Chapter 121 – 125

Chapter 121 Want to Kill You 6

Amy Xia was thinking, if he was in the company, it would take more than twenty minutes to come here.

It took only ten minutes since Jie Zhang hung up the phone, he had already arrived. But this can be imagined, how he got here! Amy Xia has been in his car, she has already had such an experience! ! At this time, Sebastian Mu drove the car in front of him, then pushed the door directly and walked down.

Amy Xia stood there and didn't move. She wanted to ignore him and left without paying attention to him, but his car just blocked her way.

Amy Xia was certain that if she really pretended not to see him, she would leave. , Sebastian Mu will surely rush up and strangle her to death! At this moment, Sebastian Mu got out of the car and walked directly in front of her.

Looking at her, Sebastian Mu didn't rush to strangle her because of how much endurance he needed.

"What? Knowing that I'm going to leave?" Sebastian Mu asked as he walked, looking at Amy Xia, his eyes were a little helpless, his tone was full of forbearance.

Amy Xia stood there, watching him smile, always feeling that the knife was hidden in the smile, but she seemed to be much more plain, "Mu always thinks too much, but after talking about the things that should be discussed, he just happens to be leaving!" Said.

"Really?" Hearing this, Sebastian Mu took a step forward and looked at her and asked. He took a step forward, and Amy Xia couldn't help taking a step back.

"Yes!" Amy Xia looked at him and said every word, with a very positive tone.

"Disappeared for two days, I thought you were going to leave without saying a word again!" Sebastian Mu looked at her and said, he swears that if Amy Xia walks away without a word this time, no matter what method he uses, Even if he gets to the ends of the world, he will find her! Hearing Sebastian Mu's words, Amy Xia smiled, then turned her head to look at him, "Will Mu always think too much, why should I leave?" The more plain Amy Xia was, the more he wanted to kill her.

“Why? Don’t you know why?” As he said, Sebastian Mu took a step forward, his tall body, with oppression, actually wanted her to come, Amy Xia frowned and couldn’t help but step back, “Sebastian Mu , What do you want to do?”

“I want to kill you!” Sebastian Mu said as she gritted her teeth.

Amy Xia, “...” Standing there for a while, she frowned, “Sebastian Mu, if you lied to you for me, then I apologize, but I don’t think I’m wrong, I just hide it. For you, I didn’t tell you anything. What’s more, because you didn’t recognize me, you don’t have to use Xia style to scare me!” Amy Xia looked at him and said every word.

“Really?” As he said, Sebastian Mu sneered at the corner of his mouth, and slowly leaned down, staring at her with sharp eyes like an eagle, “So, what about three years ago? It was also hiding from me. , Didn’t you tell me?” Sebastian Mu looked at her and asked every word. Hearing this, Amy Xia was taken aback and looked up at him.

Chapter 122

Does he know? He still knows it! This is what Amy Xia has been worried about.

Marrying Sebastian Mu at the time, although she said it was voluntary, it was also to save Xia style. Seeing Sebastian Mu’s abusive affection, she had no choice but to think of this trick. Unexpectedly, within a year, he really rarely saw her.

At most twice.

Once received the marriage certificate, the second time, he brought her to the Mu family, a wedding without any wedding ceremony. Since then, she has never seen Sebastian Mu again. To be correct, Sebastian Mu never saw her again, she saw him on the news after a short interval. Now, I didn’t expect that Sebastian Mu would still know... Seeing Amy Xia’s eyes looking at herself, full of doubts and surprise, Sebastian Mu decided. This woman must be guilty! “What? Nothing to say?” Sebastian Mu asked Amy Xia every word.

“I, I don’t know what you are talking about!” Amy Xia said with a guilty conscience.

It’s not too late to deny this time “I don’t know?” Listening, Sebastian Mu’s mouth evokes a sneer, “Amy Xia, you pretend, continue to pretend, I will tear your disguised mask sooner or later!” Sebastian Mu looked at his ruthless tooth itch. This woman lied to him for so long! Amy Xia didn’t know what to say, after all, she was deceiving people first, and everything she said now was a guilty conscience.

“Mr. Mu, do you have something to do when you come here, then you are busy first, I will go!” After speaking, Amy Xia got up and left. However, in the next second, Sebastian Mu grabbed her hand, “Who allowed you to go?” Amy Xia frowned, “What else do you want?”

“Amy Xia, you have played with me for so long, so I want to count That’s it!?” Sebastian Mu asked, holding her arm word by word.

“Then what do you want?” Amy Xia asked.

“How? What do you think?” Sebastian Mu asked, almost gritted his teeth. Until now, he really hadn’t thought of what to do with Amy Xia.

If you think about it, can she still stand here now? The two people stared at each other.

One is plain, one is angry.

At this moment, Sister Helen in the villa looked at this picture and couldn’t help but get excited, “Master, do you really care?” Mu Zhen sat on the sofa, calmly, but spoke very firmly, “Sister Helen, You just didn’t see it!” Sister Helen, “...” Well, she can only assume that she didn’t see it. But he still looked out the window.

