

CHAPTER 351 - 360

"You..." Muran looks embarrassed and has no good airway: "Xiao Tian, can you stop talking about this topic?"

"Well, let's change the subject." Wu Tian poured two glasses of water and pushed one of them to Muran, "teacher mu, have you talked about boyfriends before?"

"I..."

Muran opened his mouth and clenched the teacup with an expression of desire and silence.

"Let's go out to dinner now, and you'll think I'm your friend." Wu Tian said this, again put his head in the past, "Mu teacher has talked about a boyfriend?"

"No

"Such a good condition as Mr. Mu should be pursued by many boys?"

"When I went to school, my parents were too strict to talk about boyfriends."

"Why don't you talk about it now?"

"No time." Muran rubbed his arm and perfunctorily said.

"Mr. mu." Wu Tian couldn't help being curious. He put his head together and continued to ask,

"what kind of boy do you like?"

"I..."

Muran opened his mouth, but did not know how to answer.

Never met before let her heart of the boy, do not know what type of love.

"For a woman as good as Miss mu, ordinary men look down on her." Wu Tian said this and began to laugh.

"Cough!"

Wu Tian coughed and took the initiative to change the subject: "by the way, do you have a girlfriend now?"

"No!"

"I think you have a lot of girls around you that you don't like?"

"How to say, they are not perfect. I just like a woman like Mr. mu." Wu Tian's mouth was sweet to please.

Just a joke, but let Muran's cheek red, the heart like beating a drum like thumping.

"Don't talk nonsense." Muran white Wu Tian one eye, pretending to calmly pick up a cup of water, but in the heart can not help but think.

I don't know why. Now I have a good opinion of Wu Tian and want to know this boy.

Soon, the waiter with several delicious dishes on the table.

Wu Tian asked for a bottle of white wine and tried to ask Muran, "Mr. mu, would you like some wine?"

"No Muran quickly waved and refused.

She seldom drinks in front of the students, so she can't drink in front of the students, so as to avoid being laughed at by Wu Tian when she is drunk.

"Come on, drink less." Wu Tian couldn't help breaking up, picked up a disposable cup and poured a small half of it to Mr. mu, "come on, Mr. mu, I respect you."

"I really..."

Muran also wants to refuse, seeing Wu Tian drink half a cup of white wine, she also had to sip a small sip.

"Oh, how spicy Wine just into the roar, she was hot straight tongue, two hands like a fan in front of the mouth fan.

"Ha ha ha..."

Seeing Mr. Mu's painting, Wu Tian couldn't help laughing.

Such a smile, but let Mu ran some embarrassment, whispered: "Wu Tian, what are you laughing at?"

"I laugh that Mr. Mu is so cute, ha ha..." Wu Tiangen couldn't help but look up and laugh.

"You..." Mu ran was embarrassed and had to cover up the embarrassment with tea.

After laughing for a long time, Wu Tiancai couldn't help joking: "Mr. mu, you just looked like a woman. You look so beautiful. It's really exciting."

"Don't be big or small." Mu ran sternly reprimanded a sentence, but the heart is inexplicable some happy.

Being teased by a student so wantonly, she should be angry and angry, and even feel happy.

"Mr. mu, would you like some more?" Wu Tian raised his glass and tried to ask.

"No Muran pushed away the half mouthful of liquor that had not been drunk and complained, "it's so spicy to death."

Even she did not notice, at this time she was like a coquettish little girl, so attractive.

"Don't drink, let's eat." Wu Tian picked up his chopsticks and began to devour the delicious food.

Just when two people eat with relish, two flowing men came over and accosted Muran: "beauty, can we eat with you?"

"No Muran coldly spits out two words, in the eye is like to shoot a knife to pedal to look at each other.

She had a strong temper. She was a strict teacher in school, but she was gentle in front of Wu Tian.

"Oh, it's a little pepper. I like it." The two men, with a smile, had the cheek to sit down beside Muran.

"Pa!"

Muran will chopsticks to the table, said to Wu Tian: "I eat well, pay the bill, let's go."

Encounter this kind of rascal rascal, which still has the mood to continue to eat.

"ok! "

Wu Tian nodded and was about to pay the bill. As a result, he was blocked by two men, "boy, is this big breasted woman your girlfriend?"

"No, she's my teacher." Wu Tian tells the truth. "You are lucky to cheat such a beautiful female teacher." The two men said this, grinning and giggling.

"Don't talk nonsense." Muran two eyes a stare, cold voice explained: "I and Wu Tian is just a teacher-student relationship, not as dirty as you think."

"It doesn't matter." The two men didn't care about these and said to Wu Tian, "we have a crush on your beautiful teacher and want to pursue her."

"Teacher Mu doesn't have a boyfriend. You can chase him if you want." Wu Tianyi has nothing to do with himself.

"You know what you're doing." The two men nodded with satisfaction and waved to Wu Tian: "there's nothing for you here. Get out of here!"

With these words, the two men approached Muran.

"Mr. mu, I'm leaving first. I hope you can take off the bill as soon as possible." Wu Tian waved and turned to leave.

"Hello..."

Muran's face sank and quickly called out to Wu Tian: "Wu Tian, don't go, come and help."

"What can I do for you?"

"Come and help get rid of them."

"Doesn't Mr. Mu like this type?"

"Nonsense." Muran didn't have a good breath of white Wu Tian one eye, angry Huhu way: "you didn't see they want to play rogue to the teacher?"

"I think they really like Mr. mu. Don't you just follow them?" Wu Tian deliberately joked that he couldn't help laughing at the moment.

"Help me if you need help." Muran hasty voice urges a way, early see Wu Tian this kid is deliberately teasing her.

"All right."

Seeing that the two men were about to approach Muran, Wu Tian did not dare to continue playing. He stepped forward in front of them and said with a smile, "my beautiful teacher doesn't like you. You'd better get out of here!"

"Boy, didn't you just let us chase your teacher?" The two men glared at Wu Tian with an unhappy face, "how do you go back on it?"

"Teacher Mu doesn't like you. You'd better die." Wu Tianshuang hugs his chest and protects Mr. Mu just behind his back.

Jokes are jokes. He doesn't allow anyone to hurt Mr. mu.

"Otherwise." The two men thought for a while, took out two thousand yuan from their pockets and discussed: "as long as you leave now, these two thousand are yours."

"Hum!"

Wu Tianleng snorted and took a look at the two thousand dollar bill. Then he took the check from his pocket and slapped it on the table. "Let's see what a rich man is."

"Cash check, 20 million." The two men almost didn't stare at the long numbers on the check.

Nima, it's a 20 million cash check. They've never seen so much money before.

I didn't expect that this seemingly poor silly boy in front of him was so rich that he took out 20 million, which was really eye opening for them.

"Have you seen enough?" Wu Tian waved the check and asked them.

"Enough, enough." Two people repeatedly nodded, with the 20 million, what kind of woman

can not be found.

"When you've seen enough, get out of here." Wu Tian said this and put the 20 million check in his pocket.

"Don't you give us the money?" Seeing Wu Tian put away the check, the two men were dumbfounded.

"Of course not." Wu Tian put his hands in his pockets and looked like he was hanging around. "I just took it out to show you."

"Just let's see?"

"Yes."

"You..." Two people have a kind of feeling of being played, immediately full of anger.

"What? Not enough? "

"Look at your sister." The two men immediately became angry and pointed to Wu Tian's nose and threatened: "hand in the money as soon as possible, otherwise don't blame us for being rude to you."

They don't want to give up easily when they see 20 million. This is the nearest chance for a multimillionaire.

"Why should I give you my money?" Wu Tian pressed his hand on his pocket for fear of being robbed by them.

