

## CHAPTER 171:

The most surprising thing is Huang Shanshan. She may have never dreamed that Wu Tian, the boy, solved the problem of Huang family's capital chain by a phone call.

For a long time, her grandfather is omnipotent in her mind, nothing can't be solved by her grandfather.

But this time the capital chain crisis, even grandfather is helpless, did not expect Wu Tian to use only one telephone to solve perfectly.

Through this, even if she is such an ignorant girl, she can understand how corrupt Wu Tian is.

I didn't think this kid was a big deal before.

At this time, I found that this boy is a super big guy, who has a lot of malpractices than their Huang family.

Huang Shanshan has long forgotten her hatred before. Now she can't help but look at Wu Tian in a different way. She is surprised by the amazing energy shown by this boy.

"What a surprise..." Huang Taiping recovered from his stupidity, and does not believe this fact until now.

If he hadn't seen it with his own eyes, he couldn't believe that Wu Tian, a silly boy with poor clothes and no taste, was so powerful behind his back.

One phone call can solve the crisis of Taiping group's capital chain, which shows how amazing the power behind it is.

Before he looked down on Wu Tian, now he has to reexamine this boy.

They say that people can't judge by their appearance. I didn't expect that the boy in front of him was a super big guy. It was really surprising.

"Xiao Wu."

After a short period of stupidity, Huang Taiping took the initiative to meet Wu Tian, holding Wu Tian's arm. "I'm sorry for my blindness. I've really taken your eyes off before."

"I'm very ordinary." Wu Tian said casually that, in fact, he didn't have a good feeling for the Huang family.

At the thought of the abuse and unfairness of sister LAN in Huang's family these years, she even hated the Huang family a little.

"You are not ordinary, I don't know, but you are a benefactor of our Huang family, which I know." Mr. Huang changed his previous posture and said with a kind gratitude: "Xiao Wu, thank you for solving such a big crisis for our Huang family. I respect you."

After saying this, he poured a glass of wine to Wu Tian himself and handed it to him.

He knew that the boy must not offend him. If he could flatter him, it would be good for them.

"You are an elder. I respect you." With all this said, Wu Tian had to take the glass, clink it with Mr. Huang and drink it all at once.

"Sure enough, I did it." Huang raised his head and poured half a cup of wine into his mouth.

Choking, he coughed fiercely, turned his head and told the Huang family, "what are you doing? I'm glad to thank you."

Huang's family then responded and raised their glasses to Wu Tian one after another.

At this time, we no longer have the cold pride before, and no one dares to look down on Wu Tian.

All of them were enthusiastic and fawning.

We all understand people and know the importance of flattering Wu Tian. At this time, no one dares to neglect such a distinguished guest.

Only Huang Taiping is still stupidly in place.

Huang Laozi severely hit him one eye, low voice reminds a way: "silly Leng why, still want me to teach you?"

"Dad, you mean to let me..." Huang Taiping came back to his senses.

"Yes." Mr. Huang nodded his head and said in a deep voice, "as you saw just now, Wu Tian's power is too great to frighten people. We must try to persuade him."

"But he is not warm and cold to our Huang family. It's not easy to win him over." Huang Taiping shook his head somewhat disappointed.

Just now I noticed that Wu Tian didn't like the Huang family, but he was disgusted.

"He is obedient to Lan'er. As long as you control Lan'er, it's not a problem to seduce Wu Tian." Mr. Huang gave advice.

It is worthy of being an old man in the world. He pointed out the key to the problem.

"Yes

Huang Taiping agreed and nodded: "this boy really listens to Huang Lan's words, and the feeling between Lan'er seems to be very deep."

"Do you want me to teach you next?"

"Yes."

"Remember, people like Wu Tian should try every means to get in touch with them."

"Good."

"Even if we can't, we can't offend." Huang Laozi's lesson is serious.

"Yes."

"Go Huang patted his son on the shoulder, left a confident look in his eyes, and said nothing more.

Huang Taiping poured himself a glass of white wine, raised his glass and went to Wu Tian. He said with a smile, "Xiao Wu, I have offended you a lot. I'd like to offer you a glass of apology."

"I don't deserve it." Wu Tianju cup touched Huang Taiping and sipped the white wine in the cup, which was not cold or hot.

After drinking, Huang Taiping said with a smile, "Xiao Wu, you are so beautiful and magnificent. You are so talented and beautiful with LAN LAN."

"Is it?" Wu Tian is still indifferent.

Thinking of the grievances Huang Taiping has made LAN elder sister suffer these years, I feel that this man is not a qualified father, which is really disappointing."Yes

The smile on Huang Taiping's face became more and more embarrassing.

He wanted to take the opportunity to please Wu Tian, but he stuck his cold butt on his hot face, which made him feel bad.

However, considering Wu Tian's identity, he could only grit his teeth and bear it, turning to Huang Lan and saying, "Lan'er, you are really good-looking. It's really gratifying to find such a good boyfriend as Wu Tian."

"....."

Huang Lan's nose was sour, and tears almost rolled out.

I haven't heard her father call her Lan'er for a long time. In the past, my father called her bluntly, never as intimate as now.

"Lan'er, dad has wronged you over the years. Dad apologizes to you." Huang Taiping changed his indifferent attitude and took the initiative to apologize to her daughter.

After all, Huang Lan now has Wu Tian's support. In case Huang Lan gets annoyed again, it is very unfavorable to the Huang family.

What's more, he wants to borrow his daughter to seduce Wu Tian.

"Dad..."

Huang Lan called out, then rushed into his father's arms.

Over the years, she dreamed that she would be taken up by her father and act coquettish in her father's arms.

At this moment, all the resentment in her heart disappeared and was replaced by family affection.

"My dear daughter, dad will love you very much." Huang Taiping gently patted Huang Lan's back and said in a soft voice.

I never thought that my daughter was so powerful that she could climb up to Wu Tian, such a rich and noble young master.

If her daughter can marry Wu Tian in the future, she will become a phoenix and her value will be doubled.

So he has to get on well with his daughter in advance.

Huang Taiping can think of these, Huang Jiaqi and others are not stupid, naturally can think of these long-term interests.

When everyone failed to please Wu Tian, they all gathered around to please Huang Lan. Even some elders who had humiliated Huang Lan before also took the initiative to please him.

For a while, Huang Lan became a focus figure, a favorite of the Huang family, and was praised by the Huang family.

“.....”

Huang Lan opened her mouth, but she didn't know what to say.

In the past, the Huang family treated her as an outsider, indifferent, humiliating and mocking her.

I never thought that one day, the Huang family would try their best to curry favor with her. Even those elders became extremely enthusiastic.

CHAPTER 172:

Huang Lan raised her head high and her mouth was full of happy smile.

This is the first time that she has been recognized by the Huang family, and the first time she has been spoiled by her elders.

Finally, she also tasted the warmth of her father's love and the feeling of being a daughter of the yellow family.

I've been dreaming for a long time, and I've got it today.

Thanks to Wu Tian.

She knew that these people were either afraid of the forces behind Wu Tian and thought that

she and Wu Tian were friends, so they did not dare to offend him.

There are also people who want to flatter Wu Tian through her, and want to borrow her to help Wu Tian, such a super big guy.

The Huang family changed their attitude towards Wu Tian.

From now on, the Huang family will no longer dare to bully her, no longer dare to call her a bastard.

From today on, she has really transformed into a daughter of the yellow family, and her status in the Huang family is no longer an illegitimate child.

Wu Tian changed the attitude of the Huang family towards her, and Wu Tian changed her position in the Huang family.

Without Wu Tian, she may never taste the taste of father's love and kinship. In the eyes of her relatives, she will always be a wild seed.

In this way, Huang Lan was surrounded by the Huang family, trying to curry favor, and suddenly became the apple of the yellow family.

All this makes Huang Shanshan feel uncomfortable.

In the past, she was the Pearl of the Huang family and was spoiled and used to by the Huang family.

Unexpectedly, because of Wu Tian's appearance, all this has changed. Huang Lan, an illegitimate child, has become a favorite of the Huang family, and her authentic daughter has been neglected.

This contrast made her extremely unbalanced.

I didn't expect that the illegitimate son who had been neglected by the Huang family was so favored. All this should benefit from Wu Tian.

