

CHAPTER 341 - 350

Shen Xuewei quickly covered his mouth with his hand and whispered, "hooligan, what do you want?"

"Kiss you, of course." Wu licked his mouth and grinned.

"You hate it." Shen Xue pushed Wu Tian for a while, blushing and complaining: "in public, with so many people, can we not play rogue?"

"Well, let's find a place where there is no one to kiss..."

"Go, no one will kiss you."

"It's stingy."

"You..." Shen Xue didn't like to roll a white eye, slightly side over what, lazy to take care of this rascal.

When they were flirting with each other, a middle-aged man in suit and leather shoes came over and asked Wu Tian, "are you the boss of seafood TV?"

"Yes, I am." Wu Tian nodded and looked at the man in front of him. "Are you

"I'm wang Shaohua, the boss of Qiyu live broadcast." The old man shakes his suit and replies domineering.

"So you are the boss of strange fish." Wu Tian's eyes were obviously dignified.

In Luzhou, no one does not know the name of the strange fish, which is the most powerful and first-class platform in the live broadcasting industry.

Qiyu live broadcast is superior to the local live broadcasting company in Luzhou, and participates in the national competition on behalf of Luzhou, and has a small reputation in the live broadcasting industry.

"I didn't expect that the boss of seafood TV was so young that he led the rapid development of seafood." Wang Shaohua smile hidden knife spit out such a sentence.

"No, it's far behind boss Wang." Wu Tian replied with flattery.

"Young man, who do you think will be the king of this live broadcast Festival?"

"It's hard to say yet."

"I'll tell you so." Wang Shaohua changed a comfortable position to sit on the chair, a face proud of the head, "the king of this grand ceremony, our strange fish live broadcast is determined to

win."

"Is it?"

"The king of every grand ceremony is our strange fish live broadcast, and this is no exception."

"No one dares to jump to conclusions until the end."

"Listen to your tone, your seafood TV wants to compete with us for the title of the king of the grand ceremony with our strange fish live broadcast?" Wang Shaohua's eye color is tight, in the eye faintly has some displeasure and the anger.

"Of course." Wu Tian made no secret of his ambition.

It is not for the sake of soy sauce, but also for becoming a leader in the live broadcasting industry, making a big splash and becoming one of the first-class companies.

"What a joke." Wang Shaohua sneered and hit him mercilessly: "you are such a small three stream live broadcast, how can we compete with our strange fish?"

"With Huang Lan in our hands."

"Joke, you want to fight us with a little star?"

"We have confidence."

"To tell you the truth." Wang Shaohua put his head together and whispered, "we have cultivated many famous anchors. The number one anchor is much more famous than Huang Lan, and his influence is not worse than Huang Lan."

"Is it?"

"If you have to do more than you can, it will only be a laughing stock."

"Whoever laughs at the end is the winner."

"Good, then wait and see, let you see our strength, also let you know the gap." The corner of Wang Shaohua's mouth rose, which aroused a smile of confidence.

Wu Tian didn't speak any more, with a confident smile on his face.

He believed that with sister Lan's blessing, together with several other anchors cultivated by Shanghai fresh, he would surely win the first prize in this live broadcast ceremony.

With the opening time of the live broadcast ceremony getting closer and closer, senior executives and leaders of the company who participated in the ceremony successively took their seats, and the audience also entered.

Under the powerful organization of Sun Sheng and Qinglong, the scene was in good order, and there was no confusion among tens of thousands of people.

At seven o'clock in the evening, the live broadcast ceremony officially began.

With the passion of the opening dance, the audience were ignited enthusiasm, become extremely excited, the whole Wanzheng street is full of people.

The host gave an opening speech on the stage, and then let the live broadcast of major companies perform on the stage one after another.

These presenters are the number one anchor of each major platform and have a considerable influence on their respective platforms.

Every anchor will win bursts of applause and cheers when he comes on stage, and the cheers come and go.

After Jiang Meizi appeared on the stage, the scene suddenly became boiling, and the audience were full of passion and cheered desperately.

Jiang Meizi is the number one anchor of strange fish live broadcasting, and has a considerable influence in Luzhou.

As soon as she appeared on the stage, the audience picked up their mobile phones to take photos and brush gifts in the studio.

Fans were ignited, and everyone became crazy.

Seeing this kind of scene, Wang Shaohua was very satisfied and couldn't help showing off to Wu Tian: "look at the anchor on our platform, how influential is it?"

"Not bad." Wu Tian agrees and nods. He didn't expect that the number one anchor on the Qiyu

platform has such a great influence. Many anchors are not famous at ordinary times. They are king only on their own platforms. Only when they come out can we see their real influence.

"Young man, you are sure to lose." Wang Shaohua patted Wu Tian on the shoulder and laughed triumphantly.

In this way, he has won.

"Still that sentence, no one will win or lose until the end." Wu Tian responded calmly.

"Good boy, so far, you're still tough. I'm going to see how you turn the tables." Wang Shaohua holds his chest in both hands, waiting for a good play.

"Don't worry. We'll see the real chapter soon." Wu Tian finished saying this and took out his mobile phone and sent a message to Sun Sheng.

At present this kind of situation, if according to the previous plan, LAN elder sister and several of her own anchor can't take advantage of anything.

Now can only change the strategy, let LAN elder sister take the lead, take the masked goddess as the final axis, to surprise.

Just after sending this message, I heard the host announce: "please welcome the 18th beauty anchor, and also the popular singer Huang Lan, to perform on stage. Applause."

"Pa pa pa pa..."

Before the host's voice dropped, there were warm applause and shouts from the audience. The audience was shouting Huang Lan's name. The voice was deafening, and the fans were extremely crazy.

With the sound of shouting, Huang Lan stepped on the stage with long legs.

Tonight, she wore a sexy black dress and became the most dazzling pearl on stage.

She is worthy of being a goddess star. She is superior to all the anchors in every aspect.

As soon as she came on stage, fans became crazy, waving and shouting desperately, and their voices were almost hoarse.

Have to admit, LAN elder sister's influence is really very strong, immediately surpasses the well-known net red anchor Jiang Meizi.

Maybe this is the difference between stars and anchors. No matter in temperament or image, stars are much better than the same level of online celebrities.

This is also the reason why my sister LAN can bring such popularity and traffic to seafood TV.

Looking at Huang Lan on the stage, even Wu Tian is dumbfounded.

Tonight, Lan Jie painted delicate light makeup, wearing a sexy dress, more beautiful than ever before.

Even Shen Xue is fascinated by Huang Lan on the stage.

The woman wore a long skirt, sexy legs looming, the whole body transmitted cold domineering, as high as the queen.

This figure with this momentum, it is as perfect as the iceberg goddess, even she can not help but feel jealous.

All the men were conquered by Huang Lan on the stage, and their eyes were fixed on Huang Lan. They were reluctant to blink for fear of missing the beautiful details.

Shen Xue finds that even Wu Tian stares at Huang Lan on the stage, just like a hungry wolf sees meat.

Seeing Wu Tian's greedy eyes, Shen Xue felt sad and asked, "is she so beautiful?"

"It's good-looking. It's the best." Wu Tiantou also did not return to nod, eyes still fall on LAN elder sister.

Just after answering this, he felt a burst of pain in the tender flesh of his waist, which woke him up. He looked down and found Shen Xue looking at her.

"Hiss!"

Wu Tian took a cold breath and could not help but murmured, "Xiaoxue, how can you pinch me?"

"If I don't pinch you, I'm afraid your eyes will fall out." Shen Xue cocked her mouth and spewed out a sentence.

Seeing that Wu Tian is so obsessed with staring at Huang Lan, she has no sense of miscellaneous Chen in her heart, and she almost died of anger.

"I just think LAN elder sister wears this dress very good, with her temperament very match."
Wu Tian grabs his head awkwardly.

"How beautiful it is?"

"Yes."

"Better than me?"

"You and sister LAN have their own advantages and they are both beautiful."

"Hum!" Shen Xue snorted and said angrily, "you smelly men like this fox spirit."