The two men looked at each other and slowly approached Wu Tian, "boy, if you don't hand in the check, don't blame us for being rude to you."

"What? Do you still want to steal money? "

"Don't talk nonsense." Two men can't manage so much. They just jump on them.

"Shit!"

Wu Tian angrily scolds, raises the leg to kick fiercely in the past, kicks the chair in front of the body fiercely bumps into two people.

The two men who were hit by the chair retreated, but they did not stand firm. Wu Tian's fist was like a sharp sword, which broke through the air and smashed them in the face.

"Ah..."

With two shrill screams, two men were directly shocked out, fell a dog eat excrement.

"You just want to steal money?" Wu Tian's mouth a pick, can't help but despise the way.

"Come on, run." The two men also knew that they met with a fierce cry today. Their necks shrank. They got up and started to run. They were faster than rabbits. They disappeared from the restaurant in a flash of smoke.

"What a waste." Wu Tianan scolded and turned to Muran and said, "teacher mu, if you encounter this kind of fly again, I will teach them a lesson for you."

Thank you Muran stroked his hair and ears, and his voice was never so gentle as now.

Every time I am with Wu Tian, I feel very secure. Gradually, he has become dependent on the boy.

"Don't be polite between us." Wu Tian chuckled and pointed to the dishes on the table. "We haven't finished yet. Let's continue to eat. Don't waste it."

"All right."

Muran sat down again, looking at the table fast cold dishes, trying to ask: "do you want to order a few more dishes?"

"No, these dishes are still edible." Wu Tian picked up his chopsticks and began to gobble.

"....."

Seeing Wu Tian's appearance of eating, Muran was speechless. He didn't expect that Wu could eat so much.

Seeing that Wu was able to eat, she immediately had an appetite, picked up chopsticks and ate with her.

Just when they were having a good meal, the waiter came to the table with a bottle of red wine and said with a smile, "someone asked me to give you this bottle of wine."

"Bordeaux treasures?" Seeing this bottle of red wine, Wu Tian's eyes suddenly brightened.

This is the world's limited collection of Bordeaux wines. It's worth more than a million dollars. Even if you have money, you can't buy it.

Let alone this kind of small restaurant, even many big hotels can not buy this kind of wine.

Staring at the red wine, Wu Tian looked up to the waiter and asked, "who gave us this bottle of red wine?"

"It's a foreign girl." The waiter replied with a smile.

"Foreign girl?"

"Yes, she said she appreciated you very much. She asked me to give you this bottle of wine and give me two hundred tips." The waiter was very honest and told me about the tip.

Wu Tian glanced at the restaurant and said, "I don't remember any foreign guests in the restaurant."

"She didn't come into our restaurant. She was in a luxury car outside."

"Luxury car?" Wu Tian looks out of the restaurant and doesn't see any luxury cars.

"The luxury car has gone." The waiter said this and turned away.

Wu Tian stares at the red wine for a few times, then drops his eyes to the restaurant door and says to himself, "I don't seem to know any foreign girls." "Is it a friend of your business?" Sitting opposite Mu ran couldn't help but remind.

"Maybe." Wu Tian nodded and was too lazy to think about it. He opened the red wine and poured two glasses of wine. "Mr. mu, let's have a drink."

"Good." Muran did not refuse, picked up the glass of beauty taste up.

Like many women, she doesn't like white wine, but she likes red wine only.

Red wine is not only beauty and beauty, but also appetizer and refreshing. Drinking a little wine is good for your health.

They talked and laughed, and unconsciously drank a bottle of red wine.

Muran only drank a cup, even so, her face is still red, looks particularly attractive.

"Mr. mu, why are you blushing?" Looking at this red and gorgeous face, Wu Tian couldn't help laughing.

Mu ran touched her pretty red cheek and said in embarrassment: "I haven't drunk for a long time. I'll blush after drinking a little."

"Mr. Mu's face is so beautiful, just like..."

"Like what?"

"Like monkey butt."

"Wu Tian, if you talk to the teacher like that, it's not big or small." Mu Ran's face was embarrassed and rebuked with a straight face.

"Hey, hey

Wu Tian laughed two times and suggested, "Mr. mu, go, I'll take you back to school."

"No, I'll take a taxi." Muran quickly refused, she is afraid of being misunderstood by the students.

If teachers and students know that she and her students are drinking alone outside, there will be gossip.

She is very face saving. She is afraid of others gossiping behind her back.

"All right." Wu Tian understood Mr. Mu's intention, but he didn't have to. He went to the street

to help Mr. Mu stop a taxi and ordered him to be careful

"Don't worry. I'm fine. Don't miss class tomorrow." Muran admonished and left by car.

As soon as Mr. Mu left, a luxury car stopped rubbing Wu Tian's body.

When the door opened, a 60 year old man got out of the car slowly.

Although this man is not young, but full of spring breeze, spirit shining, the whole body with a bit of domineering.

"Young man." After getting off the bus, the old man bowed to Wu Tian humbly and asked with a smile, "how does the Bordeaux wine taste?"

"Did you give that bottle of red wine just now?" Wu Tian did not rush to answer, but asked.

"It's from our young lady."

"Your lady?"

"Yes."

"Who is your lady?"

"Blanche." After saying this, the old man took out his business card and handed it to him, "my

name is Liu Zhong. I'm Miss Blanche's servant. You can call me uncle Zhong."

Wu Tian takes the business card and takes a look at it. This is Liu Zhong's card. Unexpectedly, he is the owner of aifeibao winery.

After reading the business card, he couldn't help asking Liu Zhong, "I want to know why you Miss Blanche sent me red wine?"

"We miss appreciate you very much and want to be friends with you." Liu Zhong looks harmonious with a smile on his face, but his eyes are full of a trace of fierce anger.

This kind of aura can only be achieved by long experience in battle and company with wolves.

"I don't know your lady. Why does she want to make friends with me?" Wu Tian continues to ask, just want to open up these doubts as soon as possible.

He had never known Blanche before, and had never even heard of the name. He suddenly gave him a bottle of red wine and said he would make friends with him, which made people suspicious.

"That's right. Our young lady just drove past the restaurant and saw that you showed Chinese Kung Fu. Our Miss appreciates you very much and wants to invite you to aifeibao as a guest." After saying this, Liu Zhong opened the door and made a gesture of invitation.

"Invite me to be a guest?"

"Yes."

"But why am I going?"

"I think you must be very curious to know what kind of lady we are." Liu Zhong was smiling all the time.

"It doesn't seem to have anything to do with me about who you miss is."

"No Liu Zhong shakes his head and spits out a sentence firmly: "I believe that you must want to know our Miss, please."

"Well, I'll go with you." Wu Tian didn't want to talk nonsense any more. He turned around and got into the back seat of the luxury car.

As Liu Zhong said, he was really curious and wanted to know what the sacred woman was.

It's certainly impossible for ordinary people to take out the limited amount of red wine collected by Bordeaux winery easily.

What's more, he drank the red wine given by others, which was so-called soft mouthed. He

could not find any reason to refuse.

The luxury car sped all the way, and soon took him to the Chateau d'affaires in the eastern district.

This is the largest winery in the downtown area. It was originally intended to build a Consulate here. Later, for various reasons, it was built by foreigners.

The winery covers a large area, with dozens of acres of land. It is divided into several areas: green land and lakes in the north, golf course in the South and landscape forest in the East.

More than ten castles stand at random in the winery, like pearls on this green land.

Beautiful. The scenery here is so beautiful.

As soon as he entered the winery, Wu Tian felt refreshed and relaxed.

Looking at the boundless grassland, landscape forest, lake, and the castle in the distance, Wu Tianyi forgot all his troubles.

