

CHAPTER 131:

Muran bit his teeth and his face became more embarrassed. He said angrily, "I was in the toilet just now. Who asked you to push the toilet door so open?"

"There are so many Auntie scarves that you can't pass them in without pushing the door open." Wu Tian explained earnestly.

"Who told you to buy so much?"

"I'm afraid you don't have enough..."

"You obviously bought so many Auntie's scarves on purpose, and then found an excuse to push the door open, trying to take the opportunity to peek at me." Muran said more and more angry, cheek is more and more red.

She was ashamed and angry at the thought of her students taking advantage of such a bad move.

"Conscience of heaven and earth, I really don't have that kind of idea. If I do that kind of dirty thing to the teacher, I will strike five thunderbolts." Wu Tian raised his right hand and swore to the sky.

Just now, I just wanted to pass my aunt's towel to Mr. mu. It's really not to take the opportunity to peek at Mr. mu.

Although he also wanted to see Mr. mu in his heart, he didn't have the courage. After all,

teacher Mu was very fierce, which left a deep shadow in his heart.

"Are you really not looking at me?" Seeing Wu Tian's sincere oath, Mu ran also doubted his judgment.

Is it that she misunderstood Wu?

"Really not." Wu Tian shook his head and explained, "I don't know what brand of Auntie towel Mr. Mu uses, so I bought a few more."

"All right." Mu ran doesn't want to pursue this issue any more.

In fact, she can't judge whether Wu Tian has lied, but she can't injustice her classmates because of this.

After thinking about it for a while, he gritted his teeth and asked, "did you see anything after you pushed the door just now?"

"No, nothing." Wu Tian tells the truth.

In fact, he wanted to see something, but the light in the toilet was too dark to see.

"That's good." Hearing this, Muran was much relieved.

If her classmates see something shy, she will be ashamed to death.

After calming down for a while, he gradually regained his composure. "Mr. Wu, thank you for helping the teacher buy that thing just now."

"It's a piece of cake. In the future, if Mr. Mu wants to buy an aunt's towel, he can come to me at any time..."

"Cough!"

Muran red face dry cough two times, no good gas rolled a white eye, fork in the way: "just those things how much money, the teacher gives you money."

If it was not an emergency, killing her would not let students buy those things for her. It would be embarrassing to die.

"Those things are not expensive. They don't need money from the teacher." Wu Tian waved his hand generously. Naturally, he was embarrassed to ask the teacher for money.

"How about that? I asked you to buy these things. I have to pay for them." Muran said here, from the bag to take out a hundred cash, "you take this, the teacher can not take advantage of you."

"Mr. mu, I don't want it."

"Keep it."

"Really not."

"You child, let you take it, and you will Ah Muran called, blushing again.

Wu Tianwei quickly retracted his hands and repeatedly apologized: "sorry, Mr. mu, I didn't mean to."

A moment ago, he accidentally touched Mr. Mu's body.

"Wu Tian, just take it if you want. Don't push." Muran's face with gas will be the money to Wu Tian, the red clouds on his face have not dispersed to now.

"Yes." Wu Tian had to take the 100 yuan note.

He was worried that the embarrassing thing would happen again.

"Well, it's too late for the teacher to go." Tonight has been enough embarrassed, Muran said this word ready to turn away.

"Ah

Just take two steps to send out a pain call, and then cover his stomach with his hand and slowly squat on the ground, the expression is extremely painful.

Seeing that the situation was not good, Wu Tian rushed to care: "Mr. mu, what's the matter with you? Are you all right? "

"I Pain Muran only said two words, at this time on the forehead beans big sweat rolling straight down, face has been distorted deformation.

See Mu teacher so painful, Wu Tian can not help but secretly heartache, "teacher mu, you bear a little, I send you to the hospital."

"No

"How can you do without going to the hospital?"

"Every time I It's useless to go to the hospital if you come to the big aunt like this

"Dysmenorrhea?" Wu Tian was still at a loss after knowing the situation What now? "

"I'll find a place to rest for a while, and it'll be OK after a while." Muran said this and twisted his head to one side.

She didn't want to show the embarrassed side in front of the students.

"Mr. mu, I think you are so serious that you can't rest assured when you go home now. It's better to live in my house tonight. Anyway, my house is big." Wu Tian said.

"This..."

Muran also wants to refute, but at present this kind of situation really can't go home, finally had to nod to promise: "well." "Let's go. I'll help you up the stairs." Wu Tian quickly took the elevator to his residence, holding Mr. Mu's arm.

After Mu ran was sent to the guest room, he quickly poured out the warm water and handed it to him, "teacher mu, drink some water."

"Good." Muran took the tea cup and drank two mouthfuls, then fell on the bed, covering his stomach, allowing the big beads of sweat to roll down.

Wu Tian quickly wiped off the sweat on Mr. Mu's forehead with a paper towel, and said softly, "it's really not my taste to see you in such pain. I wish I could help you bear these pains."

Hearing this, Muran's heart felt a burst of warmth.

It used to be that she suffered alone every time, or was it the first time that a boy cared about her so much.

Bite teeth, forced smile spit out a sentence: "you don't worry, I'll be OK soon."

With these words, she turned her back and lay on her back, and did not speak any more.

After a long time, her pain gradually disappeared and soon returned to her usual state.

But his face still didn't look very good, as if he had a serious illness.

Muran stood up from the bed and arranged her hair in disorder. She said with embarrassment: "classmate Wu, thank you for your concern. The teacher is all right."

"It's OK. I was scared to death just now." Seeing Mr. Mu's recovery, Wu Tian was relieved.

To tell you the truth, it's the first time I met a woman with dysmenorrhea. I didn't expect that the pain would be so painful that boys would never realize it.

Therefore, he also more admired teacher mu.

Just now, I was very painful, but I still insisted.

"The teacher should go back now." Muran wiped the sweat on his forehead and turned to leave with his bag.

As a result, Wu Tian blocked his way. "Mr. mu, it's too late. It's not safe on the road. If dysmenorrhea breaks out again, there's no one to take care of. Why don't you stay in my house tonight?"

"Live with you?"

"Mr. mu, don't worry. As long as you don't ask me to come in, I promise not to enter this room."

"Well, all right." Seeing Wu Tian's sincere appeal, Muran had to nod and promise.

What's more, Miss Wu is right. It's really late now. If there is any accident again, she is really hard to cope with.

Just live here. Naturally, she doesn't worry about what Wu does to her. The boy's character is still good.

CHAPTER 132:

There was no word all night.

The next day, Wu Tian got up early, bought breakfast for Mr. mu, and then asked Uncle Fugui to drive them to school.

Not to the school gate, Muran hastily opened his mouth: "Wu classmate, quickly stop it, the teacher is here to get off."

"Why get off here?" Wu Tianning frowned and puzzled.

"Into the school, in case the students see gossiping is not good." Muran coughed twice and explained in a low voice.

Last night, Wu didn't want others to go to her house to spend the night.

"All right." Wu Tian didn't force him to stop the car.

Muran got out of the car and stroked his hair. He said in a soft voice, "thank you for taking care of the teacher last night, classmate Wu."

"It's easy. It's OK."

"Remember to go to school on time and don't be absent from school again."

"Don't worry. I won't be absent from school in the future."

"That's good." Muran said this and turned to the north gate of the school.

Wu Tian smiles bitterly and shakes his head. He asks uncle Fu Gui to drive the car into the school. After getting off, he goes to school.

In order to live up to Mr. Mu's high expectations, Wu Tian is also very serious in class. Whenever he has time, he studies the lessons he has left behind in recent days.

He studied hard and was seen in the eyes of Mr. mu, who was very pleased and laughed at him from time to time.

At noon, Wu Tian asks Jiang Wan and sun Xiaohao to go to the restaurant for dinner. Wang Hong also follows him, courting and flattering.

This makes Wu Tian very disgusted, but he did not say much, took three people to the canteen together.

While the three were talking and laughing, there was a commotion in the dining room, which attracted the attention of many students.

"Xiao Tian, look, isn't that Li Meng?" Jiang Wan looked at the crowd with his eyes bright.

Hearing this, several people looked up one after another.

Staring at the crowd, sun Xiaohao could not help but exclaimed: "Li Meng seems to be fighting with Zhao Yang."

