

Ms. Doctor Divine

Chapter 14: Showing Off

Gu Chaoyan looked at Gu Ruxue who still seemed to be in a daze. “What are you doing here, Second Sister?”

“How dare you?” Before Gu Ruxue was able to respond, her maid walked up to her and wanted to slap Gu Chaoyan.

Gu Chaoyan frowned slightly. Grabbing hold of the maid’s hand, she broke it easily. The bone was snapped in a fluid motion.

1

The servant girl started howling in pain as she held her hand. “How dare you slap me, you hideous weirdo?”

But she did not dare to take another step forward. That move had already brought her so much pain that her face turned completely pale.

Gu Chaoyan looked at the ferocious girl. “Qing, slap her!”

Qing hesitated for a moment but soon she went up and slapped three times on the girl’s face.

Pa!Pa!Pa!

She looked at Gu Chaoyan and saw that she was not asking her to stop, so she shrugged and continued.

But Gu Ruxue got so angry that her face turned purple. This worthless girl! How dare she slap her maid. She must have gotten tired of living.

She pushed Qing away.

And came up to Gu Chaoyan. She was about to raise her hand to slap Gu Chaoyan...

When Gu Chaoyan took the initiative and started slapping Gu Ruxue’s cheeks, one after another, instead of allowing Gu Ruxue to even touch her.

4

“Gu Chaoyan, you bitch!!” Gu Ruxue could not believe that Gu Chaoyan had just slapped her. With one hand over her face, she pointed at Gu Chaoyan with the other.

“Second Sister, I am teaching you a lesson.” Gu Chaoyan looked at Gu Ruxue with a bright, innocent expression on her face.

“The first slap is for your servant. I am the Eldest Miss of the Gu Family, and she is just a servant. How dare she insult me and try to raise her hand at me? The second slap is for your own actions. How dare you, the daughter of a concubine, scold and slap me, the lineal daughter? In fact, I should have hit you harder. The third slap is for my servant, Qing and the justice she deserves.” Gu Ruxue stopped smiling.

1

Then she looked at her with a cold expression on the face. “Are you convinced now?”

Gu Ruxue was totally stumped. She pointed at Gu Chaoyan but couldn't utter any words.

This ugly wrench had hit her!

How dare she, how dare she!

She was nothing but the abandoned daughter of the Gu Family. Instead of sucking up to her, she raised her hand at her?!?

She saw her maid, Ling'er with her broken wrist and realised that she was not a match against this obese girl right now.

1

Gu Ruxue felt frustrated. Had she brought some more people with her, she would not have fallen into such an awkward position. She looked at Gu Chaoyan fiercely. “I will tell father and grandma about you hitting me!”

Gu Chaoyan shrugged. She did not really care.

She went back to the chair and sat down, closing her eyes to enjoy the warm sunshine.

2

She threw a disdainful look at Gu Ruxue. “Get out of here if you have nothing more to say. I want some peace.”

Gu Ruxue suddenly burst into laughter. She needed to take revenge for what this girl did to her just now. But she had another purpose in coming here. "Gu Chaoyan, you may not have heard yet..."

"..."

"Father has fixed my engagement with Brother Jiming."

"..."

"I will soon be the Princess Consort!"

"..."

"Brother Jiming is handsome, enjoying a high social status. He is never going to marry you!"

"..."

"Stop daydreaming."

"..."

"After such disgrace, you should really die!"