The first time I saw this winery, I was deeply attracted by the scenery inside and fell in love with it instantly.

I've heard of eifferberg winery for a long time, but he has never been here before. He didn't know that the scenery here is so beautiful that it is more perfect than any scenic spot in Luzhou.

However, this place is not open to the outside world. Only those international friends with high status can come in.

Blanche lived in such a place, which showed how noble his identity was.

The parking lot here alone is very distinctive. It is set in the landscape, and each parking space is surrounded by beautiful trees.

From a distance, you can only see the trees, but you can't see the vehicles covered by the trees, which will not affect the overall beauty.

After parking in the parking lot, Liu Zhong takes Wu Tian to the direction of the castle by electric tour bus.

It seems that it's very good for the environment here. Cars are not allowed to pass through. Only trams are used in the winery.

Under the leadership of Liu Zhong, the two came to the largest castle in the middle.

Entering the hall, Wu Tian was shocked by the luxurious decoration inside. It was gorgeous everywhere. It was too luxurious.

There are many servants in the castle, most of them are foreign maids, only a small part are Chinese.

Liu Zhong took out his mobile phone and made a phone call. Then he said to Wu Tian, "our miss is on the second floor. Please follow me."

With these words, he went up the stairs along the semicircle in the hall.

Wu Tian followed his heel and turned around to look around, inquiring about the situation in the castle.

Soon they came to a door on the second floor. Liu Zhong knocked on the door and said to the inside, "Miss, I have brought the person you want."

"Let him in." A foreign woman's voice came from the room, and her Chinese was not fluent."OK." Liu Zhong opened the door and made a gesture to Wu Tian: "please come inside."

Staring at Liu Zhong, Wu Tian walks into the room.

So far, he has seen a lot of big markets, contacted many big bosses, and it is the first time he has met such a big figure.

When he opened the door, he saw that it was a luxurious restaurant with a long dining table, on which all kinds of delicious dishes were delicious and fragrant.

Sitting at the table was a foreign woman with blonde hair and blue eyes. Her skin was white as snow, her eyes were like wild pearls, and her hair was naturally curled and scattered.

Seeing this woman for the first time, Wu Tian even had an illusion that the woman was in the picture.

Women's skin is like porcelain. It's so delicate that it can be broken by blowing bullets.

In his opinion, the woman did not grow up on food, just like she grew up eating elixir, a little ignorant of human fireworks.

"Hello!" "My name is Blanche. I'm very happy to meet you," said the blonde, who is not fluent in Chinese

"Hello, my name is Wu Tian." Wu Tian came to his senses and showed the gentlemanly demeanor that Chinese men should have.

"Sit down, please."

Blanche reached for a gesture of invitation and leaned back on the chair. "How did the red wine taste?"

This woman has a smile on her face, but she has a pressing momentum on her body, which is stronger than Liu Zhong.

"Red wine is famous, but its taste is ordinary." Wu Tian didn't say flattering words, but said the real feelings of red wine.

As a Chinese, there is no need to please a foreign girl.

"Eh?"

Blanche was slightly stunned. Maybe he didn't expect Wu Tian to say this, and his eyes were obviously a little more unhappy.

"Miss cloth, what can I do for you?" Wu Tian didn't talk nonsense. He asked him directly.

"You're good. I appreciate you." Blanche blinked, laughed and said, "I want to hire you to be my bodyguard."

"To be a bodyguard?" Wu Tian's face sank. Unexpectedly, the woman wanted him to be a bodyguard.

"Yes

Blanche buttoned her hair behind her ear and said in a queen's manner, "I'm thirsty for talents. I like your skills and want you to be my bodyguard."

"I need someone to protect me. How can I be a bodyguard for you?" Wu Tian smiles coldly and gets ready to leave.

"Stop!"

Blanche tilted his head and held out five slender fingers. "As long as you stay, I'll pay you 5000 a day. How about that?"

"Five thousand a day?"

"Yes."

"150000 a month?"

"That's right."

"To be honest, I don't lack money. For me, the 150000 yuan is just a day's profit." Wu Tian said this and continued to walk outside.

"Pa!"

Blanche put the teacup on the table, and her voice suddenly turned cold like frost. "Where do you think this is? Come and go if you want?"

"What do you mean by that?" Wu Tian stopped and turned to look at the delicate and beautiful foreign girl in front of him.

Originally thought that this woman was just negotiating with him and wanted to hire him as a bodyguard. Now it seems that things are not as simple as you think.

"I mean very simply, you stay and you are my Blanche's man, I cover you in the end of the world." Blanche said this, then changed her voice: "once you get out of this door, you and I are enemies."

"Are you threatening me?" Wu Tian sneered at the corners of his mouth.

It's funny. In the Chinese territory, this woman even forced him to be a bodyguard. It's really rampant.

"I think so." Blanche nodded with approval, and there was a little chill in her big eyes.

"No, I'm sorry."

Wu Tian dropped the words and continued to walk outside.

As he came to the door, Blanche's voice came again behind his ear: "you know, I've treated the enemy cruelly."

"I'm not scared." Wu Tian didn't like it. He left the words and went on walking outside.

He is a Chinese man at least. How could he yield to a foreign girl in Chinese territory.

Open the door, there are two tall foreign bodyguards standing outside, a murderous look.

Staring at the two foreign bodyguards, Wu Tian turned his head and looked at Blanche. "Miss Bu, what do you mean?"

"What I mean is very simple. In your Chinese words, those who follow me will die and those who will go against me will die." Blanche tapped on the table with her hand, and said without expression, "it's too late for you to regret now."

"You want to stop me, I'm afraid you don't have that ability." Wu Tian said this and took the initiative to attack the two foreign bodyguards.

Just a fight, found that the strength of the two bodyguards is not weak, obviously after professional training practitioners.

To deal with this kind of expert, Wu Tian dare not have the slightest carelessness. He raises his legs and sweeps the two bodyguards back. At the same time, he punches at one of the bodyguards.

The bodyguards had been prepared to dodge the attack.

Wu Tian missed a blow, and then attacked the bodyguard in succession until the third blow sent the bodyguard out.

Then he attacks the other bodyguard with his fist. When his fist approaches the opponent, he turns his fist into a palm and slashes hard at the bodyguard's face.

"Ah

A scream, another bodyguard was also dry overturned, fell on the ground, screamed more than half a day can not get up.

In this way, the two foreign bodyguards were defeated by Wu Tian and lost their combat

effectiveness in a short time.

Seeing the defeat of his subordinates, Blanche frowned and looked at Wu Tian in a strange way.

She didn't expect that the boy's strength is so amazing that even her two strong generals are not rivals. It seems that the Chinese boy is much more powerful than expected.

"You two bodyguards are no more than that." Wu Tian looks back at Blanche with a slightly provocative tone.

"Good." Blanche slowly stood up from the chair, eyes tightly staring at Wu Tian, "it seems that I underestimated your strength."

"Remember, this is Huaxia, not a place for you to brag." Wu Tian gave a cold warning and turned to leave.

"Stop!"

As soon as she turned around, Blanche growled angrily, "do you think you can get out of here with your fists?"

"You..." Wu Tian's words came to his mouth and swallowed again. Blanche took out a miniature pistol and pointed it at his head.

At the same time, Maggie, just raise your gun and shoot me

"It's so lawless that you dare to enter China with a gun. Do you understand Chinese law?"

Looking at the dark pistol, Wu Tian was afraid.

I didn't expect that the woman was carrying a gun.

"I have identification. I'm legal to hold a gun." Blanche said this, took out the gun card and shook it. Seeing the certificate, Wu Tian frowned and couldn't help questioning: "who are you?"