Wu Tian listens carefully. Li Meng and Zhao Yang are really quarrelling, and they also mention their names from time to time.

After a few words of quarrel, Li Meng pushed Zhao Yang away and walked towards this side. The students' eyes also followed Li Meng's movement.

Seeing Li Meng getting closer and closer, Jiang Wan couldn't help but wonder, "Xiao Tian, did Li Meng come to see you?"

"Yes, I think so." Sun Xiaohao nodded with approval.

I didn't expect that Li menggang was still fighting with Zhao Yang. So soon she came to find Wu

Tian. What did she want?

Under the gaze of all the people, Li Meng stepped on a gentle step to Wu Tian and pleaded: "Wu Tian, I'm here to apologize to you. I only ask you to forgive me. I shouldn't abandon you mercilessly and hurt your self-esteem before."

"The past is over." Wu Tian spoke in a calm voice, without any waves.

"Xiaotian..."

Li Meng suddenly jumped up and took Wu Tian's arm in his hand. He cried pitifully: "let's get together. Give me a chance. I promise that I will never leave you and never part with you again."

Recently, seeing Wu Tian become more and more excellent and powerful, she is not happy.

After comparing Wu Tian with Zhao Yang, he found that Wu Tian dumped Zhao Yang several blocks in terms of ability, strength, money and skill.

Like Wu Tian such a good boy, if missed, will be her life's regret, so just lick the face in public for compound.

"I said that we have become the past, and it is impossible to go back to the past." Wu Tian retracted his arm and refused mercilessly.

It's not because he is rich now that he refuses to make up with Li Meng.

That's because after he got rich, he saw the essence of Li Meng. The girl was greedy, vain and selfish.

This kind of girl is not worth his effort.

"Plop!"

However, Li Meng's legs were weak. He knelt down directly in front of Wu Tian and begged, "I'm wrong. I'm really wrong. Please, please give me one more chance."

She said, her tears rolling out.

She knew that this was her last chance. If she didn't fight for it this time, I'm afraid she would never have another chance.

Seeing this scene, the scene instantly boils up.

Sun Xiaohao, Jiang Wan and Wang Hong were also stunned. Unexpectedly, Li Meng, who had always been arrogant, would kneel down to Wu Tian in public.

Before, in order to pursue Li Meng, Wu Tian gave up his dignity. When he was a licking dog, he tried his best to pay everything.

In the end, Li Meng severely hurt Wu Tian and trampled on Wu Tian's feelings like dog excrement.

Now, everything has changed.

Li Meng, who once trampled on Wu Tian's dignity and feelings, is so humble that he kneels down to Wu Tian in public.

Seeing this kind of reversal, sun Xiaohao and Jiang Wan felt very relieved. It was like revenge for years of humiliation. Wu Tian's heart has a little touch, see Li Meng kneeling, he is really soft.

But at the thought of Li Meng's hurt to him, the soft moment in his heart disappeared.

"Once missed once, I will not make the same mistake again, we will never be able to." Wu Tian said this coldly and got up to leave.

"Plop!"

Li Meng's body is soft, like mud like paralysis on the ground.

She has put down her dignity and begged to be reunited with Wu Tian in a humble way. However, she was stabbed in the heart and felt pain.

Thinking of the situation in which she hurt Wu Tian before, and now that she has also suffered this kind of pain, maybe this is retribution.

As soon as Wu Tianyi left, the scene was boiling again.

People did not sympathize with Li Meng, and even many people felt that Li Meng was suffering from his own mistakes.

All the students laughed at Li Meng. He didn't know how to cherish it. Now it's too late to regret it.

Now Li Meng really want to cry without tears, in addition to regret in the heart is regret, I am afraid it will regret for a lifetime.

Sun Xiaohao and others watched Wu Tian leave. They got up and quickly followed him out. They chased Wu Tian outside the restaurant.

"Xiao Tian, I didn't expect that Li Meng would kneel down to you in public." Sun Xiaohao ran over and exclaimed in an exaggerated tone.

One side Jiang Wan also followed: "small day, you can really fierce, such a short time, let once humiliate your woman kneel down to apologize."

"She's not kneeling for me, she's kneeling for money and power." Wu Tian's mouth rose, leaving a sneering smile.

If he has nothing now, Li Meng will definitely not kneel down for compound, and even trample on his feet.

"But to see the woman who once hurt you so humble kneel down to you, our elder brothers are very angry in their hearts." Sun Xiaohao couldn't close his happy mouth.

"Stop talking about her." Wu Tian, with a bitter smile, took the initiative to change the subject: "just now everyone was not full. I'll invite you to another place to eat. Let's go."

With these words, Wu Tian walked across the street with sun Xiaohao and Jiang Wan on their

shoulders. Wang Hong also followed him and flattered him from time to time.

CHAPTER 133:

Three people walk not far, saw Zhao Yang with a few gangsters blocking their way.

At this time, Zhao Yang's face was ugly, as if someone had ignited a powder keg, and his whole body was full of anger.

"Why does Li Meng kneel for you?" Zhao Yang bared his teeth and roared fiercely. Now he looked like a wild animal that was stimulated.

"That's my business with her. It's none of your business." Wu Tian finished saying this and turned around to leave.

"Stop!"

Zhao Yang body a horizontal, blocking Wu Tian's way, "you want to go can not be so easy."

"What do you want?"

"Hum!" Zhao Yang bit his teeth and roared angrily, "I just want to know, where is your boy better than me?"

I had a fight with Li Meng in the restaurant just now. Li Meng called him a loser and said that he

couldn't even compare with Wu Tian's toes.

Later, he saw Li Meng kneel down for Wu Tianxia in public and asked for compound.

He felt that he was out of balance. He was angry for a while, and then he brought several people to teach Wu Tian to relieve his anger.

"I advise you to get out of here. It's not good for you to know too much." Wu Tian is good at persuasion.

After all, he didn't want to make the relationship too rigid.

"Today, I'll teach you a good lesson, and let Li Meng vent his evil spirit." Zhao Yang finished saying this, waved to the two thugs behind him and ordered: "let's go together and teach this boy a lesson."

"Yes

When the two gangsters got the order, they slowly approached Wu Tian.

Sun Xiaohao and Jiang Wan were very righteous. They were on the same front with Wu Tian and prepared to help Wu Tian deal with the two thugs.

"I can handle these two people myself. Just wait for the good play." Wu Tian said these words to the two men, and he took the initiative to attack the thugs.

For such a long time, I have improved my skills, and my speed and strength are several times stronger than before.

When the opponent is unable to defend himself, he punches directly on the left hunk's chest.

Then he kicked with his right leg, turned over another thug, and smashed it down with his elbow.

In this way, Wu Tian easily turned over two gangsters, just like playing, without any effort.

Sun Xiaohao, Jiang Wan and Wang Hong are staring at Wu Tian like a monster.

I didn't expect that Wu Tian, who was often bullied before, suddenly became so powerful. The fight just now showed amazing strength, obviously through professional training.

Until this time, we found that Wu Tian was not only rich, but also had a completely new change.

Now Wu Tian is not the boy who was bullied before, but a strong and frightening guy.

Anyway, Zhao Yang was scared. His body shrank and sweat came out from his forehead.

He did not expect Wu Tian to suddenly become so powerful.

When he bullied Wu Tian before, he felt that he was weak and vulnerable.

I didn't expect to become so powerful that the whole person has undergone a completely new change. It's so powerful that people are afraid.

"It's your turn." After settling down the two gangsters, Wu Tian turns to face Zhao Yang with a bit of provocation in his tone.

"I won't fight you." At this time, Zhao Yang didn't have the courage to fight with Wu Tian again. He left the words and turned around to escape.

Wu Tian's body a horizontal, blocked his way, "don't hurry, since you take the initiative to send the door, then I'll calculate with you the new account and the old account."

"You What do you want? "

"Guess."

"You'd better not fight Ah Zhao Yang didn't finish his words, but he got a punch on his face, which made him scream.

Wu Tian didn't get angry after a punch, but slowly forced him to pass. "Zhao Yang, when you bullied me before, you should have thought that there would be such a day."

With this, he raised his leg and was ready to kick it.

"Stop it!"

Just at this time, there was a sweet drink from behind.