"Hey, hey

Wu Tian laughs and laughs. He has no choice but to meet this kind of vinegar jar.

At this time, Huang Lan on the stage has taken over the microphone and began to sing.

The song soon brought the audience to another scene. Everyone was immersed in it and enjoyed the beautiful melody. They felt very comfortable with their ears.

I have to admit that Lan Jie's singing is pleasant. Listening to her singing is a great enjoyment. She is not only in a happy mood, but also very relaxed in her body.

When LAN elder sister sings to the climax, someone suddenly shouts: "what a mess to sing, too bad to hear, get out of the stage."

As soon as the words came out, the scene was in chaos. Many people accused the audience of having no quality and asked to be expelled.

Later, several audiences clamored that Huang Lan's singing was not good, and they all clamored to let Huang Lan step down.

These people simply opened their eyes and told lies, which immediately aroused the dissatisfaction of fans. They argued with those who criticized sister LAN. There was no small confusion on the scene.

Wu Tian didn't expect this kind of situation. When he saw Wang Shaohua's successful conspiracy smile, he immediately understood that it was the old fox buyer who deliberately discredited sister LAN.

I didn't expect that the old fox was really shameless. In order to become the king of the grand ceremony, he would not hesitate to blackmail sister LAN behind his back.

If it goes on like this, not only will sister Lan's reputation be damaged, but also the popularity of seafood TV will be affected, and even the process of live broadcast ceremony will be affected.

We must find a way to calm the chaos in front of us, so as not to let the situation out of control, and then it will be out of control.

After thinking about it for a while, Wu Tian took out his mobile phone and dialed Su police officer's phone. He said a few words to the phone and hung up.

Less than a moment later, Su Ruyun rushed to the stage with the police and directly rushed to the stage to take over the microphone and yelled: "as far as I know, someone has been bribed to discredit Huang Lan. I will never tolerate such illegal and criminal acts as this. If I catch him, I will let him sit and wear them."

With this, she waved her right hand vigorously, and the police officers began to wander in the crowd.

As long as you see someone resisting Huang Lan, you will directly arrest them as suspects and take them back to the police station.

The audience cheered and applauded. They all agreed with the police. They could not help but applaud.

Under the suppression of Su Ruyun and a group of police, those who were bribed did not dare to make trouble again, and the scene gradually returned to calm.

The host spoke a few words on the stage, and then Huang Lan continued to sing for everyone. Soon the atmosphere returned to the previous state.

This incident gradually subsided, but Huang Lan's popularity was still affected. After her singing, she was equal to Jiang Meizi with a million popularity.

With her strength, she could have been far away from Jiang Meizi, because the accident happened in the middle of the way had a great impact on her, and the outcome was obviously unsatisfactory.

"I thought that the big singers were so powerful that they were just as powerful as our top anchor." Seeing this ending, Wang Shaohua couldn't help but gloat.

"Boss Wang, if someone hadn't bribed the black hand to frame up sister LAN, she would have been more popular than Jiang Meizi." Wu Tian said coldly.

"Who did Huang Lan frame up?"

"Boss Wang knows it."

"Hum!" Wang Shaohua shook his sleeve and said with displeasure, "boss Wu, don't deliberately frame me for losing this grand ceremony." "Boss Wang, I didn't say it was you who bribed the black hand. What's your hurry?"

"I'm not stupid. I know that you're referring to him." Wang Shaohua leaned his body on the chair and coldly warned, "without evidence, you'd better not spit out blood."

"There are some things you and I know well."

"You seafood TV is about to become a loser. Are you worried?"

"It's not clear who wins or loses."

"You still dare to speak hard up to now. I'm going to see when you're tough." Wang Shaohua bit his teeth and looked at the stage angrily.

"Let's go on to the play." Wu Tiandao is not in a hurry, but also looks out of the stage.

Under the gaze of the public, the host stepped onto the stage and said in a loud voice: "it is said that the next one is the number one anchor of seafood TV and the most mysterious female anchor in the entertainment industry. Guess who she is?"

As soon as the words came out, the scene exploded.

There is no doubt that Huang Lan is the most famous anchor on seafood TV. How can he suddenly become a top anchor again?

Everyone can't help but wonder what the anchor is. The name is even bigger than Huang Lan. The audience is full of expectations.

"I don't know who she is, and I'd love to know." The host deliberately sold a pass, and then announced in a loud voice: "let's invite this mysterious female anchor to stage."

Under the gaze of the public, a female anchor wearing a mask slowly stepped onto the stage.

As soon as she came on stage, she aroused the curiosity of the audience, and everyone guessed that the female anchor was sacred.

Some people recognize the female anchor, some people have seen the face of the masked goddess in the live carnival, but no one dares to confirm that, just waiting for the mask to give the answer.

After the masked goddess came to the stage, she did not say much, but sang a very sweet song with the microphone.

This song moved a lot of audience, we are full of more good feelings for the masked goddess, more want to see the face of the goddess.

After singing the song, the masked goddess turned away from the stage and walked towards the backstage area.

This was strongly opposed by the audience, and they all asked the masked goddess to take off her mask and want to see her face.

At this time, the host rushed to the stage and said to the audience, "we are a little bit calm, don't be agitated."

After this, the scene gradually quieted a lot, everyone was clamoring to let the masked goddess take off the mask.

"I understand the mood." The host motioned to the audience to be quiet and said with a smile: "I want to see the face of the masked goddess like everyone else. Please don't worry. The

masked goddess will open the mask for you at the end of the ceremony. Please vote for the masked goddess."

After this, the audience took out their mobile phones and voted for the masked goddess.

After a series of packaging, publicity and promotion, the masked goddess was fired to the top female anchor with the same height as Huang Lan and Jiang Meizi.

Popularity and traffic soared, and soon rose to nearly one million, which was comparable to that of Jiang Meizi and Huang Lan.

When the host announced that the popularity of the masked goddess was 980000, the scene was instantly boiling, and they were all surprised by the number.

I didn't expect that the No.2 female anchor of seafood TV jumped to become the number one anchor sitting on the same level with Huang Lanping.

So far, we don't know the true face of the masked goddess.

After all the anchors were on stage, the host let the masked goddess come on stage and opened the mask in public.

After the mask was lifted, some of the audience were surprised, some were surprised, and

some were disappointed.

Anyway, this marketing is very successful, the masked goddess has occupied the third position, after Huang Lan and Jiang Meizi.

After the female anchor appeared on the stage, the top three were Huang Lan, Jiang Meizi and masked goddess.

Next is the most anticipated king of the grand ceremony. Under everyone's eyes, the host announced in public: "the king of this grand ceremony is seafood TV."

"Pa pa pa pa..."

After this, there was a big round of applause.

Under the attack of Huang Lan and the masked goddess, seafood TV defeated the strange fish live broadcast and won the title of king of this grand ceremony.

"Boss Wang, you lost." After announcing the results, Wu Tian turned to look at Wang Shaohua.

"We lost." Wang Shaohua, like a rooster defeated in the war, became dejected in an instant, and was no longer arrogant.

He was very surprised at the result. He didn't expect that the small seafood TV could defeat their big platform of strange fish.

Already know Huang Lan influence is very big, intentionally bribes the black hand to discredit Huang Lan secretly, originally thought this can guarantee to be infallible.

But the result did not expect that Wu Tian temporarily package and promote the second anchor, instantly promoted to the top anchor level, and completely suppressed their strange fish.

"Boss Wang, do you take it?" The corner of Wu Tian's mouth rises, arousing a long lost smile.

"I will." Wang Shaohua was unwilling, but helpless.

Since he lost, there is nothing to say, but he still can't accept it in his heart. He will lose to such a small three stream live broadcast platform.

"Boss Wang." Wu Tian patted Wang Shaohua on the shoulder and said with a smile: "the strange fish now is not the strange fish before, and the seafood TV now is not the seafood TV that was bullied before."

"You are cruel. Our contest is just beginning." Wang Shaohua was unwilling to bite his teeth and got up to leave here.

