

My Sassy President Novel

Chapter 126 – 130

Chapter 126

Amy Xia watched Sebastian Mu approach, did not back off, but looked straight at him, she didn't doubt what he said. But, absolutely believe. Then she was lucky that she knew she lied to him at this time, not two years ago.

Otherwise, Xia style would really not exist.

Although that is the case, it was not two years ago after all.

“What about now?” Amy Xia looked at Sebastian Mu and asked.

Sebastian Mu leaned back lazily again, “I don't know, it depends on the mood!” Amy Xia, “...”

“If you insist on buying Xia Style, I can't stop it, then I can only resign!” Amy Xia Say. Hearing this, Sebastian Mu frowned, “You threaten me?”

“What is a threat? If you want to buy Xia Style, how should I resign and go back to help, even if I can't change the result, I must go back!” Amy Xia said .

Sebastian Mu looked at Amy Xia and frowned. He concluded that this woman knew that he needed her temporarily and Yun Rui needed her, so she dared to talk to him so frantically. But when I thought about it, Sebastian Mu looked at her, “It's not impossible!” Hearing this, Amy Xia looked at Sebastian Mu, and Sebastian Mu also looked at her, “Just marry me again like three years ago.

Maybe I will let go of Xia Shi!” Amy Xia, “...” Sebastian Mu was definitely deliberate! absolute! Amy Xia looked at him, and then smiled slightly, “Mr. Mu, in order to avoid the nightmare three years ago, let's say another condition!” Nightmare? Speaking of this, Sebastian Mu glared at Amy Xia.

Amy Xia immediately smiled and said, “Your nightmare!”

“It's almost the same!” Amy Xia, “...” Seeing Sebastian Mu's true appearance, Amy Xia shook her head helplessly. Under the eaves, Amy Xia still understands the truth that people have to bow their heads.

In order to avoid him being hungry, she had better not start a direct conflict with him.

“So?” Amy Xia looked at him without speaking, and asked when she looked at him.

“I think about it!” Sebastian Mu said.

“Then I also think about it, do you want to resign!” Sebastian Mu raised his eyes and glared at her fiercely. Seeing his eyes, Amy Xia said, “Actually, the acquisition of Chow is a fake, you just want to force me out!” Upon hearing this, Sebastian Mu raised his eyes and looked at Amy Xia, having to admit that she sees things very thoroughly. .

“Now that I have appeared, can you stop?” Amy Xia asked. Hearing her words, Sebastian Mu sneered, “Amy Xia, are you too confident!”

“Mr. Mu, don’t you dare to say it?” Amy Xia asked, “Only the news is spread.

Xia Style has not received any news or notifications at all.

And now Xia Style is on track and it is working very well. Why do you suddenly want it? Acquisition!” Amy Xia looked at Sebastian Mu and said every word, the analysis was in order, and it would be a pity not to manage the company.

“There is only one reason, that is, you want to force me out!” Amy Xia looked at Sebastian Mu very confidently and said.

Sebastian Mu leaned there, neither angry nor angry, and could not see any emotions.

“It’s good if you know, so you also need to know that if you really disappear, Xia Shi will definitely disappear with you, I can do it!”

“Then if I don’t disappear, can I take it back? A fake acquisition of Chow?” Amy Xia asked.

“Since you know it is fake, why bother to ask me!” Sebastian Mu said.

Chapter 127

“Of course, you have to come forward and explain. Even if the news is not a real acquisition, it is enough to panic Xia Shi.

In this way, many partners will also withdraw cooperation, Xia Shi will suffer heavy losses. !” Amy Xia looked at Sebastian Mu and said word by word, seeing the stakes clearly.

Sebastian Mu was leaning there.

Originally, she thought she was purely thinking about the Xia family, but she didn’t expect the relationship to be seen so clearly.

It seems that before, he still underestimated this woman! At this time, he raised his eyes and looked at Amy Xia, "It seems that you are very clear about the benefits of this!"

