

CHAPTER 231:

"Do you have a girlfriend now?" Wan Ying blinks two big eyes, a face curious to ask.

"No

"A good boy like you is single?"

"I'm not as good as you think." Wu Tianpai waved his hand and pulled the topic to Wan Ying.
"How can you do it alone?"

"How do you know I'm single?"

"If you are not single, why ask me to be your shield." Wu Tian smiles bitterly and shakes his head, feeling that the girl is not very clever.

"Hee hee!" Wan Ying pursed a smile, holding chin way: "I just didn't meet the right one."

"What kind of boy do you like?"

"Sunny, positive, the key is to grow handsome." Wan Ying directly said the ideal boy in her mind.

"I'll look for it for you when I can."

"Good!" WANYING generous smile, did not put these words in the heart.

The efficiency of the hotel was not bad, and soon the waiter served them all the dishes, and they chatted while eating.

Wu Tian looked up from time to time and found that a man with a full face of luosaihu was peeping at WANYING at the opposite table.

To be exact, it is not peeping, but gazing at WANYING's body and swallowing saliva with greedy eyes.

Half of the meal, Wan Ying suddenly answered a phone call.

After answering the phone, she apologized to Wu Tiandao: "sorry, there is something at home that I want to go back to."

"Then go back and don't delay business."

"Well, I'll go back and invite you to dinner next time." Wan Ying said this and left the hotel in a hurry.

WANYING front feet just left, that Luosai beard man led a few younger brothers to follow out, is obviously trying to plot mischief.

Wu Tian sat by the window and could see the situation out of the window.

Wan Ying rushed out of the hotel and got into a taxi in a hurry, and soon disappeared in sight.

Waiting for Luosaihu man to take people out, has been unable to find WANYING trace, a few people scolded, and returned to the hotel hall on the second floor.

You're so ready to be a fool.

I thought it was over.

But unexpectedly, Luo Saihu man returned to the restaurant and walked quickly to Wu Tian. He asked in a cold voice, "what's the relationship between the girl who just ate with you and you?"

"Friend!"

Wu Tian did not look at the Luosaihu man, and continued to enjoy the delicious dishes on the table. He spit out two words in his mouth.

"Tell me, then, where does the girl live? What's the number? " Luo Saihu man continued to ask.

"I don't know."

"She's your friend. How can you not know?"

"I really don't know. I won't tell you even if I do." Wu Tian looked up at Luo Saihu and continued to eat.

"Pa!"

The man with a beard slapped on the table and said, "boy, if you are sensible, please tell me the phone number and address of that sister. Otherwise, don't blame me for being rude to you."

"What do you want her phone number and address for?" Wu Tian said nonsense.

"I've got a crush on that girl, and I want to soak her up." Roussehu man said this, again forced to ask: "quickly, that girl's phone number is?"

"No comment."

"Boy, I think you're toasting and not eating or drinking."

"No wine." Wu Tian wiped the oil on his mouth with a tissue and got up to pay the bill at the front desk.

"Stop!"

The man with beard and beard was looking at Wu Tian angrily, "boy, do you still want to go?"

"If you don't go, will you stay to eat with you?"

"Mud eating girl." The man with a beard roared, glared at two bull eyes and yelled, "do you know who I am?"

"I don't know."

"Then I tell you, my name is Xu Chengzi. You should have heard of it!" Xu Chengzi touched a big beard on his face and raised his head to shout.

"Never heard of it."

"Boy, don't make me do it." Xu Chengzi rubbed his palm and said impatiently, "ask you again for the last time, how much is that sister's address and telephone number?"

"No comment."

"Good boy, you asked for it. Don't blame me for being cruel." Xu Chengzi finished saying this, waved to the six thugs behind him and said, "let's go together and teach this boy a hard lesson for me."

"Yes."

The six thugs got the order and rushed to Wu Tian like a wolf, all of them were fierce.

Wu Tian didn't have the slightest carelessness. Seeing so many thugs coming up, he quickly grabbed the plate on the table and smashed it.

When the gangsters Dodge, punch one of them in the front door, and kick the right leg side to kick the thugs to the right and rear. Even a couple of thugs seem to have shaken the rest of them. They are all stunned and dare not move.

"Oh, you have some skills." Xu Chengzi's face was startled. He was surprised by Wu Tian's skill.

I didn't expect that the boy in front of him seemed thin and weak, and his skill was so strong.

"It's no problem to deal with your rubbish." Wu Tian hooked his fingers and said, "come on, let's continue."

"Good boy, I want to see how good you are." Xu Chengzi laughed grimly and ordered several people behind him: "brothers, let's go together and teach this boy a good lesson."

The remaining four thugs got the order, and then they bravely rushed to Wu Tian again.

Wu Tian didn't have the slightest fear. Facing the difficulties, Wu Tian smashed several people with his fists. Relying on the skills he had practiced before, he knocked all the four people over.

Put these gangsters, he toward Xu Chengzi hook fingers, "come on, now it's your turn."

"Gudong!"

Xu Chengzi swallows saliva, in the eye obviously has some kind of fear.

He didn't expect that the boy in front of him was still very powerful, and he broke the six thugs in his hands with no effort.

"Stop it!"

Just at this time, the hotel manager with security rushed over, "who dares to make a big noise to my hotel, don't blame me for being rude to him."

The hotel manager's name is Lu Kang. He was also a jerk in the society before. Later, he made a big accident and joined the hotel.

"Manager Lu, open your eyes to see who I am." Xu Chengzi raised his foot and stepped on the chair and yelled at Lu Kang in a loud voice.

"You are Brother Zi Lu Kang recognized Xu Chengzi and quickly changed his tone to please him. He said, "brother Zi, you are welcome. If you lose, welcome."

Others don't know him. Xu Chengzi knows him. He is a famous gangster leader in the neighborhood. No one dares to provoke him.

"Take a look at your hotel bullshit and all kinds of people in a mess." Xu Chengzi's face was full of abuse.

Lu Kang was scolded for a meal, and quickly accompanied by a smile to please: "brother Zi, don't be angry, I'll drive that boy away."

After saying this, he yelled at Wu Tian in a loud voice: "boy, we don't welcome you in our hotel."

Get out of here."

"Your hotel is open to customers. I'm here to spend." Wu Tian didn't show his weakness, but he refused.

CHAPTER 232:

"I am the hotel manager. Has the final say." Lu Kang waved his hand impatiently and urged, "get out of our hotel quickly."

"Let me go?" Wu Tian squints at the aggressive hotel manager with a little anger in his eyes.

"Yes, go away."

"You can't roll. Why don't you just roll one and let me see."

"Boy, you want to smoke." Lu Kang became angry and threatened coldly: "believe it or not, I'll let someone throw you out of here."

"Drive away customers, that's how your hotel operates?" I has the final say,

. Lu Kang shouts impatiently, and his tone is more tough than before.

"What if I don't go away?"

"Then don't blame me for being rude to you." Lu Kang finished saying this, waved to the

security guard behind him and ordered: "let's go together and let this boy go out."

"Wait!"

Wu Tian stretched out his hand and lifted a meaningful smile around his mouth: "if you drive me out today, you and your hotel will face disaster."

"Oh, you're good at pretending." Lu Kang shook his sleeve and said, "I'd like to see how capable you are today."

"OK, let me show you." Wu Tian finished saying this, touched out the mobile phone to call Long Yun.

He just told his mobile phone a few words and then hung up. Then he looked at Lu Kang with a smile, "in less than 10 minutes, you will be fired."

"You're a real liar and don't draft." Lu Kang looked at the time and sneered, "I'd like to see how capable you are."

With these words, he retreated to Xu Chengzi and waited for a good play.

"Ha ha ha..."

Xu Chengzi raised his hair and gave a laugh. He hit him mercilessly and said, "this boy can really

pretend to be forced. I'd like to see how he ends up today."

Lu Kang and Xu Chengzi sit on their chairs, waiting for a good play.

In less than ten minutes, Yang Guang, the owner of the hotel, rushed over with people in a hurry.

As soon as he saw the boss, Lu Kang quickly got up to greet him: "boss Yang, how did you come here in person?"

