Chapter 11 – 15

## Chapter 11 Decided to Resign

Ah!?” Jenny exclaimed, “Isn’t it?”

“Yes, just now, I have already confronted him head-on!” Amy Xia said. Hearing this, Jenny was even more surprised, “He recognizes you?”

“Not yet, but I think he will recognize me sooner or later!” Amy Xia said.

“Then what to do, according to Sebastian Mu’s temper, you will definitely die!” Jenny said worriedly on the phone.

“Yes, so I am!”

“I support your decision!” Jenny said over the phone.

“Okay, I will write a letter of resignation now, and see you after work!”

“Okay, I have set a place, and I will send you the address later!”

“Okay!” So, hung up the phone, Amy Xia continued to walk towards the design department. Now, sitting in your own working position, come here, not a day! Unexpectedly, Yun Rui’s first task was to write a letter of resignation! Although it’s a pity for the working environment here, Amy Xia decided to leave for a stable life in the future. So, in the afternoon, she sat in her seat and typed her resignation letter, and while typing, she didn’t forget to listen to the gossip in her ear.

All about Sebastian Mu. From career to relationship history, it can be described as rich. Unexpectedly, after only two years, Sebastian Mu’s eyesight changed. His eyes changed from model and artist to celebrity, the daughter of the group.

Moreover, from the previous fanfare, it has become very low-key. Now they don’t know who Sebastian Mu’s girlfriend is, but they know that he has been close to Ling Xiaoyun, the daughter of Lingshi Group recently. Just now she saw that woman in the office! Therefore, it is rumored that Ling Xiaoyun is Sebastian Mu’s current girlfriend, but Sebastian Mu has never admitted.

Although the two people attended various occasions and were questioned by the media countless times, Sebastian Mu never admitted. Ever! Thinking of this, Amy Xia

remembered something and searched about Sebastian Mu's current situation. Just simply typed a few words on Baidu, and all the large-scale information appeared in an instant. Especially the scandal is related to the establishment of Chow Group.

One year of establishment, one year of operation, only two years, in the hands of Sebastian Mu, Chow Group has developed from an unknown small company to an international path.

I have to admit that Sebastian Mu is still very business savvy. Yun Rui now seems to have surpassed his family Mu-style group, and his identity as President Mu has also surpassed his Mu-style master.

After two years of precipitation, he seemed to have become more and more mature, the previous frivolousness disappeared, and replaced by more familiar and stable, with a charming and mysterious feeling between his feet.

Looking at these achievements, it can be seen that Sebastian Mu has been living very well in the past two years. The road to divorce seemed to make him go a bit smoother. Thinking of this, Amy Xia was even more determined to resign! In this way, it is good for him and her! Otherwise, when the truth surfaced, she was afraid that she would be really out of control!

## Chapter 12

After finishing the resignation letter, it was close to get off work, and she had no choice but to hand the resignation letter to the personnel manager tomorrow. Thinking of this, she tidied up and prepared to leave.

Make an appointment with Jenny, go shopping together in the afternoon and buy some daily necessities.

According to Jenny's address, Amy Xia rushed over.

As soon as we met, Jenny asked Amy Xia about the situation, so Amy Xia reluctantly explained the whole process.

After Jenny heard it, he couldn't help but speak, "Can you two not be so dog-blooded?"

"I don't want to, but the truth is so dog-blooded!" Amy Xia said, and was shocked while eating, thinking of the afternoon. What happened, even she felt a little weird. Jenny also ate, "He really didn't recognize you?" Speaking of this, Amy Xia thought for a while and said, "It shouldn't be.

If you really recognize it, it should not be that kind of reflection!" According to Sebastian Mu Character, I really found out, I am afraid I will tear her up! Speaking of this, Jenny suddenly became energetic, and immediately used a spoon as a microphone to reach Amy Xia, "Dear Miss Xia, can I do a simple interview for you!" Seeing Jenny's appearance, Amy Xia was very cooperative. He smiled and said, "Okay!"

