

## CHAPTER 361 - 370

In this way, Wu Tian's castle was quickly filled. In addition to him and Long Yun, Su Ruyun, Shen Xue and Huang Lan also lived in the castle.

Fortunately, the castle area is very large, which is several times larger than the previous residential area. Even if ten people live in it, they are very spacious.

The first floor of the castle is the hall. There are kitchen and dining room behind the hall. The layout of the first floor is relatively simple.

There are nearly ten rooms on the second floor. In addition to the bedrooms, there are also study rooms, utility rooms and two toilets.

Wu Tian lives in the master bedroom, Secretary Long lives next door, and Xiao Xue, Lan Jie and officer Su live opposite.

Everyone was busy tidying up their own rooms. They were almost ready. They went out to buy furniture, appliances and bedding.

Wu Tian takes Qinglong to move all the books in the study of the community before and put them in the study on the second floor.

Until it was getting dark, a few people put the room in order. They were all sweating and exhausted.

Busy almost, a few people went out to eat together, a small celebration for moving to a new home.

In the following period of time, we all had a great time living in eifferburg. Living in this winery is like living in a tourist area. We feel very happy every day.

Wu Tian also quickly adapted to his new home. As usual, he went around the company after class every day, and occasionally went to hotels and commercial streets. At night, he stayed in his study.

Recently, Wanjie has developed very rapidly. Since the last live broadcast ceremony and food festival, Wanjie has become a popular new commercial street.

As long as the flow of people is more than one, there will be enough customers, and the business will be able to revitalize and the shops will be able to sell well.

By selling and renting shops, Wanjie quickly recovered its funds and sold nearly one billion yuan in more than a month.

With these money, Jiang Wan continued to engage in activities, continue to attract people, and develop his own characteristic commercial street.

According to the plan, one third of the shops in Wanjie are self-supporting, which are used to create special food and local products.

The remaining two-thirds of the shops are sold or rented, one is to recover funds, the other is to enrich the business forms of commercial streets and form an industrial competition pattern.

In this way, we can form a virtuous circle, strive to attract more passenger flow, let the passenger flow drive more businesses, and use these businesses to develop more business districts.

In addition to Wanjie, the development of seafood TV has become a first-class local platform in Luzhou, which is qualified to compete with strange fish.

Since the live broadcast ceremony, seafood TV has attracted a lot of traffic anchors, driving the platform traffic, and the development momentum is very rapid.

If it goes on like this, seafood TV is likely to catch up with exotic fish and become a real first-class live broadcasting platform in China.

Seeing the rapid development of seafood TV and Wanjie, Wu Tian suddenly had an idea and decided to let the two develop together across the border.

Let seafood TV organize anchors to hold activities on Wanjie street every week, and carry out various theme activities in the categories of food, specialty, entertainment, etc. at the same time, let the anchor publicize and drain in the live broadcasting room, constantly create topics and heat, and regard Wanjie as Luzhou's online Red Commercial Street.

Wanjie Street provides free food packaging bags, wrapping paper, posters and so on to help the anchor and platform to do publicity.

At the same time, the profit of the self-contained shops in the commercial street is shared with the anchors, so as to improve the enthusiasm of the anchors to promote the commodities.

After Wu Tian put forward the idea, Sun Sheng and Jiang Wan immediately agreed and started cooperation. Both sides bundled propaganda for mutual benefit.

This innovative development model quickly achieved great success, Wanjie was built into Luzhou online Red commercial street in a short time, and the flow of people further increased.

Before the purchase of Wanjie shops, in just a few months, it has tripled or so, which can be said to be a big profit.

Not only did the merchants make money, but also the anchor of seafood TV made a lot of money.

Seafood anchors not only make money in this platform, but also earn profit share of Wanjie shops. The salary of the anchor is generally higher than that of other platforms.

In this way, it attracted more high-quality anchors to settle in. For a time, seafood TV was popular, and quickly surpassed the strange fish live broadcast to become the largest live broadcasting platform in Luzhou.

It has never been smooth sailing at any time. Just as everyone is happy about it, seafood TV has sent a series of negative news.

On Sunday morning, Wu Tiangang got up and received a phone call from Sun Sheng: "Xiaotian, it's not good. There's something wrong, something big."

"What's the matter?" Wu Tian has a dark feeling in his heart.

It is certainly not a small matter that Sun Sheng can be so panicked.

"Our platform's traffic anchors have been exposed to negative news, and the flow of people is rapidly declining, even sister lan..."

"What's wrong with sister LAN?" Without waiting for Sun Sheng to finish speaking, he was interrupted by Wu Tian's urgent voice and chased for information.

Everyone can have an accident, but sister LAN can never have an accident.

Lan Jie is now the pillar of seafood TV. If Lan Jie's accident happens, it will have a great impact and blow on seafood TV, and it is also a bad thing for Lan Jie.

"Sister LAN has no negative news, but some people are spreading rumors and trying to discredit her. If she goes on like this, her image will definitely be affected." Sun Sheng explained. "Is it?" Hearing this, Wu Tian was relieved.

With Lan Jie's present status and influence, if there is no real negative news, it is difficult to shake the foundation of Lan Jie.

But on second thought, LAN is the cleanest entertainer in the entertainment industry. It's hard to dig negative news from her. Don't worry.

"In addition to sister LAN, the image of other female anchors on our platform has been damaged, and the popularity has been seriously reduced. The traffic on the platform has

declined accordingly, which is very unfavorable to us."

"This is an organized and premeditated retaliation against our platform." Wu Tian thought about it for a moment and analyzed it on the phone: "I suspect that this is a strike action against us by our competitors."

"You mean the strange fish?"

"It's very likely, but I don't dare to jump to a conclusion without confirming it now."

"What's next?"

"So..." Wu Tian thought about it for a moment, and said to the phone, "let the media we cooperate with help Lan Jie clarify, publish more positive energy news on the platform, and do some craft activities at the same time."

"What about other traffic anchors on our platform?"

"Those who have been exposed with negative news and bad influence will be banned." Wu Tian stopped for a moment and then said, "if they don't make mistakes, others can't find out their mistakes. It's all their own deaths."

"If it's blocked, it will cost us a lot."

"I can't help it. Now I have to break my arm and survive." Wu Tian said this and then changed his tone: "you should remember that we can't just pursue traffic and popularity. If we want to make the platform develop for a long time, we must ensure that the platform is clean and clean."

"It makes sense."

"No matter how big the anchor is, as long as they make mistakes in principle, they will be banned."

"Yes."

"Besides, investigate who's behind the scenes."

"Yes."

"Well, first of all." Wu Tian said this and hung up his cell phone.

After hanging up the phone, he immediately took out his mobile phone to call Li Mu and asked him to arrange someone to investigate the black curtain of the live broadcast of strange fish.

As long as the dark scenes about strange fish boss Wang Shaohua and strange fish anchor are all dug out, as long as it is confirmed that the strange fish is behind the scenes, they will be immediately attacked.

After making this call, Wu Tian received good news that the shooting of flowers had been completed that year, and the killing ceremony was held in Shangri La Hotel in the afternoon.

This news is really exciting. Wu Tian decides to take sister LAN to the green killing ceremony to

share the beautiful moment.

After simple grooming, she took Huang Lan to Shangri La Hotel.

The hotel is full of entertainment stars and some well-known directors, all of whom Qiao Fu just invited to join us.

Some stars know Huang Lan and take the initiative to say hello to her. On the surface, they all respect sister LAN.

Qiao Fugang and Yan Jie are busy receiving guests. Seeing Wu Tiantian, they take the initiative to greet them.

"Welcome to boss Wu and Miss Huang." Qiao Fu Gang looks very happy today.

"Director Qiao and Yan Jie, you have worked hard." Wu Tian took the red wine from the waiter's hand, raised his glass and said with a smile, "here, here's to you."

Thank you After Qiao Fugang and Yan Jie thank each other, they both take the glasses and touch them with Wu Tian respectively, and then raise their glasses to drink.

After drinking the wine, Wu Tian could not help boasting to the two: "good, I didn't expect you to make this new film so soon."

