

CHAPTER 211:

"Yes, it's strange that a lady like you can cook." Wu Tian couldn't help but sarcasm.

Just casually said that, also did not really expect this woman to help him cook.

But the next Mu ran couldn't help but fork in: "well, I can cook, I help you do."

"Teacher mu can cook?"

"Yes, I cook my own food at home."

"I didn't expect that Mr. Mu is so powerful that he can enter the kitchen and the bridal chamber. Bah I mean get into the hall. " Wu Tian joked, but he didn't know what to do. Seeing that Mr. Mu was going to get angry, he changed his words in a hurry.

Liu Yueyao hit Wu Tian's chest with her arm, put her head close to her and said in a low voice: "you are too much. Even Mr. Mu dares to molest."

"Just now I've been smoking."

"Thick skinned."

"Hey, hey Wu Tian chuckled and said to Mr. mu, "how can you cook in my house? I'll order some takeout later."

"You're recuperating now. There's no nutrition in taking out. I'll make it for you." Muran glared

at Wu Tian, turned away from the bedroom and went to the kitchen.

"Mr. mu, I'll help you." Liu Yueyao said this and quickly followed him.

The two women worked in the kitchen for more than half an hour, making four dishes and one soup.

"It's a great honor to have the food made by Mr. mu." Wu Tian said this, but he could not wait to grab a piece of meat and put it into his mouth. He boasted, "Mr. mu, your cooking is really delicious."

"Poof!"

Seeing that Wu Tian grabs vegetables like a child, Muran covers his mouth and laughs directly.

"Pa!"

Liu Yueyao patted that dirty hand, disgusted way: "dirty dead, eat with chopsticks."

"ok! "

Wu Tian grabs his chopsticks and starts to eat.

These dishes are really delicious. Although they are not as delicious as Shen Xue's, they are also very unique.

It's really not easy for home cooked dishes to be so colorful and fragrant.

"Mr. mu, your craftsmanship is really good. It's delicious." Liu Yueyao can't help but follow the praise.

"Eat slowly, don't choke." Seeing how happy the two students ate, Muran also felt happy.

When they were halfway through the meal, there was another knock on the door.

Hear knock on the door, three people slightly a Leng, Mu ran put down chopsticks and went to open the door.

This time, Huang Lan, holding a bunch of flowers in his hand, frowned slightly when he saw Muran: "excuse me, are you

I didn't expect that there would be such a beautiful woman in Wu Tian's room, which made her feel very uncomfortable.

"I'm Mr. Wu Tian, Muran." Muran said.

"It was the teacher." As soon as I heard that this woman was Wu Tian's teacher, Huang Lan instantly beamed and said, "my name is Huang Lan, and I'm Wu Tian's friend."

"Are you the singer?"

"Yes."

"What a surprise." Muran's face looks a bit surprised, did not expect that Wu Tian even knew this kind of star.

After the micro Leng, he stretched out his hand and made a gesture of invitation, "by the way, Wu Tian is eating. Come in quickly!"

"Well!"

Huang Lan walked into the room holding flowers. When she saw another woman in the room, her face sank again.

Staring at that woman to see a few eyes, just to Wu Tianguan heart way: "hear you are injured, all right?"

"It's just a little injury to the right leg." Wu Tian explained bitterly.

It's really unexpected. I didn't expect sister LAN would come here.

It never occurred to me that these three women would gather in their own homes in this situation.

"Why don't you stay in hospital when you're injured?" Huang Lan put down the flowers in her hand and walked quickly to care: "let me see your wound quickly."

"It's just a fracture. There's no wound." Wu Tianwei hides his right leg in a hurry, for fear that Lan elder sister will see the flaw.

LAN elder sister is a shrewd woman, in case she sees through, it can be a big event.

"When I heard that you were hurt, I was very anxious." Huang Lan stroked the hair around the ear corner, and said with a gloomy look: "I'll call you if you don't answer, I'll run over directly."

"The cell phone is out of power." Wu Tian found that the mobile phone had no power, and had already turned off the phone.

No wonder Liu Yueyao didn't make a phone call before, and broke in directly.

After charging the mobile phone, he couldn't help asking Huang Lan, "sister LAN, how do you know I was hurt?"

"It was Sun Sheng who called me just now. He also heard from the grapevine that you were injured. He called me to confirm. I didn't know the situation, so he came to have a look." Huang Lan explained.

"It's true that good things don't go out; bad things spread far and wide." Wu Tian smiles bitterly and shakes his head.

I didn't expect that Huang Mao and those gangsters had a strong ability to spread the news of his injury in just half a day."By the way, who is she?" Huang Lan turns her head and falls her eyes on Liu Yueyao. There is a bit of hostility in her eyes.

"She is..."

Before Wu Tian had time to explain, Liu Yueyao first vomited out a sentence: "Wu Tian and I are

classmates and friends."

When she said this, her tone was much stronger than usual.

"I am Wu Tian's most important friend and partner." As soon as Liu Yueyao's words were finished, Huang Lan introduced a sentence like swearing in sovereignty.

The two looked at each other with hostility, as if they were red for a toy.

There are three women in each room.

In particular, Liu Yueyao and Huang Lan have become more and more hostile.

Both of them guessed that the other side had a good relationship with Wu Tian. As for which step it was related to, no one knew.

This situation lasted for five minutes, and finally Mu ran broke the embarrassment and said to Wu Tian, "I'll help you go to the bedroom to have a rest. By the way, I want to tell you a few words."

"Good!"

To tell you the truth, Wu Tianzao wanted to find an excuse to slip away. He took this opportunity to enter the bedroom with Mr. mu.

I have never met this kind of situation before. I don't know how to deal with three women for a time.

As soon as he entered the bedroom, Muran asked, "what's the matter with this woman?"

"Ordinary friends."

"Although I haven't been in love, I can see at a glance that you have a good relationship with that woman named Huang Lan."

"I..." Wu Tian wants to cry without tears. I really don't know how to explain this kind of thing.

"Which one do you like, the two of them?"

"Both." Wu Tian didn't expect to blurt out. After answering, he found that he had said something wrong. He quickly changed his words: "I mean..."

"I didn't expect you to be so playful. I'm so disappointed." Muran's face was gloomy, and he was angry and taught: "relying on his own money, he would get involved in all kinds of affairs and get involved in three or four things, which is too much."

"Mr. mu, it's not what you think."

"I hope you can make a choice as soon as possible, and don't walk on two boats, which will only make me feel sick." Muran fiercely despised a sentence, carrying the bag indignantly toward the outside.

Don't know why, see Wu Tian at the same time with two women, the heart is particularly angry.

## CHAPTER 212:

Looking at Mr. Mu's back, Wu Tianyi is in a trance for a while. He didn't expect that teacher Mu was so concerned about his private life that he seemed very angry.

After Mr. Mu left, Huang Lan and Liu Yueyao were still in the living room, their eyes full of hostility.

It was not until the phone rang in Liu Yueyao's bag that the cold war ended.

After answering the phone, Liu Yueyao quickly walked into the bedroom, "Wu Tian, my uncle has something to do with me, I went there first."

"It's OK. Go ahead and get busy." Wu Tian is now eager for the two women to leave one, or they may fight later.

"I'll come to see you later." Liu Yueyao walked a few steps, and suddenly stopped, "be careful yourself, don't be confused by some women."

"Er..."

Wu Tian suddenly speechless, did not expect that Yue Yao is so hostile to sister LAN.

When they met for the first time, did they hate each other so much?

"Let's go. Bye." Liu Yueyao grabbed the bag and walked outside. When she reached the door, she glared at Huang Lan.

Huang Lan, with a bitter smile, walked into the bedroom and asked Wu Tian, "that girl was very beautiful just now. Is it your girlfriend?"

"No, just friends." Wu Tian explained.

"Ordinary friends?"

"Yes."

"That girl must like you." Huang Lan sucked her nose and said in a sour and angry way: "you boy, you're very lucky. The chef named Shen Xue liked you before, but now another one comes out, and they are all top beauties."

