

CHAPTER 301 - 310

After parting with zongliu, Wu Tian returned to school and went to a martial arts club.

I haven't been to the martial arts club for a long time. I don't know how the Wushu Club is doing recently.

When he came to the martial arts club, he found that all the members were training hard and no one was lazy.

Wu Tian was very pleased to see this scene. Now the atmosphere of the martial arts club is very good. It seems that the previous investment and efforts have not been wasted.

Around a circle, soon found Gu Xiaoman in the office, the girl is busy sorting out the martial arts club manuscripts.

"President Wu, you've come." Gu Xiaoman put down his manuscripts and murmured, "I haven't come for a long time. I thought you forgot us!"

"Sorry, it's too busy." After Wu Tian apologized, he couldn't help asking, "how's the Martial Arts Club doing?"

"Fortunately, the wind is clear, everyone is preparing for the league

"That's good."

By the way, President Wu, how are you doing

"I'm fine."

"Oh Gu Xiaoman nodded, put his head close to him and asked in a low voice: "I saw you with a beautiful girl before. Is she your girlfriend?"

"No Wu Tian shook his head: "so far, I have no girlfriend."

"That's good."

"What's good about that?"

"Er, that..." Gu Xiaoman found that he had said something wrong and quickly changed his words: "I mean, President Wu is such an excellent boy, and generally girls can't match you."

"I think so." Wu Tian nodded his approval and then turned his tone: "I think only girls like Xiaoman are suitable for me."

With these words, he walked slowly towards Gu Xiaoman.

"That..."

Gu Xiaoman suddenly flashed two big beautiful eyes, and recoiled with strength, "president Wu, you What do you want? "

"Guess what Wu Tian continues to approach with a vague smile on his face.

"Gudong!"

At this moment, Gu man's heart is about to jump out of his mouth.

Only when she retreated to the corner of the wall did she reach out and cover her collar Not so good? "

"Nothing bad." Wu Tian put his hands on the wall and his head slowly approached the girl.

"I..." Gu Xiaoman only felt a blank brain at this time.

Seeing president Wu slowly, after all, she closed her eyes like ghosts and spirits, and her heart was vaguely looking forward to it.

"Xiaoman, what are you doing with your eyes closed?" Seeing Gu Xiaoman's appearance, Wu Tian is somewhat embarrassed.

"Ah, I..."

Gu Xiaoman opened his eyes awkwardly, and now he seems helpless.

He thought Wu Tian was going to do something shameful to her. Now he found out that Wu Tian was deliberately teasing her.

"Waiting for me to kiss you?" Wu Tian pinched her face and asked in a playful tone.

"Just It's not." Gu Xiaoman pushes Wu Tian away and turns to his side as if he is running away. Now he is blushing and embarrassed.

"It's beautiful."

"You I hate it."

"Well, I'm just kidding you. Don't get angry." Wu Tian also felt that he was a little too much, and invited the baby: "in order to express my apology, I'll treat you to dinner."

"Well, who wants to eat with you?" Gu Xiaoman covered his face and twisted his head to the right side.

"Forget it. I'll go." Wu Tian said this and turned to leave here.

"Hello

As soon as he got to the door, he was stopped by Gu Xiaoman and said angrily, "are you going like this?"

"And how shall I go?"

"You..."

"Sister, I'll treat you to dinner. Do you want to eat or not?"

"Eat." Gu Xiaoman shyly spits out such a word.

"Well, let's go." Wu Tian chuckles and pulls Gu Xiaoman out of the martial arts club.

They left the martial arts club and then took a taxi to Tianhao hotel.

Wu Tian is going to take Xiaoman here for a big meal, and take a look at the recent operation of Tianhao hotel.

Standing at the door of the hotel, Gu Xiaoman couldn't help frowning, "shall we two come here for dinner?"

"Yes."

"I heard that you need to book in advance for dinner here."

"Follow me, I don't need a reservation."

"You?"

"Yes."

"Do you know the owner of the hotel?" Gu Xiaoman naturally does not know that this man is the biggest boss of Tianhao hotel.

"Not only do I know you, I'm..." Wu Tian wanted to tell the truth, but he was interrupted by a shout behind him.

"Xiaoman..."

When they heard the cry, they turned back at the same time.

I saw a young man with earrings coming towards this side, and a little girl in hot pants was also beside him."Chen Hao?"

Seeing the young man coming, Gu Xiaoman's brow was slightly tight, and there was an indescribable disgust in his eyes.

The boy in front of her used to pursue her crazily. Later, after she declined, he attacked him with various words. His behavior is really shameless.

"Xiaoman, let me introduce you. This is my girlfriend Jiaojiao." Chen Hao pushed the girl beside him and said with a smile, "how about it, not worse than you?"

When he said this, the girl named Jiaojiao was looking up at her head, looking complacent.

"Congratulations." Gu Xiaoman curled his mouth and vomited out three words.

"Oh, is this your boyfriend?" Chen Hao turned his head and set his eyes on Wu Tian. He said coldly and sarcastically, "the clothes are shabby and have no taste."

"He..." Gu Xiaoman was about to explain. Before he finished speaking, he was interrupted by Chen Hao: "Xiaoman, your taste is really heavy. How can you like this kind of boy?"

"It's none of your business." Gu Xiaoman dropped these four words and took Wu Tian's arm to turn around and prepare to leave.

"Wait!"

Chen Hao's body a horizontal, block in front of the two people, continued to sneer: "Xiaoman, I don't mean you, your vision is too bad, even if you look for you, you should also find a better man, how to find such scum."

Speaking of this, he stretched out his hand and poked Wu Tian's body. He despised him and said, "look, you are so sour and stinky that he is about to fall off."

"Well, it stinks." Jiaojiao beside deliberately fan her nose with her hand, and grinned her disliked smile.

"You..."

Gu Xiaoman's face turned green when he heard these acrimonious jeers.

"Don't be angry, man." Wu Tian held Gu Xiaoman's arm and comforted him. He said with a smile, "it's not necessary to get angry with two respectable guys."

"By the way, do you two come to Tianhao hotel to beg for food?" Chen Hao's sarcastic way.

"Chen Hao, please be polite." Gu Xiaoman bullies up and down the chest.

How can you meet such a bad man? It's disgusting.

"Don't be angry, Xiao man. I'll treat you to dinner." Chen Hao made a gesture of invitation and said sarcastically with a smile: "by the way, take your boyfriend to this five-star hotel to see the world and open your eyes."

"I..."

Gu Xiaoman was trying to refuse, but was interrupted by Wu Tian: "since Chen Shaosheng is invited, we are not polite."

He wanted to take this opportunity to slap Chen Hao in the face and to vent his malice for Gu Xiaoman.

"You know you won't refuse such a good chance." Chen Hao gave Wu Tian a look of disgust and pointed to the Tianhao Hotel: "boy, this is the most expensive five-star hotel in Luzhou. Any

meal costs tens of thousands."

"Is it?" Wu Tian laughed and said nothing.

Tianhao hotel used to be the cheapest five-star hotel. Under his careful planning, it has developed into the most expensive five-star hotel in Luzhou.

Although the price of the dishes is high, there are a lot of customers here. Many of them come for these dishes.

"I'm afraid you'll never be able to afford the food here in your life." Chen Hao scornfully glanced at Wu Tian.

"Ha ha!" Wu Tian laughed and said nothing.

"Silly boy, go, I'll take you in and see the world." After saying this, Chen Hao hugged his delicate body and walked towards the hotel hall with all the abuses.

Wu Tian is about to follow in, but Gu Xiaoman holds his arm and whispers, "Hey, let's not go."

"It's a treat. It's free. Let's go." Wu Tian couldn't help but say that he took Gu Xiaoman's arm and walked into the restaurant.

Gu Xiaoman bit his mouth and finally swallowed what he wanted to say. He followed Wu Tian into the hotel.

She didn't know why Wu Tian had to go with him for a meal, but he certainly had his reason.

Led by Chen Hao, the party entered the hotel lobby.

When the waiter saw that it was boss Wu, he quickly bowed to say hello and showed great respect.