"It's all the credit of the team. With the help of boss Wu behind the scenes, we can be so successful." Geoffrey just made a polite remark.

"You are a great team and I appreciate you very much."

"Thank you for your approval." After Yan Jie said thanks, she couldn't help but fork in a sentence: "our team is so excellent, boss Wu, do you want to continue to invest?"

"After the movie is released, if it sells well, I will continue to invest in your team." Wu Tian said this and added: "I want to set up a film and television company, so that your team technology shares."

"Boss Wu, that's what you said. Don't play tricks then."

"Don't worry. I'm Wu Tian's word."

"Well, then I wish our new film a big sale."

"Big fire." Wu Tian raised his glass again and touched several people, then drank the red wine in the glass.

Ms. Wu Fuqing said, "I'm sorry for the reception of the guests. I'll be sorry if you've finished the reception ceremony."

"Director Qiao, you go ahead and do not care about us."

"Excuse me then." Qiao Fu just finished saying this, take Yan Jie to busy reception other guests.

As soon as they left, a man in a suit came up to Huang Lan and said, "Miss Huang, long time no see. I'm glad to meet you."

The man is in his forties and looks like a gentleman.

"Mr. Lu is so clever that I didn't expect to meet you here." Huang Lan managed to squeeze out a smile.

In addition to Wu Tian, no matter in front of any man, she is a look of resisting people thousands of miles, high above.

"Here, I'd like to propose a toast to Miss Huang." Lu Ren raised his glass and clinked it with Huang Lan, then drank the red wine in the glass.

Thank you

Out of politeness, Huang Lan had to pick up the wine cup and sip a sip of red wine.

"Miss Huang, I heard you came up with an album?" Lu Ren finished drinking and asked with a smile.

"Yes." Huang Lan nodded and did not hide her ambition: "I also want to make my album popular all over the country."

"You should know the strength of our company. I can help you with that."

"Really?"

"Of course." Lu Ren approached two steps, looked at Huang Lan's eyes a bit greedy, "as long as you promise me a small request, I can help you out with the album."

"What are the requirements?"

"Stay with me all night." After saying this, Lu Ren reaches out to hug Huang Lan's waist.

"Pa!"

Before his hand touched Huang Lan's body, Lu Ren got a slap on his face. He was beaten to turn around in place and almost fell down.

It was Wu Tian who hit him.

It was said that the man in front of him wanted to hide the rules to LAN elder sister. Wu Tian immediately became very angry. Without saying a word, he slapped his hands and slapped him fiercely.

Even he was very surprised. He didn't expect to care about LAN elder sister so much in his heart. When he saw someone belittled her, he became angry.

This slap was very loud, and immediately alerted a lot of guests, everyone quickly gathered around to watch the excitement.

When seeing that Mr. Lu was beaten in the face by a hairy boy, everyone was stunned and couldn't help talking.

They all secretly scolded the boy for not knowing the height of heaven and earth, and how dare to attack general manager Lu. They simply didn't want to live.

Lu Ren is the boss of renyin group. He has great strength in Luzhou entertainment circle. Ordinary people dare not offend him.

The unknown boy in front of him is so bold that he even dares to do it. Isn't it killing him? Looking at Lu Ren, he was slapped by a slap. It took him a long time to recover. He was furious and asked, "who hit me just now?"

So far, he doesn't know who was hit.

"I hit you." Wu Tiantian step forward, cold eyes like an eagle staring at Lu Ren.

"Good boy, dare to fight me. Do you know who I am?" Lu Ren bared his teeth and asked.

"No matter who you are, as long as you dare to belittle sister LAN, then don't blame my ruthless." Wu Tian said coldly.

Next to Huang Lan did not speak, but the heart is sweeter than eating honey.

I didn't expect that she was so important in Wu Tian's mind. Seeing that Wu Tian was desperate to protect her, she was especially warm.

"To tell you the truth, I am the boss of renyin group." Lu Ren stepped forward, pointed to Wu Tian's nose and threatened: "believe it or not, I'll kill you?"

"I don't believe it."

"Good boy, I'm not afraid to die." Lu Ren's body trembled with anger and yelled: "old Joe, old Joe..."

Shouts a few voices, Qiao Fu just takes the person to rush to come over.

Looking at the chaotic scene, he asked Lu Ren in a hurry: "Mr. Lu, what's going on? What's going on? "

"I was beaten by this boy." Lu Ren pointed to Wu Tian's nose and roared. Then he said to Qiao Fugang, "come on, help me teach this boy a good lesson, and then throw him out from here."

"This..." Qiao Fu just took a look at Wu Tian. He stood still and did not speak.

"Old Joe, what are you doing? Throw this boy out." Lu Ren urged impatiently with his voice.

"Sorry!"

Qiao Fu Gang apologized with a smile, pointing to Wu Tian and introducing: "Wu Tian is the investor of my new film, and also one of the leading roles today."

"What? Is he an investor? " On hearing this, Lu Ren was suddenly silly. He didn't expect that the

ugly fool was an investor.

The onlookers were also surprised. Unexpectedly, the humble boy in front of him even participated in the film directed by Qiao. No wonder he dared to be so arrogant here.

"Joe, is he your friend?" Wu Tian points to Lu Ren and asks Qiao Fugang.

"Yes." Qiao Fu just nodded and tried to ask: "boss Wu, is there any misunderstanding between you?"

"This old man is light on Lan Jie. If he wants to hide the rules to Lan Jie, do you think he should fight?" Wu Tian can't hide his anger until now.

"Fight, fight." On hearing this, Qiao Fu Gang immediately got angry, "I support boss Wu."

"Well, let the old man be thrown out, and I won't see him again." Wu Tian waved his hand impatiently and told Qiao Fugang.

"Good!"

Qiao Fu just nodded and told the hotel security guard, "throw Lu Ren out and don't let him in again."

"Yes." When the two guards got the order, they rushed at Lu Ren.

"Joe Fugang, if you throw me out today, I'm not finished with you." Lu Ren threatened in a cold voice.

"I don't have friends like you. Go away." Qiaofu just didn't care so much. He said to the security guard, "throw it."

In this way, Lu Ren was dragged out of the hotel by the security guards in public.

Before being thrown out, Lu Ren's curse could be heard: "Qiao Fugang, Wu Tian, I'm at odds with you. I'll find someone to kill you..."

After Lu Ren was thrown out, the killing ceremony continued. Everyone was not affected by what happened just now. They continued to drink and chat.

"Thank you just now, boy." Huang Lan raised his glass to Wu Tian and said in a soft tone, "I didn't expect you to care about me so much."

"You are my LAN elder sister, and no one is allowed to be frivolous." Wu Tian's tone of voice has never been so overbearing.

"Boy, are you in love with your sister?" Huang Lan sipped the red wine and put her mouth close to Wu tianer's side to spit out heat.

Wu Tian's ear root itches, hastily retreats two steps, reminds way: "Lan elder sister, here people are many."

"If there are few people, you have already knocked down your sister?" Huang Lan licked her mouth and continued to tease.

"I..."

Wu Tian took a look at Huang Lan, who was obsessed with death. He warned, "sister LAN, don't tease me again. Be careful to burn yourself with fire."

"My sister is not afraid of you. If you have the ability, you can come."

"That's what you said." Wu Tian bravely put his hand in the past and directly put it in her leg through her skirt.

Maybe it was too violent. Huang Lan's pretty face suddenly turned red. She quickly blocked Wu Tian's body with her elbow. "Hello, you You let me go. "

"What? Is sister LAN afraid? "

"I..." Huang Lan turned his head and looked around a few times. He urged him to let go first

"This time, let go of sister LAN." Wu Tian is also worried about the bad effect, so he has to pull his hand back.

Huang Lan stepped back two steps, hastily tidied up her clothes, and soon returned to the old days of high cold. She yelled, "you are more and more daring and more presumptuous."

"Lan elder sister is still the same, want to tease me, but also afraid I move real." Wu Tian smiles bitterly and shakes his head, grabs the red wine in elder sister Lan's hand and drinks a big mouthful, in order to cover up the body's embarrassment.