Now I can't help being jealous of Huang Lan. I don't know where to find such a corrupt hermit aristocrat. All of a sudden, she flies up to the branch and becomes a Golden Phoenix.

No, she has to find a way to grab Wu Tian. Only her authentic daughter of the Huang family can be worthy of Wu Tian. What qualification does Huang Lan have to be with Wu Tian.

Thinking of this, she crowded into the crowd, changed her previous attitude, and gently extended her right hand to Wu Tian: "Hello, I'm Huang Shanshan."

"An unruly and headstrong young lady, didn't you want someone to hit me before?" Wu Tian looks at the girl in front of her carefully, and her tone is a bit of playful abuse.

At the beginning, I didn't like this tough girl.

Later, seeing that the girl humiliated sister LAN, she could not help but want to teach the girl a lesson to relieve her anger.

"Before, you put Miss Ben in the garbage can. I was angry and wanted to beat you. But you helped the Huang family out just now. I don't have the same idea with you." Huang Shanshan waved her hand magnanimously, turned aside the topic and said, "go to the boudoir with my miss. I have something to tell you."

"Say what, say it, I'll listen."

"There are some things that people can't hear easily." Huang Shanshan bit her lip, but she was a bit pinched.

"Sorry, I don't have time right now."

"What are you doing?"

"I want to stay here with sister LAN." Wu Tian finished saying this, and then he put his big hand around Huang Lan's slender waist.

He wants to take this opportunity to tell Huang Shanshan and Huang's family that Huang Lan is his woman and no one is allowed to bully her in the future.

The sudden embrace made Huang Lan's face red and her heart pounded like a drum.

It was the first time that she was hugged by a man, or in front of Huang's family, which inevitably made her feel blushing and heartbeat.

"You..."

Huang Shanshan bit her lips angrily, turned her head and glared at Huang Lan fiercely. She scolded: "it's just a wild seed. Where can she compare with this young lady?"

"I'm sorry. I'm sorry for what you said just now." Wu Tian was furious and ordered in a cold voice.

"Well, there's no way for Miss ben to apologize to the savage." Huang Shanshan holds her chest in both hands and returns with no sign of weakness.

"Pa!"

Wu Tian raised his hand and slapped Huang Shanshan in the face and roared, "say again, I'll apologize to sister LAN."

"You, you, you You hit me. " Huang Shanshan looked like an explosive bag and was immediately annoyed.

She is the daughter of the Huang family. She is regarded as the apple of her eye by her grandfather and her parents. From childhood to adulthood, she is spoiled by the Huang family and has never been beaten.

This time, she was not willing to give up. She ran to her grandfather and cried, "Grandpa, Wu Tian, she hit me, Wuwu, Wuwu..."

Before she finished, she began to cry with tears.

"That's what you should do." If it is normal, Huang will certainly protect his granddaughter.

But today is different from the past. Today, it is Wu Tian who starts to beat people. The Huang family can't afford to offend people.

"Grandfather, how can you protect outsiders, Wuwuwuwu..." Being reprimanded by her grandfather, Huang Shanshan cried more loudly.

"Enough!"

Huang Laozi roared and ordered Huang Shanshan: "listen to Xiao Wu's words, go and apologize to Lan'er." "What? You want me to apologize to her? "

"Go." Huang Laozi some hoarse roar way.

"I..."

Hearing the roar, Huang Shanshan did not dare to speak again. She had never seen her grandfather lose his temper so much before.

Bite teeth, she had to go to Huang Lan in front of, "I'm sorry, I was wrong, I shouldn't scold you."

Although she apologized, she hated Huang Lan.

"If you dare to scold me, don't blame me for being rude to you." Huang Lan Zhi Gao Qi ang warned a word, from small to big, in Huang family has never been so hard as today.

After saying this, she turned to Huang and Huang Taiping and said, "grandfather, Dad, I'll take Wu Tian to the room to have a rest."

After saying this, he took Wu Tian's arm and walked outside.

They left the main building and came to a small building behind. This is Huang's guest house. Huang Lan usually lives here when she comes home.

Back in the room, Huang Lan locked the door and laughed wildly.

With a smile, she began to cry again and said excitedly, "I've never been so happy as I am today."

"Sister LAN, as long as you are happy." Wu Tian also happily laughed.

He knew that Lan was crying because she was happy.

"Thank you, Wu Tian." Huang Lan wiped tears and solemnly said thanks to Wu Tian: "it's you who helped me find my home."

"Sister LAN has helped me so much, I should help sister LAN."

"Now I understand a truth. Only when you become strong, no one dares to look down on you."  
Huang Lan slightly raised his head and said seriously: "it's your strength that helps me win the respect of my relatives and family."

"Huang Lan, I don't know how you've been through these years."

"If I didn't know you, I would go on like this all the time, so I'm glad to know you. My hard life is finally over." Huang Lan rubs nose, all grievances and heartache are far away.

If there was no Wu Tian, maybe she would never feel the warmth of her family and the warmth of her home.

"Sister LAN, come on, there will be many people who will love you." Wu Tian said with a smile.

Only at this time, can feel LAN elder sister is a helpless little woman, needs the man heart to take care of.

CHAPTER 173:

"Click!"

While they were chatting in the room, the door was pushed open and Huang Shanshan burst in.

The girl was still wearing a slim skirt before. After a while, she had changed into a suspender skirt.

Now it looks more sexy and attractive, especially the upper body, which is obviously more beautiful and eye-catching than before.

"Huang Shanshan, what do you want?" Wu Tian hurriedly protects elder sister Lan's body and asks with vigilance.

Look, the girl is not good. Maybe she wants to bully sister LAN.

"Little brother, I'm here for you." Huang Shanshan changed her old attitude, and the whole person became more gentle. "I have something to tell you."

"What can I say?"

"Little brother." Huang Shanshan pretended to be intimate and took Wu Tian's arm. She asked in a soft voice, "how do you think I look? Is it beautiful?"

"Average!" Wu Tian retracts his arm and spits out these three words coldly.

Speaking of conscience, the girl's appearance and figure are not bad. She is definitely a first-class beauty, comparable with sister LAN.

But this girl's heart is not very good, that can be compared to LAN elder sister difference is too far.

Sister LAN is a woman who is cold outside and hot inside, but Huang Shanshan is spoiled and spoiled by nature.

"Tiange, if you are interested in me, I can be your girlfriend." Huang Shanshan blinked her big eyes, pretending to be shy and put her body in the past.

To be frank, she just can't see Huang Lan looking for such a corrupt young master, just want to grab it.

"Sorry, I'm not interested in you." Wu Tian stretched out his hand and pushed Huang Shanshan away. At the same time, he held Huang Lan's body again. "There is only one woman I love, that is sister LAN."

When he said this, his acting skills were still in place, and his face deliberately spilled some deep feelings. Huang Lan almost believed it.

"I want to have chest and buttocks, but I can't compare with Huang Lan?" Huang Shanshan raised her head and asked.

"You can't even compare with sister Lan's toes."

"You..."

Huang Shanshan's body trembled with anger. After a long time holding her chest, she retorted: "I'm much cleaner than Huang Lan. At least I'm still a new girl, and I've never been sullied by a

man."

"No matter how clean your body is, it's disgusting to have a dirty heart." Wu Tian mercilessly hit the road.

"That's better than Huang Lan. She doesn't know how many men have slept."

"Pa!" Wu Tian raised his hand and smashed it with a slap, warning: "please put your mouth clean, and then dare to defile sister LAN. I tore your rotten mouth."

"You You dare to beat me. You wait. I'm not finished with you. " Huang Shanshan put down the words, stomped and ran away.

"What a lack of education." Wu tiandark scolded, turned to Huang Lan and comforted him: "that girl's mouth corner, don't put her words in the heart."

"It doesn't matter. I'm used to it." Huang Lan shrugged her shoulders and looked very calm.

"It's OK."

"Thank you for defending me just now." Huang Lan tilted his head and said vaguely, "if only a man could guard me all his life."

"Don't worry, you will find the right man."

"Can you find it?"

"Of course."

"I hope so." Huang Lan will smile, strange eyes looking at Wu Tian, "suddenly found that you and other men are really some different."

