

CHAPTER 221:

After the police took the troublemaker away, Wu Tianze was secretly lost in thought.

Geng Yunguang, the old fox, is now more and more wild, and always uses various ways to fight against him.

If it goes on like this all the time, it's not the way. It can't always be so passive. It seems that we have to take the initiative to attack.

He had to find a way to teach Geng Yunguang a lesson, so that the old fox knew that Wu Tian was not so easy to provoke.

Just as he was secretly thinking, Jiang Wan put his head together and boasted: "little day, you are really powerful. In such a short time, you have tamed the violent policewoman into obedience and obedience."

"When did I tame officer Su?" Wu Tian was awakened and couldn't help asking.

"I remember the last time you met the beautiful policewoman, she yelled at you and killed her. I didn't expect that this time you teased her in public, she didn't do anything, just scolded at random."

"She knew she couldn't beat me, and I took advantage of it."

"I think the policewoman is probably attracted to you."

"Have you ever seen a tigress and still be moved?"

"The policewoman is vicious, but she is very strong." With a bad smile, Jiang Wan leaned his head over him and urged him, "if you can tame this girl, it's really amazing."

"I'm not interested in this kind of female tiger."

"Who are you interested in? Huang Lan, Liu Yueyao or Gu Xiaoman

"Get out of here." Wu Tian pushed Jiang Wanyi and warned, "that's my privacy. Don't ask about it."

"You don't want to take it all, do you?"

"Don't talk nonsense."

"But with your strength, it's not too much to collect all of them."

"Don't talk nonsense." Wu Tian glared at Jiang Wanyi's eyes and took the initiative to change the subject and said, "I'm having a headache now. Please give me an idea."

"Is there anything else that will embarrass you?"

"That's it." Wu Tian rubbed his palms and explained patiently, "when he offended Geng Yunguang, a real estate tycoon, a few days ago, the old fox tried every means to be the best match for me. Today, these troublemakers are also sent by old people."

"Geng Yunguang?"

"Yes."

"This is a big man in the real estate industry. We should offend him, don't we..."

"Scared?"

"I..." Jiang Wan scratched his scalp. In fact, he was afraid.

After all, this is a real estate. It has power and power in Luzhou. Ordinary people like him dare not offend.

But when I think of Wu Tian's strength, I immediately feel confident, "there's nothing to be afraid of when you're here."

"Then help me think about it. What can I do to deal with the old man?"

"We can give you tit for tat. Since Geng Yunguang is attacking you behind his back, you can do him behind his back."

"Yes Wu Tian was suddenly awakened, and immediately thought of a good way: "it happens that the old fox has a piece of land near here. We can go and teach the old guy a good lesson and make him look bad."

Thinking of this, he hastened to deal with Jiang Wan and said, "go, let's go to Geng Yunguang's cloud land."

"I will follow boss Wu to death." Jiang Wan's hands were clasped in front of each other, showing a kind of loyalty.

Since Wu Tian gave him full responsibility for the project of over 100 million yuan, I am very grateful.

Wu Tian's trust in him moved his heart. He swore secretly that he would follow Xiaotian to do well in the future.

"You fellow." Wu Tian hit Jiang Wan on the chest with his elbow, and then took him to Yunjing.

This piece of land was also taken by Geng Yunguang in the Huxin hotel last time, which is not comparable to the Xiangmi Lake plot, but the land price is also much lower.

At this time, the construction site is busy, and the workers are busy preparing for the commencement ceremony.

With Xiangmi lake that kind of low-key comparison, here is a lot of excitement, do with the

opening almost.

Wu Tian observed the construction site for a long time, and finally found a middle-aged worker, "brother, can you take a step to talk?"

"If you have anything to say, I'm very busy." Middle aged uncle impatiently white Wu Tian one eye, urge way.

"Here, take this." Wu Tian took a pack of cigarettes from his pocket and handed it to him.

The cigarettes he usually smokes are not expensive. Generally speaking, the Yellow Crane Tower, which costs more than 10 yuan, tastes good.

Seeing the cigarette handed over, the worker's uncle immediately beamed with joy: "the young man is really atmospheric. I have plenty of time now. Don't worry. Talk slowly."

As he spoke, he had already taken the cigarette and gulped it out. He did not forget to install one for Wu Tian.

"I don't know what to call this big brother?" Wu Tian lit a cigarette and asked with a smile.

"My name is su. You can call me old Sue."

"I'd better call you brother su." Wu Tian turned his head and looked around. He was sure that no one was eavesdropping. Then he whispered, "is this land Geng Yunguang's?"

"Yes, it belongs to boss Geng."

"Where is boss Geng now?"

"I don't know, but he'll be here in another hour for the commencement ceremony." "Is it?"
When he heard that old fox was coming here to participate in the commencement ceremony,
Wu Tian put on a wicked smile: "brother Su, how about we make a deal?"

"What deal?"

"I want you to throw dung on Geng Yun Guang at the commencement ceremony."

"My God, you're crazy..." Uncle Su was shocked by this, and his old face became gloomy and black.

"Cary has a million." Wu Tian took out a bank card from his pocket and lured him, "as long as you help me with this, one million is yours."

"A million?"

Uncle Su's mouth was wide open, and he was even more surprised.

I didn't expect that the boy's hand was so broad that he directly offered a million yuan.

A million dollars is nothing to a rich man, but it's a huge sum of money for a coolie.

"Just call me now." Wu Tian dials the mobile phone bank number and checks it, indicating that

the balance is just one million yuan.

After checking the card, Wu Tian put the bank card into his uncle's hand. "Take the card first. The password is the tail number of the card."

"But..."

With such a heavy bank card, Su Daqiang felt his arms tremble slightly.

But as soon as he thought of Geng Yun Guang's power and cruel means, he began to hesitate, "I pour Su boss's dung. What if he retaliates?"

"As long as you finish this, I'll pay to send you out of town."

"But..."

"When it's done, I'll give you another million."

"Gudong..." Su Daqiang swallowed several mouthfuls of saliva, and his excited body was trembling slightly.

Two million. With his current salary of selling coolies, he can save two million only after working for 20 years.

This is not a small temptation for him.

With this huge fortune, he could buy a house in the city and send his son to a good school.

"If you don't want to do it, I'll let others do it. I believe many people are willing to do it." Wu Tian said this and took back the bank card.

"Wait!"

Su Daqiang grabbed the bank card, bit his teeth, and finally made a decision: "OK, I'll do it. I'll do this deal with you."

After weighing the pros and cons, he finally agreed to this crazy deal.

CHAPTER 222:

After discussing the details with the worker surnamed Su, Wu Tian took Jiang Wan to hide in the dark and wait for a good play.

After waiting for about half an hour, Geng Yunguang came down to the construction site in the crowd, followed by several real estate media reporters.

The commencement ceremony of Yunjing phase I officially began.

After the host finished a few opening remarks, Geng Yun slowly came to the stage to speak a few words, and then announced the formal commencement of the project.

Just finished two words to start, a pot of dung from the sky, all poured on Geng Yun Guang's face, he was in a mess.

The scene instantly boiling up, did not expect to start shop will appear this kind of sudden situation, did not expect that some workers dare to throw dung to boss Geng at the ceremony.

On the spot, small reporters took out their cameras to take photos, recording the wonderful and full of flavor pictures.

Geng Yun Guang didn't expect that he would be splashed with feces on the stage, wiping off the stench of feces on his face, and growled: "who, who is throwing me manure?"

"It's one of our workers, Su Daqiang." The scene was responsible and rushed to the stage to report the situation.

"Get this bastard and take him to the police station." Geng Yunguang roared in a frenzied voice.

He had never met this kind of situation before. He was thrown excrement in public, which was a great shame to him.

"Come on, get Su Daqiang to the police station." The person in charge hastily ordered a few workers from his opponent.

Several workers rushed to Su Daqiang and tied him up.

Wu Tian hid in the dark to observe everything. When he saw Geng Yun Guang's embarrassed appearance when he was splashed with dung, he couldn't help laughing.

I didn't expect that the old fox would end up like this.

Happy for a long time, seeing that those people were going to send Su Daqiang to the police station, Wu Tiancai and Jiang Wan walked over.