“Excuse me, I was not recognized by my ex-husband, what did you think at the time?” Amy Xia thought for a while and said seriously, “Fortunately, I didn’t recognize it!” Jenny, “ ...Isn’t it a little bit lost?” Amy Xia shook her head solemnly, “No!”

“After being identified, you are not an ordinary woman! Amy Xia smiled upon hearing this, “fu\*k you! Jenny smiled, put away the joking face, looked at her and said, “Whatever he has been his wife for a few years, a woman who has not been recognized, there will definitely be such a trace of unwillingness in my heart, imbalance is fine! “I was thinking about leaving, there is still so much emotion and sentiment there!”

“Amy Xia said. Jenny smiled, “Then what are you going to do?” Resign? “Well, the resignation letter has been typed, and it will be handed in tomorrow!”

“Do you look for a job again?” Amy Xia nodded, very sure, “Well, with my resume, it is not a problem to find a job in City Y!”

“At this point, Jenny certainly believes, “Well, no matter what decision you make, I will support you!” Amy Xia smiled when she heard the toots, and raised her cup, “Cheers! “Cheers!” After drinking something, Jenny looked at her, “I’m going to the bathroom!”

” “Ok! So Jenny got up and walked over there.

At the same time, the waiter walked by, and what he was holding was sprinkled on the other side.

“Ah—” exclaimed with a sigh of relief. Hearing the sound, Jenny and Amy Xia looked there at almost the same time.

At this time, coffee was spilled on the woman in front of me. The style and material of the clothes looked like high-end goods! Jenny watched, not knowing what happened.

At this moment, the woman in front of her looked up and looked at the Jenny in front of her. She spoke indiscriminately, “What are you doing? Didn’t you even walk?” At the moment when she raised her head, Amy Xia saw the person in front of her clearly.

Is her! Ling Xiaoyun! Jenny frowned when he heard it. Knowing that it was his fault, he quickly apologized, “Sorry, I didn’t mean it!”

## Chapter 13

“Is it over on purpose? Do you know that you have broken my good deeds? Do you know how expensive my clothes are?” Ling Xiaoyun said angrily, while she said, looking at her clothes. That way, she really swayed the temper of her daughter.

Is Jenny a bully? You always respect me, I respect you, and you disrespect me, so why give you a face. Jenny smiled, “This lady, I apologized, what do you want?”

“Apologize? Is your apology useful? Do you know that you broke my good deeds?” Ling Xiaoyun said angrily. Hearing this, Jenny was really angry, “Well, since it’s useless, then forget it!” Jenny said. Jenny’s words angered Ling Xiaoyun even more. She just wanted to show her power, but at this moment, she saw Amy Xia on one side.

She hasn’t forgotten anything about the company today, and she didn’t expect to meet her here! It seems that she is with the woman in front of me! Thinking of this, Ling Xiaoyun was even more angry, “Is it you?” Seeing Ling Xiaoyun’s sight, Amy Xia could only stand up and watch her smile slightly, “Miss Ling, my friend didn’t mean it...” I think you did it on purpose!” Before Amy Xia spoke, she was interrupted by Ling Xiaoyun.

Listening to Ling Xiaoyun’s words and her tone of voice, Amy Xia frowned in dissatisfaction, and was interrupted by someone, which was really an uncomfortable feeling.

Amy Xia was about to say something, when a figure walked in from the door. He walked directly to Ling Xiaoyun’s side. That person is not someone else, but Sebastian Mu.

Amy Xia was even more upset when she saw her.

It’s really a narrow road, and you can meet it everywhere. Jenny was surprised when he saw him, turned his head and looked at Amy Xia.

Amy Xia stood there, looking extremely calm. Jenny admires it in his heart! Girl, you are so calm! Sebastian Mu didn’t notice Jenny, but saw Amy Xia’s eyes looking at her at a glance, as if he didn’t want to see herself.

Thinking of this, Sebastian Mu’s heart was a little distorted, hum, the more she didn’t want to see, the more she wanted to see it! “What happened!?” Sebastian Mu turned his head and asked.

It was obvious that this was for Ling Xiaoyun. Hearing Sebastian Mu’s words, Ling Xiaoyun pouted dissatisfiedly, “Sebastian, you see that they soiled my clothes. You gave me this dress.

