

CHAPTER 311 - 320

Wu Tian and Sun Sheng continue to drink and chat, and talk about some details of the live ceremony, and the two talents separate.

On his way home, Wu Tian called Jiang Wan and asked him to give his full support and cooperation to Sun Sheng to set up a stage for live broadcast of the grand ceremony in the commercial street.

After returning home, found Shen Xue is cooking in the kitchen, Su Ruyun and Long Yun even in the kitchen to her.

What an accident. I didn't expect that a violent policewoman and an icy female secretary have all become Shen Xue's helpers.

It seems that the power of food is really great, can bring these three women with different personalities together.

"Good evening, three beauties." Wu Tian walked into the kitchen and waved to the three women.

"Well, who are the three of us in the United States?" Shen Xue looks up at Wu Tian and can't help asking this question.

"All three of you are beautiful." Wu Tian pinched his chin, glanced at the three girls, and began to comment: "Chef Shen is beautiful and witty. Officer Su is pretty, charming and full of game. His temper is a little big. Secretary Long is hot and sexy, and his butt is big, but he is a little cold."

"Poof, cluck..."

After listening to this evaluation, Shen Xue chuckled and squeaked, and the flowers and branches trembled, and she was extremely charming.

Obviously, she is quite satisfied with her evaluation.

On the other hand, Long Yun stood in the same place like a wood after hearing this, staring at Wu Tian strangely.

She is very surprised, did not expect the young master will say her buttocks big, really do not know the young master is praising her or damaging her.

The most dissatisfied was su Ruyun, who said she had a bad temper, and immediately retorted: "asshole, who do you think is hot tempered?"

"Say you have a bad temper." Wu Tian licked his mouth and chuckled: "you are like a wild horse. You need to find a man to ride you to tame it..."

"Asshole, you want to die." Su Ruyun, who could stand the humiliation, grabbed the tomato and

smashed it in the past.

"Shit!"

Wu Tianwei's neck shrank and quickly dodged the attack. At the same time, he began to blame: "officer Su, this is food. How can you waste food?"

"Son of a bitch, I'll kill you." Su Ruyun didn't care so much. Even the cooked beef was smashed directly.

Wu Tian stretched out his hand, grabbed the beef and chewed it. He said in praise: "tender, this meat is really tender. It's more tender than officer Su's meat. It's delicious."

"You want to die." Su Ruyun could not bear such humiliation. She simply grabbed the kitchen knife and rushed to Wu Tian.

Shen Xue has already looked silly, but he didn't expect that they would fight if they didn't agree. They started fighting in the kitchen.

Seeing officer Su use a knife, Shen Xue is nervous and quickly reminds Wu Tian, "Hey, be careful!"

"Shit!"

Wu Tian threw away the beef and ran away. He ran out of the kitchen, faster than a rabbit.

Su Ruyun didn't give up easily. She chased out with a kitchen knife. She ran into the bedroom and stopped Wu Tian. She swore: "Stinky rascal, I won't kill you today."

"Officer Su, Miss Su, we have something to say. It's proper to use a knife and a gun." Wu Tian raised his hands and flattered with a smile.

"Son of a bitch, if you tease me, I'll spare you if you slap yourself in the face."

"How?"

"By hand."

"Is that so..." Wu Tian raised his right hand and pretended to be ready to take it in his face.

As soon as she was about to smoke, she suddenly jumped forward to Su Ruyun and threw her down on the ground.

"Suck!"

Wu Tian sniffed and said with a smile, "Su Mei Mei, you smell really fragrant. Are you a virgin?"

"Asshole, shameless man, you should sneak on me. Let me go." Su Ruyun twisted her body and struggled desperately.

However, Wu Tian is still holding down. No matter how hard she tries, she can't get rid of this heavy body.

"Don't move." Wu Tian directly sat on Su Ruyun's body, put his hands on her arm, and said with a smile, "it's really hard for me to move around like this."

"Asshole, let go." Su Ruyun was quiet as expected, and her face was a little shy.

She found that it was not right to wriggle like this. The violent contact between her body and Wu Tian made her body dry and hot, as if she had been crawling by ants.

"You know what's wrong?" The smile on Wu Tian's face is always so bright.

"Asshole, let go."

"Do you dare to throw food around in the future?"

"Son of a bitch, let me go."

"Do you dare to chop me with a knife in the future?"

"Shameless, let me go."

"Don't admit it. I'll give you some color." Wu Tian said this, took Su Ruyun's kitchen knife, and gently slapped Su Ruyun's chest.

With this stroke, the button of her shirt was cut open.

"Asshole, asshole, I'm going to kill you..." Su Ruyun was so ashamed and angry that she twisted her body and struggled desperately. "Officer Su, I didn't expect you to be so knowledgeable." Wu Tian's eyes are almost straight, staring at Su Mei Mei's body and swallowing saliva.

"Beast, beast, get out of here..." Su Ruyun continued to yell and scold.

It just doesn't work.

Fortunately, Shen Xue came in a hurry. When she saw the scene in front of her eyes, her eyes almost didn't fall out.

I didn't expect that Wu Tian was so shameless that he cut off Su Ruyun's clothes and sat on it so blatantly playing rogue.

"Shameless!"

Shen Xueqi scolded, ran to push Wu Tian away, and rescued Su Ruyun.

"Son of a bitch, I'll kill you." After gaining freedom, Su Ruyun grabbed the kitchen knife and prepared to start again.

"Sister su..."

Shen Xue grabs Su Ruyun's arm in a hurry and reminds her in a hurry: "you're all gone. You'd better go back to your room and change clothes first."

"Ah

Su Ruyun remembered that the clothes did not cover the body at this time. She was scared to protect her body with her hands and glared at Wu Tian, "hooligan, beast, you are shameless."

After that, she took her body and fled.

"Wu Tian, you, you How could you... " Shen Xue stomped her feet and came to Wu Tian. She couldn't say a word for a long time.

At the thought of stinking Wu Tian taking advantage of officer Su so recklessly, she was not angry.

How can there be such a shameless man in the world who takes advantage of the advantage and is so justifiable, but also cuts off people's clothes.

"What's wrong with me?" Wu Tian felt his thick skin and asked with a smile.

"You are shameless." After scolding these three words, Shen Xue left the room angrily.

"Hey, hey

Wu Tian grinned and whispered to himself, "it's really shameless."

I don't know why. Every time he meets officer Su, he can't help but want to have a good flirtation.

It's just that those actions were a little too much. No wonder officer Su and chef Shen were so angry.

Su Mei Mei's angry appearance is very beautiful, and Xiao Xue's jealous appearance is also very attractive.

Wu Tian simply cleaned up the room. When he walked out of the bedroom, he saw that Su Ruyun had changed his clothes and was sitting in the living room sulking.

"Stinky rascal, I'll fight with you..." As soon as he saw Wu Tian, Su Ruyun was ready to start again.

As a policeman, I was taken advantage of by a rogue. I feel annoyed when I think about it.

"Sister su."

Shen Xueyi grabbed Su Ruyun's arm and said, "you're not his opponent. If you jump on it like this, you'll lose. I think you'd better forget it."

She didn't want to see Wu Tian take advantage of officer su. She couldn't help but feel angry at the thought of their intimate behavior.

"Let this bastard take advantage of it for nothing?" Su Ruyun was unconvinced and bit her teeth. She wanted to bite Wu Tian alive.

"You'll lose if you jump on it now. Let's think of another way later."

"No problem!" Su Ruyun's eye drops slipped around a few circles, nodded and agreed: "another day, while he is not paying attention, see how I kill him."

Leaving a grim look, he turned and walked towards the bedroom.

"That Sister Su, don't you eat? "

"I'm full of gas. I don't want to eat any more." Before the words fell, Su Ruyun had locked the door.

"Good night!" Shen Xue smiles awkwardly, turns to look at Wu Tian and teaches: "officer Su comes to your house to protect you. At least it's a guest. How can you treat her like this?"