What's the difference

"There are principles and bottom lines, and they are not as casual as other men." Huang Lan shook her long hair and said with a smile: "if I were another man, I'm afraid I would have put myself into her pomegranate skirt in the face of Shanshan's temptation, and it's rare that you can show so calm."

"Shanshan is very beautiful, but it's not as good as sister LAN. If you want to pour it, it's also under sister Lan's pomegranate skirt." Wu Tian said with a smile.

"Your mouth is getting sweeter and sweeter."

"Sister LAN has never tasted it again. How can I know that my mouth is getting sweeter and sweeter?"

"Fuck you." Huang Lan red face seductive smile, angry way: "your boy not only mouth sweet, courage is also growing."

I used to think that this boy is very honest and dare not joke in front of her. After getting along with each other, I found that this boy is more and more presumptuous.

"It's all from sister LAN." Wu Tian replied with a smile.

This is true, it is really learned from Huang Lan.

When I first met sister LAN, I had a mental barrier. After all, this woman is his idol star.

After getting along with each other, she found that the woman had no airs and even teased him from time to time. After a long time, she gradually became bold in front of LAN elder sister.

"And put the blame on my sister." Huang Lan seductively rolled a white eye, suddenly proposed: "go, elder sister takes you to do some crazy thing."

"Sister LAN, don't come here." Wu Tian pretended to be afraid to protect his body and protested: "I'm not such a casual man. I hope sister LAN doesn't force me." "Poof!"

Huang Lan was directly amused by the action and expression.

He hit Wu Tian lightly with his fist, but he didn't have a good airway: "Stinky boy, what do you think? Elder sister is not such a casual woman."

"Sister LAN means..."

"I'll take you to the mountain climbing."

"Mountain climbing?"

"Yes." Huang Lan nodded and explained: "there is a hill in our back house. We often climb up to play after hours. Today you will accompany me."

"But it's getting dark."

"What are you afraid of?"

"All right, then." Wu Tian didn't want to refute Lan Jie's interest, so she nodded and agreed.

Huang Lan went over and took down a bottle of white wine from the wine cabinet. "Take this with you. Let's drink it on the way."

"What? Climbing and drinking? "

"I'm in a good mood today. I'll have a drink with you."

"You're not afraid that I'm drunk and I'll do you in the mountains?" Wu Tian couldn't help laughing and joking.

"If it is, I won't blame you."

"Sister LAN, look at you like this, I wish I could make you drunk?"

"Fuck you." Huang Lan spat softly, holding red wine to Wu Tiandao: "let's go."

With these words, he took the lead to walk outside the room. Wu Tian chuckled and followed

him out.

They walked through the yellow house, around the back garden, and climbed up the path to the top of the mountain.

The hill behind the Huang family was originally intended to be a backyard garden, but it has been stranded for lack of funds.

There is no one going up the hill at ordinary times, only the servant Huang will run up to play, sometimes dating on the mountain.

Huang Lan often goes up the mountain with the servant when she is young. She has never been there since she grows up. This time, she is in a good mood and plans to go to the mountain with Wu Tian.

Climbing along the path to half, Huang Lan was tired and sweating. She opened the red wine in her arms and took a sip.

After drinking, he handed it to Wu Tian, "do you want to drink it?"

"No drinking!" In this case, Wu Tian is not in the mood to drink.

"Do you dislike my sister?"

"Of course not."

"Take a sip."

CHAPTER 174:

"All right." Wu Tian in order to prove that he did not dislike Lan Jie, picked up the bottle and poured a mouthful of red wine.

It was the first time to drink red wine into a bottle.

The wine bottle still has LAN elder sister's aftertaste, elegant fragrance, makes people intoxicated.

"What a fool." Huang Lan smiles bitterly and shakes her head. She may be too thirsty. She takes the bottle and drinks several drinks.

"Lan elder sister, you drink less." Wu Tian is afraid that Lan Jie is drunk, so he grabs the bottle and drinks the rest of the red wine.

After drinking, they continued to climb the mountain.

Climbing to the hillside, Huang Lan was tired, her face turned red, and her mouth was panting for air. "Climbing too fast, I'm tired."

"Still climbing?"

"Of course, I'll climb to the top of the mountain."

"Or I will carry you on my back?"

"No, I'll climb myself." Huang Lan gnaws her teeth and continues to climb to the top of the mountain.

It may be that I haven't walked for a long time and it's very hard to get up.

It took them more than half an hour to climb to the top of the mountain.

Huang Lan fell powerless on the grass and looked at the gradually darkened sky and said: "every time I climb to the top of the mountain by myself, I feel very proud."

"You are such a strong woman." Wu Tian couldn't help but feel gratified. Seeing sister LAN all the way up to the top of the mountain, he was really surprised.

If you were an ordinary woman, I'm afraid it would have been impossible to climb.

"No way, my family environment decided that I had to be strong." Huang Lan's face flows out a calm smile.

"Who can marry such an excellent woman as you will be happy."

"Do you want to?"

"Ah?"

"Forget it, it's nothing."

"Er..."

While they were chatting, they heard a lot of noise coming from the Huang family's house at the foot of the mountain, which was more lively than the grocery store.

Wu Tianshen's feeling was tight. He looked down at the mountain and said, "sister LAN, listen, what's the sound in Huang's house?"

"You have solved the financial chain crisis for the Huang family. The Huang family must be holding a party to celebrate. Don't worry about them." Huang Lan finished saying this, fell on the grass and continued to enjoy the peace and happiness at the moment.

Every time she was with Wu Tian, she could feel very relaxed and relaxed, without any worries.

"Why is it not like drinking to celebrate?" Wu Tianting's voice is not quite right. The bad noise is particularly harsh.

"Leave them alone and chat with my sister." Huang Lan changed a posture, turned to face Wu Tian, "boy, have you ever been in love before?"

"I loved a girl."

"Who?"

"My classmate."

"I envy your classmate."

"But she doesn't like me. She likes money, power and her vanity." Wu Tian said this and laughed at himself.

Huang Lan turned over and got up from the ground and said, "you have money and power. Why doesn't she like it?"

"I didn't have anything before."

"Er..." Huang Lan listened to some confusion, but also did not tangle in this problem, with a smile: "you want to have no money, no potential, I can take care of you."

"Ha ha!" Wu Tian laughed and said nothing.

If you really don't have money and power, you won't have a chance to meet sister LAN, let alone the problem of no package.

At this time, the sound of the mountain is getting louder and louder, accompanied by the sound

of smashing and screaming.

Hearing this voice, Huang Lan also noticed something wrong, "boy, is something wrong with our Huang family?"

"Something must have happened." Wu Tian nods hard. Before that, he feels that the voice at the foot of the mountain is not right.

It's just a little distance away. I can't hear you clearly.

"I'll call my grandfather." Huang Lan quickly took out his mobile phone to call the old man, but no one answered.

Then she called her father in a hurry, and no one answered, even Huang Ze's phone.

Feeling that things are not good, Huang Lan rushed to Wu Tiandao: "there must be something wrong with the Huang family. Let's go back quickly."

"Go, go down the hill." Wu Tian takes Huang Lan down the mountain in a hurry. At the same time, he takes out his mobile phone to call Qinglong.

If there is an accident in the Huang family, it is certainly not a trivial matter. It is safer to call Qinglong to take care of it.

It took more than ten minutes for them to return to the yellow house.

I found that the whole house was in chaos. There were signs of smashing everywhere. It was in

a terrible mess, as if it had been invaded by ghosts.

Huang Lan's heart sank and ran to the direction of the main house.

Soon, I saw bodyguards lying in disorder outside the main house. More than ten bodyguards were seriously injured, and they were lying on the ground with scars and crying.

"What's the matter? How did you get hurt like this Huang Lan squatted on the ground and asked the bodyguard about the situation.

"Just now a group of people burst in without saying a word (cough) we can't resist... " The bodyguard told the story off and on. It turned out that after they went up the mountain, more than 20 people suddenly broke into the Huang family and beat them up mindlessly.

More than a dozen bodyguards rushed in front to protect the safety of the Huang family and fought with the gangsters.

However, those gangsters are too fierce, the bodyguards are not rivals at all, and they have been knocked down one after another.

"My grandfather and my father, and what about them?" Huang Lan asked.