Now we can be sure that this woman's identity is not ordinary, otherwise it would not be possible to legally hold a gun in China.

"I'll scare you out of it." Blanche pointed the muzzle of the gun at Wu Tian's head and said, "I'm an international police officer."

"International police?"

"Of course."

"No wonder." Wu Tian nodded. No wonder the woman dared to hold a gun in China. She turned out to be the Interpol.

"Boy, believe it or not, I shot you?"

"Even if you are Interpol, you have no right to kill innocent people in China. If you kill me, it's not so easy to leave China." Wu Tian is naturally familiar with his own laws.

"You are still too young." Blanche put his mouth close to Wu Tian and said in a low voice, "when I kill you, I'll tell you the Chinese police that you're going to rape me in the face of a sexual

uprising. I killed you out of self-defense."

"It looks like you killed a lot of people in this way."

"It's easier for me to kill you than to crush the ants." Blanche held a small pistol and went to Wu Tianzheng. "I'll give you one last chance. As long as you kneel down and beg for mercy, I'll let you go."

"You look down on us Chinese men. We will never kneel down to a foreign girl." Wu Tianyang raised his head in a solemn and unyielding manner.

Like other people, he was also afraid of death. Facing the pistol, he was also scared to beat the pestle in his heart.

But even if he died, he couldn't have apologized to a foreign woman.

In front of foreigners, he represents not himself, but a country and the integrity of a nation.

We must not go to China for the sake of life, regardless of the dignity of Chinese men.

"Boy, are you not afraid of death?" Blanche put the muzzle of the gun on Wu Tian's brain and asked coldly.

"Don't talk nonsense. If you want to shoot, you can do it." Wu Tianqiendure the fear in his heart and shouts at his scalp.

"Since you want to die, don't blame me for being rude." Blanche said this and slowly pulled the

trigger.

After the trigger was pulled, the pistol made a "click" sound.

The sound made Wu Tian's brain hum. For the first time, he felt so close to death.

After the sound of the trigger, no gunshot was heard and no pain was felt in the head.

It was not until then that the woman had no bullets in her pistol.

"Don't be afraid. There are no bullets in the pistol." Blanche said this and put the pistol away.

Wu Tian secretly breathed a breath and looked coldly at the foreign woman in front of him, "are you playing me on purpose?"

"I'm just testing you." Blanche chuckled: "I didn't expect that you are a man who is not afraid of death. You are a tough man. I appreciate you very much."

"We Chinese men have no cowards."

"You have changed my attitude towards Chinese men." Blanche's mouth rose with a strange smile: "if you had just knelt down and begged for mercy, I would have killed you."

"As I said, we Chinese men are not afraid of death."

"You have passed my test." Blanche pointed to the delicious dishes on the table and said with a smile, "you are a warrior. These are all for you. Please sit down."

"Sorry, I can't take it." Wu Tian glanced at the dishes on the table and said coldly.

"You're a little different." Blanche went to the guest of honor and sat down, poured two glasses of red wine, and said with a smile to Wu Tian: "come, have a drink with me."

"Sorry, I'm busy. I don't have time." After saying this, Wu Tian turned and walked outside.

"Plop!"

Just a few steps away, I heard Blanche fall.

When he looked back, he saw Blanche lying on his back, pale and bleeding, with no strength.

At this time, she still holds a red wine cup in her hand, and the half cup of wine still flows down her collar, and her body is dyed wet, which makes her look attractive.

Seeing this kind of situation, Wu Tian's color is startled, hurried forward to ask: "Miss cloth,

how to return a responsibility?"

The woman was still fine just now. I didn't expect that in the blink of an eye, she became a soft legged shrimp.

"In the wine Toxic. " Blanche is very difficult to spit out such a sentence, weak speech is very hard.

"Ah? How can wine be poisonous? " For the sudden situation in front of him, Wu Tian's whole face was confused.

"Don't Don't ask so much, quick Call people. " Blanche didn't explain so much, and he didn't have the strength to explain the situation at the moment. He just said in a hurry.

"Good!" Wu Tian nodded and ran out to ask for help.

Although he didn't like this foreign girl, he just played a trick on him and didn't want to kill him.

What's more, this woman has a special identity. If she really dies, it's hard for him to get rid of the relationship.

At present, people's lives are at stake. It's important to save people as soon as possible.

When he rushed out of the restaurant, he saw that all the servants and bodyguards outside had fallen to the ground. It seemed that these people had been poisoned and fainted.

Looking for a circle, did not find a sober servant, simply returned to the restaurant, said to Blanche: "Miss cloth, your servants are all dizzy."

"What?" Upon hearing this, Blanche's face became more ugly.

After the micro Leng, she quickly calmed down and looked at Wu Tian with a look for help, "you quick Help me. "

"Well, I'll take you to the hospital." At present, human life is critical. Wu Tian doesn't care so much about it. He picks up Blanche and runs outside.

When he was about to go downstairs, he saw more than a dozen masked men rushing towards this side with sticks in their hands.

These masked men have a steady pace and walk with wind. They are fierce fighters with professional training.

It was obvious that all these thugs had come for Blanche.

With Wu Tian's current strength, I'm afraid it will be difficult to defeat these masters. If he rushes forward like this, he will be brutalized.

Just as he was thinking about how to deal with it, Blanche said in a weak voice: "come on, go to me The bedroom. "

"To your bedroom?" Wu Tian frowns a tight, now to the bedroom to avoid, I am afraid it is not a wise move.

"I have a dark passage in my room, so Avoid. "

"Good!" Hearing this, Wu Tiancai understood Blanche's intention and immediately asked, "where is your bedroom?"

"Second room on the left."

"ok! " Without hesitation, Wu Tian rushed into the room she said with Blanche.

When you enter the room, you can smell the fragrance. It's just like Blanche's fragrance. It's fascinating.

Glancing at the room, Wu Tian couldn't help but ask, "tell me quickly, where is the secret road?"

"There's a mural in front of the bed. Hold me and kiss her on the mouth." Blanche's voice grew weaker and weaker.

"Murals?" Wu Tian raised his head and saw a mural in front of his bed. On the mural was a foreign woman with eyebrows and big eyes. His appearance was more disgusting than that of a witch.

Although the old witch looks ugly, but that mouth is particularly lifelike, blink a look quite sexy. Staring at the mural, Wu Tian picked up Blanche and asked her to kiss the old witch's mouth.

After the kiss, there was a loud noise, and then the bed moved to the right, and a spiral

staircase appeared under the bed.

Wu Tian was slightly surprised. He didn't expect that the dark channel under the bed was so exquisite. Maybe it was the legendary lip print unlocking, which was similar to the fingerprint, but different.

"Don't be so coy. Hold me down." Blanche frowned and urged.

"Good." Wu Tian then regained his mind and hurriedly walked down the stairs with Blanche.

As soon as the stairs closed, the whole bed closed automatically.

Go down the stairs all the way down, about two sides of the stairs to the bottom of the stairs, which is also dark, can not reach five fingers.

"There's a light on the right front." At this point, Blanche said.

"Good!" After Wu Tian answered, he groped for a long time to find the light switch.

Press the light switch and it will be illuminated.

Until this time, Wu Tiantian could see that it was a small basement with simple decoration, only a wooden bed and a few tables and chairs.

Fortunately, there are still food below. There are compressed biscuits in the cabinet, which should be reserved for temporary refuge.

Wu Tian put the woman on the wooden bed and couldn't help worrying: "will those people find here?"

"Don't worry. This place is so hidden that no one can find it." Blanche was relieved. It was safe for her to hide here.

"That's good." Wu Tian nodded and couldn't help asking, "are those masked people who gave you medicine just now?"