"You can see how dangerous she is when she wields swords and sticks and yells and kills." Wu Tian finished saying this, but also with a righteous look, "I just teach her well to avoid her going further and further on the wrong road."

"Then you can't drag his clothes?"

"I didn't take it off. I cut her dress with a knife accidentally."

"Not careful?"

"Yes."

"Pooh!" Shen Xue spat softly and did not have a good airway: "you are clearly intentional, but do you mean to say that you are not careful?"

"Hey, hey

"Shameless, obscene."

"Xiaoxue, I didn't scratch your clothes. Why are you so angry?"

"I..." Shen Xue bit her mouth and didn't know how to respond.

"Jealous?"

"You're jealous." Shen Xue kicked Wu Tian with a kick, then turned and walked toward the bedroom.

"Well, you won't cook?"

"No Shen Xue dropped the words and went into the bedroom to lock the door.

"Shit!"

Wu tiandark scolded, turned his head and set his eyes on Long Yun. He said, "Secretary long, help clean up the kitchen. I'd like to read less."

Leaving this, he turned and went into the study.

As soon as he enters the study, he can forget all his troubles and devote himself to his study.

I read two books about finance, and then I reviewed the records of my life before.

He didn't go back to bed until eleven o'clock in the evening.

The next day, he got up early before six o'clock. After a simple wash, he learned martial arts with Qinglong.

Recently, I have learned a new set of moves. I must study hard and practice hard. I will master this set of boxing as soon as possible.

Just as he was practicing martial arts, he saw a figure hiding outside the door stealthily. He thought it was Secretary long, but later he realized that Su Ruyun was hiding outside the door.

What are the women doing sneaking around the door?

Wu Tian kept silent and continued to practice martial arts, but secretly raised his vigilance.

Yes, Su Ruyun was hiding outside the door.

Originally, he wanted to hide in the dark and attack this guy secretly when Wu Tian went out.

But she soon found out that Wu Tian was practicing hard in his room, which was really unexpected.

I never thought that a rich guy like this could spend so much energy and time practicing kung fu.

No wonder the boy's skill is so strong, it seems that he has experienced countless times of hard training to have his skill today.

For a while, she couldn't help admiring Wu Tian.

Don't look at this guy's usual playful face, like a rogue, from time to time playing a rogue on her, but when serious, it is quite charming.

Just as she was hiding outside the door in a daze, she saw the figure in front of her eyes, and then felt a strong wind.

When she wanted to hide, it was too late. A slap hit her chest quickly. It was not strong, but it was very fast.

"Ah

Su Ruyun uttered a painful cry and stepped back several steps.

When she regained consciousness, she found that Wu Tianzheng looked at her with a smile and asked, "officer Su, does it hurt?"

"You Shameless Su Ruyun covered her chest and yelled out two words.

Just now this slap is not hitting her, but playing with her naked.

"I don't know if it hurts or not. My hand is a little bit painful anyway." Wu Tian shook his arm and pretended to be in pain. "You..."

Su Ruyun's eyes were wide, almost not angry.

This guy took advantage of her, but in the end he said his hands hurt. He was really cheap and sold well.

"Officer Su, what are you sneaking around here for?" Wu Tian put a bad smile on his face and said, "I don't want to sneak on me, do you?"

"So what?" Su Ru Yun gas gnashing teeth.

Now that he has been found out, he is too lazy to hide it.

"You can't steal chicken, you can't lose rice. You can't attack me. On the contrary, I take

advantage of you. Ha ha..." Wu Tian said this and couldn't help laughing.

"You..."

The corner of the mouth of Su's Confucian temperament was mercilessly pumped and stored, and it took a long time to pop out two words from between his teeth: "rogue!"

After that, she turned and left in a huff.

As soon as Su Ruyun's front feet left, Shen Xue ran over. Ning Mei asked, "how could sister Su look so angry in the early morning?"

"The girl was just about to attack me, but I taught her." Wu Tian explained with a smile.

"Did you take advantage of her again?"

"Hey, hey Wu Tian laughs but does not speak, is tacit.

Usually rarely take the initiative to girls, but every time I see Su Ruyun, I can't help but want to adjust.

"Hooligan!"

Shen Xue rolled her eyes fiercely, looked at the time and asked, "do you have anything to do later?"

"Nothing else. I'll go to school after breakfast."

"Take me to the restaurant later."

"No problem."

"I'll wash my face first." Shen Xue dropped the words and went into the bathroom.

After a simple wash, uncle Fugui drives Shen Xue to Fuyuan restaurant and then Wu Tian to school.

As soon as I entered the classroom, I received a call from Li Mu, saying that the company was besieged by a group of thugs.

After receiving the call, he ran out of the classroom in a hurry.

I collided with Mr. Mu ran at the stairway. Maybe it was too fast and directly knocked Mr. Mu into his horse.

"Mr. mu, are you ok?" Wu Tian hurried forward to help Mu ran teacher up and anxiously expressed concern.

"Hiss..."

Muran hugs the body with the hand, slightly frowns Qiong eyebrow, the ache pour sucks several breaths of cool air.

Seeing Mr. Mu's painful appearance, Wu Tian was very upset and asked in a quick voice, "teacher, you didn't hurt your butt?"

"No Muran raised his head slightly white Wu Tian, eyes full of resentment.

"Where does it hurt?"

"I..." Mu ran bit his lips with shame and embarrassment, and then swallowed them again.

Some of the pain can only be understood, can't be described by words.

"Isn't it?" Wu Tianxun asked, extending his fingers.

"Pa!"

Muran patted Wu Tian's arm, gently reproached: "Stinky boy, no big or small, where to point?"

"Sorry!" Wu Tian quickly shrinks his hand.

It seems that he just ran too fast and hurt Mr. Mu's body. No wonder Mr. Mu suddenly blushed.

"Wu Tian, class is coming soon. Where are you going in such a hurry?" Muran forced to endure

the body pain, deep voice drink asked.

"My dog is dying. I'll go back and have a look."

"Dog?"

"Yes." Wu Tian nodded hard and pretended to be sad and said, "my Maomao is my favorite dog. I just got sick and was dying. I want to go home and have a last look at it."

It has been known for a long time that Mr. Mu is a dog lover and wants to take advantage of Mr. Mu's compassion for a day's truancy.

However, the lie was quickly discovered by Muran.

"I've been to your house before. You don't seem to have a dog." Muran frowned suspiciously.

"Only yesterday."

"I raised it yesterday, but I'm sick today?"

"Yes."

"Well, the teacher will go with you and know some ways to care for your dog, which can help you."

"Oh, no, I can handle it by myself."

"I must go with you today." Muran pulled his hair around the corner of his ear and urged him to go ahead and lead the way

"This..." Wu Tian is totally stupid. He didn't expect that Mr. Mu would go with him.

Seeing that things were about to come to light, he could only confess and be lenient: "Mr. mu, in fact, I'm joking with you. I don't have a dog in my family. It's my friend's dog..."

"Make it. Go on."

"That I..."

"I see when you're going to lie." Mu ran saw through Wu Tian's appearance and said angrily: "Wu classmate, this is not the first time you deceive me?"

"I..."

"Before you said that your relative died and asked for leave for a few days. Later, I investigated and found that none of your relatives died at all."

"Ah?" Wu Tian is totally stupid. Unexpectedly, Mr. Mu secretly investigates him.

Now I have lost my trust in teacher mu. It seems that it will be difficult to lie again in the future.

"Classmate Wu, I didn't expect that you had been deceiving Mr. Wu all the time. You are so disappointing to me." Muran angrily gnawed his teeth, and his eyes were full of loss.

"Mr. mu, I'm sorry, I didn't mean to cheat you, I just Wu Tian grabs his head and doesn't know how to explain to Mr. mu.

"Come on, what do you want to do?"

"There's something wrong with the company, and I have to go and deal with it."

"Is it the company or the study that matters?"

"The company is my painstaking effort, and my study is my foundation. Both are very important, but..."