Blood thicker than water, let her heart miss her grandfather and father, heart incomparably worried.

"The old man took everyone to hide." The bodyguard said this, and then said: "the main force of the gangster has left, and there are several gangsters searching the whereabouts of the old man and the Huang family."

"I'll go to my grandfather and dad." Huang Lan finished saying this, ran to the main house at the fastest speed, and Wu Tian followed him in.

Huang and Huang Taiping live on the second floor of the main house.

After they went upstairs in a hurry, they found that there was a mess inside, and there were obvious traces of being searched.

Looking for a circle did not find, Huang Lan appears more impatient: "grandfather, where did they go?"

"Don't worry." Wu Tian comforted him and asked, "do you have any hiding places for Huang family?"

"Can hide By the way, the study. " Huang Lan suddenly thought of it and rushed downstairs to the study.

The study is an independent building. It is relatively hidden in the Huang family. It contains not only books, but also many antique jades.

When they ran to the study, they found that their grandfather, father and other Huang family members were in the study. Many of the Huang family members were also injured. Fortunately, grandfather and father were not injured.

At this time, the Huang family has been surrounded by several gangsters.

There were four gangsters. The faces of these gangsters were painted like a cat with a colorful

face. They were obviously disguised on purpose.

The gangster glared at the Huang family, as if there was a deep hatred.

After a brief look at each other, the four gangsters raised their sticks and were ready to rush up and smash them.

"Stop it!"

At the critical moment, Huang Lan rushed to protect her grandfather, father and Huang's family. She yelled at the gangster, "I don't want you to hurt my family."

Although she had been wronged by her family before, she still didn't want to see her family hurt.

CHAPTER 175:

"Lan'er, come on Come here. " Huang's voice trembled and waved to his granddaughter, who stood behind him.

Even Huang Taiping was worried, for fear that the gangsters would attack his daughter.

They are Huang Lan's closest family. Although they were indifferent before, they didn't want to see their granddaughter and daughter hurt.

This may be the family relationship, no matter how much resentment in the heart, we will

worry about each other in critical moments.

However, those Huang family members, seeing Huang Lan come forward to guard them at the critical moment, all hang their heads in shame.

They usually humiliate Huang Lan, but when they were in danger, Huang Lan came forward to protect them, and felt guilty and uneasy.

"Dad, grandfather, get out of here." Huang Lan turned his head and looked at the family behind him, and urged him in an urgent voice.

"You silly girl." Huang Taiping gnaws her teeth in pain, and her old face is red and white for a while.

He is a little self - bemoaning. Compared with his daughter, he is far from being a father.

In the past, I always thought that Huang Lan was born out of wedlock, and I had a conflict with Huang Lan in my heart. Now I find that at the critical moment, Huang Lan is still the most emotional.

In my heart, I have never felt so guilty as now. I blame myself secretly. It seems that I was not a qualified father before.

Those gangsters didn't care so much, and they didn't show any pity. Seeing Huang Lan in the way, they threw a stick at her.

"Ah..."

Huang Lan screamed with fright, holding her head in her hands.

The old man, Huang Taiping and other Huang family members are nervous and sweating. They can't help worrying about Huang Lan.

At this critical juncture, Wu Tian rushes to the ground at the fastest speed, knocks Huang Lan to the ground and rolls for several times to avoid the attack of the gangsters.

Seeing Huang Lan Dodge, everyone is secretly relieved.

Wu Tian quickly helped Huang Lan up from the ground and said, "sister LAN, are you ok?"

"It's OK." Huang Lan shakes her head, to tell the truth, she was also scared a moment ago, and her heart almost jumped out.

If it was not for Wu Tian's timely action, even if she was not killed, she would have been completely changed by the gangsters.

"It's OK. You stand behind and let me deal with these gangsters." Wu Tian pushed Huang Lan to a relatively safe distance behind him and said with a smile.

"Hello

Huang Lan grabbed Wu Tian's arm and whispered, "be careful, don't get hurt."

"Don't worry. I'm fine." Wu Tian left a comforting look in his eyes and turned to face the gangsters, "come on, do it!"

From the movements of the four gangsters, we can see that these people are all practitioners, and their skills are better than those of the Huang family bodyguards.

If you confront four gangsters, he may not be the opponent of the gangsters. He can only take advantage of them now.

Huang's family stood behind and did not speak. Everyone could not help worrying about Wu Tian, who was afraid that the boy would be killed.

After all, the boy is an outsider, and the Huang family can't get it.

Under the gaze of the public, four gangsters were seen waving sticks at Wu Tian, all of them were ferocious and vicious.

The atmosphere of the scene suddenly became tense.

Seeing the four sticks smashing at Wu Tian, I thought that the boy would be smashed when his head burst.

Wu Tian's body flashed, like a loach, from the right back side of the past, easily escaped the

attack.

Without a hit, the four gangsters became more vicious and smashed at Wu Tian again with sticks in their hands.

Wu Tian didn't dare to be careless and dodged again.

At present, he is not sure that he can defeat the four gangsters, so he can only delay it for a while.

After several rounds, the four gangsters failed to defeat Wu Tian. Instead, they became impatient and accelerated their attack.

Wu Tian retreated and retreated to the corner. Seeing the time was right, he grabbed the potted plant and smashed it to one of the gangsters.

"Bang!"

One of the gangsters was hit by surprise, did not escape, was hit by the flowerpot back and forth several steps.

This hit, instantly disrupted the other several gangsters, several people obviously become a little flustered.

Wu Tian seizes the opportunity and kicks the second gangster's pants. He screams.

The other two gangsters react and quickly throw sticks at Wu Tian. They are both cannibalism.

Wu Tian dodges quickly, and at the same time runs to the right rear as fast as possible. The two gangsters run after him in a hurry.

In pursuit of the desk, Wu Tianzong jump on the desk, with the help of the advantages of the desk, turn to kick the leg sweeping.

He knocked down the third gangster. Seeing the fourth one throwing his stick, he quickly reached out to catch the stick and grabbed it back from the gangster's hand.

The fourth gangster turned around and ran away.

Wu Tian didn't give him a chance to escape. He jumped forward and kicked the gangster's buttocks with a fierce kick, which turned him upside down. So far, all four gangsters were turned over by Wu tiangan.

Huang's family has long been a fool's eye. The fight just now was so wonderful that it was like watching a real movie.

I didn't expect Wu Tian to be so strong, quick and fierce, and beat all the four gangsters with three punches and two feet.

I thought that a noble childe like Wu Tian, who grew up in a honeypot, must be weak and incompetent.

However, Wu Tian's performance was startled.

Such a powerful young master is really impressive.

Even Mr. Huang couldn't help but secretly said that he was shocked by Wu Tian's amazing skill.

He read countless people, the ups and downs of the business for decades, all kinds of people have seen, but such people as Wu Tian is the first time to see.

He was surprised that he had not only a corrupt life experience, but also such a powerful skill. The key is to be so low-key.

Huang Taiping also secretly exclaimed.

He was shocked by Wu Tian's performance. He looked straight ahead and was extremely surprised.

Now I admire Wu Tian more. At the same time, I also recognize her daughter's vision and find such an excellent boyfriend.

Behind the crowd.

Huang Shanshan's startled eyes almost didn't stare out.

For a long time, she always thought that Wu Tian was a weak boy, and he certainly had no great ability.

Just now, she almost didn't break her eyes.

I didn't expect that Wu Tian was not only so powerful, but also handsome in his fighting posture and movements.

She was fascinated by her every move. She was so handsome.

Now she is even more jealous of Huang Lan. The man she is looking for is not only the nobles of the hidden world, but also the most amazing skill.

Now she is more convinced that we must find a way to get Wu Tian and take this excellent man as his own.

At this time, she was ready to move, thinking about how to occupy the man.

Huang Lan and Huang Ze have already seen Wu Tian's powerful skills, but this time they still let them shave their eyes.

It seems that Wu Tian's skills are improving every day and can give unexpected surprises every time.

#### CHAPTER 176:

Under the gaze of the crowd, Wu Tian stepped on one of the gangsters' chest and asked in a cold voice, "who are you? Why attack the Huang family? "

"Well, if you have the seed, you will kill us." The gangster is stiff and full of the head, it seems that they are not greedy for life and death.