Chen Hao thought that these waiters were such a high-level reception for him, and showed off with his chest: "this is the identity of a rich man. No matter where he goes, he is superior to others."

Complacent show off a sentence, and then to the front desk command: "give me a luxury private room."

"I'm sorry, there's no luxury room." The front desk girl bent over 90 degrees and quickly expressed her apology with a smile.

Since these people came with boss Wu, she did not dare to offend her, so she had to deal with them carefully.

Originally, there were only a few luxury rooms in Tianhao Hotel, which were limited to open every day, so advance booking was required.

Generally speaking, luxury rooms are just for the sake of installation. After all, the consumption in them is 100000. For ordinary consumers, they don't want to spend this unjustified money.

"What kind of hotel do you have? Why don't you have luxury rooms?" Chen Hao's voice was full of anger.

The Jiao Jiao of the side also follows the way: "be, with our Chen Zong's identity, ordinary private room can't Ge Er."

"I'm sorry, sir. There's really no luxury room." The front desk bowed down to apologize for fear that boss Wu would lose his temper.

Seeing the humility of the front desk girl, Chen Hao was even more arrogant. He slapped her hard on the marble table. "I want a deluxe room today. If there is no one, I'll get your hotel owner."

"This..."

The beauty at the front desk looked up at Wu Tian and lowered her head again. For a while, she didn't know how to deal with it.

"Why are you in a daze? Go and find your hotel owner." Chen Hao yelled in his voice.

Jiao Jiao embraces her chest in both hands and then shouts: "yes, go and find your hotel owner."

Two people eat is secondary, mainly or run to pretend to force.

"I'll ask the lobby manager to meet you." The front desk looked at Wu Tian and said cautiously.

Now she even suspected that boss Wu deliberately asked someone to come to the hotel to explore and investigate, and deliberately came to the hotel to pay a private visit.

"The lobby manager is not qualified at all. I want to see your boss, the hotel boss." Chen Hao put his hands in his pockets, and he looked like he was cheating.

The customer is God. Anyway, he is here to spend. He has the right to pretend to be forced here.

"Are you sure you want to see our boss?" The front desk girl bit her mouth. I'm a bit confused now.

Boss Wu is standing in the back. Why is the guest still clamoring to see the boss?

Don't they know boss Wu at all?

"Yes, I want to see your boss." Chen Hao yelled impatiently in his voice.

Perhaps because the front desk girl's performance is too humble, just let Chen Hao more and more arrogant, arrogant.

"All right."

After the front desk girl answered, she pointed to Wu Tian and said, "you want to see our boss.

Mr. Wu tianwu is our boss."

"Cough..."

On hearing this, Chen Hao and Liu jiaomeng coughed a few times, almost choked to death by their own saliva.

After coughing for a long time, Chen Haocai couldn't help questioning: "do you say that the boy in front of you is your boss?"

"Yes, he is the biggest owner of our Tianhao hotel." The front desk girl repeated in a solemn tone."God My God

Chen Haojing was stunned, and his eyes almost didn't fall out.

I never dreamed that this silly boy with shabby clothes and no taste would be the big boss of Tianhao group.

This

This NIMA is amazing.

Chen Hao looks at Wu Tian like a monster. His eyes are full of surprise and wonder.

If it wasn't for the beauty at the front desk, I couldn't believe that such a young fool would be the boss of Tianhao hotel.

I never dreamed that this seemingly poor boy had such a big five-star hotel.

This strength and status is far superior to him, thanks to his ridicule that this boy is a poor man, and he brought this boy to Tianhao hotel to see the world.

At this moment, I just feel that my face is like a few slaps, and the hot tingling is very unpleasant. I wish I could find a place to sew in.

Liu Jiao is also stunned. She can't believe that the silly boy named Wu Tian is the boss of this hotel.

In terms of dress, speech and manner, Wu Tian is a poor man, but what she can't imagine is that such a silly boy who looks very poor is actually a big boss of Tianhao who is full of abuses.

I thought the boy was a poor man, but I didn't expect that he was a super rich man.

On the financial resources of Tianhao Hotel, it is dozens of times stronger than Chen Hao.

Gu Xiaoman is also shocked. She didn't expect Wu Tian to be the boss of this hotel.

To tell you the truth, Tianhao hotel has long been rapturous. I heard that this hotel is one of the most famous five-star hotels in Luzhou due to its unique dishes and high price.

I also thought that after earning money, I must bring my parents to changtianhao hotel's special dishes.

But I never thought that Wu Tian was the boss behind the scenes of such a corrupt hotel.

Even she couldn't help admiring Wu Tian secretly. She was so young that she turned such an upscale five-star hotel into a net red hotel.

After a short period of stupidity, Chen Hao came back to his mind and changed his attitude. He took the initiative to extend his right hand to Wu Tian. "Boss Wu, I didn't know Taishan before. I'm sorry for all the offense."

In the past, he looked down on Wu Tian, despised him and ridiculed him. Now when he heard that Wu Tian was the boss of Tianhao Hotel, he immediately changed his attitude and became more enthusiastic than Sun Tzu.

In his capacity, he couldn't afford to offend the owner of Tianhao hotel. He could only lick his face and curry favor.

"Is it?" Wu Tian gave a cold smile and showed indifference.

"I didn't expect that boss Wu is so young and promising. He is really a model for me." Chen Hao flattered Gu Xiaoman, and then said to Gu Xiaoman, "Xiaoman, you really have a good eye. It's really convincing to find such an excellent boyfriend as boss Wu."

"....."

Gu Xiaoman didn't speak, but he was secretly relieved in his heart.

Chen Hao used to ridicule him every time. It was the first time to see him so humble. I felt very happy in my heart.

"Yes, yes." Even Liu Jiao also changed her attitude before, holding Gu Xiaoman's arm around her. "Sister Xiaoman is really convinced. It's really enviable to find such a good boyfriend as boss Wu."

"Ha ha!" Gu Xiaoman sneered twice, still did not speak.

For a while, the atmosphere was a little awkward, and it was once in a cold state.

Finally, Chen Hao broke the embarrassment: "boss Wu, Xiaoman, I'll treat you today. I hope you'll appreciate it."

"Since boss Chen is so kind, I'm not polite." Wu Tian didn't refuse. There was no reason to refuse such a good opportunity to generate revenue for the hotel.

"Let's open a private room." Chen Hao asked the front desk, "did you have a good attitude towards Baoxiao?"

"This..."

The front desk girl suddenly caught Wu TianChao. She winked at her and immediately

understood her. She said with a smile to Chen Hao, "we don't have a luxury room now, but there is a top-level luxury bag left."

"Top luxury bag?" Hearing the name of the private room, Chen Hao knew that the price of the private room was very high.

In Tianhao Hotel, different levels of private rooms can symbolize different identities, but the higher the level of private rooms, the higher the price is.

The ordinary people will be able to spend all their money at one time.

For Chen Hao, of course, he didn't want to spend so much money. He wanted to have an ordinary private room with the front desk girl.

Without saying anything, I heard a line from the front desk girl: "Sir, the top luxury bag matches your identity. I don't think the hall is suitable for your identity."

The beauty at the front desk was deliberately said by boss Wu.

"This..." Chen Haoyi was a bit of a tiger.

Listening to the tone of the front desk girl, there are only two choices: the top-level luxury bag and the hall.

The choice of luxury bag can definitely show the identity, but this price is really distressing. Choosing the hall is obviously despised by the front desk girls.

Just when he was in a dilemma, Liu Jiao said, "boss Chen, I don't want to sit in the hall and be conspicuous. Let's choose the most luxurious bag."

"Well, then The most luxurious bag. " So far, Chen Hao can only choose the top luxury bag.

It's just a private room. No matter how expensive it can be, it will cost more than ten thousand yuan.

In this situation, he can not lose face for 100000 yuan.

"Yes, sir. I'll arrange it for you." After the beauty of the front desk answered, she told the waiter to lead the way.

Under the guidance of the waiters, several people came to the three eight private rooms on the eighth floor, which were the top luxury bags of Tianhao hotel.

This is a suite with toilets, toilets, living rooms, dining rooms, all kinds of imported fruits and drinks, which is equivalent to a small supermarket.