"I won't joke with you anymore." Huang Lan rolled her eyes and soon recovered her calm.

"By the way, sister LAN, how are your legs wet?"

"Wet?" Huang Lan reached out and found that her legs were really wet.

Wu Tian chuckled and chuckled at her head. "Sister LAN should not have been scared to urinate by me?"

"Go, don't talk nonsense." Huang Lan coquettishly rolled a white eye, explained: "elder sister's leg is just spilled red wine."

"Suck!"

Wu Tian sniffed and continued to tease, "how can red wine still smell like urine?"

"Get out of here." Huang Lan gently bumped Wu Tian's chest with her elbow and said angrily, "you're just coquettish."

"Even Sao, LAN elder sister is also the purest Sao in the world."

"I'm just joking with you. I don't want to be coquettish."

"I know." Wu Tian put up his smile and said in a serious tone: "in my heart, sister LAN is the cleanest woman in the world."

"Just know." Huang Lan's face has never been a happy smile, she likes clean these two words, this should be her best praise.

At three o'clock in the afternoon, all the guests arrived, and the ceremony of killing the youth officially began.

The host made an opening speech on the stage, then invited the director and the main actors to speak on the stage in turn, and finally invited the investor Wu Tian to speak on the stage.

For this kind of scene, Wu Tian was at ease. After taking the stage, he first expressed his gratitude to Qiao Fugang's team and actors, and then made a brief introduction to the new film.

When he was about to finish his speech, Lu Ren broke in with a group of people, and the killing ceremony was abruptly interrupted.

The guests retreated, knowing there would be a good play to see.

"Bang!"

Lu Ren broke into the hotel hall and directly broke several red wine glasses, deliberately

creating chaos and destroying the killing ceremony."Lu Ren, what do you mean?" Qiao Fu just stepped forward and pointed to Lu Ren's nose and asked angrily.

"I was slapped in the face by Wu Tian just now, and then you threw me out of here. It's a shame." Lu Ren said fiercely, biting his teeth.

The thought of being beaten in the face just now and being thrown out of the hotel in public made him mad.

From childhood to adulthood, he was always on the right track. He had never been so humiliated. It was the first time that he was humiliated.

After he was still out of the hotel, he called the company and asked the company to lead the executives and security guards to come over. In any case, he wanted to recover his lost face.

"Lu Ren, it's you who make mistakes first, otherwise we won't do it to you." Qiao Fu just finished saying this, and then changed to discuss the tone: "you leave first, have what to say later."

At present, it is the crucial moment for the ceremony of killing the youth. We must not destroy this ceremony for fear of being negatively affected by the film.

"There is no way for me to leave." Lu Ren stepped to the front of the stage and said: "unless you apologize to me in public, or I will make you a mess of porridge."

"Lao Lu..."

Qiao Fu Gang wanted to say a few soft words to calm things down, but before he finished, Wu

Tian interrupted him: "director Qiao, let him make trouble, the bigger the better."

"Ah?" Qiao Fu just heard this, suddenly silly eyes, did not expect boss Wu even connived at them to make trouble here.

If it goes on like this, it will not only affect the killing ceremony, but also have a negative impact on the film.

"In addition, the major media should call and inform them." Wu Tian patted Qiao Fugang on the shoulder and drew a smile: "I'm going to take this opportunity to promote our new film."

"Do you mean to use this negative news to hype up the new film?" Qiao Fugang seems to understand the intention of boss Wu.

"Yes."

Wu Tian nodded and looked thoughtfully at the audience. "We should seize every opportunity to promote the new film to everyone. This is the highest level of publicity."

"Well, I support boss Wu." Qiao Fu just approved of the nod, although this way has risks, but the effect of publicity will not be bad.

Many films will create negative news to promote new films. This time, it's just a case of Lu Ren.

"Director Qiao, get in touch with the media cooperating with us, make targeted reports and guide the mainstream media." Wu Tian reminded me again.

"Get in touch with the media right now." Qiao Fu just nodded, and then arranged for people to contact media reporters.

Lu rennao became more and more fierce. He kept throwing red wine and cups to create confusion, and at the same time, he made various verbal provocations.

The guests had been scared to one side and stood in the distance to watch the excitement. For them, it was much more wonderful than the killing ceremony.

The actors on the stage were a little panicked. They had never met this kind of situation before and didn't know how to deal with it for a while.

"Don't panic, everyone. Listen to me." Seeing that the actors on the stage were in panic, Wu Tian hastened to appease him: "don't worry. With me, the sky will not step down. Let them make trouble. Let's continue."

After this, the actors on the stage obviously relaxed a lot.

Even the boss is not afraid. As professional actors, they are gradually calm down.

After pacifying the actor, Wu Tian took over the microphone and said calmly: "let's continue the killing ceremony, and the hotel security guards have stepped aside. With me, we don't have to

panic."

Hotel security is ready to start, a listen to this, the security guard obediently back to the side.

The guests were also deeply saddened. They didn't expect that Wu Tianxin was so big that some people came to smash the scene. He was still in the mood to continue to carry out the killing ceremony.

At this time, a wave of media reporters came in a hurry and began to talk about the scene.

"All quiet." Wu Tian held up the microphone to quiet the reporters, and then said, "after the end of our killing ceremony, we will enjoy the interview."

After this, the reporter stopped the interview to see how the crew and actors carried out the killing ceremony.

After all, those people in the middle of the field are still doing damage. If we can finish the ceremony, it will be very serious.

"That year, the film was successfully completed. Thank the crew and actors for their efforts. For the film itself, this is just the beginning..." Wu Tian spat and talked.

Not affected by the audience at all, Lu Ren was completely taken as the air, and he was very serious about things related to the film.

Wu Tian's speech ability is very good, relying on a mouth to ease the atmosphere of the scene, so that everyone was driven by the mood.

After a speech, Wu Tian made a temporary decision: "let's invite the famous singer Huang Lan to sing for us."

Huang Lan is slightly stunned. Wu Tian suddenly asks her to sing on the stage. She has not made any preparation before.

However, for her professional singer, she has a strong adaptability and often sings on the stage. Naturally, there will be no panic on such occasions.

Under the gaze of the public, Huang Lan stepped onto the rostrum with long legs and took the microphone and said: "congratulations on the blooming and killing of the flowers that year. I wish the flowers would be sold that year. I would like to offer you a love for the city."

With that, she began to sing.

But the noise is too loud, accompanied by Lu Ren's provocation and humiliation, which will inevitably affect her mood.

In Lu Ren's interference, she slowly began to break the sound, and it was about to go out of tune. At the critical moment, Wu Tian stretched out his hand around her waist from behind.

She was greatly encouraged to get rid of all the distractions, and soon calmed down and began to sing seriously.

The audience was also brought into the scene by the song, gradually forgetting all the troubles

and immersed in the beautiful music.

After a song, the guests raised their hands and clapped.

"Pa pa pa pa..."

In the moment, Lu Ren's applause burst out.

Lu Ren and others under the stage are like clowns. The noise and confusion they constantly create are ignored by the public, but become a laughing stock.

This makes Lu Ren very angry. He takes people to destroy him. Unexpectedly, Wu Tian and Qiao Fugang ignore his existence and take him as air.

In this way, his plan failed, and the destruction of the ceremony of killing the young people was declared a failure. Instead, he became the target of public criticism.

But he is not willing to admit defeat. He takes out his mobile phone and dials a phone. He wants to use his assassin's mace to find rescuers to deal with Wu Tian and Qiao Fugang.

After the applause, Qiao Fu just took the microphone from Huang Lan's hand, "thank you for the wonderful notes of Miss Huang. I'd like to thank Miss Huang on behalf of the crew."

With these words, Qiao Fugang bowed to Huang Lan with the actors.

"It's very kind of you, Joe." Huang Lan nodded in return and said with a smile, "once again, I wish the flowers a big sale that year."

With these words, she turned to step down with long legs.

At the same time, he felt relieved. Fortunately, Wu Tian comforted her silently just now, so that she didn't make a fool of herself on the stage. On the stage, Qiao Fugang said a closing remark, and finally announced in a loud voice: "the killing ceremony is officially over. Thank you for your support and love."