"Since you know that school is important, there's nothing to say." Muran pulled his hair around the corner of his ear and held the shelf and said, "hurry back to the classroom."

"I'm really in a hurry now."

"You don't want to go anywhere with me."

"I..." Seeing that Mr. Mu is so persistent, Wu Tian knows that it is useless to reason and plead.

If he doesn't deal with the affairs of the company, he doesn't want to learn.

It seems that we can only get rid of Mr. mu by some vulgar means.

Thinking of this, Wu Tian took the initiative to change the topic and said to Mr. mu, "Mr. mu, I just hit you. Do you still hurt?"

"No It doesn't hurt. " Muran pretty face a red, unconsciously with the hand to protect the body.

He had already forgotten the pain. When Wu Tian asked him, he found that he was still in a faint pain, which was very unpleasant.

"If it doesn't hurt." Wu Tian nodded, then turned his tone: "Mr. mu, if the students know you have been hit by me, how would you feel?"

"What do you mean?"

"If you dare me to go back to the classroom now, I will apologize in front of the whole class and tell everyone that you have been hit by me." Wu Tian Hou Yan said shamelessly.

There's no way. We can only do this right now, or it's hard to get out of it."Wu Tian, are you threatening me?" Muran gas of the mouth corner of a fierce draw, the face in an instant become gloomy black.

"I suggest that the teacher give me a half day off, so that no one knows what happened to the teacher."

"You..."

Mu ran Qi's body trembled fiercely, gnashing teeth for a long time before compromise: "forget it, give you half a day off."

At present, there is no other choice. If the students know that she was hit by Wu Tian, it will definitely cause criticism.

In order to preserve her dignity and reputation, she had to compromise.

"Thank you, Mr. mu."

"Go, go." Muran impatiently waved her hand, met this kind of cheeky student, she really had no way.

"Then I'll go. Goodbye, Mr. mu." Wu Tian waved, turned and walked away quickly.

"This son of a bitch, more and more presumptuous." Muran secretly scolded, looking at Wu Tian's back, it was really some crying and laughing.

I don't know why he connived Wu Tian.

In her connivance, the boy is now more and more wanton, more and more lawless.

Looking down at the hit body, face inexplicably red, complex mood toward the classroom.

As for Wu Tian, he left the classroom in a hurry and asked Uncle Fu to send him to Tianmu company.

When he arrived at the company hall, he found that there was a lot of chaos inside, and the employees were in a mess.

Li Mu, Yuan Wangchun and others were all anxious to turn around in the company. When they saw Wu Tian, they quickly surrounded them.

"Boss Wu, it's bad. Something's wrong." Li Mu looked flustered and even pale.

"Don't worry. Speak slowly. What's the matter?" Wu Tian asked in a hurry. Looking at the current situation, he knew that things were not going well.

"Just now, a group of thugs came in and yelled that they wanted to look for you. Then they rummaged through the company and robbed several computers and files of the company. The key is that the backup files of the new system are stored in those computers, which will cause fatal losses to our company in case of outflow." Li Mu told the story briefly.

After hearing these words, Wu Tian was in deep meditation.

After a long time, he looked up at Li Mu and said, "who are those gangsters? Why rob the company computer? "

"Those people seem to have a grudge against you. The leader's name is brother Jiang." Li Muliao

gave such an answer after pondering.

"Brother Jiang?"

Wu Tian immediately thought that the person who came to make trouble was Zhang Jiang who was brutalized by him in the barbecue street in beimenggou yesterday.

Last night, she drank with Sun Sheng in the barbecue street. As a result, Liu Jiao and Zhang Jiang ran to find trouble. Wu Tian, without saying a word, broke all the eight thugs and finally broke Zhang Jiang's arms.

I thought it was over, but I didn't expect Zhang Jiang to come to the company and remove the computer and files.

Computers and files are of little use to these gangsters. To put it bluntly, they just want to take revenge.

"Boss Wu, do you know those gangsters?" Yuan Wangchun couldn't help but say something.

"Yes, I have some problems with them." Wu Tian finished answering this, and then asked, "why did those thugs take the computer?"

"When the gangsters came, many of our employees were protecting their computers and files. They must have thought that those things were valuable, so they robbed them."

"Did they say anything when they left?"

"When they leave, they want the computer and files, let you go to the rose club, and if they call the police, they will send out the files on the computer."

"Rose club?" Wu Tian narrowed his eyes slightly.

Rose club he naturally heard that this is the old nest of white shark hall.

When it comes to the white shark hall, no one knows it or knows it. It is one of the biggest forces in Dongcheng. Countless people are afraid of it and tremble when they hear the name.

"Boss Wu, I heard that rose club has something to do with white shark Hall..." Yuan Wangchun is not sure, but his tone is obviously a little guilty.

"That's right."

Wu Tian nodded his head and affirmed, "the rose club is the old nest of white shark hall."

"What?"

Hearing this, all the people, including Li Mu, trembled slightly and looked frightened.

When they heard the words "white shark hall", the first thing they thought of was that it was

vicious and vicious. This organization was more terrible than the devil.

"Gudong!"

Li Mu swallowed his mouth and tried to ask, "what shall we do now? Do you want to call the police? "

"You can't call the police. If you push those guys into a hurry and leak out our system architecture, you will lose a lot."

"What about that?"

"Don't worry. I'll see." Wu Tian was deep in thought.

The white shark hall we met this time is very powerful. The other party has been invading Luzhou for decades and has been deeply rooted.

It's hard to take it by yourself.

At present, we can only use the family forces to put pressure on the white shark hall and try to force them to hand over those computers.

Thinking of this, he took out his mobile phone to call Long Yun and asked, "Secretary long, have you ever heard of white shark hall?"

"Of course I have. Why did the young master ask this all of a sudden?" On the other end of the

phone, Long Yun's tone is still indifferent.

"I had a conflict with white shark hall."

"Does the young master mean to destroy the white shark hall with the help of family power?"

"No!"

Wu Tian shook his head and said to the phone, "at present, it is not good for us to destroy such an organization."

He didn't want to destroy the white shark hall this time.

There was no way to wipe out the Dragon Tiger hall before. At that time, the Dragon Tiger hall and the yellow family fish were broken. In order to protect sister LAN, they had to destroy the dragon and tiger hall.

Later, it was learned that the Wu family suffered some small losses even though they destroyed the dragon and tiger hall forever.

This time he decided to change his strategy and try his best to tame him instead of taking complete extermination as the main means.

"What do you want me to do?" The voice of Long Yun came from the phone again.

"Use the family forces to try to contain the white shark hall." Wu Tian looked out of the window and said to his mobile phone, "I'll go to negotiate with white shark hall. If we can talk to each other, we can talk about everything. If we can't, it's not too late to kill them."

"Well, I'll do it right now. Do you have any other plans?"

"Secretary long, Ben Shao suddenly wants to listen to your coquetry."

"Er..." There was a brief silence on the other end of the phone.

Long Yun may have never dreamt of it. Just now Mr. Wu, who was serious, suddenly put forward such a powerless request and even let her act coquettish on the phone.

Micro Leng after, Long Yun cold voice response: "sorry, I will not act coquettish."

"You're a woman, you can't be coquettish?"

"Yes."

"You're a failure, woman." Wu Tian sighed and hung up the phone.

When he looked back, he found that all the employees in the company were staring at him, and their faces were all in incredible surprise.

It seems that the staff have heard me playing with Secretary long in the mobile phone."Cough!"

Wu Tian coughed a few times, broke the embarrassment, and ordered Li Mu: "you take everyone back to their respective posts to continue working."

"What about our computers?" Li Mu is still worried about computers.

"Leave it to me." Wu Tian patted Li Mu on the shoulder and said with a smile, "don't worry, I will bring the company's computer back intact."

With that, he turned and walked away.

Before leaving the hall, Li Mu and Yuan Wangchun's voice were heard: "boss Wu, you must be careful."