"I think sister LAN is the most beautiful." Wu Tian boasted and took the opportunity to change the topic: "sister LAN, do you know where you are most beautiful?"

"What

"The whole body is beautiful, without any defects."

"Rhetoric." Huang Lan pursed a smile and sat down beside the bed, caring: "how is your leg injury? Is it serious?"

"A little injury, nothing serious."

"When I heard that you were injured, I was scared out of my wits..."

"I didn't expect sister LAN cared so much about me."

"Sister, you are the only one friend. If you break your leg, who will accompany her to dinner?"  
Huang Lan half jokingly laughed.

"The leg is broken, the mouth is not bad, still can eat."

"You son of a bitch." Huang Lan poked his hand at Wu Tian, took a look at the time and said, "I'll push off the business performance in the afternoon and stay to take care of you."

With these words, he took out his mobile phone and was ready to make a call.

"No

Wu Tianyi grabbed the mobile phone and stopped him: "sister LAN, don't delay my work because of me. It will make me feel guilty."

"But you need to be looked after now..."

"My leg is just a small injury. It's nothing serious. I don't believe it." Wu Tian got out of bed and limped up.

"Can you do that?"

"Yes."

"But I'm still not sure."

"Well, sister LAN, go to work quickly. I'll rest at home alone, and I won't go out. There's nothing to worry about." Wu Tian pushes sister LAN to the outside.

"All right."

Huang Lan rubbed his arm and said with a smile, "you're good at healing. Be careful. Call me if you have anything to do."

"ok! "

Wu Tian compared a gesture, directly pushed Lan Jie out, and closed the door.

If it's really hurt, it's good to have someone take care of it.

But now is to pretend, leaving a woman at home is not convenient, in case of being found out that can be boring.

Seeing off LAN elder sister, Wu Tian is a little exhausted and lying on the sofa. He didn't expect to be so embarrassed when he was injured.

After a look at the food on the table that has not been finished, Wu Tian unconsciously licks his mouth. To tell the truth, Mr. Mu's skill is really good.

Thinking that Mr. Mu was very angry when she left, she simply took out her mobile phone and

dialed Mr. Mu's phone. The phone rang for a long time and no one answered.

Is Mr. Mu still angry?

Wu Tian hung up the phone, feeling bored at home, so he went downstairs and took a walk in the community.

But the gauze on his leg didn't pull, so he went downstairs, mainly worried that the women would come back again.

In the community around a few circles, and then left the community, ready to go to the opposite supermarket to buy a pack of cigarettes.

When he got to the gate of the supermarket, a luxury car stopped rubbing against his body. Geng Yunguang was the first to get off the car, along with two bodyguards.

"Boy, why are you lame?" Geng Yun, who knows why, is looking gloating.

Hearing that Wu Tian's right leg was broken by someone sent last night, he made a special trip to see the joke.

"Did you send those thugs who hit me last night?" Wu Tian stood up straight and asked in a cold voice.

"You are so clever."

Now, Geng Yunguang doesn't need to pretend, "yes, I sent someone to teach you a lesson last

night." "Geng, you are so mean."

"That's what happens to me." Geng Yun Guang shook his sleeve and said with a gloating smile.

"Do you really think sending a couple of thugs can do to me?"

"My legs are broken. I dare to look like that."

"I'm kidding you. You take it seriously." Wu Tian pulled off the gauze on his leg and said with a smile, "in fact, my leg is OK at all."

"You Not hurt? " Geng Yun Guang's eyes suddenly sank.

Seeing that Wu Tian's right leg was intact, his whole old face turned black and blue.

Last night, so many people were sent to teach Wu Tian a lesson, and those gangsters later said that Wu Tian's leg was interrupted by them, but how can it be intact now?

"You are stupid." Wu Tian threw away the gauze in his hand and explained with a smile: "in fact, those gangsters knew me before. I deliberately asked them to play a play with me, just to play a trick on you, an old guy."

"You..." Geng Yun's old face was puffed with anger.

I've been in the mall for decades, and I've done a lot of crooks. I didn't expect to be fooled by a little boy.

"Boss Geng, I heard you are rich?"

"Of course."

"It doesn't make sense to have money." Wu Tian said this, laughing and mocking: "I suggest you spend more money to cure the brain, after all, the brain is a good thing."

"You son of a bitch." Geng Yunguang, who could bear such humiliation, turned his head to the two bodyguards behind him and ordered, "break this boy's leg for me, and see that he still dares to be arrogant."

"Yes."

Two bodyguards got the order, they rushed to the past.

It seems that they are eager to perform well in front of Geng Yunguang, so they are very fast, their posture is very handsome, and their strength is also very fierce.

Wu Tian can see that the two bodyguards are not weak and have no slightest carelessness. They shrink to avoid the attack.

After dodging the attack, he suddenly kicked one of the bodyguards in the back.

"Ah

The unexpected attack let the bodyguard have no power to parry. The one who is kicked lies on

the ground and screams bitterly.

Another bodyguard responded and quickly waved up.

As a result, he was knocked over by Wu Tian's sweeping leg and hit the bodyguard's waist and abdomen.

#### CHAPTER 213:

In this way, Wu Tiangen didn't spend much effort. He easily knocked over two bodyguards and fell to the ground and screamed repeatedly.

This can startle Geng Yun Guang on one side.

Originally thought that Wu Tian was just a little boy with no strength to tie a chicken, but he didn't expect that Mao Xiaozhi was so strong that he would beat his two bodyguards with three punches and two feet.

It seems that he underestimated the boy's strength.

"Boss Geng, it's your turn now." Wu Tian crooks his fingers and approaches Geng Yunguang with a bad smile.

"I I won't fight you. " Geng Yun Guang swallows saliva, scared repeatedly backward.

If he had known that the boy was so strong, he should have stayed more than a few bodyguards to be safe.

"It's not you who fight with me, I want to fight you." Wu Tian finished saying this and smashed it with his fist.

"Ah..."

The blow fell on Geng Yun Guang's face. He screamed in pain. Half of his face turned blue.

After being punched, he tried to endure the sharp pain in his face and yelled to Wu Tian: "boy, how dare you hit me Ah

Before he finished speaking, he got another punch on his face, and the scream was more shrill than before.

"Old man, I didn't want to argue with you. Since you have to fight, don't blame me for being rude." Wu Tian finished saying this and hit two more fists.

"Boy, wait, I'll kill you sooner or later." Geng Yunguang endured the sharp pain, swearing and fleeing toward the distance. The murderous spirit in his eyes was more painful than before.

"Geng, I'll wait to see what else you can do." Wu Tian turned away from here.

This time, Geng Yunguang felt relieved.

However, he knew that the old man would not give up easily, and then he would surely try to revenge him.

I'm afraid I'm not afraid, but I can't help but feel a little uneasy. After all, the old man's wealth

and strength can't be underestimated.

Next, Wu Tian didn't go anywhere. He went home to study and read in his study.

Learning late, just as he finished his bath and was ready to go to bed, his mobile phone rang on his desk.

Through the phone, I heard Qinglong's impatient voice: "young master, my sister has been kidnapped."

"What? How did your sister get kidnapped? " Hearing that Qinglong's sister was kidnapped, Wu Tian's expression suddenly became tense.

"I took my sister for a walk in the park just now. When I went to buy water, I saw that my sister was put on the car by several people, so I stopped the car and followed her all the way."  
Qinglong told the story briefly.

It's just a little flustered.

"How many of them are there?" Wu Tian asks in a hurry to the mobile phone.

"There are a lot of them, they are not sure."

"Where are you now?"

"Dongcheng chemical plant, I saw those people bring my sister into the factory, young master, first of all, I'll save my sister."

"Qinglong, you must..." Wu Tianhua did not finish, the mobile phone has been hung up by Qinglong.

Wu Tian was stunned for only three seconds. He quickly put on his clothes and ran out in a hurry.

Don't worry about letting Qinglong break into the tiger's den alone. He plans to take care of Qinglong now.

I stopped a taxi and it took more than half an hour to get to Dongcheng chemical plant.