After this, the audience applauded.

The killing ceremony was quite different. It opened everyone's eyes. They didn't expect that the stage would be so violent and the ceremony could be so perfect.

Through this ceremony, everyone had a good impression on director Qiao and the crew, especially Wu Tian.

After the ceremony, Qiao took the actors to open the champagne to celebrate, and those reporters surrounded Lu Ren and others.

Soon, the reporter dug out Lu Ren's real identity and constantly asked why Lu Ren wanted to splash out in public? Why take people to destroy the killing ceremony?

For a moment, Lu Ren was speechless when he was asked. In the face of so many reporters' questions, he did not know how to answer.

It was soon revealed that Lu Ren was slapped in the face by Wu Tian because he was contemptuous of Miss Huang. Later, he was thrown out of the hotel by Qiao.

Because of this, Lu Ren was unconvinced, so he brought people to the hotel hall to make trouble and destroy the killing ceremony of flowers that year.

After knowing this reason, reporters began to denounce Lu Ren, and all kinds of abusive voices came and went.

At the same time, Lu Ren's negative news will be reported, along with the promotion of that year's flowers, to achieve a win-win effect.

For a while, Lu Ren fell into the whirlpool again, his reputation was damaged, his face was lost, and even the company was affected.

In the face of the reporter's verbal criticism, Lu Ren completely tore his face and said in a loud voice: "yes, I just want to let that year's flowers bloom completely cool. I want Wu Tian and Qiao Fugang to kneel down and beg me."

"What can you do to keep the flowers cool that year?" Reporters asked one after another to know how powerful Lu Ren was.

"Don't worry, just wait. There will be a good show soon." Lu Ren looks up his head and becomes very manic.

He is now like a mad dog, ready to attack and bite.

Before long, a group of men in suits and leather shoes burst in, headed by a middle-aged man with a big belly, full of domineering spirit.

This man is no one else. It is Wu Changshan, who controls 90% of the cinema resources in

Jiangnan.

As soon as he appeared, the scene immediately became boiling and could not help commenting on the theater tycoon.

Lu Ren quickly went up to meet him. He bowed to Wu Changshan and said, "Mr. Wu, you are here."

Forced, he is calling to ask Wu Changshan to help him deal with Wu Tian and Qiao Fugang.

"Mr. Lu, I heard you were beaten?" Wu Changshan threw his hands behind him and asked in a deep voice, holding a shelf.

"Yes." Lu Ren nodded and explained with a sad face: "I was beaten by the boy named Wu Tian."

"How do you want me to help you?"

"That guy invested in shooting that year's flowers. I hope that Mr. Wu's cinemas will cancel their cooperation with them, so that their films will have no place to broadcast." Lu Ren explained his intention directly.

"Well, as you said, cancel the cooperation with that year's flower." Wu Changshan immediately agreed to this proposal, went to Qiao Fugang and said, "our cinema will not show your films."

"What?" Hearing this, Qiao Fu Gang's face became gloomy and dark.

At present, Wu Changshan controls 10% of the cinema resources in the south of the Yangtze River. If the cooperation is cancelled, the film will not be released that year, and all efforts will be in vain.

After the micro Leng, Qiao Fugang rushed forward to plead: "Mr. Wu, we have signed the contract, how can you temporarily cancel the cooperation?"

"If you have offended my friend Lu Ren, I will cancel my cooperation with you." Wu Changshan looked up his head in a domineering manner.

Are you Lu Ren

"Yes."

"I didn't expect that Lu was always your friend. We had a misunderstanding with Mr. Lu." So far, Qiao Fugang has to keep a low profile.

Anyone can offend, just can't offend Wu Changshan. After all, this big man controls the courtyard resources in the south of the Yangtze River.

If you offend Wu Changshan, you will lose the cinema line, and the film will not be able to play online.

"I don't want to make a big fuss about it either." Wu Changshan shook his suit and put on the shelf and said, "in this way, I'll give you a chance. As long as you and Wu Tian apologize to Mr. Lu in public, I'll let you go."

"This..."

Qiao Fu just a little embarrassed for a moment, in order to make the film successfully online, let him apologize in public.

But it's hard for boss Wu to apologize in public.

After thinking about it for a while, Qiao Fu Gang looked at Wu Tian with a consulting look, "boss Wu, shall we apologize?"

"No, I can never apologize to Lu Ren." Wu Tian leaped forward, jumped directly from the stage, and stepped closer to Wu Changshan. "It's Lu Ren who made mistakes first. Why should we apologize?"

"By strength and power." Wu Changshan put his hands in his pockets and looked up his head haughtily. "If you don't apologize, I'll make your film go on the line and let your investment go to waste."

"Do you think it's hard for you to live in me just because of the resources in your hands?" Wu Tian chuckled and did not pay attention to the so-called Cinema Tycoon in front of him.

For others, he is a cinema tycoon, controlling the absolute cinema resources in Jiangnan province.

But for Wu Tian, it is just a small role in the film and television circle, which is not worth mentioning at all.

"Good boy, I'm young, and I'm crazy." Wu Changshan step forward, provocative way: "I want to see how your film is shown?"

Next to Lu Ren also followed: "without Mr. Wu's theater line, your film will be stillborn, all efforts will be in vain."

"If I remember correctly, Mr. Wu's Changshan film is a subsidiary of Huamei group?" Wu Tian is not very familiar with Wu Changshan, but just found it in his mobile phone.

"Yes, we Huamei group controls 50% of the cinemas in China, while my Changshan film company controls 90% of the cinemas in Jiangnan province." Wu Changshan, with his nostrils in the air, is arrogant to the core.

"I don't care about your little role." Wu Tian finished saying this, he took out his mobile phone and dialed Long Yun's phone. He said to the mobile phone, "arrange it, I want to hold Huamei group."

Just said this to the mobile phone, and then hung up the phone.

"Ha ha ha..."

As soon as he finished the call, Wu Changshan and Lu Ren both raised their heads and laughed, as if they had heard a big joke.

Not only did the two of them feel funny, but even the onlookers couldn't help laughing secretly. They all thought that Wu Tian was playing an international joke.

People in the entertainment industry all know the strength of Huamei group. This is the most powerful film company in China, which controls 50% of the cinema lines in China.

To put it bluntly, Huamei group is a giant entertainment empire, and no one has the ability to control Huamei group.

Let alone Huamei group, even if Huamei's Changshan film company is a giant in Jiangnan Province, and it is one of the top film companies in Luzhou. No one dares to talk out and want to control Changshan film. The boy is really arrogant. He is about to take control of the parent company of Changshan film. He really doesn't know the sky and the earth.

Lu Ren laughs for a long time, and then laughs loudly in his voice: "boy, you don't pee to take photos. Just like you, you still want to control Huamei group. Why don't you go to heaven and seek the moon?"

"If I want to hold shares, I will certainly be able to do so." Wu Tian said confidently.

I have learned from long Mi Shu that Wu family has been infiltrating film and television entertainment for many years, and there are many leading enterprises. It is not a problem for Wu family to control Huamei group.

Now the Wu family wants money, money, power and power. Controlling a film and television company is a piece of cake.

This time, he controlled Huamei group with the help of his family power, so as to facilitate his long-term development in the field of entertainment.

"Crazy, you are crazy." Wu Changshan stopped smiling and said in his voice, "if you want to control Huamei group, I'll see how powerful you are. Today I'll see how you end up."

"Yes, it's a shame to see you today." Lu Ren followed the way, at this time a look of schadenfreude waiting for good system.

"Well, let's show you the strength of Wu Tian." The corner of Wu Tian's mouth rises and brings up a strange smile.

Now just wait for the news from Longyun. I believe it won't be long before things can be done.

Wait less than two minutes, received a call from Long Yun: "young master, we can't control Huamei group."

"Unable to control?" Wu Tian eyebrows a tight, did not expect to Wu family's influence, unexpectedly can not control Huamei.

Is Huamei's backstage very tough?

"Yes, Huamei was acquired by the Wu family two years ago, so we can't control it now." Long Yun explained.