"Why is it so lively?"

Wu Tian squeezed into the crowd and asked in a loud voice. Then he set his eyes on Geng Yunguang on the stage, "Oh, isn't this boss Geng? How is it so clever?"

At this time, Wu Geng Teng wiped his body with a towel.

"Is it you?"

Geng Yun Guang was so clever that he immediately understood the way. He pointed to Wu Tian's nose and asked, "is it you who bribed the workers to pour manure on me?"

"I can't understand a word of what boss Geng said." Wu Tian deliberately pretended to be a fool. Then he slapped his nose with his hand and said, "I said why it stinks here. It turns out that boss Geng is covered with dung. Ha ha ha..."

After saying this, he raised his head to gloat.

When he laughed, several workers laughed.

"Son of a bitch, it's you."

With such a smile, Geng Yun Guang became more irritable and roared hysterically, "it's you who bribe employees to frame me up."

"So what?"

"You..." Geng Yun's blue veins are bulging, and the whole old face has begun to twist and deform.

"It's true that dung can beautify and beautify your face. Boss Geng has become a lot younger after pouring dung." Wu Tian couldn't help laughing and laughing. After laughing, he couldn't help adding: "beauty is beauty, but it's just a little too smelly."

"You, you, you asshole." Geng Yun Guang, who could not swallow the evil spirit, immediately told the workers, "catch this boy and beat him hard."

The workers stood still.

They all work hard to earn some money, but they don't want to get killed. It's not good for them.

Seeing that the workers didn't move, Geng Yun Guang became more angry. After thinking about

it for a while, he yelled to the workers again: "help me teach this boy a lesson. I'll reward them with 10000 yuan in cash."

"Good!"

As soon as he heard that there was money to earn, the scene immediately became agitated, and more than a dozen workers rushed to prepare to fight Wu Tian.

Ten thousand yuan is not a small amount for them. It can cover their salary for more than a month. No one is jealous.

"Wait!"

Seeing so many workers swarming in, Jiang Wan roared and warned the workers, "the police will be here soon. If you beat our boss, you will all be in prison."

As soon as the words came out, everyone stood in their place.

Although they all want to make money, they don't want to get into prison. After all, they all have children. Who is not afraid to die?

"Don't be afraid. I'll cover you." At this time, Geng Yunguang on the stage once again yelled at the migrant workers: "with my backstage background, you can be safe."

Hearing this, more than a dozen migrant workers began to stir.

At this time, several police officers came to the scene, led by Su Ruyun.

In fact, when Wu Tiangang was just hiding in the dark, he had already called Su Meimei, explaining the situation briefly and asking her to come and escort her.

At the sight of the police, the migrant workers retreated in a hurry and became honest in an instant.

"Miss Su, you can count on it." Wu Tianqian holds Su Ruyun's Baijing arm and is reluctant to let go. When they heard this, they knew the situation.

I didn't expect that the boy knew the beautiful police officer. It turned out that he had a backstage. No wonder he was against boss Geng.

The migrant workers on the scene were secretly glad that Wu Tian had not been attacked just now, or it would have been a big blow.

"Let go

Su Ruyun was afraid to see Wu Tian. She was teased in public by this cheeky guy every time.

This time is no exception. Wu Tian holds her arm tightly and refuses to let go, which makes her blush and heartbeat.

"Officer Su, I find your hand is not strong." Wu Tian took hold of this hand for a long time before he became serious.

"What's wrong?"

"I find that your hand is slippery. If you hold it, you will not let it go." Wu Tian joked.

The crowd was stunned. They didn't expect that the boy was so bold that he dared to molest the beautiful police officer in public.

No matter how stupid we are, we can see that the boy must have a good relationship with the female police officer.

Even after the body of Jiang Wan can not help but secretly tongue, he also can not help admiring Wu Tian, the ability of chasing girls is really unique.

"Go away!"

Su Ruyun forcefully retracts the arm, the shame fury extremely vomits out a sentence: "Stinky rascal, take advantage of me, I'll settle accounts with you later."

"Settle with me at night?"

"You..."

Su's nostrils are full of smoke. It's really helpless to meet such a cheeky guy.

It's not the time to get angry and ask, "I just received a report from the masses that someone is making trouble here."

"Officer, you're just in time." Geng Yunguang stepped down from the rostrum, paced to Su

Ruyun, pointing to Wu Tian and swearing, "this boy sabotaged my commencement ceremony, and asked someone to throw manure on me. You should arrest him and bring him to justice."

"You smell really..." Su Ruyun frowned and her eyes were full of disgust and contempt.

He didn't say anything, but he couldn't help gloating in his heart. He had to admire Wu Tian and even tortured him into this appearance.

Although she hated Wu Tian, she hated Geng Yun Guang more. Seeing the fate of old fox, she couldn't help feeling gloomy.

CHAPTER 223:

"Why are you in a daze? Catch this boy." Geng Yunguang impatiently urged the way, the whole old face more and more gloomy.

has the final say. Su Ruyun responded coldly, holding the policeman and asking, "Mr. Geng, who threw your dung?"

Now she is obviously partial to Wu Tian. To put it better, it is the police and the people working together to teach Geng Yunguang a lesson.

"It's the worker." Geng Yunguang pointed to the bound Su Daqiang and said angrily.

In fact, he was very dissatisfied with the policewoman in front of him.

Even if he was stupid, he could see that the policewoman was obviously partial to Wu Tian, and they must have a good relationship.

Su Ruyun nodded and walked in front of Su Daqiang. He asked in a cold voice, "did you throw dung on Mr. Geng?"

"Yes, it's me." Su Daqiang nodded to admit that at the moment, he looked like a tough man.

"Who ordered you to pour the dung?" Su Ruyun continued to ask.

"Yes..." Su Daqiang took a look at Wu Tian, gritted his teeth and said, "no one told me. I did it myself."

This is the two people have discussed in advance, no matter what the police asked, he would not admit it.

Because Wu Tian admitted to him that he would never be sent to prison.

He didn't really believe it before. Now when he saw the relationship between Wu Tian and the beautiful police, he felt relieved a lot and bravely kept the same front with Wu Tian.

"Asshole, it's Wu Tian who ordered you. You dare to cover up." Hearing this, Geng Yun Guang was furious and scolded Su Daqiang.

"Mr. Geng, please calm down." Su Ruyun glared at Geng Yunguang fiercely and asked Su Daqiang again, "are you sure no one is directing?"

"I'm sure." Su Daqiang nodded with a firm tone.

Hearing this, Wu Tian felt relieved and looked at Geng Yunguang with a smile. "Mr. Geng, I told you that the matter of throwing manure has nothing to do with me. Do you believe it now?"

"Boy, you obviously bribed my worker. He didn't tell the truth at all." Seeing that Wu Tian is so arrogant, Geng Yun Guang is more angry.

I hope Mr. Geng can provide evidence Wu Tian reached for the main road.

"You..."

Geng Yun Guangqi speechless, turned his head and set his eyes on Su Ruyun, "I suggest that Wu Tian be arrested and carefully examined."

"You don't have to worry about the investigation. I have my own discretion." Su Ruyun glared at Geng Yun Guang and asked Su Daqiang again, "why do you want to throw dung on Mr. Geng?"

"People surnamed Geng have a very bad character. They treat our workers like dogs. I really can't bear to see them, so I can vent my anger." Su Daqiang said with some guilty heart.

These are according to the lines Wu Tian had discussed with him before, in order to discredit

Geng Yunguang's reputation.

As soon as he said this, Geng Yunguang was so angry that he would surely rush forward to teach Su Daqiang how to be a man without the presence of the police.

"Well, it's been investigated." After a simple inquiry, Su Ruyun immediately concluded: "this is just a public security time to vent personal anger, and it has nothing to do with other people."

"I don't agree." For this result, Geng Yun Guang was quite dissatisfied.

In public, Wu Tian found someone to throw a lot of dung on him, which made him stink. The key is that his reputation is also ruined.

He must not watch the perpetrators go unpunished.

"Mr. Geng, do you agree or not? It's your business. I just enforce the law according to the rules." Su Ruyun said this and ordered the police: "first, take the dropper back to the police station."