Looking back, I saw a horsetail woman with sharp eyes staring at her, beautiful eyes with a bit of anger.

Thinking that this woman was Zhao Yang's helper, Wu Tian just turned his head and looked at the woman a few times, so he didn't bother to pay attention to it. He kicked Zhao Yang's abdomen with a fierce kick and turned him upside down.

Just when Wu Tian wanted to teach a lesson, the horsetail woman drank again: "I told you to stop, you are deaf."

"It's none of your business today. Let's play." Wu Tian tried to persuade him and then smashed Zhao Yang again.

A punch.

Two punches.

In the third punch, the horsetail woman suddenly rushed over and kicked Wu Tian with her long legs.

Fortunately, Wu Tian is quick to react, and his body quickly leans back to avoid the attack. At the same time, he looks at the woman in front of him with that kind of examination.

I didn't expect that this woman not only looks beautiful, but also has a hot and explosive figure, and her skills are so agile and fierce.

Just now the attack was swift and violent. I saw that she had been professionally trained. Unexpectedly, the woman in front of her was still a practitioner. "It's rare for a good-looking woman like you who can beat you." Wu Tian examined the woman's eyes and couldn't help but feel more interested in her.

"I've warned you many times not to do it." The horsetail woman has sharp eyes and chills all over her body.

"I want to see how good you are." Wu Tian tries to test the woman and slowly forces her to pass.

"Looking for death."

The horse tail woman's eye color one cold, wields the fist mercilessly to hit in the past.

The style of boxing seems fierce, but the strength is weak. As soon as Wu Tian reaches out his hand, he blocks the fist and says, "beauty, you lack the strength of this fist."

"I think you can take it." The horsetail woman retracts her fist, and then kicks hard to Wu Tianxia plate with her Yin leg.

"Shit!" Wu Tianan scolds, and quickly dodges to the right. Meanwhile, he reaches out and grabs the thigh kicked by the woman.

Slowly raise the leg, at the same time, the tone is playful adjustment way: "beauty, when you attack this time, the footwall is not stable, the speed is slightly slow, it is easy to be controlled by people."

"Asshole, let go."

"Although you're not good at it, your legs are still good. They're pliable and greasy, and they feel good." Wu Tian pretends to be provocative and pinches a few times on the woman's leg.

This pinch let the woman incomparably angry, roared: "smelly rascal, you specially want to die, quickly let me go."

"Beauty, don't get excited." Wu Tian chuckled and slowly loosened the woman's long leg.

After the woman was free, she was like a raging tiger. She kept punching at Wu Tian. Her movements were fierce and swift, but there was some confusion.

"Shit, you're serious." Wu Tian dodges and tries his best to deal with the woman.

In comparison, Wu Tianming is better than the others, and has repeatedly subdued the horsetail women.

Sun Xiaohao, Jiang Wan, Wang Hong and others watched with great interest. Seeing Wu Tian fight closely with Ma Wei beauty, several people's mouth watering.

Everyone can't help admiring Wu Tian secretly. This boy is not fighting. He is obviously teasing a good girl.

After a fight, the ponytail girl was angry and angry. She scolded: "you're really shameless, you bastard."

In the fight just now, the body was inevitably contacted by the other party, and it was inevitable to be taken advantage of.

CHAPTER 134:

"Beauty, you did it first." Wu Tian smiles and looks at the ponytail girl with a harmless smile on her lips.

The ponytail girl pulled her messy dress and said: "I've never seen such a rogue like you."

"If nothing else, I'll go first." Wu Tian put on a handsome hairstyle and waved to leave.

As soon as she turned around, she was blocked by the ponytail girl again.

Girl willow eyebrow a vertical, cold voice way: "smelly rascal, take advantage of me, don't want to go."

"You can't beat me again. What else do you want?" Wu Tian shakes his hand and inserts his pocket. He looks at the maiden with horsetail.

"Keep your dog's eyes wide open. What is this?" When the maiden said this, she took out a

certificate from her pocket.

"Su Ruyun..."

Through the certificate, Wu Tian soon knew the woman's age and name. The Maiden's name was su Ruyun, 25 years old.

When he finished reading the contents of the certificate, the whole person would be completely stupid.

His eyes were fixed on the maiden with horsetail, and he could not help exclaiming, "you Are you a policeman? "

At this time, it was clear that the certificate the woman took out was a police officer's card.

"That's right."

Su Ruyun slightly raised his head and said, "I am the police of Dongcheng police station."

"Shit!" Wu Tian said in his heart that it was not good.

Originally thought this woman is Zhao Yang brings the helper, the result unexpectedly, this woman is Dongcheng District police.

I didn't expect that just now I had a hand with the police, and even had a subtle flirtation with this woman. This NIMA is equivalent to stabbing a hornet's nest.

Sun Xiaohao, Wang Hong and Jiang Wan were all surprised. They didn't expect that the woman would be a policeman.

Several people were afraid, but also worried about Wu Tian. Just now Wu Tian took advantage of the police in public. This NIMA is not a joke!

"Come with me." Su Ruyun put away the police card, carrying the policewoman posture, cold voice command way.

Just after work, she was ready to go to the market to buy vegetables. When she passed by, she saw someone fighting here, so she rushed to stop her.

I didn't expect that the boy didn't listen to the dissuasion and started with her. What's more, the boy just took the opportunity to take advantage of her.

Hateful!

The thought of this boy's bad hand on her just now

She gnashed her teeth in anger.

After living for more than 20 years, her body was still touched by a man for the first time. She

felt ashamed and indignant when she thought about it.

"To where?" Wu Tian felt his head awkwardly and asked.

"Don't talk nonsense. Come with me to the police station. Where else do you want to go?" Su Ruyun roared impatiently.

"Officer beauty..."

"Don't talk nonsense." Su Ruyun didn't give him a chance to explain. He yelled again, "come on, follow me."

"This All right Wu Tian had to go to the police station with this woman.

Zhao Yang's boy had already run away with others. Su Ruyun didn't want to investigate. Now he mainly wanted to deal with Wu Tian.

Wang Hong, Jiang Wan, sun Xiaohao and others worried about Wu Tian, so they also went to the police station.

"What can I do, little day?" Seeing that Wu Tian is to be taken into the interrogation room, sun Xiaohao and Jiang Wan rush forward to care.

This time, they all felt that Wu Tian had made a big mistake, and they were all holding a cold sweat in their hearts.

This time, taking advantage of the police, Wu Tian can drink a pot of any crime of assaulting the

police.

"Don't worry, I'm fine. I'll be safe and sound soon after I go in and chat with the police." Wu Tian said with a smile that he had already sent a text message with Long Yun on the way to here.

Next, Long Yun knows what to do. With his family power, he believes he can get out of here soon.

"But..."

Sun Xiaohao and Jiang Wan couldn't help worrying. Wu Tian interrupted them before they finished: "OK, wait here. I'll come out soon."

"There is no way to come up with it." Su Ruyun roared at this and said to the two police officers, "take this boy into the interrogation room."

"Yes

Two police officers got the order and pushed Wu Tian into the interrogation room.

Wu Tian sits in the interrogation room and waits for several minutes to see Su Ruyun come in. At this time, he has put on his police uniform.

This woman has a hot body and looks domineering. Even if she wears police uniform, she can't hide the beauty that she is about to show.

But after changing into the police uniform, the woman's domineering spirit is more thick, the whole body sends out the pressing cold air.

"Officer Su, I didn't expect that you would look good in your police uniform. It has a special flavor." Wu can't help but praise.

On hearing this, two police officers nearby could not help but murmur.

I didn't expect that the boy was so bold that he dared to molest captain Su openly in the interrogation room.

Who is Su Ruyun? That's the most famous violent policewoman in Dongcheng, a woman who makes gangsters and criminals scared.

In the past, when enforcing the law, Captain Su directly broke the eggs of the strong criminals and made them become eunuchs. Since then, police officers and colleagues have not been able to peep at Su Ruyun. They are scared to see her head drooping.

And the boy in front of him is really bold. He dares to tease captain Su with such a playful tone. He is really looking for death.

"Shao te, you're laughing with me." Su sat down in front of the table and was impatient

"Wu Tian."

"Gender?"

"Male."

"Home address?"