"I see." Hearing this, Wu Tian was relieved. He didn't expect that Huamei group had been acquired by Wu family.

Since Huamei group has already been acquired by the Wu family, the matter is much simpler,

and there is no need to worry about the acquisition again.

"What can I do for you, young master?" Long Yun's cold voice came from the other end of the phone.

"Yes." Wu Tian then regained his mind and said to his mobile phone, "Wu Changshan, the boss of Huamei group's landscape film and television company, has a conflict with me. Help me deal with it."

"Yes."

"Do it quickly." Wu Tian said this and hung up his cell phone.

Just after hanging up the phone, I heard Wu Changshan start to challenge again: "boy, are you not talking about buying our head office? How are you doing now? "

"There's no need to buy. Huamei group was acquired by us two years ago." Wu Tian put away his mobile phone and spat out such a sentence with a smile.

"Ha ha ha..."

As soon as he said this, Wu Changshan and Lu Ren couldn't help laughing again, as if they had heard a joke from Tianda.

After laughing, Wu Changshan couldn't help sneering: "boy, I think you're really crazy. You're talking nonsense here."

"Soon you will know." Wu Tian chuckled and said nothing more.

"I see when you're going to pretend to be forced." Wu Changshan disdains a sentence, just finish saying this, the mobile phone rings in the pocket.

Wu Changshan glared at Wu Tian, then connected the phone, heard the voice of the phone, he immediately became respectful.

I didn't expect that this was the call from the vice president of Huamei group.

"Mr. Wang, how can I help you?" Wu Changshan covered the microphone with his hand and whispered to his mobile phone, in a humble tone like dust.

He did not expect that the head office suddenly called, not to mention the vice president of the company.

"You're in trouble." A slow voice came from the other end of the phone, reprimanding, "you have offended the wrong people."

"Dare to ask What is the wrong person to offend. " Wu Changshan didn't understand and asked in a low voice.

"The person who should not have offended is Wu Tian."

"Wu Tian?" Hearing this name, Wu Changshan unconsciously glanced up at Wu Tian and said, "who is this boy?"

"It's the young master of the consortium behind our head office. I can't afford to offend you. You can't afford to offend you." The voice on the phone was icy.

"My God Hearing this, Wu Changshan's forehead was sweating and his heart was cold.

I can't believe it. I didn't expect that the boy named Wu Tian was the young master of the consortium behind the scenes.

It's too low-key for the young master of the Grand Financial Group to wear such ordinary clothes?

After micro Leng, he quickly explained to the mobile phone: "Mr. Wang, I don't know his identity. If I had known, I didn't dare to offend him."

"Don't talk nonsense. Try to pacify Wu Tian quickly. If he gets angry, don't say that you, the boss of Changshan film and TV company, can't succeed. I'm afraid even I will be implicated." The other side finish saying this, hang up the cell phone directly.

Wu Changshan looked at the mobile phone for a few seconds. He hastened to apologize to Wu Tian: "young master Wu, I don't know Taishan. I have offended you carelessly. Please forgive

me."

At this time, Wu Changshan didn't have the arrogance and arrogance just now. He was as frightened as Sun Tzu. He respectfully apologized to Wu Tian, and finally raised his hand and slapped his mouth.

Seeing this scene, all the people present were stupid. Unexpectedly, the boss of Changshan film and TV company bowed down to apologize to Wu Tian.

Just now, boss Wu was very arrogant. How could he admit his advice and slap himself in the face after a while.

Even Qiao Fugang and Huang Lan are stunned, did not expect the arrogant Wu Changshan will bow to Wu Tian.

The most shocking thing is Lu Ren. He didn't expect that the backstage he found would be soft to Wu Tian. What's the situation?

"Pa!"

Wu Tian raised his hand and slapped him hard on Wu Changshan's face. He said angrily, "didn't you just be arrogant?"

"No I dare not After being slapped, Wu Changshan bowed his head in fear and didn't dare to fart.

"Do you want to support Lu Ren now?"

"I dare not."

"Remember, I don't have to work hard to bring you down."

"Yes, yes, yes." Wu Changshan nodded again and again, and then hastily pleaded: "I hope that Master Wu, regardless of the villains, can bypass me. This time, I promise to be a new man and make a new one."

"By the way, you said you were going to block my new movie?"

"I dare not." Wu Changshan shook his head in a hurry, and promised: "in the future, as long as it is the film of Mr. Wu, we will help promote it free of charge, and the whole hospital will show it, so as to ensure that the number of films will be the first."

"That's about it."

"Master Wu, can you forgive me?"

"It depends on your performance." Wu Tian's anger gradually dissipated and his tone was much more relaxed than before.

"Wu Shao, how do you want me to behave?"

"Today it's because of Lu Ren. Do you know what to do next?" Wu Tianhua is only half spoken.

Wu Changshan was so clever that he immediately understood Wu Tian's intention. He went to

Lu Ren and whispered, "what are you doing? Go and apologize to Wu Shao." "Ah?"

Lu Ren turned to himself and frowned and said, "Mr. Wu, why should we be afraid of Wu Tian's silly boy?"

"To tell you the truth, Wu Tian is the eldest young master of the Wu family financial group." Wu Changshan put his head together and whispered.

"What Wu family fortune group?"

"I'll tell you, if you want a word from that boy, we can perish Huamei group." Wu Changshan was too lazy to explain so much, just said so.

"My God

On hearing this, Lu Ren knew the seriousness of the matter and exclaimed in disbelief: "God, is Wu Tian so powerful?"

"His power is beyond your imagination. It's easier to kill you and me than to trample on ants. If you don't want to die, go and apologize." Wu Changshan urgent voice urged way.

"Yes, yes, yes." After knowing Wu Tian's real power, Lu Ren quickly bows to Wu Tian and apologizes: "Wu Shao, I have offended many times before. Please forgive me."

No way, even Wu Changshan's backstage did not dare to offend, he such a small role, can only bow his head to admit his mistake.

"Pa!"

Wu Tian raised his hand and slapped him fiercely on Lu Ren's face and scolded, "I look up to you when I hit you."

"Yes, yes, you have a good call." After being slapped, Lu Ren nodded again and again.

There is no way, such as this kind of people who turn their hands for clouds and cover their hands for rain, even if they kill them, they can only accept their lives.

"If you dare to despise sister LAN again, I'll cut you and feed the dog."

"No, I dare not."

"Go and apologize to sister LAN." Wu Tian impatiently pushed Lu Ren for a moment and urged him.

"Yes." Lu Ren had to walk up to Huang Lan and apologize: "Miss Huang, I'm sorry. I was wrong before. I apologize to you. I hope you can forgive me."

"Pa!"

Huang Lan raised his hand and slapped him fiercely on Lu Ren's face and scolded: "you are a garbage and scum."

"Yes, yes, I am rubbish, I am scum."

"Go away. Don't let me see you again." Huang Lan roared. She had never been so angry.

"Yes After Lu Ren answered, he left the place with a disheartened face and ran faster than the rabbit.

"Wu Shao, nothing else. I'll go first." Wu Changshan said this, also ready to take people away.

"Stop." Wu Tian stretched out his hand and grasped Wu Changshan's shoulder. "Don't hurry. I have something to tell you."

"Wu Shao can say anything."

"I want to remind you that if the amount of film layout is too low, you should stop working on Changshan film." Wu Tian's tone of voice seems calm, but with unquestionable domineering.

"Don't worry, the amount of film layout is not low." Wu Changshan stretched out his right hand and swore to heaven.

"Well, you can go."

"Wu Shao, I'll leave first. I'll let you know if there's anything I can do for you." Wu Changshan flattered a few words and left in a hurry.

After Wu Changshan and Lu Ren left, the scene became lively and the guests were all talking about Wu Tian's identity.

Now you can see that the young man named Wu Tian is not simple. He can easily tame Wu Changshan. The influence behind him can be imagined.

The guests all remember this face in their hearts. They can't offend Wu Tian in any case, so as not to cause disaster to themselves.

After a brief discussion, everyone continued to drink and chat, and the atmosphere soon returned to normal, as if nothing had happened before.