I don’t want to wear it!” I just saw it! Sebastian Mu and Ling Xiaoyun seemed to immediately change to another person, Jiao Didi said. Jenny couldn’t help but get goose bumps with that squeaky voice.

“Oh?” Hearing this, at this moment, Sebastian Mu’s figure looked at them, his eyes looked at Amy Xia.

When she saw Sebastian Mu’s eyes, Amy Xia stood there, not anxiously speaking, but beeping and speaking.

“Miss Ling, we have all apologized, what do you want?” Ling Xiaoyun did not speak, but was obviously dissatisfied.

At this time, Amy Xia thought for a while and said, "Miss Ling, let's pay you how much your clothes cost like this!" Upon hearing this, Ling Xiaoyun sneered at the corner of Ling Xiaoyun's mouth, "This is the clothes Sebastian gave me.

Is it suspicious to lose money?" These words are clearly looking for trouble! Jenny looked at her, "What do you want?" At this time, Ling Xiaoyun glanced at Jenny, and finally stopped at Amy Xia...

## Chapter 14 Reducing Status

"Miss Xia, did you and your friend do it on purpose?" Hearing this, she was dissatisfied and was about to speak.

At this moment, Amy Xia spoke first, not angry, but smiled." Miss Ling, why did I deliberately do this?"

"Yes!" Jenny echoed. Upon hearing this, Ling Xiaoyun sneered at the corner of her mouth, "Who knows this!?" Ling Xiaoyun gave Amy Xia a provocative look.

Looking at Ling Xiaoyun's rampant appearance, Jenny really couldn't stand it. She was not as patient as Amy Xia, "Miss Ling, do you have delusion of persecution!?" No one has ever said this to her, listen.

At this point, Ling Xiaoyun frowned and looked at her displeased, "What did you say!?"

"Isn't it? If there is any, go and treat it as soon as possible. This is a disease. You must be cured!"

"You—" Ling Xiaoyun was angry. No, at this moment, she turned her head to look at Sebastian Mu on the side and couldn't help but speak, "Sedum, look at them, they bullied me..." Looking at Ling Xiaoyun's angrily, Sebastian Mu seemed extremely calm.

Looking at Jenny and Amy Xia, the corner of his mouth raised a smile, "Xiaoyun, why bother to be angry with them? I lowered my identity..." Upon hearing this, Ling Xiaoyun suddenly realized that, looking at Sebastian Mu, his face turned.

It turned to sunny again, and immediately raised his chin proudly, "Yes, what you said is correct, don't degrade my status!" In these words, talking to Amy Xia and the others in disguise. Jenny was a little angry, but Amy Xia's face had always maintained a faint smile, not angry.

At this time, Ling Xiaoyun looked at Sebastian Mu, "Then what should I do with my clothes and how to eat?"

"I will accompany you to buy one and give it to you!"

"Well, thank you, Sedum!" Ling Xiaoyun said, he didn't forget to move up and put a kiss on Sebastian Mu's face. When I kissed, I looked at Amy Xia, full of provocation.

Amy Xia was standing there, and Ling Xiaoyun was strange enough, only once I saw her, he was so hostile to her, alas, woman! Seeing Ling Xiaoyun's seductive look, Jenny was a little angry.

At this moment, she took out twenty yuan of change from her bag and placed it in front of them, "Ms.

Ling, no matter what, the clothes are dirty. For the negligence, the twenty dollars is considered as your dry cleaning fee!" Looking at the twenty dollars, Ling Xiaoyun's brow flashed with disgust, "Twenty dollars? Do you think twenty dollars is enough? Are you ready?"

"No, the key is that you deserve this price..." After speaking, Jenny turned his head and looked at Amy Xia, "Amy, let's go!" Seeing Jenny's appearance, Amy Xia didn't say anything, with a smile on the corners of her mouth, and followed Jenny and left.

And Ling Xiaoyun behind him was furious! "You—" Looking back, they had already gone far.