"Wait!"

Geng Yunguang's body was blocked in front of the police, and ordered with great momentum: "you should quickly arrest Wu Tian, or it will not be over."

"Mr. Geng, please don't interfere with our normal law enforcement." Su Confucianist facial expression is cold warning way.

She hoped that the old man would obstruct the law enforcement and finally fight with her, so that there would be enough reason to arrest the old man.

To tell you the truth, I can't stand Geng Yunguang for a long time.

Relying on their own wealth and power, they are above the law, and they have done a lot of violations of law and discipline, but they can only be allowed to go unpunished.

"Have you ever thought about the consequences of your little policeman's confrontation with me?" Geng Yunguang put his head together and lowered his voice to threaten him coldly.

"I'm a policeman. It's my duty to enforce the law for the people. I never think about the consequences." Su Ruyun raised her head and said back without showing weakness.

"If I'm not wrong, you and Wu Tian play double roles, do you want to deliberately punish me?"

"I said, I'm just following the rules." Su Ruyun finished saying this, with people ready to leave.

"Stop!"

Geng Yun Guang Mou color a cold, low voice way: "want to go is not so easy."

"What do you want?" Su Ruyun's body trembled. I didn't expect that in broad daylight, the old man would dare to threaten the police. What a shame.

"I want you to know that Geng Yunguang is not so easy to get into trouble. You just have to wait and get out of here." Geng Yunguang said this, he took out his mobile phone and began to make

a phone call. After the phone call, he turned his head and looked at Wu Tian with that kind of cruel eyes, "boy, do you think you can be so presumptuous with the support of a policeman?"

"What? Mr. Geng, do you have a second move Wu Tian has already seen that the old man is going to move to save the soldiers.

With Geng Yunguang's current strength and strength, there must be relations in the public security system. There is no doubt about this.

"Silly boy, I'll tell you the truth. When my people come here, you can't cover you with these small police station characters."

"Is it?"

"Let's see."

"By the way, Mr. Geng, I have a question. I'm very curious."

"What's the problem?" Geng Yunguang raised his head and looked arrogant. He thought Wu Tian was afraid, so he became so arrogant.

"Mr. Geng, is the dung delicious?"

"You I... " When it comes to dung, Geng Yun Guang's veins burst out and he couldn't say a word for a long time.

"Mr. Geng is still so smelly." Wu Tian fanned his nose with his hand and said, "I'm afraid it will

be a long-standing scandal."

"Boy, wait for me. I'll see how I can kill you." Geng Yunguang left this saying and bit his teeth and didn't want to take care of him.

After waiting for more than half an hour, more than ten policemen rushed into the scene and surrounded the whole construction site.

Led by a middle-aged male policeman, more than three or four years old, his whole body is full of amazing domineering power.

Seeing the male police officer, Su Ruyun's face collapsed, and rushed to greet him and saluted: "good director Luo."

At present, the middle-aged police officer is no one else, but the deputy director of Luzhou Public Security Bureau. He is two levels higher than the director of the police station.

"What jurisdiction are you from?" Luo Jun threw his hands behind him and asked in a deep voice.

"Back to the director." Su Ruyun stood up straight and looked in front of him and said, "I am Su Ruyun, the duty captain of Dongcheng police station."

Although her face was calm, she could not help but feel anxious.

I didn't expect that Geng Yunguang, an old man, moved the deputy director of the Municipal Bureau. It was a nightmare.

CHAPTER 224:

Luo Jun's old face was black, and he asked in a deep voice, "tell me, what is this place?"

"Cloud View." Su Ruyun seems to be neither humble nor arrogant, but he is secretly worried.

"What area is Cloud View?"

"Xicheng District."

"I know it's Xicheng District." Luo Jun glared and asked in a cold voice: "as the law enforcement captain of Dongcheng police station, how can he run to the Xicheng District to flaunt his power?"

"I received a report from the masses..."

"Give me no nonsense." Luo Jun didn't give face at all. He scolded him: "it's true that he doesn't obey the rules all day

After giving Su Ruyun a hand, Luo Jun immediately welcomed him with a smile and said to Geng Yunguang, "Mr. Geng, I heard that there was a public security incident on your side. I happened to take someone nearby, so I came to have a look at it in an instant."

"You are here at the right time." Seeing that the director came, Geng Yun Guang had a lot of strength in an instant.

Just now I called to find director Luo. First, he helped him. Second, he wanted to take this opportunity to teach Wu Tian a lesson.

"Mr. Geng, what is the situation?" Luo Jun's face is always with a pleasant smile.

"That's it." Geng Yunguang put away his smile and explained earnestly, "I was just having a celebration, but I was covered with excrement."

"Who did it?"

"It's su Daqiang, my employee, who pours feces, but it's Wu Tian who instructs him." Geng Yunguang said here, and pointed the spearhead at Su Ruyun, "that policeman and Wu Tian are a group, favoritism, deliberately cover up."

"Come on, take Su Daqiang and Wu Tian back to the police station and send Su Ruyun to be dismissed for investigation." Luo Jun immediately ordered the arrest of all three people.

Geng Yun Guang on one side didn't speak, his mouth rose, and his face showed a smile of schadenfreude.

At the same time, he also looked at Wu Tian and Su Ruyun with that kind of provocative eyes, which seemed to say: you two small characters, it's too young to fight with me.

Su Ruyun didn't speak. She fell into the hands of Geng Yunguang this time. She was afraid that it would be a lot of trouble if director Luo supported Geng Yunguang.

"Wait!"

At the critical moment, Wu Tian quickly stood up to stop: "why should I and officer Su be arrested?"

"You make trouble and disturb social order. As a law enforcement officer, Su Ruyun even covers you up and violates the law. Naturally, he will be arrested." Luo Jun said in a deep voice with the director's posture.

"This is just Geng Yun Guang's one-sided statement, which has no basis."

"Don't talk nonsense. Come back to the police station with me." Luo Jun finished saying this and ordered his subordinates again: "take these people back."

"Don't move!"

Wu Tian once again stopped: "director Luo, you have to think clearly about this matter. If you really take us back to the police station, I'm afraid you will not end well at that time."

"How dare you threaten me, you little boy." Luo Jun suddenly angry, since entering the Municipal Bureau, has never been threatened.

"It's not a threat, it's just advice."

"Boy, you are so crazy. You dare to give me advice on such a young boy as you..."

Luo Jun did not finish his words, the cell phone ring in his pocket rang.

After leaving a cold look in his eyes, he touched out his mobile phone and connected the phone.

Just said a few words to the mobile phone, his face suddenly changed and his expression became more dignified than before.

Luo Jun put away his mobile phone and slowly looked up at Wu Tian, "you Who the hell are you? "

When asked, the tone became obviously respectful, and there was a faint fear and uneasiness in the voice.

Just now I received a phone call from the provincial government, calling on Wu Tian to enforce the law impartially.

Even if you are stupid, you can understand that the boy named Wu Tian is tough behind the scenes, which is related to the province.

"It doesn't matter who I am. What matters is that director Luo must enforce the law impartially, or there will be trouble." Wu Tian gave a meaningful warning.

"Yes, yes, yes."

Luo Jun repeatedly nodded, but also accompanied by a smile: "before is a misunderstanding, more offended, hope you don't put it in the heart."

The tone of speaking seems calm, but in fact, it is fawning and even has the meaning of apologizing and begging for mercy.

All the people present were stunned. They didn't expect that Luo Jun, who was so powerful and domineering before, suddenly became so humble in front of Wu Tian.

Su Ruyun and Jiang Wan were equally surprised, but did not expect director Luo to be so polite to Wu Tian.

Just now, I was still clamoring to take people to the police station, only to answer the phone call, and began to curry favor. Is this changing too fast?

Geng Yunguang was the most shocked at the scene. He did not expect director Luo's attitude to change so much.

Director Luo, however, called to rescue the soldiers. He originally wanted to borrow director Luo to help him deal with Wu Tian and Su Ruyun.

Looking at the current situation, director Luo is obviously biased towards Wu Tian."Director Luo, look..." Geng wanted to ask about the situation.