"Yes, they must have drugged the food and water ahead of time before we were poisoned." Blanche pressed her hand against her chest and felt a bit of distress in her breathing.

"Who are those masked men?"

"They are..." Blanche's words came to his mouth and swallowed again, as if in some difficulty.

Seeing Blanche's speech stopping, Wu Tian didn't insist: "if you don't want to say it, that's it."

"It's OK to tell you." Blanche thought for a moment and said, "they should be sent by the Shangguan family."

"Shangguan family?" Wu Tian frowned.

The Shangguan family and their Wu family are members of the four families in the south of the Yangtze River.

After a little meditation, he could not help but continue to ask: "do you have any worries and resentment with the Shangguan family?"

"Sorry, I can't tell you that yet." Blanche grinned awkwardly, her eyes full of apologies.

"All right." Wu Tian didn't ask him again. He could see that the foreign girl didn't trust him.

"Mr. Wu." Blanche blinked a few big eyes and couldn't help asking, "why did you save me?"

"I drank your red wine, and I'll repay you!" Wu Tian gave such an answer.

This rescue is just an instinctive reaction, and gives him the feeling that the woman in front of him is not a bad man. At least before, at least, he studied with a gun and didn't want to kill him.

"You are very interesting." Blanche stirred the corners of her mouth and laughed softly.

Originally the national color and natural fragrance, delicate and delicate, such a smile, is more fascinating.

Wu Tian just stares at the foreign girl and sweeps a few eyes, and does not show the appearance of the flower maniac, opens the mouth to question: "what identity are you in the

end?"

"Interpol."

"No, it's not who you are."

"What am I?"

"If you're just Interpol, you can't live in such a place and enjoy such treatment." From the beginning, Wu Tian doubted the identity of this woman.

Women are not only luxurious and fastidious in life, but also not like a policeman in their speech and behavior. They are like the rich and noble people.

If it's really a criminal police officer, it's impossible to be so high-profile, and to find bodyguards and servants to guard.

"Who do you think I am?" Blanche cocked her head and couldn't help asking.

"If I'm right, you should be the gold of the aristocrats."

"That's right." Blanche pursed a smile: "I am the daughter of Chaer kingdom."

"Which one?"

"That..." Blanche blinked a few eyes and perfunctorily said, "we have too many Chaer countries, you don't understand."

"Is it?" Seeing the woman's evasive words, Wu Tian is more curious about the woman's life experience.

"Yes." Blanche twisted, trying to get out of the plank bed, but still couldn't make it.

"You'd better save it!" Wu Tian stares at Blanche's snake waist like body for a few eyes, and reminds him kindly: "you've been addicted to our Chinese fragrance. You can take a rest for at least two hours before you can move."

"But I'm going to get up now." Blanche was a little anxious. She twisted again and tried to get up from the plank bed.

But her body is too weak, no matter how hard she tries, she can't get up from the wooden bed, and even has difficulty lifting her hands.

"Just lie in bed and rest. Why get up?" Wu Tianning is puzzled.

"I..."

Blanche bit her lip and said in an embarrassed whisper, "I'm in a hurry and I need to go to the bathroom."

"It's a problem."

"What to do?"

"How about two more hours?"

"No!" Blanche squeezed her fist in pain. "I can't hold on for a second. I want it now."

With these words, she also grasps the bed board with her hand, the kind of feeling that is choked by urine is really unbearable.

"What do you say?" Wu Tian couldn't help laughing at the foreign girl's grief.

"You have to help me." Blanche squeezed her little fist hard and felt that she was going to hold on to the limit.

"How do you want me to help you?"

"Help me solve it." Blanche said these four words, pretty face already flushed, more is embarrassment.

"To be specific, how can I help you solve it?" Before being authorized, Wu Tian did not dare to act rashly.

"You..."

Blanche looked up at Wu Tian, shyly lowered his eyes and whispered, "there is no other way. You can hold me."

"There is an old saying in China that men and women should not give hands to each other..."

"It's a special situation. I can't manage that much."

"All right." Wu Tian swallows his saliva and asks him to help such a beautiful foreign girl to solve her internal anxiety, which is naturally desirable.

He held the woman up and asked, "where do you want to solve it?"

"Put me in that corner, and then put me on the ground and support me." Blanche spoke in a low voice, like the sound of a fly.

"ok! "

Wu Tian took the woman to the opposite corner and put it on the ground. She collapsed on the ground like mud.

It's just that the poison of MI Xiang is too strong. This woman is almost like a soft legged shrimp. Now she doesn't even have the strength to stand."That won't work." Blanche bit her lips, blushed and whispered, "you'd better hold me!"

"All right." Wu Tian had to pick up the soft woman again and prepare to lift up her skirt.

Scared Blanche hastened to stop: "this you don't move, or I come by myself!"

"ok! " Wu Tian had to draw back his hand to see if the woman had the strength to drop her clothes.

Blanche tried hard for a long time, and finally asked Wu Tian for help: "Mr. Wu, please help me."

"Are you sure you need my help?"

"Yes."

"Then I can help you." Wu Tian can't hide his excitement and excitement. One hand hugs Blanche's body, and the other hand reaches out.

It's the first time to do such an embarrassing thing, and the other party is still a foreign friend. It's really embarrassing.

In addition to embarrassment, there is more excitement and excitement. After all, the foreign girl in front of me is an international best.

"Ah

When she touched Blanche's body, the woman called out and her body trembled like an electric shock.

She took a few breaths, and soon recovered to calm down. Her hands were dead on Wu Tian's body.

With a burst of water after the sound of cheering, everything is finally over, this process is not to mention how embarrassing.

At this time, Blanche's body was as hot as a stove, and her face was as red as a tomato, almost bleeding.

Wu Tian didn't dare to look around. He quickly helped to tidy up his clothes and put them back on the wooden bed.

At this time, Blanche's cheeks are flushed, even the root of her neck is red. She turns her head to the right, and is embarrassed to look at Wu Tian.

After ten minutes of embarrassment, Wu Tian began to break the embarrassment: "I didn't mean to do it just now."

"It's OK." Blanche gave a big smile, the blush on her face had not subsided. "Thank you for helping me just now."

"Helping others is our traditional Chinese virtue. In the future, you can ask me for help at any time." Wu Tian grabs his head and laughs, trying to ease the atmosphere.

"Poof!"

Blanche was directly amused and blushed, "you are a funny man."

After laughing, Blanche bit her lips and whispered, "you are the first man to hold me and touch

my body."

"Have you never been touched by a man before?" For this, Wu Tian expressed doubts.

Look at this woman. She is at least 26 years old. Even if she has never been in love, she can't have no physical contact with a man.

"Yes." Blanche nodded and said in a serious voice, "I've never been touched by any man since I was little."

"It's possible to be accidentally touched by a man."

"No man dares to touch my body."

"Is it?"

"Well!" Blanche blinked her blushing eyes and repeated, "you are the first man in the world to touch my body."

"Do you want me to be responsible to you?"

"You think too much. You can't take the responsibility. If you're in our country, you're already in jail." Blanche had a stiff smile on her face.

"Touch your body, and prison?" Wu Tian feels that this woman is playing an international joke.

"Yes."

"Your body is not made of gold, is it?"

"Believe it or not, our country has special legislation to protect my body." "So don't let anyone know that you touched my body," Blanche said

"All right." Wu Tian nodded. It didn't look like a joke.

If it's true, this woman is worthy of her name.

Now I am more curious about the identity of this woman and can get legislative protection. I can't imagine what the identity of this woman is.

"That..."

Blanche bit her mouth, blushed, and whispered, "did you see that just now?"

"See what?" Wu Tian was confused by his inexplicable questions.