"Boss Wang, take a walk. I'll treat you to tea when I have time." Wang Shaohua waved from the back of Wu TianChao.

Seeing the old guy go far away, Wu Tiancai takes out his mobile phone and dials Long Yun's phone. He arranges Secretary long to carry out publicity and promotion all night, and continues to stir up the topic of the live broadcast ceremony.

Winning the king of the grand ceremony is only half of the success. Next, we need to explain the

marketing promotion, so that the influence of seafood TV will continue to soar and be equal to the strange fish.

After the phone call, we found that the audience had dispersed.

Although the live broadcast ceremony is over, it is still early. We are not in a hurry to leave. We continue to go shopping. There are many guests flocking to the food street.

The food festival was originally planned to end at 9:00, but according to this trend, it can last until at least 10:00.

Wu Tian immediately made a decision to adjust the extended time so that the food festival would end after 11 o'clock.

After the tourists left, Sun Sheng organized people to withdraw from Taiwan, and Jiang Wan went to help when he had nothing to do.

With the joint efforts of all of us, the site was cleaned up in less than an hour.

"Yes, well done." Seeing that the live broadcast ceremony was a complete success and a complete victory, Wu Tian was very happy and said to Sun Sheng, Jiang Wan, Shen Xue and others, "with the concerted efforts of all of us, we have won a great victory today."

"Thanks to Mr. Wu's leadership, we have been able to achieve great success in live broadcast and food festival." Sun Sheng couldn't help but say something.

"Don't flatter." Wu Tianbai glanced at Sun Sheng and said with a smile: "the success of this food festival and live broadcast is not due to me alone, but to all of us." "That's right." Sun Sheng

nodded, then raised his hand and clapped.

"Don't interrupt." Wu Tian pressed his hands and motioned for everyone to be quiet. Then he said, "let's go to my house and have a good celebration."

"Good." On hearing that they were going to Wu Tian's house, Sun Sheng and Jiang Wan couldn't help cheering.

"Qinglong, you are in charge of the food street. The others will go home with me." Wu Tian said this, turned to Shen Xue and said, "Xiaoxue, you have to work hard to make a delicious meal for us."

"Don't worry. It's on me."

"Well, you go home early. I'll ask Secretary long to help you." Wu Tian said this and said to Liu Fugui, "Uncle Fugui, you should drive Xiaoxue home first."

"OK!" After Liu Fugui answered, he took Xiaoxue home in advance.

"Well, the others will hand over the business here and come back with me later." Wu Tian finished saying this and began to work hard.

Everyone also started to help, put the things on the scene.

Just as he was busy packing up, he saw that old Wang Shaohua was chatting with Huang Lan in the backyard.

I thought they knew each other, but when they approached, they found that it was Wang Shaohua who wanted to dig the corner of the wall and dig Huang Lan into their strange fish live station.

Wang Shaohua lowered his attitude and discussed with Huang Lan: "Miss Huang, I sincerely want to invite you to live in our strange fish live."

"I'm sorry, I'm not interested in you fish." Huang Lan did not want to think, resolutely refused.

"How much contract money do they give you for seafood TV, and I'll give you 50 times, OK?"

"Not so good, even if 500 times, I will not go to your company." The tone of Huang Lan's reply was very firm.

"I don't understand why you stay in a small company like seafood TV, and you don't want to go to our strange fish live broadcast?"

"No why." Huang Lan stroked her hair and said in a cold voice, "you'd better die this heart. I won't leave seafood TV."

With these words, Huang Lan turns to leave. As soon as she turns around, she almost collides with Wu Tian standing behind the corner.

She stepped back and murmured, "Wu Tian, how can you hide here and listen to me?"

"If I don't eavesdrop, how do I know someone's digging a corner here?" Wu Tian finished saying this and walked towards Wang Shaohua. "Boss Wang, do you want to poach sister LAN from

me?"

"Yes, I do intend to invite Miss Huang into our company." Wang Shaohua made no secret of his possessiveness.

Now, relying on Huang Lan's trump card, seafood TV can quickly attract traffic and become a first-class live broadcasting platform in a short time.

If they can find a star like Huang Lan, they can leave seafood TV and other live broadcasting platforms far behind.

"I advise you to die this heart, LAN elder sister is my person, no one can take away." Wu Tian said this and pulled Huang Lan to turn away.

After walking for a long time, Huang Lan just retracted his arm and vomited out a sentence: "you just looked like a man."

"The old Wang Shaohua is mean and insidious. You should stay away from her in the future." Wu Tian stops and tells LAN elder sister seriously.

"Why is he so mean and insidious?"

"You may not know that the people who discredit you at the live broadcast ceremony tonight are all bought by Wang Shaohua."

"What?" Hearing this, Huang Lan's face suddenly became gloomy and black, "do you say those people are the nurseries bought by Wang Shaohua?"

"Yes."

"No wonder..."

Huang Lan suddenly realized that at that time, it was no wonder that someone suddenly launched a mindless accusation and abuse on her. It was Wang Shaohua who played tricks behind her for a long time.

After gnashing her teeth for a long time, she said, "that old beast is really mean."

"The old man is not a good man. Just stay away from him. If he dares to provoke you, I will help you deal with him."

"Why are you so nice to me?"

"Because you are my man."

"When did I become your man?"

"I mean, you are our seafood TV people, and I should protect you." Wu Tian knew that he had said something wrong, so he quickly changed his words.

"If it wasn't for you, I wouldn't have stayed on seafood TV."

"Thank you, sister LAN, who has made the most contribution tonight. Let's go home and have a celebration party." Wu Tian finished saying this and took everyone back to their residence.

Shen Xue has made delicious dishes at home. After a few greetings, they all sat down.

Wu Tian sat in the seat of the main guest and Sun Sheng sat at the seat of the guest. Next to him were Jiang Wan, sun Xiaohao, Su Ruyun, Huang Lan, Shen Xue and Xiao Feng.

Wu Tianzhao waved and ordered Qinglong and Longyun standing beside him: "today is a family dinner. You are all my family members. Come and sit down."

"Thank you, young master." Qinglong and Longyun thank you and sit down in the remaining two empty seats.

What the young master said just now moved them both.

From the young master's speech and behavior, we can know that the young master never treated them as servants, but always regarded them as their own.

"Everyone else knows each other. Let me introduce this little girl to you." Wu Tian rubbed Xiaofeng's head and said, "she is Qinglong's sister, Xiaofeng, and also my sister."

"Hello, brothers and sisters. My name is Xiaofeng." Xiaofeng got up to say hello to everyone, and her mouth was as sweet as wiping honey.

"Sit down!"

Wu Tian took Xiaofeng and sat down, then raised his glass. "The live Festival and the food festival are both successful. It's inseparable from the efforts of each of us. Let's clink glasses together."

"Cheers

All of them got up to touch their glasses, and then drank all the wine.

Several girls drink red wine, Su Ruyun and several men drink liquor, and Xiaofeng drinks.

"Sit down, everyone." After drinking the first glass of wine, Wu Tian pressed his hand to show everyone to sit down. He said with a smile, "thank you all. Without you, the live Festival and the food festival would not have been a success."

"Xiaotian, didn't you say you want to reward us with merit? How are you going to reward us?" Shen Xue asked half jokingly.

"Don't worry. Each of you has a share." Wu Tian finished saying this, turned his head to Long Yun and said, "Secretary long, go to pick up the clothes I bought and give them to you."

"Yes."

After answering the voice, Long Yun went to the room with Qinglong, and soon came out carrying several large boxes of clothes.

Seeing so many brand-new clothes, everyone is stupid.

I didn't expect that Wu Tian bought so many clothes, and all of them were business cards. I'm afraid the value is more than millions.

"Little day, you don't want to open a clothing store, do you?" Seeing so many clothes, Jiang Wan couldn't help joking.

"This is my present to you. It's a reward. Everyone has a share." Wu Tian finished saying this and waved his big hand: "Fen." Each of them got more than a dozen sets of clothes, and everyone had a share.