Words did not finish, was Luo Jun low voice interrupted: "Mr. Geng, it's not that I don't help you, only blame you this time got into a cruel role."

"Cruel character?"

"Yes."

"What cruel character?"

"Wu Tian."

"He?" Geng Yun Guang frowned fiercely, Ning Mei puzzled way: "that boy calculate what cruel role?"

"He has someone in the province."

"This..." The expression on Geng Yun Guang's face was extremely surprised.

I didn't expect that Wu Tian, who seems to be an ordinary silly boy, is so powerful in the background that he has relations in the province.

It seems that he underestimated Wu Tian's strength. This boy is not a soft persimmon. It is not so easy to pinch.

"Mr. Geng, listen to my advice, try not to provoke Wu Tian, and make peace the most important thing." Luo Jun finished saying this and said to the crowd, "today's matter is a misunderstanding. Mr. Geng is magnanimous. He will not investigate this matter any more. Let everyone go!"

Several police quickly released Su Daqiang, and a farce ended in such a hasty way.

Then Luo Jun stepped forward and asked Wu Tian, "Mr. Wu, are you satisfied with the result?"

"Officer Luo, I hope you can clarify it for me. I have nothing to do with it."

"Of course." Luo Jun nodded and immediately clarified to the crowd: "this matter has nothing to do with Mr. Wu. Mr. Wu is just a passer-by."

"And more." Wu Tian did not stop at this point, pointing to Su Ruyun behind him, he said: "officer Su is a good police officer and has never engaged in malpractices for personal gain."

"Yes, yes, yes."

Luo Jun quickly nodded and said to the crowd again: "officer Su is dedicated to serving the people. She is a first-class and first-class good policeman. I will let the Bureau reward her."

After hearing this, Su Ruyun almost didn't laugh.

I didn't expect Wu Tiantian to be fierce. He just turned black into white and turned the universe around in a short time.

Previously, she was worried about being dismissed. As a result, she was praised by the director in public.

"OK, it's none of your business. Director Luo can go." Wu Tian reached out and made a gesture of invitation.

"Here is my business card. Please call me if you have any questions." Luo Jun left a private business card and left in a hurry with his subordinates.

CHAPTER 225:

After Luo Jun left, the scene became boiling, and all the migrant workers were pointing out and talking about Wu Tian.

Can change the situation in a short period of time, can see how powerful the strength behind Wu Tian.

People can't help but guess secretly. They are all wondering who the boy is.

"Mr. Geng, are you satisfied with the result?" Wu Tian walked up to Geng Yun Guang, and his words were obviously schadenfreude.

"You..."

Geng Yun's face was green.

In public, he was splashed with feces by the boy's calculation. In the end, he could only watch the boy get away in front of himself. There was no way to take this boy.

"I know you are not satisfied, but the reality is so cruel." Wu Tian grinned and said, "Mr. Geng who was sprayed with excrement is really smelly."

"Boy, don't be too proud." Geng Yun Guang shook his sleeve and said: "don't think you have some influence in the province. I will be afraid of you. Sooner or later, I will kill you."

"I'd like to give Mr. Geng some advice. If we stop here, we won't lose much."

Speaking of this, Wu Tian changed his tone and said in a cold voice: "if Mr. Geng continues to carry on like this, it will be Mr. Geng who will suffer in the end."

"Boy, if I don't crush you, I won't be Geng. Let's see." Geng Yunguang said this, and left here with his breath.

"Mr. Geng has a good journey." Wu TianChao Geng Yun Guang waved his back, and his mouth was filled with a playful smile.

It seems that this matter is not over yet. With Geng Yunguang's character, he will try to find a way to deal with him.

This old fox is really hard to deal with.

Seeing Geng Yunguang go far away, Wu Tiancai turned to Su Daqiang, took out a bank card from his pocket and handed it to him, "uncle, this is your hard work."

"This..."

Su Daqiang took a look at Su Ruyun standing beside him and didn't dare to pick up the bank card.

If the police stand in front of them and collect money in front of them, it's really not clear.

"Here you are, you can take it." Wu Tian put the bank card into Su Daqiang's hand, and then put his hand on Su Ruyun's shoulder. "Don't worry, she's my person and won't embarrass you."

"Go away!"

Su Ruyun shook off that arm and warned coldly, "asshole, if you dare to take advantage of me again, I'll break you up and feed the dog."

"It's a pity to feed a dog to a handsome man like me." Wu Tian felt his cheek and replied.

Now the relationship with Su Meimei is getting better and better. She talks more and more freely. If she has something to do, she will flirt with her.

"Don't laugh at me." Su Ruyun turned her eyes hard and couldn't help but question: "how did you deal with Director Luo just now?"

"It's a long story. Why don't we find a place to eat and chat?"

"No problem."

Su Ruyun thought for a moment, then told the police officer behind him: "you go back to the police station first, I have something to deal with."

"Yes."

The policemen, when ordered, turned away.

Before leaving, he also glanced at Wu Tian with that kind of meaningful eyes.

"Let's go!" After sending away those policemen, Su Ruyun urged Wu Tian: "don't you want to have dinner? Why are you in a daze? Let's go."

"Don't worry. I'll introduce you to a friend." Wu Tian said this, pointing to Jiang Wan behind him, he said, "my classmate and roommate Jiang Wan."

"Hello!"

Su Ruyun spits out two words.

Being so neglected made Jiang Wan feel very uncomfortable.

But he didn't say much. After all, he was a friend of Xiaotian. Besides, he was a policeman, and he couldn't afford to offend him.

"Let's go out to dinner with us." Wu Tian patted Jiang Wan on the shoulder and said with a

smile.

"I'm not going to be a light bulb." Jiang Wan grabbed his head awkwardly and said with a smile, "Xiangmi lake is only starting today. I used to stare at it."

With this, he left in a hurry.

"This boy." Wu Tian shook his head with a wry smile and pulled Su Ruyun's sleeve. "Let's take you to dinner."

"Don't touch me." Su Ruyun shook off her arm impatiently.

"I will touch it." Wu Tian reached out and poked at her. Seeing that the girl was furious, she turned around and ran away.

"Asshole, you want to die." Su Ruyun was not angry and warned, "if you dare to touch me again, you will chop your dirty hands."

This picture has a bad influence. A beautiful policeman and a hairy boy are chasing and frolicking in the street, which inevitably leads to criticism.

Su Ruyun also found that such a loss of police dignity, quickly changed into a serious face, far behind Wu Tian.

They went to a small restaurant nearby, ordered a few dishes and began to chat.

"Tell me, how did you subdue director Luo?" Su Ruyun asked curiously. She was more

interested in this question. After all, director Luo is the second in charge of the Bureau. In Luzhou, he is quite a corrupt figure. As a result, he changed his attitude towards Wu Tian because he received a phone call. This is really surprising.

In her opinion, Wu Tian must have a strong background and backstage, which is more corrupt than director Luo.

What she is most curious about now is, who is the power behind Wu Tian? How bad is it?

Su Ruyun was waiting for the answer, waiting for a long time, only heard Wu Tian spit out four words: "no comment."

"Asshole, you fool me." Hearing these four words, Su Ruyun immediately became angry, and her white face was immediately covered with anger.

"When did I fool you?"

"If you want me to have dinner with you, tell me how to deal with Director Luo."

"Girl, you are so simple." Wu Tian wryly grinned and shook his head: "I just said it casually. I didn't expect you to take it seriously."

"You..."

Su Ruyun's face is green. I didn't expect to be fooled by Wu Tian when he was a monkey. What a jerk.

After gnashing her teeth for a long time, she said two words coldly: "rogue!"

"It's your pleasure to accompany you to dinner." Wu Tian asked the waiter to open two bottles of wine and asked Su Ruyun with a smile, "Su Mei, do you want to drink?"

"No drinking!"

Su Ruyun spits out two words with anger on her face.

"If you don't drink it, I'll drink it myself." Without waiting for the dishes to be served, Wu Tian drank happily.

After drinking, he did not forget to tease Su Ruyun, pointing to the police uniform and saying, "I didn't expect that you look so beautiful in police uniform, which makes people fantasize."

"Asshole, please don't blaspheme the police uniform." Su Ruyun warned coldly that her whole body was full of anger.