It is worthy of being a top class private room. It is really of high grade.

To tell you the truth, Wu Tian, as a hotel owner, has never come here to spend money before.

When you come here to spend money, the waiter has to clean it for at least a week. You can see how exquisite the private room is.

Everyone was shocked by the luxury inside, but they all pretended to have seen the world.

Several people in the suite visited a circle, Chen Hao said with a smile: "boss Wu, Xiaoman, please sit down."

"Boss Chen, the consumption here is not low. Do you have enough money?" After Wu Tian sat down, he could not help but remind him.

"Don't worry. It's not bad money." Chen Hao put the wallet on the table, then handed the menu to him, "boss Wu, order."

"I'm not picky. I'll eat anything. Let the lady order it."

"Well, little man, you can order it." Chen Haoxian graciously pushed the menu to Gu Xiaoman.

Gu Xiaoman opened the menu and looked at it. Suddenly, he was stupid.

I found that the dishes were very expensive, and the cheapest ones were hundreds.

Staring at the menu, he couldn't help but stare at Wu Tian. He scolded in his heart: is this guy running a hotel? What's the difference between robbery and this guy? I can't understand why Wu Tian set the price of vegetables so high?

What's more, why is the business so hot and so many people come to consume such a high price dish?

I've never eaten such an expensive dish. I don't know how to order when I stare at the menu.

"Xiao man, whatever you want to eat, please don't mention it to me."

"You can order it." Gu Xiaoman put away the menu and put it on the table, so expensive dishes are not good for her.

"Forget it. I'll take it." Chen Hao took over the menu and said to the waiter, "serve all your specialties."

Anyway, there is a minimum consumption in the private room, and the extra money is spent. I don't care about the cost of the dishes.

"All right, just a moment." The waiter took the menu, nodded to several people and walked out with a smile.

After the waiter left, several people began to chat.

The main reason is that Chen Hao and Liu Jiao constantly flatter and get close to each other, while Wu Tian is always cold and awkward.

Not long after that, the waiters served the dishes one after another. Looking at the delicious dishes placed on the table, they all felt their appetite increased greatly.

"You can't help but eat the food in the restaurant for a few nights, and the boss can't help but praise the food."

"It's delicious. It's the best food I've ever had." Liu Jiao one face exaggerates exclaimed.

If we used to flatter, now they appreciate these specialties from the bottom of their hearts.

It's really delicious. Even Gu Xiaoman can't help but stretch out his thumb: "delicious, so delicious. Each dish has its own taste. It's delicious when you eat it. It's like food dancing on the tip of your tongue, so that the taste buds are fully stimulated."

"Eat more if you like." Wu Tian put a chopstick into Xiao man's plate and said with a smile.

"Now I understand why your food is so expensive." Gu Xiaoman licked his mouth and said happily, "these dishes are really worth the price."

"Expensive is its value and quality." Wu Tian spat out a meaningful sentence.

Gu Xiaoman put his head together and couldn't help but wonder: "Why are the dishes in your hotel so delicious?"

"Because all the ingredients in our shop come from the best places of origin, fresh and nutritious. Our chefs combine these ingredients with some special crafts to show the most beautiful taste..."

"Great."

"If you like Tianhao's food, you can come and eat it every day."

Even if they are bankrupt, they will be so expensive every day Gu Xiaoman smiles bitterly and shakes his head.

Although the food here is delicious, it is absolutely a luxury for her. Even the rich can't afford it, let alone the poor like her.

"If you come here, you don't have to pay. It's my business. I support you." Wu Tian said solemnly.

"....."

Gu Xiaoman blushed and hung his head unconsciously.

This should be the sweetest love words in the world. Any woman who hears this will be moved to shed tears.

Even Liu Jiao couldn't help but envy Gu Xiaoman for finding such a rich and generous man as Wu Tian.

She bit her teeth, turned to Chen Hao and asked, "brother Hao, will you bring me here for dinner every day?"

"Cough!"

Chen haomeng coughed a few times and said in a low voice: "even if the boss is no longer big enough, he doesn't dare to spend money here every day."

"You..."

On hearing this, Liu Jiao was particularly disappointed.

It's also a man. Compared with Wu Tian, why is the gap so big?

Oh, if only she could become Wu Tian's woman.

Suddenly, a bold idea emerged in her heart. In terms of her figure and face, she is no worse than Gu Xiaoman. Does she have a chance to grab Wu Tian?

If they succeed, they will be the women of the big boss. Why should they suffer with such a small role as Chen Hao.

Chen Hao saw that Liu Jiao was in a bad mood. He began to please him and said, "Jiaojiao, do you want to drink some red wine?"

"Whatever." Liu Jiao spits out two words absentmindedly.

At the moment, his mind is not on Chen Hao. He is thinking about how to approach Wu Tian and how to fascinate this man.

"Waiter, open a bottle of red wine for us." Chen Hao snapped his fingers and told the waiter.

What kind of red wine would you like, sir

"Don't be too low."

"OK." After the waiter answered, he opened a bottle of red wine and poured it to several people.

Chen Hao raised his glass and said to Liu Jiao with a smile: "Jiaojiao, this glass of wine represents my heart. Cheers."

"Wait a minute." Liu Jiao did not drink to Chen Hao, but picked up the glass and went to Wu Tian. "Boss Wu, my name is Liu Jiao. I'm glad to meet you. I'd like to toast you."

Thank you

Wu Tianju cup touched Liu Jiao and sipped the red wine symbolically.

"Boss Wu..."

After drinking the wine, Liu Jiao simply sat down beside Wu Tian and asked, "if you can afford to open such a big hotel, you must have strong strength. I don't know what industry boss Wu has?"

"Nothing, just a few restaurants, a live broadcast platform, two real estate companies and a technology company." Wu Tianyi is understatement.

"My God Liu Jiao's eyes almost didn't fall out.

Originally, it was just a casual question, but she never expected that there were so many industries under Wu Tian banner.

For a long time, this hotel is just a small asset in the hands of Wu boss.

Science and technology companies, real estate companies, live broadcasting platforms, restaurants, all of which add up to more than a billion assets, right?

Knowing that Wu Tian's strength is so strong, Liu Jiao only feels her heart pounding, and the whole person becomes excited.

A big boss who has never met with such malpractices, if he can get boss Wu, he will be prosperous in the future.

Thinking of this, she raised her glass again, and said with a smile, "I really didn't expect that boss Wu is so deep and powerful."

"Yes, yes." Chen Hao also raised his glass and exclaimed, "boss Wu's strength really opened my eyes."

Originally he thought Wu Tian had only one hotel, but he was surprised.

I never dreamed that the young Mao boy in front of him still has so many assets, which is really

shocking.

If he can climb up to Wu Tian, such a corrupt man, he will never worry about finding business in the future.

"Come on, do it together." Wu Tian gave a cold smile, raised his glass and drank the red wine.

Several people continued to chat and drink, and a bottle of red wine soon bottomed out.

Chen Hao saw that his food was almost finished. He reached out to the waiter and snapped his finger: "how much is it? Pay the bill."

"Hello, sir. 600000 copies." The waiter handed in the bill with a polite smile.

"1.6 million?" Chen haomu gaped. I've known that the price of food here is very expensive, but it can't be so exorbitant. According to his budget, it's about 150000 at most.

Not only Chen Hao felt surprised, but Liu Jiao and Gu Xiaoman also felt surprised. Unexpectedly, they ate more than 1 million yuan this meal.

After micro Leng, Chen Hao asked in an urgent voice: "is it wrong? How could that be so much?"

"

"Here is the menu, sir. Have a look at it." The waiter smiles and hands over the menu.

Chen Hao took over the menu and looked at it. Finally, he put his eyes on the red wine. He asked, "how can a bottle of red wine cost 1.52 million?"

"It's a Bordeaux Vintage collection. It's limited to 100 bottles worldwide, so it's more expensive." The waiter was smiling all the time.

"Who asked you to bring me this expensive wine?"

"I asked you what kind of red wine you would like, sir. You said it yourself. The grade should not be too low. This bottle of red wine is only mid grade in our shop."