Sun Sheng and Jiang Wanze were bitter gourd faces and complained, "Xiao Tian, you give us lady's clothes. What do you mean?"

"You can take it back and give it to your family and friends. Come on, take it." Wu Tian, without saying a word, forced two bags of women's clothes into their hands.

Jiang Wan and Sun Sheng looked at each other, and finally took the clothes with a bitter smile.

After Huang Lan, Shen Xue and Su Ruyun picked out the clothes, they went into the room and began to arouse the clothes.

Jiang Wanze couldn't help murmuring: "Xiaotian, how did those three women live in your house?"

"Xiao Xue is in conflict with her family. She moved out and had no place to live, so she settled in my house for the time being. Officer Su was sent by director Liang to protect me. As for sister lan..." Wu Tian grabs his head and doesn't know how to explain it.

To now do not understand, LAN sister how inexplicably live in their own home.

Actually LAN elder sister lives in is a complete accident, she is to see the light snow lives here, therefore depends on not to go.

"Xiao Tian, you are really lucky. You have three women in one person. There are police flower, Kitchen God, female singer, as well as Lori Xiaofeng and Leng female secretary. I really envy you." Jiang Wan simply envied, envied and hated to death.

He is still single until now, and Xiaotian has five goddesses, all of them are excellent.

"Don't talk nonsense. I'm just friends with them." Wu tianbai Jiang Wanyi eye, quietly refuted the way.

"Don't lie to me, fool can see that you have a good relationship, these girls are interested in you." Jiang Wanzao saw the thoughts of several girls and asked, "who do you like these girls?"

"I I don't know. " As soon as he mentioned this problem, Wu Tian had a headache.

Several women have their own merits and are equally equal. It is really difficult for him to choose one to be his girlfriend.

"Xiaotian, I know you are not easy to choose. It is difficult for any man to choose from so many

excellent products."

"Don't talk about it here."

"But I have a way."

"What can I do?" Wu Tian put his head together and wanted to know what bad idea Jiang Wan had.

"Hey, hey

Jiang Wan had a bad smile and suggested, "why don't you take all these girls away, isn't it perfect?"

"Get out of here!"

Wu Tian hit Jiang Wan's chest with his arm and cursed, "don't be so nonsense. I'm not a pig."

"I'm trying to help you."

"What a bad idea."

"No more. Drink." Jiang Wan laughed two times and held up his glass.

After the two clinked glasses, they drank half a cup of liquor.

Just after drinking wine, she saw Su Ruyun, Shen Xue and Huang Lan come out with new clothes.

Among the three women, the most amazing is Huang Lan. Her hot figure with that set of bags is simply sexy to explode.

The most elegant is Shen Xue. This self-cultivation group makes her less childish and delicate, but more sophisticated and elegant than mature women.

The most surprising thing was su Ruyun. Her chiffon skirt with her ball head was just like a poem and picturesque, even more domineering than when wearing police uniform.

"Wow

Wu Tian, Sun Sheng and Jiang Wan were all stunned and swallowing.

He was not Sun Sheng. His eyes were swimming back and forth on the three women. His mouth was flowing.

"Look at your success." Wu Tian raised his hand and patted Jiang Wan's head. He despised him and said, "it's like I haven't seen a woman in 800 years."

"I've seen a lot of beautiful women. I've never seen anything like them." Jiang Wan wiped his saliva and began to smile awkwardly.

He knew that these women had a good relationship with Wu Tian, and he did not dare to think of anything wrong. Even if he could not think of it, he had to take back his eyes, picked up his glass and poured two mouthfuls of wine.

"Not promising." Wu Tianan scolded, and then said to the women, "don't twist there. If you continue to seduce them, Jiang Wan and Sun Sheng will die of your greed."

"Cough..."

On hearing this, Sun Sheng and Jiang Wang coughed fiercely, almost not choking to death by their own saliva.

How can I know such brutes as Wu Tian? It's really damaging to expose them in front of beautiful women.

This not only makes Sun Sheng and Jiang Wan feel embarrassed, but also Shen Xue and Huang Lan feel embarrassed. They all unconsciously return to the table and sit down.

However, Su Ruyun could not help but despise Wu Tian: "I think among these men, you are still the most greedy!"

"I've seen women like you for a long time." Wu Tian pretended to be calm and calm.

"Don't hide it. Your trousers have betrayed you."

When Su Ruyun finished saying this, everyone looked down at Wu Tian's trousers and found that they had betrayed him.

"Poof!"

Huang Lan and Shen Xue can't help laughing at the same time. The two girls are red and embarrassed to see more.

"Cough, cough, cough..."

Wu Tian realized his embarrassment. He coughed fiercely for a while and wanted to find a place to drill in.

I've never been so humiliated as I am today. I'm embarrassed when I think about so many women.

"Wu Tian, I didn't expect that you were so dirty in your mind that you even wanted to plot a plot against some of our women. You are really shameless." Su Ruyun took advantage of the subject and began to despise it with a loud voice.

Wu Tian didn't show weakness. He licked his face and said, "officer Su, you are allowed to carry a gun. Don't you allow me to bring a gun?"

"Shameless!" Su Ruyun blushed and scolded two words.

Knowing that the quarrel was not Wu Tian's opponent, he simply shut his mouth and stopped talking.

However, Jiang Wan beside him couldn't help but say: "little day, people are policemen. It's legal to carry guns. You don't know if it's legal to carry guns."

"Rolling calf." Wu Tian glared at Jiang Wanyi's eyes, pointed to his nose and warned, "dare to talk more and throw you out from here."

As soon as this word came out, Jiang Wan was frightened to cover his mouth with his hand.

"Come on, drink." Wu Tian raised his glass and took the initiative to change the subject: "let's go hand in hand to build our business empire."

"Cheers

Everyone was inspired to raise their glasses.

After drinking two cups of wine, Wu Tian again set his eyes on Long Yun, "Secretary long, everyone drinks. Why don't you drink?"

"I can't drink." Long Yun is modest.

"Come on, drink this." Wu Tian poured a glass of liquor and handed it over.

I saw a bottle of vodka in secretary Long's room before. I knew that this woman likes drinking, but she seldom drinks it.

Perhaps only in the dead of night, would she hide in her room and drink secretly.

"Yes After Long Yun answered, she picked up the wine glass and drank it out, without even frowning. Everyone was shocked by Secretary Long's drinking capacity. I didn't expect that a girl could drink so much, which was more powerful than many men.

"Secretary long, I can't see that you can drink so much." Wu Tian's eyes at Long Yun are more profound.

All along, I feel that this woman is very mysterious and deep, just like ice in the canyon, deep and cold.

Yunlong's story is certain.

"Compared with the young master, I'm still far behind." Long Yun said modestly.

"Well, let's go on drinking." Wu Tian picked up the bottle, filled it with wine and continued to drink and chat.

At the end of the drink, several women went back to their rooms, leaving only Wu Tian, Sun Sheng, and Jiang Wan three great men still going on.

The three chatted while drinking, mainly about the future development direction of seafood TV

and Wanjie.

Sun Sheng is also an ambitious man, he has plans to swallow up strange fish, and will be able to make a name in the country in the future.

Comparatively speaking, Jiang Wan is not so ambitious. At present, he only wants to make the name of Wanjie.

Tonight's live broadcast ceremony and food festival can bring a lot of people to Wanjie. If we can strike while the iron is hot and hold more similar brand festivals, we will strive for long-term sustainable drainage.

The two chatted late and drank several bottles of white wine. Finally, the three were drunk and fell on the sofa.

When Wu Tian wakes up again, it's already 3:00 a.m. in the middle of the night. At this time, he only feels dry and confused.

When he opened his eyes, he found that he was lying on the soft bed, and ER Longyun was sitting on the chair in front of the bed.

Seeing Secretary long, Wu Tian woke up half of the time. He didn't understand: "Secretary long, why are you in my room?"

"Young master, this is my room." Long Yun looks at the front, the face has no expression to spit out such a sentence.