It used to be the largest chemical plant in Luzhou city. Later, the city expanded eastward, and the chemical plant was eliminated as a backward production capacity.

Near the chemical plant is being demolished and transformed, but there is no progress in the demolition, which has been in a state of vacancy.

When he felt the chemical plant, he found that there was chaos inside, and several searchlights lit up the chemical plant.

At this time, there were more than 20 thugs lying about in the chemical plant. They were all seriously injured and lay on the ground crying.

Not only more than a dozen gangsters were seriously injured, but Qinglong was also seriously injured. His whole body was covered with bruises. At this time, he was covering his chest and leaning against the corner of the wall.

There are five gangsters in front of him, who seem to be afraid of Qinglong.

Obviously, there was a fierce fight here just now.

So far, the two sides have not drawn a winner or loser, but the situation of both sides is very bad, it can be said that both sides lose.

"Qinglong, are you ok?" Wu Tian rushes to help Qinglong's body, with an eager expression of concern.

"I'm fine." Qinglong bit his teeth and spit out three words.

The fierce battle just now consumed too much energy, and now I feel exhausted and weak in speaking.

"You have a rest. I'll take care of these gangsters." Wu Tian said this and rushed to the five thugs at the fastest speed.

After a hard fight, he beat only one of the thugs, and was forced to retreat by four thugs.

"I'll help you!" With all his strength, Qinglong rushed forward and formed a group with the thugs.

If in normal times, with the skill of Qinglong, it doesn't take any effort to turn over these thugs.

It's just that I've been injured so much that I've exhausted my strength. I've been struggling with the four thugs. Fortunately, with the help of Wu Tian, they worked hard to turn over all the four

thugs.

"Plop!"

Down with all the thugs, Qinglong only feels weak and weak. He collapses directly on the ground with a soft body, which startles bursts of dust.

"Qinglong, are you ok?" Wu Tian quickly helped Qinglong up from the ground.

"It's OK." Green Dragon waved his hand and said: "don't worry about me. I'll have a rest for a while. Go and save my sister."

"Where is your sister?"

"Tied up in the back room by them."

"Well, I'll go and save her." Wu Tian said this and ran to the small room behind the factory building.

The room behind is dark. Wu Tian can see Qinglong's sister with the help of mobile phone light.

The girl had passed out and fell unconscious on the ground.

Wu Tian reached out to pick up the girl from the ground, walked out of the small room and said to Qinglong, "your sister is OK. She just fainted."

"Let me see." Qinglong got up and rushed over. Seeing that his sister was safe and sound, he felt relieved and sat down on the ground again. He could not help saying, "my sister is recovering from a serious illness. She is still very weak. She will easily faint when she is frightened."

"I didn't expect your sister to be so pretty." Wu Tian stares at the dim little girl for a few eyes, and can't help laughing.

This girl is not like Qinglong at all. Qinglong is a big girl. She is rough and ferocious, just like an orangutan.

In front of her eyes, the girl is delicate and lovely. Although she has grown up, she looks as young as a child.

They are not like brothers and sisters, but like father and daughter.

"A lot of people say we don't look like brothers and sisters." With a bitter smile, Qinglong looked at the ceiling and said, "my sister has been very slow in all aspects of her body development since her illness, which is totally different from that of normal people."

"Your sister is very poor, but fortunately you have such a good brother." Wu Tian smoothed the hair on the girl's face and said with emotion from the heart.

"No

Qinglong shook his head and retorted, "it's better to meet a good boss like you rather than me, or my sister would have died."

"I helped your sister for your sake."

#### CHAPTER 214:

After a few minutes of recuperation, Qinglong gradually regained his strength and got up from the ground. "Thank you for coming to save our brother and sister in time this time."

"You used to protect me, and I should help you." Wu Tianyi took it for granted.

"That's not the same." Qinglong shook his head and retorted, "as your subordinate, it's my duty to protect you, but as a boss, saving me is affection."

Although he is a rude man, these principles are still clear.

"In my heart, I always treat you as a brother." Wu Tian pursed his lips and said a word.

Thank you

Qinglong bowed deeply and said gratefully, "the greatest fortune in my life is to follow you."

"Well, let's stop being coquettish here and send your sister to the hospital for examination."

"Yes." Qinglong nodded with approval and took his sister from Wu tianhui. "We'll go to the hospital now."

"By the way, who are these people? Why did you kidnap your sister? " Wu Tian looks down at those thugs on the ground. They are still crying bitterly. It can be seen that Qinglong's attack is

so vicious.

"I don't know. They tied up feng'er for no reason. I don't know who they are or why they kidnap feng'er." Qinglong is also a blank expression.

"Forget it. Take your sister to the hospital first." Wu Tian has probably guessed the origin of these people.

But now is not the time to think about this. First send sister Qinglong to the hospital and make sure it's OK to be at ease.

As soon as they left the chemical plant, they were surrounded by a group of police.

"Don't move, hands up." Su Ruyun is the first policewoman, shouting at several people.

She had just received a report from the masses that there was a fight in the Dongcheng chemical plant, so she rushed over with the police.

It may be that the light inside is too dark. When we get closer, we can see Wu Tian's face. Suddenly, his face sank: "rogue, how can it be you again?"

"Officer Su, my name is Wu Tian, not a rascal." Wu Tian points to the right way with a playful smile.

"I find you in trouble everywhere."

"It's not me that's causing the trouble. It's them who's causing it."

"Nonsense." Su Ruyun winked and said impatiently, "come back to the police station with me first."

"Wait!"

Seeing that the police were ready to start, Wu Tian hastened to stop him: "officer Su, someone fainted here. Take the injured to the hospital first."

"Faint?"

Su Ruyun noticed that a girl was unconscious and said to the two policemen behind her: "you first send the people to the hospital for treatment."

"Yes."

The two policemen got the order and made a gesture of invitation to Qinglong.

Qinglong looks back at Wu Tian and takes his sister to the police car.

After Qinglong and his sister were sent away by the police, Su Ruyun ordered the remaining police: "take all these thugs back to the police station, and I will try them myself."

"Yes."

When the police got the order, they handcuffed the injured gangsters, stuffed them into the

police car and took them back to the station.

"Why do you want me to do it?" Su Ruyun shakes her handcuffs and brings up a sinister smile.

"Officer Su, I'm a good citizen."

"Don't tell me you're not involved in the fight."

"Participated."

"That's useless." Su Ruyun Mou color a cold, impatient shout: "since participated, then with me back to the police station."

"I'm in self-defense."

"it's not right. You has the final say. Come back to the police station first."

"OK, I'll go with you."

"Come on, put this on." Su Ruyun put the handcuffs together and said in a cold voice, "hand out."

"And handcuffs?"

"If you beat me, you won't wear it." After saying this, Su Ruyun suddenly smashed Wu Tian in

the face.

I had a fight with Wu Tian before. At that time, she was blamed for her carelessness and lost to this boy. This time, I planned to be ashamed.

Just recently, she went to the police academy to practice a few moves, which were specially used to deal with the boy. She wanted to take this opportunity to teach Wu Tian this scoundrel a lesson.

"As a policeman, it's despicable to attack secretly."

Wu Tian complained, and hastily reached out to stop him. As a result, he was beaten back several steps by the woman.

Finally, he stood firm and held out his thumb to the woman and said, "officer Su, it's good. I haven't seen you for a few days. My kung fu seems to have improved a little."

"I'll let you know how good I am today." After saying this, Su Ruyun struck again.

Wu Tian smiles and sees his fist approaching. He quickly dodges the attack.

Su Ruyun was not willing to give up. He failed in one stroke, and then continued to fight. Several fists were defeated.

This makes her a little anxious, and then she raises her legs and kicks her in the past. As a result, Wu Tian dodges her. "Rogue, hiding is no skill." Su Ruyun angrily scolded and yelled: "if you have the ability, don't hide."

"Well, I won't hide. Let's go on." Wu Tian hooked his fingers and joked in a provocative way.

"Hum!"