"Haitian garden, Tianhai road."

"Luxury house?" Su Ruyun narrowed her eyes slightly and looked at the boy in front of her.

I didn't expect that this boy looks poor. I didn't expect to live in that kind of house with hundreds of millions of dollars. No wonder he dares to molest her in public.

Leaning back on the chair, he asked coldly, "do you think you can do whatever you want with money?"

"Rich and willful!"

"Willful your sister." On hearing this, Su Ruyun was more angry, "I asked you, why did you fight?"

"It was someone else who hit me. I was in self-defense."

"I don't care about the fight for the time being. Why do you take advantage of me?" Su Ruyun asked in a cold voice.

As soon as the words came out, the two police officers nearby took a few breaths, staring at Wu Tian like a monster.

I didn't expect that the boy in front of me was so bold that he dared to take advantage of the female devil. NIMA was too bold.

The two police officers can't help admiring Wu Tian secretly. I'm afraid this boy is the only one who dares to take advantage of officer su.

"Officer Su, when did I take advantage of you?" Wu Tian pretended to be aggrieved and asked.

"Just outside the restaurant..."

"It was just physical contact."

"Pa!" Su Ruyun slapped on the table, pointed at Wu Tian's nose and said, "you are a jerk, a beast."

"Officer Su, don't be angry. It will hurt your health. It will lead to premature senility, which will lead to irregular moon path."

"You..." Seeing the boy's playful face, Su Ruyun's body trembled and his chest went up and down.

He can't beat the boy. Otherwise, he must chop the boy into meat to relieve his anger.

"Officer Su, you've asked all the questions. Can I go now?" Wu Tian asked with a smile.

CHAPTER 135:

"Go?"

Su Ruyun provoked a sinister smile and bared her teeth and said, "today you fall into my hands. It's not so easy to leave."

"Does officer Su want to keep me for dinner?" Wu Tian always looks like a hippie.

He had never been in contact with such a beautiful policewoman before. When he saw this kind of characteristic beauty, he couldn't help but want to tease a few words.

"You're right. I'll not only treat you to dinner, but I'll let you eat it for free for three years." Su Ruyun said this, his face suddenly sank: "you boy openly attack the police, I want to let you Lao Di sit wear."

"When did I attack the police?"

"You resist the law enforcement, don't listen to dissuasion, and you start with me. This is not attacking the police. What is it?"

"Officer Su, we have to be reasonable." Wu Tian pretended to be pathetic and said, "I started to fight with you because I didn't know you were a police officer. The so-called innocent person is not guilty. This is not an attack on the police."

"Don't talk nonsense. If you attack the police, you will be attacked."

"Are you still reasonable?"

"Well, who let you take advantage of me and touch my thigh?"

"Shit!"

Wu Tiansuan understood, "because I accidentally touched your thigh, so you took the opportunity to revenge, right?"

"I just want you to know that I'm not so easy to take advantage of." Su Ruyun bit her teeth, like a fierce wolf, and threatened in a low voice: "your bitter days are still behind."

After saying this, she waved to the two police officers and ordered, "lock up this boy first."

"Yes The two police officers looked at Wu Tian with sympathetic eyes, and then went over to prepare to start.

"Wait!"

Wu Tian tilted his head and looked at Su Ruyun with a smile. "Officer Su, do you really think this will convict me?"

"now I has the final say." Su Ruyun raised her head as if she were a general.

"That's not sure. Officer Su is just a small team leader. I'm afraid it's not so easy to convict me out of nothing."

"Pa!"

Su Ruyun raised her hand and slapped it on the table again. She defiantly said, "I will put you in the cell immediately. I want to see what storm you can turn out?"

"I'll bet you a pack of spicy strips. In five minutes, you'll let me go."

"Hum, you are really capable of boasting abuses. Well, I'll give you another five minutes, and I'll see how you get out of my hands." Su Ruyun said this, looked at the time, "the timing begins."

Then the interrogation room quieted down.

Su Ruyun's eyes were fixed on Wu Tian, and he was determined to look like a boy.

Wu Tian showed no weakness and looked at Su Ruyun with the same eyes.

Neither of them spoke. It was like a cold war.

Time passed, and soon five minutes passed.

Su Ruyun's mouth rose up, drew a winning smile, and said defiantly, "boy, aren't you quite corrupt? Five minutes later, why can't I escape

"Click!"

At this time, the door of the interrogation room was pushed open.

A middle-aged man in police uniform came in.

Seeing the middle-aged man, Su Ruyun stood up from the chair and asked, "director Liang, how did you come?"

The middle-aged man in front of him was Liang Tianhua, director of Dongcheng police station. As soon as he entered the door, he asked Su Ruyun, "is this Wu Tian you just arrested?"

"Yes."

"Let the man go." Liang Tianhua did not ask about the situation, but directly ordered Su Ruyun to release him.

"Ah?"

Su Ruyun was stunned and quickly explained, "Wu Tian is fighting in the street. I tried to dissuade him. He even started at me and took advantage of me."

"That's so much nonsense. Let's go."

"Director Liang, Wu Tian openly attacked the police."

"Let go." Liang Tianhua roared impatiently.

"Yes Hearing the roar, Su Ruyun had to nod her head and say to the two police officers, "let the boy go."

She was not willing to let go of the boy, but when she saw that director Liang was so angry, she could only follow suit.

If you look into it, the boy didn't make a big mistake.

The original idea was to catch the boy and scare him, and then teach him a good lesson to relieve his anger.

Now, director Liang has come forward in person, so he can only get a cheaper price.

"Thank you, director Liang." After Wu Tian was free, he said thanks to Liang Tianhua and turned to Su Ruyun. "Officer Su, I told you that you would let me go. Do you believe me now?"

"You..." The corner of the mouth of Su Ruyun's gas was mercilessly whipped, but there was no way to take the boy.

"It's a pity that officer Su has such a good figure that he doesn't learn some real kung fu. I'll

teach you some moves when I have time." Wu Tian's playful eyes glanced at Su Ruyun, and swaggered toward the outside of the interrogation room.

"You, you, you..." Seeing Wu Tian's arrogant manner, Su Ruyun's mouth trembled. After a long time, he said, "boy, you'd better not fall into my hands next time, or I'll see how I deal with you."

"I'll see you next time." Wu Tian turned back to Su Ruyun, blinked his left eye, left an ambiguous smile, and walked away quickly.

"Pa!"

Su's heart almost didn't explode with a slap on the table.

It's the first time I've been teased so blatantly. To tell the truth, I'd like to tear this boy apart.

Seeing Wu Tian go far away, she can't help but ask director Liang, "director Liang, why let Wu Tian go?"

"What crime has he committed?" Liang Tianhua did not answer rhetorical questions.

"He..."

Without waiting for Su Ruyun to open his mouth, Liang Tianhua interrupted: "don't tell me about assaulting the police. He didn't know you were a policeman before he started with you."

I had a thorough understanding of the situation before entering the interrogation room.

"But He, he took advantage of me. " Su Ruyun's rebuttal was red and unconvinced.

"It's just your sense of being in charge. Even if he takes advantage of it, you can only blame yourself for your bad luck." Liang Tianhua said here and changed his tone: "it was the municipal bureau that called just now and let us release Wu Tian."

"What? This little thing has disturbed the City Council? " On hearing this, Su Ruyun was quite surprised.

The Municipal Bureau will never intervene in small cases in the District, let alone fight.

"It can be seen that Wu Tian's backstage is very strong. Don't provoke him in the future." Liang Tianhua was good at persuasion.

"Yes Su Ruyun's response is very straightforward, but in her heart, she is cruel. If she has the chance, she will teach Wu Tian a lesson.

You can't give up when you are taken advantage of by this boy.

Besides, Wu Tian walked out of the interrogation room and saw sun Xiaohao, Jiang Wan and Wang Hong still waiting in the hall.

The three were still discussing what to do, but when they saw that Wu Tian was safe and sound, they came out.

Sun Xiaohao was so happy that he quickly walked over to care and said, "Xiaotian, are you ok?"

"What can I do for you? Let's go out for dinner." Wu Tian laughs at will and walks outside first.

Three people slightly a Leng, quickly followed out.

CHAPTER 136:

Sun Xiaohao couldn't help asking again: "Xiaotian, why did that female police officer let you go easily?"