"When I peed, did you see it?" Blanche blushed and asked more shyly.

"I didn't see it."

"That's good."

"Are your black Thongs custom made?"

"Hello On hearing this, Blanche's pretty face turned red and hot. "Did you see everything?"

"Hey, hey

Wu Tian scratched his head awkwardly. "I just glanced at it carelessly. I felt that it was no different from that of Chinese women."

"You Hooligans Blanche scolded angrily. She was so ashamed that she almost broke her lip.

"I'm not going to let me go to prison if I look at you carelessly?"

"If you were in our country, you would be shot." Blanche was angry and angry, and her pretty face was red and hot.

"If you look at it and get shot, it's not cost-effective. After all, you have nothing to look at."

"You, you, you..." Blanche puffed out her tongue.

"Well, don't be angry." Wu Tian also found that he talked a little too much and changed his way of speech: "you have a good rest, so the toxicity in the body will dissipate quickly."

"Well, don't tell anyone what happened just now. If you dare to talk nonsense, I will kill you."

"Don't worry, I won't talk nonsense." Wu Tian promised, and sat down in the chair beside the bed, "after all, it's not a glorious thing to peep at women."

"Just know."

Blanche said this, then closed her eyes and began to close her eyes, but her brain was still in a mess.

Just now, she couldn't help thinking. After all, it was the first time that a man touched her body. She was still a Chinese hairy boy. She felt ashamed to think about it.

If the boy had not saved her life, he would have tried to kill him in order to protect his reputation and purity.

The next two people did not speak, thinking about their own thoughts.

After a full two hours, Blanche's toxicity gradually dissipated, the body slowly restored strength.

She turned to sit up from the bed, moved her hands and feet, and said to Wu Tian, "Mr. Wu, I'm

all right now."

"Then shall we go out?" Wu Tian got up from his chair and tried to ask.

"Don't worry, I'll send a signal." Blanche said this, went to the corner to grope a few times, opened a small iron box on the wall.

In the iron box, there was an instrument similar to a flat plate. Blanche operated on it for a while. He turned to Wu Tian and said, "it's safe outside. We can leave."

"Well, let's go." Wu Tian feels a little stuffy when he stays below. He has long wanted to leave here.

"Wait!" Blanche suddenly opened his mouth, solemnly asked again, "what happened in the secret room should not be mentioned to anyone, understand?"

"Don't worry. I won't say a word about what happened below."

"Then swear." Blanche is not at ease, forcing Wu Tian to swear. "ok! "

Wu Tian raised his right hand and solemnly swore, "I swear to your chest that if I say a word about the secret room, I will be killed by your chest."

"Poof!"

Seeing Wu Tian's serious appearance, Blanche was directly amused and pursed his mouth: "you

are so interesting. You are much more interesting than men in our country."

"Interesting?" Wu Tian smiles bitterly and teases the woman. The other party thinks it's funny. It's really speechless.

"You are the first man in the world who dares to tease me. If you know my identity, you won't dare to talk to me like that."

"What is your identity?"

"You'd better stop asking. You know it's not good for you. Let's leave." With that, Blanche went up the stairs.

Wu Tianzheng is ready to follow him. When he looks up, his eyes are fixed on Blanche and he is reluctant to leave.

This staircase is very steep, at this time, Blanche wears a short skirt, and every time she looks up, there is infinite beautiful scenery.

"Gudong!"

Seeing this beautiful scenery, Wu Tian couldn't help but swallow his mouth, and his eyes rolled round.

This should be the most beautiful scenery he saw, and it's also a foreign landscape. It's really unique.

Just as he was distracted, Blanche suddenly turned around and said, "Hey, what are you looking at, so interested?"

"No I didn't see anything. " Wu Tian just regained his mind, and his eyes moved away from Blanche's skirt.

"You Hooligans Blanche understood, blushed, and covered her skirt with her hands.

"I'm not a hooligan. I'm just curious." Wu Tian explained and hurried up the stairs.

"Men all over the world are the same, shameless." Blanche scolded fiercely, covered her skirt and walked up quickly.

They went up the stairs and soon returned to the previous bedroom.

The bedroom was quiet and empty.

Walking out of the bedroom, I saw that the servants who had been in a coma were waking up one after another, but they were all looking muddled, and now I don't know what happened.

At this time, Liu Zhong, an old servant, ran over in a hurry and said, "Miss, are you ok?"

"I'm fine." Blanche straightened her hair and quickly returned to her usual Queen's pose.

"It was my poor protection that hurt the young lady." Liu Zhong bent down 90 degrees and said humbly, "please punish miss."

"We'll talk about the punishment later." Blanche sat back in the chair.

Liu Zhong, with strong eyesight, quickly poured out a cup of tea and handed it to him. He reported: "I have found out. Those people are..."

Speaking of this, he suddenly turned his head and set his eyes on Wu Tian.

"It's OK. Go ahead." Blanche took the cup and drank a sip of tea, and ordered Liu Zhong.

"Yes

After Liu Zhong answered, he went on: "this time, it was Shangguan's family who bribed our servants to put medicine in water and food, so that both miss and servant were poisoned by overpowering drugs."

"I see." Blanche nodded and was not surprised by the result.

After thinking about it for a while, she asked in a deep voice: "did you find out the insider who was bribed?"

"We've got it, but she's run away."

"Find a way to bring this man back to our country. I will deal with it myself."

"Yes."

"Anything else?"

"Miss." Liu Zhong stepped forward and said in a low voice, "it's not safe for aifeibao now. I hope you can go back home as soon as possible."

"I see." Blanche nodded, pointed to Wu Tian and said to Liu Zhong, "fortunately, it was this young Chinese man who helped me and gave him 100 million Chinese dollars in return."

"Yes." After Liu Zhong answered, he quickly took out his pen, paper and check, and wrote two 50 million checks and handed them over.

"I'll take the kindness, but I can't take the money." Wu Tian took a look at the check and resolutely refused: "I save Miss Bu is just a matter of one hand, not for the purpose of this sum of money."

To tell you the truth, I was really surprised. I didn't expect that Blanche was so generous, and casually took out 100 million yuan as a reward.

"You don't want such a large sum of money?" Blanche was surprised and didn't expect that the Chinese man in front of him would scorn hundreds of millions of checks.

"Again, I didn't save you for money." Wu Tian reiterated his view.

"Good." Blanche nodded with satisfaction: "Mr. Wu, I really appreciate you more and more now."

"Flattering!" Wu Tian smiles: "if nothing else, I'll go first."

With these words, he turned and prepared to leave.

When she got to the door, she was stopped by Blanche again: "wait, don't hurry. I have something to tell you."

"What else?" Wu Tian stops, turns to look at Blanche, frowning and puzzled.

"You may not want the money, but I have a big gift for you." Blanche got up from his chair and stepped to Wu Tian. "I want to give you this Chateau d'affaires."

"What?"

Hearing this, Wu Tian twisted his brow into the shape of Sichuan, and said in disbelief: "this winery is priceless. How can Miss Bu give her away easily?"

"Just a winery is nothing to me." Blanche didn't take it seriously.

"Chateau d'affaires is worth more than a billion dollars at least, which is not a small sum of money."

"A billion dollars is nothing to me." Blanche chuckled and turned to the window. "No matter how expensive this winery is, it's not worth my life. Since you saved me, it's the owner of this winery."

"But..."

"Well, you can't refuse any more." Blanche turned around again and said in a serious voice, "this is just a little bit of my heart. I hope you can accept it."

"This gift is too valuable."

"You deserve it." Blanche said, waving to Liu Zhong, "give Mr. Wu the title of the winery and go through the transfer procedures as soon as possible."