"You're not happy to say you look good."

"I don't care if I look good." Su Ruyun said this, but also did not forget to warn: "police uniform sacred and not profane, in the future when I wear police uniform, please do not take advantage of me."

"You mean if you don't wear a uniform, I can take advantage of you?"

"Go away!" Su Ruyun was so angry that she kicked her foot in the past and scolded: "you can't

take advantage of me at any time."

CHAPTER 226:

After waiting for nearly ten minutes, the waiter brought the meal to the table, and they chatted while eating.

Without saying a word, Su Ruyun's face turned white and her chest was up and down, which could explode at any time.

"No more." Su Ruyun smashed the dishes and chopsticks on the table, spurring hot air into his nostrils.

Seeing the appearance of the girl's popularity, Wu Tian couldn't help laughing: "Su beauty, why don't you eat it?"

"I'm so full of gas that I can't eat a fart." Su Ruyun kicked the table and got up to leave.

"Stop!"

Wu Tian quickly stopped Su Da Mei and reminded him, "officer Su, have you forgotten something?"

"What's the matter?"

"Of course you have to check out after dinner. Do you want to eat a tyrannical meal?"

"What? You want me to pay? "

"Of course."

"You..." Su Ruyun was so stunned that he couldn't say a word for a long time.

"Don't officer Su want to pay?"

"Pa!" Su Ruyun took out two hundred yuan and patted it on the table. She said angrily, "I will never eat out with such scoundrels as you in the future."

With that, she stamped her feet and left.

"Officer Su, take your time. I'll treat you to a barbecue next time." Wu TianChao Su Ruyun's back waved and said with a smile.

At this time, Su Ruyun was very angry and didn't care about Wu Tian. She just wanted to get away from this jerk.

After Su Mei left, Wu Tian wiped out the rest of the food, and then stretched out to leave the restaurant.

Nothing happened in the afternoon. I went to Tianmu technology and found out that everything

in the company was normal, so I felt relieved.

I left the company and went to school again. Before that, I pretended to be injured in my right leg and had been recuperating at home for several days.

During this period of time, he did not have less homework. He was ready to go to school to make up for his homework, so as not to lose his time.

Walk to the door of the classroom, just met Mu ran holding the data to come out.

"Classmate Wu."

See Wu Tian, Muran teacher is a joy, and then began to care: "how about your leg injury?"

"It's almost done." Wu Tian has a bit of guilty reply, so cheat the teacher let him have a deep sense of guilt.

I can't help it. If he tells a lie, he will lie all the time before he goes to the circle.

"It's OK." Muran secretly relieved, proposed: "you have left too much homework these days, go, go to the teacher's dormitory, the teacher will make up for you."

"This..."

Hearing this, Wu Tian opened his mouth a little flattered.

I didn't expect that Mr. Mu would take him to the dormitory and give him guidance alone. This is really the top welfare.

Although Mr. Mu tutored his classmates individually before, he never took his students to the dormitory. This is the first time.

"What are you doing? Let's go." Muran said this, holding the lesson preparation materials to take the lead to go downstairs.

"Thank you, teacher." Wu Tian came back to his senses and followed Mr. Mu downstairs after thanking him.

In the University of technology, every teacher has a dormitory in the school. Some teachers live in the dormitory for a long time, while others rest in the dormitory temporarily.

Mu lives far away from her home. She lives in the dormitory most of the time and seldom goes home.

Led by Mr. mu, they passed through Tsinghua garden and came to the classroom apartment behind.

Most of these apartments are two bedrooms and one living room, and a few are three bedrooms and two living rooms.

Mr. Mu lives in unit 2, a two bedroom, one living room house with toilets and kitchens.

Muran opened the door of the room and made a gesture of invitation: "this is my dormitory. Come in quickly and sit casually."

"Good!"

Wu Tian walked into the room, sat down in front of the old sofa in the living room, and looked at the situation in the room at the same time.

The furniture and household appliances in the room are quite complete. They are clean and tidy everywhere, without any dust and clutter.

"You read a book first, the teacher goes to cook first, and then we can have some." Muran said this, put on the apron into the kitchen.

Wu Tian is not in the mood to read now. He wanders around in Mr. Mu's room. He is worthy of being a clean woman. He cleans everything up.

For a long time, I finally stopped in front of the bedroom door.

I'm very curious. I don't know what teacher Mu's boudoir looks like. Would you like to go in and have a look?

Thinking for less than two seconds, he reached out and pushed open the bedroom door.

The fragrance comes from the nose. It is the unique fragrance of the first daughter. It is elegant and warm. It doesn't smell any impurities.

Room decoration is very simple, mainly beige, sheets, quilts are stacked very neatly.

Wu Tian went to the bottom of the bedroom with a guilty conscience. When he saw the clothes hanging in the closet, his blood was boiling like a flood.

These small clothes are very conservative, but in Wu Tianyan, it is particularly exciting, after all, it is close to the body. Looking at these clothes, I feel a sense of guilt.

As a student, sneaking into the teacher's room to visit and stare at these clothes is not too much?

"What are you doing?" Just as Wu Tian is staring at the clothes, Muran's voice comes from behind.

This startled Wu Tian and stammered, "no Nothing. I'm just casual Look at it. "

At the moment, it's like a child stealing sugar. Don't mention how embarrassed his face is. He wants to find a place to get in.

"What's good in the bedroom." Muran rushed to close the coat cabinet door, embarrassed with a bit shy.

She naturally knows what Wu Tian's bad eyes are looking at. She just feels very embarrassed, and she is also embarrassed to expose the students' intense attitude.

"I'm sorry, Mr. mu. I'm just curious. I'm..." Wu Tian doesn't know how to explain.

This is really a disgrace, was found by teacher mu, must think that he is a kind of abnormal student, teacher Mu will certainly look down on her.

"Well, come out and sit down." Muran is not good to blame Wu Tian, his face embarrassed and whispered.

"Good." Wu tianescape seems to have run out of the bedroom, and now he would like to find a place to drill in.

When he walked out of the bedroom, he found that Mr. Mu had already cooked two dishes and put them on the table.

"Cough!"

Muran dry cough two, stroked the ear corner hair silk way: "eat casually, after dinner I give you guidance homework."

"Good."

Wu Tian answered and picked up the dishes and chopsticks to eat.

Two people quietly bow to eat, the whole room is full of ambiguous atmosphere.

Muran's heart secretly regretted, had known this kind of situation, she would not take Wu Tian

back to the dormitory.

After dinner, he picked up the dishes and chopsticks, and finally Muran opened his mouth to break the embarrassment: "classmate Wu, next I will explain to you the knowledge points learned during this period of time. You must listen carefully."

Then she began to talk about knowledge, and soon forgot the embarrassment before and returned to her former heroic demeanor.

Wu Tian listens very seriously. He also raises two questions from time to time. He is very modest and progressive.

CHAPTER 227:

Muran talked seriously, and Wu Tianxue was also very serious. He didn't finish all the knowledge of last week until very late.

"You learn so fast." Muran put away the lesson preparation materials, can't help boasting, a smile on his face is a bit gratified.

If all the students in the class are as smart as Wu Tian, it will be much easier.

"It's Mr. Mu's good teacher. I can understand it as soon as I listen to it." Wu Tian grabs his head with a simple smile.

"Well, it's getting late. Go back quickly." Muran suggested with a smile.

She was worried that it would be embarrassing to leave a boy at home when it was dark.

"OK, I'll go first. Thank you, Mr. mu. Goodbye." After saying goodbye, Wu got up to leave.

To the door, listen to teacher Muran asked: "by the way, what's the relationship between that female singer who went to your house last time?"

"Ordinary friends."

"Really just ordinary friends?"

"Yes."

"Then you and Liu Yueyao, between you..."

"And ordinary friends." Wu Tian replied, but he couldn't help adding: "Mr. Mu seems to be very concerned about my private life."

"That I just don't want you to be distracted by things in your life and affect your study. " Muran looks embarrassed and hastens to explain.

"Thank you for your concern. I promise I won't waste my studies."

"That's good." Muran nodded and advised with the teacher's good words: "I just hope that you treat your feelings to be single-minded, not to be half hearted, and not to step on two boats."