"Don't worry. It's OK." Wu Tiantou waved his hand and strode toward the parking lot.

After getting on the bus, he quickly took out his mobile phone to call Qinglong and ordered him to meet outside the rose club.

This time, after all, we have to negotiate with such local villains as the white shark Association. We can't guarantee that everything goes smoothly. We can take Qinglong to take care of us.

After the call, he ordered uncle Fugui to drive to the rose club.

Uncle Fugui's car skills are really excellent. They are not only very fast, but also feel very stable when sitting on it. They arrived at the rose club one step ahead.

After a while, I saw that Qinglong came.

"Young master, is there any action?" As soon as they met, Qinglong couldn't help asking.

"Get in the car first." Wu Tian pushes open the door and signals Qinglong to get on the bus. Then he says solemnly: "I have had some trouble with white shark hall. I'm going to negotiate with them."

"White shark hall?" Hearing these three words, even the fearless green dragon's face changed slightly.

"Yes."

Wu Tian nodded hard, and then said, "this business is bound to be very dangerous. If you don't want to go, I will never force it."

"My life is given by the young master. I will follow the young master even if there is a great deal of fire. I will not refuse to die." Qinglong has a strong and unyielding temperament.

"Good!"

Wu Tian nodded with satisfaction and patted Qinglong on the shoulder, "good job, but you can rest assured that I have made all preparations, and will never make fun of you and me."

"Everything is arranged by the young master."

"Well, you'll follow me later and act accordingly." Wu Tian finished saying this, pushed the door

and got out of the car. He also told uncle Fu Gui, "Uncle Fu, don't turn off the fire and wait here. Be ready to meet us at any time."

"Yes." Liu Fugui nodded forcefully, but did not forget to remind: "young master, be careful."

"Don't worry." Wu Tian confidently smiles, pushes open the door and takes Qinglong to the rose club.

Walking to the door, he looked up at the door, and the bright red billboard was particularly dazzling, as if smeared with blood.

After standing at the door for a few seconds, he took the Green Dragon into the hall.

Red rose club is well-known in Dongcheng District. It is a comprehensive leisure place integrating eating, drinking and playing.

Every night, there will be a lot of guests, even during the day, guests come to spend.

At this time, there were only a dozen guests in the hall, and there were more waiters and waiters than the guests.

Hello, Zhang Fan Mei. I'll go to the front desk for a last day

"Looking for our brother Jiang?" The beauty at the front desk blinked two beautiful eyes, and

the tone of her question was polite.

"Yes."

"What can I do for him?"

"My name is Wu Tian. Zhang Jiang asked me to come to him."

"Yes, just a moment." With this, the waiter took out his cell phone and began to make a call.

Less than a moment after the phone call, a coquettish girl came over and looked at Wu Tian with a few eyes. "Are you Wu Tian of Tianmu?"

"Yes, it's me."

"Brother Jiang is waiting for you on the second floor. Come with me." The coquettish girl left the words and twisted her big buttocks to walk towards the second floor.

Wu Tian did not speak, and Qinglong followed the girl to the second floor.

On the second floor, there are more than 20 luxurious rooms.

After walking along the corridor for more than ten meters, the girl finally stopped at the door of

a private room, "wait here. Brother Jiang will come out to look for you soon."

Finish saying this, twist big buttock to turn to leave.

Wu Tian stood outside the door and waited for a while. Then he raised his hand and knocked on the door. There was no response in the room, so he boldly pushed the door open.

It's a luxury private room with high grade, but it's empty and there's no one in the room.

In the private room around a circle, did not find anyone, just as he turned to leave, heard something inside the suite.

In a hurry into the suite, found some sound in the cabinet, opened the cabinet door, saw a woman inside.

The woman was in her twenties, her face was pretty, her body was tied with hemp rope, and her mouth was sealed with tape.

"Well..."

The woman twisted her body and struggled, blinking her eyes as hard as she could, and sent a signal to Wu Tiantou for help.

Wu Tian stretched out his hand and pulled the woman out of the closet. He untied the tape on

her mouth and asked, "who are you? How could it be here? "

"Hoo Whoa... "

The woman gasped for several breaths and cried for help: "brother, help me, help me..."

"Tell me, who are you?" Wu Tian squats on the ground and looks at the woman in front of her suspiciously.

Without knowing the specific circumstances, he would not rush to rescue.

"My name is Liu Yue. I was sold to brother Jiang by my boyfriend. Wuwuwuwu..." Before she finished, the girl burst into tears.

"Don't cry!"

Wu Tian's low roar shocked the girl and reminded her, "it's not the time to cry. Tell me about the specific situation."

"My boyfriend gambled in the rose club and owed a lot of debt. He had no money to pay the debt. Brother Jiang wanted to cut off his hands. As a result, he took me to pay off the debt." Liu Yue a pair of Chu Chu pitiful appearance explains a way.

"Your boyfriend is a real beast." After hearing this, Wu Tian couldn't help cursing.

"I didn't expect him to be such a person. I knew I was, Wuwuwuwu..." Liu Yue began to cry again.

At the thought of being harmed by Zhang Jiang's gang of animals, she was in agony.

"Well, stop crying and get out of here." Wu Tian reaches out to untie the rope on Liu Yue and prepares to send the girl out first.

"Thank you, brother. Thank you." Liu Yue bowed repeatedly to thank her for her freedom.

"Well, let's go." Wu Tian takes Liu Yue and walks outside. As soon as they get out of the apartment, they see more than ten gangsters break into the hall and surround them.

Seeing so many thugs, Liu Yue shrinks her neck and quickly hides behind Wu Tian to seek shelter.

"Ha ha ha..."

Accompanied by a roar of laughter, Zhang Jiang came out from behind, staring at Wu Tian grimly, "I didn't expect that you boy really dare to come."

"I dare to break into the mountains and rivers, not to mention your dog's nest." Wu Tian curled his lips and responded in a domineering way.

"Boy, I broke my arms yesterday, and today I'm going to pay you off with blood." Zhang Jiang clenched his fists, and his whole body erupted into an astonishing murderous spirit.

"Good to say."

Wu Tian smiles and says without any care: "we have nothing to do with Liu Yue. Let her go first."

"This is the woman her boyfriend gave me to pay off the debt."

"I'll pay back how much her boyfriend owes you." "It seems that you want heroes to save beauty?"

"Yes."

"As long as you can beat us, you can take this woman." Zhang Jiang stirred up the corners of his mouth and teased with a smile.

"That's what you said." Wu Tian glanced at the more than ten thugs and was ready to start.

As a result, Liu Yue hugged his arm and stopped him from saying, "brother, thank you for your kindness. I don't want to see you killed by them for me."

"I can't see that you are a woman with love and righteousness." Wu Tian is very happy. It seems that this woman is worth saving.

"Brother, I know you are a good man. I really don't want to see you killed by them. You'd better go." Liu Yue loosened her arm and urged her eagerly.

"Don't worry. I can handle these people."

"But..."

"All right." Wu Tian didn't give the woman a chance to talk. He said with a smile, "you stand behind and watch the good play. I'll get rid of these people soon."

With that, Chao Qinglong made a look, and they both jumped at the gangsters together.

"Be careful!"

In a hurry, Liu Yue shouts nervously.

Although she didn't know the boy for half an hour, and even didn't know the name of the other person, she had a good impression on the boy in front of her.

The strange boy is a hundred times better than his boyfriend.

Her boyfriend gave her to brother Jiang to pay off the debt, and the strange boy tried his best to protect her at the critical moment.

This is the real man.

When she was extremely worried, Wu Tian's body deviated and easily avoided the attack of two thugs, and then punched them.

The action is fierce and swift, and the attack is extremely fast. The body shuttles among the thugs like a snake, and attacks the gangsters continuously.

Seeing this scene in front of her, Liu Yue was stunned. She didn't expect that the boy in front of

her was a secret master.

That one move is perfect, offensive and defensive, every move is handsome and compelling.

For a moment, she was fascinated by the boy in front of her.