"Yes After Liu Zhong answered, he opened the safe, took out the property right certificate from it and handed it to Wu Tian, "this is a gift from our young lady. It's a little token of kindness."

Thank you Seeing that the other party is so sincere, Wu Tian no longer affectation, reaches out to take over the property right book.

This is a winery worth more than one billion yuan. To be exact, it is priceless. Luzhou can never find another such a good place.

To tell you the truth, Wu Tian also likes this winery very much. Maybe no one doesn't like it.

"The winery gives it to you. All the property in it belongs to you." Blanche said this, and suddenly changed her voice: "but this castle is empty. I'll go back to Luzhou once in a while, and there are more than ten wineries. You can live any way you like."

"No problem." Wu Tian nodded his head, and all of a sudden he was very fond of the foreign girl in front of him.

This lady is too generous, and she knows how to be grateful. If a winery with more than one billion dollars says to give it away, ordinary people can't do it.

Now I am more and more curious about the identity of this woman. I can give her a small gift of more than a billion yuan winery. She must have a lot of money at home."Well, I'll be back in a minute. From today on, Eiffer castle is yours. You can stay at any time." Blanche said, reaching out and making a gesture of invitation: "you can go."

"Have a good trip, then. Goodbye." Wu TianChao waved and turned away from here.

Today, it was just like a dream for him. Somehow he met a foreign girl. He saved the girl and got such a winery.

Now I'm more curious about the identity of this foreign girl. She is a combination of beauty, wealth, wisdom and power. She is mysterious and frightening.

Just as he was about to go downstairs, Blanche trotted after him, "Wu Tian, wait a minute."

"Anything else?" Wu Tian stopped and turned his head to see the plump foreign girl running in

the rough sea.

I have to admit, this girl's body is really hot, clothes can not block that proud, there is a kind of ready to come out of the feeling.

"Have you seen enough?" Blanche ran close, pressed her hand on her chest and said angrily with a red face.

"That's enough." Wu Tian quickly withdrew his eyes and asked with a smile, "Miss Bu, is there anything else I can do for you?"

"I want to remind you once again that what happened in the secret room should not be mentioned to anyone, and it must be kept secret." Blanche leaned her mouth over and whispered.

"Rest assured, absolutely confidential." Wu Tian stretched out his right hand and swore to assure him.

"That's good." Blanche took a pink card out of his pocket. "This is my personal business card. It has my contact information. If you need any help, please call me at any time."

"Good!" Wu Tian nodded and took the business card. He saw that there was only a QR code on it, and his name and telephone number were not displayed.

This kind of business card is really private enough. You can't see anything without scanning the code.

"You can go." Randy, wave back to the room.

Until the woman's back disappeared, Wu Tiantian put away his business card and walked down the stairs.

Out of the castle, once again deeply attracted by the scenery outside, no matter what time, as long as you go out, you can forget your troubles.

.....

The second floor of the castle.

Blanche was standing in front of the window, staring at Wu Tian downstairs, with a deep look in her eyes. This was the first time that she had looked at a man so seriously.

From the very beginning, I felt that this Chinese man was different. He was an iron and steel man. He was attracted by this man from the beginning.

Later, the body was touched by this man, and then came to intimate contact. The strange feeling left a deep mark in her heart.

After living for more than 20 years, her body was touched by a man for the first time, which inevitably made her feel palpitation and uneasy.

To tell you the truth, she has never been touched by a man before. This is the first time that her heart has been affected by a man.

I don't know what I would be attracted by such a Chinese man.

Just as she was staring out of the window, Liu Zhong's respectful voice came from behind:  
"Miss, everything is ready, we can start."

"No hurry, wait a minute." Blanche looked out of the window and uttered such a sentence without looking back.

"Miss, I don't know if I should ask."

"Ask."

"Since miss and Wu Tian came out of the secret room, they have become a little different. I don't know what happened to you just now?" Liu Zhong lowered his head and tried to ask carefully.

"Nothing." Blanche looked back at Liu Zhong and warned in a cold voice, "don't ask if you shouldn't ask."

"Yes."

Liu Zhong lowered his head and didn't dare to talk much.

"Well, let's go." Blanche glanced out of the window, turned and walked quickly outside.

Liu Zhong followed in a hurry, and the servants and bodyguards followed him, not daring to be slighted.

Under the leadership of Blanche, a group of people left the castle and took the tram to the parking lot. Then, the motorcade slowly drove out of the Chateau d'affaires.

Wu Tian is wandering around the winery and sees Blanche taking people away. He wanted to say hello, but after thinking about it, he still didn't catch up.

He stood in the distance, quietly watching Blanche get on the bus and watch the motorcade slowly leave the winery.

I didn't expect that Blanche came to China with so many attendants. The cost of these personnel alone was very high.

It's incredible to be able to make such a big noise and make such a grand display.

Now more and more curious, what exactly is Blanche? How can you be so rich?

In addition, there is a bigger doubt in his heart. What's wrong with this woman and Shangguan family? Why was it attacked by Shangguan family?

All these questions were like great mysteries, which made him curious about this foreign girl named Blanche.

After Blanche's motorcade left the manor, the entire Chateau d'affaires became silent. Only the sound of insects and birds could be heard, just like a paradise.

Continue to walk along the plank road and come to a vineyard in the East. The green vines are full of green, which makes people feel very happy.

Keep going. It's a golf lawn. No one has played here for a long time. The course has been abandoned.

In the west is a landscape forest with pavilions and rockeries. It is an exotic scenic spot integrating Chinese and Western culture.

On the back are lakes and oases, where waterfowls frolic and make people forget everything in an instant, as if in a fairyland.

On the right rear side are castles of different shapes and sizes. The castles are not far away. There are more than ten castles in total. The external walls are decorated with special luxury.

There are lawns, trees and streetlights outside the castle, and the scenery around each castle is different.

Stroll around a few castles, found that the interior decoration is very luxurious, but no one lived for a long time, inside a layer of fine dust.

It's too wasteful for so many castles to be inhabited. It's just a natural addition.

It took more than two hours, and the whole castle has not been visited all over, but just a few rounds of the manor.

It's just that the scenery is too beautiful, even if the corner is not bad, no matter where you go, it makes people feel comfortable.

After a casual stroll, Wu Tian immediately decided to move in this afternoon and make it a private house.

After Wu Tian went home, he said to Shen Xue and Huang Lan: "sister LAN, Xiao Xue, from today on, this room is reserved for you."

"Where do you live?" Shen Xue and Huang Lan asked with one voice.

"I've found a new home and will move in this afternoon."

"What? Are you moving? " When she heard that Wu Tian was going to move, Shen Xuemei frowned deeply.

"Yes." Wu Tian nodded and told Longyun, "pack up, let's move now."

"Good!" Long Yun nodded and began to get busy.

"Qinglong, you inform the rich uncle to let them move in. In addition, you and Xiaofeng will move with us." Wu Tian ordered.

Uncle Fugui and Qinglong are their own people. Naturally, they should bring them together. As for Shen Xue, Huang Lan and Su Ruyun, let them live here. After Qinglong and uncle Fugui moved away, they just had three rooms available, one for each of the three women.

"I'm going to move with you." Shen Xue immediately said that she wanted to follow Wu Tian. She didn't want to live in such a place with Huang Lan.

"It's not good to live here. Why do you want to live with me?"

"I don't care. I'm going to be with you." After saying this, Shen Xue ran into the bedroom and began to pack things.

Not waiting for Wu Tian to reply, next to Huang Lan also followed a fork: "I also move with you in the past."

"In fact, I think..."

"That's the decision." Huang Lan doesn't give Wu Tian a chance to speak at all. She walks into the bedroom with long legs and is busy packing up her things.