"I don't have feet to step on two boats. I generally like to step on three boats and four boats together..."

"No big, no small." Muran slightly turned a white eye, reprimand way: "where have you such a student, with the teacher to open this kind of no nutrition joke."

"Hey, hey

"Well, you go back and be careful on the way."

"Goodbye, Mr. mu." Wu Tian waved and turned away from the room. He did not forget to close the door when he left.

Muran stood in front of the door quietly in a daze, there was a moment of trance.

She found that she had paid special attention to Wu recently, with some obvious partiality.

Maybe it's because Wu is so excellent that he doesn't want to let such excellent students go to waste, so he pays special attention to it.

Stupefied for a few seconds, turned back to the bedroom, ready to take a bath and change clothes.

When she opened the wardrobe, it suddenly rang out. Wu Tian was staring at the clothes in the closet. Her face turned red and her heart pounded.

"Stinky boy!" Muran secretly scolded, holding clothes into the bathroom, always can't help thinking.

Wu Tian left the teacher's apartment and went back to study.

Compared with the hard and hard theoretical knowledge in the textbooks, he preferred these well founded economic and financial books.

I didn't go to bed until I learned. The next day, I was awakened by Jiang Wan's phone call.

Connect to hear Jiang Wan anxious voice: "small day, not good, Xiangmi Lake site accident."

"Don't worry. Speak slowly. What's the matter?" Wu Tian pacifies a sentence, facing the mobile phone to ask.

"The original signed construction company suddenly quit, and now the construction site is in a state of suspension."

"Then go to other companies to do this project. I believe many big companies are willing to do it."

"Alas

At the other end of the phone, Jiang Wan gave a long sigh and then continued to say: "little day, you may not know that we have been isolated and blocked by Geng Yunguang in the real estate industry."

"Ban?" Wu Tian feels that this word is quite new.

Entertainment industry is often heard of the word "ban", but in the business real estate circle is the first time to hear.

"Yes." After answering, Jiang Wan explained patiently: "Geng Yunguang has put down his cruel words. If anyone dares to cooperate with Xiangmi Lake project, he will be against him. Since then, no one in the circle dares to cooperate with us."

"This old fox is really shady." Wu tiandark scolded and said to the mobile phone, "don't worry. I'll come here right away. Then we'll try to find a way."

After saying this, Wu Tian hung up his cell phone, got up at the fastest speed to wash, and then let uncle Fu Gui drive to Xiangmi lake.

Since then, the construction site has been suspended for two days.

"What now?" As soon as he saw Wu Tian, Jiang Wan rushed forward to seek a solution.

"Don't worry. I'll call first." Wu Tian finished saying this, he quickly took out his mobile phone

and dialed Liu Jun's phone.

As soon as I got through the phone, I heard Liu Jun's voice coming from the other end: "Xiao Tian, we have really encountered a thorny problem this time. I'm afraid I can't do anything about it."

"Uncle Liu, I haven't said it yet?"

"I know if you don't tell me." At the other end of the phone, Liu Jun's voice was a bit depressed: "Geng Yunguang has put down his cruel words. At present, no one dares to cooperate with us in Xiangmi lake, because no one dares to fight against Geng Yunguang." "No money?"

"In this circle, everyone will be afraid of Geng Yunguang, or he can squeeze out, so for the construction company, it is important to protect life."

"Uncle Liu, you have worked in real estate for more than ten years. Can you find a friend to help us with the infrastructure?"

"Before you called, I had already made more than ten calls. They were all afraid of Geng Yunguang and no one would come forward."

"All right." Hearing this, Wu Tian did not insist on it any more. He said with a smile, "there must be a way to get to the front of the mountain. I'll think of another way."

"Xiaotian, it's not good for you to fight against Geng Yunguang. It's not as good as you..."

"There's no way to make me soft to the old fox." Wu Tian said this and hung up his cell phone.

Even if the business can not be done, he can not be soft, and can never sell his dignity in order to make money.

What's more, this is just a small test for him, which I believe will be solved soon.

Just after the phone call, Jiang Wan put his head up and asked in a quick voice: "how about Xiaotian? Is there any way? "

"Not yet."

Wu Tian put away his mobile phone and rang. Suddenly, his eyes lit up: "Geng Yunguang's sphere of influence is in Luzhou. We can find a construction company outside the city to contract."

"It's feasible, but it will increase our investment budget." Jiang Wan frowned and raised his concerns.

"It doesn't matter if we increase the budget. Now the priority is to make the project work." Wu Tian said this and told Jiang Wan, "let people contact the construction companies in other cities."

"OK, I'll..."

Jiang Wan words did not finish, see Geng Yun Guang with people came.

He shrunk his neck and hid behind Wu Tian. He whispered, "the old guy named Geng has

brought people here."

"This old fox."

Wu tiandark scolded, and without flinching, he took people to meet him. "Mr. Geng, how can you still smell so smelly? It's really a long-standing stink."

"You..."

Geng Yun's old face was mercilessly pumped and stored for several times.

He shivered with anger at the thought that he had been splashed with dung at the commencement ceremony yesterday.

CHAPTER 228:

Micro Leng for a few seconds, Geng Yun Guang quickly turned angry into joy, and said with a smile: "silly boy, you started the construction site yesterday, did not expect to stop today, it is a big joke in the real estate industry."

"Mr. Geng, thank you for being a real estate tycoon. It's really insidious to use this method. It's shameless." Wu Tian couldn't help but despise a sentence.

"That's what happens to me." Geng Yunguang put his head together and coldly threatened, "I want you to make a mess of it."

"Do you think it's hard to live me by such a small means?"

"Well, I'd like to see how you turn this time."

"Then you'll see." Wu Tian finished saying this, touched out the mobile phone, ready to call Long Yun.

There must be many construction companies under the family. Secretary Long is going to ask the company under the family to undertake the Xiangmi Lake project.

Before the phone rang, I saw several luxury cars coming.

More than a dozen men and women in suits came down from the car, with a man in his 40s at the head.

The suit man shook his suit and went to Geng Yunguang and said with a smile, "Oh, it's boss Geng. It's so clever."

"This is not Han Dahua, the boss of lubrication group." Geng Yunguang shook his suit and said in a cold, merciless voice, "you'd better save it. Even if you kneel down and beg me now, I won't give you the project."

As you can see, there is a deep contradiction between them.

"Boss Geng, you think too much. I'm not here to ask you to talk about cooperation." Han Dahua said with a haughty face.

"What are you looking for me for?"

"I'm not looking for you."

"Who are you looking for

"I'm looking for boss Wu." Han Dahua said this and turned to face Wu Tian, "are you Mr. Wu Tian, the boss of Xiangmi Lake project?"

"Yes, it's me." Wu Tian is very fond of the man in front of him.

Because we can learn from the conversation just now that there is a deep hatred between the man and Geng Yunguang.

The enemy of an enemy is a friend.

"I'm Han Dahua, chairman of the lubrication group." Han Dahua made a self introduction, then took out famous films and handed them over.

Wu Tian took the business card and looked at it. He put out his right hand with a smile on his face: "Hello, Han Dong. It's nice to meet you."

There is no place to find, no effort to get.

I'm worried that I can't find a construction company. I didn't expect that someone would take the initiative to deliver it.

As far as he knows, this lubrication group is one of the top ten excellent construction companies in Luzhou. It was famous in Luzhou before.

However, due to the failure of business transformation recently, it has declined a little, but its strength in the construction field is still very strong.

"Hello!"

Han Dahua reached out his hand and opened the door to the mountain and said, "our company hopes to undertake the Xiangmi Lake project. What does boss Wu mean?"

"Han Dong is really a timely help. It happens that we need the construction company to do it now."

"Since boss Wu doesn't mind, we'll make a deal." Han Dahua smiles and suggests, "let's go to our company to sign the contract now."

"Good."

They immediately decided to go to the lubrication group to sign a cooperation agreement.

Before they got on the bus, they were blocked by Geng Yunguang. "Mr. Han, I advise you to think about it again. It's better not to cooperate with Wu Tian."