"This..." After hearing this, Chen Hao was speechless.

I didn't expect that more than 1 million red wine was only a mid-range wine in Tianhao hotel. This NIMA is too pit.

The waiter pointed to the menu and asked with a smile, "Sir, would you like to pay in cash or by credit card?"

"I..."

Chen Hao wants to cry without tears, more than a million, this is the company's profit for the majority of half a year, so wasted on the wine table?

At this time, he was roaring in his heart and regretted it. He ran over and pretended to be forced. This is more than one million yuan.

"Boss Chen, you don't have money to pay the bill, do you?" Wu Tian shook his glass and asked with a smile.

"I Money. " Chen Hao was unwilling to bite his teeth, and finally had to take out two bank cards from his wallet and hand them over, "the card has more than one million, and the password is the last six digits of the card number."

"OK." The waiter took the bank card and quickly swiped away 1.6 million yuan from the POS machine. Then he handed the card and the consumption receipt to Chen Hao, "Sir, the card was successful. Thank you for your support to our store. Welcome to our store next time."

"Gudong..."

Chen Hao took the card and the ticket and swallowed his mouth.

Looking at the amount of money on the small ticket, I feel the throes of flesh ache and my heart is dripping blood.

Never thought, a meal will eat his company's profits for half a year.

"Boss Chen is so generous." Wu Tian held up half a glass of red wine in his hand and said with a smile, "thank you, boss Chen. I'd like to toast you."

"Good."

Chen Hao picked up the glass only to find that the glass of red wine has been drunk, he had to embarrassingly put down the glass, "sorry, I have finished drinking."

"Shall we open another bottle of red wine?" Wu Tian has a meaningful smile on his mouth.

"No need." Chen Hao quickly waved his hand and refused: "no, I can't drink any more."

A bottle of red wine is more than 1 million yuan. He can't afford such a luxurious red wine.

"Since boss Chen doesn't drink, I won't be forced to." Wu Tian chuckled and poured half a cup of red wine into his mouth.

"Boss Wu and Xiao man, I suddenly think that I have something urgent to do. I have to go first." Chen Hao finished saying this, he got up and pulled Liu Jiao ready to leave.

I can see that Wu Tian is deliberately causing him to bleed a lot. Now he just wants to leave as soon as possible, so as not to be trapped by this boy later.

The one million yuan just now is all his card savings. Now there is no extra money to take out.

"You go first. I have something else to do." Liu Jiao impatiently retracts the arm, does not want to leave with Chen Hao.

She wants to stay here and try to climb the big tree Wu Tian. There is no future for her to follow Chen Hao. She may drink from the north and the west one day.

"What else do you want?" Chen Hao a face does not understand the question way.

"It's none of your business. You go first." Liu Jiao finished saying this, and went to Wu Tian with a smile on her face. "Boss Wu, you are really magnificent. Can you take me to turn around?"

"No problem. I'll ask the waiter to show you around." Wu Tian said this and winked at the waiter.

The waiter nodded knowingly and went over to Liu Jiao and said, "Miss, please."

"That My feet are a little numb, and suddenly I don't want to turn again. " Liu Jiao made such an excuse.

She just wanted to take the opportunity to get close to boss Wu, but she didn't really want to wander around the hotel, let alone with the waiters.

"This..."

The waiter is stunned at the spot and looks at Mr. Wu with a consulting eye.

"Since Miss Liu doesn't want to turn around, you can go down." Wu TianChao waved his hand to the waiter and said, "wait a minute."

"What else can I do for you, boss?" The waiter blinked two big eyes and frowned and puzzled.

"Here you are."

Wu Tian took out a stack of bank notes from his pocket and put them on the table. "This is 5000 yuan. It's a reward for you."

"This So much? " Seeing the stack of new bills, the waiter's eyes rolled round.

Five thousand yuan may be nothing to others, but it's a lot of money for a bottom waiter like her.

"Take it and do it well." Wu Tian pushed over the 5000 yuan note.

"Thank you, Mr. Wu." The waiter grabs up 5000 yuan notes and thanks again and again excitedly.

I didn't expect that boss Wu was so generous and gave her 5000 yuan at once, which was more than a month's salary.

"Go down and do your work first."

"All right, boss. You're on call." The waiter bowed deeply and walked out of the room.

Seeing this scene, Liu Jiao's eyes were straight.

I didn't expect that boss Wu was so generous that he gave the waiter a reward of 5000.

I can be so generous to the waiters. If I can be the woman of boss Wu, I will be rich?

Thinking of this, Liu Jiao's heart is more ready to move, an idea, thought of a quick way to approach boss Wu.

"Ah

With a cry of pain, Liu Jiao's body shook and fell in Wu tianhuai.

Wu Tian only felt that a group of meat was smashed down fiercely. He stretched out his hands to catch Liu Jiao's body like a conditioned reflex. He cared and said, "are you ok?"

"I Ah, hiss... "

Liu Jiaotong took a few breaths of cool air and said: "my thigh cramps, good pain."

"Leg cramps?" Wu Tian's eyes moved down and fell on the two delicate legs under her skirt.

It seems that there is no problem with these two beautiful legs. It doesn't look like a cramp. Is this woman deliberately pretending to hurt?

"Boss Wu, my leg hurts. Can you press it for me?" Liu Jiao clenched her lower lip and pleaded bitterly, pretending that she was dying of pain.

"No problem." Wu Tian can see that the woman is deliberately pretending to be painful, which obviously makes her a beauty trick.

Simply he will be tactful, the hand stretched out the past, but to see what the woman can use what means.

"Yes, it hurts. Push it." Liu Jiao hands around Wu Tian's neck, a pair of confused love.

Wu Tian is not polite. He reaches out to help the girl to cure her leg.

Chen Haoke on the side of the angry bad, even if he is stupid can also see that Liu Jiao is deliberately seducing Wu Tian.

This bitch, really shameless, in front of him to hook up with another man. He had spent too much money and hard work on this woman before, but in a flash of time, the girl ran to collude with Wu Tian.

I really want to rush up and slap the bitch, but I can't bear it.

With his current strength and power, he can't afford to offend boss Wu, and he can't get into trouble for a woman.

Gu Xiaoman, sitting next to Wu Tian, is not happy. She didn't expect Liu Jiao to be so mean. She began to seduce Wu Tian openly.

Seeing the two holding each other so intimately, I felt as if I had been knocked over the vinegar jar.

What is more exasperating is Wu Tian, who is still enjoying Liu Jiao's face.

Dogs and men are shameless.

Gu Xiaoman can't help but curse a few words in his heart. He clenches his two small fists tightly together, and he is eager to rush up to separate them.

She wanted to, but she didn't.

After all, Wu Tian is not her boyfriend. It seems that she has nothing to do with other women.

But she just couldn't help being angry. Besides being angry, she seemed to have no other way.

"Boss Wu." Liu Jiao became more and more unscrupulous, and directly grasped Wu Tian's arm in his heart. "Suddenly I felt that my chest was very stuffy. Boss Wu helped me to treat it."

"Sorry, I'm not a doctor." Wu Tian retracted his hand, and then he was afraid that he would lose control.

"It doesn't matter. Boss Wu's hands are much better than doctors."

"Bitch!" Wu Tian directly pushed the woman away from her arms, opened the door to see the mountain, and said, "you're not good for me

"Cough..."

Liu Jiao coughed twice and was exposed on the spot, which made her very embarrassed.

I thought that boss Wu had already taken the bait, but I didn't expect to stop the car at the critical moment. It's really irritating.

"Hoo!"

However, Gu Xiaoman beside him breathed a sigh of relief, and his eyes toward Wu Tian were more appreciative and joyful.

I thought that Wu Tian had fallen into a woman's gentle trap, but I didn't expect to end easily at the critical moment.

It seems that she misunderstood Wu Tian. He is not a bad boy. He knows how to be proper and how to bottom line. He will not lose himself because of the temptation of the other party.

In this way, on the contrary, she added a little favor to Wu Tian.

"Jiaojiao, let's go." Chen Hao pulls Liu Jiao's arm and prepares to take her away from here.

