

CHAPTER 331 - 340

"I don't have the guts." The salesman flattened his mouth and asked softly, "are you the boss of this commercial street?"

"Yes." Wu Tian nodded: "Wanjie is really developed by me."

"Boss, you are so good." The salesman's eyes twinkled a few times, a face of worship: "young, developed such a large commercial street."

"Much better than me. By the way, do you have anything else to do?"

"I..." The salesman lowered his head, pondered for a few seconds, and summoned his courage: "boss, I I want to follow you. "

"Be my junior?"

"Go, it's not." The salesman blushed and said, "I just want to make a lot of money with you."

"With your figure and face, a local tyrant can make a lot of money."

"I'm not that kind of person."

"I'm kidding you." Wu Tian put away his impudent smile and said, "do you really want to follow

me?"

"Yes."

"Well, I think you have a good character. I'll take care of you." Wu Tian finished saying this and took out a business card and handed it to him. "This is the phone call of Jiang Wan, the person in charge of the commercial street. You can take the business card to find her and ask her to arrange your work for you."

"Thank you, boss." The salesman took the card and bowed again and again.

"Work hard and promote you to be my concubine in the future." Seeing that the girl is cute, Wu Tian can't help but make fun of it.

"Bad boss." The salesman knew that Wu Tian was joking, but he was not angry. He just said with a smile.

"Well, nothing else. Let's go first." Wu Tian waves his hand and takes sister LAN to leave the clothing store.

Just out of the clothing store is not far away, Huang Lan can not help but despise the way: "you can really be a flower heart big Luo Bo, even the salesmen are flirting."

"That girl is very lovely. I can't help it Hey, hey Wu Tian grabs his head and laughs.

"Are you going to seduce beautiful women when you see them?"

"Beauty is on the one hand, mainly on the edge of the eye."

"Men really don't have a good thing." Huang Lan rolled her eyes fiercely and walked forward with long legs. Her face was full of anger.

Wu Tian ran after him and asked with a smile, "sister LAN, where are we going now?"

"I don't want to go anywhere."

"Let's go to the live broadcast of the event and see what's going on?"

"Whatever you want

"Go Wu Tian couldn't help but say that he took Huang Lan to Wanzheng street.

This is the intersection of several blocks, which is the core area of the whole Wanjie street, where all the passenger flow will converge.

At this time, a huge temporary stage has been set up on the right side of Wanzheng street, where a live broadcast ceremony will be held tonight.

"Sister LAN, would you like to have a rehearsal Wu Tian points to the newly built stage and asks Huang Lan.

"Do you still have a rehearsal?"

"That's true." Wu Tian touched his chin and quickly changed his mouth: "I haven't heard sister LAN sing for a long time. I just feel a little itchy in my heart."

"Stinky boy, what's the hurry? I'll let you hear enough at night."

"Sing me conquest at night?"

"Fuck you." Huang Lan winked at Wu Tian's chest with her fist and scolded him: "you are more and more brave. Even my sister dares to molest."

"It's not that I was taught bad by sister LAN."

"You're not bad. You're bad." Huang Lan finished saying this, covered his mouth and laughed.

Just as they were talking and laughing, a thin young man came up and said sarcastically in his voice, "isn't this Huang Da star?"

"Wang Lei, why are you?" See this man, Huang Lan eyebrows a tight, in the eye faintly some displeasure.

"I didn't expect to see you here, did you?" Wang Lei pulled the collar, a stream force coax

appearance.

"I didn't think of it." Huang Lan was tired of leaving a white eye and impatiently said, "what are you doing here?"

"I work here. By the way, I almost forgot to introduce myself. I am now the operation director of seafood TV, and I plan the live show." Speaking of this, Wang Lei shook his collar haughtily, like a second uncle.

"Are you the director of operations for seafood TV?" Huang Lan was quite surprised. She didn't expect that such a small role could be mixed into the director of seafood TV.

This man named Wang Lei used to work in her media company as a small public relations employee.

In the past, I used to flatter her and try to climb up to her so as to turn over.

At that time, Huang Lan felt that Wang Lei's conduct was improper, so he ignored the man and kept a certain distance.

I just didn't expect that this kid got involved in seafood TV overnight and became a seafood executive.

"That's right. I'm the director of operations of seafood TV. I'm in charge of tonight's live show." Wang Lei raised his head haughtily and his nostrils were already in the air.

"Is it?" The corner of Huang Lan's mouth arouses a cold meaning. She couldn't understand how seafood TV could hire such a scum into the company.

"Sister LAN, you are also a third rate singer. How can you be reduced to such a small live broadcasting company as a host?" Wang Lei did not show weakness, hit the way.

Huang Lan hands embrace chest, haughtily raise the head, "my matter also does not turn to you to comment."

"No, I wasn't qualified before. Now I'm a seafood TV executive, your immediate boss. I'm qualified to talk to you."

"Dogs are very powerful."

"What do you pretend to be?" Wang Lei turned around Huang Lan for a few times. "Before I tried my best to curry favor with you, but you didn't care about me. I didn't expect that now I'm still the anchor. I don't want to take charge of it?"

"Pooh!"

Huang Lan spat furiously on the ground and retorted: "tub me, you are not qualified."

"I'm now a senior executive of seafood TV, so I'm qualified to take charge of you. For tonight's live broadcast, if I say a word, you won't be able to get on the stage."

"It doesn't matter if I'm on stage or not. Don't ask me." Huang Lan said this and turned to leave.

Seeing that elder sister LAN is going to leave, Wu Tian grabs Huang Lan's arm and comforts him: "sister LAN, don't be angry. I'll teach you a lesson to this silly boy who doesn't know the heaven

and earth."

After saying this, Wu Tian reprimanded Wang Lei: "give you a chance to apologize to sister LAN."

"Who are you? What qualifications do you have for me to apologize to this woman?" Wang's head is up and up.

"Then I'll let Sun Zong tell you which one I am." Wu Tian finished saying this, touched out the mobile phone and dialed Sun Sheng.

Sun Sheng happened to be in the neighborhood to promote tonight's live broadcast ceremony. As soon as he received the call, he rushed over.

As soon as he saw Sun Sheng, Wang Lei immediately changed his attitude. He went up to flatter him and said, "general manager Sun, Huang Lan is bringing a little boy with him to make trouble."

"What kind of boy?" Sun Sheng asked angrily.

"That's the boy." Wang Lei pointed to Wu Tian and said, "that boy is so arrogant that he comes here to tell us what to do and doesn't take any piss to take care of him..."

"Keep your dog's eyes open." Sun Sheng Mou color a cold, pointing to Wu Tian, introduced: "he is our seafood TV big boss Wu Tian."

"Ah?"

Wang Lei's face was startled and his eyes almost didn't stare out.

Unexpectedly, the young boy in shabby clothes and plain looks is the boss Wu of seafood TV.

Before still want to please Wu boss, but result big boss stands in front of, he unexpectedly does not know.

What's more, he also spoke ill of boss Wu, and completely offended the big boss.

At this time, he had a bad premonition that this time it was completely over.

"What are you doing? Make an apology to boss Wu." Sun Sheng kicks Wang Lei and reminds him angrily.

If it was not for his friend's strong recommendation, how could he let this kind of goods come to the company to be a senior manager? It's a disgrace to the company.

"Yes, yes, yes."

Wang Lei returned to his senses and quickly bowed to Wu Tian and apologized: "boss Wu, it's really a flood that has washed into the Dragon King temple. The family don't know a family."

At this moment, there is no arrogance and arrogance just now. He bows and apologizes like grandson.

Before he was arrogant head up, nostrils in the air, now is exactly the opposite, the head almost did not shrink into the crotch.

"Who is your family?" Wu Tian's face was full of abuse: "the goods like you don't deserve to stay in our seafood TV..."

"Yes, yes, yes." Wang Lei also did not refute, repeatedly bowed and apologized: "sorry, I was wrong, I will be obedient in the future, will never make the same mistake again."

"You shouldn't apologize to me. You should apologize to sister LAN." Wu Tian reminds Wang Lei.