"What?" Wu Tian found that he was lying on the bed of Longyun at this time. Fortunately, his

clothes were still on his body.

"Secretary long, how can I be in your bed?"

"The young master staggered into my room last night and stayed in my bed." Long Yun's resentment turned a white eye, the tone of indifference is like frost.

"I On your bed? " Wu Tian patted his head and had no impression of what happened last night.

Last night, I drank a lot with Sun Sheng and Jiang Wan. After drinking a lot and chatting a lot, I fell asleep on the sofa.

As for what happened later, there was no memory.

"Yes Long Yun nods, tone more and more indifferent, "young master sleeps too heavy last night, no matter how I call, can't wake up."

"Did I do anything to you last night?"

"No

"That's fine." Wu Tian got out of bed and took a look at the puffy eyes of Longyun. "Did you accompany me last night and didn't sleep?"

"My bed is occupied by a young man. How can I sleep?"

"So you didn't go to my room?"

"No Long Yun clenched his teeth awkwardly and explained, "I'm afraid that people will misunderstand me and have a bad influence on the young master. I'll just stay here."

"Not bad." Wu Tian nodded with satisfaction and thought of Sun Sheng drinking Jiang Wan. He immediately asked, "are those two boys still in the living room?"

"Qinglong and uncle Fugui sent them to the hotel."

"Well, you should rest early and Ben should not go back to bed." After saying this, Wu Tian turned and walked outside.

Just out of the room, he met Su Ruyun, who was ready to go back to his room after going to the toilet. He exclaimed, "in the middle of the night, how are you in Longyun's room?"

"That I have something to do with Secretary long." Wu Tian faltered and explained.

"What are you looking for in the middle of the night?"

"It's a matter between our masters and servants. There's no need to explain it to you."

"Sneaking into the Secretary's room in the middle of the night must be doing something shady. It's really despicable, even the secretary." Su Ruyun severely despised a sentence, turned back

to the room to sleep.

"Shit!"

Wu Tianan scolded and turned back to his room.

This kind of thing can not explain clearly, simply do not want to waste saliva, go back to the room to fall asleep.

The next morning, when he was sleeping, he was awakened by a sudden knock on the door. When he opened the door, he saw Shen Xue standing outside the door in anger.

"Xiaoxue, can I help you?" Wu Tian stretched out and asked in a weak voice.

I haven't drunk so much wine for a long time. I feel soft and weak all over my body. My head is still dizzy now.

"Bang!"

Shen Xue got into the room, locked the door, glared at her big eyes and asked angrily, "I heard you went to the Dragon secretary's room in the middle of the night last night?"

"You listen to Su Ruyun." You don't have to think about it. It was su Ruyun who told the secret.

"Don't talk nonsense." Shen Xue approached one step, huhuhuhu and swearing: "you are really shameless, even your secretary is not let go."

"Don't get me wrong. Listen to me first."

"What else can be explained?"

"I was drunk last night..."

"And then the secretary?"

"Don't worry. Listen to me first." Wu Tian appeased and continued to explain, "I went to the wrong room when I was drunk last night, and then I slept in secretary Long's house for several hours. I did nothing with her."

"That didn't happen to you?"

"I was so drunk last night. How could I do that? What's more, with the character of secretary long, I really managed her and had to castrate me." Wu Tian grabs his head awkwardly.

"I dare you

After hearing this, Shen Xue thought it was very reasonable.

But still not quite at ease, continue to ask: "you sleep in Longyun room, where does she sleep?"

"She didn't sleep. She sat by and looked after me."

"Really?"

"You can ask her if you don't believe it."

"Forget it." Shen Xue had to give up.

This explanation is reasonable, and she is not qualified to question Secretary long.

After a glance at Wu Tian, who was full of wine, he told him, "you should drink less wine later, so as not to drink your body out."

"I was so happy last night that I drank too much by accident." Wu Tian grabs his head awkwardly.

"Well, you go and wash and eat later." Shen Xue said this and turned to leave the room.

Shen Xue has just left. Unexpectedly, Huang Lan burst in and interrogated him like a prisoner: "early in the morning, why is Shen Xue in your room?"

As soon as she got up and finished washing, she saw Shen Xue sneaking out of Wu Tian's room and ran to ask about the situation.

"Snow called me to eat." Wu Tian casually perfunctorily, in the face of the two women's concern, is really a little flattered.

"Really just calling you to eat?" When Huang Lan asked this, she scanned the bed with suspicious eyes.

"Of course, she just called me to get up. Do you think she came to bed with me in the early morning?"

"That's your business, it's none of my business." Huang Lan is sure that they didn't do anything out of the ordinary, so she settled down and turned to leave the room.

"Lan..." Wu Tian still wants to talk. Seeing that the woman has gone out, he only leaves a cold and proud figure.

"This bitch." Wu Tianan scolded and stretched himself into the bathroom.

After washing and gargling, I saw several women sitting around the table waiting for him to eat. His eyes were obviously strange.

"Good morning, everyone." Wu Tian said hello with a smile, went to the empty seat and sat down, "have breakfast!"

Several people did not speak, began to eat breakfast.

After breakfast, Huang Lan proposed: "I'll go to the seafood company later. You can drop me off."

"And me." LAN elder sister just finished saying this, Shen Xue follows coax: "I want to go to Fuyuan restaurant to work, send me to go to work first."

"Send me off first. I have something urgent." Huang Lan white Shen Xue one eye, a bit overbearing to Wu Tian said.

This tone makes Shen Xue very unhappy, deliberately contends: "I can't be late for the restaurant, send me first."

In this way, the two women at the table to fight, no one dare to admit defeat.

"No more noise." Wu Tian interrupted the second daughter and said without expression: "both of you have cars. Drive by yourself. I'll take Xiaofeng to school later."

On hearing this, the two girls were quiet and did not argue again.

In their eyes, Xiaofeng is a simple and lovely child, no one will compete with a child.

"Oh, my God, that's very kind of you." Xiao Feng put her arm around Wu Tian and rubbed her head against Wu Tian.

"Come on, I'll take you to school." Wu Tian rubs Xiaofeng's head and walks outside with her arm.

The 17-year-old Xiaofeng has grown up, which may be the cause of her previous illness, and her development is much later than that of a normal girl.

She now looks like a 13-year-old girl, petite, delicate, and pitiful.

First Xiaofeng was sent to school, and then Wu Tian went to his own school.

Seeing Mr. Mu ran, Wu Tian immediately felt guilty. Fortunately, Mr. Mu did not mention his absenteeism.

After several classes in the morning, he was taken to the office by Mr. mu.

"Mr. mu, can I help you?" Wu Tian is a little frightened to ask, thinking that teacher Mu is to criticize his previous absenteeism behavior.

He had already made up the reason in his mind, and he would try to get through it later.

"Director Han is looking for you." Mu ran turned back and answered, and went on walking towards the office building with long legs.

Today, she is dressed in a professional suit. Her figure is very symmetrical. Her long white legs are looming under her skirt.

"What is director Han looking for me for?" Wu Tian asked, his eyes could not help but peek at Mu's legs.

"Don't be nervous. It may be for the martial arts club."

"Martial arts club?" Wu Tian's brow is slightly tight. What can the martial arts club do to disturb

the dean of academic affairs?

Muran did not explain so much, perhaps she did not know the specific situation.

Under the leadership of teacher mu, the two came to the office of academic affairs.

Muran adjusted her dress, raised her hand and knocked on the door of the office. After a few seconds, she heard the voice inside: "the door is not locked, come in!"

Hearing this, they pushed the door and went in.

Han Dashan was sitting at his desk, looking up at Mu ran, smiling and saying, "Mr. mu, you are here. Please sit down."

"Director Han, this is our classmate Wu Tian. I brought him here." Muran did not sit down, but pointed to Wu Tian behind him.

"Are you Wu Tian?" When Han Dashan's eyes fell on Wu Tian, his smile disappeared immediately.

"Yes, I am." Wu Tian nodded and did not feel any fear in the face of the director of academic affairs. "Director Han, I heard you have something to do with me?"