At this time, Qiao Fu just came over and bowed to Wu Tian deeply. He worshipped him and said, "boss Wu, I didn't expect you to tame Wu Changshan so easily. It's really admirable."

"In my eyes, Wu Changshan is just a small role." Wu Tian lightly said a sentence, the tone is calm as the lake, there is no trace of waves.

"Boss Wu is really strong." Qiao Fugang could not hide his admiration and admiration in his heart. He said excitedly: "this time, it not only eased Lu Ren and Wu Changshan, but also solved the worries behind the release of the film."

"Don't worry, our film arrangement will not be bad."

"Now it's done, just waiting for the movie to come out."

"It's up to you to promote the film before it's released." Wu Tian thought about it for a while, and continued: "in the early stage, we will create some topics and heat, and find ways to stir up movies. As for the funds, you may rest assured. We are not short of money."

"Thank you for your support." Qiao Fu just finished saying this, picked up two glasses of red wine and handed one of them to Wu Tian, "boss Wu, I respect you."

"Cheers to our new movie." Wu Tian took the glass and bumped it with Qiao Fu, then drank the red wine in the glass.

Just after drinking the wine, I saw Yan Jie come over with a cup of wine and looked at Wu Tian with a kind of joyful eyes, "boss Wu, I really admire you more and more now."

"What do you admire me for?" Wu Tian looks at the woman in front of him with a smile.

Although Yan Jie is in her thirties, her figure is well maintained and there is no sign of falling down. Her skin is as tender as an 18-year-old girl.

"I admire your composure." Yan Jie tilted her head and couldn't help boasting: "you are really good at organizing the ceremony in such a bad environment."

"Yan Jie, you are also very good."

"What can I do?"

"In my thirties, I'm still so domineering that I don't droop at all." Wu Tian began to play a serious role.

"Go!"

Yan Jie blushed and said, "boss Wu, you are also a big boss. Why do you always make fun of me, a small employee?"

"Yan Jie, you are not a small staff, you are a big staff, you see how big you are." Wu Tian says here, can't help but reach out to rub Yan elder sister's body.

"Hello

Yan Jie hugged her body and stepped back several steps in fear. She yelled out in shame and anger: "boss Wu, in public, please respect yourself."

"Or we'll find a place where there's no one else?"

"I don't care about you." Yan Jie rolled her eyes and turned away from here with a red face.

This kind of occasion was so ridiculed by boss Wu, which made her embarrassed and ashamed, and even a little embarrassed.

"Hey, hey

Looking at Yan elder sister's back, Wu Tian can't help but laugh secretly. Don't look at this girl's

marriage, it's funny.

It's not only the shame of a little girl, but also the charm of a mature woman. It's really the best among young women.

Just as he was staring at sister Yan in a daze, Huang Lan came over and sarcastically said, "boy, I didn't expect that your taste is so heavy, even this kind of old woman is not let go."

Just now I saw Wu Tian flirting with Yan Jie. She was very sour.

"Sister LAN, don't get me wrong. I'm just joking with sister Yan." Seeing Huang Lan's misunderstanding, Wu Tian hastens to explain.

"Hum!"

Huang Lan snorted coldly, did not have good breath disdain way: "I see you that eye bead son all quickly fell into Yan Jie's collar to go." "Do you have any?" Wu Tian grabs his head awkwardly.

Did not expect just peep Yan elder sister's small movement by LAN elder sister to see clearly, also really some embarrassment.

"Come on, are you interested in that woman?" Huang Lan asked in a solemn voice.

Now she is more and more concerned about Wu Tian, Wu Tian's ambiguous eyes on other women can make her feel uncomfortable.

"Sister LAN, my taste is not so heavy." Wu Tian grabs his head awkwardly and denies: "sister

Yan has been married. How can I be interested in her? Besides, she is ten years older than me!"

"Although Yan Jie has been married, she is plump. Isn't that what you like?"

"Yan elder sister's figure is no better than LAN elder sister you!" Wu Tian took advantage of this opportunity to quickly lead the topic to Huang Lan. "In my eyes, sister LAN is protruding and pretty, which is the best in the goddess."

"Is she so good?" Hearing this, Huang Lan was happy.

"Of course."

"Then tell me, is she in good shape or Shen Xue's?" Huang Lan brings the topic back to Shen Xue.

Because she knows that the relationship between Wu Tian and Shen Xue is not good, which has already surpassed the ordinary relationship between men and women.

In her eyes, Shen Xue has become the biggest competitor and rival in love.

"If it's only better than her figure, sister LAN will be better." Wu Tian clenched his chin and gave the pertinent answer.

"You mean Shen Xue's face is more beautiful than me?"

"No Seeing Huang Lan's misunderstanding, Wu Tian hastens to explain: "sister LAN and Xiao Xue belong to different types of goddesses. Xiaoxue is pretty and Lanjie is beautiful and proud. They

are all excellent."

"Do you like my type or her type?"

"This..." Wu Tian is puzzled by this question. He really doesn't understand why both women like to ask such questions.

Just as he was secretly in trouble, his cell phone rang in his pocket.

"I'm sorry, sister LAN. I'll take the call first." Wu Tian finished saying this, touched out the mobile phone to escape to partial listen.

Touch out the mobile phone, call display Liu Yueyao.

Just by two women to do the head confusion, did not expect to come again.

Staring at the caller ID for a few eyes, Wu Tiantian bravely connected the phone and asked, "Yueyao, do you want to call me for something?"

"Can't I call you if I'm ok?" On the other end of the phone, Liu Yueyao has a bit of willful rhetorical questions.

"....."

Wu Tian was choked by this, and for a long time he responded, "we are friends. Of course we can call."

"I'm so bored by myself. Go shopping with me!"

"This..." Wu Tianzheng is ready to find an excuse to refuse. Liu Yueyao interrupts Wu Tianzheng's words: "you don't want to make excuses again, do you?"

"No

"Will you accompany me

"Accompany."

"Then I'll wait for you at the north entrance of Jiali square."

"Well, I'll be right here." Wu Tian smiles bitterly, hang up the phone and walk to the hall.

Before he couldn't find his girlfriend, but now he was worried about the beauty around him.

Just after dealing with sister LAN, I didn't expect that Liu Yueyao called again to ask him to go shopping. It was really a headache.

I really want to split myself into half, half study, half work, and the rest half to deal with the beautiful women around me.

Returning to the hall, she walked to Huang Lan and said with a smile, "sister LAN, the company has something urgent to deal with on the phone."

"You don't have to worry about me. Get busy." Huang Lan is reasonable. Hearing that it is the company's business, she urges Wu Tian to get busy with business.

Compared with Shen Xue, LAN elder sister still needs to be mature and rational. Public and private affairs are always very clear.

"I'll go first. Excuse me." Wu Tian is a little guilty of saying this, and turns to leave quickly.

He doesn't want to deceive sister LAN, but he can't help it. If she wants to go shopping with Liu Yueyao, she will not let go.

After leaving Shangri La Hotel, he took a bus to Jiali square and soon met Liu Yueyao at the north gate.

The girl was wearing a chiffon skirt. Her figure was somewhat similar to Shen Xue, but she looked more elegant.

After all, Shen Xue is a girl from an ordinary family, while Liu Yueyao was born in a rich family, and she is born with a big girl temperament.

"Wu Tian, here you are." As soon as they met, Liu Yueyao took out a delicate small box from her bag and handed it to her.

"Huanghua pear." Wu Tian opened the box and saw that there was a piece of high-quality Huanghua pear wood in it. It looked very valuable.

Staring at Huang Hua Li, Wu Tian couldn't help but ask, "Yue Yao, how do you think of sending me this?"

"It's my father who asked me to bring it to you. It's from a businessman. Maybe you'll like it."

"Thank you for me, uncle Liu." Wu Tian picked up huanghuali and asked with a smile, "how's uncle Liu recently?"

Recently, he and Liu Jun are very busy. They haven't been drinking together for a long time.