"You made a big mistake for me today." Yang Guang's face sank, biting his teeth and muttering.

"What have I done?" Lu Kang looks puzzled.

"You've offended the wrong people."

"The wrong person?"

"Yes." Yang Guang nodded his head and asked, "did you offend a young man named Wu Tian?"

"Wu Tian?"

Lu Kang was stunned at first, then slowly raised his head and fell his eyes on Wu Tian, "is that

boy?"

"It's not good for you to offend anyone, but to provoke Wu Tian."

"How much can a boy like that have

"What do you know?" Yang Guang bit his teeth fiercely and whispered, "the power behind him is very strong. If you touch your fingers, you can make our hotel disappear completely in Luzhou."

"What?" Startled, Lu Kang looks up at Wu Tian again, a little more dignified than before.

I didn't expect to see such a powerful force behind this seemingly shabby little boy.

Paralyzed, by accident, he stepped on a mine.

"I'll deal with you later." Yang Guang glared at Lu Kang with a smile. He went to Wu Tian with a smile and tried to ask, "are you Mr. Wu?"

"Yes, my name is Wu." Wu Tian fiddled with his handsome hairstyle, which was not weak at all.

"Hello, Mr. Wu." Yang Guang stretched out his right hand and said with a smile: "I'm Yang Guang, the boss of sunshine hotel. It's my pleasure to meet you."

Just now, I received a call from the chamber of Commerce saying that Wu Tian had a special identity and a powerful force behind him. Even the chamber of Commerce wanted them to give three points.

Even the chamber of commerce is afraid of the power behind Wu Tian. We can see how powerful it is. We are afraid to think about it.

"Hello, boss Yang." Wu Tian held out his hand and shook each other. He opened the door to see the mountain and said, "the general manager of your hotel is really out of line. I'm here to spend money. He even wants the security guard to throw me out of the hotel."

"I'm really sorry." Yang Guang nodded slightly and said with a smile, "I apologize to you on behalf of manager Lu. I hope you don't have a common sense with him, regardless of villains."

"Come on, what are you going to do with it?"

"This..." Yang Guang thought about it for a moment and quickly winked at him.

Lu Kang immediately understood, went forward humbly and bowed to Wu Tian and apologized: "before, I had an eye and didn't know Taishan. I accidentally bumped into you. I hope your adults don't take me for granted."

"I remember you were trying to get me thrown out of the hotel, right?"

"I..." Lu Kang wanted to cry without tears, and his expression was embarrassed and explained: "I was wrong. I will never dare again. I hope I can get Mr. Wu's forgiveness."

Knowing that this boy's power is so tough, he has no time to curry favor with him. How dare he offend him."I'll give you a chance to change." Wu Tian finished saying this, turned his head and

set his eyes on Xu Chengzi, "I think this boy is very disagreeable, drive him out for me."

"This..." Lu Kang hesitated.

After all, Xu Chengzi is a famous gangster leader in this area. If he offends him, he will get himself into a lot of trouble.

However, on second thought, Xu Chengzi, no matter how corrupt he was, was just a regional gangster. His power could not cross this street. He was not as powerful as Wu Tian's power. A phone call alerted Mr. Yang.

After weighing the pros and cons, Lu Kang turned to Xu Chengzi, "we don't welcome you in our hotel, please."

"Manager Lu, how dare you help this boy drive me away? Don't you know my power?" Lu Kang's face sank and glared at two bull eyes.

"I know your power better than anyone else." Lu Kang said this, then added: "but compared with Mr. Wu, it is still far from good."

"What power can that boy have?"

"I'll tell you so." Lu Kang put his head close to him and murmured, "if you are a local snake, he is a lion on the grassland. Even general manager Yang can't afford to provoke him. I advise you not to provoke him."

"Can it be so powerful?" Xu Chengzi's eye color is tight, the eyes of Wu Tian are obviously more profound.

"Better than I thought." After saying this, Lu Kang stretched out his hand and urged, "please."

"Hum!"

Xu Chengzi snorted coldly, biting his teeth and unwilling to leave here.

I didn't expect to meet a tough character today. It seems that he underestimated the strength of the other side.

Now we can only leave first, so as not to insult ourselves.

After Xu Chengzi took people away, Lu Kang rushed to Wu Tian and said with a smile, "Mr. Wu, are you satisfied with the result?"

"Not bad!"

Wu Tian nodded and warned, "I don't care about this today, but if this happens again, don't blame me for being rude to you."

"You won't be assured next time, Mr. Wu." Lu Kang vowed.

CHAPTER 233:

One side of Yang Guang also followed: "Mr. Wu, if there is another time, I will directly fire him."

"That's good." Wu Tian nodded and did not care about it.

"Mr. Wu, it was our mistake that affected your appetite just now. We will prepare a table for you as an apology." After finishing this, Yang Guang turned to Lu Kang and said, "go and arrange the kitchen and cook all the famous dishes in our hotel. I will serve them myself..."

"No need."

Wu Tian interrupted without saying, "I've had enough, so I don't have to bother boss Yang."

"Well, in the future, as long as Mr. Wu wants to eat, he can come to the hotel at any time, and I will treat him." Yang Guang is quite able to flatter and flatter with a smile.

"Thank you very much After Wu Tian said thanks, his eyes turned slightly: "by the way, Mr. Yang, do you have any idea about me?"

"No No idea. " Yang Guang was asked to be slightly stunned, smiling and flattering: "I think Mr. Wu is a broad-minded, young and promising good man."

"Don't flatter."

Wu Tian waved his hand impatiently and didn't want to go around again. He opened the door and said, "Mr. Yang, I'm very interested in your hotel."

"It's a great honor for our hotel to be favored by Mr. Wu. As long as Mr. Wu likes it, he can come over at any time in the future..."

"No, no, No "Mr. Yang, you don't seem to understand what I mean."

"What do you mean..."

"I mean I want to invest in your hotel and become a partner with you." Wu Tian said his intention directly.

From the very beginning of entering this hotel, I was attracted to the location, pattern and decoration effect of the hotel, and I had the impulse to invest in my heart.

At present, he has two restaurants in his hand, which is relatively small. At present, he is short of a comprehensive hotel.

"Ah?"

Yang Guang was surprised by this and said in disbelief: "did not expect that Mr. Wu would be interested in catering?"

"To be honest, I'm running two restaurants, but they're small." Wu Tian finished saying this and asked again, "I don't know if Mr. Yang is interested in cooperating with me?"

"This..." Yang Guang was somewhat hesitant.

At present, the hotel operation is very normal, the profit is also quite rich, do not need investors to enter, do not want to be a share of the share.

But if you refuse, Wu Tian's power to trample down his hotel is also a matter of minutes, which is the ultimate disaster for the hotel.

This matter makes him feel in a dilemma. It's not good to promise. If he doesn't, he is afraid to bring disaster to the hotel.

"Mr. Yang, do you know why I want to invest in your hotel?" Wu Tian saw Yang Guang's worries and asked with a smile.

"I don't know."

"I'll tell you." Wu Tian pulled a chair to sit down and explained seriously: "the reason why I want to invest in your hotel is not to value your current profit, but to think that this hotel has unlimited potential. If I become the owner, the profit of the hotel can be increased by three to five times, which is also of great benefit to Mr. Yang."

"Mr. Wu, I'd like to ask, what can you do to increase the hotel's profit by five to ten times?" Yang Guang thinks this is a little exaggerated.

I feel that the operation of the hotel is very hot now, and the profit has reached a high proportion. There is really no room for improvement.

"The reason why your hotel is so popular now is that it has made low-end food prices and services in a high-end environment, which has created the illusion of being popular. In fact, the

profit is very low."

"It makes sense." Yang Guang nodded with approval.

Unexpectedly, Wu Tian pointed out the disadvantages of the hotel.

In terms of the current location, environment and interior decoration of the hotel, the initial positioning is indeed a high-end hotel.

But the positioning is too high and the passenger flow is very low, so we can simply lower the price of vegetables and adopt the mode of small profits and high sales.

Yang Guang thought about it for a while, and then asked, "Mr. Wu, what good way do you have to change this situation?"