"Yes, it's about our school martial arts club." Han Dashan leaned his body on the chair, held the shelf and said, "I heard you are the president of the martial arts club now?"

"Yes, I am."

"Well, you'll resign as president now, and I'll find someone to replace you."

"Why?" Wu Tian's eyebrows are tight. He didn't expect that director Han came to him just to let him quit his post as president of the martial arts club.

"If you quit, you'll quit. That's so much nonsense." Han Dashan slapped the table and exclaimed impatiently.

"According to the regulations of our school, the president of the martial arts club is elected by its members. The academic affairs office has no right to interfere, nor is it qualified to appoint or remove the president." Wu Tian's tone is much stronger than before.

In the past, the martial arts club of the University of technology was not popular.

It is because Wu Tian invested a lot of money to improve the hardware facilities and spent a lot of energy to manage the club, which made the martial arts club have the strength today.

In the past, when the martial arts club was half dead, the academic affairs office never asked.

Now it's good. Seeing that the martial arts club is in full swing, the academic affairs office has stepped in and tried to snatch the martial arts club out of his hands.

"Yes, director Han, Wu Tian did not make mistakes. Why should he resign as president?" Muran couldn't help asking, she naturally wanted to stand on the same front with the students in this class.

"That's it." Han Dashan cleared his throat and explained: "in the next few days, we will hold ten school leagues. Our Wushu Club has already reported it and will participate in this competition on behalf of the school. Now I need a competent leader to be the president of the club to lead the club to participate in the competition and win honor for the school."

"Why do you say my students are incompetent?" Muran will not tolerate their students being bullied, cold voice asked.

Wu Tian is one of her most proud students. Naturally, she will try her best to protect her. She can't be bullied by the academic affairs office.

"Pa!"

Han Dashan immediately changed his face and slapped him hard on the table, "Mr. mu, please pay attention to the tone of speaking to me."

"I just don't think it's fair to my students." Mu ran still did not show weakness, even in front of the dean of academic affairs, she did not shrink back.

"There's nothing unfair. This matter has been decided. If Wu Tian doesn't resign, I will directly

remove him. I have the right."

"You're bullying people."

"Muran, don't you want this bonus?" Han Dashan has long been angry and can not be exposed. He threatened Mu ran with this incident.

Muran heart a horizontal, no show of weakness in return: "even if do not want bonus, I also want to maintain..."

"Cough!"

At the critical moment, Wu Tian's dry cough interrupted Mr. mu.

Unexpectedly, in order to protect him, Mr. Mu contradicted the director of academic affairs and directly challenged Han Dashan.

To be honest, I was very moved to see Mr. Mu treat him so well.

However, he didn't want teacher Mu to offend the academic affairs office because of him, let alone let him be punished. He said quickly, "I am willing to resign as president of the martial arts club."

"Do you really want to?" Hearing this, Han Dashan's face began to look good.

"Yes, I will." Wu Tian nods hard.

In fact, he had no interest in the post of president of martial arts club. If it had not been for Gu Xiaoman, he would not have been the president.

"Good." Han Dashan nodded with satisfaction and stood up from his chair. "I have found a suitable candidate for the president of the martial arts club. Go to the martial arts club first, and I'll bring the new president here later."

"ok! " Wu Tian nodded and turned away from the office. Muran was unconvinced. He gave Han Dashan a look and chased Wu Tian out. "Xiao Tian, you have been working hard for so long. How can you give up your hand to others?"

"It's no big deal just a president." Wu Tian shrugged his shoulders and said with a cool smile, "what's more, I don't want to involve Mr. Mu because of this."

"Director Han is really deceiving people."

"Come on, Mr. mu. I'll take you to see the martial arts club."

"All right." Muran pulled his hair around the corner of his ear and followed Wu Tian in the direction of the martial arts school.

Now more and more close to the ten school league, members are training hard, strive to get good results, for school glory.

Members gathered students from various departments. Some students knew Mr. Mu and came forward to greet him after seeing him.

"Mr. mu, President Wu." Gu Xiaoman, who is helping with the training, comes quickly to greet them.

Mr. Mu taught in her class before, so she knew her before.

"Gu Xiaoman is our vice president." Wu Tian quickly points to Gu Xiaoman and introduces Muran.

"I know." Muran nodded and said with a smile, "I'll come and have a look. You can take me around."

"OK, let's go. The training room is ahead." Wu Tian made a gesture of invitation and took Mr. Mu around the martial arts hall.

After wandering around for a while, Muran was very excited: "I really didn't expect that the martial arts school is developing so well. I came here once before. I didn't have the training equipment, the rest room and the activity room."

"President Wu paid for them." Seeing Mu so happy, Gu Xiaoman is very proud.

"Xiaotian, did you spend a lot of money in the martial arts club?"

"Not much."

"Now, there are many more members of the martial arts club. They are all excellent soldiers. That's good." Muran nodded happily.

I didn't expect the martial arts club to become so powerful. No wonder the academic affairs office should take back the authority of the martial arts club?

"Martial arts clubs are very united and have a sense of cohesion. This force has become the spiritual food of the community." Wu Tian threw his hands behind him and looked up at the three big characters of the martial arts school.

I haven't been here for a long time. Unconsciously, I have already had feelings for this place.

While the three people were standing in the martial arts museum chatting, Han Dashan, Dean of academic affairs, came over with several students.

After seeing director Han, the members were all surprised that the academic affairs office would come to the martial arts school.

In the past, the academic affairs office never interfered in the affairs of the martial arts club and let it go. How come the director of the academic affairs office came here in person?

Gu Xiaoman eyebrows a tight, can not help but secretly questioned: "Han director to our here why?"

"He came to remove me as president and appoint a new president." Wu Tian replied without expression.

"Remove you?"

"Yes."

"Why should you be dismissed?"

"Because he is the dean of academic affairs, he has the right." Wu Tian said this and followed Mr. Mu toward Han Dashan.

Han Dashan shook his sleeve and pointed to the short student beside him and said, "Li Huai, a freshman, will be the new president of the martial arts club."

"Director Han, do you make a freshman President?" Muran's brow twisted into a Sichuan character.

I didn't expect that director Han dismissed Wu Tian and promoted a new person to be president. This is really bullshit.

I don't know. How can I compare with Wu Tian?

When I heard the address, I realized that the freshman was a distant cousin of Han Dashan. After a long time, they were related.

To put it bluntly, Han Dashan arranged his relatives to be the president of the martial arts club only when he saw the development of the martial arts club so well.

"Although Li Huai is a new student, he is very capable." Han Dashan finished saying this, turned to Li Huai and said, "show us your hands."

"Good!" Li Huai took a step forward, set up a set of body boxing.

This kind of boxing is also a fancy. To put it bluntly, it's just like embroidering legs. It looks like that. In fact, it's not vulnerable to a single blow.

"Pa Pa Pa Pa Pa!"

After Han Dashan clapped his hands, he couldn't help but ask Wu Tian, "Xiao Wu, what do you think of this boxing technique?"

"HuaQuan embroidered legs." Wu Tian gave the evaluation of these four words.

"Why don't you compete with Li Huai?" Han Dashan's eyes slightly turned a few times, opening the proposal.

He knew Li Huai's strength. He had been trained in a professional martial arts school before, and it was more than enough to deal with Wu Tianna.

Just take advantage of this opportunity to teach Wu Tian a lesson, by the way, in the martial arts museum, Li Wan, give the members a down.

"Good!"

Li Huai raised his head and challenged Wu Tian: "do you dare to compete with me?"

"What dare you?" Wu Tian shows no weakness. In the face of such a small role, he does not even frown.

"Let's show you my strength." After saying this, Li Huai threw his fist at Wu Tian.

Seeing his fist attack, Wu Tian didn't dodge. When Li Huai's fist was approaching, Wu Tian stretched out his big hand and seized the opponent's fist and wrung it.

Just listen to a "click", Li Huai's arm is directly broken, and then open his mouth to send out a shrill scream.