"I have already thought about it. I want to cooperate not only with Mr. Wu, but also for a long time." Han Dahua did not show any weakness and hit back.

He had investigated before he came.

Although Wu Tian is young, he has made some achievements in shopping malls. The key is that he has a good character. He does not break his word like Geng Yun Guang and has no contractual spirit.

"To cooperate with Wu Tian is to oppose me." Geng Yun Guang's old face sank and coldly threatened, "if you fight against me, you should know what will happen."

"Boss Geng, you really take yourself seriously." Han Dahua glanced at the corner of his mouth and said: "in my eyes, you are not even a fart."

"You..."

His eyes were rolling.

"Boss Geng, now I'm not Han Dahua who was slaughtered by you. You'd better take care of yourself." Han Dahua said this and walked towards the BMW.

When Wu Tian passed by Geng Yun, he suddenly stopped. "Boss Geng, do you think your old face hurts?"

"Don't be too early, boy." Geng Yun Guang clenched his fists, and his whole body erupted into astonishing anger.

"I am not only happy, but I am particularly happy." Wu Tian put his hands in his pockets and said with a proud smile: "boss Geng said that he was going to block me. As a result, some people came to me to cooperate with me. The so-called ban turned into a joke. Is it disgraceful?"

"You..."

The blue veins of Geng Yun's Guangqi are bulging, and the whole old face has been twisted and deformed.

"Boss Geng, he's not too young. Go home early to provide for the aged, and don't come out in the future." Wu Tian said sarcastically and got into his own red flag car. "You You... " Geng Yun almost didn't vomit blood.

Originally, he said that he wanted to ban Wu Tian. In the end, Han Dahua jumped out and let all his plans go to pieces.

He lost the game miserably.

This time not only the plan failed, but also made him lose face in the circle. His dignity would certainly be damaged.

The end of the matter made him extremely angry. He secretly vowed in his heart that sooner or later he would crush Wu Tian.

To tell you the truth, Wu Tian is the happiest one now. Seeing the old fox eat shriveled, he is very happy.

He did not expect to defeat the old fox's so-called "block" so smoothly. Of course, it is thanks to Han Dahua.

Come to lubrication company and come to VIP room with Han Dahua.

Han Dahua poured a cup of tea and handed it to him. He said with a smile, "come on, boss Wu, please have tea."

"Thank you, Han Dong." Wu Tian gets up and takes over the tea cup, showing respect and politeness.

"I was very happy to see Geng Yun's aura like that." With this, Han Dahua looked up and laughed.

Wu Tian accompanied him with a smile, and then he couldn't help asking, "Han Dong, what's the gap between you and Geng Yunguang?"

"It's a long story."

Han Dahua put down his tea cup, put away his smile and said solemnly: "our company and Geng Yunguang were also partners before. Later, because of a disagreement, Geng Yunguang blocked our company, but he didn't expect us to survive in the end."

"I see."

After knowing the truth, Wu Tian was quite pleased: "under Geng Yunguang's obstruction, Han Dong was really powerful."

"Although it has survived, the process is also very difficult."

Han Dahua finished saying this, can't help good strange way: "by the way, boss Wu, what happened between you and Geng Yunguang?"

"The last time I saw the old guy forcing a little girl in the bathroom, I broke him up and got the old guy pissed off." Wu Tian explained.

"Geng Yunguang is really despicable."

"But this time, thanks to Han Dong, you helped me out. Otherwise, it would be a bit troublesome." Wu Tianke airway.

CHAPTER 229:

"Where and where." Han Dahua waved his hand and said with a smile, "if you can undertake this big project, for the company, it means picking up a piece of fat."

"Then we call it mutual benefit and win-win."

"Yes, mutual benefit and win-win results."

"I hope we can cooperate happily." Wu Tian raised his tea cup and touched Han Dahua. The smile on his face did not mention how brilliant.

"Let's talk about the specific cooperation, and I'll have the contract printed."

"Good." Wu Tian nodded and began to talk about the details of the cooperation project.

The two soon reached an agreement and signed the contract immediately.

Han Dahua stood up from his chair and held out his right hand to Wu Tian. "Boss Wu is really a happy man. I feel very happy to cooperate with boss Wu."

"I'm happy, too." Wu Tian reached out and shook it.

"Don't worry, I will let the construction team in as soon as possible, and will never delay the progress of the project."

"That's good. I believe Han Dong's strength will not have any impact on the project."

"That's settled." Han Dahua took a look at the time and suggested with a smile: "now it's time for dinner. I'll invite boss Wu out for dinner."

"Another day for dinner. I have something to deal with. Goodbye." Wu Tian said this and turned

away from the VIP room.

This time things went very well, some unexpected.

I'm afraid Geng Yunguang will not give up so easily, and he will think of other ways to attack secretly. It seems that he must deal with it carefully.

Of course, a mere Geng Yun Guang is not afraid of him. He should put more energy into his study.

Just out of the lubrication group, I saw a familiar figure.

Wan Ying, one of the flowers of the University of technology, is a goddess in the minds of countless boys.

At this time, Wan Ying is wearing an elegant short skirt. She is walking towards this side in a flustered way. Her behavior is obviously a little strange.

In fact, he and WAN Ying are not too familiar, just met a few times in school, two people talk very little.

When he was considering whether to go to say hello to WANYING, the girl took the initiative to come to him.

"Hello."

Since then, Wu Tian had to say hello.

Who knows Wan Ying came over and took his arm and said in a low voice: "don't talk, hold me tight and walk forward."

"Ah?"

Wu Tian suddenly froze, did not expect the beauty school flower suddenly becomes so active, this what situation?

In his impression, Wan Ying is a noble and generous girl. She has never had contact with any man. How could she suddenly

In his dark stupefied, only listen to WANYING again urged way: "don't be Leng, hold me tight and go forward."

"Oh." Wu Tian just came back to God and held WANYING's slender waist tightly.

I guess there must be a reason to do so. No matter how much you hold first, he will not suffer any loss.

It may be that the force is too strong, directly let WANYING pain exhale.

Wu Tianwei quickly retracted his hand, concerned: "I'm sorry, are you ok?"

"It's OK." WANYING embarrassed a smile, whispered: "when holding my waist, can you be a little lighter?"

"Good." Wu Tian hugs Wan Ying's slender waist again.

Holding a girl who is not very familiar in the street, his heart is particularly nervous, of course, more exciting.

"Go ahead, don't look back." Wan Ying pretended to be intimate and whispered.

"ok! "

Wu Tian hugged the girl and walked forward. At the same time, he asked in a low voice, "have you been entangled and asked me to be a shield?"

"Yes, I'm tired of being entangled by a boring rich second generation." Wan Ying first nodded, then looked embarrassed: "look for you to do a shield, you won't be angry?"

"Embracing a beautiful woman, Wenxiang nephrite, it's too late to be happy. How can you get angry?"

"Er..."

After hearing this, Wan Ying's face gradually turned red and whispered, "I thought you were honest before."

"Hey, hey

"But you are not a bad man. If you were other boys, you would have been dishonest for a long time." Wan Ying turned her head and looked at Wu Tian, and hung her head in embarrassment.

In fact, she has always had a good impression of Wu Tian.

"You're right about that. I'm not a good person, but I'm not a bad person." Wu Tian flaunted such an image for himself.

"This evaluation is not accurate." Wan Ying laughs and suddenly finds Wu Tian very interesting.

They were whispering, a tall man came over with two attendants behind him.

Seeing this man, Wan Ying's face suddenly sank, attached to Wu Tian's side and whispered: "this is the rich second generation Chen Di I told you. It's very annoying and annoying."

"I'll work with you to get rid of him later." Wu Tian has become very experienced and knows what to do next. At this time, the man named Chen Di has come over.

The man was tall and big, tall and erect, and not bad looking.

After coming over, he pointed to Wu Tian's nose and said, "boy, let Yingying loose quickly."

"He's my boyfriend, Wu Tian." Wan Ying hugs Wu Tian's arm more forcefully and introduces Chen Di.

"Boyfriends?" As soon as I heard that it was the goddess's boyfriend, Chen Di's face became more ugly than pig's liver.

"Yes."