Now the top priority is to pacify sister LAN. If Huang Lan is angry and doesn't attend the live broadcast ceremony, all the efforts of the company will be in vain.

"Yes, yes, yes." After Wang Lei answered, he had to lick his face to apologize to Huang Lan: "sister LAN, I'm sorry, I had no eyes before, I shouldn't have offended you, I apologize to you, I hope sister LAN can forgive."

"Pa!"

Huang Lan raised his hand and slapped Wang Lei in the face. He scolded him fiercely and said,

"what qualifications do you have to fart in front of me

See LAN elder sister lose temper, Wu Tian's body shrinks, unconsciously back several cloth.

To tell you the truth, it's the first time to see sister LAN angry. Now it looks like she's more fierce than the female tiger.

LAN elder sister in front of him is always coquettish eyebrow person, the face always has the hook person's smile, is the first time saw LAN elder sister so ferocious appearance.

Maybe this is the most real sister LAN.

"Sister LAN, if I can make you feel relieved, you can fight." Wang Lei was slapped and didn't dare to fart.

"Remember." Huang Lan pointed to Wang Lei's nose and scolded: "in my eyes, you are always a dog, and you can't get on the hall of elegance."

"Yes, yes, yes, I am." At this moment, Wang Lei, who also took care of dignity and face, continued to apologize: "sister LAN, I was wrong, please forgive me."

"No, I won't forgive you." Huang Lan said this, turned to Wu Tian and said, "I don't want to see this man on seafood TV."

"Yes." Wu Tian nodded and told Sun Sheng, "Sun Zong, do as LAN elder sister wants."

"Yes

Now, you have nothing to do with sun Yingsheng

"Mr. Sun and Mr. Wu, please give me another chance..." Wang Lei implored hysterically, don't mention how poor it is.

"Ah

Sun Sheng sighed softly and said with regret: "I only blame you for not provoking sister LAN. You're out of action. Get out of here!"

"I Plop

Wang Lei's two legs are soft, like mud on the ground, did not expect seafood TV's executive career to end so soon.

It was less than two hours since I became the director of seafood. Before I could get the chance, I was expelled from seafood TV.

At this time, he felt very regretful. He knew that sister Lan was covered by boss Wu on seafood TV. Even if he had 18 guts, she would not dare to provoke this woman.

Now it's too late to regret. After all, there is no regret medicine in the world.

It took Wang Lei a long time to get up from the ground and shake his body away from here. He was extremely depressed.

"Sister LAN, are you satisfied with the result?" Under the sign of Wu Tian, Sun Sheng advances to flatter Huang Lan.

"Satisfied." Huang Lan didn't give face at all. He scolded fiercely and scolded coldly: "look at the people you recruit. Scum like Wang Lei can't enter our company at all."

"Yes, yes, yes." Sun Sheng knew that sister Lan was in a bad mood, so he quickly accompanied her with a smile and said, "sister LAN, don't worry, we will never have such scum again."

"I don't want to get involved in the business of your company, but I won't attend the live show tonight. I'm tired and I'll go first." Huang Lan finish saying this, stride big long leg to walk toward Wanzheng knot outside. On hearing this, Sun Sheng was very scared. He ran after him and said, "sister LAN, tonight's live broadcast event is very important. You are the pillar of our seafood TV. If you don't participate, we will surely lose tonight."

"It's your business, it's none of my business." Huang Lan was really angry, and she was very aggressive.

"Sister LAN, I beg you..."

"You don't have to ask me. I won't take part in any activities tonight." With these words, Huang Lan walked away with long legs.

Sun Sheng wanted to cry without tears, but he didn't expect that it would be so difficult for women to make a fuss, especially for women of such status.

After the micro Leng, he had to ask Wu Tian for help: "boss Wu, now only you can handle sister LAN, you go to ask sister LAN quickly, we can't live without her tonight."

"Sister LAN is very angry this time. I'm afraid I can't make it." Wu Tian shrugs his shoulders and looks helpless.

"You can handle it." Sun Sheng turned to look at Huang Lan's back and whispered, "sister LAN will stay in our seafood TV because of your face. Otherwise, with her identity, any media company is better than our live broadcasting company."

"Well, I'll try." Wu TianChao chased sister LAN for a few steps, then turned back to Sun Sheng and told him, "set up the stage, maintain the order of the scene, and everything goes on normally. I will definitely bring Lan Jie back."

Finish saying this, quickly toward the direction that Huang Lan leaves to chase up.

Soon in the street to catch up with sister LAN, and its interception.

"Sister LAN, are you still angry about what happened just now?" Wu Tian tilts his head and looks at sister Lan's eyes from below.

"Nonsense." The word "cold" appears on the right.

"Sister LAN, Qi can hurt your body. Being angry will affect your normal development..."

"Go away!" Huang Lan didn't have a good temper to turn to white eye, "Hun boy, you don't have to laugh with me here."

"Sister LAN is still angry?"

"Nonsense."

"Don't be angry. You see, your chest is getting smaller."

"You Poof Huang Lan choked on the words she wanted to scold for a long time, but she couldn't help laughing.

"That's right. LAN looks good when she laughs." Seeing the LAN elder sister laugh, Wu Tian also secretly relieved.

"Stinky boy, you've always been glib."

"Glib, just smile for sister Bolan."

"You'd better save it. Anyway, my sister won't attend your live show tonight." Huang Lan said this, and walked on with long legs.

Wu Tian quickly ran after him and said with a smile: "sister LAN, I never asked for help before. This time I beg you. How about helping me once tonight?"

"Why should I help you?"

"You are my sister."

"What's the advantage of being a sister to you?"

"I can accompany my sister to eat, go shopping and buy clothes."

"Not rare."

"Sister LAN, how on earth will you promise me to attend the live broadcast ceremony tonight?"

"This one..." Huang Lan stopped, her eyes turned a few times, then she looked back at Wu Tian, "so you first tell me, is sister beautiful, or is your snow beautiful?"

"All beautiful." Wu Tian blurted out if he wanted to.

Huang Lan was not satisfied with the answer, and said angrily, "you'd better go to find your Shen Xue, don't follow me."

After saying this, she continued to move forward with anger on her face.

"Sister LAN, don't go away." Wu Tian slightly a Leng, hastened to catch up with a change of mouth: "I think LAN elder sister is more beautiful."

At present, in order to appease Huang Lan, she can only make up some lies to make the woman happy.

"Well, do you think Shen Xue is sexy or I am sexy?"

"Sister LAN is sexy."

"If you were to marry, who would you marry?"

"Sister LAN."

"You have good taste." After listening to these answers, Huang Lan's anger gradually dissipated and her face was replaced by a smile.

"Sister LAN, are you still angry?"

"Not angry."

"Would you like to attend the live show tonight?"

"Look at your performance."

"Sister LAN, how do you want me to behave?"

"You go and tell Shen Xue that I am more beautiful and sexy than her." Huang Lan laughs strangely and deliberately.

"Ah?" Hearing this, Wu Tian was completely dumbfounded.

I didn't expect that Lan elder sister would have such a tricky problem. If she went on like this, wouldn't Shen Xue turn over his face?

"I'm just kidding you. I'm scared." Huang Lan didn't like to roll a white eye, suddenly asked a: "I and Shen Xue in your mind, whose weight is heavier?"

"Sister LAN, do you want to hear the truth or the lie?" Wu Tian put away his smile and became serious.

"The truth."

"Sister LAN, of course."

"Why me?"

"Because sister LAN is heavier than Shen Xue."

"Go away!" Huang Lan's face suddenly sank, angry scolded: "Hun boy, do you think I'm fat?"

"Not fat, just plump."

"Rogue!" Huang Lan didn't like to roll a white eye, compromise way: "forget it, sister don't embarrass you, tonight's live broadcast ceremony I will attend."

"Thank you, sister LAN. Sister LAN is closer to my sister." Wu Tian stretched out his hand and held the woman in his arms.

"Go!" Huang Lan pushed Wu Tian aside and said with a smile: "Stinky boy, don't take advantage of elder sister."