This time, Wu Tian teased the female police and took advantage of the female police in public. He thought that if he made a big accident, he would be jailed.

I didn't expect that after less than half an hour's interrogation, he got out of the devil's paw so easily and was released unharmed.

"That woman thinks that I am handsome. Maybe she is attracted to me." Wu Tian perfunctorily said.

"I didn't expect that Shuai could really serve as a meal." Jiang Wan couldn't help joking, which made the other three laugh.

The four left Dongcheng police station, took a taxi to a big stall, ordered barbecue, drank and chatted.

Maybe it's because Wu Tian easily escaped from the police station, which made everyone very happy and ate and drank a lot.

The content of several people's chat also revolves around the policewoman named Su Ruyun.

The three roommates all admire Wu Tian. They take advantage of the policewomen in public. They tease the policewomen in all kinds of ways. In the end, they leave the police station like a normal person.

Several people even encourage Wu Tian to pursue Su Ruyun and tame the violent policewoman flower. Everyone wants to see the beautiful policewoman's appearance of being obedient to Wu tianbai.

Of course, it's just a joke. It's not so easy to conquer the beautiful policewoman. What's more, Wu Tian is very busy now and can't put too much energy on women.

Drinking and chatting and not breaking up until very late.

Everyone had a good time tonight and had a lot of wine.

Sun Xiaohao and Jiang Wan were staggering and staggering, and Wu Tian was no better.

Wang Hong is the only one who is not drunk. The boy is cheating and playing tricks. He never

finishes drinking every time.

It's too late. Wu Tian is too lazy to call uncle Fugui. He simply accompanies sun Xiaohao and others back to the dormitory. It happens that this place is not too far from the school.

When the four passed Xiangyang Road, more than a dozen gangsters came out from both sides of the lane to intercept them.

These gangsters seem to have been prepared, hiding in the vicinity waiting for a rabbit, trying to take the opportunity to attack them.

Seeing these thugs, the four suddenly woke up a lot.

Wu Tian glanced at the crowd and asked coldly, "who are you? What do you want? "

"It doesn't matter who we are." The leading gangster, a bald man, stepped forward and exclaimed, "I hear you are rich. I'll leave you with money. I'll spare you."

"Who do you hear that we are rich?"

"Don't mind that."

"In fact, we are all very poor. We have no living expenses. I don't believe it." Wu Tian said this and opened his pockets and trouser pockets for people to see.

Sun Xiaohao and Jiang Wan followed suit and opened their pockets to prove that they were all poor.

In fact, this is the case. In addition to Wu Tian, sun Xiaohao and Jiang Wan have poor family conditions.

"Little boy, play tricks with me." The bareheaded gangster growled impatiently and said, "how could the information provided by Mr. Zhao be false?"

"Mr. Zhao? Zhao Yang? " Wu Tian Mou color a cold, cold eyes tightly stare at the bald man.

Now it is basically certain that these people were brought by Zhao Yang.

Zhao Yang must have suffered a loss before, and was not willing to give up, but he was unable to beat himself. So he informed these gangsters and asked them to stop and rob.

"I don't know Zhao Yang at all." The bareheaded gangster knew he had said something wrong, so he quickly changed his words.

Mr. Zhao had told him that he should not be let out before. As a result, he just said it carelessly.

"You go to tell Zhao Yang that I don't want to pay attention to a lot of things in the class, but if I'm forced to hurry up, I won't let him feel better." Wu Tian narrowed his eyes and warned in a cold voice.

"Don't talk nonsense. Give the money quickly, or we won't be rude." The bald guy growled impatiently.

The main purpose of bringing people here tonight is to steal money. As for the enmity between

Wu Tian and Zhao Yang, he doesn't want to get involved.

"How much do you want?"

"One hundred thousand."

"That's it?"

"Each of our brothers is 100000, give me one million, two and a half million." Bareheaded hunk touched his big head and said with a smile.

"Here you are Wu Tian took out a bank card from his pocket and said, "here are five million. If you want to help me with one thing."

"What's the matter?"

"Help me teach Zhao Yang a lesson."

"Ha ha ha..."

The bareheaded gangster threw up his hair and laughed wildly. After laughing for a long time, he couldn't help laughing: "silly boy, you look too high on yourself, how dare you bargain with us."

"It's a good deal for you."

"We never do business. We just grab what we want with our hands." The bareheaded gangster finished saying this and ordered the gangster after him: "come on together, grab the card in the boy's hand."

"Yes." More than a dozen thugs got the order and rushed to the four.

Wu Tian, with a tight complexion, turned to sun Xiaohao and others and called out, "hurry up, let's run separately." The so-called heroes do not suffer from immediate losses. With the strength of the four of them, they can't fight so many gangsters. At present, they can only take everyone to escape here.

After that, everyone fled.

After a short escape, Wu Tian was blocked by more than ten thugs.

Everyone came for the money in his hand. Naturally, the main force came to intercept him.

Sun Xiaohao and Jiang Wan were not restrained by the main force and soon broke through. However, Wang Hong was so stupid that he ran into a dead end and was stopped by gangsters.

In this way, Wu Tian and Wang Hong were besieged by more than ten thugs.

"You dare to run. It seems that you are really looking for a fight." With a flash of bareheaded eyes, his whole body erupted with astonishing anger.

"Big brother, I was wrong." Wang Hong is a soft egg. Seeing that he is besieged by so many thugs, he is so scared that he is soft. "You don't want money. I'll give you all my money."

With that, he took out all the money in his pocket, and put together more than two thousand and handed it to the thugs.

"Pa!"

Bareheaded raised his hand and knocked over thousands of yuan. He was impatient and roared, "you want to send off the beggar."

"I That's all I have. "

"If you don't have money, you'll be beaten." Bareheaded gangster raised his right hand and waved his hand vigorously: "let's go together and fight for me."

"Wait, don't do it yet." At the critical moment, Wang Hong pushed Wu Tian to the front, "this boy has money. He is a rich man. If you want to rob money, you can find him. You can have as much money as you want."

In this way, at the critical moment, Wu Tian was sold by Wang Hong.

"Well, tie up the boy first." The bareheaded thug pointed to Wu Tian and ordered his servant.

"Yes

More than a dozen gangsters swarm toward Wu Tian.

"Shit!" Wu Tianan scolded, raised his legs to meet the front gangsters, and launched a fight with

them.

In the face of so many thugs, Wu Tianming is not able to do what he wants, and he is beaten and retreated.

Sun Xiaohao and Jiang Wan rushed into the crowd with sticks and smashed them.

Maybe they were too crazy to take those gangsters back a few steps.

CHAPTER 137:

Seeing the two people running back, Wu Tian was a little worried, "you finally broke out of the encirclement, who let you run back?"

Originally, only he and Wang Hong were trapped. Since then, sun Xiaohao and Jiang Wan have also been trapped. It's hard to get out again.

"Little day, you are trapped here. How can we escape alone?" After Jiang Wan finished saying this, sun Xiaohao added: "even if we die tonight, we will die together."

"Good brother." Wu Tian stretched out his hand and hugged them tightly. He was moved by their emphasis on love and righteousness.

"The four of us are grasshoppers on the same rope. We should fight against those bastards together." Jiang Wan exclaimed with high morale.

They are like the four heroes of Langya Mountain, ready to fight the enemy to death.

"Well, let's break through in four directions." Wu Tian glanced at the situation and said to the three men, "Xiao Hao and Jiang Wan, you are responsible for the left and right sides. I am in charge of the front and Wang Hong is in charge of the rear."

He took the strongest side over his head and left the weakest force in the rear to Wang Hong.

There are only two thugs guarding the right rear. If Wang Hong, a shareholder, tries his best to fight, it should not be a big problem.

"OK, three two one, let's do it together." Jiang Wan stretched out three fingers and began to count down: "three, two, one..."

At the count of one, Wu Tian and several people rushed to the thugs and fought with them.

Wang Hong stood still and did not move. Seeing that Wu Tiansan had stopped the gangsters, he took the opportunity to run. Now he ran faster than the rabbit.

Wu Tian's three men are fighting with the thugs. When Wang hongsa Yazhi runs away, they all feel very cold.