Wow, it's so handsome.

She had never seen such a handsome man in such a big life. The fighting posture was so exciting that she couldn't help shouting in her heart.

Watching those thugs fall by Wu Tian's side, Liu Yue clenches her fists and her hair stands up.

This scene is like a blockbuster. I have only seen it on TV before, but it is the first time to see it in real life.

Just half a minute, Liu Yue was deeply fascinated by the boy in front of her. Her eyes were full of adoration and obsession.

At this time, her eyes are firmly staring at Wu Tian, and she is reluctant to leave for a moment. Her eyes are suffused with soft blue halo.

Under the fierce attack of Wu Tian and Qinglong, more than ten thugs all come down and lie on the ground and howl.

Zhang Jiang's body shakes and steps back several times.

He thought that so many thugs could turn Wu tiangan over, but he didn't expect to miscalculate again. Wu Tian's assistant was so tough.

"You lost." After more than ten thugs, Wu Tian looked up at Zhang Jiang and said, "can we let Liu Yue go now?"

"You are cruel."

Zhang Jiang was unwilling to bite his teeth. His eyes were full of fear and uneasiness. "Well, I'm on my word. That woman can go now."

"That's about it." Wu Tian slowly loosened his fist.

If the boy in front of him dares to talk, he will go straight up and blow his head.

Staring at Zhang Jiang, she looked at Liu Yue and said, "sister, you can go."

"Thank you. Thank you for saving me." Liu yuejiu bowed deeply to express her gratitude.

"It's very dangerous here. Don't linger. Let's go." Wu Tian just wants to see Liu Yue off, because he has more important things to deal with next.

"Well!"

Liu Yue nodded forcefully, walked toward the outside, took a few steps and suddenly turned around, "you are the most powerful man I have ever seen, and I appreciate you very much."

Thank you

"By the way, what's your name?"

"Wu Tian."

"I remember you." Liu Yue smiles, leaves a touch of affectionate gaze, turns around and leaves quickly.

After Liu Yue left, the private room became quiet. Wu Tian approached Zhang Jiang and asked in a cold voice, "where are the computers and documents of our company?"

"It's not with me." Zhang Jiang's momentum was obviously much weaker, and his tone of voice was lower than before.

"Where is it?"

"I gave those things to Shaye. If you want them, go to him."

"Where is the shark?" Wu Tian knew for a long time that this visit to the rose club would certainly disturb the white shark.

So he arranged in advance to let Secretary long use his family power to contain the white shark hall, and then tame the shark Lord.

"Big conference room." After saying this, Zhang Jiang quickly withdrew from the private room.

Wu Tian, without saying a word, quickly chased out with Qinglong.

When he came out of the private room, he found that Liu Yue did not leave, but curled up in the corner, a look of fear.

"Why haven't you left yet?" Wu Tian stops and looks at Liu Yue in the corner.

"I I'm afraid... "

Liu Yue stroked her hair around her ears and slowly looked up at Wu Tian, "I'm afraid I'll leave, and you'll be hurt by them."

"Are you worried about me?"

"Yes."

"Don't worry. I'll be fine."

"I want to be with you." Liu Yue ran over and grabbed Wu Tian's arm with two arms. "I want to be by your side."

"There will be danger later. Aren't you afraid?"

"Afraid." Liu Yue first nodded, then shook his head: "not afraid, with you in, I am not afraid of anything."

"Why?"

"Because you make me feel safe."

"Er..." Wu Tian was stunned for a moment. He didn't expect that this kind of words would come out of the mouth of a girl who didn't know for half an hour.

He reached out his hand and stroked the hair of the girl's ear. He said in a soft voice, "it's too dangerous here. Get out of here quickly."

"No, I want to be with you." Liu Yue grabs Wu Tian's arm with two arms, for fear of being broken free.

"I saved you, how can I still be entangled?" Wu Tian smiles bitterly and shakes his head.

Although he was entangled by the girl, he was very warm in his heart.

At the critical moment, the girl didn't run for her life alone, which is also a kind of love and righteousness.

"I'm just worried about you. If something happens to you, I'll feel guilty all my life." Liu Yue blinked her big eyes and spoke in a sincere tone.

"All right." See this girl so persistent, Wu Tian had to compromise: "you follow me, don't run around, if you encounter danger, find a place to hide."

"Well!" Liu Yue nods hard.

"Well, let's go." Wu Tian smiles bitterly and walks to the large conference room at the end of the corridor.

I saw Zhang Jiang enter the room just now. It must be the so-called large conference room.

Standing in front of the door for a few seconds, then reached out and pushed the door open.

The conference room is very large, with three private rooms. There is a large conference table in the center. There are more than ten men sitting on both sides of the conference table. These men are full of domineering and domineering. At first glance, they are "old slickers" who have been on the battlefield for a long time

In the position of the chairman of the conference table, a big bald head was sitting, steady as Mount Tai, and his whole body was full of amazing domineering power.

Don't want to know that this bald guy is the famous white shark. The head of white shark hall is called the shark Lord in the lake.

With a glance at the people sitting there, Wu Tian steps into the conference room, followed by Qinglong.

Liu Yue followed her slowly. Her legs trembled slightly and her eyes were full of fear. She did not dare to look up at those people in the white shark hall.

"Bang!"

When the three people enter the meeting room, the door closes automatically. Liu Yue's body trembles with the sound of violent knocking on the door, and unconsciously closes her body to Wu Tian.

In her eyes, these people are not people, but a group of human eating monsters, looking at all feel terrible.

All the eyes of the white shark Hall fell on Wu Tian, and they also looked at Wu Tian as if they were looking at a monster.

"Are you Wu Tian?" One of the strong, dark men asked impatiently, with a slight provocation in his eyes.

"Yes, I am." Wu Tian looked directly at the dark man with a cold light in his eyes.

The dark man pinched his fist and gave a cold smile: "I heard that you boy is very good at

fighting?"

"Average."

"I want to see how good you are." The dark man shook his arm and got up to approach Wu Tian.

After a brief look at each other, he suddenly throws his fist at Wu Tian's face and smashes it in the face. The speed is extremely fast and the move is evil.

The corners of Wu Tian's mouth rose with a confident smile.

When the opponent's fist approached, his head slightly deviated, and while avoiding the attack, his right hand sprang out like a snake, clasped the opponent's arm and pulled it hard.

"Click!"

The dark man's arm was broken and his mouth opened with a shrill scream.

Seeing this scene, the faces of the people present changed greatly. They didn't expect that the boy was young, and his moves were so fierce and swift that his methods were extremely cruel.

Even Liu Yue was frightened by Wu Tian's cruel means, and her heart pounded like a drum beating.

Seeing that the bad guys were so miserable, she couldn't help but feel angry.

"You are arrogant." At this time, a one eyed man at the conference table stood up and yelled:
"I'll fight you."

Before the words fell, the one eyed man jumped out of the back of the conference table and took out a dagger to point at Wu Tian's eyes.

"Come on, do it." Wu Tian is too lazy to talk nonsense. He approaches the one eyed man with a lunge and attacks quickly with his right hand.

With the speed of thunder, he grabbed the one eyed man's arm and pulled it hard. He easily took the dagger off.

Then he turned his palm into a fist and smashed it to the chest of the one eyed man. He flew out directly and fell on the ground for half a day.

This scene shocked the whole audience again, and the people in the white shark hall were stunned, and their eyes were full of surprise.

At this time, they no longer have the arrogance and arrogance before, and their eyes are obviously more dignified than before.

"Boy, I compare with you..." Naturally, the white shark hall was not convinced. Two young men stood up at the same time.

"Stop it!"

At this time, the white shark, who had not spoken for a long time, finally opened his mouth and stopped him: "don't fight. You are not his opponents."

"But..."

"Shut up!" The white shark glared at his subordinates fiercely. They were scared to be quiet. No one dared to talk nonsense.

After a short silence, white shark will look at Wu Tian, "young people are brave and brave, I admire someone white."