In an instant, Han Dashan's face became particularly ugly. He did not expect that Wu Tian would subdue Li Huai with a move.

Wu Tiansong opened Li Huai's arm and asked with a smile, "it seems that you are in pain. Do you still fight?"

"Fight." Li Huai gnaws his teeth, resists the sharp pain in his arm and pours at Wu Tian again.

Unfortunately, this time, he was kicked by Wu Tian before he got close to him. Li Huai, who was kicking him upside down, fell on the ground and screamed.

Then, the scene came bursts of snickering, people can not help laughing at Li Huai, pointing at him.

Seeing this scene, Han Dashan's face is a bit too much to hang. I didn't expect that Li Huai was so unskilled that he was simply disgraced.

Thanks to him, he also recommended Li Huai to be the president of the martial arts club. He also said that Li Huai's strength was amazing. He didn't expect that he would be disgraced so soon.

At the same time, he also underestimated Wu Tian. He didn't expect that the boy's strength in front of him was amazing, which made him drop his eyes.

"Director Han, the new president you selected is really good, even wrestling has such personality." Wu Tian patted the dust on his hands and couldn't help laughing.

"You..."

Han Dashan was so angry that he couldn't say a word for a long time.

At this time, Mu ran next to him couldn't help but say, "director Han, I don't think it's appropriate for you to choose Li Huai as the new president. After all, he is a new student..."

, "I has the final say on this matter. I have decided to let Li Huai be the new president. Although he is poor in skills, he has strong management skills." Han Dashan is very strong and has no room for discussion.

"But..."

Muran also wanted to retort, and was interrupted by Wu Tian: "since Han C has decided, we should respect his opinions."

Wu Tian doesn't want to let Mr. Mu argue with Han Dashan about the position of president, so as not to cause unnecessary trouble and trouble to Mr. mu.

"You're a little bit of a thinker." Han Dashan nodded with satisfaction and told Wu Tian, "go and gather all the members. I want to announce the new president." "ok." Wu Tian nodded and quickly called all the members of the martial arts club.

There are more than 50 members of the martial arts club. After this period of training, all of them are strong and strong, full of vigor and vitality.

Han Dashan glanced at the members of the club, holding the head of the head and said: "after careful consideration by the academic affairs office, we decided to remove the post of president of Wutian martial arts club."

After this, the scene instantly boiling up, people have to coax, for the decision to express opposition.

After announcing the news, Han Dashan pushed Li Huai to the front, "from now on, Li Huai is the president of the martial arts club."

"I don't agree."

President Wu agreed that he would not let Fei Huai be removed.

"It's a decision of the academic affairs office. It's useless for either of you to object." In spite of the opposition, Han Dashan said: "from now on, Li Huai has officially become the new president."

"If Wu Tian is not allowed to be president, I will leave the martial arts club." Gu Xiaoman was the first to take a stand.

When she made this statement, the crowd yelled: "I also left the martial arts club, we all left..."

Led by Gu Xiaoman, more than 50 members said in succession: as long as president Wu leaves, they will all leave together.

Seeing this scene in front of her, Muran was stunned. She didn't expect that Wu Tian was so charismatic that all members of the club should follow him.

Wu Tian did a lot of things for the martial arts club. He bought training equipment, decorated the martial arts hall, and improved the food for everyone.

Since the arrival of president Wu, the soft power and hard power of the martial arts club have been improved simultaneously, and all kinds of supporting facilities have been improved. It is convenient for everyone to train and nutrition can keep up with it.

In addition, the members were convinced of Wu Tian. President Wu thought about the members and brought benefits to the martial arts club and its members.

It is gratifying that Wu community grew up and devoted himself. At the same time, President Wu's skill is admired by all members.

Before that, President Wu smoothed out the martial arts club of the Institute of physical

education, which brought back face and dignity to all of us, which is worthy of our respect.

Such an excellent and good president has long convinced everyone that he is willing to follow president Wu, and no one is willing to abandon him.

If they have to drive president Wu away, they don't need to stay. They are willing to follow him.

"This..."

Seeing such a scene, Han Dashan was immediately dumbfounded.

He may have never dreamed that Wu Tian had such great charisma and influence that all members of the club said they wanted to leave for Wu Tian.

Seeing that all the members of the club were going to leave, Han Dashan was obviously a little flustered, which he had never expected.

If all the members of the club leave, the martial arts club will definitely be dissolved.

If the martial arts club disbanded, he would surely be punished. Thinking of this, he quickly stopped the members and said, "no one can leave."

"Director Han, we have the right to withdraw from the martial arts club. This is our freedom."

Gu Xiaoman said this, and everyone echoed.

Let alone the director of academic affairs. Even the principal has no right to interfere with their withdrawal from the martial arts club. This is the freedom and right of every student.

"I know that." Han Dashan changed his attitude, licked his face and said, "as long as you stay, I promise I won't treat you badly. In this way, I will give each of you 200 yuan a month."

"No They are not children. How can they be bribed by this small favor.

What's more, President Wu invested more than 1 million yuan into the martial arts club before, and spent more than 100000 yuan on food and drink every month.

"How on earth are you going to stay?" Han Shan didn't want to cry.

He promised to give each of them a subsidy of 200 yuan, but he still couldn't keep them. What a hell.

"As long as president Wu stays, we will stay. If President Wu leaves, we will go." The members made the request directly.

"You..."

Han Dashan was so angry that he didn't expect that these people would follow Wu Tian

wholeheartedly.

I don't know what medicine Wu Tian gave these people, which made everyone crazy.

"Director Han." At this time, Li Huai came over and murmured in a low voice: "since these members want to leave, let them go. We will recruit members again."

"What do you know?" Han Dashan glared at Li Huai and said in a low voice: "these people are old members of the club. They are all elites of the University of technology. Their strength can not be underestimated."

"After we recruit new members and train them vigorously, I don't believe it will be worse than them."

"We are going to hold ten school leagues soon. When you recruit members and train them, the cauliflower will be cold."

"This..." After listening to this, Li Huai was immediately discouraged.

At present, the League of ten schools is about to start. It is too late to recruit new members temporarily, which will definitely affect the competition.

"Our school has already reported to the league. If we screw up the League of ten schools, the Academic Affairs Office will be in trouble." After careful consideration, Han Dashan finally made a decision: "the martial arts club can not be separated now."

"But what if the old members have to leave?"

"No way." Han Dashan pushed Li Huai aside, stepped forward to Wu Tian, licked his face and said, "Mr. Wu, we all hope that you will stay and continue to be the new president."

At this time, his smile was stiff and straight, and his smile was worse than crying.

In order to prevent the collapse of the martial arts club, Wu Tian can only lick his face and continue to serve as the president of the martial arts club.

Once the martial arts club breaks up, there will be no way to participate in the ten school leagues. When the investigation is carried out, the Academic Affairs Office of the martial arts club will certainly be punished. If he is not a good director, he will be dismissed.

In order to keep the post of director, he can only lick his face and leave Wu Tian.

"I know you want me to stay as president, but I don't know what director Han thinks?" Wu Tian asked on purpose.

"Hey, hey

Han Dashan laughed two times: "of course, I also hope you stay, after all, this is the popular expectation."

"Director Han announced in public just now that I have been removed from the post of president."

"It was my decision to make a mistake." Han Dashan clenched his fist and said with a smile, "I've decided to reappoint you as the president of the martial arts club of Gongda."

"No!"

"I've decided not to be the president of the martial arts club any more," he said

With these words, he walked outside the martial arts hall.

As soon as he left, other members of the club were preparing to leave.

"Wait!"

Han Dashan was slightly stunned and rushed to catch up with him and said, "Xiao Wu, give me a face and stay here to continue to be the president, OK?"

At this time, he didn't have the arrogance of the former director. His tone of voice was low, almost imploring.

"Sorry, I've decided not to be president anymore." Wu Tian's tone was very firm and there was no room for discussion.