Su Ruyun snorted coldly and smashed it with his fist.

This time, Wu Tian did not hide. Seeing officer Su's fist approaching, he quickly flipped his right hand and easily grasped Su Mei's fist.

With her right hand restrained, Su Ruyun refused to admit defeat. She quickly smashed it with her left fist. As a result, Wu Tian held out her hand again.

In this way, both her fists were seized by Wu Tian.

"Officer Su, you lost." Wu Tian holds the two flexible arms and teases with a smile.

"Asshole, let go." Su Ruyun wriggled and struggled for a few times, but it was a pity that she was caught too tightly. This kind of struggle did not help at all.

"I just attacked me and wanted me to let you go. There's no way." Wu Tian controlled her two hands with his left hand, and his right hand slowly extended towards her waist.

Seeing this kind of behavior, Su Ruyun's expression was tight: "hooligan, stop, what do you want?"

"Guess."

"Shameless, if you dare to touch me..." Before Su Ruyun finished speaking, she saw Wu Tian's right hand grasping her waist.

At that moment, her body was in a state of tension.

I thought Wu Tian wanted to take advantage of her waist.

It was soon discovered that she was wrong. Wu Tian took the handcuffs from her waist instead of taking advantage of it.

Su Ruyun sighed with a sigh of relief, and said with white eyes, "asshole, I thought you were going to play a rogue?"

"I didn't touch your body, did I disappoint you?" Wu Tian stares at Su Mei Mei's body with a bad smile.

"Go away!"

Su Ruyun left a white eye, puzzled way: "you take my handcuffs what, quickly return me."

"OK, I'll give it to you now." Wu Tian said this, and directly put the handcuffs on Su Ruyun's hand.

Seeing this pair of cold handcuffs on her hand, Su Ruyun suddenly looked silly, "asshole, you even handcuffed me."

As a policeman, being handcuffed was a disgrace to her.

CHAPTER 215:

"Handcuffs people every day. Today I'll give you a taste of handcuffs." Wu Tian put his hands in his pockets and looked at the woman in front of him.

I don't know why, molesting this kind of violent policewoman flower makes him feel particularly wonderful.

"Asshole, untie it for me." Su Ruyun stretched out her arm and roared angrily.

"Want to untie it?"

"Come on."

"My hand is handcuffed by you. How to solve it?"

"That's your business."

"You are a scoundrel." Su Ruyun stamped his feet, and now he would like to kill Wu Tian.

"Thank you for the compliment. I feel honored."

"You..." Su Ruyun almost didn't get angry. She was really scared when she met such a man.

Gnashing one's teeth for a long time, he tried to resist the anger in his heart: "how can you untie the handcuffs for me?"

"Call for husband and I'll help you untie it."

"Go away!" Hearing such a shameless request, Su Ruyun was furious and scolded in a loud voice.

"Then you can do it yourself." Wu Tian said this and turned to leave.

"Don't go."

Seeing that Wu Tian was about to leave, Su Ruyun said in a hurry: "what should I do if you leave?"

She is now wearing police uniform and handcuffs. If she is seen, she will definitely send it to the Internet. Then she will lose her dignity.

"It's your business, it's none of my business." Wu Tian felt his thick skin, and the smile on his face was so brilliant.

Seeing the violent policewoman being tortured like this by him, it is called sour in my heart.

"Wu Tian, it's against the law that you abuse the police. I'll give you one last chance Hey, stop. " Before Su Ruyun finished speaking, she saw Wu Tian continue to move forward, and she stopped in a hurry.

Wu Tian stopped and turned to look at Su Ruyun. "Officer Su, if you talk to me again, I'll really go."

"You, you, you What do you want? "

"I said, as long as you call my husband, I will let you go."

"No way." Su Ruyun resolutely refused, let her call this kind of rascal husband, it is better to kill her directly.

After the micro Leng, hastened to open the mouth to propose: "you change another condition."

"Well, you bark like a dog."

"You bastard."

"Don't be angry. I'll make another request." Wu Tian thought about it for a moment and offered a more realistic condition: "in this way, you can spread a coquetry, and I will help you untie the handcuffs."

"Coquettish?"

"Yes."

"I..." Su Ruyun originally wanted to refuse, but on second thought, this kind of request seemed

to be accepted reluctantly.

Clear throat, brew for a long time before sajiào wāy: "stink Wu Tian, dead Wu Tian, you really hate."

"Poof!"

Hearing that the woman was coquettish, Wu Tian was directly amused.

This smile made Su Ruyun feel embarrassed and puzzled: "what are you laughing at?"

"You are not coquettish. You are obviously coquettish, ha ha..." Wu Tian said this and continued to laugh with his head up.

"Go away!"

Su Ruyun rolled her eyes fiercely and urged impatiently, "don't laugh. Help me untie the handcuffs."

"ok! "

Wu Tian nodded, put up his smile and said, "by the way, officer Su, where are the handcuffs key?"

"It's around my waist."

"I'll find it." Wu Tian quickly stretched out his hand.

Just met the woman's body, she was strongly resisted: "hooligan, what do you touch blindly, on the right side."

"Er!" Wu Tian nodded and reached to his right waist. He quickly found the key to the handcuffs and helped her to open the handcuffs.

After gaining freedom, Su Ruyun smashed Wu Tian with handcuffs.

My anger and resentment have been suppressed for such a long time. I want to teach this boy a lesson. Now I can't help it.

"Shit, you are such a tigress." Wu Tian said this, and then he turned around and ran away.

"Stop for me!"

"I'm stupid. You can't kill me if I stop."

"I won't hit you." Su Ruyun resisted the anger and put away the handcuffs. "Go, follow me back to the bureau to record a confession."

"You really don't sneak on me?"

"It's true, of course."

"OK, I believe you once." Wu Tian went back to Su Ruyun, but he was still vigilant.

Su Ruyun went to pull open the door of the police car and urged, "get in the car and go back to the bureau with me."

"Good." Wu Tian gradually relaxed his vigilance and went into the police car.

As a result, Su Ruyun kicked her butt from the back, causing severe pain from a certain part of her body.

"Shit!"

Wu Tian was so angry that he turned back and glared at Su Ruyun, "Stinky girls, you take the opportunity to attack me." "That's what makes fun of me." Su chuckled, then closed the door, got into the driver's seat, and started the car to drive away from here.

The car sped all the way back to Dongcheng police station.

Su Ruyun handed Wu Tian to two police officers, and then went to interrogate the more than 20 thugs.

The police officer was very polite. He poured water for Wu tianduan tea and even brought fruit. He was very polite.

This makes Wu Tian a little flattered. Ning Mei doesn't understand: "why do you take care of me so much?"

"Director Liang said that we should take special care of you. If captain Su is in trouble, let us inform him in time." Two police officers laughed and explained.

Before that, I had heard from director Liang that Wu Tian was a fierce character, and the backstage was related to the Municipal Bureau.

Naturally, they should try every means to please such figures, and they dare not offend them easily.

"Thank you for me, director Liang." Wu Tianchong two police officers said.

Just after saying this, he saw Liang Tianhua come in and smile: "Mr. Wu, you are welcome. This is just my classification."

"Director Liang, I have given you trouble again." Wu Tian stood up from his chair to show his respect.

Although I don't know what kind of person director Liang is, the director is quite good to him, and naturally can't be ignored in etiquette.

"If not, we have not protected Mr. Wu well." Liang Tianhua with a smile said: "we all know that it is those gangsters who kidnap your friends. You and your friends are self-defense."

"Director Liang is really brilliant."

"Where and where."

"By the way, who are those gangsters?"

"According to the investigation, they were sent by Geng Yunguang."

"Geng Yunguang?"

"Yes."

"It's the old man again." Wu Tian has long guessed that it is Geng Yunguang who does evil behind his back, but he did not expect that it is really so.

By the way, Mr. Wu, have you had a bad time with Geng Yunguang

"It's a little estrangement, and the old man has to get me." Wu Tian explained briefly, and then asked, "why did Geng Yun Guang send someone to kidnap Qinglong's sister?"