"It's very simple. As long as we introduce fine management, we can change the status quo."

"Refinement?"

"Yes." Wu Tian nodded and took a sip of tea before saying, "your hotel service is too poor. First of all, we should improve the service quality and management level."

"But..."

"I know that your hotel is now a model of small profits and high sales, and you can't put more money into the service. That's what I'm going to say next." Wu Tian stopped for a moment and then said, "your food price is very low, but this dish is also very poor. It's a grade lower than

other hotels of the same level."

"We are for low and medium end customers, and they don't have high requirements on dishes, so we can save costs."

"That's not the idea." Wu Tian touched out a cigarette to light, and said confidently on his face: "to be a low-end is to smash the brand. Your income is getting lower and lower, the service is getting worse and worse, the dishes are getting worse and worse, the price of dishes can only be lower and lower, and the profit will naturally be lower and lower. Frankly speaking, this is a vicious circle. In the long run, the consumers you cultivate will only become more and more low-end." "Listening to your words is better than reading ten years." After hearing these words, Yang Guang couldn't help but stretch out his thumb.

It's really flattering by Wu fan.

At present, this young man is worthy of erudition. After a meal in the hotel, he made clear the disadvantages of the hotel operation mode.

"That's the point." Wu Tian shook his ashes and said with a smile, "in addition to fine management and improving service quality, the most important thing is to improve the quality of dishes."

"It's easier said than done."

"It's not difficult. Just let the hotel introduce special dishes."

"What's the specialty?"

"For example, Fuyuan restaurant has a lot of special dishes. The price of that small restaurant is

higher than that of your star rated hotels. It's needless to say that if you can bring those dishes in, the hotel's signboard will start immediately."

"The idea is good." Yang Guang nodded his approval, then poured cold water: "Fuyuan restaurant is private dishes and specialty dishes, not to mention the introduction, some dishes can not even eat, but also order in advance."

"The food you can't eat is marketing and gimmicks."

"Fuyuan restaurant is a real outlier." Yang Guang shook his head with a wry smile and sighed: "I really admire the boss of Fuyuan restaurant. Even many big hotels can't catch up with such brilliant business strategies and marketing means."

"Good marketing is just icing on the cake. The trump card of Fuyuan restaurant is still chefs with a number of special dishes. Dishes are the trump card."

"Yes, you make a lot of sense."

"What do you think if you could bring the food from Fuyuan restaurant into your hotel?"

"The fire will explode." Yang Guang answered this and then changed his tone: "however, this is a bit unrealistic. It is impossible for us to introduce the vegetable roots of Fuyuan restaurant. Many big hotel owners want to buy Fuyuan restaurant, but they are rejected one by one. I also heard that some people forcibly acquired the restaurant, and as a result, the chefs fled with the boss. Fuyuan restaurant without chefs is useless at all. "

CHAPTER 234:

"I didn't expect that Mr. Yang has even heard of this." Wu Tian smiles bitterly and shakes his head. This is his masterpiece before.

"I really admire the boss of Fuyuan restaurant. It's a huge fortune to be able to hold the chefs in their hands." Yang Guang said in a deep voice.

"That's all I have to tell you." Wu Tian laughed and showed his cards: "in fact, I am the boss of Fuyuan restaurant."

"You?"

Yang Guang's eyes flashed, and the pupil magnified a hundred times in an instant.

"Yes, I am the owner of Fuyuan restaurant." Wu Tian nodded hard and gave a positive answer.

"I didn't expect that you are the owner of Fuyuan restaurant." Yang Guang took Wu Tian's arm and said excitedly, "it's admirable to make a small restaurant so colorful."

"Flattering."

Wu Tianqian smiles modestly and asks again, "are you still interested in cooperating with me now?"

"Yes, of course." Yang Guang made a statement immediately.

At present, the young man can make the small Fuyuan restaurant so famous, which shows how powerful its strength is.

If the specialty of Fuyuan restaurant can be introduced into Sunshine Hotel, the profit will increase by multiple.

"Well, after we cooperate, I will introduce the specialty of Fuyuan restaurant into Sunshine Hotel." Wu Tianyi looked ambitious. "When we get there, we will introduce refined management and service to upgrade the hotel to a higher level."

"Well, I hope our hotel can become a top hotel in Luzhou." Yang Guang also showed great confidence.

"Then I wish us a happy cooperation." Wu Tian put out his cigarette and shook it with Yang Guang.

"Happy cooperation." With a smile, Yang Guang added, "let's make an appointment to talk about specific cooperation matters another day. This is my business card."

With these words, he took out a business card and handed it to him.

"Well, let's make an appointment another day." Wu Tian put away his business card, said goodbye to Yang Guang and left the hotel.

I didn't expect to have a meal, and it became a big deal.

He has already had a clue in his mind, and has already figured out how to operate the hotel. He believes that the hotel will soon become prosperous and develop into a famous hotel in Luzhou.

In the next few days, Wu Tian was still free.

In addition to going to school every day, he reads books and practices martial arts, and occasionally goes to Tianmu technology company to check on the situation.

Li Mu, Yuan Wangchun and others manage the company, which saves him a lot of worry.

These two people are very experienced in their respective fields. They manage the company closely and orderly, and everything is in the normal development step by step.

Until the third day at noon, suddenly received a call from Wan Ying.

On the first sentence, I heard a gentle voice from the phone: "Wu Tian, are you busy now?"

"I'm not busy, but I'm in class." Wu Tian gave such an answer.

It happened that there was a teacher Mu Ran's class. Recently, he had a good impression in his mind. He didn't want to be absent from class.

"Not really." At the other end of the phone, Wan Ying's voice was still so gentle: "originally I

wanted to ask you to have lunch, but since you are in class, I'll take another day."

"What can I do for you?"

"Yes." Pause for a while, just listen to Wan Ying continue: "ten schools jointly hold a fraternity party, have you heard?"

"I heard that every level will send people to participate. It seems that our class also has them."

"Can you come with me?"

"This..." Wu Tian didn't expect that Wan Ying would invite him to join the party.

When he was hesitant, he only listened to Wan Ying's voice again on the phone: "if you are not convenient, I'll find someone else to accompany me."

"Convenient." Wu Tian then regained his mind and said to his mobile phone, "I don't have anything to do anyway, so I'll accompany you to participate."

"Well, that's settled. Bye." After saying this sentence, the phone was hung up.

Wu Tian stares at the mobile phone in a daze for a few seconds. Some don't quite understand why Wan Ying asks him to attend the party.

Take part. It's no big deal anyway.

However, he has a headache. According to the schedule, social dancing is required at the party, but he can't do it at all. What can I do?

It seems that she has to learn social dance, but she can't let Wan Ying lose face at the party.

When it comes to social dancing, the first thing I think of is Liu Yueyao. I saw that girl dance at the party before. It was quite good.

After two sessions of Mr. Mu's class, he rushed to the opposite teaching building and asked his classmates to help him call Liu Yueyao out.

After seeing Wu Tian, Liu Yueyao showed some unexpected look: "how do you think of me in the classroom?"

Wu Tian has never been to her classroom before, and has not even taken the initiative to look for her. This is the first time.

"There's something I want to ask you for help."

"What's the matter?"

"I want to ask you to teach me how to do ballroom dancing." "Do you want to attend the ten university fraternities?" As soon as she mentioned social dance, Liu Yueyao thought of the fraternity.

"Yes, can you teach me?"

"Of course, no problem. You wait a moment. I'll get my things ready. We'll go to the gym later."
Liu Yueyao returned to the classroom to clean up, and soon came out with a small bag, "OK, let's go."

"Well!" Wu Tian follows.

They came to the school's Indoor Sports Institute, where many students were rehearsing, all preparing for the fraternity.

"Let's get started." Liu Yueyao found a place with few people in the corner and said to Wu Tian, "in fact, social dance is very simple. It can be divided into modern dance and Latin dance. I will teach you the waltz in modern dance. It's very easy to learn. Put your right hand around my waist. Here, give me your left hand Yes, so... "

Liu Yueyao is very careful to explain the dance steps and movements, but also constantly do demonstrations, showing great patience.

After talking about the basic knowledge, they began to walk.