"The purpose of my coming today must be very clear to you. Hand in the computer and the documents, and we will not offend the river in the future." Wu Tian opens the door to see the mountain road.

"Somebody, take out the things and give them to this little brother." White shark's thick old face squeezed out a smile.

"Mr. shark, it seems that we are too easy to bully by handing things to this boy like this?" The one eyed man got up from the ground and tried to remind him.

"I think young people are good. I want to make friends with him." The white shark touched his big bald head and ordered again, "go and get the things out."

"Yes The one eyed man was unwilling to bite his teeth, so he had to listen to the order of the shark and move out some laptops and files on the table.

"Goodbye!" Wu Tian spits out two words coldly. He turns back and says to Qinglong, "take the things and let's go."

"Wait!"

The white shark suddenly opened his mouth to stop it and said with a smile, "don't hurry to go. I want to talk to you."

"What are you talking about?" Wu Tian narrowed his eyes slightly, with a vague premonition.

I have long guessed that in the style of white shark hall, it is impossible for him to take things away so easily. There must be other additional conditions.

"Sit down, please." The white shark pointed to the opposite position, motioned for Wu Tian to sit down, and then told his subordinates, "give me tea to my little brother."

"What tricks do you play?" Wu Tian went to the meeting table and didn't take his seat. He was staring at the white shark.

It's still hard to figure out what the white shark's heart is, so we can only take a step at a time.

"Little brother, I like your skill and courage. I want you to join us. What do you think?" The white shark made the request.

He spoke in a very sincere tone and sincerely wanted to invite Wu Tian to join the white shark hall.

Looking at the whole white shark hall, no one can have Wu Tian's courage and temperament, let alone so strong skills.

"Sorry, I don't have any interest in your white shark hall." Wu Tian resolutely refused. He didn't want to work for this kind of organization.

"Little brother, as long as you join our white shark hall, I'll let you sit as the second hall leader." In order to retain Wu Tian, the white shark throws out such an olive branch.

The biggest advantage of white shark is that he is eager to know talents. It can be seen at a glance that Wu Tian is a plastic talent and has an unlimited future.

The reason why the white shark hall can develop and grow is that the white shark gathers a group of people of insight, so that it can remain invincible in the east city.

"Master Bai, tell you the truth." Wu Tian lit a cigarette, took a few puffs, and said without expression: "your temple is too small to hold my mountain."

"....."

After hearing this, the smile on the white shark's face slowly solidified, and even a little stiff and white.

"Pa!"

The one eyed man slapped him on the table, pointed to Wu Tian's nose and said, "master shark, please join us in the white shark hall. It looks down on you. You don't know what's good or bad."

"As I said, I'm not interested in your white shark hall. I'll go first if there's nothing else." Wu Tian flicks the ash in his hand and prepares to leave here with Qinglong and Liuyue.

"Stop!"

The white shark's face sank and stood up from his chair. "Where do you think this is? You can come and go if you want?"

"What do you want?" Wu Tian stops and looks at the white shark.

"Since you don't want to join us, that's my enemy. I'll never be soft on the enemy." The white shark said this and waved his right hand.

Soon, more than 30 thugs with sticks poured into the conference room and surrounded them. For a moment, the atmosphere in the conference room became tense.

Liu Yue's body shrank and even stepped back several steps. Her palms were full of cold sweat.

Living for more than ten years, I have never seen such a spectacular array.

"Hoo!"

Wu Tian puffed out a puff of smoke, walked slowly and stopped at a distance of two meters from the white shark.

"Master Bai, do you really want to kill all of them?" Wu Tian seems calm, and his eyes are slightly angry.

"I'd like to make friends with you, but if you don't give face, don't blame my people for being ruthless." The white shark's eye color slightly flickers, in the eye faintly transmits some kind of murderous spirit.

"If I dare to come, I won't be afraid of you."

"Is it? I want to know how you get out of here? "

"If I do, one white shark hall will soon perish." Wu Tian's eyes were like water, and his whole body was full of domineering Qi.

The white shark was shocked by this momentum, and soon returned to calm, "I didn't expect that your boy is young, but your tone is not small."

"I can tell you as much as I have. I never boast." Wu Tianhan's eyes flashed, and his eyes were full of murderous spirit.

"Well, I'd like to see it." The white shark reached out and made a gesture of invitation and said with a smile, "I want to see how you destroyed our white shark hall."

"Well, I'll show you." Wu Tian finished saying this. He took out his mobile phone and dialed the Secretary's phone number. He only said two words to the mobile phone: "do it!"

Then he began to smoke.

Soon, the conference room was filled with thick smoke.

Wu Tian and white shark did not speak. They looked at each other as though they were fighting a cold war.

No one else spoke. There was no sound.

It lasted more than ten minutes, and it was the one eyed man's phone call that broke the silence.

The one eyed man only said a few words, then his face changed greatly. He reported to white shark: "no, shark, our business source has been restrained, and several docks have suffered heavy losses."

"What?"

On hearing this, the white shark's face became dark and gloomy.

The wharf business is the main source of the white shark Hall's economy. Once the wharf is strangled, other industries will be blocked and the lifeline will be cut off soon.

After the micro Leng, the white shark turned his eyes to Wu Tian and doubted, "it's you who cheat behind your back?"

"Yes, it's me." Wu Tian nodded.

"Do you think we can kill the white shark hall in this way?"

"Don't worry, white hall leader. The show has just begun." Wu Tian put out his cigarette butt and said with a smile.

"Well, I'll see what else you can do." The white shark soon calmed down.

"Soon you will know." Wu Tian pulled a chair and sat down at the front of the conference table.

After waiting for a few minutes, the one eyed man got the call again.

After answering the phone call, his face became more pale, and he quickly reported to the white shark: "master, come out Something's going on. "

"What's the matter?" The white shark asked in a deep voice.

"Just got the news, the top ten organizations in Luzhou united to declare war on us and vowed to destroy us..."

"What?" On hearing this, the white shark's face became dark and gloomy.

Not only he, but all the people in the white shark hall all changed their faces. They were afraid as if the sky was falling.

If the top ten organizations unite to deal with the white shark hall, it will not be long before the white shark hall will disappear in Luzhou.

This is a disaster for white shark hall.

After a brief pause, the white shark asked the one eyed man, "how can this happen? How could this happen all of a sudden? "

"It's someone who is behind the scenes, united with the top ten organizations to attack white shark hall." The one eyed man explained in a low voice.

"Who? Who is behind the scenes? "

"I don't know."

"Why don't you know..." The white shark roared and suddenly put his eyes on Wu Tian's face,

"is it you? Is it your boy who is behind the scenes again? "

"Yes, it's me." The expression on Wu Tian's face was still so calm, and he was very indifferent from the beginning to the end.

"You..."

The white shark mouth corner fiercely trembles a few times, low voice question: "what kind of person are you boy?"

"I'm the one you can't afford." Wu tianleng spit out such a sentence, the tone is still so calm.

"Being able to manipulate the top ten organizations is not something that ordinary people can do." At this time, the white shark's eyes at Wu Tian became dignified and even a little afraid.

"Believe it or not, as long as I say a word, you can completely disappear in three days?"

"Letter!" The white shark nodded.

Now he had to believe that the boy had the strength to make the white shark hall disappear in three days.

The economic lifeline of white shark hall can be cut off in half an hour, and the top ten organizations in Luzhou can be controlled. The strength and power behind it can be imagined. This is not what ordinary people can do.

I can't imagine how strong the boy is behind.

Now I can be sure that this boy is really a person they can't afford to provoke. Let alone the white shark hall, if you look at the whole Luzhou, I'm afraid no one can.

"What are you going to do with me now?" Wu Tianyang looked up at the white shark with a cold light in his eyes.

"No!"

White shark shakes his head, at this moment like a defeated rooster, expressionless way: "I white shark has lived most of his life, no one is afraid of, you boy let me believe it."