“Sebastian Mu, don’t you want to marry me either? Is there any difference if I do that instead of doing that?” Amy Xia frowned, looking at Sebastian Mu displeased. This angered Amy Xia even more. He looked at her, “Of course there is!”

“What’s the difference?” At this time, Sebastian Mu directly took her and left.

“Where are you taking me?”

“Let you know what the difference is!” With that, Sebastian Mu took Amy Xia and left, opened the door of the car, and slid her in.

“Sebastian Mu!!!” Amy Xia was angry, but in Sebastian Mu’s eyes, it didn’t work at all.

At this time, Zhang inside was a little excited, “Master, grandma was taken away by the young master!”

“Take it away and take it away, it’s okay, that girl, who has a lot of ghost ideas, can’t suffer!” Mu Zhen said Said calmly.

Chapter 123

Seeing that Mu Zhen was so calm, Sister Helen didn’t say anything. She looked out the window.

At this moment, Sebastian Mu drove away without even entering the door.

At this time, Amy Xia was sitting in the car, looking at Sebastian Mu, “What do you want?”

“Amy Xia, how many times have you lied to me, you will remember to me, now, you better shut up, otherwise, I There is really no guarantee that you will be strangled to death!” Sebastian Mu drove the car, warning every word. So Amy Xia obediently shut up. Those who know the current affairs are handsome.

At this time, she had better not speak. The car quickly drove towards his villa.

Amy Xia knew that he wanted to take her back again. Thinking of this, she was still a little worried, after all, when Sebastian Mu was irrational, she couldn't stop it.

After thinking about it, Amy Xia said, “Sebastian Mu, how about we have a serious talk?” Sebastian Mu did not speak.

Amy Xia frowned and didn't know what he was thinking, so she didn't say anything. Soon, the car arrived in front of Sebastian Mu's villa, he got off the car, Amy Xia didn't need him to pull it, and went straight down the car door. Without Sebastian Mu speaking, Amy Xia walked directly to the villa. Seeing Amy Xia's appearance, Sebastian Mu was really angry and hated, and he also walked in.

Aunt Li opened the door and was surprised when she saw Amy Xia, “Miss Xia...” Amy Xia walked in with a smile, followed by Sebastian Mu.

Aunt Li was even more stunned.

At this time, Amy Xia walked in and looked at Aunt Li, “Aunt Li, can you help us make a cup of coffee for the two of us, I have something to discuss with Mr. Mu!” As soon as Sebastian Mu walked in, he heard Amy Xia's sentence. words.

Aunt Li stood there, listening to Amy Xia's words, she was a little unsure, but she nodded, “Okay!”

“Thank you Aunt Li!” Amy Xia said with a smile.

Sebastian Mu stood behind him, looking at Amy Xia, angering him.

“Do you think you are still the hostess here?” Sebastian Mu asked, looking at her word by word.

“Even if it's a guest, shouldn't I ask for a cup of coffee?” Amy Xia asked him unhurriedly. The deep pupils seemed to burst into flames.

Sebastian Mu looked at Amy Xia, and without a word, he directly pulled her upstairs.

“Aunt Li, remember to bring the coffee after it is made!” Amy Xia did not forget to add.

Aunt Li stood there, nodding blankly, “Okay!”

“No!” At this moment, Sebastian Mu said coldly.

Aunt Li stood there, and then nodded blankly, "I see!" Amy Xia gave Sebastian Mu a white look and was pulled into the room. With a slam, the innocent door was slammed shut again.

"Amy Xia, do you still think you are the hostess here!?" Sebastian Mu said fiercely as she looked at her.

"Even if it's a guest, you don't need to use this tone, Sebastian Mu!" Amy Xia looked at him in reply.

"This tone? It's good if I didn't kill you!" Sebastian Mu warned coldly.

Amy Xia, "...violence can't solve the problem!" The calmer she is, the more Sebastian Mu has the urge to tear up her mask.

"Amy Xia, you really don't know how to live or die!" Sebastian Mu looked at her gritted teeth, walked up and grabbed her.

Amy Xia was stunned and looked at him, "Sebastian Mu, you hurt me!" Sebastian Mu did not let go, but looked at her fiercely, "Amy Xia, it seems that you are really not afraid of me. Summer style hands-on!"

Chapter 124

Hearing this, Amy Xia raised her eyes, "Sebastian Mu, you said when you got divorced, you won't take Xia Shi!" Sebastian Mu looked at him and said.

"Do you still dare to mention the divorce?!" Sebastian Mu said. Thinking of her lie to him, he wanted to kill her, she still dared to mention it.

"Why didn't I dare? This is what I said at the beginning!" Amy Xia asked back, paused, and suddenly remembered something, "Sebastian Mu, didn't you really want to divorce me before? Now we are divorced, you should be happy That's right, now that you are so angry, shouldn't you fall in love with me? So anger becomes angry?" Amy Xia looked at Sebastian Mu and raised her eyebrows and asked. Fall in love with her? Hearing this, Sebastian Mu was taken aback, and then sneered, "Amy Xia, you are confident from there, dare to say that!"