"Ah

After a few steps, Liu Yueyao screamed.

Wu Tian trampled on her right foot, and her tears were about to burst out.

"I'm sorry." Wu Tianwei quickly apologized, concerned: "are you ok?"

"It's OK. Let's go on." Liu Yueyao gritted her teeth with a smile and continued to walk with Wu Tian.

After more than ten steps this time, Wu Tian trampled on Liu Yueyao's feet again. She screamed again in pain.

"Sorry, I didn't mean to." Wu Tian apologized again, but he couldn't help feeling heartache.

"Of course I know you didn't mean it." Liu Yueyao bit her lip and said in a soft voice, "it's OK. It's all like this at the beginning. Go on."

"Then I'll try to be careful." Wu Tian continued to learn to walk.

He said to be careful, but he didn't cooperate with him in place, and soon stepped on Liu Yueyao.

Fortunately, the girl is generous, can bite the pain, endure the pain to continue teaching, has not complained.

After several hours, Wu Tian stepped on Liu Yueyao's more than ten feet, and finally learned all these steps.

"You're smart. You learn really fast." Liu Yueyao was particularly pleased to see that Wu Tian had learned several dance steps so quickly.

CHAPTER 235:

"You taught me well." Wu Tian flattered him and said, "are your feet OK?"

"Ah Hiss Liu Yueyao remembered that her feet were very painful and she squatted on the ground.

"Let me see." Wu Tian quickly took off the sandals on her feet and found that two white tender feet were bruised and swollen by him.

Seeing that two feet have become like this, I feel guilty and uneasy in my heart. I feel sorry for stepping on your feet like this

"It's OK." Liu Yueyao hugs her legs with a smile, pretending nothing happened.

In fact, her two feet are now particularly painful, I feel the bones are broken, and there is a burning pain inside.

"Wait, I'll get the medicine." Wu Tian dropped the words and ran out of the gym in a hurry. Within five minutes, he came back with the spray. "Bear with me. I'll spray you."

After that, he opened the spray and exposed her feet a few times.

"Oh, how spicy Liu Yueyao frowned with the spray.

But soon the pungent feeling disappeared, replaced by cool, bursts of cool from foot Yazi

spread all over the body.

"Here, I'll press it for you. It'll be ready soon." Wu Tian holds those two feet before he can press them.

Liu Yueyao's body trembled, and she quickly retracted her legs. "Isn't that good?"

"Nothing. Just think I'm a doctor." Wu Tian is too lazy to talk nonsense, so he grabs the two feet and presses them.

"Poof!"

At the beginning, Liu Yueyao felt embarrassed and embarrassed. When Wu Tian caught her foot, Yazi couldn't help laughing.

After a while, she couldn't stand it. She quickly retracted her feet and stopped her way: "it's almost OK. It's really itchy."

"Well, I'll help you put on your shoes." Wu Tian put on the shoes for Liu Yueyao and helped her up from the ground. "How do you feel now?"

"Much better." Liu Yueyao reluctantly smiles and tries to walk for two steps. She finds that her feet are still very painful.

"I'll carry you." Seeing Liu Yueyao's pain, Wu Tian goes straight to her and squats down.

"This Not good? "

"It's OK. Come up."

"Well..." Liu Yueyao is a little embarrassed to cover her face and carefully lies down on Wu Tianbei.

To tell you the truth, this is the first time that a boy has been carried on his back. As soon as his body is touched, his heart beats wildly.

"It's my first time to recite a girl." Wu Tian is carrying such a beautiful woman on his back. He can't help but think wildly.

"Really?" Hearing that Wu Tian carries a girl for the first time, Liu Yueyao feels very happy in her heart, just like eating honey.

"It's true, of course."

"Then you How do you feel? "

"It's heavy."

"Fuck you." Liu Yueyao swung a small powder fist at Wu Tian's back, pretending to be angry and said, "you are really a nuisance."

"Don't get angry when you're kidding."

"Everybody's looking at us. Come on." Liu Yueyao found that everyone's eyes fell on her and Wu Tian. Her pretty face turned red and she hastened to say.

"Good!" Being watched by so many students, Wu Tian also felt that it was not very good to leave the gymnasium.

Wu Tian put the girl in the car and tried to ask, "would you like to take you to the hospital?"

"A little injury doesn't matter. You don't have to go to the hospital. You'll be fine after two days' rest."

"Well, I'll take you home."

"Well!"

"Well, uncle Fu, send Miss Liu back to Liu's home." Wu Tian gave an order to the rich and noble uncle and went to the back row to sit with Liu Yueyao.

Through this incident, we found that Miss Liu was stronger than expected, and was not as delicate as other daughters. She could not help feeling a little bit more fond of this girl in her heart.

After the car arrived at Liu's villa, Liu Yueyao said, "my father is just at home. Why don't you go to my house and sit down for a while?"

"No problem!" Wu Tian nodded and explained Mengyao's situation to uncle Liu, so that he would not worry.

"Let's go." Liu Yueyao pushed the door down and limped towards the villa hall with a strong pain.

Wu Tian rushed to catch up, heartache way: "your foot injury is so serious, or I carry you."

"No, I'll go by myself, so as not to be misunderstood by my family." Liu Yueyao resolutely refused, but did not want to be misunderstood by the family.

"Well, I'll hold you." Wu Tian didn't force him, so he reached out and helped Liu Yueyao to the villa.

As soon as they got to the door of the hall, they saw Liu Jun ready to go out with a briefcase.

Seeing his daughter's limping appearance, his old face suddenly sank: "Xiaotian, what have you done to Yueyao? Did you take him to the hotel? "

Obviously, he obviously thought that Wu Tian and his daughter had such an indescribable thing.

Although she has been trying to set up her daughter and Wu Tian, she doesn't want that kind of relationship between them before they get married."Dad, what are you talking about?" Seeing that her father misunderstood her, Liu Yueyao's face flushed. She quickly refuted: "we didn't go anywhere. We just came back from school."

"Then how did you limp?" Liu Jun anxiously expressed concern.

"Wu Tianxue was just teaching ballroom dancing in the gymnasium. He stepped on his feet." Liu Yueyao explains that her cheeks are still red.

"I see. I thought you were given by the stinky boy..." Liu Jun didn't finish his words and swallowed back, just grinning dryly.

"Dad, I'll go back to my room first." Liu Yueyao bit her lip and walked towards the hall with embarrassment on her face.

"Xiao Tian, you go to accompany Meng Yao." Liu Jun patted Wu Tian on the shoulder and told him, "you are not allowed to come to our family Mengyao."

"Don't worry. Without your permission, I will never do anything wrong." Wu Tian raised his right hand over his head and swore to him.

"You son of a bitch." Liu Jun a bitter smile, heft heft the briefcase in his hand, "I go out to do something, wait for me to come back, we have dinner together."

With these words, he quickly left with his briefcase.

Wu Tian neither promised nor refused, but quickly chased into the villa.

Seeing that Mengyao is going upstairs at this time, it may be that both feet are very painful and it is very hard to climb the stairs.

"I'll hold you." Wu Tian's heart aches, so he hastens to pick up Liu Yueyao's body and walk upstairs.

"Well, who told you to hold me without my permission?" Liu Yueyao curled up with a blushing voice.

"OK, I was wrong." Wu Tian quickly admitted his mistake and said with a smile, "I'll hold you until you agree next time."

"That's about it."

Liu Yueyao soon found out that she had made a mistake and quickly changed her words: "no next time, don't touch me in the future."

"Do you think I want to hold it? It's so heavy." Wu Tian said this and threw Liu Yueyao on the bed.

The angry girl was full of anger. After a long time, she said, "I've never seen such a disgusting guy as you."

"It's heavy. It feels good."

"Go on, you son of a bitch, you are shameless." Liu Yueyao's white face blushed again, and her expression was extremely embarrassed.

CHAPTER 236:

After chatting with Liu Yueyao, Wu Tian left the Liu family and returned to his residence.

First went to the bathroom to take a bath, just saw Long Yun home, can't help but ask:
"Secretary long, can you dance?"

"Ah?"

Hearing this inexplicable question, Long Yun was stunned.