"Busy with the Xiangmi Lake project." Liu Yueyao pulled her hair around the corner of her ear. "By the way, listen to my father. You've made Wanjie a hot place. Is the flow of people very hot?"

"Not bad."

"My father didn't look away. He said you were a business genius, and he asked me to..." Liu Yueyao didn't finish her words. She suddenly turned red and hung her head.

"What are you supposed to do?"

"Nothing."

"I know if you don't tell me." Looking at Liu Yueyao's blushing face, Wu Tian tried to guess, "let's make sure you take the opportunity and try to be my girlfriend, right?"

"You..." Liu Yueyao looked up at Wu Tian and quibbled, "my father doesn't mean that."

"I understand uncle Liu's mind. He wants me to be the son-in-law of the Liu family and take over his duties in the future."

"Well, don't say that." Liu Yueyao bit her mouth in embarrassment and took the initiative to change the subject: "let's go and have a drink."

"What would you like to drink?"

"Coffee."

"Too much coffee is bad for girls."

"What's wrong?"

"Affects development."

"Go, no serious." Liu Yueyao slightly rolled her eyes and pointed to the opposite cafe. "Let's go

to that blue mountain coffee shop. It's not bad."

"You're not afraid to affect development?"

"Don't talk nonsense. Well, I used to drink coffee a lot. It didn't affect my development." Liu Yueyao rolled her eyes and knew that Wu Tian was joking with her.

"You used to drink it a lot?"

"Yes

"No wonder you're so small."

"You're talking nonsense." Liu Yueyao pretty face a red, slightly raised chest retort: "where am I small?"

"It's not small compared with Wangzai steamed bun."

"Fuck you."

"It's not bad to be small. It can also make cloth for the country."

"You..." Liu Yueyao's angry corners of the mouth took a few hard puffs. After a long time, she choked out a sentence: "I don't care about you."

With these words, he raised his legs and walked to the Blue Mountain Cafe. At the same time,

he could not help but look down at his body and secretly suspected his own body. I've always been confident and never doubted my figure before. When Wu Tian said this, he began to worry. Does coffee really affect development?

"This girl, how interesting." Wu Tian laughs bitterly, shakes his head, and quickly pursues Liu Yueyao.

When they arrived at the door of the coffee shop, a young girl who had just grown up rushed over and ran into Liu Yueyao's arms.

"Sister, help me. There's a bad guy catching me." The little girl hugged Liu Yueyao's body, and her voice for help was trembling.

"Don't be afraid. Tell me what's going on?" In the face of the girl's cry for help, Liu Yueyao anxiously expressed concern.

"The bad guys." The little girl turned to the other side of the street and cried, "they want me to be my girlfriend."

Following the direction of the girl's finger, I saw four flowing gangsters chasing towards this side.

"Let's go and hide in the coffee shop." Liu Yueyao saw so many people chasing after her, so she took the little girl into the coffee shop.

The three found a card room to sit down. Liu Yueyao asked for three cups of coffee and asked the little girl, "what's your name?"

"Eli." The little girl looked out of the window uneasily for fear that the thugs would catch up.

"Why do those people want you?"

"I just went to the Internet in the Internet bar, and those gangsters would go around and make a move. They also said that they wanted me to be their girlfriend and go to bed with them." At the end of the day, Eli said in a very low voice, "I sneaked out when they weren't paying attention."

"Don't be afraid, we will protect you."

"But there are so many of them..." Eli's hands were on her chest, and she was still in a state of fear.

"See this little brother." Liu Yueyao pointed to Wu Tian sitting beside him and said, "his name is Wu Tian. His skill is very good. He can protect you."

"He?"

Yili turned to look at Wu Tian and doubted, "how powerful can he be?"

In her view, the big brother was not strong, delicate, and vulnerable.

"Believe me, he will protect you." Liu Yueyao touches the girl's head and soothes her voice.

"Oh Ellie nodded, but she still doubted Wu Tian's strength in her heart. She only hoped that those gangsters would not find the coffee shop.

What are you afraid of? Those gangsters are running towards the coffee shop.

Seeing that some gangsters were about to enter the coffee shop, Eli was worried, "what should I do if those bad guys come? What to do? "

"Don't be afraid when I'm here." "We will protect you," Liu Yueyao said softly, holding her shoulder

"But they are too many." Yi Li almost cried. She was so scared that she curled up behind Liu Yueyao.

The gangsters broke into the coffee shop, searched for a circle, and quickly gathered around, pointed to Eli's nose and said, "smelly girl, I didn't expect you were still running fast."

"You Want to What do you want? " Ellie shrank in fright, and the corners of her mouth trembled violently when she spoke.

"We've got a crush on you. We'll be our girlfriend." Exclaimed the first dark man impatiently in his voice.

"I don't want it." Ellie shook her head as hard as she could, and now her legs were shaking like a swing.

"You can't help it." The dark man said this and reached out to laeli's arm.

At the critical moment, Liu Yueyao got up, Hu was in front of Eli, and yelled at those thugs: "in broad daylight, do you have any royal law?"

"Stinky girl, don't mind your own business. Get out of the way. We'll catch you together." The dark man threatened impatiently in his voice.

"Dare you." Liu Yueyao's chest is very firm, hurl a way to those thugs.

Her move immediately attracted the eyes of several gangsters, four eyes greedily staring at Liu Yueyao chest, straight swallow saliva.

Staring at a few eyes, the four people approach Liu Yueyao with a look of indecency.

"Hey, hey

The dark man licked his mouth, greedy bad smile: "since you like to meddle in your business, serve us with that little girl."

"You No, don't come here. " Seeing the four ferocious spirits pressing each other step by step, Liu Yueyao hugged her body and retreated.

"You're a real beauty, you're more beautiful than that little girl." The dark man licked his mouth and said to the thugs behind him, "brothers, take these two girls back and enjoy them."

"Yes

After three thugs get the order, they pounce on Liu Yueyao and Yi Er Nu like a wolf.

"Pa!"

Seeing those thugs ready to start, Wu Tian slapped on the table, pointed to the four thugs and said, "you guys, when I am air, right?"

"Why, you silly boy, get out of here and stop meddling." The dark man with a white eye, with his subordinates continue to approach the second daughter.

Wu Tian's body a horizontal, block in front of the two girls, "want to move them, first pass my pass again."

"Oh, you want to be brave, don't you?" The dark man stopped and looked at Wu Tian.

"That's right."

Wu Tian shook his handsome hairstyle and pretended to be a man. He said: "as a man, it's natural to protect the women around him."

Hearing this, Liu Yueyao's heart moved, all fear disappeared in an instant.

More and more I feel that Wu Tian is a man, full of man's domineering spirit and full of charm.

Every time I was with Wu Tian, she felt very secure.

"Boy, you don't pee to take care of yourself. You look like a flimsy bird, and you want to be a hero to save beauty?" The dark man glared at Wu Tian and despised him.

"Don't talk nonsense. Get out of here. I'll spare you."

"This should be my line." The dark man glared at him and threatened: "if you are wise enough, get out of here. I'll spare you today."

"It seems you don't cry until you're in the coffin." Wu Tianman clenched his fist, and his eyes twinkled with cold cold.

"Good boy, you're really good at pretending. I'll let you know how good we are." The dark man said this, waved to his subordinates behind him and said: "brothers, let's go together and teach this silly boy a good lesson."

"Yes." When the three gangsters got the order, they shook their fists and rushed to Wu Tian with the dark man.

"Ah

Seeing so many thugs attacking Wu Tian at the same time, Ellie, hiding in the back, screamed.

Her heart almost jumped out of her chest.

At this time, she was particularly worried about the big brother in front of her, for fear that the elder brother would be beaten up by these people.

Apart from worry, she had no choice but to watch her big brother get beaten and pray secretly in her heart that no one would die.

Seeing his fist smashing into Wu Tian's head, he thought that the big brother would be smashed.

Wu Tian's head tilted, and he easily escaped the attack.

She did not see clearly what happened, the big brother's body just like loach slipped behind the four thugs.

The next second, Wu Tian suddenly punches one of the thugs. His fist is like ten thousand jin of iron hooves. He flies out directly and falls on the ground, crying. Seeing this scene, Ellie was shocked. Unexpectedly, the big brother's strength was so amazing that he smashed the living man with only one punch.