"I'd like to see if it's your mouth or I'm tough." Wu Tian grabbed the fragments of the flower bed and put it on the gangster's neck. He forced him to ask, "who are you?"

"No comment."

"Looking for death." Wu Tian was also angry when he met such a hard bone. He hit the gangster's chest with his fist. Then he put the flower bed fragments close to the gangster's neck and asked in a cold voice, "I'll give you one last chance. If you don't tell the truth again, don't blame me for being rude to you."

"Hum!" The gangster snorted coldly and would rather die than surrender.

Just when Wu Tian was ready to continue to press questions, a group of police broke into the study and surrounded the study.

"Stop it!"

One of the policewomen pulled out a pistol and aimed at Wu Tian's head. "If you dare to move again, I will shoot."

"Is it you?" Wu Tian looked up and saw the familiar face in front of him.

In front of her, this policewoman is no one else. It is Su Ruyun, the policewoman who was molested by her before, and the captain of Dongcheng police station.

This is under the jurisdiction of Dongcheng District. It is not uncommon to see the Soviet police officers here.

"Son of a bitch, let's meet again." Su Ruyun stirred the corners of her mouth, and her eyes flashed with cold light.

Last time I was molested by this boy in public, and I was taken advantage of it. I always keep that account in mind.

Unexpectedly, Wu Tian fell into her hands again, just taking advantage of this opportunity to teach this rascal boy a good lesson.

"Officer Su, you look very aggressive in your uniform." Wu Tian's eyes moved down and fell in front of Su Ruyun.

Don't say, this woman's figure is really domineering, with Huang Lan, even if wearing police uniform also can not block that piece of arrogance.

"You..."

Being teased again, Su Ruyun's mouth puffed and threatened in a low voice: "little bastard, you'll be good-looking when you come back to the police station later."

After saying this, she then put away the pistol, turned to the subordinate order: "take Wu Tian

and these gangsters back to the police station together."

"Yes

Several policemen got the order and began to arrest Wu Tian and the four seriously injured gangsters.

"Wait!"

Seeing that the police wanted to take Wu Tian away, Huang Lan rushed to stop him: "officer, Wu Tian has not committed a crime. Why do you want to arrest him?"

"I saw with my own eyes that he was attacking with fragments of a flowerpot." Su Ruyun said coldly, biting her teeth.

"The gangster wants to attack us. He is protecting us. It belongs to self-defense..."

"I will judge whether it's self-defense or not. It's not up to you to tell me." Su Ruyun said this and impatiently asked, "who did you report to the police just now?"

"It's me." Huang Ze took the initiative to stand out.

"Come on, follow me back to the police station and take a statement." After saying this, Su Ruyun took the lead to walk outside.

Huang Lan also wanted to stop, but was interrupted by Wu Tian: "sister LAN, don't worry, I will be back soon."

"But..."

"I'm not guilty of any crime. I'm familiar with their director. I'll be fine." Wu Tian finished saying this and said to sister LAN: "many people in the Huang family are injured. Please send them to the hospital. I'll come to see you later."

"All right." After hearing this, Huang Lan nodded at ease.

"I'll ask Qinglong to help you later." When Wu Tiangang finished saying this, he saw Qinglong running over.

As soon as Qinglong saw that the young master was arrested by the police, he immediately began to be impatient.

Wu Tian is worried that Qinglong is in trouble, so he hastens to stop him: "Qinglong, don't start with the police."

These policemen all have guns. If they really start, Qinglong will surely suffer.

What's more, the crime of assaulting the police is not for fun. We can't let Qinglong be caught in the Bureau.

"Yes Hearing this, Qinglong immediately withdrew his fist.

Now he only obeys Wu Tian's orders. Since the young master doesn't let him do it, he naturally has the reason not to do it.

"I'll go to the police station and I'll be out soon." Wu Tian said this, and told Qinglong: "you stay in the Huang family and protect LAN elder sister every step of the way. If there are any more gangsters coming, you can help to deal with it. Don't let sister LAN get hurt."

"Understand!"

"Well, I'll go first." With these words, Wu Tian followed the two policemen to the outside.

In this way, Wu Tian was once again taken to the police station and kept in a separate interrogation room.

After more than half an hour, Su Ruyun walked into the interrogation room alone, holding the captain's airs and asking, "go ahead, why do you want to murder?"

"Officer Su must have known what happened. I'm in self-defense." Wu Tian's reply with a smile.

"Self defense?"

"Yes."

"You have already subdued the gangster, and when the gangster did not resist, you prepared to cut the main artery of the gangster with flowerpot porcelain chips. This is also justifiable defense?" "I just want to scare the gangsters, not really kill people." Wu Tian argued calmly.

"How can I believe you?"

"If you don't believe it, you can ask the Huang family. They can testify for me."

"Well, don't talk nonsense to me." Su Ruyun found that he could not continue the trial. At present, it was impossible to convict Wu Tian.

Things have been made clear, those gangsters broke into the Huang family, Wu Tian tyrannized the gangsters with his own strength, protecting the safety of the Huang family.

In principle, Wu Tian not only has no crime, but also has credit.

But she would not let Wu Tian go. She said: "little bastard, you took advantage of me last time. This time, I'll see how I deal with you."

"What do you want?"

"I want you to try my tricks." Su Ruyun said this and kicked Wu Tian's pants.

It's not heavy, but it's not light.

It will not waste Wu Tian, but it can also make him worse than death.

"Shit!"

Wu tiandark scolded, scared to dodge in a hurry, "you as a policeman, dare to use lynching, is really unreasonable."

"Little nonsense." Su Ruyun failed to hit, and kicked Wu Tian's pants again, more powerful than before.

Wu Tian didn't dodge this time. He reached for his flexible thigh and said with a smile, "come on, let's hurt each other."

"Stinky rascal, let go."

"Don't you like kicking me? I'll give you a taste of my tricks." Instead of letting go, Wu Tian slowly lifted the woman's leg up.

"Ah

Su Ruyun cried out in pain and roared: "bastard, beast, let me go quickly."

"How do you feel?"

"I'll shoot you."

"Does it hurt?"

"Son of a bitch, ah..." Su Ruyun has not finished scolding, a cry of pain, tears rolled out.

This son of a bitch is too much. She almost broke her leg.

"Officer Su, if you dare to kick me next time, don't blame me for being rude to you." Seeing the tears in Su Ruyun's eyes, Wu Tian released her right leg.

CHAPTER 177:

"Asshole, I'll kill you." After she was free, Su Ruyun could not hide her shame and indignation. She took out a pistol and pointed it at Wu Tian's head.

No one has ever dared to treat her like this, almost did not split her leg in half.

As a police captain, I have never suffered such a humiliation.

Wu Tiansi shrugged her shoulders without fear or care. "Officer Su, if you don't like me, just shoot."

"You..."

The corners of Su's mouth trembled, and his hand trembled for a long time. Finally, he did not shoot.

This guy is a bit shameless, but he's not going to die.

What's more, the boy's background is very strong. If he does shoot, he will cause her a lot of trouble.

"Bang!"

At this time, the door of the interrogation room was kicked open, and Liang Tianhua, the director of the police station, rushed in.

He heard that Captain Su had shut Wu Tian into the interrogation room alone and was afraid of something wrong, so he kicked the door in.

When he saw captain Su pointing a pistol at Wu Tian, he was so frightened that he broke into a cold sweat on his forehead. He hastened to stop and said, "Captain Su, you are crazy. Put the gun away."

"Director Liang, why are you here?" Su Ruyun put away the pistol with a guilty heart.

Originally, I just wanted to hide here to teach Wu Tian a lesson, but I didn't expect to be known by director Liang.

"What crime did Wu Tian commit this time?"

"He..." Su Ruyun's words were tied up for a while, but he couldn't find any suitable accusation against Wu Tiantou.

"Captain Su, you really let me down." Liang Tianhua glared at Su Ruyun fiercely and reprimanded in a low voice: "how many times have I told you? Wu Tian, we can't afford to provoke you. Why don't you listen?"

"I just want to teach him a lesson."

"It's not up to you to teach him a lesson, to apologize to him."

"No!" Su Ruyun's head is a little wayward.

It's impossible for her to apologize to such a rogue.

"You..."