"Can I go now?" Wu Tian stands up from his chair.

"Yes

"Those who know the current affairs are outstanding people. It seems that the white hall leader is very smart." Wu Tian grinned and turned his head to the green dragon and said, "take the things and let's go."

"Yes." Qinglong goes to pick up the computer and documents on his desk and follows Wu TianChao outside.

Liu Yue is also a clever face to follow behind, at this time to see Wu Tian's eyes full of worship

and admiration, even with a bit of obsession.

At the beginning, I just felt that the boy was very powerful. Gradually, he found that the boy had amazing strength and power. In just a few minutes, Shaye was shocked.

Looking at the whole Luzhou, I'm afraid not many people can do it.

After a short time of more than half an hour, she found that she had been deeply fascinated by the boy named Wu Tian.

"Wait!"

Before Wu Tiansan went out, the one eyed man suddenly opened his mouth: "boy, you think this is a vegetable market. You can come and go if you want?"

"What else do you want?" Wu Tian stopped and asked coldly.

"With my one eye, you don't want to Bang The one eyed man didn't finish his words and was slapped hard on the face.

It was the white shark who hit him.

After this slap, the white shark pointed to his one eyed nose and said, "if you don't want to die, you'll shut up."

"Master, I'm not afraid to die." The one eyed man looks back on his head with a pair of hard man temperament."I'm not afraid to die." "But I'm afraid that the white shark hall, which has

been built for decades, will be destroyed," the white shark said in a low voice

"But..."

"You can also see that the opponent can cut off our economic lifeline in a short time and control the top ten organizations in Luzhou. It can be seen how powerful the opponent's forces are. As long as he makes a move, we white shark hall will surely perish."

"This..." After hearing this, the one eyed man slowly lowered his head.

"With our present strength, it would be suicidal to fight against him." After saying this, white shark walked to Wu Tian and changed his attitude. "Brother Wu, enemies are easy to solve but not easy to knot. My subordinates can't talk. Please don't have a common sense with him."

"I don't want to make things big, but I don't mind making things big. It depends on your attitude." Wu Tian said this and continued to walk outside.

"Brother Wu, wait a minute." White shark once again stopped a sentence, quickly catch up, "it is the so-called do not fight do not know each other, we are also known, hope to make friends with brother Wu."

"Let's talk about it later. I hope the white hall supervisor can do his subordinates well and don't let them provoke me again." Wu Tian finished saying this and quickly left with Qinglong and Liuyue.

The matter subsided. It seemed like a dangerous star, but it didn't stir up any waves.

Relying on the powerful forces of the Wu family and Wu Tian's courage and courage, the white

shark hall was stunned in half an hour, and the shark Lord bowed his head to submit himself.

Until he walked out of the rose club, Wu Tiantian was relieved. This was the first time that he faced the white shark hall. Although he had made full preparations before, he was inevitably a little worried.

This trip to the white shark hall is a great exercise for him. He will be more comfortable with such things in the future.

At the same time, he also had to admire the powerful forces of the Wu family, which could control the top ten organizations in Luzhou in a short time.

Out of the rose club, Wu Tian turned to Liu Yue and said, "sister, you are safe now."

"Thank you, brother." Liu Yue bowed deeply to express her gratitude and respect.

"You're welcome to raise your hand." Wu Tian waved his hand and said with a smile, "since you are safe now, go home quickly."

"I..."

Liu Yue looked up at Wu Tian and bit her mouth. After a long time, she murmured: "brother, I don't want to go home."

"Where are you going if you don't go home?" Wu Tianning frowns puzzled way, feeling that this girl is a little abnormal.

"I..."

Liu Yue bowed her head and pinched it for a long time before whispering out a sentence: "I want to follow you."

"What are you doing with me?"

"In return for your help."

"I see." Wu Tian shook his head with a bitter smile and tried to ask, "do you want to make a promise to me?"

"....." Liu Yue didn't say anything, which was tacit.

"Sister, I saved you just by the way, there is no need to repay." Wu Tian adjusted her scattered hair and said with a smile, "go back quickly. Don't let your parents worry."

With that, he took the green dragon to the red flag car parked by the street.

After walking a few steps, she found that Liu Yue was quietly following behind, with a determined and unshakable look.

Wu Tian stopped and looked at Liu Yue with some headache, "girl, didn't you let you go home, how did you follow me again?"

"I don't want to go home. I just want to follow you." Liu Yue has a bit of stubborn bite mouth, now this looks like a very inseparable lover.

"You..."

Wu Tian wanted to cry without tears. He saved the sister with good intentions. He didn't expect to be pestered by the other side.

After thinking about it for a while, she raised her head to Liu Yue and said, "girl, brother has a girlfriend. If you follow me like this, you will make my girlfriend misunderstand."

"Ah? Do you have a girlfriend? " Liu Yue's eyes are obviously a bit lost.

However, he soon regained his composure and said with a smile, "then I will stay by your side and be your sister. Can I take care of you?"

"No, I don't need you to take care of me. I don't need you to repay me."

"Don't get me wrong. I'm not greedy for your money." Liu Yue shook her head and sincerely explained, "I just adore you and want to stay with you."

"It's really inconvenient."

Wu Tian thought for a moment, took out a business card from his pocket and handed it to him,

"this is my phone. If you have any trouble in the future, you can call me at any time."

"All right, then." Liu Yue took the business card and held it tightly in her hand, as if it were her baby.

"Then I'll go." Wu Tianpai waved his hand and walked away with Qinglong for fear that Liu Yue would catch up again.

Fortunately, Liu Yue didn't catch up with him this time. Wu Tian took a deep breath and sighed to Qinglong: "why do you think this girl has to pester me?"

"This is the unusual personality charm of the young master." Qinglong's expressionless face gives such an answer.

"No!"

Wu Tian shook his head and looked at the sky as if to himself: "maybe I can bring her a sense of security, so I just want to follow me."

"Young master, be merciful everywhere. I'm afraid there will be trouble in the future."

"Where can I be merciful?"

"The young master may be unintentional, but the girls may not think so."

"Ah Wu Tian sighed, "forget it, don't want so much. Let's get on the bus first. Uncle Fu and GUI are still waiting."

With these words, he quickly walked to the red flag car with the green dragon.

Liu Fugui was anxiously waiting in the car. Seeing the young master's repentance, he quickly got out of the car and asked, "young master, is it OK?"

"It's OK. Everything is going well." Wu Tian's mouth rose and squeezed out a warm smile.

Seeing that rich uncle cares about himself so much, his heart is even warmer than eating honey.

"It's OK." Liu Fugui patted Wu Tian on the shoulder. His eyes were full of pet and pain.

"OK, uncle Fugui, let's send the things back to Tianmu company

"OK, get in the car." Liu Fugui opened the door and invited Wu Tian and Qinglong into the red flag car.

Then excitedly got into the driver's seat and started the car to drive away from here.

The car drove all the way and soon came to Tianmu company.

Wu Tian entered the company with his computer and documents, and Li Mu and his employees

immediately surrounded him.

"Here, here are the company's computers and documents. I've got them back." Wu Tianshuo put several laptops and documents on the table and said with a smile.

As soon as you see these computers and files, everyone is very happy. When you have a cold, you can check the storage inside.

"Boss Wu, how did you get these computers and files back?" Li Mu couldn't help being excited and excited, and rushed to ask about the situation.

"After a heated negotiation with white shark hall, they returned the computers to us." Wu Tian explained lightly.

"They give it to you so easily?"

"Yes."

"No conditions?"

"No Wu Tian patted Li Mu on the shoulder and said to all the staff, "don't worry, the white shark hall will never come to us again.""Good!" They all applauded in unison, then raised their hands and clapped wildly. They all praised the ability of boss Wu.

I didn't expect boss Wu to be so powerful. In less than an hour, he took back the computer and documents from the white shark hall.

"Boss Wu, you're really good. It's admirable to have your computer and files back so quickly." Li Mu said this and bowed deeply to Wu Tian: "on behalf of all the staff of Tianmu company, I would like to thank you for helping the company solve this big problem."