"I have studied business management, this is just the most basic thing!" Amy Xia said, there is no need to hide, Admitted directly.

"Since I study business management, why should I design?" Sebastian Mu suddenly looked at her and asked.

Amy Xia frowned, "This is my business, there is no need to even talk about this, right?" Amy Xia asked back. Hearing this, Sebastian Mu raised his eyebrows, stopped changing the subject, and looked at her, "OK, you can ask me to come forward to clarify, I also have one condition!"

"As long as you don't get married, you can do anything!" Amy Xia immediately Speak.

Sebastian Mu, "...". After she said that, it seemed that marrying him had become a very painful thing.

Sebastian Mu gave her a blank look, and Amy Xia directly turned her eyes away, ignoring the past.

If you can't quarrel, you won't quarrel.

After glaring at her, Sebastian Mu said, "Do a good job with Alexia, as long as the contract is completed, I will give up the Xia-style acquisition!"

"Okay, no problem, but also hope You do what you say!" Amy Xia said.

"Of course!" Sebastian Mu nodded. Thus, the negotiation was completed.

In fact, the result is that he promised not to buy Xia Shi, and Amy Xia also promised not to resign. That's what happened.

After discussion, the two people walked out of the room.

Aunt Li was anxious downstairs. The coffee was filled long ago. She was hesitant to deliver it. Now, there was no sound from upstairs.

Aunt Li was a little worried and walked downstairs anxiously. When she was worried, at this moment, the door upstairs opened, and Sebastian Mu and Amy Xia walked down the stairs.

"Don't worry, what I have said will definitely be done, and it won't be like some people say nothing!" Amy Xia said as he walked.

"Since you know that I am speechless, then you should still be ready to sacrifice at any time!"

“Sebastian Mu, don’t take you like this!” Sebastian Mu hooked the corner of his mouth and went straight downstairs.

Amy Xia walked behind him, gave him a blank look from behind, and then walked down.

“Aunt Li, is the coffee ready yet!?” Seeing them walking down so peacefully, Aunt Li felt like she had misread it.

Aunt Li didn’t reflect until she heard Amy Xia’s voice.

“Ah? It’s already cooked!”

“It’s been a long time since I drank your coffee, I want to taste it!” Then, Amy Xia walked over.

Chapter 128

Aunt Li stood there, staring at the situation before and after. This change is too great. But seeing that nothing happened to them, Aunt Li was also relieved.

Sebastian Mu was sitting there drinking coffee, Amy Xia also walked over, sitting on his side, drinking too.

“Master, Miss Xia, are you all right?” Aunt Li looked at them and asked. Hearing what Aunt Li said, Amy Xia raised her eyes and smiled at her, “Aunt Li, don’t worry, we are all right!”

“Really?” Aunt Li asked. She was also worried, because what she said wrongly caused Amy Xia.

“Yeah!” Amy Xia nodded, then drank a cup of coffee, “It’s really okay, don’t worry!” As she said, she glanced at Sebastian Mu.

Sebastian Mu sat there, saying nothing, and acquiesced to what Amy Xia had said.

“That’s good, that’s good!” Aunt Li finally let go of her heart. Seeing Aunt Li’s worry, Amy Xia smiled.

After drinking coffee, Amy Xia stood up and said, “Mr. Mu, since the matter has been discussed, I will go back!”

“I hope you keep your promise.

I will accompany you to the press conference tomorrow!” Amy Xia watched Sebastian Mu said with a slight smile.

It seems that Sebastian Mu is right.

Sebastian Mu sat there, and after hearing Amy Xia's words, he raised his eyes and glanced at her. He did not speak, which is tantamount to acquiescence.

At this time, Amy Xia turned her head and looked at Aunt Li, "Aunt Li, if it's okay, I'll go back first and see you another day!"

"Aren't you eating here? Let's go after dinner!" Aunt Li said.

I really like Amy Xia in my heart.