"Kidnapping Qinglong's sister is naturally a threat to Qinglong. He knows that Qinglong is under your command, so he wants to force Qinglong to attack you."

"The old thing is really insidious." Wu Tian couldn't help cursing, but he didn't expect Geng Yun Guang to come up with such a mean means.

CHAPTER 216:

"Geng Yunguang is an old fox. You must be careful." Liang Tian said in Chinese.

It seems that this is not at ease. He suggested with a smile: "I think it's better. I'll send captain

Su to protect you 24 hours a day."

"Thank you, director Liang." Wu Tian wanted to refuse, but as soon as he heard that Su Ruyun was responsible for the protection, he changed his mind.

Just now, he was kicked by officer Su, who just left the girl by his side.

"It is our duty to protect our citizens." Liang Tianhua finished saying this and told the police officer behind him, "go and call captain su."

"Yes The policeman answered and walked out quickly.

Less than a moment later, Su Ruyun rushed in and asked Liang Tianhua, "director Liang, I heard you're looking for me."

"Yes."

Liang Tianhua put his hands behind him and said, "now I have an important task for you to do."

"What task?"

"Mr. Wu, you are in charge of protecting my life for 24 hours."

"What? Let me protect that rogue? " Hearing this task, Su Ruyun was in a state of madness.

To tell you the truth, she wanted to get rid of the boy.

Unexpectedly, director Liang asked her to protect the boy.

"This is an arduous and glorious task. I hope captain Su will live up to his mission and do it well."  
Liang Tianhua pretended to encourage the way.

"Director Liang, you know that I have a grudge against that boy. I'm afraid I will castrate the scoundrel by mistake."

"Presumptuous!"

Liang Tianhua's old face sank and angrily exclaimed, "as a people's policeman, how can you say such a thing?"

"I..."

Su Ruyun bit her teeth and pleaded in a low voice: "director Liang, I may not be able to complete this task. You can change someone else to do it."

"Where can I find someone?"

"There are so many police officers in our station that we can send someone to go."

"But you are the only one who really knows Kung Fu. No one is more suitable than you." Liang Tianhua immediately made a decision: "this task is up to you."

"I..."

Su Ruyun also wanted to object, but before he finished speaking, Liang Tianhua interrupted: "this matter is not negotiable. If you don't want to do it, you can apply for a long-term leave."

"Yes, I will."

Seeing that director Liang's tone was so firm, Su Ruyun knew that she had to go down.

"Remember!"

Liang Tianhua put his head close to him and warned in a low voice: "I want you to protect Mr. Wu. If you make any trouble for me, don't blame me for being rude to you."

"Yes

Su Ruyun said so, but he was not convinced.

It's a shame for her to protect such a rogue as the captain of the criminal police.

"Mr. Wu."

Liang Tianhua turned to face Wu Tian and instantly changed into a kind smile: "during this period of time, I let director Liang be responsible for protecting your life safety. If there is any problem, Mr. Wu can call me at any time."

With this, he wrote a number and handed it over.

"Director Liang is really thoughtful." Wu Tian took the number and looked at it with a smile: "if nothing else, I'll go first."

"Please Liang Tianhua went to open the door and made a gesture of invitation.

"Goodbye, director Liang." Wu Tian said goodbye and turned away. When he came to the door, he turned back to remind Su Ruyun: "go, you are my close Guardian God now."

"Son of a bitch!"

Su Ruyun spits out three words from her teeth and reluctantly follows her.

"How nice

Wu Tian was satisfied with a smile and walked outside with Su Ruyun. After a few steps, he felt that something was wrong. He tried to ask, "officer Su, do you want to change into casual clothes?"

"I'm on a mission. Of course I need to wear police uniform."

"But if you follow me in your uniform, people will think I'm a prisoner." Wu Tian finished saying this, and then he set his eyes on Liang Tianhua, "director Liang, what do you think?"

"Yes, Mr. Wu has a point."

Liang Tianhua nodded with approval and ordered Su Ruyun: "Why are you in a daze? Go and change your casual clothes."

"Yes

Su Ruyun was unwilling to bite her teeth and turned into the dressing room.

It took more than ten minutes for her to change her clothes and come out.

At this time, I changed into the slim skirt that I often wear. The figure is wrapped in exquisite and sexy shape. Now it looks like a woman.

"That's good. It's good for your eyes." Wu Tian nods with satisfaction and shoots a few eyes on Su Ruyun. Then he walks out with his head shaking.

"Hooligan!"

Su Ruyun secretly scolded two words, and followed up with a look of displeasure.

After they left the police station building, Su Ruyun immediately changed his face: "warning you, don't look at me with that kind of colored eyes. Be careful to dig your eyes." "I'm going to look at you Wu Tian intentionally widens his eyes and scans Su Mei Mei's body from top to bottom.

She glanced around and finally focused on her neckline.

It's like finding something delicious and swallowing in my throat.

"You..."

Su Ruyun clenched her fists, and she was so angry that she couldn't do anything about him.

She was really afraid of such a rogue. She couldn't win the fight. She scolded and scolded her. However, the key was that the boy still had a strong support behind her.

"Drive."

Wu Tian directly got into the police car and told Su Ruyun, "take me home."

"I'm only responsible for protecting you, not your servant." Su Ruyun held her chest in her hands and responded with a firm voice.

Although she can't beat the rascal, she won't be at his mercy.

"Stinky girl, that's not good." Wu Tian jumps out of the car and approaches Su Ruyun step by step.

Su's body shrank and fell back again and again. She said in a trembling voice, "you You want to Why? "

I don't know why. I'm afraid of this boy.

Maybe it was just because she saw Wu Tian's mean means in the chemical plant that she could not help being afraid.

"Guess!" The corners of Wu Tian's mouth rose, and a sinister smile arose.

"Don't mess with me."

Su Ruyun swallows saliva, cold voice warning way: "this is the police station courtyard, if you dare to come here, I will let you eat too much."

"Believe it or not, if I really do something to you, director Liang and your colleagues are pretending not to see it." Wu Tian said here, has slowly extended his hands.

"You..."

Su Ruyun bit her teeth and had to be soft: "asshole, you're cruel. I can't drive yet."

With that, she jumped into the driver's seat.

But the heart secretly cruel, and so on to find the opportunity, we must let this scoundrel taste the taste of being abused.

"I wish I had been so good." Wu Tian smiles with satisfaction and puts on a handsome hairstyle.

This is not urgent, not slow into the car, with a second uncle like orders: "let's go home, Haitian

garden."

#### CHAPTER 217:

In this way, Su Ruyun drove back to Haitian garden.

As soon as she entered the house, she was shocked by the luxury decoration and high-grade electrical furniture in her home, and couldn't help exclaiming, "your life is really luxurious and corrupt."

"It's money and willfulness." Wu Tian went to the sofa and said with a smile, "you're welcome. Take this as your own home."

"I'm working, not here to enjoy life." Su Ruyun rolled her eyes slightly and sat down in the opposite position.

At this time, Long Yun came out of the bedroom.

See this woman, Su Ruyun Mou color a tight, stare at Wu Tian coldly disdain way: "gold house hides Jiao, you really don't want to face."

"Don't get me wrong. She's my secretary, Long Yun." Wu Tian explained, pointing to Su Ruyun and introducing him to Longyun, "this is the Dongcheng police station officer, who is responsible for protecting me 24 hours a day."

Long Yun didn't say much, just nodded.

This can't help but let Su Ruyun Marvel: "rich people are really corrupt, even secretaries are so

charming."

"Officer Su, are you hungry? Do you want to eat?"

"Not hungry."

"Are you thirsty?"

"Not thirsty."

"Whatever you want. I'll take a bath first." Wu Tian said this and turned to the bathroom.

After taking a bath, she walked out of the bathroom and saw Su Ruyun chatting with Long Yun.

After listening, he found that the conversation between the two girls was related to him.

These two stinky girls are hiding in the dark to speak ill of him.

"Shit!"