Liang Tianhua threw his sleeve and said coldly, "forget it. I'll settle with you later."

He knew Su Ruyun's character and it was not easy to make the woman apologize.

He simply lowered his posture and said to Wu Tiandao with a smile: "Captain Su has offended so much just now. I apologize to you on her behalf."

"Director Liang is serious." Wu Tian smile, half jokingly said: "you captain Su deliberately against me, perhaps like me."

"You..."

When Su Ruyun heard this, he immediately became angry, and was about to curse a few words. As a result, Liang Tianhua glared back.

Liang Tianhua, with a smile, flattered Wu Tian and said, "Captain Su is such a bad temper. Don't take it to heart. I'll send you back."

Then he reached out and made a gesture of invitation.

"I don't want to go back now." Wu Tian fiddled with his handsome hair and said with a smile.

"Ah?"

Hearing this, Liang Tianhua was not sure. He thought Wu Tian was looking for trouble. He tried to ask, "what do you mean..."

"I want to know about this case."

"Oh Hearing this, Liang Tianhua was relieved, "the case is still being tried, and the result has not been found out yet."

"Who are these gangsters?"

"Not yet."

"Then why did they do evil to the Huang family?"

"This..." Liang Tianhua laughed awkwardly and said, "a few gangsters are too hard to talk about. I'm afraid there is little progress in a short period of time."

"Is it?"

"But you can rest assured that we will try our best to find out the result as soon as possible and let you know as soon as there is news." Liang Tianhua promised with a smile.

He knew that Wu Tian was powerful behind him, and even the Municipal Bureau did not dare to offend him. Naturally, he, the head of a small police station, wanted to double his favor.

"All right." Wu Tian did not continue to ask.

He knew that the case was quite difficult. Through those hard talking gangsters, nothing could be found in a short time.

"Mr. Wu, it's getting late. I'll arrange someone to take you back." Liang Tianhua said with a smile.

"No

Wu Tian waved his hand and set his eyes on Su Ruyun's face. "Since it was captain Su who brought me here, let her send me back!"

"Daydream." Before Liang Tianhua could speak, Su Ruyun expressed strong opposition.

Now she hated Wu Tian, a rascal, and wanted to beat him to death to relieve her hatred.

As the leader of the east city thunderbolt, he has the title of female devil head, which makes countless gangsters scared. Unexpectedly, Wu Tian, the boy, takes advantage of him.

At the thought of being touched by that dirty hand, she would gnash her teeth and be cruel in her heart. One day, she would teach the rascal a good lesson.

"Since captain Su doesn't want to see him off, goodbye." Wu Tian waved his hand and turned to walk outside. When he came to the door, he suddenly turned back. "By the way, Captain Su, your long legs are flexible and greasy. It's just that the meat is a little bit less. It's Chrome to touch." "You..."

Su Ruyun almost didn't vomit blood.

This son of a bitch took advantage of her. It's good to say sarcastic remarks here. How unreasonable.

If director Liang hadn't been here, she would have taken out a pistol and fired a few shots at the boy. It seems that the rascal dare to talk nonsense.

"You're busy. I'm going." Wu Tian threw his hands behind him and swaggered out.

As soon as he walked out of the interrogation room, he saw Huang Ze come up quickly and said, "Mr. Wu, are you ok?"

"It's OK." Wu Tian said without expression.

It is the so-called person who reaches out and doesn't smile. What's more, Huang Ze's performance today makes him very satisfied.

Comparatively speaking, in the Huang family, Huang Ze's attitude towards LAN elder sister is the best, not as mean as others.

"It's OK. Let's leave first." Huang Ze reached out and made a gesture of invitation.

Since knowing Wu Tian's life experience, he has been careful in front of Wu Tian, for fear that he will offend Wu Tian again.

They walked out of the Dongcheng police station one after the other.

After getting on the bus, Wu Tian couldn't help asking, "who are these gangsters tonight?"

"I don't know." Huang Ze shook his head in pain. When he mentioned these gangsters, he couldn't help but have a headache.

To tell you the truth, it's lucky that Wu Tian did it in time tonight, otherwise the Huang family would suffer.

After pondering for a few seconds, he said thanks to Wu Tian: "thank you for helping us out of the yellow family tonight."

"You don't need to thank me. I just want to see the face of LAN elder sister." Wu Tian said this and continued to ask, "did you Huang family offend anyone?"

Mainly for LAN elder sister's consideration, otherwise just don't bother to ask Huang family that little nonsense.

"This..."

Huang Ze's words to the mouth and swallow back, a pair of desire to speak and stop the appearance, obviously some cover up.

On the contrary, Wu Tian became more curious and asked again, "don't hesitate. If you have anything to say, just say it."

"All right."

Huang Ze hesitated for a moment, and finally nodded: "in fact, we Huang family have done those improper business before, and accidentally offended several organizations."

"And such things?" Wu Tian's eyes twinkled and his brows wrinkled slightly.

CHAPTER 178:

Wu Tianwei Leng a few seconds, can't help but continue to ask: "you Huang family in the end offended who?"

"Our Huang family has offended three organizations, namely, the two major forces in Luzhou City and an organization in Jiangnan province." Huang Ze looked at the front and carefully explained: "two of the big forces have disappeared, and now there is the Jiangnan

organization."

"What organization?"

"Dragon and tiger hall."

"Do you mean that these gangsters are sent by the dragon and tiger Hall tonight?"

"It's possible."

"Let's go back to your Huang's first." Wu Tian didn't say much. He planned to go back to the Huang family to see the situation.

The two returned to Huang's house and found that the aftermath had been dealt with almost the same, and the injured had been sent to the hospital.

Huang Jiaqi and others are in a state of panic. Although the matter has passed, it still leaves a shadow in everyone's heart.

When Wu Tiangang walked into the main house of the Huang family, Mr. Huang took people to meet him and said gratefully, "Xiao Wu, thank you for helping the Huang family out this time. On behalf of all the Huangs, thank you."

With these words, he bowed deeply to thank Wu Tian.

Huang's family bowed to express their agreement.

If we were afraid of Wu Tian's identity before, now I really appreciate Wu Tian's help.

If Wu Tian hadn't taken action to subdue the gangsters before, the Huang family would have to suffer severe beatings. They would have said whether they were dead or alive.

"You are very kind, sir." Wu Tian rushed to help the old man up.

After all, this is Huang Lan's grandfather. Even if you look at the face of LAN elder sister, you should have some respect.

"From now on, you will be the nobleman of our Huang family, and we can't thank you enough."  
"It's too late tonight. Why don't you stay at our Huang's house for a night?" he suggested

"Well All right Wu Tian nodded, mainly considering the safety of sister LAN, decided to stay tonight.

"Lan'er, quick, take Mr. Wu to your room to have a rest." The old man Huang quickly told Huang Lan.

"Good grandfather." Huang Lan answered and said to Wu Tiandao, "let's go. I'll take you there."

"Good!" Wu Tian nodded and followed Huang lanchao's house before. Qinglong followed him.

When the three returned to the room, Huang Lan couldn't help but feel grateful: "thank you for saving me and my family. I don't know how to thank you."

"Sister LAN, we don't have to be so polite."

"You saved our family. Now you are a meritorious official of our Huang family. The whole Huang family is very grateful to you."

"Lan elder sister, I'm only going to do it for you."

Thank you After Huang Lan said thanks, she said in a low voice: "just now my grandfather came to see me and wanted to invite you..."

"Please make me his grandson-in-law?"

"Fuck you." Huang Lan turned her eyes and said in a low voice, "my grandfather wants to ask you to help us deal with those gangsters."

"No problem." Wu Tian resolutely agreed.

There are those gangsters who are covetous to LAN elder sister. He is not steady in his heart. He

needs to find a way to solve those gangsters, so that he can get rid of them once and for all.

"Do you really want to?"

"Of course."

"My grandfather is afraid you don't want to!"

"I don't want to put you in danger, mainly."

"You are so kind to your sister, I don't know how to repay you." Huang Lan bit her lips, her eyes full of gratitude.

"Help is mutual. You've helped me a lot before."

"I'm really glad to meet you." Huang Lan took a deep breath and asked anxiously, "it is said that the gangsters are from the dragon and tiger hall. They are especially fierce. You should be careful."