Even if Liu Jiao hurt him and colluded with other men in person, he still chose to forgive and still wanted to protect.

After all, he spent too much energy and money on this woman and didn't want to give up so easily.

"Don't touch me." Liu Jiao shook off her arm and roared impatiently, "who wants to go with you just like you

"You..."

Chen Haoqi's corner of the mouth was mercilessly pumped and stored. After gnashing his teeth for a long time, he finally put down a sentence: "bitch, don't come back and ask me."

When he said this, he turned and slammed the door.

I've never failed like today. I lost 1.6 million in vain. Finally, I was abandoned by my girlfriend.

After Chen Hao left, Wu Tian said to Gu Xiaoman with a smile: "Xiaoman, let's go, too. The taste in this private room is not very good."

"Well!"

Gu Xiaoman nodded his head cleverly and followed Wu TianChao outside the private room.

As soon as they got to the door, they were blocked by Liu Jiao.

"Boss Wu, can I have a word with you alone?" Liu Jiao's voice is so charming that it can melt human bones.

"ok! "

Wu Tian nodded and said to Gu Xiaoman, "Xiaoman, wait for me outside first."

"I..." Gu Xiaoman doesn't want to leave.

She is worried that Liu Jiao, that bitch, will entangle Wu Tian. When the time comes, they will do such dirty things in the private room.

But she couldn't find the reason to stay, biting her mouth, and finally had to leave the private room. Before going out, she did not forget to admonish: "president Wu, be careful."

"Don't worry. It's just a woman. I can handle it."

"All right." Gu Xiaoman turned his head and looked at Liu Jiao. She was mainly worried about the fox spirit.

Staring at Wu Tian, he walked out of the private room.

"Click!"

Liu Jiao locked the door of the house, then rushed to hold Wu Tian's body. "Boss Wu, I fell in love with you at the first sight. I was deeply impressed by you at the first sight."

"Stop it."

Wu Tian pushed the woman away from her arms and said mercilessly, "don't follow me in this

way. Just say what you have."

"Boss Wu..."

Liu Jiao opened her neckline, stroked her hair, and asked with a smile, "do you think I'm beautiful?"

"It doesn't matter to me whether you are beautiful or not."

"No, it matters."

"What does it matter?"

"I love you, my heart beats for you." Liu Jiao grabbed Wu Tian's arm and put it in front of her body. "Did you feel my heartbeat?"

"I don't feel the heartbeat, I just feel that your physical development is good."

"Boss Wu, do you want it?"

"No interest." Wu Tian retracted his hand and said impatiently, "if you have something to say, just let go of your fart."

"It seems that boss Wu is an acute person." Liu Jiao raised her legs on the table, deliberately seduced: "if boss Wu likes it, I am yours now."

"Are you going to sacrifice yourself?"

"I'm willing to die for boss Wu."

"Give me the body. What do you want?"

"I have a dream since I was a child, that is to have a sports car of my own. If boss Wu can help me realize this dream, I will be boss Wu's woman in the future." Liu Jiao said here, began to take off her clothes and skirts.

"Save it."

Wu Tian scorned a smile, mercilessly hit: "you such a woman, not worth a sports car?"

"What am I worth?"

"A broken bike at most."

"You..." The corner of Liu Jiaoqi's mouth gave a sharp puff, and her face turned green.

However, he soon regained his composure and again pasted his body with anger. "Boss Wu, I don't believe that you are not interested in me at all."

Finish saying this, she half show dress, use all one's strength, begin to make all sorts of coquettish action.

In terms of figure and appearance, she is not inferior to Gu Xiaoman, and her ability to seduce men is superior.

For other men, I'm afraid they would have been prostrated under the pomegranate skirt.

But he met Wu Tian this time. Facing the woman in front of him, Wu Tiangen was not moved.

The woman seduced for a long time, and finally Wu Tian just said coldly, "is the performance finished?"

"Why didn't you react at all?" Liu Jiao tried her best to twist for a long time, but she didn't expect that the guy in front of her was like a wooden man.

It's really the first time I met a man with such strong determination. Now I even wonder if there is something wrong with this man?

"You know what." Wu Tian stretched out his hand to hold the woman's chin and hit her hard: "in my eyes, you are the most disgusting woman, not one of them."

"You..."

Liu Jiaoqi bad, just as she was ready to retort, the result was interrupted by Wu Tian: "such a

cheap woman as you, looking at the stomach."With these words, he pushed Liu Jiao away and left the private room without expression.

"You, you, you..."

Liu Jiao's face was distorted when she stood in the original atmosphere.

Living such a big life, has been sought after and flattered by people, has never been so humiliated by a man as he is today.

Now I would like to rush to break Wu Tian's head to relieve his anger.

Originally, she wanted to relieve the temptation of her body, but she was finally humiliated by the man, which made her angry.

"You think you're great, don't you?" Before Wu Tian goes out, Liu Jiaoqi shouts.

"Ha ha!"

Wu Tian raised his mouth and sneered: "a dirty woman like you is not qualified to say this to me."

"Wu Tian, don't you just have some stinky money? What else do you have besides money

"Dignity." Wu Tian turned back and looked at Liu Jiao with a smile. "Unlike you, you sell your body for money. You don't even want your dignity."

With that he turned and walked away.

"Asshole!"

Liu Jiao was angry and scolded, but he didn't get angry. Seeing Wu Tian go away, she took out her mobile phone and dialed a phone: "brother Jiang, help me teach a lesson. As long as you can get rid of this boy, I'll go to bed with you..."

Wu Tian didn't pay attention to Liu Jiao any more. He went out of the private room and said to Gu Xiaoman, "Xiaoman, go, I'll take you back to school."

"And the girl?" Gu Xiaoman looked back at the direction of the private room and couldn't help but question in a low voice.

"Leave her alone." Wu Tian pulls Gu Xiaoman away quickly.

Until he walked out of the hotel, Gu Xiaoman couldn't help questioning again: "what did that girl say to you in the private room just now?"

"Nothing, just want to make a deal with me."

"What deal?"

"She wants to pay me back with her body."

"I didn't think she was such a girl." Gu Xiaoman bit his mouth and couldn't help but ask in a low voice: "that girl is very beautiful. Why didn't you promise her?"

"I'm not such a casual man."

"I can't see that..." Gu Xiaoman didn't say anything about me, but he was already laughing happily.

Through this incident, she couldn't help but look at Wu Tian with a new look.

Take Gu Xiaoman back to school, Wu Tian originally wanted to return to his residence. After all, there are two beauties in the family, officer Su and Xiao Xue live at home.

I was about to reach for the car when the phone rang in my pocket.

After touching it out, it was Sun Sheng who called and asked, "Mr. Sun, what can I do for you so late?"

"Come out for a barbecue, and I'll talk to you about something." At the other end of the phone, Sun Sheng's tone was very respectful.

"What's the matter?"

"It's about the company."

"Well, where are you now?"

"Beimengou."

"Come here at once." Wu Tian hung up and took a taxi to beimenggou.

This is a famous barbecue street in Luzhou. Every six o'clock in the evening, there are stalls on both sides of the street.

Coming to barbecue street, he quickly found Sun Sheng in front of a stall. He was holding a mobile phone and was broadcasting live.

"Boss Wu, here you are." Seeing Wu Tiantian, Sun Sheng put away his mobile phone and took the initiative to say hello.

"You're welcome. Sit down." Wu Tian pressed his hand and motioned Sun Sheng to sit down. "We've known each other for so long. Don't call me boss Wu, just call Xiao Wu or Xiao Tian."

"I'll call you Xiaotian. What would you like to eat?"

"Whatever. I just had dinner."

"ok! " Sun Sheng helped his glasses and waved to the middle-aged uncle in front of the stall and said, "Fifty barbecues, thirty kidneys, ten glutens, two cold dishes and one beer."

"Hello The owner of the shop answered and began to get busy.

"Old sun, what are you looking for me in such a hurry?" Seeing Sun Sheng finish ordering, Wu Tian can't help asking.

"It's about the annual live show." Sun Sheng poured two cups of tea and went on: "the fifth annual live broadcast ceremony will be held in Luzhou in two days."