"Shit!"

Looking at the busy figure of the two women, Wu Tian wanted to cry without tears. Unexpectedly, he was entangled by these two women and couldn't throw it away.

These two women don't want to pester him for life, do they?

I can't help it. I can only live with two women at the moment.

Staring at the second daughter, Wu Tian raised his head and dropped his eyes on Su Ruyun.  
"Are you going with us?"

"Of course, I'm mainly responsible for protecting you now." Su Ruyun is very picky about the corners of her mouth. She is unwilling but helpless.

"All right."

Wu Tian shrugged: "more you are not more, less you are a lot, then go together."

After putting things in order, the party carried things downstairs and drove several cars to the Chateau d'affaires.

After getting off the bus, everyone was shocked by the beautiful scenery.

Looking at the beautiful manor, Shen Xue couldn't help but sigh: "beautiful, really beautiful. This should be the most beautiful manor in Luzhou, no, this should be the most beautiful manor in China."

"It's really beautiful. As soon as I enter the manor, I feel refreshed and relaxed." Su Ruyun also followed suit. Like Shen Xue, she was immediately attracted by the layout and beautiful scenery inside.

The second daughter is happy like a butterfly, chasing and playing on the grass like two children.

Huang Lan didn't say anything, just turned around and looked at the beautiful scenery in the manor. She was very relaxed.

After staring at the huge winery for a long time, Huang Lan couldn't help but wonder: "as far as I know, this is a winery built by international giants. How can it become your private residence?"

"It's a long story. I'll explain it to you when I have time." Wu Tian doesn't want to explain so much about what happened this morning.

"Is this winery really your personal property now?"

"Of course." Wu Tian took out the property right book and handed it to Huang Lan, "look, now the property right book is in my hand."

"That's true." Huang Lan took over the property right book and nodded at ease.

"Sister LAN, how do you feel about this winery?"

"This is the best manor in Luzhou. I had no chance to enter before."

"Well, from now on, this is our private garden." Wu Tian finished saying this and said to the crowd, "park your car in the parking lot and let's go to the castle by tram."

With these words, he took everyone to the castle area by car.

Everyone in the car turned around and took out their mobile phones to take photos. They were deeply attracted by the amazing scenery inside.

Here is like a paradise. Staying in this castle with elegant environment, everyone can forget their worries and feel very happy.

A group of people came to the castle area by car. Wu Tian pointed to several big castles nearby and said, "sister LAN, you live in that castle. Xiaoxue, you live there. There are rich uncle. You live opposite. Qinglong, you live here with Xiaofeng..."

Uncle Fu and his family live in a castle, Qinglong and his sister live in a castle, Shen Xue and Huang Lan live in a castle, Su Ruyun and Long Yun live in No. 1 castle with Wu Tian.

After the arrangement, Wu Tian said to everyone, "go back to their respective castles to clean up and see what kind of furniture and household appliances are needed. Let Secretary long make unified purchase later."

After that, everyone went back to his castle.

"Hello

Su Ruyun catches up and pushes Wu Tian, "why do you want me to live in a castle with you?"

"Don't you want to protect me? How do you protect me if you don't live together?" Wu Tian turned his head and asked Su Ruyun.

"Are you so good that I can protect you?"

"Know I can't use you, then you still stick to me?"

"Pooh!" Su Ruyun spit hard on the ground, not angry way: "if it was not ordered by the Municipal Bureau, I would not protect you such a rogue."

"Who are you calling a rascal?"

"What's wrong with you?" Su Ruyun cocked her head and showed no weakness. Even if she could not beat Wu Tian, she would not be afraid of the man in front of her.

"Yes, I am a scoundrel." Wu Tian, with a bad smile, stepped towards the woman and said, "today, let you know the strength of this scoundrel."

"You What do you want? " Su Ruyun covers her chest in fear and retreats, her eyes full of vigilance.

"Hey, hey

Wu Tian pretended to be evil and laughed twice. He rubbed his hands and threatened: "I haven't taken advantage of officer Su for a long time. I'm a bit itchy now."

After saying this, he reached out and poked at Su Mei Mei's body.

I don't know why, every time I see the face of this girl, I can't help but want to start to tease.

"Oh

Su Ruyun blushed and cried, and said, "you bastard, how dare you poke me? You want to die."

After scolding, he raised his legs and kicked Wu Tian.

Wu Tian's body slightly deviates, dodges the attack at the same time, reaches out and grabs Su Ruyun's leg Wan'er, "officer Su, you look beautiful in your skirt, your long legs are beautiful!"

"Asshole, let go." Su Ruyun roared at this, ready to smash Wu Tian.

Seeing his fist smashed, Wu Tian quickly raised Su Ruyun's right leg and warned, "don't move. If you move again, you'll be gone."

"Shameless, you let me go." Su's face was full of anger.

"Officer sue, if I'm not mistaken, you're wearing Victoria."

"Ah Su Ruyun pretty face a red, scared to death pressure skirt, curse: "Stinky rascal, you really

shameless."

"The more shameless is still to come." Su's legs are raised to the right.

"Ah

Su Ruyun cried out with pain, and her face became more and more ugly, "asshole, rascal, pervert, let go of it quickly..."

"Hey, hey Wu Tian had a bad smile. Just as he was doing something, he heard a voice from behind: "stinking Wu Tian, what are you doing?"

Back to see Shen Xue pulling a small suitcase into the body up and down anger straight.

"Nothing. I'm playing with officer su." Wu Tian opened his mouth with a smile on his face.

"Let go."

Shen Xue runs over and pushes Wu Tian away. She cares about Su Ruyun and says, "sister Su, are you ok?"

"Oh, it's killing me." Su Ruyun frowned with pain in her right hip.

Wu Tian is such an animal. He doesn't know how to pity and cherish jade. He almost broke her thigh. "Sister Su, is Wu Tian bullying you again?" Shen Xue asked with a worried voice.

After this period of time together, Shen Xue and Su Ruyun have a very good relationship and become a close sister.

"That bastard." Su Ruyun raised his head and glared at Wu Tian, bared his teeth and said: "he just took the opportunity to take advantage of me, and he was still fumbling on me."

"Shameless!"

Shen Xue stares at Wu Tian fiercely and warns: "you dare to bully sister Su later. Don't blame me for being rude to you."

"Don't get me wrong. I was just joking with her." Wu Tian explained a sentence and quickly changed the subject: "by the way, Xiaoxue, why don't you clean up the room and bring the suitcase here?"

"That castle is too big to live alone. I'm afraid to live alone. I'll move here to live with you." Shen Xue explained.

"What? Are you going to live with me? "

"Yes." Shen Xue bit her mouth and said, "I want to live with sister Su, lest you bully her again."

"All right." Wu Tian didn't say much.

With Shen Xue's stubborn temper, it's not so easy to drive her away now. As long as LAN elder sister doesn't live with her, it's OK.

If the two women live together, the family will be in a mess.

As long as LAN elder sister does not live here, the home can be clean.

Thinking like this, when he looked up, he was completely stupid. He saw Huang Lan standing at the door with a small suitcase.

"Lan Sister LAN. " Wu Tian took a few drops from his mouth and tried to ask, "what are you doing with the suitcase?"

"Come and live with you." Huang Lan's tone of voice is very overbearing, as if this is her own home.

"No way." Wu Tian wanted to cry without tears. He was really afraid of anything. "Sister LAN, how do you want to move here?"

"My castle is too big and empty. It's boring to live alone." Huang Lan gave such a reason.

"All right." Wu Tiantian suspected that the two women had discussed with each other for the same reason.

Since let Snow live in, now there is no reason to drive sister LAN away.