"Yingying, how do you find such a boyfriend? What's good about this kid Chen Di's heart was hit by 10,000 points, puzzled: "I can't think of it. Where is this boy better than me?"

"He's better than you anywhere. I like him." Wan Ying looked up at her head and said, "I have a boyfriend now. Please don't pester me again."

"If you find a boy who is better than me, I agree. I can't accept this kind of rubbish." Chen enemy went over and poked Wu Tian's body with his finger provocatively. "Look at this boy. He's thin and small. He's as weak as a sick cat. What's good about him?"

"It's my business, it's none of your business." Wan Ying dropped this word and took Wu Tian's arm to leave.

"Stop!"

How could Chen Di easily let them leave. She quickly stepped over to block the front, pointing to Wu Tian's nose and swearing: "little bastard, I've robbed the woman I like, but still want to go?"

"What do you want?" Wu Tian said impatiently.

"I want to beat you." Chen Di shakes his arm and slowly approaches Wu Tian with a few

followers behind him.

Wan Ying was in a hurry and quickly reached out to protect him in front of Wu Tian. "I'm here. I don't want you to hurt him."

Looking for Wu Tian as a shield this time, I don't want to let Wu Tian get hurt because of this. She will feel guilty in her heart.

"Yingying, either you go with me today, or I will teach this boy a lesson." Chen Di gives two choices.

"Don't think about it." WANYING did not want to think, resolutely refused: "I will not go with you, and will never allow you to hurt Wu Tian."

"Ha ha ha..."

Chen Di looked up and laughed. After laughing, he couldn't help but despise Wu Tian and said, "thanks to you, you are still a man. It's a shame to let a woman escort you."

With that, he spat on the ground.

CHAPTER 230:

"Do you mind if I teach that boy for you?" Wu Tian doesn't pay attention to Chen Di, but turns to ask Wan Ying for her opinion.

"Of course not." Jiang Wan didn't think about it. The answer came out of his mouth.

To tell you the truth, Chen Di has long been fed up with such a shameless guy, and he has long wanted to find someone to teach this rich second generation a hard lesson.

If you can, I really hope to beat this guy with black eyes, broken head and blood. I can see that this bastard still dares to be arrogant in the future.

"Well, you stand in the back and see me teach this boy a good lesson for you." Wu Tian rolled up his sleeves and was ready to start.

"Hello

Wan Ying pulled Wu Tian's sleeve and whispered, "forget it, they have three people, you are not their opponent."

"Don't worry. I have my own way." Wu Tian pacified a sentence, pointing fingers at Chen Di, "don't you want to hit me? Come on, give you this opportunity, do it."

"Since you want to be beaten, don't blame me for being rude." Chen Di said this, and said to the two thugs behind him: "let's go together and teach this boy a hard lesson for me."

"Yes."

When the two gangsters got the order, they raised their fists and rushed to the front.

"Oh, be careful." Seeing the thugs punching, WANYING screamed nervously.

Wu Tian didn't like it. When the two fighters approached, he whipped his fist and smashed it in the past.

The speed is extremely fast, and the strength is amazing. It is easy to turn over the two mixers.

Seeing this scene, Wan Ying's eyes are shining, and she is very surprised and surprised in her heart.

I didn't expect that Wu Tian looked weak and strong. He easily turned over two strong and strong fighters.

It seems that the previous worry is totally unnecessary. Wu Tian is much more powerful than he imagined. He can't help but admire him secretly.

Chen Di, who watched the good play nearby, was also surprised.

Originally, he was waiting for Wu Tian to be tortured with Schadenfreude, but he saw such a scene.

He didn't expect that Wu Tian was so powerful that he easily knocked over the two thugs under him without any effort.

It seems that he underestimated the strength of this boy before, but he didn't expect that this boy is still a powerful role.

Seeing that the situation was not good, he turned to escape.

"Stop!" As a result, Wu Tian blocked his way and said with a cold smile, "do you want to run like this?"

"Boy, you What else do you want? " Chen Di, who had been arrogant and domineering before, was scared to be the same as the grandson of the tortoise. His legs were trembling slightly.

"As I said just now, I will teach you a lesson for WAN Ying." Wu Tian finished saying this and smashed it with his fist.

"Ah..."

With a scream, Chen Di's whole old face was swollen into black purple, and tears of pain rolled out.

"Poof!"

Seeing that Chen Di was beaten like this, Wan Ying couldn't help laughing directly. The flowers and branches of her smile trembled and fell back and forth.

"Don't worry, there's more." Wu Tian finished saying this and hit him with two fists in succession.

These two punches hit Chen Di's eye hole in an impartial manner, and directly hit him into a panda's eye. The boy in pain screamed repeatedly.

"Pa, ha ha ha..."

Seeing that Chen Di was beaten into this pair of virtue, Wan Ying laughs louder and her belly aches.

For the first time, I saw the embarrassed appearance of the second generation of rich people.

Chen Di was very painful, and then she was ridiculed by a woman. The whole person was about to blow up. He pointed to Wu Tian's nose and threatened: "boy, dare to hit me. Do you know who I am?"

"Whoever you are, if you offend me, you will be beaten." Wu Tian finished saying this, and he was ready to teach the boy a lesson with his fist.

Chen Di's neck shrinks, turns and runs.

After running more than ten meters, he turned around and threatened: "boy, you wait. Sooner or later I will kill you."

With these words, he turned and ran away from here.

"What a loser." Seeing Chen Di's embarrassed back, Wan Ying scorned him fiercely, and then set her eyes on Wu Tian. "I really didn't see that you look thin. I didn't expect you to be so strong

and powerful."

"Hey, hey

Wu Tian was a little embarrassed by the praise. He grabbed his head and grinned.

"Yes."

Wan Ying approached and grabbed Wu Tian's arm. She couldn't help but wonder, "how can you be so powerful?"

"Cough!"

Wu Tian coughed twice and looked down at the delicate arm.

"Ah Wan Ying this just realized what, complexion a embarrassed, hastily retracts the arm, pretty face more and more blush.

"It doesn't matter. You can catch it if you want." Wu Tian smiles generously and reaches out his hand.

"I don't want to catch young." WANYING light angry a, again asked: "tell me, how can you be so powerful?"

"It's not really good, but I learned a few moves from the master." Wu Tian said modestly. Although he said it was easy, it was difficult to describe the hardships of learning art.

"Wow, you're great." Wan Ying pursed a smile and couldn't help but stretch out her thumb: "I really admire you."

At this time, Wu Tian's eyes obviously have more appreciation and worship.

"I'm still far from it. I still need to work hard." Wu Tian bit his teeth, as if to boost himself.

When it comes to practicing martial arts, he can't help but have a headache.

He has always been very diligent in practicing martial arts, and he has never been slack. However, he has not known what happened recently. No matter how hard he tries, he has not made any breakthrough. It seems that he has entered a bottleneck.

"Thank you for helping me out today." After Wan Ying said thanks, she couldn't help but propose: "you helped me so much. I have to thank you. How about I treat you to dinner?"

"I can't wait for a treat from a beautiful woman." Wu Tian couldn't find any reason to refuse, so he readily agreed.

"Well, let's go to that hotel." WANYING pointed to the opposite Sunshine Hotel, took the lead to walk across the street.

Wu Tian followed him out.

They went to the sunshine hotel and found a window seat in the hall.

After ordering, the two began to chat.

"By the way, where's your girlfriend?" Wan Ying is very gossip asked a, seems to be very interested in Wu Tian.

"No

"Don't lie to me." Wan Ying didn't like to roll a white eye, an omniscient expression, "I heard that you have been pursuing Li Meng."

"You know all that?" Wu Tian was very surprised. She didn't expect that she even knew about her pursuit of Li Meng.

Although she was a student in a school, the news was not so well informed. I really suspect that the girl was watching him secretly.

"I know something about you and Li Meng by chance." Wan Ying casually explained a sentence and continued to ask, "how are you doing with Li Meng now? Did you get her? "

"I'm dead with her." Wu Tian has a bitter smile on his mouth.

Don't know why, he now more and more do not want to mention Li Meng, this girl is just a passer-by in life.

He used to make a lot of waves in his life, but now he has returned to peace.