"Sister LAN, do you take advantage of me

"Get out of the way!"

Huang Lan coquettishly rolled a white eye, looked at the time way: "I first go to have a rest, recuperate, sing to you in the evening."

"OK, I'll ask Sun Sheng to arrange a hotel for you."

"Don't bother. Just let uncle Fu take me home."

"Go back to my house, of course, and take your luggage with you."

"Ah?" Wu Tian's face became more ugly than pig liver. "Sister LAN, you don't want to live in my house for a long time?"

"I'll go whenever Shen Xue leaves."

"And she will live for the rest of her life?"

"Then I'll stay with her for the rest of my life." Huang Lan overbearing finish saying this words, stride big long leg toward the parking lot.

"Ah Wu Tian sighed in secret. How could he spread out these two women? Do you want to pester him all his life?"

Entangled by two peerless beauties, if other men, will surely be happy dizzy past, but how Wu Tian is not happy, now only feel headache.

As soon as sister LAN left, Sun Sheng trotted over and asked, "boss Wu, what's the matter? Have you convinced elder sister LAN to attend the live broadcast ceremony at night?"

"It's done." Wu Tian made a gesture of OK.

"Boss Wu, you are really good. You can finish the cold and arrogant Huang Lan in a few words." Sun Sheng couldn't help but sigh. Now he is more and more admiring of Wu Tian. "Women depend on coax, and sister LAN is no exception."

"No, sister LAN is an exception. How can you coax this kind of woman who is cold and stinky all day long, standing tall and resisting people thousands of miles away?"

"I think elder sister LAN is very kind, and from time to time she shows the flattery of a little woman..."

"Pull it down!" Sun Sheng directly interrupted, sour spit out a sentence: "Huang Lan only in front of you will show a small woman's kitsch, in front of others will always be a pair of cold

smelly face."

"Cold to you, too?"

"Of course." Sun Sheng nodded, then turned his tone, put his head close to him and whispered, "Xiao Tian, I think Huang Lan is in love with you."

"Don't talk nonsense."

"I'm not talking nonsense." Sun Sheng turned around and looked around to make sure that no one was eavesdropping. He said, "if Huang Lan doesn't like you, she can't drop her figure and sign a contract with our live broadcasting platform. She can't participate in the live broadcast Carnival and live broadcast ceremony, nor can she show such gentle and charming behavior in front of you..."

"You have a point." Wu Tian nodded his approval.

"It's an indisputable fact that Huang Lan likes you. Now I want to know if you have any idea about her?"

"I I didn't think about it. "

"In fact, Huang Lan is a good woman. She should have a figure, a face and a face. She can sing well, and it's good for you. I think you're quite suitable."

"Sun Sheng, when did you become a matchmaker?"

"Hey, I don't think about you." Sun Sheng patted Wu Tian on the shoulder and said with a smile, "if you can be with Huang Lan, it means that we seafood TV has this gold signboard. Are you worried that she will leave our platform?"

"For a long time, you want to use me to tie sister LAN to make money for the company, right?"

"Misunderstanding, I don't think so."

"Don't mention it in the future." Wu Tian gave a warning and ended the topic directly: "OK, go to work quickly. I'll go and see how the food festival is going."

With these words, he walked towards the gourmet street, but he was still thinking about sun Shenggang's words.

Sister LAN is really a good woman. She is perfect in all aspects. If she can become her own wife, she will be very happy.

But Shen Xue is also a good girl. She is gentle and charming, and she is always full of vitality and vigor.

Huang Lan and Xiao Xue have their own characteristics. They are the best among the goddess. If he can choose one of the two women, it is really difficult to choose between them.

Thinking of these two women in my mind, I have come to the food street not far away.

This is a gourmet street built by Jiang Wan with a lot of efforts. Most of the streets are local specialties.

This evening, Luzhou special food festival will be held here. Tourists can enjoy the perfect food here, and then go to watch the live Festival. After watching the live Festival, they can come here for a snack.

At this time, Shen Xue is leading people to coordinate and communicate with the shops in the block to discuss the food festival in the evening.

Because it's a temporary decision, time is tight and the task is urgent. Everything should be ready before 5:00 p.m.

At this time, Shen Xue is leading the workers in the block busy living, hard-working gentle appearance really let people like.

Just as Wu Tian was distracted, the merchants in the block suddenly started to make a noise, and began to splash in public.

In this case, Shen Xuedao is very patient, very serious to explain the situation to the merchants, want to explain the matter clearly.

The merchant didn't listen to the advice. He wanted to make a big noise and yelled at Shen Xue with his voice.

Encounter these merchants who have no quality, Shen Xue also seems to have some helpless, obviously can't cope with it.

It's no wonder that the girl usually only cooks in the kitchen and has never engaged in such large-scale food business activities.

See light snow is abused by several merchants, Wu weather however, strides toward the crowd in the past.

"Snow..."

Wu Tian crowded into the crowd and anxiously asked, "are you ok?"

"You came just in time." Shen Xuezheng felt encouraged and helpless. Seeing Wu Tian, she immediately felt relieved.

Pointing to the two merchants opposite, he said, "they don't want to participate in the food festival tonight. They have to make a fuss to compensate them."

"How many shops are not willing to take part in tonight's food festival?"

"Just two of them."

"I see. I'll talk to them." After understanding the situation, Wu Tian stepped forward to the two

shop owners. "Two bosses, I'm the general person in charge of the food festival. My surname is Wu. Let's have a chat."

The two shop owners are young men, about 30 years old, with a strong back and a strong back, and their faces are not friendly at all.

"Boss Wu, you're here just in time." "My name is Zhang long. This is my brother Zhang Hu. If you want to talk to me, please tell me something," one of the men clapped his chest

"I wonder why you don't want to go to the food festival?" Wu Tian looks at the two brothers with a smile.

Don't say, the two brothers look like each other. They are not different from the big black bear. They are all around the big body.

"If you want us to participate in the food festival, give us subsidies." Big brother Zhang Hu directly put forward this request.

"How much subsidy do you want?"

"We two brothers, each give 100000."

"You're crazy about money." Wu Tian glared at them fiercely and said in a cold voice, "I'll pay someone to help you do a food festival to attract tourists. If you don't charge for it, you dare to ask me for money."

"If we don't pay, we'll close the store and not attend the food festival tonight." Zhang Hu threatened.

"Close the store, close it." Wu Tian said this, turned to look at other merchants, "who does not want to participate in the food festival tonight?"

People nodded and agreed to participate in the food festival tonight.

Developers pay to hold a food festival to attract popularity. They just sit and make money. This kind of activity is not attended by fools.

"Well, except for Zhang long and Zhang Hu, everyone else must cooperate with Shen Xue. If not, he will be disqualified from participating in the food festival." Wu Tian said this and immediately announced: "now start to prepare."

With Wu Tian's order, the merchants of the food street began to work hard, cleaning, selecting ingredients, arranging the activity site, and preparing for the food festival tonight.

Shen Xue came over and whispered, "Zhang long and Zhang Hu's stores will not participate, which will affect the overall atmosphere and coordination."

"It doesn't matter. Put up a circular billboard in front of their store and put beer drinks as gifts." Wu Tian immediately came up with this method to cover up the embarrassment that the two shops did not participate.

"Well, I'll let someone do it." Shen Xue thinks this method is good, let a person withdraw the billboard of excuse to this side, just block the appearance of two brothers of Zhang Jia.

In this way, two oval billboards exclude Zhang long and Zhang Hu, and resolve all embarrassment.

Zhang long and Zhang Hu's two brothers make trouble in order to get some subsidies.

Now the subsidies have not been made, and they are excluded from the food festival. Naturally, the two brothers are not convinced.

Simply do damage at the door of the shop, deliberately set off firecrackers to scare tourists, create tension for the food street.

"Zhang long, Zhang Hu, you deliberately make trouble here, don't you?" Wu Tian Mou color a cold, completely angered by two brothers."That's right. We're just troublemakers." Zhang Hu was thick skinned and deliberately provocative: "what can you do to us?"