"Ah, what?" Wu Tian stretched out his hand and swayed a few times in front of secretary long.
He asked again, "can you do social dancing?"

"Yes." Long Yun just came back to God and nodded.

"Go, change clothes and practice ballroom dancing with me." Wu Tian plans to take this
opportunity to train social dance so that he will not lose face at the party.

"Ah?"

Long Yun is stunned again. Unexpectedly, the young master suddenly wants to practice social
dance.

"What are you doing? Go." Wu Tian reached out and poked at Long Yun, holding the young
master's posture and ordered.

"Yes

Long Yun after the voice, obediently went to the bedroom, quickly changed the long skirt to

walk out.

Seeing the long Secretary wearing a long skirt, Wu Tian's eyes suddenly brightened: "Secretary long, I didn't expect you to wear a long skirt with temperament, beautiful and elegant."

"....."

Long Yun did not speak, his face was still so cold, but his heart was inexplicably sweet.

"I'll play some music first." Wu Tian opened his mobile phone and played a fast four music. He told Longyun, "come on, let's start."

With these words, he took the initiative to grasp Longyun's arm, while holding the other hand at Longyun's waist.

Long Yun eyebrows slightly wrinkled a few times, the body is a bit uncomfortable, but also did not say much, follow the melody with the young master dance social dance.

Wu Tiangang started to jump a little stiff. After getting used to it, he jumped better and better.

The key is that Liu Yueyao is more professional than a woman.

Two people practice again and again, until 11 o'clock at night, Long Yun can't help but remind:

"young master, it's very late."

"Nonsense, go on." Wu Tiansi is indefatigable and continues to dance with her arm around long Yun.

"I..."

Long Yun bit lip, although the body has been very tired, but she can only suppress the dissatisfaction in the heart, bite teeth to continue to insist.

Until 12 o'clock, Wu Tiancai let Long Yun go and have a rest

"Thank you, young master." Long Yun, like an amnesty, left the words and walked quickly to the bedroom.

To tell you the truth, she had been exhausted for a long time, and she didn't know why the abnormal young master was so mentally shaken.

Before she closed the door, the young master said, "Secretary long, it's hard. Let's continue another day."

It's almost enough for Yunye to continue dancing tomorrow night.

"Hey, hey

Looking at the back of Long Yun's disappearance, Wu Tian chuckles and then goes into the bathroom to take a bath.

After the bath, he lay in bed, snoring.

Maybe I was too tired to practice ballroom dancing and fell asleep soon.

The next day, Wu Tian got up very early. It happened that today was Saturday. He didn't have to go to class. He took advantage of this opportunity to practice social dance.

After getting up to wash simply, he stretched out his hand to open the door of Longyun's room.

On weekdays, the girl gets up very early every day. Maybe she was too tired last night. She still sleeps soundly.

"Hello, get up." Wu Tian goes to push Longyun.

"Ah

When she saw the young master's face, she immediately exclaimed: "young master, you What's in my room? "

She wrapped her body tightly in a quilt, staring at the young master with vigilance.

"I'll wake you up." Wu Tian stretched out his hand to lift the quilt and urged him, "don't be stunned. Get up quickly."

"Ah

Long Yun was scared to cover his body with a quilt and said in a cold voice, "young master, please respect yourself."

"You're not in your pajamas. Why are you so excited? Get up quickly. I'll wait for you outside." Wu Tian left the words and walked away from Secretary Long's bedroom.

After waiting for more than ten minutes, I saw Long Yun come out wearing a long skirt.

Wu Tian quickly met him and said with a smile, "Secretary long, your task today is to dance with me."

"Still dancing?" Yunlong's face is reluctant.

"Jump, come, go on."

"I haven't washed my face and brushed my teeth. I'll brush my teeth first."

"Brush your teeth, we don't kiss."

"Cough!" Long Yun coughed a few times, almost not choked to death by his own saliva.

What kind of logic does young master have to kiss before brushing his teeth?

"I'll go to the bathroom first." Long Yun left a frown in the eyes, quickly into the bathroom inside.

When Long Yun comes out of the toilet, they continue to practice social dance.

A practice to noon, tired Long Yun exhausted, whole body acid and soft, finally lying on the sofa asleep. Wu Tian didn't embarrass Secretary long any more. After dinner, he began to practice, and he was busy studying in the evening.

On weekends and Sundays, he worked very hard and worked harder than anyone else.

Monday is the ten School Association. In the afternoon, I received a call from Wan Ying asking him to join the fraternity. They met at the north gate.

Wu Tian received a phone call and simply cleaned up. He hurried to the north gate of the University of technology. He found that Wan Ying was pacing back and forth at the door. It seemed that she had been here for a while.

Tonight, she was wearing a black pleated skirt with some light make-up on her face. She looked delicate and sexy.

"Sorry, I'm late." Wu Tian stares at the beautiful face and apologizes.

"It doesn't matter." Wan Ying gave a big smile and turned a circle in front of Wu Tian, "is my

skirt good-looking?"

"Of course it looks good. You look good in everything."

"You have a sweet mouth."

"You haven't tasted it. How do you know my mouth is sweet?"

"Ah WANYING pretty face a red, not good gas angry way: "you this person rhetoric, really disgusting."

"Haha, don't be angry if you're joking."

"Do you usually tease girls like that?"

"I'm too lazy to talk to other girls." Wu Tian finished saying this and added: "but seeing that you are different, there is always something to say."

"I can't stand you. My mouth is too sweet. I'm afraid most girls will fall into your sweet trap." WANYING smile of the flowers trembling, the heart is more sweet than honey.

"Well, let's go." Wu Tian didn't dare to make a joke too much, so he made a gesture of invitation.

"Go." Wan Ying will back her hands to her back and walk towards the outside of the school.

I don't know why. I'm very happy with Wu Tian. It's just as sweet as falling in love.

The two left the University of technology and came to the Golden Hall in the University Town, where the ten university fraternity was held.

When they arrived, the hall was already full of students, more than 1000 students from ten schools.

Students will hold a series of social activities and games here to strengthen the relationship between schools and the friendship between students.

Before the formal start of the association, the students went to the other schools to exchange friendship.

CHAPTER 237:

At seven o'clock in the evening, the party officially starts. The students look for partners to start dancing.

When Wu Tianzheng was ready to take WANYING to dance, a girl with horsetail debate came over and said hello to WANYING with a fake smile: "Yingying."

"Liang Lu?"

Seeing this girl, Wan Ying's eyes were obviously a little bored, but she didn't show it. She said with no expression: "what a coincidence, you're here to join the party!"

"Yes."

Liang Lu nodded, set her eyes on Wu Tian and asked with a smile, "is this your dance partner?"

"Yes Wan Ying nodded and pointed to Wu Tian and said, "his name is Wu Tian. He is a student of our university of technology."

"Well, it's pretty handsome." Liang Lu stares at Wu Tian with that kind of crazy eyes. She looks very interested.

"By the way, Xiao Tian." Wan Ying points to Ma weibian girl and introduces her: "she is a friend Liang Lu."

"Hello!" Wu Tian lightly asked a good voice. She didn't like Liang Lu's girl.

"Yingying, my partner is temporarily unable to come. How about lending your partner to me?" Liang Lu put forward this request with a smile.

"This..."

Hearing this, Wan Ying's face suddenly collapsed.

Wu's wife, Wu Cong, did not want to see her.

Naturally, she couldn't agree. She finally found Wu Tian as a dancing partner. If Liang Lu robbed her, she would be very embarrassed.

"Sorry, I don't want to be your partner." Seeing that Wan Ying is not good to refuse, Wu Tian is resolute in refusing.

"Handsome man, you have to think about it." Liang Lu pulled the collar, put out a enchanting posture, enchanting way: "on the face, on the body, I can not be worse than Yingying."

"Do you want to hear the truth or lie?"

"The truth, of course."

"You are not bad in figure and face, but I feel sick to see more." Wu Tian mercilessly hit the road.

"You..."

Hearing this, Liang Lu almost didn't get angry.

She didn't expect that the boy in front of her was so disrespectful that she took the initiative to invite her to dance. The boy not only refused in public, but also scolded her for being disgusted. How unreasonable.