Wu Tianan scolded, lazy to pay attention to the second daughter, into the study seriously reading.

Just as he devoted himself to his study, a voice came from behind his ear: "I didn't think you were interested in reading."

"Mud girl, I'm scared to death." Wu Tian put down the book in his hand and looked back to see Su Ruyun leaning against the door.

"I thought that the rich people were drinking all day. I didn't expect you would read books." Su Ruyun walked into the study and saw the dense economic books on the bookshelf. She was more surprised: "my God, there are so many professional books."

"There is no end to learning. Only by learning and progressing can we create more wealth."

"You study to make money?"

"To be precise, learning is to make yourself stronger."

"Is it?"

"Of course."

"You're a little different from what I thought." Su Ruyun walked over and leaned her body on the table. "I thought you were a kind of hooligan. I only knew how to get rich with girls. I didn't expect to have such a side."

"Don't be infatuated with elder brother. Brother is just a legend." Wu Tian made a cool gesture when he said this.

"Cut!"

Su Ruyun rolled her eyes coldly, "do you know what your secretary thinks of you?"

"How to evaluate it?"

"The belly is black and tender, but not obscene."

"Poof!"

Hearing this evaluation, Wu Tian laughed directly, "I didn't expect Secretary long would say this."

"But I have only two words to say about you."

"Which two words?"

"Hooligan!"

"Then you must not sleep tonight, be careful of this rogue drilling your bed."

"Dare you."

"Hey, hey Wu Tian chuckled and pointed to the door: "nothing else. Go to sleep first. I have to study for another two hours."

"Where shall I sleep?"

"In bed."

"Nonsense, which bedroom am I asking?"

"You can sleep wherever you like."

"I'll go to find Long Yun." Su Ruyun said this and turned away from the study.

"This girl." Wu Tian smiles bitterly, shakes his head, grabs up the book to continue to study.

It was not until ten o'clock in the evening that he stretched himself back to his room to sleep and lay down on the bed with his tired body.

As soon as I lay down, I felt the pressure on my flesh. At that time, I felt my scalp numb, and then I heard a scream.

"Ah..."

Wu Tian was shocked by the scream. He quickly got up from the bed and turned on the bedside lamp. He saw a woman lying on the bed.

"Su Ruyun?"

Seeing the woman in bed, Wu Tian was shocked: "officer Su, why are you in my bed?"

"Rascal, son of a bitch, who let you in, get out of here." Su Ruyun tightly covered her chest with a quilt and yelled angrily with her red face.

"Elder sister, please make sure that this is my room and the bed is mine."

"What? Your? "

"Yes."

"Ah?" Su Ruyun muddled for a moment, rubbed his head and said in embarrassment: "Oh, just went out to the toilet, and then went to the wrong room."

"I thought officer Su ran into my room to seduce me.""Go away!"

Su Ruyun rolled her eyes fiercely, opened the quilt in a hurry, and walked out in a daze.

At this time, she is wearing a low collar nightdress, which may have been wrinkled and messy by sleeping just now. At this time, she looks very eye-catching.

"Wow

Wu Tian was staring at the beautiful scenery, and his eyes almost didn't stare out.

"Hooligan, have you seen enough?" Su Ruyun was so scared that she pressed her hands on her chest. Her cheeks were already flushed.

"Enough!"

Wu Tian swallowed the saliva from the corner of his mouth and suggested with a smile: "officer Su, why don't we sleep together? I promise I won't touch you."

"I believe you."

"How can there be no such trust among people?"

"Hooligans and rascals!" Su Ruyun scolded these four words, then ran out of the room, covering her body.

"What a stupid girl." Wu Tian smiles bitterly and shakes his head, and then he gets into the bed again.

The quilt left a fragrance of the first son, lingering in his nose, making his whole head warm.

The fragrance left by the girl in the quilt was so attractive that the whole person was fascinated.

In this way, Wu Tian fell back and forth on the bed until very late.

I couldn't sleep at night and got up late the next day.

When he got up, he found that Su Ruyun and Long Yun were having breakfast. The two girls were talking and laughing.

I didn't expect that the two women would be able to talk together.

"Officer Su, Secretary Long, why don't you call me at breakfast?" Wu Tian went over and complained to the second daughter.

"Young master, we called you, but we didn't wake up."

"All right." Wu Tian did not investigate the matter, sat down next to Su Ruyun, snatched a pancake from her bowl and put it into his mouth, "good, delicious."

"Are you nauseous or not? You still eat what I've eaten."

"I don't dislike you."

"You are really..." Su Ruyun rolled her eyes fiercely and went to sit down beside Longyun.

"Hey, hey Wu Tian grinned and snatched breakfast from Long Yun's hand and gobbled it up.

"....."

Long Yun stupidly stupefied in situ, did not expect that the young master robbed her of what she had eaten, which was really speechless.

Breakfast was robbed, and she didn't say much.

Sometimes I found that the young master was very cute. Like a child, he even snatched food from her bowl.

#### CHAPTER 218:

In the next few days, Su Ruyun stayed at home to protect Wu Tian.

The two people get along very disharmonious, Su Mei Mei is often angry by Wu weather, almost to lift the house.

In addition to the fight between the two, there was nothing else. Geng Yun Guang has been at peace a lot these days.

After three days of protection, Su Ruyun returned to the Bureau.

Knowing that Qinglong's sister has recovered, Wu Tian goes to visit his sister with flowers and fruit.

His sister's name is Xiaofeng. She looks like a porcelain doll. Her eyes are a little wary of Wu Tian.

"This is our benefactor Wu Tian. You've seen it before. Call your brother quickly." Qinglong stroked his sister's head, pointed to Wu Tian and said to her sister.

Xiaofeng relaxed her vigilance and called out softly, "brother!"

"Good!"

Wu Tian went over and sat down beside the bed. Smiling and caring, he said, "what do you want to eat, Xiaofeng? Go and buy it for you."

"I don't want to eat it."

"Want some water?"

"I don't want to."

"If you need anything, just let me know."

"Thank you, brother." Xiaofeng flat mouth, a sweet smile on her face: "thank you for saving my life, this kindness will always be remembered in my heart."

It may be that she recovered from a serious illness, and she was frightened by the kidnapping. Her voice was very weak.

But she looked at Wu Tian with gratitude in her eyes.

"Don't think so much. Your brother and I hope you will be happy forever." Wu Tian reached out and touched the porcelain doll like face and said with concern, "what injustice is wrong with my brother? My brother wants to help you realize it."

"Wish?"

"Yes."

"My wish is very simple. I hope to find a paradise with my brother and live a simple life."  
Xiaofeng looks up at the ceiling with a childlike expression.

"Is it?"

Wu Tian's heart seems to be touched by what, did not expect this girl just hope to be able to simply live.

He turned his head and looked at Qinglong, and found that the big masters were red with tears in their eyes.

He must have been touched by his sister's words.

"Xiaofeng, how do you recuperate?" Wu Tian scraped her nose with his finger. "I will try to help you realize this wish."

"Thank you, brother."

"Take a rest first, and I'll have a word with your brother." Wu Tian left the ward with a warm smile.

Just out of the ward, I saw Qinglong come out.

Wu Tian patted Qinglong on the shoulder, walked to the window, looked out of the window, and said to himself, "Qinglong, did your sister hear what you said just now?"

"Yes." Qinglong bit his teeth and tried to look calm.

"Your sister's idea is very simple. She doesn't need to have a lot of money, she doesn't want fame and wealth. She just wants you to be with her, simple and happy."

"I know."

"That's good." Wu Tian turned and looked at Qinglong seriously. "I can let you go now and give you a large sum of money, so that you can lead your sister to live a life of peace and contentment."

"No, I'm not going." Qinglong shakes his head and refuses. His tone is very firm.

"Although I spent money to cure your sister, you don't owe me. You saved my life and taught me a lot. Now you are free and you can have your own choice." Wu Tian said something out of his heart.

He just didn't want to leave a regret for Qinglong.

Finally cured Xiaofeng's disease, only hope that Xiaofeng and Qinglong brothers and sisters can live happily.