"All your behavior tells me that you are very dissatisfied with my divorce, isn't it?" Amy Xia looked at him and asked.

It can also be said that she deliberately stimulated Sebastian Mu. Sometimes counter-stimulation is more useful than direct quarrels. Especially in the face of noble and glamorous people like Sebastian Mu.

"I'm dissatisfied, very dissatisfied, that's because you lied to me, teased me, Amy Xia, what do you think of me Sebastian Mu, I must pay for this matter!" Sebastian Mu looked at her. Said with a meal.

Amy Xia, "..."

"I think you should calm down!"

"You dared to lie to me that my stomach hurts that night, Amy Xia, you are really tired of your life, one, two, three, and two to three lie to me!" Sebastian Mu looked at her fiercely and said that no one has made him so angry yet. No one has dared to play with her like this.

Amy Xia, "...I did it to protect myself and let both of them calm down!"

"Really? Then I tell you very clearly, I can't calm down!" Sebastian Mu said every word. Hearing this, Amy Xia thought for a while, "Sebastian Mu, I lied to you, I lied to you.

It has nothing to do with Xia style.

If you have anything to do with me, please don't speak Xia style!" , Did you bear it alone?" Sebastian Mu looked at her and asked.

"Sebastian Mu, if you are a man, you will abide by your promise. You said that you won't change the Xia style!" Amy Xia said.

"What if I don't comply?" Sebastian Mu looked at her faintly and asked, his voice was not loud, but he could let the human body feel the cold breath exuding him.

"If you admit that you are not a man, then you can do it!" Amy Xia said. This sentence touched Sebastian Mu's bottom line. Because at that moment, Amy Xia saw that Sebastian Mu's face was not angry, but a smile. The laughter trembled.

"Amy Xia, I'll let you know if I am a man!" After speaking, Sebastian Mu walked up to Amy Xia and kissed her lips.

Amy Xia became frightened. But no matter how he pushed him, Sebastian Mu had no intention of getting up.

Chapter 125

"Mu..." As long as she speaks, she will be swallowed by his kiss.

Amy Xia really wanted to cry without tears, and pushed Sebastian Mu vigorously, "Sebastian Mu, if you are like this, I will hate you!" Amy Xia suddenly said while struggling. That is to say, Sebastian Mu paused.

Lifted his eyes and looked at Amy Xia.

Amy Xia's eyes were also looking straight at him, "Are you really going to be a tough guy?" Amy Xia looked at him and asked. The sharpness between her eyes made Sebastian Mu stunned.

“If you really want to do this, I can’t resist physically, but Sebastian Mu, do you really want to be strong against someone who doesn’t feel about you?!” Amy Xia watched him halting each word.

Ask.

Sebastian Mu frowned and looked at her.

In fact, he could continue, but don’t know why, after Amy Xia’s words, he unexpectedly felt very uncomfortable.

“Then you mean, I should make you willing?” Sebastian Mu looked at her and raised an eyebrow.

“If you have the abilities, just come and try!” Amy Xia watched him speak word by word, with a touch of provocation in his words. But this seemed to arouse Sebastian Mu’s interest.

Looking at her, Sebastian Mu said, “Amy Xia, this time, you win, but I will let you be willing!” Sebastian Mu said, in words, he is determined and confident.

Amy Xia smiled, “Then it depends on your ability!”

“It seems that you are going to play this emotional game with me!” Sebastian Mu looked at her and said.

“I don’t want to play, I just don’t want to be forced, Sebastian Mu, if you are so capable, let me be willing, and I won’t say anything at that time!” Amy Xia looked at him and said. Hearing this, Sebastian Mu raised his eyebrows, “Amy Xia, you better remember what you said today, if you dare to lie to me, I will definitely make you die miserably!” Sebastian Mu warned.

Amy Xia smiled, “Don’t worry, even if I can run away from the monk, I can’t run away from the temple!” Amy Xia said.

“It’s fine if you know, but even if you leave, no matter what method I use, even if I walk all over the world, I will find you!” Sebastian Mu looked at her and said, letting her die as soon as possible.

“Don’t worry, my home is here, and I won’t run again!”

“It’s best!” Sebastian Mu said. Finally, the anger disappeared a little bit.

“Now, can you get up?” Amy Xia looked at him and asked.

Sebastian Mu gave her a white look, and then became lazy.

Amy Xia also took the opportunity to sit up and pack her clothes.

“In this case, Sebastian Mu, let’s talk about it!” Amy Xia said.

Sebastian Mu sat aside, raised his eyebrows lazily and motioned for her to speak.

“No matter what happens between us, it won’t involve the family!” Amy Xia said while looking at Sebastian Mu.

Sebastian Mu leaned there lazily, did not speak, just looked at her.

“You promised me not to shoot Xia Shi!” Amy Xia said.

“At that time, I didn’t know that you lied to me.

If I knew, I would definitely not promise you.

Moreover, at that time, I would definitely acquire Xia Shi!” Sebastian Mu suddenly approached, watching Amy Xia say every word. .