After gnashing one's teeth for a long time, he replied angrily: "you are disgusting. Your whole family is disgusting."

"I don't want to talk to you, Yingying. Let's go dancing." Wu Tian is too lazy to pay attention to this woman and leads WANYING to the dance area.

As a result, Liang Lu's body was a horizontal, blocking the two people's way, "dance, do you know, like you this tasteless little hold three, don't go to disgrace."

Many students gathered around to watch the excitement.

Liang Lu didn't get angry, pointing to Wu Tian and mocking him in public: "this boy can't dance at all, and he still runs here to disgrace himself. Don't you think it's ridiculous?"

She spoke in a loud voice for fear that others would not hear her.

Originally, she was very fond of the handsome Wu Tian, but she became angry because the boy called her disgusting.

Now all I want to do is to humiliate Wu Tian and humiliate him in public.

The onlookers all teased Wu Tian one after another. Their words were very sharp, and they belittled the boy as worthless.

When we saw Wu Tian and the beautiful girl together, they couldn't help but feel jealous, so they made sarcasm one after another.

Besides, Wu Tian is really bad. He wears ordinary clothes and has no taste at first. This elegant social dance is definitely not good.

After a period of ridicule, Liang Lu yelled in her voice, "aren't you going to dance? Why don't you?"

"Get out of the way." Wu Tian pushes away Liang Lu and takes Wan Ying to the middle of the dance area.

All the other students stopped acting one after another. They all looked like watching a play, waiting for Wu Tian to make a fool of himself.

"Come on, everyone. The boy's name is Wu Tian." Liang Lu went over and pointed to Wu Tian in the middle of the dance floor and said derogatorily, "let's see how this boy is disgraced."

As soon as the words came out, all the students gathered around and waited for Wu Tian to make an embarrassment.

The music starts to ring slowly, and Wu Tian reaches out his hand to put it on WANYING's waist, and begins to dance with the elegant music.

The two danced in waltz with light steps and elegant posture. With the exciting melody, the rhythm also changed.

Two people cooperate very tacit understanding, just like decades old partner.

All the students were shocked by the dance. They didn't expect that they were so perfect.

The students also wanted to laugh at Wu Tian. At this time, they found that the boy was a king. This dance step was beyond everyone's reach.

No wonder this boy can win the favor of beautiful school flowers. It turns out that he is really capable.

We see Wu Tian's eyes have changed. There is a bit of envy and jealousy in the eyes, and more is admiration.

I'm afraid we can't find a second waltz player.

The most surprising thing was Liang Lu, who thought that Wu Tian's social dance would be very delicious. But she was surprised.

I didn't expect that the boy Waltz was so perfect that even she couldn't help exclaiming.

Originally, I wanted to see this boy make a fool of himself in public, but he turned out to be just the opposite. He was not only not disgraced, but also showed off.

"Pa pa pa pa..."

After the first dance, warm applause broke out.

The students were deeply attracted by the dance and yelled: "another dance..."

We didn't seem to have seen enough of it. They wanted to see them continue dancing.

At the strong request of the students, the two then danced a second dance, winning bursts of applause and cheers.

After the dance, they walk out of the dance floor.

Wan Ying wiped her sweat with a paper towel. She was surprised and said, "I didn't expect that you are so good at dancing."

Originally, I was worried that Wu Tian didn't know how to dance, but when she came to the stage, she found that the boy's dancing skills were better than her.

"In fact, I can't dance. If you ask me to accompany you to a fraternity party, I have to find someone to train and practice hard for two or three days." Wu Tian said with a smile.

"Three days after learning, is it so good?"

"It's average. It's not great."

"Very good already." Wan Ying opened a bottle of drink and handed it over, "thank you for being so diligent for me. Come on, drink some water."

"I was afraid that you would lose face at the party, so I asked someone to practice ballroom dancing."

Thank you

"Well, let's go and have a seat over there." Wu Tian finished saying this and took Wan Ying to the opposite side.

WANYING did not resist, let Wu Tian hold her arm, and her heart was sweeter than eating honey.

Two people this ambiguous behavior did not know how many students are envious of death.

Everyone is especially jealous of Wu Tian. I didn't expect to get the beautiful girl of the University of technology so easily.

When envious, we also have to admire Wu Tian. This boy is really capable. At least he can dance well.

If you can't dance well, you'll never find Wu Tian as a partner.

The social dance is still going on, and many boys can't help but come to WANYING for a dance, which is rejected by Wan Ying one by one.

She was with Wu Tian all the time.

CHAPTER 238:

After the party ended, Wu Tianxian sent Wan Ying back to her dormitory. She was too lazy to go home so late that she went back to the school dormitory directly.

As soon as they entered the dormitory, they were surrounded by Jiang Wan and sun Xiaohao.

"Little day, I heard you went out with a beautiful woman?" Jiang Wan approached his head and asked with a face full of gossip.

"Don't talk nonsense. It's nothing." Wu Tian pushed them away and lay down on the bed.

It's really tiring to practice social dancing these days. I'm more tired than usual practicing martial arts.

"Just now I heard that you and WANYING, a beautiful schoolgirl, went to the party, right?" Jiang Wanyi asked with a bad smile.

"You two, it's pretty well informed."

"Xiao Tian, you are a real crook. You got Wan Ying so quickly." Even sun Xiaohao couldn't help but envy.

"Don't talk nonsense." Wu Tian turned over and sat up from the bed and explained in a serious tone, "Wan Ying and I are just ordinary friends."

"How ordinary?"

"Rolling calf." Wu Tian raised his legs and kicked Jiang Wanyi's feet and said to them, "if you

don't sleep at night, you don't have so much nonsense."

"Don't sleep. I haven't been singing for a long time. Let's go to KTV and yell Jiang Wan said.

"I don't mind." Sun Xiaohao nodded with approval and asked Wu Tianxun, "Xiaotian, what do you say?"

"Well, I'll go out with you and yell. Let's go." Wu Tian was still tired, but when he saw that they were so interested, he had to sacrifice his life to accompany the gentleman.

The three came to the zero point KTV outside the school. As soon as they entered KTV, they saw Li Meng. At the moment, they were curling up in the corner drunk. Two boys were trying to plot against him.

"Xiao Tian, it's Li Meng." Jiang Wan saw a shrink in the corner of Li Meng, a face angry way: "she seems drunk, there are two gangsters are trying to take advantage of her."

"Yes."

Wu Tian's good mood suddenly fell a lot.

I don't know why, every time I see Li Meng, he feels very uncomfortable.

Although it has been a long time, he can not completely forget the past.

"Little day, shall we save her?" Jiang Wan and sun Xiaohao turned to look at Wu Tian and asked in a consultative tone.

"After all, she is our classmate, we can't watch her being bullied." Wu Tian bit his teeth and walked quickly over to the two thugs and yelled, "let her go."

The two gangsters looked back at Wu Tian and said impatiently, "get out of here. Don't meddle in here."

"I'm in charge of this business today." Wu Tian said these words, and hit the two thugs with his fist.

"Ah..."

After a burst of screams, the two gangsters were beaten to the head with blood and wounds.

Both of them didn't expect that the seemingly weak Mao boy in front of him was so fierce that he almost didn't kill them alive.

The two gangsters, who could not bear this torture, fell on their knees and begged for mercy: "brother, brother, we are wrong. Please hold up your hand and let us go..."

"Go away!"

Wu Tian kicked two thugs and yelled impatiently, "get out of here and don't let me see you again."

"Yes, yes, we'll get out of here." Several gangsters left this word and fled here.

Wu Tian takes a look at Li Meng curled up in the corner. Without saying a word, he turns around and prepares to leave.

"Wu Tian..."

Li Meng stood up from the ground, arranged his scattered hair and clothes, and said in a trembling voice, "don't Don't go, will you? "

At this time, her voice trembled slightly, which was a humble prayer.

"Don't come out and get drunk in the future. Go back early." Wu Tian said this and went on.

After a few steps, Li Meng suddenly rushed to Wu Tian with both hands and cried: "don't go. Will you accompany me?"

"I save you just to see a classmate, no other meaning." Wu Tian directly broke the two arms around him and went on.