"Who is really looking for someone? There is no lack of quality!" Ling Xiaoyun huffed his hand. Damn, dare to say that to her! She writes down this account! Looking at their backs, frowned.

Amy Xia, remember something for me, I must make you look good! Ling Xiaoyun wrote down this account, and also placed it on Amy Xia's head! No way, she only recognizes Amy Xia, and she is not pleasing to her eyes.

"Sedum, look..." Ling Xiaoyun shook Sebastian Mu's arm angrily.

"Why do you have general knowledge with them? Don't forget, you are a daughter, what do you care about with them?" Sebastian Mu said lightly.

After speaking, his eyes also looked at the figure outside the door, his eyes full of charm...

## Chapter 15 Keeping Secrets

That's what I said, but Ling Xiaoyun couldn't swallow this breath in her heart, and she was angry when she thought about it.

At this moment, Sebastian Mu withdrew his gaze, looked at her, watched she was still angry, and said, "Okay, I will accompany you to buy one!" Looking at Ling Xiaoyun, Sebastian Mu was faint.

Open up.

Sebastian Mu spoke, what else can she say? Can only nodded helplessly, "Hmm!" outside the door. Jenny walked out with Amy Xia.

As soon as he went out, Jenny couldn't help but smiled and said, "I feel so good looking at that womanly look!"

"I'm so angry with her, what kind of pretense!" Listening to Jenny's words, Amy Xia did too.

I couldn't help but smile, "You're absolutely amazing!"

"Oh, I just feel sorry for my twenty yuan.

I wanted to give ten yuan, but if I didn't, I gave it twenty!" Amy Xia, "...well, very It's generous.

If it's me, it would be nice to give a dollar!" Hearing what Amy Xia said, Jenny laughed, "Huh, it's nothing wrong, if you let her know that you are Sebastian Mu's ex-wife, I guess Her face is so angry!" Jenny said.

Hearing this, Amy Xia smiled, "Then don't know, or she might be able to target me to death!"

"Hahaha, I just want to see how she is so angry, thinking she has something great, and Sebastian Mu, I've never noticed that other people's character is so bad before!" Listening to the toots, Amy Xia thought for a while, then nodded, "Agree!" Hahaha. The two smiled and got into Tuot's car.

At this time, Amy Xia suddenly remembered something, "By the way, Jenny, I and Sebastian Mu, remember not to tell anyone!"

"I know, don't worry, even if it's my mother, I won't say it, you just Don't worry!" Jenny said with a smile.

At this time, Amy Xia smiled, "I just don't want to have extra branches!"

"Don't worry, I won't mention a word!" As he said, Jenny made a gesture of sealing her mouth.

Looking at Jenny, Amy Xia smiled, "I believe you!" As he said, the car started, and the two of them went shopping. The next day.

Amy Xia went directly to Yun Rui.

After this series of things, she became more determined, and she couldn't stay in Yun Rui. Walking into Chow, Amy Xia handed the resignation letter to the personnel department.

Sister Helen, the personnel manager, was a bit stunned, "Why did I only come yesterday and resigned today, Miss Xia, is it convenient or inconvenient to work?" Looking at Sister Helen, Amy Xia smiled, "I'm really sorry, it's me. For personal reasons, it has nothing to do with the company!"

“That’s the case, what a pity!” said the personnel manager.

“I’m sorry!” Amy Xia said sincerely, Sister Helen is still very good, and Amy Xia also looks respectful.

At this time, Sister Helen thought for a while, “I will give the resignation letter to the president first!”

“Yeah!” Amy Xia nodded. So, Sister Helen went to the president’s office and came back not long after she went there.

“Miss Xia!” Sister Helen said, “Mr. Mu said I want you to go to the office!” Speaking of this, Amy Xia frowned, “Must go?”

“Well, the resignation letter is already on Mr. Mu’s side. He said he would let you go there in person!” Sister Helen said. Reluctantly, Amy Xia could only nod her head, “Okay, I see, I’ll trouble Sister Helen!”

“If there are no problems, just stay!” Amy Xia smiled, and did not answer any more, but took a deep breath. Went to the president’s office.