"How are you getting ready?"

"Almost ready."

"That's good."

"I came to you today to discuss with you the details of the live broadcast ceremony." Sun Sheng took a sip of tea and tried to ask, "Xiao Tian, do you have any good suggestions?"

"Have you chosen the right place to hold it?"

"Yes, it's on the beach."

"The beach has been renovated recently. It's not very good." Wu Tian thought about it for a

moment, and then proposed, "how about the new Wan Street?"

Wanjie is a commercial pedestrian street built by sun Xiaohao. It has not been developed for a long time and its popularity is not very good.

This time, the live broadcast ceremony was selected in Wanjie to attract popularity for Wanjie and save a site fee for the platform.

"This matter needs to be negotiated with Wanjie boss. I don't know whether the other party is willing or not?" Sun Shengdao expressed his doubts in his heart.

"No need to negotiate. I'm an investor in Wanjie."

"What? Is Wanjie developed by boss Wu

"Yes."

"I admire you." Sun Sheng's eyes lit up and couldn't help but exclaim: "I didn't expect boss Wu to be so generous and develop such a big industry as Wanjie."

"Commercial street development, urgent need for popularity and traffic, I want to use the live festival to enhance the popularity of Wanjie."

"That's a good idea."

"Well, that's settled." Wu Tian immediately made a decision: "you quickly let the department

increase publicity, three days later, the seafood TV live festival was solemnly held in Wanjie street to make the situation bigger."

"Well, that's OK." Sun Sheng nodded and turned his tone: "by the way, details about the live broadcast ceremony..."

"It's up to you, I believe you."

"Thank you for your trust in me." Sun shengzheng is going to treat Wu Tian with tea instead of wine.

Just then the owner brought the roast meat and beer.

Sun Sheng simply poured two glasses of beer and raised one of them. "Boss Wu, thank you for your support and trust in seafood. I'd like to offer you this wine."

"Cheers Wu Tian raised his glass and touched it with Sun Sheng. Then he drank all the beer in the glass.

After drinking the wine, Sun Sheng filled two cups and said with a smile, "boss Wu, I'm glad to cooperate with you. If it wasn't for you, our seafood would not have developed so rapidly."

Previously, I was worried that Wu Tian, a layman who did not know how to live broadcast, would be detrimental to seafood TV after participating in the investment.

Later, he found that boss Wu left all matters to him to handle, showing sufficient trust in him.

At the critical moment, Wu Tian also helped the platform to deal with many problems, and even helped the platform to introduce Huang Lan, a star, into live broadcasting, thus improving the platform's popularity.

After this period of development, seafood TV has developed into a local first-class live broadcasting platform.

"Don't say that. The reason why seafood TV can grow is because of our joint efforts." Speaking of this, Wu Tian patted Sun Sheng on the shoulder, "especially you, the contribution can not be ignored."

"Boss Wu still has the greatest credit. If it wasn't for boss Wu's leading Huang Lan to settle in and help the platform drain, even if I had great ability, I would not have made the platform develop so well today." "Well, let's not talk about it. Here, cheers." Wu Tian once again drank the beer.

"Yes." Sun Sheng put down his glass and reminded him, "you have to attend the live broadcast ceremony the day after tomorrow."

"Don't worry, I'll be there on time."

"Well, backstage, I'll send someone to pick you up in the evening."

"No answer." Wu Tian waved his hand and leaned back on the chair, "you are busy. I'll go by myself."

"No problem!"

Sun Sheng did not reluctantly think of another thing, "by the way, I have remitted the dividend of last month into your account, and the financial income and expenditure details have been sent to you. Have a look, I will deal with the problems in time."

"You don't have to look. I don't have to worry about your business."

"Thank you for your trust in me. It's rare for investors like you these days."

"There is no doubt about employing people. Since we cooperate, we should fully trust each other so that we can have a long-term future."

Thank you Sun Sheng got up and bowed deeply to express his respect.

In these days, it is rare to have such a mind as boss Wu.

"Don't make such a fuss. Come and drink." Wu Tian pressed his hand and motioned Sun Sheng to sit down. He raised his glass and continued to drink.

While they were drinking and chatting, a coquettish girl came over.

The gorgeous girl, dressed in a high slit skirt and high heels, came over.

"Oh, isn't this Mr. Sun?" The coquettish girl saw that it was Sun Sheng, and respectfully flattered him: "Mr. Sun, I'm Nana, the new anchor who has just settled in your seafood TV."

"Hello." Sun Sheng smile, carrying the boss posture not cold and warm response to two words.

"I didn't expect that sun always kept a low profile and came here to eat kebabs. By the way, this meal is my treat." The woman with heavy makeup poured a glass of beer and approached Sun Sheng. "Mr. Sun, I'd like to propose a toast to you."

Holding a glass of wine with Sun Sheng, he was ready to drink it.

Before the cup reached his mouth, he was blocked by Wu Tian.

Wu Tian pointed to the wine glass in her hand and said with a smile, "beauty, this cup in your hand is mine."

"What if it's yours." Nana stares at Wu Tian and says impatiently, "don't be ungrateful. You look down on you with your cup."

"I just want to tell you that it's neither hygienic nor polite to drink from someone else's glass." Wu Tian, with a smile on his face, maintained a gentlemanly demeanor.

"I can't get you to teach me a lesson." Nana put the glass on the table, "don't affect my drinking with Sun Zong. Get out of here."

"Are you sure you want me out?"

"Nonsense, get out of here."

"To remind you, I'm a friend of Mr. Sun."

"Just you?" Nana looked at Wu Tian and scoffed, "you boy, you should be close to Mr. Sun here. You are young, you are cheap, you are poor and sour. How could sun have such a friend?"

"If you don't believe it, you can ask Mr. Sun." Wu Tian shrugged and leaned back on the chair in a comfortable position.

"Don't ask. You can't be Mr. Sun's friend. You must be trying to get along with him and find him to do something." Nana said this, and then flattered Sun Sheng and said, "Mr. Sun, I'll help you drive this boy away."

After saying this, she also pretended to lift the wine bottle to frighten Wu Tian.

"Stop it!"

Sun Sheng gave a big drink and pointed to Wu Tiandao: "this is my friend indeed. I invite him out to drink."

"Ah?"

On hearing this, Nana was scared to put down the bottle.

I didn't expect that the boy in front of me was really a friend of Mr. Sun.

Strange eyes glanced at Wu Tian and asked Sun Sheng, "Mr. Sun, how could you have such a bad friend?"

"What is unbearable?" Sun shengmei's head was tight, with a little anger in his eyes.

"If you look at his suit, you can see that his clothes are sold on the floor. His hair is white and discolored. This kind of person is poor and filed. As Mr. Sun, you should not make such friends."

"I forgot to tell you." Sun Sheng helped his glasses, pointed to Wu Tian and seriously introduced: "Mr. Wu is not only my friend, but also my boss."

"Boss?"

"Yes."

"What boss?"

"He's an investor in seafood TV."

"He He Nana's mouth is hard to draw a few times, look at Wu Tian's eyes more surprised than see the monster.

I can't believe that the kid in front of me is the backstage investor of seafood TV.

After a long time of fighting, the boy was her biggest boss. She was so stupid that she even ridiculed him and ridiculed him as a pauper.

At the moment, I just feel embarrassed and want to find a crack to drill in.

"Boss Wu, I don't think Nana is suitable for live broadcast on our platform. What do you think?" Sun Sheng asked Wu Tian with a smile.

Without waiting for Wu Tian to reply, Nana changed her attitude and apologized to Wu Tian in a hurry: "I'm sorry, I didn't know you were the big boss of our seafood TV. If you did, I wouldn't dare to offend him even if you lent me a hundred guts."

If I had known that the boy was the boss, it was too late to fawn on him. How dare you make a mockery of him.

"Your name is Nana?" Wu Tian shook his glass of beer and asked without expression.

"Yes, my name is Nana." Nana quickly raised her glass and said pitifully, "boss, I'm wrong. I'm sorry for this glass of wine. I hope your adults ignore the villains and forgive me this time."

In order to show her sincerity, she raised her glass and drank the beer in the glass clean and clean without a drop left.