At this critical moment of NIMA, Wang Hong left them to run for his life alone. It's really

shameless.

On the field, the three of them were left to fight with gangsters. Their power was obviously much weaker, and they were beaten by more than ten thugs in a mess.

"Catch the king first." Seeing that the situation was not good, Wu Tian turned to the two men and said, "Jiang Wan, you go to deal with the bareheaded gangsters. Xiao Hao and I will hold the other gangsters."

"Hello Jiang Wan didn't say a word, picked up the stick and rushed to the bareheaded thug, and they tangled up.

"Xiaohao, let's be one. Before I fight, you fight after." Wu Tian turned his head and told sun Xiaohao.

"Yes." After sun Xiaohao answered, he approached Wu Tian back to back, which was more convenient to cooperate with.

Sun Xiaohao handed the stick to Wu Tian. "Xiaotian, you can hold the stick and play well."

"I don't feel comfortable with the stick. Take it." Wu Tian declined. He was not inconvenient. He just wanted to leave it to sun Xiaohao.

After all, he has undergone professional training, and he is more capable of fighting. In comparison, sun Xiaohao has never experienced these situations before.

"Click!"

Sun Xiaohao simply broke the stick from the middle and handed half of it to Wu Tian, "Xiaotian, we are half a person."

"Good!" Wu Tian's arm trembled to take half of the stick, but this small move made his nose sour.

Seeing the thugs approaching, they bravely attack with sticks and fight with more than ten thugs again.

More than a dozen gangsters were awed by the bravery of the three. In addition, the bareheaded gangsters were brutalized by Jiang Wan, which can be said to be their vitality.

After holding on for a while, the skinhead gangsters quickly withdrew with more than a dozen of them.

Wu Tiansan won the final victory, but they were all injured, especially sun Xiaohao, who suffered the most serious injuries.

After the gangsters left, sun Xiaohao and Jiang Wan collapsed on the ground. This time, they spent almost all their strength and their whole bodies were about to collapse.

Wu Tianze is much better, reaching out to hold two people's arms, concerned: "how is the injury?"

"Skin injury, nothing." Sun Xiaohao and Jiang Wan tried to endure the pain and showed a smile of relief.

Finally, they beat the gangsters away. This skin injury is nothing to them.

"Good brother, thank you for tonight." Wu Tian tightly hugged their shoulders, and he was very happy in his heart.

This incident made him see sun Xiaohao, Jiang Wan and Wang Hong clearly.

Sun Xiaohao and Jiang Wan are really affectionate and righteous. When he is in danger, they rush into the crowd.

As for Wang Hong, it was really disappointing. It was selfish to leave a few people alone at the critical moment.

"Xiao Tian, you treat us both on weekdays, and we can't help each other when things happen." Sun Xiaohao said seriously.

My mother had been seriously ill before. If Wu Tian had not paid for her mother's hospitalization, I'm afraid her mother's life would have been in danger.

He will never forget this kindness in his life.

"Don't say that. Let's go to the hospital first." Wu Tian hugged the two men's arms and lifted them up from the ground.

The three walked out along the roadway, stopped a taxi on the street, and then drove to the nearest hospital.

There were a lot of injuries in the three, but fortunately, they were all skin injuries. Sun Wanhao and Wu Xiaohao would not like to be hospitalized.

Wu Tian went straight to the hospital and settled them down for a good rest. At the same time, he accompanied them in the hospital.

After a night's recuperation, plus taking medicine and medicine, these small injuries on the three were gradually healed, no big problem.

After discussion, the three were discharged at noon the next day.

When they returned to the school dormitory, they found that Wang Hong was also in the dormitory. This guy had been hiding in the dormitory since he escaped last night and didn't go anywhere.

As soon as he saw Wu Tian and others, Wang Hong pretended to be worried and said, "Xiao Tian, are you all right?"

"Thanks to you, we are fine." Wu Tian's tone of voice is slightly cold, and his attitude towards Wang Hong is not as good as before.

After what happened last night, he can see through Wang Hong. This boy is a selfish villain who only cares about his own escape in case of danger.

"Little day, I was so worried about you last night that I didn't sleep all night." Wang Hong continues to please Wu Tian.

"Pooh!"

Jiang Wanshi couldn't listen to him and said coldly and contemptuously, "Wang Hong, you are really shameless. When you run into danger, you run for your life. It's really selfish."

"It's just human instinct to run for your life in danger." Wang Hong did not show weakness.

"Do you know that you almost killed us last night?" Sun Xiaohao also followed the aggressive question.

Fortunately, Wu Tian had a quick reaction last night and temporarily changed his tactics. Several talented people tried their best to fight those thugs away.

"Then you are not dead?" Wang Honggen didn't realize his mistake, but he was still so righteous.

"You..." Sun Xiaohao and Jiang Wanqi's palms itch and they want to teach the boy a lesson.

"Forget it!"

Wu Tian interrupted the three men at the right time and said, "it was an accident last night, but thanks to our three people's concerted efforts, we ran away those gangsters."

"Brothers of the same heart break gold together." Sun Xiaohao and Jiang Wan spoke with one voice.

"I'm very glad to have you two good brothers." Wu Tian said this and took out a bank card from his pocket and handed it to him, "here are 100000 yuan. You can take it."

CHAPTER 138:

"Xiao Tian, since we are brothers, we can't charge you." Sun Xiaohao and Jiang Wan quickly waved and refused.

"If I were a brother, I would take the money." Wu tianqiang put the bank card into sun Xiaohao's hand, and said, "take care of yourself during this period of time and buy some food to make up for it."

"But..."

Two people also want to refuse, words did not finish Wu Tian interrupted: "this is just a little of my heart, you do not refuse."

"Xiaotian, I still owe you so much money..."

"Don't say that." Wu Tian once again put the bank card into sun Xiaohao's hand. "The kindness between our brothers can be measured by money."

"Good brother." Sun Xiaohao hugged Wu Tian tightly, and his tears were moving in his eyes.

"Don't be so coquettish."

Wu Tian hit sun Xiaohao's chest with his arm and said with a smile, "after graduation, I'm going to ask you to help us in our company."

"Xiao Tian, do you want to help us arrange our work in advance?" Jiang Wan immediately saw

Wu Tian's intention and couldn't help speaking.

"As soon as you graduate, you will come to work in our company. I promise you that your annual salary will not be less than one million."

"Really?" Hearing this, sun Xiaohao and Jiang Wan both seemed extremely excited.

Nowadays, college students are everywhere. It's not so easy to find a job.

Unexpectedly, before graduation, Wu Tian paved the way for them and offered them an annual salary of one million.

"It's true, of course." Wu Tian stretched out his hand and hugged them on their shoulders and said with a smile, "you'll go to our company later. You can arrange your internship first. Don't worry. The salary during the internship period is not low."

"Thank you, little day." Sun Xiaohao and Jiang Wan thank each other excitedly.

They are very lucky to know Wu Tian. With the help of this kind of noble person, they feel that the future is bright.

Next to it.

Wang Hong watched sun Xiaohao and Jiang Wan get 100000 nutrition expenses in vain, and he was envious to death.

Now I heard that they were arranged to work in Wu Tian's company. Wu Tian even offered them a million yuan of annual salary, which is too corrupt for NIMA.

Wu Tian has already arranged jobs for the two roommates before they graduated. Moreover, the annual salary is still so high that the salary is comparable to that of an executive.

In this case, anyone would be jealous to death.

If he had known that, he should not have run away last night. Even if he was beaten, he should have gritted his teeth.

If he didn't escape last night, Wu Tian would also arrange such a good salary for him and also give him money to spend.

Miss such a good opportunity, I feel my heart ache.

After the slight Leng, he hastened forward to flatter Wu Tian and said, "Xiao Tian, can you arrange a job for me for our roommates?"

"Sorry, our company doesn't need people like you." Wu Tian resolutely refused.

He is very strict with the selection and employment of people, such as Wang Hong, who has a very bad character, even if it is free of charge.

"Xiao Tian, for the sake of our classmate and roommate, help me arrange my work. The salary is not too high, and the annual salary is 500000." Wang Hong licked his face and continued to plead, while lowering the wage requirements.

"You're not worth 50 cents." Wu Tian mercilessly hit the road.

