the ambulance at the door and paused as he passed Nora Smith.

"If something happens to Grandpa, I won't forgive you." Asher Hawn glanced at Nora Smith with his cold eyes and passed her.

Just like the coldness of the cold winter days in March 9, Nora Smith's heart couldn't help but tremble.

She didn't expect that things would

develop like this.

However, isn't Asher Hawn himself the initiator of this matter?

If it weren't for Mia, why would she cancel the engagement ceremony?

Chapter 165 How's My Grandpa

This engagement ceremony, which should have been the most lively and grand engagement ceremony in the world, ended before it started.

Nora Smith's heart, as if hit by a hammer, suffered badly.

"Nora Smith, you bitch, are you satisfied that Grandpa's life and death are uncertain?" Ashley Hawn stepped on high heels and pointed at Nora Smith's nose.

"Nora Smith, if anything happens to the old man, we the Hawn family will not let you go!" Madge Hawn did not forget to throw stones at the well, raised his hand and slapped Nora Smith in the face.

Nora Smith's eyes cooled a little, grabbed Madge Hawn's hand and pushed

her back. "I'm sorry that Howard had a heart attack, but dare you say that you are not responsible for Howard's illness? Who just said those words in front of him to stimulate him?"

"Still dare to argue strongly!" Ashley Hawn quickly held Madge Hawn. "Menstruation, are you all right?"

The reporters gathered around again, and one question after another hit Nora Smith:

"Nora, what do you think of Howard's illness?"

"Nora, what are your plans in the future?"

"Nora, can you tell me why you and Asher broke off their engagement?"

"..."

Nora Smith frowned and pushed away the reporter impatiently. "Sorry, I don't

accept interviews!"

Ashley Hawn's eyes flashed. Isn't this a good opportunity to discredit Nora Smith?

She waved like reporters. "You can come and interview menstruation and me."

Journalists were so eager that they surrounded them one after another.

Ashley Hawn cleared his throat and said, "As you can see, my grandfather had a heart attack today, which was completely stimulated by Nora Smith!

On behalf of the Hawn family, I am here to announce that we, the Hawn family, have nothing to do with Nora Smith, a snake-hearted woman! "

The reporters nodded.

At that time, Nora Smith was criticized by thousands of people. She didn't want to listen to it anymore. She smiled coldly.

"Ashley Hawn, you are an adopted daughter

who has nothing to do with the Hawn family. What qualifications do you have to be the spokesperson of the Hawn family?"

Nora Smith publicly debunked her adoption status, Ashley Hawn's face was green and white, and she turned her eyes to say something, but Nora Smith ignored her directly.

After that sentence, Nora Smith left directly.

Nana and Julian Spencer greeted him. "Nora Smith, are you all right?"

"Don't follow me, let me be alone." Nora Smith looked up at them and said.

She knew that Nana and Julian Spencer cared about her.

But at this moment, she just wants to be alone.

Nana and Julian Spencer looked at each other and wanted to say something else.

Nora Smith sank his face. "Don't worry, I'm fine. I just want to be quiet."

"But, Nora Smith..."

What else did Julian Spencer want to say? Yu Nora stopped him. "Forget it, let Nora Smith calm down alone."

Too many things have happened tonight, and no one can stand it.

But Nana believes in Nora Smith, and she can handle everything.

In Julian Spencer's nervous and worried eyes, Nora Smith walked out of the hotel door.

Walking alone in the street, the neon lights on the roadside are changing colors and shining on Nora Smith.

Nora Smith's thoughts were a little confused.

She doesn't know if she did something wrong tonight. If she hadn't announced the

cancellation of the engagement ceremony in public, maybe Howard wouldn't have had a heart attack and is now lying in hospital for emergency treatment.

However, even if she doesn't announce the cancellation of the engagement, Asher Hawn will still make the same decision.

Because his Mia is back.

Isn't the result the same?

Asher Hawn's MoMo's words sounded in his ears. "If something happens to Grandpa, I won't forgive you." Nora Smith's heart hurt badly.

Asher Hawn hates her, right?

He thinks she did this to Howard.

Unconsciously, the rain fell.

The heavy rain hit Nora Smith and wet her clothes.

The cool night breeze blew gently, and Nora Smith couldn't help shivering.

Suddenly, an umbrella hit Nora Smith's head, covering the wind and rain.

Nora Smith raised her eyes in surprise. A tall and straight figure stood in front of her. It was Julian Spencer.

"Nora Smith, I don't trust you."

Julian Spencer already knows from Nana why Nora Smith canceled the engagement ceremony with Asher Hawn.

There was some joy in his heart. Mia, whom Asher Hawn had always loved, was back. Nora Smith's proud character made it impossible for her and Asher Hawn to be together again.

In other words, he has another chance to pursue Nora Smith.

However, at this moment, Julian Spencer saw Nora Smith soaked and embarrassed, and he felt very uncomfortable and distressed.

If he could, he didn't want Nora Smith to get hurt a little.

Hospital.

"Dr. Ni, how is my grandfather?" Asher Hawn's handsome face is full of worry and tension.

Dr. Ni is the best cardiologist in A City. He gave Howard a detailed examination and said with a heavy face, "Howard had heart disease, but he has been taking medicine to control it. I was greatly stimulated tonight, which led to a sudden heart disease and needed immediate surgery."

Asher Hawn frowned and nodded, condescending to see Dr. Ni, with a cold tone. "Make sure my grandfather is fine!"

The powerful aura came to me, and Dr. Ni trembled and said, "I will try my best!"

The doctor pushed Howard into the

operating room, and Asher Hawn stood outside the operating room and lit a cigarette.

Fingertip fireworks were clearly extinguished, and Asher Hawn's face was horribly gloomy.

Nora Smith's rude public announcement of the cancellation of the engagement ceremony and Howard's fainting from a heart attack alternately flashed through Asher Hawn's mind.

He has been looking forward to so many days, which should have been his happiest moment. Why is it like this now?

"President, Howard will be fine." Clark looked at his president's adult as black as the handsome face of the media, and opened his mouth to comfort him.

Asher Hawn turned a deaf ear, and his deep and cold eyes stared at the door of the

operating room tightly.

Madge Hawn came with Ashley Hawn.

"Asher, how is your grandfather?"

Asher Hawn spoke faintly. "In first aid."

"Cousin, you can rest assured that Grandpa is lucky and will be fine." Ashley Hawn took Asher Hawn by the arm and spoke softly to comfort him.

Asher Hawn glanced coldly at him and pulled out his arm.

Ashley Hawn's eyes were dark, and he did not forget to discredit Nora Smith in front of Asher Hawn. "Cousin, grandpa did this because of Nora Smith!"

"Shut up!" Asher Hawn eyes color a cold, impatient opening.

Ashley Hawn trembled all over. He was about to say something when he was wronged. He was pulled by Madge Hawn. "Qianqian, Asher is in a bad mood now.

Please let him be quiet."

Ashley Hawn silenced.

I don't know how long it took, and the door of the operating room finally opened.

Asher Hawn took a long leg and walked quickly. "Dr. Ni, how is my grandfather?"