"Wait!"

Li Meng ran forward, opened his arms in front of Wu Tian, "don't go, I have something to tell you."

"Say what you want." Wu Tian looked at Li Meng and twisted his head to the right.

"I..."

Li Menghua choked back to his mouth, staring at Wu Tian for a long time, and finally rushed to kiss Wu Tian's mouth.

In this way, Wu Tian is unprepared, unexpectedly by Li mengqiang kiss, was once deeply hurt by the woman.

And this scene was seen by Zhao Yang, who was hiding behind him. His face was black and his head was emitting green smoke.

I didn't expect that Li Meng, a bitch, got together with Wu Tian on his back. It's really shameless.

Is ready to rush to stop two people, but on second thought, she changed her mind, touched out her mobile phone and quickly recorded the picture of two people kissing.

The scene of two people kissing lasted for several seconds. Finally, Wu Tian pushed Li Meng away. At this time, Li Meng's eyes were disgusted. I never dreamed that Li Meng would come out like this.

Once could not catch up with the girls, did not expect to become so cheap, in public initiative kiss.

He wanted to scorn a few words, but he couldn't say it. He left a complicated look in his eyes

and walked away quickly.

"Wu..."

Li Meng still wants to stop Wu Tian, but he can't say it again.

I don't know where the courage came just now. She asked Wu Tian to kiss him in public. Even she felt a little humble.

She didn't know what was wrong with her. She once looked down on Wu Tian, but now she became so crazy for Wu Tian.

I just hope that the kiss just now can make Wu Tian remember her and give her a chance to come back again.

Of course, it was just her own wishful thinking.

Because of the kiss just now, Wu Tian despised Li Meng even more. He thought that the girl was frivolous and insidious, which made him even more disgusted.

Jiang Wan and sun Xiaohao were slightly stunned and ran after Wu Tian quickly. Only when they entered the private room did they make a fuss.

"Big news, big news." Jiang Wan was very excited and yelled at the top of his voice: "ex girlfriend Li Meng asked for a kiss from young master Wu in public."

"Fart." Wu Tian glared at Jiang Wanyi's eyes fiercely and threatened deliberately: "shout again

and rip off your pants."

"By the way, Mr. Wu Tian, how was that kiss? Isn't it great? " Jiang Wan's face full of curiosity put his head together and asked with a smile.

"Go away!"

Wu Tian raised his leg and put his foot on Jiang Wan's buttocks. He scolded: "rolling mud sister, do you believe I'll kick you to death?"

"Shit, you play really, ah, hiss Kick me to death. " Jiang Wan covered his buttocks and jumped again and again. He did not forget to sneer at him: "Wu Tian, are you responsible for kissing someone else?"

"Go away!"

Wu Tian kicked Jiang Wan's butt again and warned, "don't mention that kiss just now. Don't talk nonsense again. Be careful I'll fall out with you."

"Well, don't say it." Next to sun Xiaohao bumped into Jiang, in case, he quickly changed the topic: "let's sing. Come on, I'll take your song."

"Yes, sing." Jiang Wan also saw that Wu Tian was in a bad mood and did not continue to joke.

CHAPTER 239:

The three sang in KTV and didn't return to the school dormitory until very late.

Maybe it was just too tired to roar at the loud voice. Several people went to bed and fell asleep. Only three snores could be heard in the dormitory.

There was no word all night.

In the early morning of the next day, Wu Tian was waking up by sun Xiaohao and Jiang Wan.

"Little day, little day, no good, something happened." Sun Xiaohao shook Wu Tian's arm and yelled as if the sky had fallen.

Wu Tian opened his sleepy eyes and asked, "Xiao Hao, what's the matter? What's the matter? "

"Forum, school forum is fried." Sun Xiaohao finished saying this and quickly took out his mobile phone to open the forum.

Seeing the post on the forum, Wu Tian was suddenly sleepless.

Did not expect to appear on the forum again about his post, and the heroine even with Li Meng.

There is a post on the top of the Forum: in the bar last night, Wu Tian took advantage of Li Meng's drunkenness to do something worse than a pig or a dog.

This post is very popular, click more than 30000, reply also reached thousands.

See the title of the post, Wu Tian's head is hot, and quickly click on the screen to open the post and see a video.

This video is a video of Wu Tian being forced to kiss by Li Meng last night, but it has been distorted and said that Wu Tian was kissing her while Li Meng was drunk.

Most of the following replies are abusing Wu Tian, saying that Wu Tian is not as good as a beast. They even take advantage of Li Meng and call him a slag man.

"Shit!"

After reading the content of the post, Wu Tian was very angry and couldn't help drinking and asked, "this is the slander of red fruit. Who sent this post?"

"Xiao Tian, I saw Zhao Yang in KTV last night. I suspect the post is related to him." Jiang Wan couldn't help but remind him.

"It's the beast again. I'll find it." Wu Tian got out of bed and was ready to go out.

As a result, sun Xiaohao grabbed him and reminded him, "Xiao Tian, do you have to put on your pants first?"

"Shit, I'm confused by Zhao Yang." Wu Tian remembered that he didn't wear pants. He quickly put on his clothes and rushed to the classroom.

See Zhao Yang is in the classroom with a few girls say bad things about him, a body in front of Zhao Yang collar, "that video is not you sent to the forum?"

"Yes, I am." Zhao Yang's face was grim and his head was up.

"Damn it." Wu Tian severely kicked Zhao Yang in the abdomen and directly kicked him. He raised his horse and swore, "I have suffered you for a long time because of my bad reputation."

With this, he swung his fist and smashed it.

"Ah..."

Soon, there was a scream from the classroom.

The students were standing on one side watching, no one dared to stop.

Everyone was frightened by Wu Tian's ferocious methods. Unexpectedly, Wu Tian seemed gentle and cruel.

"Stop it!"

Just at this time, Muran broke into the classroom and stopped in a cold voice: "Wu Tian, stop it quickly."

"Mr. mu..."

Wu Tian saw Mr. Mu enter the classroom, so he quickly closed his fist.

Muran looked at Zhao Yang, who was full of scars, and rebuked Wu Tian with a straight face:
"how can you start beating people in the classroom?"

"It's the boy who slanders me. It's time to fight." Wu Tian gnaws his teeth, but he still can't get rid of his anger.

Otherwise, Mr. Mu suddenly broke in, and he would beat the boy, and his mother didn't know him.

"Anyway, it's wrong for you to fight." Muran finished saying this, stretched out his hand to help Zhao Yang up from the ground, "you go to the health room to apply medicine, the cost of medicine is calculated by the teacher."

"Mr. mu, you must teach Wu Tian a lesson. This boy is really lawless..." Zhao Yang a snot a tear's cry way.

"Don't worry. I'll take care of it. Go to the health room."

"OK, I'm going to the bathroom." Zhao Yang glared at Wu Tian and left the classroom in a hurry.

"Hoo!"

Muran secretly breathed a breath, fortunately did not break, turned to the students warning: "today this is a misunderstanding, we do not say out."

"Yes All the students answered.

In the heart is secretly surprised, did not expect teacher Mu so to defend Wu Tian, unexpectedly want to put this matter down.

Mr. Mu's idea is very simple. He certainly doesn't want to let the school know about the fight, so as to avoid punishment.

"You

Soothing good students, Muran turned his head and set his eyes on Wu Tian and ordered: "go, follow me to the office."

With these words, he walked out of the classroom with long legs, full of anger.

"Shit!"

Wu tiandark scolds, can only bitter face to follow in the past.

Under the guidance of teacher mu, they came to the office.

"Crack!"

Entered the office, Muran will lock the door, holding the shelf, full of anger to drink asked: "say, what is going on?" "Zhao Yang posted videos of me and Li Meng in the forum, slandering me..."

"Shut up." Words did not finish, was Mu ran deep voice interrupted: "because of the forum that video, you fight Zhao Yang."

"It was Zhao Yang who slandered me and ruined my reputation." Wu Tian argues in a hurry that he does not want Mr. Mu to generalize.

"OK, let's talk about the video in the forum first." Mu ran took out his mobile phone, opened the video in the forum and handed it to him, "explain to me, what's going on with this video?"