"I love Xiaofeng very much, but I can't do without young master." Green Dragon's tone is heavy and slow spit out such a sentence.

I can't believe it was from a steel man.

"Do you really want to stay with me?"

"I will stay with you all the time. Even if you drive me away now, I will not leave. Now for me, following you is not only a reward for kindness."

"But your sister..."

"I believe Xiaofeng will understand me."

"Well, I respect your choice." Wu Tian slightly raised his head and said in a deep tone: "no matter when, as long as you want to go, you can tell me at any time."

"Good."

"By the way, to find a quiet environment for Xiaofeng, usually accompany her."

"I will."

"Take good care of Xiaofeng. I'll go first." Wu Tian pats Qinglong on the shoulder and walks away.

Thank you

Qinglong bows deeply at Wu Tian's back. Seeing that Wu Tian's back disappears before his eyes, Qinglong turns back to the ward.

"Brother, did little brother go?" Xiaofeng blinked two big eyes, as clear as spring water.

"Gone."

Qinglong went to his sister's bed and sat down. He teased the quilt on his sister's body. "Young master said, give me a sum of money and let me take you to live a life of peace and contentment." "Is that what little sky says?"

"Yes."

"What a good man little brother is."

"Yes."

"What do you think, brother?"

"I'm sorry." Qinglong held his sister's face and said seriously, "I can't leave now, and I don't want to leave."

"I understand." Xiaofeng gently smile: "little brother Tiange has great kindness to us, we must not be ungrateful."

"No, not just gratitude."

"What else?"

"With Wu Tian, I have a great sense of achievement and identity, and can be respected and cared for." Qinglong sat up straight, looked at the white wall and said, "I used to live just for a while, but now it's different. Following Wu Tian makes me feel very stable, full and energetic."

"Is it?"

"Well, Wu Tian not only regards me as a servant or employee, but also regards me as a friend and brother."

"It seems that little brother Tiange is really a good man." Xiaofeng reached out and touched the big face of Qinglong, "brother, I support you, we will guard Xiaotian brother all my life."

"Xiaofeng is so good."

"Young as I am, I know something."

"That's good."

"Brother, tell me something about little Tiange. I want to hear it." Xiaofeng put her head close to her brother's arms and looked forward to it.

I don't know why. I suddenly became interested in Wu Tian.

"You and little brother Tiange have only seen each other twice, and they call it so sweet. But brother will be jealous." Qinglong patted his sister on the shoulder and joked with a smile.

Xiaofeng also can't help but spit out a sentence: "you are my brother, Wu Tian is my elder brother than my brother."

"You girl." Qinglong smiles bitterly and shakes his head.

"Hee hee!"

Xiaofeng Tiantian smile, quickly changed her way: "brother, I'm joking with you, you are irreplaceable in my mind, more important than anything."

"Brother is not so mean."

"OK, brother, tell me something about little Tiange."

"Good." Qinglong nodded and said to his sister in a deep tone: "when I first met Wu Tian, I thought he was a very ordinary boy. To tell the truth, I didn't think much of him at the beginning."

"Later, I found out that this boy is not simple. He has a large pattern and a far-reaching vision. He is like a piece of jade scattered in the dust..."

CHAPTER 219:

"Ah Che..."

Wu Tian went out of the hospital and sneezed several times. He suspected that someone was scolding him behind his back.

In fact, it is not. Qinglong brothers and sisters are talking about him, but they only have his advantages and strengths in their eyes.

Just out of the hospital, I received a call from Liu Jun.

As soon as the phone was connected, he heard Liu Jun's concerned inquiry: "Xiao Tian, how is your injury?"

"What kind of injury?" Inexplicable questions let Wu Tianyi not react.

"A few days ago, I heard that your right leg was injured. I was on a business trip and didn't come to see you. So I asked Yueyao to come and take care of you."

"Well, that's what you're talking about." Wu Tian just remembered.

"How is the leg injury now? Has it recovered?"

"Uncle Liu, let me tell you something. Don't be angry."

"What's the matter?"

"I didn't hurt my leg at all."

"Not hurt?" On the other end of the phone, Liu Jun's tone was obviously surprised: "I heard that you were seriously injured. Those gangsters who hit you were sent by Geng Yunguang."

"I deliberately pretended to be injured in order to make fun of Geng Yunguang." Wu Tian told the story in detail.

There is no need to hide these things from uncle Liu. You can tell them.

So far, uncle Liu is a reliable partner and a good friend.

"Good boy, you are really capable. I believe you have played a bitter trick." After saying this, Liu Jun raised his head and laughed.

"Geng Yun Guang knew that I had made a fool of him. He was so angry that he almost died of anger."

"Lao Geng may have never dreamed that he was fooled by you as a monkey in shopping malls for decades. Ha ha..." Liu Jun said this and couldn't help laughing again.

"Yes, uncle Liu." Wu Tian thought of another thing and told Liu Jun, "you can never tell Yue Yao about my leg injury. I'm afraid she will get angry."

"Don't worry. I promise it's hard to say."

"That's good."

"You seem to care about our Yue Yao."

"Hey, hey Wu Tian laughed two times and quickly changed the topic: "by the way, uncle Liu has something to do with me?"

"Well, I almost forgot the business."

Liu Jun put up his smile and said, "I have helped you with the procedures of the P30 plot you photographed."

"Thank you very much, uncle Liu, for your hard work." Wu Tian quickly thanks.

"There is no need to be polite between us, not to mention I have investment." Liu Jun finished saying this, again asked: "P30 is a mixed commercial and residential plot, how do you plan to do it?"

"I'm not in a hurry. I'll take a look at the plot first, and then study it carefully. Do you have time now, uncle Liu?"

"Have time."

"Well, let's go and see the plot now." Wu Tian said this and hung up his cell phone.

Then let uncle Fu Gui drive him to P30 plot.

P30 is just the code name of the auction. It is located in the suburb, near Xiangmi lake, with great development potential.

When Wu Tian arrived, he found that Liu Jun was waiting at the entrance of the plot and was asking people to conduct a detailed survey of the plot.

"You have a good eye. This plot has great potential." Liu Jun couldn't help boasting.

"This is a potential market, it may not be easy to make money in the short term." Wu Tian said this, and then changed his tone: "but in the long run, this is a treasure land of geomantic omen, and there is no limit to the future."

"How are you going to manipulate the land?"

"This land is close to Xiangmi lake, so we will name it Xiangmi Lake plot." Wu Tian turned his head and looked at the vicinity of the plot, and suggested: "I think we should give priority to cover the plate in the early stage and develop it slowly. When the surrounding areas are mature, we can vigorously develop them."

"What do you think of the plan?"

"Business in this area is very scattered. I think it's better to build a commercial street here." Wu Tian thought about it for a moment and suggested.

"Well, that's a good idea." Liu Jun nodded: "I support you to build a commercial street."

"And to build a comprehensive characteristic commercial street, highlighting the industrial layout of this area."

"Yes, it's similar to my idea."

"Well, I'll leave it to Liu Shu."

"No Liu Jun waved his hand and refused: "I won't do it this time. You can do it yourself."

"What? Let me do it? "

"Yes."

"But I haven't been in real estate before. I won't be."

"It doesn't matter. Learn slowly and accumulate experience slowly."

"Uncle Liu, you're trying to get a duck on the shelf, and you're trying to give me a problem!" Wu Tian smiles bitterly and shakes his head. Unexpectedly, uncle Liu throws this mess to him.

"Little day, I believe in your strength." Liu Jun patted Wu Tian on the shoulder and said with a smile.

His intention is very simple, that is to pull Wu Tian into the real estate army."But I..."

Wu Tian is not interested in real estate. He wanted to develop the land with the help of uncle Liu.

I didn't expect uncle Liu to throw this mess to him now. It's really a headache.

He is busy working on mobile phone system now, and he has to spare time to study. He has no energy to engage in real estate.

But he did not finish his words, was interrupted by Liu Jun: "here to you, what need me, you call me again."