It seems that she underestimated the big brother before, the big brother's thin and weak body contains infinite power, which is simply impressive.

The dark man and the other two gangsters were also subdued. They didn't expect that the boy had some skills in front of them.

After the micro Leng, the dark man led the two thugs to attack again. The speed and strength

were more fierce than before.

"Be careful!"

Seeing that the three thugs started to fight Wu Tian again, Eli's heart was tense again, and she hastened to remind her.

It soon became apparent that her concern was totally unnecessary.

Seeing Wu Tian's short body, he easily evaded the attack. At the same time, with a tap of his right palm on the table, his body leaped up, his legs flung in the air, and he kicked one of the thugs.

"Ah..."

With a scream, the gangster was kicked out and fell on the ground, whining.

Wu Tian didn't stop. He hit the third thug with his left hand. At the same time, he pushed up his knee and hit the abdomen of the fourth one. The thug only spits bitterness.

This series of action is swift and violent, and the attack is perfect. It takes no effort to turn over all the four thugs.

At the sight of this scene, Eli's eyes were rolling round and her eyes were shining with brilliant blue light.

Living for more than ten years, I have never seen a boy like Wu Tian who can beat him. Every

move is perfect. It's so handsome.

At this moment, Ellie was deeply attracted, and her eyes were staring at Wu Tian tightly, unable to blink.

Never been moved by any man, this time she was deeply attracted by the big brother in front of her, even with a bit of obsession in her eyes.

After staring at Wu Tian for a long time, she regained her consciousness and said to Liu Yueyao, "I didn't expect that my big brother is so powerful."

"I told you he was very good, now believe it!" Liu Yueyao raised her head with pride, and Wu Tiangang's performance gave her a long face.

"Yes." "It's the first time I've seen such a fierce man," she said

After solving the four gangsters, Wu Tian went to the dark man and asked with a smile: "how about it? Will you take it? "

"I..."

The dark man gritted his teeth and hung his head in despair.

It never occurred to me that the boy was so powerful that he could flatten all four of them in three circles and two feet.

In the face of such a cruel cry, he could only admit that he was unlucky.

The other three gangsters are also a look of fear, look at Wu Tian's eyes with a bit of fear.

At this time, they didn't have the arrogance just now. They all curled up like the grandson of the tortoise.

If they knew that the boy's strength was so strong, they would not dare to do it, and they would not have suffered such a dumb loss.

"You don't like that, don't you?" Wu Tian patted the dark man's big black face and asked with a smile.

"Boy, you are cruel." The dark man climbed up from the ground and was unwilling to bite his teeth: "since we lost, there is nothing to say, brothers, let's go."

With these words, he was ready to leave the coffee shop with some disabled soldiers and defeated generals.

"Stop." Wu Tian's body was horizontal, blocking the way for the four thugs. "Do you think you can walk if you want?"

"What else do you want?"

"Apologize to the two girls." Wu Tian said to the four thugs in a commanding tone.

The other three hoodlums shrunk their necks and didn't dare to talk much, but the dark man was still very tough and showed no weakness: "if I want to apologize to the two women, there is no way."

"Oh, I don't see. You're tough, aren't you?"

"Of course."

"Pa!" Wu Tian raised his hand and slapped him fiercely. He said, "today I want to see how hard you are."

"Son of a bitch, I'll fight with you." The dark man is not willing to be beaten. He grabs the chair and is ready to smash Wu Tian.

But before his chair fell down, he got a kick from Wu Tian on his abdomen.

Wu Tian kicks the man over with his legs, then punches and kicks him, only hitting him in the head and bleeding.

Next to Liu Yueyao and Eli are all thrilled, did not expect Wu Tian to be so vicious.

However, the two girls were secretly relieved of their anger. They should not be soft hearted in

dealing with these animals which are inferior to animals.

"Again, I apologize." After a fierce fight, Wu Tian just put up his fist and secretly relieved his anger in his heart.

The dark man climbed up from the ground and wiped the blood on his mouth, "boy, dare you do this to me, do you know who I am?"

"Even if you are the king of heaven, I am not afraid." Wu Tian said this and kicked the black man's knee.

"Plop!"

The dark man bent his legs and knelt directly in front of Liu Yueyao and Eli.

Wu Tian held the black man's neck and said, "this is the end of offending my woman. Go away!"

Seeing almost, Wu Tian pushed hard to let go of the dark man and the other three gangsters.

"Boy, don't leave if you have seed." After saying this, the dark man left a cold look and left the place with a few thugs.

"If you want to move soldiers, hurry up. I'll wait for you for half an hour." Wu TianChao's several gangsters yelled at their backs and turned to Liu Yueyao and Eli and said, "OK, it's OK."

"Come on, sit down." Liu Yueyao nodded and took Eli to sit down beside herself. "Little sister, I

was scared just now. I'll drink some coffee to suppress my shock."

Thank you

After taking a sip of coffee, Eli said to Wu Tian gratefully, "big brother, thank you for helping me out just now."

"It's no big deal." Wu Tian chuckled and didn't care about it.

Eli adjusted her hair, blinked her big eyes, and said curiously, "big brother, why are you so good at it?"

"It's average. It's not great." Wu Tianqian said modestly, but she was a little embarrassed to be looked at by the girl.

"The way you fight just now is so handsome. You are as good as Jackie Chan on TV."

"No exaggeration." Wu Tian smiles awkwardly, and then instructs: "be careful when you go out in the future. Don't go to the Internet bar alone."

"Well!" "I'll never go to Internet cafes again," she promised

"That's good. Have coffee." Wu Tianzong felt that the girl's eyes were a little obsessed, so she had to pick up a coffee cup to hide her embarrassment.

"Yes." After taking a sip of coffee, Ellie set her eyes on Liu Yueyao's face, "sister, are you a big brother's girlfriend?"

"No Liu Yueyao shook her head and explained, "Wu Tian and I went to the same university."

"Oh On hearing this, Eli felt a little excited.

Originally I thought Liu Yueyao was Wu Tian's girlfriend, so I felt relieved that they were not male and female friends.

While they were chatting over coffee, the dark man returned to the cafe. This time, he came back with more than a dozen thugs holding sticks, all of whom were ferocious.

These gangsters are different from ordinary gangsters. They have cold and murderous air all over their bodies, and their eyes are full of ferocity that is not afraid of death.

As soon as you can see, these gangsters are experienced gamblers.

Finally approaching the coffee shop, he was a bald man. He was domineering and had a look of death in his eyes.

Soon, someone recognized the bald man. He was the famous white shark hall leader, known as the shark master in the lake.

Everyone knows that white shark hall is a big force on the powerful side, and Luzhou people are all afraid of it.

And Shaye is the core figure of this force. When he stomps his foot, the whole East city will tremble.

But I didn't expect that the shark, who seldom appeared on weekdays, would appear in the coffee shop this time.

As soon as Shaye appeared, the atmosphere of the whole Cafe became tense. All the guests were scared. In the corner, the heart pounded like a drum.

It's not those timid waiters who hide behind the bar in fear of being affected.

"Gudong..."

Even Liu Yueyao and Eli are scared of small face white, throat a strong swallow saliva.

The second daughter has long heard of the names of white shark hall and shark master. They only know their names but not their people. Today, it is the first time that they have seen the legendary shark God.

Under the gaze of the crowd, the white shark slowly opened his mouth and asked the dark man, "who started to beat you?"

"It's the boy." The dark man reached out to Wu Tian and said respectfully to the shark.

"How unreasonable! Even my people dare to touch it." The white shark's eyes were cold and looked up in the direction of the dark man's fingers.

When he saw the familiar face sitting in the seat, he immediately recognized Wu Tian.

Slightly a Leng, take a person to quickly walk toward the card seat.

At this time, the atmosphere in the restaurant was extremely tense, and everyone's eyes followed the white shark's body.

Everyone sympathizes with Wu Tian secretly in their hearts. This boy has offended Shaye and will surely die without a burial place today.