To tell you the truth, he doesn't have any good feelings for Wang Hong now. He has experienced the incident last night, and even has a trace of disgust for this boy.

"You..."

Wang Hongqi's corner of the mouth was merciless. After pleading for a long time, he simply tore his face and said, "hum, Wu Tian, you are not an upstart. What's the matter?"

This instantly angered sun Xiaohao and went forward to reply: "who is Xiaotian? It has nothing to do with you. Please keep your mouth clean."

"Pooh!"

Wang Hongchao spat hard on the ground, then turned the spearhead to sun Xiaohao and Jiang Wan. He scorned him and said, "you are not Wu Tian's two dogs. When you see Wu Tian's development, you shake your tail and beg after him."

"Wang Hong, who are you calling a dog?"

"If I call you dogs, I'll call you dogs, two dogs..."

"Pa!"

Before he finished speaking, Wang Hong was slapped in the face.

This slap was given by Wu Tian.

After this slap, he reached out and grabbed Wang Hong's collar and roared, "apologize to Jiang Wanhe and Xiaohao."

"I Why should I apologize? " Wang Hong raised his head, but now he has torn his face, there is nothing to be afraid of.

"Hard with my fist." Wu Tian swung his fist and smashed Wang Hong. To tell the truth, he has endured this boy for a long time.

This boy is not the first time to bully Jiang Wan and sun Xiaohao. He just takes this opportunity to teach this boy a good lesson.

Soon, Wang Hong's shrill cry came out of the dormitory.

Sun Xiaohao and Jiang Wan stood beside and did not stop them. They both felt relieved.

After experiencing a violent beating, Wang Hong soon couldn't hold on and began to soften up: "don't fight. I'm sorry. Can't I apologize?" He didn't expect Wu Tian to be so vicious. If he didn't beg for mercy, he would be killed alive.

"Come on, apologize." Wu Tian just closed his fist and said to Wang Hong in an impatient tone.

"Good!"

Wang Hong bit his teeth and had to endure the pain and anger. He went to Sun Xiaohao and Jiang Wan and said, "I'm sorry, I shouldn't have scolded you just now."

"I didn't expect you to be like this now. It's disappointing." Sun Xiaohao sighed and lost his hope for Wang Hong.

"You..." Wang Hong wanted to say a few cruel words. When he saw the ferocious Wu Tian, he swallowed what he wanted to say, and finally came up with a sentence: "I move out to live."

This kind of incident, he also has no face to live with a few people, pack up and leave the dormitory.

The three people stood quietly watching, no one asked to stay. In fact, they had already had enough of Wang Hong and longed for the boy to move out.

After Wang Hong left, the dormitory was quiet.

"Jiang Wan, Xiao Hao, let's go. I'll take you to the company to see the situation first."

"Good!" On hearing that they were going to the company, sun Xiaohao and Jiang Wan were both very excited.

I've heard that Wu Tian's company has a lot of malpractices. The two games developed before have become popular. Companies like this have long wanted to see it.

"I'll call uncle Fugui and ask him to come and pick us up." Wu Tian touches out his mobile phone and dials Liu Fugui.

Less than a moment after the call, uncle Fugui drove over and sent the three of them to Tianmu technology.

The company operates normally and the division of labor is clear.

Yuan Wangchun took Zhou Cheng and others to continue to work on the two games, developing derivatives around the game, and doing everything possible to make the game cash.

Li Mu is leading the company's main force to continue to do mobile phone systems and software, and has been very effective recently.

"Boss Wu, you're here just in time." Seeing Wu Tian, Li Mu was very excited, "I'm going to report the situation of the mobile phone system to you."

"How about it?"

"The underlying architecture is almost complete, and we are doing the final optimization and

improvement." Li Mu was very happy and said with a smile.

CHAPTER 139:

"Not bad." Wu Tian nodded with satisfaction, but he couldn't help but remind him: "to do the system, we need to be down-to-earth. We have a long way to go. We must not be impatient."

"Boss Wu said so." Li Mu nodded with approval and said confidently, "we are ready to fight a protracted war."

"That's good."

"By the way, are these two?" Li Mu noticed the two men behind Wu Tian and couldn't help asking.

"These two are my classmates, sun Xiaohao and Jiang Wan. They will soon become new members of our company." He pointed to Zheng Liangtian.

"Since he is a classmate of boss Wu, he must be a talent." Li Mu politely said, "I'm Li Mu, general manager of Tianmu science and technology, and welcome you on behalf of all the staff of the company."

Thank you

Sun Xiaohao and Jiang Wan shook hands with Li Mu one after another.

After that, Wu Tian introduced yuan Wangchun and Zhou Cheng to the two people. After the

introduction, he took them around the company.

When they were familiar with each other, Wu Tianli asked Li Mu to arrange work for them and let them come over for internship at the weekend.

As soon as they had settled down, Sun Sheng called and asked him to attend the live Carnival hosted by seafood TV tonight.

Seafood TV has held two live carnivals before, but the effect is not satisfactory.

But this year has Huang Lan to join, certainly can produce not small sensation effect.

After answering the phone, Wu Tian simply went to the seafood TV office to discuss the details of the carnival with Sun Sheng.

Until five o'clock in the afternoon, the two went to the live carnival.

The venue is located in the stars square. The stage has already been set up, the staff are all ready, and the audience is coming in.

Now everything is ready, just wait for the opening time.

After Sun Sheng arrived, he was busy with the final inspection work, and Wu Tianze went to Houchang district.

This is a temporary rest area built with color steel, where all the anchors who are going to stage make up.

There are more than ten anchors in Houchang district who are busy making up, which is full of various complex flavors.

I glanced inside, and soon I noticed the masked female anchor in the corner.

This is the most special female anchor of seafood TV. Because wearing a mask makes people have a strong curiosity, Wu Tian was attracted by the mask before and later rewarded her with many gifts.

Because of Wu Tian's crazy appreciation, this masked female anchor attracted a lot of audiences and accumulated a lot of popularity and traffic on seafood TV.

It was the first time that I saw the beauty of the mask through live broadcast before.

Although through the mask, you can still feel the kind of youth, beauty and charming on her body.

Wu Tian, like other audiences, is eager to take off the mask and see what she looks like.

But I'm not in a hurry. I've arranged for her to take off her mask when she's on stage. I'm sure she'll see the real face of the beauty in Lushan before long.

"Hello!" Wu Tian stares at the mask girl and slowly reaches out his right hand to say hello: "nice to meet you."

"Do we know each other?" The mask girl helped the mask on her face and did not reach out to shake hands with Wu Tian.

Having been staring at her for a long time, she felt uncomfortable all over the place, and she had always been a little uneasy.

"I'm a fan of your studio." Wu Tian retracted his right hand and found that he was too reckless.

"Fans?"

The mask girl's tone was gentle and asked with a smile, "what's your title on seafood TV?"

"God."

"You are God? " As soon as I heard that the boy in front of him was Tian Ge, the girl in the mask immediately stood up from her seat, and the whole person became extremely excited.

After staring at Wu Tian for a long time, he bowed deeply to thank him: "brother Tian, thank you, thank you for giving me a huge reward. You are really my noble."

If Tiange didn't reward so many gifts and won't attract the attention of other audiences, she

would not have become a popular anchor of seafood TV.

In short, it was Tiange who spent a huge amount of money to make her a little famous anchor, which was sought after and loved by the audience.

Without Tiange's help, she would not be able to come here to participate in the live carnival.

"Don't mention it." Wu Tian quickly reached out to help the girl up and said with a smile, "I just think you are special."

"My name is Wang Yan. Nice to meet you." The masked girl extended her arm and introduced her real name.

"Hello!"

Wu Tian reached out and shook Wang Yan for a moment. He couldn't help but ask, "why do you wear a mask to open the live broadcast?"

"At first, I was embarrassed to face the camera, worried about being seen by relatives and friends, and then I got used to it." Wang Yan's tone is very gentle.

"But this time the company asked me to take off the mask."

"What do you think?"

"I support the company's decision." Wang Yan habitually lifted the mask and said: "now I'm used to live broadcasting. Even if I take off the mask, I can accept it. Moreover, wearing the

mask all the time will cause us aesthetic fatigue. I want to take advantage of this carnival to take off the mask." "I wish you could think so." Wu Tian nodded with approval and thought that she was a good girl with general knowledge.