"It seems that you don't know what I'm capable of." Wu Tian's eyes were cold, and he smashed his fist at the solid wooden table beside him.

"Bang!"

A dull sound, the table was shattered by the shock, the big table in an instant into rotten wood collapsed on the ground.

Zhang long and Zhang Hu shrunk their necks and stepped back for several steps. They didn't expect that the boy in front of them looked weak. They didn't expect his strength to be so amazing.

The two brothers were all subdued by this momentum, stupefied and motionless, more rigid than wood.

"If you dare to make trouble again, this table will be your end. You can try it if you don't believe it." Wu Tian Mou color a cold, squint eyes, cold voice warning way.

Zhang long and Zhang Hu were frightened and stood in the same place and did not dare to continue to destroy.

It is seen that they are bold and courageous. After all, they are businessmen, but they don't want to cause trouble to themselves.

Their original intention of making trouble is to cheat some subsidies. Naturally, they don't want to run for money and play with their lives. This is not worth the loss.

The two brothers saw that they met a cruel role, and they did not have the arrogance and arrogance before, and immediately became a soft egg.

"They seem to be scared by you." Seeing the two brothers become so clever, Shen Xue can't help but feel happy.

"These two brothers just want to cheat. They are not so bold." Wu Tian glanced at the two brothers, gritted his teeth and said, "if it hadn't been for the fact that they rented my shop, they would have been driven out of the commercial street, or even had no place to stand in Luzhou."

"Forget it, leave them alone for the time being. Let's continue to prepare for tonight's food festival."

"OK, I'll help you." Wu Tian is worried that Shen Xue can't solve the problems here by herself, so she helps her prepare for the food festival.

Under the command of Wu Tian and Shen Xue, the merchants moved the stoves to both sides

of the street, put them in order according to the unified requirements, and then pasted the advertising signs all over the street.

Busy for a long time, a unique style of food street spread on the street, gorgeous advertising slogans make people appetite.

Less than four o'clock, the streets are full of tourists, and before the food festival begins, guests have already arrived in droves.

After a brief discussion, we decided to open the food festival in advance.

Tourists gather more and more. Most of them come to participate in the annual live broadcast ceremony. Before the live broadcast starts, we simply come to the food street to find food.

Some of the tourists are residents and students nearby. They come to join in the fun. When they hear that there are delicious food, they can't help but eat it.

The merchants introduced in the food street are all specialty dishes, which taste very good. With the guidance of Shen Xue, Fuyuan restaurant and Huiyue restaurant chefs, the taste of the dishes will not be bad.

The first batch of tourists who tasted fresh food were full of praise. Under the word of mouth, more and more tourists gathered in the food street.

There was a small peak around five.

The merchants are making more and more money. In just one hour, the gross income is more than half a month's running water, which makes everyone laugh.

Zhang long and Zhang Hu almost didn't want to die alive.

I thought there was no passenger flow in the small food street, and there was no money at all.

But the two brothers did not expect that the street could attract so many customers to spend, and the income of each shop was thousands of times more than usual, which was almost the same as collecting money.

Seeing the merchants of the same trade making so much money, the two brothers began to envy each other and could not help but regret secretly.

If they knew that the food street was making so much money, why should they cheat on subsidies, why should they withdraw from the food festival, and why should they offend the person in charge of the food festival?

Seeing the food festival so hot, the two brothers destroyed intestines are green.

"Brother, it's all your fault. It's better to close the store and cheat on subsidies if you say that

there is no passenger flow in the food festival and you can't make any money. You can see, the passenger flow is so hot that other stores are making crazy." Seeing other stores making money, Zhang Long began to complain about his brother.

"I didn't know the food festival was so popular. I knew that I would..." Zhang Hu at this time in the heart do not mention more regret.

I knew that the food festival was so profitable that he would not close his shop and quit the food festival, let alone fight against Wu Tian and them.

"Now? Are you just watching them make money?" Zhang Long scratched his ears and scratched his cheek. He felt a little itchy.

Seeing that other stores were constantly receiving customers and collecting money, he felt worse than Mao.

"No, we can't just watch them make money. We have to make money." Zhang Hu was unwilling to spit out a sentence.

"No, I can't. let's talk to boss Wu."

"You go."

"You go."

"Brother, you'd better go."

"OK, I'll go."

Two brothers after a decline, finally or Zhang Hu came forward, licking his face to Wu Tiandao:  
"boss Wu, before our brother is not sensible, also hope you don't go to heart."

"Why did you come all of a sudden and admit your mistake?" Wu Tian was a little surprised. He didn't expect the two brothers to bow down and admit their mistakes.

"Boss Wu, we also want to join the food festival."

"Aren't you going to close?"

"Hey, hey Zhang Hu dry smile two, embarrassed said: "we did not expect the food festival so hot."

"Are you jealous when you see other people making money?"

"I hope boss Wu will give me a chance."

"No

"Boss Wu, I beg you. We have a 70 year old mother on top of us and a few years old baby under us. We also point to the shop for a living." Zhang Hu spits bitterness all the time.

"Sorry, I don't do charity." It's a pity that Wu Tiangen didn't want to give the brothers a chance.

Seeing that boss Wu's tone was so resolute, Zhang Hu turned to Shen Xue and begged: "boss Shen, please do me a favor and speak good words to boss Wu for us."

"Well, for your sincerity, I'll help you." Wu Tian was very soft-hearted. He quickly agreed to help when he was beseeching. He turned to Wu Tian and said, "I don't think it's easy for them. You can give them this chance again."

"Well, for the sake of snow, I'll give them the chance." Since Xiaoxue pleads, Wu Tian naturally wants to give her face.

"Thank you very much, boss Wu and boss Shen." Zhang Hu and Zhang Long bowed to thank each other.

"Well, you go and get ready, move the billboard, set up the stall and start business." Shen Xue told them.

"Well, let's get ready." The two brothers rushed into the store to get busy.

Seeing the two brothers walking away, Shen Xue couldn't help but sigh: "I didn't expect that our food festival would be so hot."

"Yes, it seems that the influence of the live broadcast ceremony is not small." Seeing this situation, Wu Tian couldn't help but feel happy.

The reason why the food festival is so popular depends on the flow of people brought by the live Festival.

Because of the publicity in the early stage of the live broadcast ceremony, it attracted a large number of tourists to taste the delicious food."According to what you say, Huang Lan is responsible for the explosion of food festival?" Shen Xue suddenly asked.

Wu Tian immediately recognized the acetic acid taste in the words, and quickly comforted him: "it's Xiaoxue who has contributed to the success of food and energy conservation. Because of your guidance, you can produce such delicious characteristic snacks and attract so many guests. You have the greatest credit."

"In your mind, I'm afraid I'm far behind your sister LAN?"

"No, in my mind, you are the most perfect."

"True or false?"

"It's true, of course." After answering this, Wu Tian quickly changed the topic: "Xiao Xue has been busy all day. It's hard. Let's go. I'll invite you to dinner."

"There's so much food on the food street, let's just have some."

"Let's find a quiet place." Wu Tian couldn't help but say that he took Shen Xue to a small restaurant across the street.

After ordering a few dishes casually, they chatted while eating.

Two people's topic always can't get around Huang Lan, chatting, Shen Xue will pull the topic to LAN elder sister's body, the speech contains the thick acetic acid taste.

Wu Tian was always careful in his reply, for fear that he might make the vinegar jar angry.

After dinner, they wandered along Wan Street.

"By the way, I've never gone out to see a movie with a boy. How about going to the cinema with me?" Shen Xue made this request on a whim.

"I can't do it today. I'll take part in the live broadcast ceremony later. Another day."

"Oh

Shen Xue nodded a little bit lost and changed another request: "how about buying clothes with me?"

"I've bought a lot of clothes and sent them home. When I get home from the live Festival and food festival, you can choose whatever you want."

"Why do you suddenly think of buying me clothes?"

"I've got all the clothes in a clothing store. You four women have a share."

After Wu Tiangang finished saying this, Shen Xue immediately became unhappy. "I thought you bought me clothes by yourself. After a long time, every woman bought them."