"Don't worry." Wu Tian said this, raised his head to Qinglong and said, "you don't have to worry about me. Go check the details of the dragon and tiger hall and give me a reply as soon as possible."

"Well, I'll go now." Green Dragon answers and turns to leave the room.

After Qinglong left, the room was quiet, angry and a little embarrassed.

In order to resolve the embarrassment, Huang Lan proposed with a smile: "boy, you go to take a bath first, and go to bed early after the bath."

"Good." Wu Tian nodded and went into the bathroom.

Lanxiang took a towel and walked out of the house

"Ah, you, you, you..."

Huang Lan saw the pink towel in Wu Tian's hand, and her pretty face suddenly turned red: "how can you wipe my head with my bath towel?"

"Why didn't you say it earlier?" Wu Tian was scared to lose the towel.

"Poof!"

Seeing Wu Tian's appearance, Huang Lan couldn't help laughing. She went to pick up the towel and scolded angrily, "Stinky boy, you still hate your sister."

"Hey, hey

Wu Tian grabs his head awkwardly. He also finds that the move just now is too straightforward. He explains with some apology: "it's not that I dislike sister LAN, but I think the taste is too strong. I'm afraid I can't hold it." "Fuck you." Huang Lan didn't have a good temper to scold, holding a towel, blushing ran into the bathroom.

Wu Tian smiles bitterly, shakes his head, turns and goes back to the room to sleep.

The next day, he was awakened by a sudden knock on the door. He thought it was sister LAN knocking outside.

Scared to quickly put on clothes, tidy up before opening the door, found that is green dragon standing outside the door.

"Did you find out about the dragon and tiger hall?" Seeing Qinglong's expression, Wu Tian knew that things were going well.

"Yes."

Green Dragon nodded and said with no expression: "after many inquiries, we have found out the details of the dragon and tiger hall."

"Tell me."

"Longhutang was originally a large company in the south of the Yangtze River. Later, because of its poor management, it went into the black road and developed by those gray businesses..."

"Get to the point."

"The Huang family was originally a small branch of the Dragon Tiger hall. Later, when they had a conflict with the Dragon Tiger hall, they betrayed the organization and went to Luzhou to develop independently. This time, the dragon and tiger hall raided the Huang family for revenge." Qinglong finished talking about the gratitude and resentment between Longhutang

and Huangjia.

"Drink water first." Wu Tian poured a glass of water and handed it over.

After drinking water, Qinglong continued to ask, "did you find out the real strength of the dragon and tiger hall?"

"The dragon and tiger hall is very powerful, has a lot of criminal record, and is famous in Jiangnan area."

"Can we find a way to wipe out the dragon and tiger hall?"

"This..." Qinglong hesitated for a few seconds, and said in a deep voice: "with our current strength, fighting against the dragon and tiger hall is no different from hitting the stone with an egg."

"Is the dragon and tiger hall so powerful?"

"Yes

"I see. Go ahead and get busy." Wu Tian nodded his head and had a subjective understanding of the dragon and tiger hall.

The strength of the Dragon Tiger hall is very strong. The yellow family is not an opponent at all. With his current personal strength, he can't fight against the dragon and tiger hall.

This is why Mr. Huang asked sister LAN to ask for help. Obviously, he wanted him to use his

family power.

After thinking about it for a while, he took out his mobile phone and dialed Long Yun's phone. He asked, "Secretary long, have you eaten?"

CHAPTER 179:

"Er..."

On the other end of the phone, Long Yun pauses for a few seconds, and can't help but ask: "how can you start to care about me whether I have such a small meal?"

"Don't you care?" Wu Tian's tone suddenly became cold and fierce. He felt that he had been concerned about Secretary long too much recently.

Since the last time I accidentally looked at Longyun's body, I felt guilty in my heart and cared about her from time to time.

"Yes Long Yun's tone is stiff and spits out a word.

"Did you eat, then?"

"No

"Remember to have breakfast later. Don't be so hungry."

"Yes."

"Yes." After saying a few nonsense, Wu Tiancai went straight to the theme: "Secretary long, have you ever heard of the dragon and tiger hall?"

"Yes, I have."

"You've heard of that?" Wu Tian is a little surprised. After all, Long Yun is a woman. She should seldom care about these things.

"Yes."

At the other end of the phone, Long Yun explained patiently, "the Dragon Tiger hall was originally just a small organization. There were some small conflicts with the industry of the Wu family. The old man asked me to investigate the Dragon Tiger hall before."

"Conflict with our Wu family?"

"Yes."

"The dragon and tiger hall is so corrupt that even our Wu family dare to provoke it?"

"Young master, maybe I didn't understand." Long Yun has been brewing for a few seconds in her mind, and explains earnestly: "there is no direct conflict between Longhutang and our Wu family, but there is a conflict with our small company. The Wu family is considering eradicating Longhutang."

"I see." Wu Tian nodded and tried to ask, "when is grandfather going to eradicate the dragon and tiger hall?"

"I don't know when to eradicate the dragon and tiger hall." When Long Yun finished saying this, he couldn't help asking, "young master, how can you suddenly care about the things of the dragon and tiger hall?"

"Nothing, just ask casually. I'll hang up first." Wu Tian said this and hung up his cell phone.

Since Longhutang has a feud with the Wu family, I don't need him to talk about it. I believe that this kind of organization will be destroyed by the Wu family soon.

Just after the phone call, Huang Lan came over and said with a smile, "grandfather asked me to call you to go down to have breakfast."

"Well, let's go." Wu Tian nods and follows sister LAN to leave the residence and come to the main house not far away.

In the restaurant has prepared a rich breakfast, a variety of food, a full range of categories, it is simply a gluttonous feast.

"Xiao Wu, please have a seat." Huang Laozi pointed to the position of the guest of honor beside him and said with a warm smile.

"You're welcome. Please sit down." Wu Tian smiles indifferently and goes to sit down with the old man.

Sister LAN sat down beside him, and other Huang family members also took their seats.

"Xiao Wu, how did you sleep last night?"

"Not bad."

"That's good. Have a meal." Huang became very kind and offered Wu Tianjia dishes.

On the contrary, Wu Tian was embarrassed.

Halfway through the meal, Mr. Huang put down his dishes and chopsticks and said with a smile, "I have an unkind request. I don't know if I should speak it improperly."

"Sir, if you have anything to say, just say it."

"That's good." Mr. Huang sat in his body and said in a very serious tone: "our Huang family was attacked by gangsters last night. Fortunately, you helped our family avoid being hurt. However, I'm afraid that gangsters will come again. So, I would like to ask you to help us deal with those gangsters."

"I have promised sister LAN to help you deal with those gangsters."

"Thank you so much." Mr. Huang raised his glass and said with a smile, "on behalf of all the Huang family members, I would like to thank you. If you help, those gangsters will surely die."

"Flattering!"

Wu Tian took a sip of the wine and said, "I heard that you Huang family offended the dragon and tiger hall before?"

"Yes

Huang put down his glass and explained with a heavy complexion: "because of historical reasons, we have a deep hatred with the dragon and tiger hall. Last night, those gangsters were sent by the dragon and tiger hall."

"What do you hate about Tiger hall?"

"Well, it's a long story, mainly about disputes of interest." Mr. Huang didn't want to say anything too detailed. He just mentioned it, and then promised, "as long as Mr. Wu can help us solve the problem of dragon and tiger hall, we will certainly repay Mr. Wu."

"That doesn't have to be. I just want to take care of sister LAN."

"Lan'er, it's really..."

Mr. Huang did not finish his words, but was interrupted by the old housekeeper who rushed in.

Before entering the door, the old housekeeper yelled: "master, it's bad. Something happened..."

"Don't shout. I'm receiving a distinguished guest." Mr. Huang turned his head and scolded the housekeeper.

"Master..."

The housekeeper couldn't care so much. He ran over and explained in a hurry: "something's wrong. The gangsters last night Again, again... ""What?" On hearing this, the old man stood up from his chair, and his old face became dark and gloomy.

Huang's family was also frightened by this, and their whole expression became tense, all of them looked like a disaster.

For a moment, the whole restaurant became tense.

Or old man Huang was the first to react to his children and grandchildren: "don't be silly, quick Call the police. "

When they heard this, they took out their mobile phones and prepared to call the police.