With these words, he turned and got into the BMW and drove away.

"Liu..."

Wu Tian also wants to stop him. He finds that the car is out of sight, leaving only a thick exhaust.

It seems that uncle Liu is determined to give this mess to him, and now he can only take over this stubble.

Everything is difficult at the beginning, and many things will not be difficult as long as they are straightened out.

Real estate is simple and difficult to say. As long as you work hard, it's easy to make money.

But at present, Wu Tianshi has no time to take care of so many things. If he personally did anything, he had to die last night.

After thinking about it for a while, he took out his mobile phone to call Jiang Wan and asked him to come to Xiangmi Lake immediately to discuss with him about urgent matters.

Not long after the phone call, we saw Jiang Wan rushing over, "Xiao Tian, looking for me in such a hurry. What's the matter?"

Maybe it's too hot for the bus. I'm very tired and sweating now.

"Look at the land behind me. How do you feel?" Wu Tian did not rush to answer, but asked.

"Big."

Jiang Wan thought for a long time, and finally gave the answer of such a word, because he did not understand the purpose of Wu Tian's question.

"What would you like to do if you were given such a piece of land?"

"I..."

Jiang Wan scratched his ears and scratched his cheek for a long time before he said, "if I have such a piece of land, I will build high-rise buildings on it and sell it for money."

"Well, from now on, this land is yours."

"Ah?" Jiang in case face muddleheaded stare big eyes, didn't understand this word what meaning.

Wu Tian chuckled and pointed to the open space and said, "this is the plot I bought for 100 million yuan, ready to develop real estate."

CHAPTER 220:

"My God, one hundred million." Hearing this astronomical number, Jiang Wan was in a state of

surprise.

I have long guessed that this land is very expensive, but I didn't expect that the price of this land is so unreasonable that it is as high as 100 million yuan.

"I'm going to put you in charge of developing the land." Wu Tian's tone is understated.

Jiang Wan was stunned and said in disbelief, "what are you kidding me

"No kidding, I mean it."

"You Are you sure you're not kidding? "

"Sure."

"It's incredible." Jiang Wan grabs his head, until now all feel incredible: "small day, this is not a joke, this kind of land price you give me, not afraid I will mess up for you?"

"I believe you."

"But I haven't worked in real estate before, so I don't know anything about it..."

"Everyone is learning from the first step slowly, as long as you study hard, I believe you can succeed." Wu Tianyu has a long emphasis on encouragement.

"But..."

Jiang Wan nervous some incoherent, "in case, I said is in case of losing money how to do?"

For a new student like him, it's strange that he is not nervous about such a big project.

"It doesn't matter. It doesn't matter if you pay for it. It's just training." Wu Tian shrugged.

"I'll go!" Jiang Wan felt like a dream, but Wu Tian suddenly took out a hundred million projects to let him practice. Is this not a dream?

"Well, that's settled." Not to give Jiang Wan the chance to refuse, Wu Tian immediately made a decision: "from now on, you are the person in charge of Xiangmi lake."

"I..."

Hearing this, Jiang Wan felt his head buzzing.

All of a sudden, he became the person in charge of the project, which made him nervous and his brain was a little congested.

"This is a commercial and residential mixed use plot. In the initial stage, it is mainly to develop commerce. I plan to build a characteristic commercial street near the street. You are the general manager of the commercial street." Wu Tian knows that Jiang Wan is not used to this new identity.

Suddenly from a student to a person in charge of a hundred million level project, it is difficult

for anyone to accept.

This is very similar to the situation when Wu Tiangang began to know that he was a powerful family, and his family owned billions of assets.

Although Wu Tiangang was just a loser at the beginning and didn't understand anything, he was diligent and eager to learn. Now he has gradually grown into a rookie in business. He has invested in several projects without failing.

Wu Tian is now planning to train Jiang Wan and sun Xiaohao. He thinks that they are potential stocks. As long as they are well trained, they will become great talents in the future.

Of course, both of them have good personalities. Training them for him can help him reduce a lot of burden.

"Thank you for your trust in me. I will work hard to live up to his expectations." Jiang Wan clasped hands and bowed in excitement.

"Do a good job. I believe you are a good material, and you will certainly make great achievements in the future."

"Yes." Jiang Wan generously and forcefully vomited out a word, and then asked, "Xiaotian, should I do this next?"

"The first step is, of course, to set up a real estate company, but your top priority now is to find a real estate tutor and study hard."

"Yes, yes, I need to study hard."

"This is my secretary's phone number. I'll discuss financial matters with her." Wu Tian said here, took out a business card and handed it to him, "at the beginning, I need a lot of money, so I'll ask for her."

"Good."

Jiang Wan took the business card, it is difficult to hide the excitement and excitement in his heart, and felt his arms trembling slightly.

In addition to excitement, in fact, he is under great pressure. After all, Wu Tian trusts him so much that he can't mess up such a big project.

"You should learn about it first and prepare to set up a company. Later, I will ask Uncle Liu to send you the detailed planning plan of Xiangmi Lake plot." Wu Tian said this and turned to the red flag car on the street.

This project is not in a hurry to start. Let Jiang Wan learn while doing it. It doesn't matter if he loses money at the beginning.

He was ready to bid for the land.

This piece of land relies on the dividend brought by the medium-term municipal planning. It may not make money at present, but if you look at the future, it will be a treasure pot.

Jiang Wan was very efficient. He set up the company in a few days and held a commencement ceremony.

In the initial stage, the main task is to level the land, do foundation and drainage and pipe network engineering.

I didn't expect that someone would come to make trouble on the day of construction, which made the construction site unable to carry out normal construction.

Wu Tian immediately guessed the origin of these people.

These guys are probably sent by Geng Yun Guang to make trouble again.

Also did not think much, directly took out the mobile phone to call Su Ruyun, let the Su police officer send someone to deal with it.

This area is not inferior to the jurisdiction of Dongcheng police station, but as soon as I heard that it was related to Geng Yunguang, he immediately led people to arrest these gangsters.

"Thank you, officer Sue." Wu Tian took the initiative to welcome him and thank him: "officer Su is a good policeman of the people so quickly." "Don't talk about it here."

Su Ruyun glared at Wu Tian and said with white eyes, "your appearance has doubled the number of cases in Luzhou."

A few days ago, let her get along with this boy a little more.

Although Wu Tian is a rascal, he does work hard. He stays up late every day, still reads books, and gets up early to practice.

Unlike other rich second generation, they only know how to enjoy themselves all day.

"I can't help it. There's a lot of right and wrong people." Wu Tian shrugs helplessly, and he doesn't want to put on these things.

"I blame you for being too high-profile." Su Ruyun rolled her eyes hard and couldn't help asking, "to be honest, how did you offend Geng Yunguang?"

"Last time in the Huxin Hotel, I saw Geng Yunguang abusing a girl. I came forward to fight against injustice, and as a result, I fell in love with this old beast."

"Heroes save beauty, right?"

"Almost."

"Bah, I think you are a bear." Su Ruyun severely belittled a sentence and waved to his subordinates: "take these troublemakers back to the police station."

"Wait!"

Wu Tian goes around again and blocks Su Ruyun's way. "Officer Su, I have another question."

"What's the problem?"

"You're so hot, are you flustered?"

"Asshole, you want to die." Su Ruyun was furious.

This bastard always can't get rid of his old habits. He teases her in public every time. He doesn't give face at all.

When the police officers heard this, they couldn't help chuckling.

"Bah, look at my broken mouth." Wu Tian patted himself on the mouth and quickly changed his words: "officer Su, I just asked the wrong question. In fact, my question is related to Geng Yunguang. He sent people to frame me several times. Why don't you arrest him?"

"Geng Yun Guang didn't come forward directly. Instead, he sent his subordinates to instruct him. Every time, there were servants to carry the bags. How can we catch them?"

"What an old fox." Wu Tian hated his teeth itching.

Before listening to Liu Jun said that this is an old fox, he did not believe it, but now he can see the old fox's means.

"Be careful yourself." Su Ruyun left the words and turned away.