Amy Xia smiled and shook her head, "I'm afraid I'm eating here, some people won't be able to eat it!" After that, Amy Xia smiled, "I'm leaving!" Aunt Li could only nod her head, "Okay, then you are on your way." Be careful!"

"Yeah!" Amy Xia nodded, and then walked out.

Sebastian Mu sat there and didn't even move. He just raised his eyelids lazily after seeing her go...

After sending out Amy Xia, Aunt Li walked back and saw Sebastian Mu sitting there. , Couldn't help but said, "It's not easy to take a taxi on such a long road.

Miss Xia doesn't know when she is going back!" This was clearly spoken to Sebastian Mu.

Sebastian Mu sat there, looked at the door, and then said, "She has many ways!" After speaking, he got up and went upstairs.

Aunt Li stood downstairs, watching Sebastian Mu go upstairs, was stunned, and then started to clean up... the next day.

After Sebastian Mu arrived at the company, Amy Xia had also arrived.

Moreover, the press conference has been arranged.

According to Amy Xia, she really accompanied Sebastian Mu to the press conference.

Sebastian Mu stood there, looking at so many reporters, he felt like Amy Xia had been trapped.

"Just to clarify, is it necessary to make it so grand?" Sebastian Mu asked with a voice of only two people on his side.

Amy Xia stood aside, with a smile on his face, "Mr. Mu, since I do things, of course I have to clean up by myself!" She said, smiling faintly at the media.

Sebastian Mu really had the urge to strangle her. But with such multimedia, he still has to maintain his demeanor.

Chapter 129

At this time, Amy Xia walked over and stood in front of the microphone, "This press conference is mainly for the latest news. With regard to the acquisition of Xia-style, Mr. Mu will clarify next!" After speaking, Amy Xia directly Back down and looked at Sebastian Mu.

Sebastian Mu gave her a white look and walked up.

At this time, before he spoke, the reporter below started asking questions.

"Mr. Mu, is it true that the acquisition of the Xia Style Group is true?"

"The two operations are different.

May I ask Mr. Mu's intention to do this?"

"I heard that you married the Xia family's daughter before, but then divorced. Do you do this, does your ex-wife know?" the reporter below asked.

However, when she mentioned this ex-wife, Amy Xia stood there, suddenly stopped for a moment, and quietly turned away her eyes. This is a press clarification meeting, not a gossip meeting! However, Amy Xia could only stand as if nothing had happened, as if he had heard nothing.

Sebastian Mu stood there, watching them ask each sentence, and then said, "The rumors about the acquisition of Xia style from the outside world are just spreading rumors!"

"That is to say, this matter is fake!?" A reporter ask.

"I think, I have already said very clearly!" Sebastian Mu said while watching the reporter.

"Then, does this matter have anything to do with your ex-wife? Or did you stop it because you took care of your ex-wife?" A reporter continued to ask, they always believed that there would be no groundless things.

"Ex-wife!?" Hearing this, Sebastian Mu's eyes glanced at Amy Xia inadvertently. She stood there, calm and composed, as if the person in question was not her! At this time, Sebastian Mu turned his head and looked at them, "Yes!" This sentence is big news! So the next reporter immediately asked, "Mr. Mu, can you believe it?"

"Sorry, there is no comment for the time being, the press conference is here!" After speaking, Sebastian Mu stepped off the stage.

Amy Xia stood there, and then realized what he said! Looking at his back and shook hands, this person is absolutely deliberate! Absolutely! Seeing so many reporters a little

dissatisfied, Amy Xia winked with the relevant personnel of the public relations department, and someone immediately went up to comfort them.

Amy Xia followed Sebastian Mu and walked out of the meeting room.

Sebastian Mu walked in front, Amy Xia followed. You know, Sebastian Mu is very likely to let so many reporters go to dig out the identity of the Xia family daughter.

Amy Xia has always been low-key.