"Don't worry, Miss Nana. I'm not that careful." Wu Tian put down his glass and leaned back on

the chair.

"Thank you, boss Wu."

Nana repeatedly bowed to thank her, but she did not forget to pat her horse and said, "boss Wu is really magnanimous. You are magnanimous."

"I have a big heart, but I'm not going to forgive you."

"Ah?" Nana was stupefied.

She thought that boss Wu would not care about this matter any more. When she heard this, she was dumbfounded.

I didn't expect that boss Wu would not play according to the routine.

"Mr. Sun, I don't think this girl named Nana is suitable for live broadcast on our platform." Wu Tian put his eyes on Sun Sheng's face and said, "close her studio."

"Yes, I'll do it." After Sun Sheng answered, he took out his mobile phone and arranged for someone to do it.

On hearing this, Nana's face turned black with fright. She quickly begged Wu Tian, "boss Wu, please let me live and give me another chance."

"Want a chance?"

"Yes, give me another chance."

"Sorry, you don't have a chance. You don't have a chance."

"Boss Wu, I'm really wrong." Nana hugged Wu Tian's arm, shaking and imploring: "I still have an old sick mother in my family. My brother wants me to earn tuition for him when he goes to school. I rely on live broadcast to support my family. Please give me another chance..." "As I said, you have no chance." Wu Tian said heartlessly that he didn't give the woman any chance.

The woman's character is not good. Even if she is pitiful, she will not sympathize.

"You..."

Nana also wants to plead. Seeing Wu Tian's resolute eyes, she swallows back what she wants to say.

So far, she simply tore her face and said: "you are not the boss of seafood TV, what's the matter?"

"It's none of your business who I am. Go away." Wu Tian waves his hand impatiently. He doesn't want to waste his saliva with this kind of mad dog.

It is shameless that such a woman will be seriously injured if she fails to achieve her goal.

"It has nothing to do with you whether I go or not." Nana held her chest in her hands and deliberately provocatively said, "this is not your territory. Can you manage me?"

"Say it again, get out of here." Wu Tian roared and glared at Nana with a murderous look in his eyes.

"I..."

Nana seems to be shocked by this momentum, afraid to speak.

Just then, eight thugs rushed up and surrounded the place.

Nana's neck shrank, her hands clinging to her body, and her trembling voice questioned, "you What do you want? "

"Let's teach Wu Tian a lesson. It's none of your business here. Get out of here." The man with big ears roared impatiently.

On hearing this, Nana was relieved, and at the same time she couldn't help gloating at Wu Tian. "Boss Wu, I didn't expect that you have offended so many people. Today you are finished. Wait for a beating."

Nana said this, scared quickly back, back to the garbage can, only hide there to watch the good play.

At this time, she has touched out her mobile phone, and later she will take pictures of Wu Tian being beaten and spread them out, making this boy infamous.

Wu Tian blocked the studio just now, which filled her heart with resentment. Now she just

wants to see Wu Tian being tyrannized.

"Who are you?" Sun Sheng got up from his chair and looked at the eight thugs.

The big eared man waved his hand impatiently and urged, "we're looking for Wu Tian. It's none of your business here. Get out of here."

"Whoever has a problem with boss Wu is with me." Sun Sheng's body a horizontal, protect in front of Wu Tian, forcefully exclaimed: "today this matter I will manage."

Hearing this, Wu Tian was secretly pleased and surprised.

Did not expect at the critical moment, Sun Sheng will rush in front of each other.

He and Sun Sheng did not know each other for a long time, and their relationship was very general. They were just business partners.

He did not expect Sun Sheng to be affectionate and righteous. He did not run for his life alone in danger, but stood with him.

"Since you want to die, don't blame me for being rude." The big eared man said this, and said to the thugs behind him, "let's go together and teach them two a hard lesson."

"Yes

When the gangsters get orders, they are ready to start.

"Wait!" Wu Tian stretched out his hand and looked at the gangsters with a smile, "before you start, can you introduce yourself first?"

I haven't seen these gangsters before. Naturally, I don't know who they are or what their purpose is.

Guess these thugs are probably bribed, will run to him.

"My name is Zhang Jiang. Everyone calls me brother Jiang." The man with big ears clapped his chest and got a big name in the newspaper.

"Brother Jiang, I have no resentment with you in the past and no hatred in recent days. Why should I bring someone to deal with me?"

"Because you offended a man."

"Who?"

"My woman." After saying this, Zhang Jiang turned to look at the red BMW on the street.

At this time, the BMW door opened, and a beautiful girl in a short skirt walked towards this side with long legs.

"Liu Jiao?"

Wu Tian recognized the girl at a glance. It was Chen Hao's girlfriend who had dinner together in the Tianhao hotel before.

I didn't expect that this gang of thugs was found by Liu Jiao.

Zhang Jiang went over and hugged Liu Jiao's slender waist, with a spoiled face reminding him: "honey, there is a pit under your feet. Go slowly."

"Thank you, brother Jiang." Liu jiaochao gave Zhang Jiang a kiss on his face, and he was held by such a building. He was submissive.

"How nice

Zhang Jiang in Liu Jiao waist mercilessly pinched a, greedy lick lips, "you are really delicate, brother look greedy, wish to do you now."

"Don't worry, brother Jiang. We have plenty of time in the evening. Now let's clean up Wu Tian first." Liu Jiao said this with a smile on her face. Then she looked up at Wu Tian with hatred in her eyes.

"OK, I'll help you clean up the boy first." When Zhang Jiang said this, he couldn't help but pinch a few on Liu Jiao.

Liu Jiao looks like a face to enjoy, with a bit of disgust and disgust in her eyes.

In order to deal with Wu Tian, she did not hesitate to lose her body to Zhang Jiang. Otherwise, how could she have taken a fancy to this kind of goods.

Liu jiaoqiang endured the discomfort and stepped forward to Wu Tian, biting his teeth and coldly said, "Wu Tian, you humiliated me in the hotel before. I'll beat you bloody in a moment."

"In order to deal with me, with such a bad man?" Wu Tian laughs bitterly and shakes his head. The look in his eyes is very disappointed.

To tell you the truth, Liu Jiao's conditions are good in all aspects. Her appearance and figure are not bad at all. She didn't expect to be so degenerate.

"I will certainly punish anyone who offends me." Liu Jiao finished saying this, suddenly tone a turn: "if you now say a nice boast of me, maybe I will forgive you not to die."

"You were born a bitch." Wu Tian coldly threw out such a sentence.

Joke, how can he be soft in front of women together, not to mention this is still a bottomless bitch.

"Asshole." Liu Jiao was infuriated again and hysterically said: "I will let you know the end of

humiliating me soon. Brother Jiang, help me to teach this bastard a good lesson."

"Good!"

Zhang Jiang hugged Liu Jiao and stepped back a few steps. He said with a smile, "just stand behind you and wait to see the play. Be careful not to get bloody."

After saying this, he stepped closer to Wu Tian and said: "boy, dare to bully my woman, I'll let you know my strength today."

He raised his right hand and gave it a hard wave.

The eight thugs got the order and rushed to Wu Tian again.

"Stop it!"

At the critical moment, Sun Sheng came forward again and said to the gangsters: "in broad daylight, do you have any royal law, ah..."

Before he finished speaking, he was punched by Zhang Jiang and fell to the ground directly after sending out a shrill scream.

"Sun Sheng..."

Wu Tian hurried forward to hold Sun Sheng's body and said, "Hello, are you ok?"

"It's OK." Sun Sheng shook his head with difficulty and urged Wu Tian: "they are too many. They are not good. You Run fast."

"No!"

Wu Tian gritted his teeth and looked up at the thugs. "I can't go. I can't let you get beaten for me in vain."

"But..." Sun Sheng also wanted to talk, but was interrupted by Wu Tian: "don't talk, lie here and have a rest. Those gangsters let me deal with them."

Sun Sheng carefully placed on the ground, and then stood up to face those gangsters, "it seems that today we can not do without a fierce battle."

"You are so weak that you can't fight at all." Zhang Jiang poked Wu Tian's body with his hand and sneered: "otherwise you will kneel down and apologize to my woman, and I will spare you from death."