"Buy more clothes and change your clothes, so that you don't often go shopping for clothes."

Wu Tian said with a smile.

"You'd better keep it for those women. I'm not rare." After saying this, Shen Xue stomped her feet and walked forward.

"What a vinegar jar." Wu Tian shook his head with a wry smile. He ran after him quickly and said to him, "Xiaoxue, or I'll take you to buy clothes?"

"Didn't you buy a lot of clothes?"

"Those don't suit you. I'll take you to buy clothes that suit you." Wu Tian said this, and led Shen Xue across the street, and soon came to an underwear shop.

Walk to the door of the shop, Shen Xue steps a meal, pretty face crimson said: "what do you bring me to buy?"

"Underwear."

"Go, I don't want it."

"Here we are. Let's choose one." Wu Tian took the girl's arm and forced her into the store.

"You rascal, how can you give girls underwear?" Shen Xue lowered his head, and was really embarrassed.

Especially the surprised look of the salesman made her feel more shy.

"This is a good set." Wu Tian picked out a nice looking dress and handed it to him. He asked, "Xiaoxue, what do you think of this one?"

"Too small!" Shen Xue glanced at it and lowered her head awkwardly.

To tell you the truth, this is the first time I've come to the store with a boy to choose clothes. If you want to say it's not embarrassing, it's fake.

"And this one?" Wu Tian changed another one.

"Still a little bit small."

"Is it?" Wu Tian couldn't help but look at Shen Xue's body with that kind of suspicious eyes. He doubted: "I didn't see that you have such material."

"Go, where do you look?" Shen Xue's pretty face turned red. She quickly covered her body with her hands and avoided the bad eyes.

"Hey, hey

Wu Tian smiles awkwardly, and then picks up a set from the shelf, "this big size will suit you."

"Almost." Shen Xue looked at the number of yards on the label, and then nodded.

"Then go and try it."

"Oh Shen Xue takes over the clothes and walks towards the fitting room in embarrassment.

Before entering the fitting room, Wu Tian suddenly said, "Xiaoxue, do you want me to help you?"

"Help you a big head." Shen Xue rolled her eyes and quickly got into the fitting room and locked the door.

After a long time, the fitting room door opened again, and Shen Xue had already changed and walked out.

"Gudong!"

Wu Tianding under the light snow body can not help but swallow saliva, now like greedy cat saw fish.

Suddenly found that snow in the new bra, the body is more aggressive than before, as if a lot of mature.

"Stinking Wu Tian, are you disgusted?" Shen Xue protects her body, biting her lips and complaining.

"What's the matter?"

"What do you mean by staring at me and swallowing?"

"Hey, hey Wu Tian smiles awkwardly, and hastens to put away his impudent eyes. "I feel you're familiar with it. It's a bit greedy."

"Go, it's not serious."

"By the way, Xiaoxue, how do you feel bigger in this than before?"

"Oh, fool, there are cushions in it." Shen Xuehong explained in a low voice with a pretty face.

"Electricity? Have you got TVU? "

"Stupid, it's that kind of rubber mat!" Shen Xue bit her lips and spit out a sentence shyly.

How can this man know nothing? Has never been in touch with a woman before, is he a boy?

Thinking of this, I feel a little happy. At least Wu Tian is clean and has not been harmed by other women.

"Oh

Wu Tian grabs his head awkwardly and says with satisfaction: "this suit is very good, especially suitable for you. It's more aggressive than before."

"Is it?"

"Yes, just buy it."

"Well, I'll change it."

"Don't change it. Wear it." Wu Tian looked up and turned to the salesman and asked, "how much is this thing?"

"Five hundred eight." The salesman replied with a smile.

"ok! " Wu Tian settles the account and pulls Shen Xue away from the underwear store, but his eyes are still reluctant to leave the body.

Shen Xue was not comfortable with this look and said in embarrassment, "smelly Wu Tian, why do you always stare at me?"

"Good looking."

"Hooligan!" Shen Xue was angry.

Although it makes her feel shy to be staring at like this, she is inexplicably happy and excited.

If Wu Tianneng has been attracted by her all the time, it would be nice not to see Huang Lan and other women.

After buying the clothes, they went back the same way.

As she passed a flower shop, Shen Xue suddenly stopped.

Staring at the flowers in the florist's shop, he looked at Wu Tian's face again, "do you think those roses look good?"

"Pretty good." Wu Tian nods hard.

"You don't want to buy some of those beautiful roses?" "You can't eat it. Why buy that?"

"Fool, buying flowers is a gift, of course."

"To whom?"

"You, you, you..." The corners of his mouth trembled.

She hinted at it for a long time. It was so obvious that Wu Tian, a fool, could not understand it?

No, she suspected the guy was playing dumb.

"Xiaoxue, you can say it if you want roses. Why beat around the bush." Wu Tian couldn't help laughing when he saw the picture of Xiaoxue.

"Who wants roses?" Shen Xue was also a man who wanted to save face. As soon as he heard this, he stamped his feet and puffed out his breath to leave.

"Don't go." Wu Tianyi grabbed Shen Xue's arm. "I said something wrong. In order to express my apology, I'll buy you a bunch of roses to apologize."

"I don't want it." Shen Xue says no, but her two legs are not honest and follow Wu Tian to the florist.

She didn't like roses very much. She just wanted Wu Tian to send her flowers, which meant different things.

"No, I have to." Wu Tian was very domineering to finish saying this, striding into the rose shop, and asked the busy shop owner, "boss, you flower..."

Flower words have not finished, the rest of the words on the hard swallow back.

At this time, we can see that the beauty shop owner's appearance is a delicate face, which is somewhat similar to Shen Xue's.

"Liu Jia!"

Wu Tian recognized the girl at a glance. It was Liu Jia, his high school classmate, who she had

pursued.

In his sophomore year, Liu Jia helped him in the outdoor activities organized by the school. He thought that the girl was interested in him, so he took the courage to pursue it.

As a result, Liu Jia scolded him in front of all his classmates for wanting to eat swan meat. He was severely humiliated.

Since then, Liu Jia has not even said anything to him.

Later, in the second half of high school, I learned that Liu Jia was in contact with Lu Yong, who was rich in his class.

Just because of that trivial matter, he had a grudge with Lu Yong, who often made him feel uncomfortable, which made him very frustrated in the class.

"Are you Wu Tian?" Liu Jia looked for a long time before he recognized Wu Tian. There was something strange in his eyes.

"Yes, it's me." Wu Tian looks up at Liu Jia and wants to say something, but he doesn't know what to say. The atmosphere is extremely awkward.

"You're still the same, you haven't changed a bit." Liu Jia put down the flowers in her hand, pulled her hair around her ears and said, "it's still so..."

Before she finished speaking, she swallowed back again. Her voice was a bit arrogant, and her eyes were not so clean.

"Are you married?" Wu Tian noticed that Liu Jia had a ring on her right hand.

It seems that the present woman has been married, less of the school age, more secular and vicissitudes of social women.

"Yes, I am married." Liu Jia finished saying this and looked at his hand in the inner room: "Lu Yong, the old classmate is coming."

The voice dropped, a man tall Ma big boy came out, this is Lu Yong, relying on physical advantages, used to bully Wu Tian in school.

I didn't expect that Liu Jia and Lu Yong had been talking about marriage for several years, and now they have been talking about marriage. This kind of feeling is really stable.

"Wu Tian?"

Lu Yong came out shaking his arm. He recognized Wu Tian at a glance. He couldn't help laughing and said, "you boy is still the same. You haven't changed at all. You're still poor..."

"Cough!" Liu Jia coughed twice, interrupting Lu Yong's words.

"Jiajia, I'm telling the truth. This boy is still as poor as before." No matter how loud Lu Er's voice is.

After mocking, he couldn't help laughing: "Jiajia, such a silly boy, I even wanted to chase you in school before. It's really a toad who wants to eat swan meat."

"Can you say less?" Liu Jiabai glanced at Lu Yong and wished that he should not have mentioned the previous incident.

It was not a glorious thing for her to be pursued by Wu Tian in school before. On the contrary, it made her feel particularly shameful.