The head of the bullshit, relying on the authority of the academic affairs office, just took this opportunity to frustrate his prestige. "You..." Han Dashan's teeth are almost broken, but there is no way to take the boy in front of him.

He was also the director of the academic affairs office. He begged the boy for a long time. He didn't expect that this little bastard would not give him any face. It's really annoying.

After thinking about it, he turned to Muran and pleaded: "Mr. mu, Wu Tian is your student. Please help me talk about it and let him stay as president."

"Director Han really wants to stay with Wu Tian as president?" Muran asked on purpose.

Seeing Han Dashan's low face, she didn't mention how relieved she was.

This bullshit director Han, with the support of the academic affairs office, always flaunts her in front of her, and often gives her all kinds of ugliness. Unexpectedly, Wu Tian even put her on the spot this time.

Such a bully deserves to be humiliated.

"I mean it, of course." Han Dashan raised his right hand and said to Tianbao: "I firmly support Wu Tian to continue to be president."

"Since director Han is so sincere, I'll talk to Mr. Wu."

"Thank you very much, Mr. mu."

"You're welcome." Muran said this, turned to Wu Tian and said, "Xiaotian, look at the sincere part of director Han, you can stay and continue to be president."

"OK, I'll give Mr. Mu a face and stay in the martial arts club to continue to be the president."

With all the words mentioned, Wu Tian could only promise to come down.

In fact, he was reluctant to leave the martial arts club and the lovely members.

He didn't want to see the martial arts club break up like this. After all, it had the painstaking efforts of Gu Xiaoman and his brother.

"Good!"

Hearing this, the scene instantly boils up.

All the members expressed their willingness to follow president Wu to stay in the martial arts club.

"Hoo!"

Han Dashan breathed a sigh of relief. Seeing that the martial arts club had not collapsed, his heart fell.

However, he suddenly changed his tone and said to Wu Tian sternly: "since you are the president, you have an important mission and responsibility to help the school achieve good results in the league."

"Don't worry about that." Wu Tian shook off his bangs and confidently assured him, "I'm sure I can lead you to good results."

"If you can get the top three, the school will give Wushu social development awards." Han

Dashan finished saying this, and suddenly changed his tone: "if you get a result after three, you martial arts society will report criticism to the whole school."

"Don't worry, we must be before three."

"You'd better take care of yourself." Han Dashan dropped the words and walked away quickly.

Today, in the martial arts club, he was disgraced. All this was given by Wu Tian.

He swore in his heart that one day he would teach Wu Tian a lesson and find his lost face back.

After director Han left, Gu Xiaoman approached Wu Tian and said with a smile, "Congratulations, stay and continue to be our president."

"Thank you for your trust and support." Wu Tian is very happy. Without the support of Gu Xiaoman and his members, he can't be the president today.

It doesn't matter if you are not the president. It would be a disgrace if you were removed from office like this.

"It is Wu who has paid a lot for the martial arts club that he will win the trust and support of everyone." Gu Xiaoman spits out a sentence sweetly.

As soon as she heard that Wu Tian would be expelled from the martial arts club, she was about to cry.

But now that Wu Tian stays, she is very happy at the bottom of her heart.

She knew that if there was no Wu Tian in the martial arts club, it would not be far from closing down. Even if it did not close down, it would still exist half dead.

"In the future, we will make great efforts to carry forward the Wushu Club." Wu Tian patted Gu Xiaoman on the shoulder and encouraged him.

"Yes, work together." Gu Xiaoman waved his fist with a vigorous look.

At this time, Mu ran went up to the two men and said, "the ten school league is about to start. How sure are you?"

"This..."

Referring to the ten school league, Gu Xiaoman's face sank down, "other schools are like clouds of strong players, we still have a little gap."

"What about that?"

"Don't worry. I have a way."

"What can I do?" Muran and Gu Xiaoman asked in unison, both staring at Wu Tian.

"I'll get you a super coach who can improve the strength of the members in a short time." Wu Tian finished saying this and touched out his mobile phone to call Qinglong.

After calling Gu Xiaoman, he said: "Qinglong is my master. When he comes over, you ask him to train the members. He has a quick method."

"Really?"

"Of course it's true. My kung fu is taught by Qinglong."

"Great." Hearing this, Gu Xiaoman couldn't help smiling.

"Xiaoman, this period of time is hard for you. When I have time, I'll come to see you and I'll go first." Wu Tian waved and left the club with Muran.

Out of the club, Muran couldn't help feeling: "I didn't expect that you have such a great influence in the martial arts club, and more than 50 members are willing to follow you."

"This is the so-called heart to heart communication. When you put yourself in other people's shoes, others will rely on you and trust you." Wu Tian said with a wise face.

"It doesn't seem to come from a 20-year-old student."

"Is it?"

"I didn't expect you to know so much about how to behave at a young age. It's really amazing."
Muran looked at Wu Tian with joy on her face. She was proud to have such a student.

"Thanks to my grandfather." Wu Tian raised his head and looked at the distant sky, as if to himself: "my grandfather has a good intention. He made me grow up in adversity and taught me a lot of experience in life."

"Then your grandfather must be a great man."

"But I haven't seen my grandfather yet."

"Is it?" Mu ran Mou color a tight, sympathy way: "how do you even own pro grandfather have not seen?"

"It's a long story." About the family, Wu Tian avoided it, "but I believe I will see my grandfather soon."

"I hope you'll see your grandfather soon."

"Yes." Wu Tian grinned and suddenly proposed, "Mr. mu, it's time for dinner. How about if I invite you out for dinner?"

"I..."

Muran hesitated for a few seconds, and finally nodded: "OK!"

It is a taboo between male and female teachers that students should refuse to have dinner alone.

But she didn't know why. She even agreed to eat with Wu Tian. Even she felt incredible.

"Mr. mu, what would you like to eat?" Wu Tian invited Muran out for dinner for the first time. He didn't know what to eat.

"Whatever you want

"Let's go to the sunshine restaurant outside the school."

"It's better to go to Dongmen street." Muran thinks it is better to stay away from the school, so as not to be seen by teachers and students to gossip.

"Good!" Wu Tian nodded, then stopped a taxi and took Mr. Mu to Dongmen street. He found an ordinary restaurant and walked in. Muran turned his head and looked around, making it as if he was cheating. His furtive appearance was really funny.

"Mr. mu, what are you afraid of?" Seeing Mr. Mu like this, Wu Tian couldn't help laughing.

"Nothing." Muran pinched and pinched some hot ears, and soon sorted out the mood, holding the shelf: "Xiaotian, what do you want to eat?"

"I'm not averse. I'll eat everything. Let's order, Mr. mu."

"That's good." Muran took over the menu and ordered a few dishes.

"Mr. mu, you really know how to order. These dishes are breast enhancement."

"Cough, cough, cough..."

Muran coughed a few times, almost didn't choke to death.

After coughing for a long time, she rebuked in a solemn voice: "no big or small, even teachers dare to tease."

"I'm not kidding. These dishes are really breast enhancing."

"I don't know." Muran looks embarrassed and quickly orders the waiter: "then change a few dishes, any dish will do."

"OK." The waiter answered and went to the kitchen with the menu. Before leaving, he couldn't help laughing.

"Mr. mu, do you often eat those dishes so that you have such a good figure?" Wu Tian looked up at Muran's body and couldn't help asking.

I didn't dare to make such a joke with Mr. mu in the past. Recently, maybe he was too familiar with Mr. mu. In addition, Mr. Mu was so used to him that he dared to be so unscrupulous.

In his impression, Mr. Mu used to be very fierce, always with a straight face and seldom smile.

But recently, I found that Mr. Mu is not so fierce. She often blushes and becomes more and more feminine.

"Don't be big or small." Muran slightly white Wu Tian one eye, remind a way: "speak carefully."

"Mr. mu, I think it's better to be serious in class. It's not necessary to be so serious outside."

"That's not nonsense."

"I'm not talking nonsense." Wu Tian put away his smile and said solemnly, "Mr. Mu's figure is getting better and better. He has the potential to swallow mountains and rivers."