"Don't say that. I'm also a part of Tianmu. It's reasonable for me to solve the company's troubles. What's more, it's because of me."

"We just admire boss Wu's ability to solve problems."

"Well, don't flatter." Wu Tian pressed his hand and motioned for silence. Then he said, "no matter what time, as long as the company is in trouble, we will work together to find a solution."

"Pa pa pa pa pa..."

After this, there was a big round of applause.

"This period of time, everyone is very hard, go back to rest after work early." Wu Tian said this and turned his head to Li Mu. "Mr. Li, let's go out to dinner and talk about the new system."

"Good!"

Li Mu nodded and put his head in the past. "I just want to report to you about the latest progress of the mobile phone operating system. After the operating system came into the market, the response was particularly good, and now it has achieved profits."

"So fast?" For this result, Wu Tian was a little overjoyed. He didn't expect the operating system to be profitable so soon.

"More than ten times better than expected." Li Mu couldn't hide his excitement and excitement and said with a smile: "next, we are going to carry out the second round of promotion."

"Just let me know if you have any problems. I'll try to solve them and help you pave the way."

"Thank you for your support." Li Mu raised his head confidently, "when the second round of promotion is fully spread out, our market share will be steadily increased, and our profitability will also become stronger."

"Good!"

Wu Tian nodded with satisfaction. He also reminded him: "it is good to develop fast, but we need to be down-to-earth. We must not be greedy for speed..."

They discussed the details of the new system promotion, and then left the company to go out for dinner.

Just out of the company, green dragon came over, "young master, my sister wants me to go home to eat with her."

"Then you can go back and eat with her." Wu Tian said this and then added, "well, I'll go with you to see your sister."

"Thank you, young master."

"Don't be polite between us." Wu Tian waved his hand and turned to Li Mu and said, "I'll go to see sister Qinglong first and invite you to dinner another day."

"Boss Wu is going to be busy first. We'll talk about dinner another day." Li Mu smiles, showing great atmosphere.

"Well, let's go first." Wu Tian, with an apologetic smile, got on the red flag car with Qinglong, and then ordered uncle Fu to drive to Qinglong's house.

The house Qinglong rented to his sister is quite quiet. It is a large courtyard with beautiful environment.

When several people got home, they saw that Xiaofeng was busy cooking. Now she had made two simple dishes.

"Brother, you are back!" Xiaofeng said hello, this just saw Wu Tian. She quickly adjusted her hair style and said hello in a soft voice: "brother Xiaotian, you are here."

"Xiaofeng is really good. I didn't expect you could cook." Wu Tian took a look at the two simple dishes and said with a smile.

"I made it blindly, and I don't know if it's good or not?" Xiaofeng slightly lowered her head, looking a little shy.

"Come on, I'll try it."

Wu Tian was not polite. He sat down directly and tasted the two dishes with his chopsticks.

The food is not very good, even a little salty.

However, in order not to eliminate the enthusiasm of Xiaofeng, Wu Tian repeatedly nodded and praised: "Xiaofeng is a good craftsman, and the food is really delicious."

"Really?" Hearing this, Xiao Feng's happy mouth couldn't close.

"It's true, of course." Wu Tian nodded and waved to Qinglong: "what are you doing? Sit down and eat."

"Good!" Qinglong finally regained his mind and sat down with Wu Tian for dinner.

"I'll get you wine." Xiaofeng ran over and took out a bottle of Niulan mountain.

Qinglong took the wine and poured two cups. They drank happily.

"Xiaofeng, how are you doing now?" After drinking two glasses of wine, Wu Tian couldn't help caring for Xiaofeng.

"I have recovered from my illness." Xiaofeng turned around in the same place and said with a smile, "I can jump now, and I can cook!"

"That's good."

Wu Tian saw that the girl was as carefree as a bird and in a wonderful mood. He tried to suggest, "you're bored at home. How about sending you to school?"

"Well, well, I wanted to go to school for a long time." Xiaofeng nodded repeatedly, yearning for campus life.

"Well, I'll sign up for you in the afternoon."

"Thank you, Tiange."

"By the way, your brother's house is bigger. Why don't you move to live with your brother, so that we can take care of it."

"This..." Xiaofeng did not reply immediately, but looked at Qinglong with that kind of consulting eyes.

Qinglong put down his chopsticks and said with a smile, "young master, thank you for your kindness, but I don't want Xiaofeng to go there and give you any trouble."

"What do you mean? Xiaofeng is your sister and my sister. Your brother and sister's business is mine."

"But..."

"Well, that's the decision." Wu Tian raised his glass to Qinglong and said, "here, cheers."

"Thank you, young master." After Qinglong said thanks, he drank all the liquor in the cup.

After drinking wine, several people are busy to move for Xiaofeng.

This girl has few things, that is, simple daily necessities. She moved the things in less than an hour.

Xiaofeng and Qinglong live in the same apartment, the rich uncle's family lives next door, Wu Tian and Long Yun live in the big suite. Of course, there are Shen Xue and Su Ruyun's two daughters in the family now.

After the move, Wu Tian personally sent Xiaofeng to school.

Huang'an middle school, the best high school in Luzhou, has strong school running conditions and first-class teachers. It is the dream of many students.

Wu Tian asked Secretary long to contact the headmaster before. Now he just needs to go through the admission procedures.

Several people came to the school gate and were blocked by security.

"This is an important place for teaching. People who are not allowed to enter." The security

guard, in his forties, carried his hands behind his back, quite like a leader.

"Hello, uncle. Let's find the headmaster Zhao Wenwen." Wu Tian politely explained the situation to the security guard.

"What can I do for president Zhao?" The security guard looks up with his head up, looking like a dog.

"Let's go to headmaster Zhao for admission."

"Come back, then."

"Why?"

"Our school is full of students."

"Headmaster Zhao told my secretary that we still have one last place for me in our school." "Secretary?" The security guard glanced at Wu Tian with scornful eyes, and said with ridicule, "can you ask for a secretary, too?"

"Here's my card." Wu Tian was too lazy to talk nonsense. He took out a business card and handed it to him.

Taking the business card, the security guard immediately changed his attitude. He couldn't help exclaiming, "I didn't expect that you are young and you are the big boss of a technology company."

"By the way, this is my letter of introduction." Wu Tian suddenly remembered that Secretary Long had left him a letter of introduction and quickly took it out and handed it to the security guard.

The security guard took the letter of introduction and saw the signature of the headmaster. He immediately became respectful and said, "I'm sorry, I have offended you before. Please forgive me."

At this time, he was afraid. He didn't expect that the boy in front of him had a great future. He was very dangerous just now, and almost made a big accident.

"Uncle, shall we go in there now?" Wu Tian put up the letter of introduction and asked with a smile.

"Yes, of course." The security guard rushed forward to open the iron door, reached out and made a gesture of please, "inside please."

Thank you After Wu Tian thanks, he goes in with Qinglong and Xiaofeng.

They went straight to the teaching building, and soon found the principal's office on the third floor, and knocked on the door of the office.

It took nearly two minutes for the office door to open.

The whole office was a mess, and the air was full of the disgusting smell between men and women.

At this time, there is a pair of men and women in the office, a man in his fifties, wearing short-

sighted glasses, a little bald on the head.

This is Zhao Wenwen, the headmaster of Huang'an middle school. Beside him, there is a beautiful young woman with untidy clothes and messy hair. Her cheeks are flushed.

You don't have to think about it. Just now, the couple were doing something shady in the office, but they were interrupted by Wu Tiansan.

"Who let you in, get out of here." Zhao literature was interrupted by good things, naturally unhappy in his heart, and roared angrily in his voice.

"Hello, headmaster Zhao." Wu Tian stretched out his right hand and introduced himself: "my name is..."

"Shut up!"

Zhao Wenwen interrupted impatiently, pointed to the door and roared, "say again, you get out of here now."