"I'm telling the truth." No matter how much Lu Yongcai did, he continued to attack Wu Tian. "I don't know where he had the courage to pursue you. Ha ha ha..."

With that, he couldn't help laughing.

With such a smile, the atmosphere was even more embarrassing.

Wu Tian's face was calm, and he didn't pay much attention to the ridicule.

When you're really in a high position, laughing at a basket ant doesn't take it seriously.

Seeing that Wu Tian didn't speak, Lu Yong became more arrogant and continued to jeer: "Wu

Tian, I want to know, what qualifications do you have to pursue Jiajia?"

"It's all in the past." Wu Tian is indifferent to smile, the tone is calm without any waves.

"Well, now that I'm married to Jiajia." Lu Yong put his arm around Liu Jia's slender waist. He was sick and crooked in front of Wu Tian's face. He couldn't help asking, "what about you? Are you married?"

"No

"I know you're not married. I'm afraid no woman like you will take a fancy to you." With these words, Lu Yongchao spat hard on the ground.

Wu Tianyi was smiling and calm.

It was Shen Xue behind. Seeing that someone humiliated Wu Tian, she couldn't see it for a long time.

"Me Shen Xue stepped forward and took Wu Tian's arm. "I forgot to tell you, my name is Shen Xue. I'm Wu Tian's girlfriend."

At this time, it is necessary for her to stand up and protect Wu Tian's dignity and face.

"You?"

Only then did Lu Yong notice that the girl standing behind her was beautiful, charming and

generous, and her skin was white and beautiful. She was simply the best among the goddesses.

There is no doubt that the girl is more beautiful than his wife, Liu Jia, and her white skin is even better than Liu Jia.

I never thought that such a beautiful girl would be Wu Tian's girlfriend.

What kind of luck did this kid have? How could he get such a beautiful girlfriend?

A little stupefied, Lu Yong quickly responded and said, "Wu Tian, you paid for the girl to rent it. You deliberately spent money to find this girl to act, and came here to pretend to be forced."

"Of course not." Shen Xue immediately retorted: "I am Wu Tian's girlfriend, we have been dating for several months, and now we have cohabited."

"How do you prove your relationship?" Lu Yongcai didn't believe that such a beautiful girl would like Wu Tian.

Even Liu Jia is skeptical, and she doesn't believe the relationship between the two.

"Well..."

Shen Xue bit her teeth, put her toes on her feet, put her head close to Wu Tian's and kiss her.

At present, there is no other way to prove her relationship with Wu Tian in this way.

Originally I just wanted to skim the water like a dragonfly. Who knew that as soon as his mouth got together, he was entangled by Wu Tian.

"Oh

Shen Xuejiao called, her cheeks turned crimson and hot in an instant, and her heart was pounding like a mad cow.

She tried to separate, but the mouth was so strong that she couldn't get rid of it no matter how hard she tried.

He was soon dazzled by the bad mouth. He didn't expect that the first kiss would be gone.

The first kiss to Wu Tian, she did not feel lost, on the contrary, there is a trace of sweet heart, more is shy. Seeing this scene in front of him, Lu Yong had long been dumbfounded.

I didn't expect that Wu Tian and the beautiful girl just kissed each other. It was like a flower on the cow dung.

Seeing such a beautiful girl being spoiled by Wu Tian, he felt like a cat scratching him. It was a bad taste.

Shen Xue and Wu Tian kiss each other for a long time.

To tell you the truth, this is the first time Wu Tian kisses a girl. He feels his head is heavy and hazy.

After kissing, Shen Xue wiped the saliva from the corners of his mouth and said with a red face: "can you prove that I am Wu Tian's girlfriend now?"

"You You... " Lu Yong was speechless.

Seeing that Wu Tian had such a beautiful girlfriend, he was very upset. He really wanted to rob the girl to relieve his anger.

After all, the girl is so beautiful. Her eyes are bright and her skin is white like snow. It makes people feel excited.

The girl is a hundred times better than her wife Liu Jia.

I don't know what kind of bad luck Wu Tian has taken. He can cheat such a perfect girl.

"We're not here to show affection. I'm here to buy flowers." Wu Tian chuckled indifferently, picked up a bunch of roses and asked, "how much does it cost?"

"Twenty." Liu Jia gives such an answer.

Seeing Wu Tian's association with such a beautiful girl, she is also full of different tastes. She is not jealous, but feels uncomfortable in her heart.

"Here you are." Wu Tian took out 20 yuan from his pocket and handed it to him.

Liu Jia took a look at the wrinkled 20 yuan and said with a smile, "I don't think it's easy for you. I'll not accept the money. I'll treat you to dinner."

When she said this, there was a certain sympathy and pity in her words, just like sending a beggar.

"Thank you for your kindness. You'd better take the money." Wu Tian didn't accept this kind of alms. He put 20 yuan on the counter, and then held up roses to Shen Xue. "Xiaoxue, give it to you."

Thank you Shen Xue took the rose with trembling hands. At this moment, she felt like she was in love.

Today is of great significance to her. She not only offered her first kiss, but also received roses from Wu Tian.

There seems to be an illusion that she is really Wu Tian's girlfriend now.

"It's really shabby." Seeing Wu Tian find such a beautiful girlfriend, Lu Yong is very unbalanced.

He couldn't figure out how a poor little loser like Wu Tian could find such an excellent girl to be his girlfriend?

The more you think about it, the more unconvinced he becomes. He just says sarcastically: "Wu Tian, can you raise a girlfriend on your condition?"

"Whether you can afford it or not is my business. Don't worry about it." Wu Tian did not show any weakness, but replied.

"I don't know what means you used to deceive that girl, but as poor as you are, I guess she won't stay with you for a long time, and she will leave you in a few days." Lu Yong's tone of speech is slightly sour. It's obvious that he can't eat grapes.

"Don't worry, Xiaoxue is not such a powerful woman."

"Women are not powerful..."

Lu Yong didn't finish his words, but he was hit hard by Liu Jia. "Lu Yong, please make your words clear. Who is the force?"

"I'm wrong. Except for Jiajia, they are all power eyes." Lu Yong has a strong desire to survive, so he changes his words in a hurry.

"I'll talk longer in the future." Liu Jia gave Lu Yong a hard look, and then quickly changed the topic and asked Wu Tian, "how are you recently?"

"Do you need to ask? It's very shabby at first sight. It must be that I can't even afford to eat." Before Wu Tian could answer, Lu Yong couldn't help but say something: "look at him. He's all over the place. If you look at the shoes, they're all washed out. I think he's going to be a beggar."

"Poor indeed." Liu Jia glanced at Wu Tian's clothes, with a slight dislike in his eyes.

In her heart, she clearly disliked Wu Tian, but she also deliberately covered it up, and did not

show all the disgust and disdain.

"It's a shame to mess up like this." Lu Yong scorned him coldly and said, "Wu Tian, look at me again. You opened a hotel on Renmin Road. Not long ago, he bought this set of shop in Wanjie street. How big is my shop?"

"Almost 200 square meters." Wu Tian looked at the shop and said this coldly.

"Do you know how much the shop costs?"

"Three million."

"You know what to do." Lu Yong shook his sleeve and showed off with great pride: "my shop is worth 3.5 million yuan. With the decoration and the goods in the shop, the total value is more than 4 million yuan."

"It's a good set of shops. You have a good taste." Wu Tian approved of the nod, this set of shops in this pedestrian street is regarded as a golden lot.

"Of course." Lu Yong raised his head more complacently, and still did not forget to strike: "I'm afraid you can't afford to buy such an expensive shop in your life."

"Not necessarily."

"Oh, I don't agree with you, do you? I asked you, can you afford it now? Do you have so much money?" Lu Yong challenged aggressively.

"Ha ha!" Wu Tian laughed and said nothing.

However, Shen Xue nearby couldn't help but fork out: "to tell you the truth, don't tell me about your shop. This whole pedestrian street belongs to Wu Tian."

"You can really boast and return the whole pedestrian street. Why don't you directly say that the whole Wanjie street is Wu Tian's?" Lu Yong coldly despised a sentence.