When asked, Muran's whole body was covered with anger, more irritable than ever.

"I sang in KTV last night and saw Li Meng drunk..."

Wu Tian didn't finish his words, but he was interrupted by Muran's roar: "shameless, you should take advantage of Li Meng's drunkenness to do such a thing as a pig or a dog. I'm really disappointed."

"Don't be angry, Mr. mu. Listen to my explanation first."

"What else do you want to explain?"

"In fact, Li Meng was drunk last night and was insulted by a gangster. I happened to meet him and help him..." Wu Tian explained in detail what happened last night.

After hearing these explanations, Muran's face returned to normal: "did you say that Li Meng was drunk and forced to kiss you last night?"

"Yes, Jiang Wan and sun Xiaohao were there at that time. If you don't believe it, you can ask them."

"Then I believe you." After knowing what happened, Muran's anger gradually dissipated and asked, "how could Li Meng treat you like this?"

"I don't know." Wu Tian's heart was a little subdued.

She was forced to kiss for no reason last night. To be honest, he didn't know the situation at that time.

"It may be that Li Meng was drunk and unintentionally lost." Muran is too lazy to tangle this matter again, tone a turn: "by the way, let's talk about your fight."

"It was Zhao Yangfa's video that slandered me, and I began to teach him a lesson."

"Even if he slanders you, he can't do it to him in school."

"What Mr. Mu means is that I will teach him a lesson after I leave school?" Wu Tian asked with a smile.

"Don't laugh at me." Muran didn't like to roll a white eye, warning: "I mean don't fight in the future, fist can't solve the problem."

CHAPTER 240:

"Thank you, Mr. mu. I know I'm wrong." Wu Tian was too lazy to continue to argue, so he quickly confessed to Mr. mu.

"I wish I knew I was wrong." Seeing Wu Tian admit his mistake, Muran's anger in his heart gradually dissipated, smiling and caring: "how was your homework before?"

"It's all learned."

"Well, don't be absent again."

"Yes."

"It's all right. Go back to the classroom first." Muran pulled his hair around the corner of his ear and said with a smile.

To tell you the truth, she was very angry when she first saw the video in the forum. She didn't expect Wu Tian to enter after Li Meng was drunk.

At that time, I was very disappointed and angry.

However, after knowing the truth, I feel a kind of light suddenly in my heart.

"Mr. mu, I have something to say to you." Wu Tian grabs his head with a timid look.

"Say what you say." Muran put down his work and looked at Wu Tian curiously.

"Mr. mu."

Wu Tian put his head together and whispered in Muran's ear: "you look beautiful when you laugh."

With these words, he ran out of the office.

"....."

Muran as rigid as sitting in place, cheeks gradually red up, the heart also inexplicably accelerated the jump.

I don't know why, this time she was teased by the students. She didn't get angry, but she felt a bit sweet.

If she had been molested by her students before, she would have criticized her teacher for half an hour.

I don't know why I'm so tolerant to Wu Tian. I always feel that I'm not strong recently, but I don't know where I'm not.

"Hoo!"

Wu Tian ran out of the office for a long time before slowing down. He took a long breath.

I don't know why. Recently, I have become more and more bold and presumptuous in front of Mr. mu. In the past, I dare not say such provocative words to Mr. mu.

Dare to tease the beautiful teacher, he feels that he is more and more inflated recently.

Leaving the office, Wu Tian is not in a hurry to go home. Instead, he is guarding the north gate of the school, intending to wait for nothing.

Yes, he didn't intend to let Zhao Yang go easily. This time, when Zhao Yang came out of school, he would teach the boy a lesson.

Idle bored, touch out a cigarette to light, began to kill time.

Maybe it's because of the pressure and smoking more and more recently.

Although he knew it was not good for his health, he still couldn't help but want to smoke. Now he has become addicted to smoking.

Just after smoking a cigarette, I saw Zhao Yang come out from the school gate, and now he is blue and blue eyed.

"It's been a long time waiting for you." Wu Tian flicks the cigarette butt in his hand and blocks Zhao Yang in front of him.

"You What do you want? " Zhao Yang's body shrinks, scared to retreat several steps.

Wu Tian's mouth rose, a strange smile: "you guess."

"You If you dare to hit me again, I will tell Mr. mu. "

"Childish." Wu Tian finished saying this, and went straight to catch Zhao Yang. It was another violent beating.

After finishing, he still didn't get angry, and then he took out his mobile phone and called Qinglong.

In less than half an hour, Qinglong rushed over and said, "brother Tian, what can I do for you?"

"How's your wound?" Wu Tian did not rush to answer, but opened his mouth to care.

"Long time ago." Qinglong pats his chest with a tough man's temperament.

When rescuing my sister in a chemical factory, I had a fight with a group of gangsters and suffered a lot of injuries at that time.

But those are skin injuries, recuperation for a period of time has been cured.

"Zhao Yang, give it to you, abuse it well, until the posts on the tire that slander me disappear."
Wu Tianfen said, and then went to the school.

"Yes

With a big hand, Qinglong grabs Zhao Yang like a chicken and takes him to a very remote place to start the tyrannical mode.

Wu Tian returned to the dormitory and saw only sun Xiaohao in the dormitory. He couldn't help asking, "where is Jiang Wan, Xiaohao?"

"Oh, that boy went to Xiangmi Lake supervisor and said that the task you gave him was very arduous, and no mistakes could be made." Sun Xiaohao put down his mobile phone and explained.

"Not bad!" Wu Tian nodded with satisfaction and said, "Jiang Wan, this boy is quite responsible."

"Yes, he has a good mouth. He has a lot of initiative in doing business."

"Xiao Hao, I want to leave something to you." Wu Tian went over and sat down opposite sun Xiaohao. He said in a serious tone, "I've invested in a hotel. I want to give you to take care of it."

"This That's not going to work. "

Sun Xiaohao rubbed up from his chair and quickly waved his hand and refused: "it's OK for you to let me manage a night market stall, but it's not good for me to take care of the hotel."

"In fact, there is no difference between a hotel and a stall. You just need to make a good overall plan to collect money." "But I haven't done it before..."

"I didn't do school, I didn't do catering, I didn't play games, now I don't do the same thing."

"But What if I have to pay? "

"It doesn't matter. I can afford it." Wu Tian shrugged his shoulders and comforted him, "if you do business, you'll have to start all over again."

"But..."

"All right." Wu Tian didn't give sun Xiaohao the chance to resist. He immediately made a decision: "from now on, you will manage the hotel affairs instead of me."

"Little day, how do I feel like you're on the shelf?"

"In fact, ability is not important. I just like the character of you and Jiang Wan. As long as you are willing to learn, I will help you to become excellent business elites."

"Since it's all said, I have nothing to say. Thank you for your trust in me." Sun Xiaohao chuckled, but his eyebrows were very tight.

It's too much pressure on him to manage a big hotel.

In the past, I seldom went to a big hotel for dinner. Now how can he manage it?

However, seeing Wu Tian's tough attitude, he can't refuse, so he has to be brave enough to promise.

"I'm sure you can do it." Wu Tian patted sun Xiaohao on the shoulder and comforted him: "I will help you if you encounter difficulties."

"I'll try my best to live up to what you expect of me." Sun Xiaohao made a bold statement.

In fact, his heart is still quite empty, let him such a small fart who has not seen the world to become a hotel executive, the difficulty of which can be imagined.

But what Wu Tian said is also reasonable. Everything should be studied and tried. If you don't have the courage to try, what kind of ideal and future will you talk about.

"That's settled. I'll take you to sign the contract and get to know the hotel owner and senior management by the way." After Wu Tian finished saying this, he took sun Xiaohao out of the school and took a bus to the sunshine hotel.

Yang Guang, the owner of the hotel, and Lu Kang, the manager, are all there.

After meeting, several people made a brief introduction, and then began to talk about the details of the hotel investment.

After several rounds of negotiations, Wu Tian finally acquired 46% of the hotel's shares,

becoming the largest shareholder of the hotel.

At the same time, the hotel will be renamed as Tianhao hotel to enhance the quality of the hotel.