"By the way, I Ah Wang Yan didn't finish her words, she was hit hard by the girl behind her and cried out in pain.

The girl who bumped into her is Su Xiaoxiao, an old anchor of seafood TV. She is not warm or hot on the platform, and has not made much progress.

Recently, she was overtaken by Wang Yan, a new comer, which made her feel very unconvinced. She would find trouble if she had nothing to do.

Of course, Su Xiaoxiao also deliberately bumped into Wang Yan this time.

After hitting, she also deliberately humiliated the way: "it's really delicate, I hit so loud, if hit by my boyfriend, it's not broken?"

"You..." Wang Yanqi's clenched fists are speechless.

"Wear a mask all day and play tricks. Don't think I don't know. If you can be so hot on the platform, you can only get traffic by sleeping with your boss." Su xiaoxiaokou continues to humiliate.

Anyway, she is to see Wang Yan unhappy, as long as there is a chance, will try to humiliate this woman.

"Su Xiaoxiao, please pay attention to the point." Wang Xiaoqi's body trembled slightly.

Anyone who is seriously hurt by this kind of words will feel angry.

"Pooh!"

Su Xiaoxiao spat hard on the ground and despised the way: "a slut is a slut. When a whore, you still want to build a memorial archway."

"Pa!"

Just a little slap in the face.

It was Wu Tian who hit her.

When he met this kind of woman, Wu Tian felt itchy in the palm of his hand for a long time. Now he can't bear to do it.

This slap made Su Xiao furious, like a little shrew, pointing to Wu Tian's nose and swearing: "where's the little hold three, dare to hit me."

"I want you to have a little bit of credit." Wu Tianyi looks upright.

"What are you? Dare to hit me, security guard, security guard..." Su Xiaoxiao yelled at the door for security.

CHAPTER 140:

Hearing the cry, two security guards rushed to the door.

They didn't know when Wu Tian broke into the Houchang district and rushed to push Wu Tian out.

"This kid hit me, you take him to the police station." Su Xiaoxiao doesn't intend to let Wu Tian go easily. She stares at beads and orders the two security guards.

"Yes

The two security guards put the unknown people into the Houchang district because of their dereliction of duty. Now when they heard that the boy had also played the anchor, he suddenly broke out in a cold sweat.

Hearing the announcer's order, the security guard twisted Wu Tian's arm to send him to the police station without saying a word.

Wu Tian didn't resist. He was twisted by two security guards.

Because this is his own field. If he really starts to fight with the security guard, he will smash his own court.

"Security brother, don't rush to do it." Seeing this situation, Su Xiaoxiao rushed to the rescue: "he is my friend, for my sake, don't send him to the police station."

After all, Tiange started Su Xiaoxiao to help her out. Seeing that Tiange was going to be sent to the police station, she could not sit back and ignore her.

"No, this boy must be sent to the police station today." Su Xiaoxiao's tone is very tough.

I've never been beaten since I was young. I didn't expect to be slapped by this boy. I can't give up.

"What's going on?"

Just as the Houchang District quarreled endlessly, sun Shengchao came over and asked in a loud voice before entering the door.

"Mr. Sun."

Su Xiaoxiao immediately changed her tone and went up quickly. Her father said, "Mr. Sun, you have to decide for me. I was beaten by this boy."

"I can't do it." Sun Shengbai Su small one eye, turned to two security orders: "let go quickly."

After being instructed by general manager Sun, the two security guards released Wu Tian's arm.

"Mr. Sun, you are the boss here. Do you just watch your employees being bullied by this guy?" Su complained.

"If Wu Tian is not here, I will be the boss. Since Wu Tian is here, I can only be regarded as the second." Sun Sheng finished saying this, pointing to Wu Tian, he introduced: "this is the biggest shareholder of our seafood TV, that is, my big boss - Wu Tian."

"What?" Hearing this, Su xiaozhuzi almost didn't stare out.

I didn't expect that this plain looking, shabby looking kid in front of him is the boss of seafood TV?

How can he become the boss of seafood TV when he is young?

She is also too unlucky. She accidentally offends the boss behind the seafood TV, which makes him feel like a disaster.

Wang Yan was also surprised. She didn't expect that her brother was the boss of seafood TV.

No wonder this period of time platform to her drainage, at this time to understand that all these are behind the scenes experts in the dark to help.

And the master behind the scenes has been giving her a crazy reward in the live room.

The most frightening thing is the two security guards. After knowing Wu Tian's identity, they

both shiver.

Just a moment ago, he almost sent his boss to the police station. Fortunately, Mr. Sun came here in time to avoid a big mistake.

"I want to know what happened just now? Why do you want to do something to boss Wu? " Sun Sheng turned to the two security guards and asked.

"Miss Su told us to do it." The security guard wiped a cold sweat on his forehead and threw the pot to Su Xiaoxiao.

Sun Sheng again turned his eyes to Su Xiaoxiao and asked in an aggressive manner, "what's going on?"

"Sorry, I was wrong." Su Xiaoxiao's reaction was very quick. She hastened to apologize to Wu Tian: "I don't know Taishan. I don't know you are the boss. I apologize for my behavior just now."

She is a sensible person. Now, no matter how she explains it, it is a mistake. It is better to take the initiative to apologize.

As long as you can get the big boss's understanding, nothing else is a problem.

"It's not me that you should apologize." Wu Tian spits out such a sentence.

Su xiaozhuzi turned a few circles and quickly turned to apologize to Wang Yan: "Yan'er, I'm sorry, I shouldn't have done that to you before. I hope to ask for your forgiveness." Don't be directed against me,

. Wang Yan breathed a long sigh of relief in her heart.

I never dreamed that Su Xiaoxiao, who always excluded her before, could take the initiative to put down her body and bow down to apologize.

She knew that all this was thanks to Wu Tian's support, and her heart was more grateful to this man for her help.

"From now on, we will be good sisters. I will listen to you." It's too late for Su Xiaoxiao to fawn on Wu Tian. How dare he offend Wu Tian in the future.

Even if she was stupid, she understood that the reason why Wang Yan climbed so fast on seafood TV was mainly due to Wu Tian, the boss behind the scenes.

Wang Yan must have an unusual relationship with the big boss.

As long as she can flatter Wang Yan, she can also benefit from it. If Wang Yan is offended, I'm afraid seafood TV will no longer have a place for her."Well, that's all for today. I hope you can unite in the future and make the platform bigger and stronger." Wu Tian did not pursue the matter, nor did he punish Su Xiaoxiao.

The carnival will be broadcast soon. Once the punishment is made, it may affect everyone's mood.

"Thank you, boss Wu. I will cooperate with the company and do my duty well." Su Xiaoxiao tone sincere assurance way.

"That's good." Wu Tian nodded and said to the crowd, "let's get busy and get ready. The live Carnival will start soon."

"All right, everybody get ready." Sun Shengfeng charged a word, and then he continued to work with the security guard.

After the others left, Wang Yan walked to Wu Tian in some embarrassment, "I didn't expect you to be our boss."

"I was not the boss of seafood TV at the beginning. After watching your live broadcast, I thought you had great potential, so I invested in this platform." Wu Tian explained with a smile.

"So I influenced you?"

"Yes."

"Am I so good?"

"You have great potential. Your future is immeasurable." Wu Tian looks at the masked girl in front of him.

This girl is a clear stream in the live broadcasting industry. She is not as artificial as other female anchors. She doesn't need her body and appearance to attract the audience. She has a unique temperament that people can't help liking.

At present, the homogenization of the platform is serious. If we can develop these distinctive live broadcasting features, the audience will gradually become dependent on the platform.

"Thank you for your praise and affirmation. I will work hard." Wang Yanxiao is very happy. You can feel the sweet smile on her face through the mask.

"I really want to know what you look like."

"If boss Wu wants to see my appearance, it's just a matter of words."

"No hurry." Wu Tian took a look at the time and said with a smile, "you will be on the stage in half an hour. When you uncover the mask, I'll see enough."

"If I am ugly, will boss Wu be disappointed?"

"Heart is more important than appearance. For women, self-confidence is also a kind of beauty. Come on." Wu Tian clenched his fist to cheer up the girl.