In his opinion, Shen Xue is just talking nonsense. He wants to give Wu Tian face by saying this kind of reply.

But how can this kind of nonsense deceive him? This pedestrian street can't be bought by ordinary people. Even the big boss doesn't have the strength, not to mention Wu Tian, a poor man in poor clothes.

"You're right. Not only this pedestrian street, but the whole Wanjie street belongs to Wu Tian." Shen Xue answered in a serious tone.

"Ha ha ha..."

After hearing this, Lu Yong couldn't help laughing, as if hearing a big smile.

After laughing for a long time, Lu Yong sneered at his voice: "you're just following your husband. It's really eye-catching to make up such a lie."

"I'm not lying. Wan Jie is really Wu Tian." Shen Xue argued loudly.

But no matter how she explained it, Lu Yong didn't believe it at all. She just listened to it as a joke.

Don't say that Lu Yong doesn't believe it, even Liu Jia won't believe it.

No one will believe that Wu Tian, such a poor loser, had not enough living expenses in school before, and became a big boss in just a few years.

Nothing else, it can be seen from Wu Tian's clothes that this boy is no different from before. His whole body is full of sour taste.

Just at this time, Jiang Wan with a group of men and women came to this side.

Since he was in charge of the Wanjie project, he is more and more powerful and looks like a big boss.

"Mr. Jiang, you are here." Lu Yong recognized Jiang Wan at a glance, and quickly went up to greet him with a smile.

Jiang Wan is the boss of Kaifa Wanjie. No one knows him in this street.

Lu Yong had been in contact with Jiang Wan several times before the shop, and now he is quite familiar.

Don't mention Lu Yong. Even Liu Jia couldn't help fawning: "Mr. Jiang, you are a rare guest. Please sit down inside. I'll make you tea."The couple knew that Jiang Wan was the boss of Wanjie. Only by courting the boss could he gain a foothold in Wanjie and obtain various resources.

"I'm not looking for you." In the face of Liu Jia and Lu Yong's flattery, Jiang Wan did not give face at all.

"I don't know what Mr. Jiang is doing here?" Liu Jia looks embarrassed, still very polite.

Even if they can't get on with boss Jiang, they can't offend this big man, otherwise it will be very difficult to live here in the future.

"I've come to see my boss for something." When answering, Jiang Wan had already led people into the flower shop.

"Your boss?" Lu Yong and Liu Jiamei tightened their heads and asked, "who is your boss?"

"This is my boss." Jiang Wan went over and pointed to Wu Tian and introduced them.

"Wu Tian?"

On hearing this, Liu Jia and Lu Yong both exclaimed in surprise. They both opened their mouths and showed an incredible look.

"Yes, Wu Tian is my boss." Jiang Wan pointed to Wu Tian and solemnly introduced: "he is the

biggest investor behind the scenes of Wanjie."

"My God

Lu Yong's head was buzzing like a thunderbolt.

The news was too shocking and shocking for him, even more surprised than seeing aliens.

I never dreamed that Wu Tian was really the boss of Wanjie and the investor of the whole commercial street.

In his impression, Wu Tian has always been the poorest student in his class, and he has to live frugally.

I haven't seen such a poor loser for just a few years. I didn't expect to suddenly become a business street boss.

This kind of change is simply earth shaking and completely changed, which is really unexpected.

Thanks to his humiliation and ridicule that Wu Tian is a poor ghost, he even used this set of shops in front of Wu Tian.

However, the whole commercial street is Wu Tian's, and instantly I feel his face slapped and crackled.

He thought he was very forced, but he found that Wu Tian was a hundred times more forced than he was.

In Wu Tian's eyes, he is just a clown.

Next to him, Liu Jia was also stunned. His mouth was wide open for a long time.

She also did not expect, in front of this poor boy, suddenly changed, turned out to be a business street boss.

Oh, my God, it's hard to imagine the value of the whole commercial street.

Wu Tian had never been in the eye before, and even despised the boy. When she met again, she found that she had been unable to rise.

Wu Tian ignored Liu Jia and Lu Yong, who were still in shock, and asked Jiang Wan, "Jiang Wan, do you have anything to do with me?"

"I was just busy with the perfect food street. When someone said you were here, I came to see you." Jiang Wan explained.

"How about the food street?"

"It's very hot. It's unexpected." After answering this, Jiang Wan couldn't help but extend his thumb to Wu Tian. "Boss Wu, you are so smart that you can make the temporary food street so popular. I really admire it."

"It's all due to Xiao Xue." Wu Tian owes the credit to Shen xuetou.

Wu Tian and Shen Xue are surprised by the unexpected explosion of the food street, which they did not expect before.

"Chef Shen, you are so good. I admire the food street Jiang Wan couldn't help admiring Shen Xue.

"Where." Shen Xueqian smiles modestly and replies: "it is you who cultivate a group of high-quality merchants. If the food street can be enough, thank you."

"No, I should thank you." Jiang Wanyi said sincerely: "it's you who use the food festival to help our commercial street attract customers..."

"All right."

Seeing that the two men were endless, Wu Tian directly interrupted: "this is not the time to discuss merit. We still need your full help. After the end of the food festival and the live broadcast ceremony, I will discuss the merits and rewards."

"Yes, yes, yes." Jiang Wan nodded again and again, looking as if he was from his fate.

"It's a critical moment. We can't take it lightly." Wu Tian, like a general commanding thousands

of troops, said to them: "Xiaoxue, the food street is here for you. You must control the situation and maintain good order. There must be no chaos in the scene."

"Well, I'll be right there." After Shen Xue answered, she held the bunch of roses and walked happily toward the food street.

"Xiao Wan."

Wu Tian again set his eyes on Jiang Wan and said, "there are not enough hands on the live broadcast ceremony. Go and help Sun Sheng build the stage."

"Well, leave it to me." After Sun Sheng answered, he took people to the direction of Wanzheng street.

Liu Jia's eyes did not blink against Wu Tian, for a time to see the silly eyes, eyes full of obsession.

In her eyes, Wu Tian was like a high-ranking general, commanding thousands of troops to prepare for war.

He is handsome, domineering and charming.

Is this still the poor loser before? Why am I suddenly transformed and become so handsome?

Is this still the little bastard who once pursued her?

Before she did not look up to, even do not want to look straight at the man, how suddenly

become so excellent? So glamorous?

I never dreamed that Wu Tian was a potential stock. He suddenly became so rich and domineering.

At this moment, looking at this man, she can not help but be in full bloom, there is a kind of girl's feeling of spring.

Anyway, she is now deeply attracted by Wu Tian, and her eyes are reluctant to leave for a moment.

Wu Tian didn't notice Liu Jia's obsessed eyes, arranged for Shen Xue and Jiang Wan, so he walked outside the North Korean florist.

After Lu Yong's side, Lu Yong suddenly woke up and grabbed Wu Tian's arm. "Xiao Tian, I didn't think you were the big boss of Wanjie."

At this time, there was no half scorn and disdain in his eyes, and his tone instantly became humble and respectful.

Knowing that Wu tianhun is so promising, it is too late for him to please him. How can he humiliate him.

"I also bought the land by mistake and invested in the development of this commercial street." Wu Tianyi is understatement.

"Little day, why do you suddenly have so much money?"

"It's a long story." Wu Tian avoided it.

There is no need to explain some things to Lu Yong, and there is no need to waste saliva.

"Anyway, I admire you from the bottom of my heart. Now you are the most forced classmate in our class. To tell you the truth, I have a classmate who has built a business street, and I have a lot of face, right? Ha ha..."

"Don't say that. There are more students than I have forced."

"In my heart, you are the best." Lu Yong said some flattering words, and then proposed: "Xiao Tian, I'm the East. Why don't we go out and drink?"

"Sorry, I don't have time." Wu Tian resolutely refused.

Don't say he doesn't have time now. Even if he has time, he doesn't want to go out to dinner and drink with Lu Yong.