"Click!"

Wu Tian suddenly reaches out and grabs Zhang Jiang's arm. He breaks and dislocates his arm.

"Ah..."

A shrill scream made Zhang Jiang's painful tears roll out.

He didn't expect that the boy in front of him would dare to sneak attack. He tried to bear the

pain and ordered his subordinates: "what are you doing? Go on together and fight this boy to death for me."

"Yes

The eight thugs got the order and rushed to Wu Tian together.

The corner of Liu Jiao's mouth rose, and a smile of schadenfreude rose on her face.

Waiting for this moment for a long time, she can't wait to see Wu Tian being tortured to death. Look at this bastard who dare to humiliate her.

Also gloating, there is Nana, who has turned on her mobile phone to shoot, ready to record the picture of Wu Tian being beaten into meat pie.

Besides Wu Tian, seeing the eight thugs coming up like wolves, he was a bit anxious, but he didn't mess up.

With his current strength, it is no wonder to deal with five or six thugs, but now facing eight thugs at the same time, it is hard to avoid feeling hard.

At present, there was no other way but to take a chance, grab the beer bottle on the table and rush towards the gangster.

"Bang!"

He lifted the bottle and waved it hard, smashing one of the thugs, and directly opened his head,

bleeding.

Then he kicked the table over and hit the thugs so hard that the other seven were scattered.

When he avoids the attack of the left thug, he grabs the chair and smashes the two thugs in front

Wu Tian was very fast, and the Vietnam War was more fierce.

He knew that he must seize the opportunity and make a quick decision at the moment and not give the other party any chance to breathe.

After a scuffle, Wu Tian became more and more brave. His fists and feet were as fierce as a thousand jin iron kick, and were invincible.

Those thugs seemed to be shocked by Wu Tian's ferocity, and soon lost their fighting power, and they were scared to retreat.

Wu Tiangen didn't give them a chance to escape. He took advantage of the victory and chased after them, and rushed to those gangsters like wolves.

Under his all-out attack, all eight gangsters were turned over and fell to the ground, crying and howling.

At this time, people were surrounded by onlookers. Seeing Wu Tian's efforts to turn over eight

gangsters, everyone was amazed.

The most surprising thing on the scene was Liu Jiao. She never dreamed that Wu Tian, who was so weak in front of her, was so powerful that she knocked down eight thugs with bare hands.

He thought that Wu Tian was a businessman who had no strength to bind a chicken. He never thought that such a rich boss was so powerful.

This time, at the expense of his body, he asked brother Jiang to bring eight gangsters to teach Wu Tian a lesson, but he didn't expect this outcome.

I thought the boy would be beaten into a meat pie, but the end was just the opposite.

Instead of being hurt, the boy beat the eight thugs black and blue.

Seeing the scene, her heart was full of mixed feelings.

Also surprised is Nana. Originally, she was hiding in the dark to watch Wu Tian being abused. She even took out her mobile phone to record the video.

However, when he saw that Wu Tian was able to deal with the eight gangsters and constantly launched fierce attacks, he was shocked.

When she saw Wu Tian go down the mountain with the momentum of fierce tiger, she was even more shocked.

I didn't expect that the boss of seafood TV was so skilled.

To tell you the truth, I have never seen such a corrupt man.

It seems that Wu Tian is not only a rich boss, but also a corrupt figure with strong skills.

At this time, she looked at boss Wu with different and profound eyes. She worshiped her boss, and more importantly, she was afraid.

Did not expect that she accidentally provoked such a fierce role, the body shook, scared to turn around and run.

I knew that boss Wu was such a good master. I didn't dare to offend her even if she had ten guts.

Taking advantage of boss Wu's inattention, it's important to flee for life, so as not to be torn into pieces by boss Wu.

Sun Sheng was also surprised. He didn't expect boss Wu to be so powerful.

Before I was worried that boss Wu would be killed alive, but now I find that this worry is totally unnecessary.

Boss Wu's ability to startle the world and cry ghosts and gods really opened his eyes.

I didn't know before that Wu Tian, who is so delicate and tender, still has such a powerful skill. It's really surprising.

After seeing Wu Tian's powerful skills, he is now even more admired.

"Hoo!"

Under the gaze of all eyes, Wu Tian secretly breathed a breath and stepped forward to Zhang Jiang, "you lost."

It's the first time to face so many thugs. It's not easy to win. It seems that the training effect is very good, and the skill is much stronger than before.

"You You, who are you? " Zhang Jiang asked, trembling at the corner of his mouth. At this time, Wu Tian's eyes were full of fear and uneasiness.

He has been living in Luzhou for more than ten years and has never met such a tough guy as Wu Tian. At this time, he can't help but feel guilty.

"I'm the one you can't afford." After Wu Tian finished this, he kicked Zhang Jiang in the abdomen and kicked him directly.

This is not over, he jumped up again, grabbed Zhang Jiang's arm, and forced to fold it.

"Click!"

With a crisp sound, Zhang Jiang's right arm was also broken, and the cold sweat on his painful forehead rolled out.

"Bang!"

Wu Tian kicked Zhang Jiang and waved impatiently: "get out of here and don't let me see you again."

"Wu Tian, I remember you." Zhang Jiang got up from the ground in pain and yelled in a low voice: "it's not over today. Let's see."

After this, he ran away from here.

Those gangsters all fled with them.

"OK, pa pa pa..."

After the gangster left, all the onlookers spontaneously raised their hands and applauded Wu Tiangang's wonderful performance.

Wu Tian was too lazy to pay attention to the public, so he stepped forward to Liu Jiao and said, "do you think you want to beat me after finding some rubbish?"

"I..."

Liu Jiao's body shrinks and she's scared to take several steps back.

At this time, looking at Wu Tian is as terrible as seeing a monster. His pores are all up and down.

To tell you the truth, I've never been so timid as now. Now I know that I've offended the wrong man this time.

In front of her, this man is not only rich and powerful, but also powerful. She is definitely a figure she can't afford.

"Get out of here Wu Tian Mou color a cold, cold voice warning way: "if there is another time, don't blame me for being rude to you.""Gudong!" Liu Jiao swallowed mouth saliva fiercely, scared to turn around to run.

Meeting Wu Tian seems like a nightmare for her. I just hope that she will never see this man again.

After Liu Jiao left.

There are also a few beautiful women to run forward to call Wu Tian.

Wu Tian chuckled and politely refused the girls. He went to help Sun Sheng up from the ground and asked, "how is your injury?"

"A little injury, no big problem." Sun Sheng stood up straight and couldn't help exclaiming, "boss Wu, I can't see that you are so young and powerful. It's really amazing."

"Nothing, that is to say, I have been practicing hard recently, and I have the strength now." Wu Tian moved his hands and feet.

Recently, he has been practicing hard and has made obvious progress. With his current strength, he can deal with 89 thugs.

"It's admirable that a rich man like you still practices hard." Sun Sheng bowed deeply to show his respect.

"I don't deserve it."

Wu Tian quickly helped Sun Sheng's body and said gratefully, "thank you for coming to protect me this time. Thank you!"

"I didn't help much either." Sun Sheng grabs his head awkwardly.

Thanks to him, he also ran to protect Wu Tian. It was just like playing a dagger in front of Guan Gong. I thought it was ridiculous.

"If you were someone else, I'm afraid you would have run away, and only you would have come forward to defend it." Wu Tian patted Sun Sheng on the shoulder and said solemnly, "from now on, we will be brothers, sharing weal and woe together."

In the past, he was just a business partner with Sun Sheng. After this time, he saw Sun Sheng's character clearly. This boy is worthy of deep friendship.

"Thank you very much, boss Wu. I'll follow you later." Sun holds out his right hand with Wu

Tiansheng.

From this period of time together, he saw Wu Tian's ability. Wu Tian is excellent in all aspects and will become a great success in the future.

"We'll be brothers in the future. Cheers!" Wu Tian opened two bottles of beer and handed one to Sun Sheng.

Sun Sheng took the beer and poured it into his mouth.

I can see that he is very happy to be friends with Wu Tian.