Although she is the daughter of the Xia family, she has rarely appeared in front of the masses since she grew up. Even if she appeared, she never said she was the daughter of Xia Shi Group.

“Mr. Mu, thank you for your mercy!” Amy Xia stepped up and said puns.

One is to thank Sebastian Mu for his relief to Xia Shi, and the other is to say that Sebastian Mu just told reporters about her. You know, reporters will go to her if they take a little seriousness! However, Sebastian Mu walked ahead.

After hearing Amy Xia’s words, he stopped, turned his head to look at her, and replied with an indifferent expression, “You’re welcome!” After speaking, he turned and walked into his office.

Amy Xia stood there, looked at Sebastian Mu’s back, and nodded. Row! She endures! Thinking of this, she also walked towards the design department. Seeing Amy Xia walking by, Coco immediately leaned over.

Chapter 130

“Amy, why did you go these two days?” Coco asked when looking at Amy Xia.

“I’ve dealt with some personal matters, what’s the matter?” Amy Xia turned her head and looked at her casually and asked.

“I don’t know whether to say your luck is good or bad!” Coco sighed. Hearing Coco’s words, Amy Xia smiled and frowned, “What’s the matter?”

“Mr. Mu didn’t know what was going on in the past two days. Every day is thunderstorms. No one who enters his office is scolded!” Say. Speaking of this, Amy Xia raised her eyebrows slightly. She could imagine Sebastian Mu’s angry face, but she said nothing.

“That day, when you were away, he asked me where you went, and it scared me to death!” Coco said, and made a particularly scared expression.

Amy Xia looked at her, and then smiled, “Don’t be afraid now, the sun will turn to fine!” Coco nodded, “You really have a way!”

“It’s not that I have a way, it just happens to be sunny today!” Amy Xia said. Still not too strong to have a relationship with Sebastian Mu. Coco smiled, “Okay, I won’t tell you, I’ll go to work first, and I’ll talk at lunch!”

“Okay!” Amy Xia responded, so Coco returned to her position and started working.

Amy Xia also began to devote himself to work.

And the other side.

Sam Xia sat in the office and watched the news broadcast before him.

At this moment, there was a trace of haze on that normally-looking face. Especially when Amy Xia and Sebastian Mu were standing there, his pupils were indescribably dark.

Sebastian Mu! One day, Xia Shi will acquire Chow! Rather than you are so rampant now! The Xia family, sitting in the living room with Daisy Xu in the summer, also saw this news.

At this time, Nelson Xia met Daisy Xu and took a look.

“Now, what is the relationship between Amy Xia and this Sebastian Mu!?” Daisy Xu asked when looking at Nelson Xia.

Xia Tian had a stern face, not knowing what to say. Unexpectedly, this news was clarified like this! But Nelson Xia believes that this is definitely because of Amy Xia! “Aren’t they already divorced? Didn’t it...”

“Okay!” Daisy Xu was interrupted by Xia Tian before he finished saying, “Anyway, Amy Xia is already an adult, she has her own choice.

And thoughts, we should respect her and not interfere with her!” Xia Tian said. Hearing this, Daisy Xu frowned, “When did I interfere with her? I care about interference.

I don’t care, and you blame me!” Daisy Xu said angrily.

“Dare to blame me for marrying Sebastian Mu three years ago? That was her willingness!” Daisy Xu said. Hearing this, Amy Xia frowned, “No one said to blame you, it’s just...” It’s just that he didn’t know what was going on right now.

“It’s just that I don’t know what’s going on.

I should ask Sam when he comes back!” Nelson Xia said.

Daisy Xu sat there, even if she was unhappy, she couldn’t say anything now. Both of them watched TV.

Amy Xia was standing with Sebastian Mu, both of them frowned... While Amy Xia was working, the phone on the desk rang. When she saw the number, Amy Xia picked it up.

“Hey, big brother...”

“Amy Xia, are you busy?”

“No, what’s wrong, you say!”

“I saw the news, anyway, thank you!” Sam Xia said.