"Bang!"

Before I could make a phone call, I just heard the sound of "bang". The restaurant door was directly knocked open, and more than ten gangsters broke in like wolves.

Huang's family shrank and even retreated, unconsciously hiding behind for fear of being killed by the gangsters.

The first is a tattooed man in his fifties. He breaks into the restaurant and looks at Huang's family like a wolf, and his whole body erupts with astonishing anger.

"Zhao Longhu?" Huang recognized the tattooed man at a glance. It was Zhao Longhu, the leader of the dragon and tiger hall.

At that time, it was because of the uneven distribution of interests between the old man and Zhao Longhu, and finally they parted ways, so that they became hostile from partners.

But I didn't expect that the Dragon Tiger hall has grown so fast, and now its power has far surpassed that of the Huang family.

"You may not have dreamed of it one day." Zhao Longhu shook the flesh on his face and said: "when you abandoned the dragon and tiger hall, this time I will clean up the door and destroy your Huang family."

"Zhao Longhu, if it wasn't for you

Mr. Huang also wanted to argue. Before he finished speaking, he was interrupted by Zhao Longhu's deep voice: "I don't want to mention the things in those years. Anyway, today I have to destroy your Huang family."

With these words, he slowly raised his hand with a strong wave, two words burst out of his teeth: "hands on."

Get the order, more than a dozen gangsters around in a murderous manner.

Seeing so many killers approaching, Huang's family was so scared that they all fled backward.

I have seen how ferocious these gangsters are yesterday. Even those bodyguards of the Huang family are not rivals. They can only wait for death when they are helpless.

CHAPTER 180:

"Wait!"

At the critical moment, Wu Tian stood up from his chair and asked Zhao Longhu with a smile: "are you the boss of the dragon and tiger hall?"

"Yes." Zhao Longhu nodded, squinting at Wu Tian, "who are you, boy?"

"My surname is Wu, and my name is Wu Tian." Wu Tian got up and slowly approached Zhao Longhu and said with a smile, "let's make a deal."

"What deal?"

"What if you let the Huang family go and I let you go of the dragon and tiger hall?"

"Ha ha ha..."

On hearing this, Zhao Longhu looked up and laughed, as if he had heard a big joke.

After laughing for a long time, Zhao Longhu couldn't help but sneer at him: "you boy is really boastful. You dare to talk to me with this tone."

"Do you think I'm scaring you?"

"I don't think you know what's going on." Zhao Longhu shook his arm and exclaimed, "do you know how powerful our dragon tiger hall is now?"

"As far as I know, you are just a small organization on the side of peace, so you can't get into the hall of elegance." Wu Tian mercilessly derogated.

We have made an in-depth investigation into the dragon and tiger hall before. Although this organization is a little famous in the south of the Yangtze River and has a hundred times more abuses than the Huang family, it is still far from being compared with the Wu family.

If the Wu family wants to root out the dragon and tiger hall, it will be easier than trampling on the ants.

"You are a frog in the well." Zhao Longhu chuckled and raised his head in a loud voice: "we have more than 100 people in Longhu hall, and our branches are all over the south of the Yangtze River. As long as I stamp my foot, I can make Jiangnan province tremble three times."

"As long as I call, I can make you perish in Jiangnan." Wu Tian didn't show weakness and hit back.

"You're crazy." Zhao Longhu shook his sleeve and yelled in his voice: "if you call us to destroy our dragon and tiger hall, I'd like to see how capable you are."

"I don't want to do it. It's not good for you or for me."

"I'd like to see what you're capable of, but you've just called us out!" Zhao Longhu craned his neck and yelled, it's like a combative rooster.

He didn't believe how capable the boy was.

Even if you have great ability, you can't kill the dragon and tiger hall by phone.

In his opinion, this boy just doesn't know how powerful the dragon and tiger hall is.

"In that case, don't blame me for being rude." Wu Tian has said what he should have said. Now there is no need to talk nonsense any more. He takes out his mobile phone and dials Long Yun's phone.

He only told Secretary long to use her family power to destroy the small organization of dragon and tiger hall in a short time.

Compared with the Wu family, the Dragon Tiger hall is indeed a small organization. What's more, it offends the Wu family. With a little power, it can completely disappear in the south of the Yangtze River.

After the phone call, Wu Tian sat back to his position and said with a smile, "within an hour, your dragon tiger hall will perish."

"Well, I'll wait for you for an hour. I'll see how your brag ends." Zhao Longhu took the chair and sat down on the opposite side, staring at Wu Tian with a fierce eye.

In this way, both sides did not speak, fell into a cold war state, and the air in the restaurant was like freezing and suffocating.

Time passed, less than half an hour later, the phone rang in the restaurant.

Zhao Longhu's entourage quickly took out his mobile phone from his bag, handed it to Zhao Longhu with both hands, and reminded him, "master, your phone rings."

"Take what you say." Zhao Longhu waved his hand impatiently and motioned his subordinates to help him answer the phone.

"Yes The valet answered the phone.

After only saying a few words, he turned pale and said in a trembling voice, "Zhao Hall leader Zhao, something's going on It's a big deal... "

"What's the matter?"

"All 12 branches of the Dragon Tiger Hall The dragon and tiger hall has been completely destroyed... "

"Plop!"

After hearing this, Zhao Longhu's body trembled violently like an electric shock, and fell directly from his chair and collapsed on the ground like mud.

It took a lot of effort to get up from the ground and looked at his subordinates like ashes, "you say again, what's wrong with the dragon and tiger hall?"

"Just now, the deputy hall leader called, and the branches of the dragon and tiger hall were in an instant The whole army is destroyed. "

"How could that happen?" Zhao Longhu rushed over like crazy, reached for his subordinates' neckline, and roared: "our dragon and tiger hall is good, how can we suddenly perish?"

"Just ten minutes ago, a lot of mysterious forces suddenly sneaked into the Dragon Tiger hall, which made the dragon and tiger hall all over the place. Then the police arrested all the brothers of the dragon and tiger hall, and found all the evidence of their crimes. The deputy hall leader took advantage of the chaos to escape..."

"My God

Zhao Longhu held his head and roared wildly: "who? Who is it? Who is this mysterious force? "

"The mysterious power is too mysterious. The vice hall leader doesn't know the background of each other, only knows their surname Wu." "Wu?"

Zhao Longhu suddenly raised his head and looked at the young boy sitting opposite him. The corners of his mouth trembled for a long time before he asked: "yes Yes, it is Is it you? "

"Yes, it's me." Wu Tian's eyes were as calm as the lake, without any waves.

I had expected that the Wu family would soon destroy the dragon and tiger hall, but I didn't expect so soon.

Huang's family were also shocked. They all looked at Wu Tian with the monster's eyes. They didn't expect that the boy could make the Dragon Tiger hall perish only by making a phone call.

The strength of the Dragon Tiger hall is obvious to all. It can be seen that the power behind Wu Tian is so powerful that it is frightening to think about it.

"I didn't expect it was you." Zhao Longhu does not want to accept this fact, but he can not but accept it.

I never dreamed that the boy's power behind his eyes was so amazing that he really wiped out their dragon tiger hall by a phone call.

I thought the boy was joking and bragging.

Until this time, I realized that the boy was hidden, and that he was a serious character with

many abuses.

"I told you long ago that I could destroy your dragon and tiger hall. Do you believe it now?" Wu Tian snored coldly, without any sympathy in his heart.

"You..."

Zhao Longhu has nothing to say for a long time, but he didn't expect that the dragon and tiger hall, which took more than ten years to build, was destroyed in the hands of a hairy boy.

The heart is unwilling, but helpless.

If he had known that the boy was so tough, he would have reconciled with him, and he would not have been so miserable.

But now it seems too late to regret.

The Dragon Tiger hall has been destroyed. At present, only he and his more than ten brothers behind him have no way out.

It is said that rabbits bite people when they are in a hurry. They have been forced into a desperate situation and have no way to go back.

"Boy, no matter who you are, since you have destroyed the dragon and tiger hall, I will let you bury with you." After saying this, Zhao Longhu waved to his subordinates and said, "let's go up together and kill Wu Tian and Huang's family. Let's go to the dead."