"For the sake of our classmate's competition, please give me face." Lu Yong changed his attitude and said in a pleading tone: "I was wrong before. I have offended many people. I hope you don't have the same opinion with me." "After all, I don't want to worry about our classmates before." Wu Tian waved his hand generously.

"So you promised to go out to dinner?"

"We're going to hold a live broadcast ceremony today. We'll talk about it another day."

"Live show?" Liu Jia nearby couldn't help but fork in and said, "Xiaotian, are you hosting the live broadcast ceremony?"

Unconsciously, she even changed her address to Wu Tian.

"Yes." Wu Tian nodded and explained without expression: "the live broadcast ceremony is from our seafood TV motherboard."

"Are you the owner of seafood TV?"

"Yes."

"My God Liu Jia couldn't help but cry out in surprise and surprise.

I didn't expect that Wu Tian is not only the boss of Wanjie commercial street, but also the boss of seafood TV.

She has heard of seafood TV, which is very popular recently. She even signed a contract with the popular singer Huang Lan.

This is her idol. I didn't expect to be signed by Wu Tian's company.

"Anything else? I'll go first if I have nothing else to do." Wu Tian smiles indifferently and turns to leave.

"Wait!"

Liu Jia walked quickly to block Wu Tian and bit her mouth awkwardly, "I have something to say to you."

"Say what you want." If it was not for the part of the class, Wu Tian was too lazy to talk nonsense with his husband and wife.

"That..."

Liu Jia looked back at Lu Yong, put his head close to Wu Tian and whispered, "did you really like me in high school?"

"Why did I ask that all of a sudden?" Wu Tian's brow tightened and he could not help but be curious.

"Answer me first."

"I..." Wu Tian thought about it for a moment, but finally he didn't give the answer, "it doesn't matter. All the past has passed."

"All right."

Liu Jia bit her mouth and asked again, "if I am not married now, will you still like me?"

"No Wu Tian gives two word answers neatly.

"Why?"

"Because you don't deserve it." After saying this, Wu Tian turned and walked away quickly, leaving a free and easy figure on his back.

Now he is surrounded by beautiful women, all of them are the best, there is a better choice, why choose inferior products?

"Hello..."

Liu Jia opened his mouth and wanted to keep Wu Tian, but he swallowed it again.

At this time, the heart is extremely lost and regret, once the boy pursued her, she likes to ignore.

Now when I look back, I find that the man is already on the top, and she can't stand it at all.

"Good looking?" Just as she was staring at Wu Tian's back, Lu Yong asked.

Seeing his woman so obsessed with Wu Tian, he had a fire burning in his chest.

"I didn't expect Wu Tian to become so powerful. It can be said that he was completely

transformed." Liu Jia withdrew her eyes and sighed.

"Did you regret rejecting Wu Tian's pursuit before?" Lu Yong asked.

"I..." Liu Jia bit her teeth and couldn't say a word for a long time.

To see that the man who has pursued himself before suddenly becomes so perfect and excellent, it is self deception to say that he does not regret it.

Now Wu Tian has really changed. She is better than Lu Yong in all aspects and has become a type she likes.

"I know you regret it. It's useless to regret it. With Wu Tian's present status, you will not be attracted to a married young woman like you. Accept your life." Lu Yong poured cold water mercilessly.

"I didn't expect you to say that." Liu Jia impatiently pushed Lu Yong aside, and coldly spat out a sentence: "compared with Wu Tian, you are really far behind."

With that, he turned and walked towards the room.

"Pa!"

Lu bravely threw the flowerpot on the ground and roared, "you bastard, you are really a bitch."

"Bang!"

Just finished scolding cheap two words, the sound that flowerpot smashes in the room.

The two had a good relationship, because of Wu Tian's appearance, their feelings had cracks, and the couple fought in the florist.

Wu Tian did not know the contradiction between the couple. At this time, he was still immersed in the joy of the food festival.

Looking at the flow of people on the food street, he was very happy. He didn't expect that the new block would attract so many people.

All the tourists enjoy the delicious food in the food street, talking and laughing, nodding and praising one after another, and are satisfied with the food here.

At six o'clock in the evening, the flow of people in the food street reached a climax.

Everyone is stuck in the food street, forming an atmosphere of competing for food, so that the food street looks chaotic.

In a hurry, Wu Tian calls sun Xiaohao to send part of the security guard of the Marriott Hotel to maintain order.

Worried that these security guards could not make a decision, she simply called Su Ruyun and asked her to call several policemen to help.

The girl didn't agree. As a result, Wu Tian called Zhang Dongcheng police station. Under the pressure of director Liang, Su Ruyun had to bring the police to maintain order.

With the cooperation of the security and police, the order of the food street gradually returned to a stable state and everything was in normal operation.

I have to admire Su Meimei's iron and blood skills. With her sitting in the food street, the street quickly recovered.

Seeing less than 20 minutes from the live broadcast ceremony, Wu Tiantian asked Shen Xue, "Xiaoxue, the live broadcast ceremony is about to start. Do you want to go with me?"

"I'm not going. I'm helping out at the food street." Shen Xue is very busy when he sees tourists.

"Then I'll be there." Wu Tian didn't force him to turn and walk towards Wanzheng street, which is not far away.

Just walked not far, heard Shen Xue's cry: "Hey, wait for me..."

Looking back, I saw the girl twisting her small waist and running towards this side. Her figure was vigorous and domineering, like a beautiful melody jumping.

"Xiaoxue, can I help you?" Wu Tian looks up to his domineering figure for a while, until the girl runs close, he quickly moves his eyes away.

"I'll accompany you to the live show." Shen Xuelei's small face turned red, and he pressed his hands on his chest to breathe heavily.

"No, didn't you?"

"I want to go now."

"Well, let's go." Wu Tiandao doesn't matter. Whether the girl goes or not, it doesn't matter to him.

When she came to Wanzheng street with Xiaoxue, she saw that a temporary stage had been set up on the scene. The stage area was not small, and a huge amount of color was hung in the middle, which said the third live entertainment grand ceremony.

Under the stage were dozens of tables and chairs for executives of the live broadcast company.

The live broadcast ceremony is hosted by seafood TV, and more than ten live broadcasting companies in Luzhou are participating in the ceremony.

Each live broadcast platform selects three anchors to perform on the stage. Finally, the third-party judges score the anchor respectively. The company with the highest overall score will become the king of the grand ceremony. In the past, seafood TV was not qualified to compete with other live broadcast companies.

However, since the arrival of Lan Jie, the flow and popularity of seafood TV have increased greatly, and now it has the strength to confront the local first-line platforms.

It will be very important for the company to win the first-class seafood event this evening.

Therefore, tonight is the best proof for seafood TV, and it is also the end of such a long effort.

Wu Tian glanced at the scene, went over to Sun Sheng and asked, "how are you getting ready now?"

"Everything is ready." Sun Sheng nodded with confidence.

"Is sister LAN here?"

"Rest in the backcourt."

"That's good."

"Boss Wu and Miss Shen, you sit down first. I'll make the final preparations. The live broadcast ceremony will officially begin in less than 20 minutes."

"Well, don't make trouble." Wu Tian ordered him to take a seat in the middle with Shen Xue.

Shen Xue retracted her hand and muttered in a low voice: "do you remember being in the flower shop before?"

"Of course." Speaking of the flower shop, Wu Tian thought of the kiss, and couldn't help laughing: "I didn't expect to kiss me. You took the initiative."

"Go, who took the initiative." Shen Xue smashed Wu Tian's chest with a small pink fist, and her pretty face was flushed with shame.

The thought of the kiss made her blush and her heart beat.

It was the first time she had a kiss with a boy. It felt like it was floating in the clouds.

"Xiaoxue, you forced me to kiss at that time. You took my first kiss. Tell me, how are you going to compensate?"

"What? Do you want me to pay for it? " Shen Xue Qi's straight teeth, this smelly rascal, took advantage of her, but also had the audacity to compensate.

Is this too thick skinned?

"You took my brother's first kiss, or I'll give you another kiss?" Wu Tian said this and put his head to it.

"Ah

Shen Xue exclaimed and covered his mouth with his hand.
