"Sir, madam, dinner is ready. Do you want," "Shut up!" Ever since Kevin left Melissa and all the guests behind at the engagement ceremony, everyone in the hotel waited for him for three hours, but he did not come back. Therefore, the Porter Residence was absolutely chaotic now. After all, Porter Enterprise relied on Canics Group to survive. Without the support of Canics Group, Porter Enterprise couldn't sustain itself for long. "Bang!" "Clang!" "Get lost! All of you, go away!" Upstairs, there were sounds of smashing and roaring from time to time. Ever since Melissa left the hotel after she was abandoned, she had been wailing, scolding, and throwing things crazily. At first, Lana tried to comfort her, but after a few hours, she had to give up, letting Melissa vent her anger. At this time, a nanny rushed downstairs and shouted to Lana and Davis, "Sir, madam, something bad happened. Miss Porter attempted suicide by cutting her wrist!" "What?!" After Lana was stunned for a second, she dashed upstairs. "What are you waiting for? Hurry up and call the doctor over. Also, get the medicine for her to stop the bleeding!" Glaring at the nanny who was standing there in a muddle, Davis roared. "Yes, sir." While answering, the nanny immediately called the doctor. Knitting his eyebrows, Davis strode upstairs behind Lana. "Mel, why did you do this?" As soon as Lana rushed to Melissa's room and saw the arm on the edge of the bed that was bleeding profusely from the wrist, she immediately hurried over and held Melissa's wrist tightly, trying to stop the bleeding. At the same time, she chided, "Why are you so stupid? If you die, Hannah will be getting Kevin effortlessly!" "Mom, call Kevin and tell him that I committed suicide. Tell him to come, please.." Looking at Lana, Melissa grabbed her arm and begged her to call Kevin. "Alright, alright!" Under this circumstance, Lana didn't dare to refuse Melissa's request, so she nodded repeatedly. "Let's stop the bleeding first. Once the bleeding is stopped, I'll call him right away."

"No, call him now!" Melissa bellowed with tears all over her face.

"Okay, okay! I'll call him now." Without hesitating a second longer, Lana took out her phone and called Kevin. However, the phone kept ringing and no one answered the call. "Mel..." "Continue calling him. Don't stop! I don't believe it. I don't believe that he doesn't care about me!" As tears rolled down Melissa's face, she wailed. "Alright, I am calling!" With a nod, Lana continued to call Kevin. When Davis walked in and witnessed this scene, he stood aside and sank into silence. Again, the phone kept ringing, but no one answered it.

Downstairs, after the nanny called the doctor, she took the first aid kit upstairs to Melissa's room. Then, she knelt in front of Melissa, opened the first aid kit, and tried to dress her wound.

“Get out!” As soon as the nanny reached out her hand, Melissa suddenly pushed her away and continued to shout, “I want see Kevin! I want to see him. If I don’t see him, I won’t treat my wound even if I die!”

“Is no one answering the call again?” Could not bear to watch Melissa in despair, Davis despondently asked Lana. Lana shook her head. “No one answered.” “Let me try. I’ll call Mrs. Byrne,” Davis said as he snatched the phone from Lana. From the contacts, he found Caroline’s number and dialed it. To his dismay, Caroline did not answer the phone either even though he called her three times consecutively. “Is the Byrnes deliberately avoiding us now?” Seeing that they didn’t answer the phone, Lana was burning with anxiety, so she grabbed Davis’s arm and asked worriedly, “Davis, what do we do now? If Canics Group decides to break off the engagement, we’ll

“Someone, come here!” Before Lana could finish her sentence, Davis bellowed. “Sir.” Hearing that, the driver downstairs rushed up. “Go, find a way to bring Hannah back!” “That b*tch is staying with Tiana, and her phone number didn’t change. When she comes back, I will kill her for seducing Kevin and vilifying me in front of him. It’s all her fault...” Upon hearing that Davis was bringing Hannah back, Melissa was so agitated that she roared with unprecedented hatred and resentment in her eyes. Listening to that, the driver trembled all over, but he did not dare to disobey, so he had no choice but to nod and agree, “Yes, sir.”

In Marin Residence No. 1, where Tiana’s apartment was located. After dinner, Tiana was cleaning up the kitchen, whereas Hannah went back to her room to check out some translation books and information. “Dingdong, dingdong.” When Tiana finished washing the bowls and came out of the kitchen, the doorbell suddenly rang. In the room, Hannah heard it too, so she ran out to open the door, thinking that Tiana was still busy. When she bumped into Tiana, who was on the way to open the door as well, she couldn’t help but laugh. “I’ll get it!” Raising her eyebrows, Tiana went to the living room and plopped onto the sofa. Leisurely, she took the phone and began to play with it. Meanwhile, Hannah ran to the door, and when she saw the person outside was the driver of the Porter family, she was surprised. Why did the driver of the Porter family come? Could it be... “Who’s it? Why didn’t you open the door?” Seeing Hannah stand still in front of the door, Tiana asked. As soon as the driver heard Tiana’s voice, he immediately implored, “Miss, I know you are inside. Please open the door and go back with me. Otherwise, Mr. Porter will deduct my salary. My wife is in poor health, and we have two children. If we don’t get this month’s salary, we will be penniless.” Sitting on the sofa in the living room while watching the television, Tiana immediately understood what was going on when she heard the driver’s words. Before Hannah could open the door, she got up and stormed over. Then, she pulled Hannah aside and shouted, “Your ‘miss’ isn’t here! Get lost!” “Miss Dawson, I know that she lives with you, so please don’t make things difficult for me, please?” The driver’s voice became increasingly pitiful because he was not lying. Davis had indeed threatened to fire him if he failed to bring Hannah back. “Make things difficult for you?” Sneering, Tiana crossed her arms around her chest and shouted, “Am I the one who is making things difficult for you? It’s obviously,” “Tiana, forget it.” While Tiana was scolding angrily, Hannah grabbed her hand and said with a

wry smile, "I'm one of the Porters after all, so it's impossible for me to completely sever ties with them. Besides, this might be a good opportunity to go back and make things clear. After this, I'll stay away from them." "But you were beaten up this afternoon. Aren't you afraid that they will continue to torture you if you go back now?" Looking at the gullible Hannah in front of her, Tiana asked helplessly. However, Hannah lowered her head and smiled. "I'll just take it as repaying them for raising me." Once she repaid her debt, she bet she would no longer feel heartbroken. Knowing that Hannah was determined to go back, Tiana sighed. Finally, she gave in. "I'll come with you then."

"Tiana, I know that you care for me and are indignant at the way I'm being treated, but an outsider can't settle my family affairs, so I have to face it myself sooner or later." Hugging Tiana, Hannah continued, "Don't worry. At most, I'll receive some slaps. Nothing will happen to me." Hearing Hannah's words, Tiana couldn't say anything else, so she sighed and pushed her away. "I hope this is the last time. I really don't want to see you being bullied every day because it'll make me angry." Even angrier than being bullied herself! Grinning, Hannah nodded firmly. "Okay, this will be the last time."
