

My Sassy President Novel

Chapter 146 – 150

Chapter 146

With Sonny's cry, Sebastian Mu raised his head.

Amy Xia was wearing a purple dress, her hair curled up, and she pulled it up at will. The strands of hair below added a bit of coquettishness to her. The exquisite makeup makes her look less pure than before, but it gives her a very mysterious feeling.

Sebastian Mu suddenly felt that such Amy Xia's appearance would win everyone's attention. He suddenly regretted the idea of letting Sonny dress her up! "How is it?" Sonny looked at Sebastian Mu and asked.

"General!" After speaking, Sebastian Mu turned and walked out.

Amy Xia, "... At this time, Sonny looked at Amy Xia and said, "A duplicity man!" Amy Xia smiled and quickly followed out.

"Girl, ask for much blessing!" At this time, Sonny did not forget to bless her behind him.

Amy Xia sweats. He immediately followed out.

Sebastian Mu got into the car, and Amy Xia opened the car door and sat in. Just as she sat in, Sebastian Mu suddenly rushed over. Pushing Amy Xia directly behind him, Amy Xia was startled, startled, and had nowhere to go.

Looking at Sebastian Mu who was pressing on him, his eyes were full of anger at this moment.

"Sebastian Mu, you..."

"Amy Xia, I really want to kill you!" Amy Xia watched her and said word by word, even gritted her teeth.

Amy Xia leaned there, looking at Sebastian Mu's face, not knowing what to say.

"Amy Xia, you said, how should I punish you!?" Sebastian Mu looked at her and asked every word.

“Mr. Mu, it’s just a joke...” Before she could finish her words, Sebastian Mu’s lips suddenly leaned over, and kissed her lips.

Amy Xia was taken aback for a moment, never expected that Sebastian Mu would kiss her suddenly, and suddenly forgot to resist.

“Sebastian Mu...” After Amy Xia reacted, she was shocked, exhausted all her strength, and suddenly pushed him away.

At this moment, Sebastian Mu left her lips, obviously feeling unfinished.

“Are you crazy!?” Amy Xia frowned when she looked at Sebastian Mu. The corner of Sebastian Mu’s mouth evoked a smile, “Amy Xia, from now on, you’d better put away that set of small gestures, and let me discover that it is definitely not just a kiss as simple as a kiss, I will definitely make you regret it!” Mu Jing The sky watched Amy Xia’s warning every word.

Looking at Sebastian Mu, he didn’t seem to be joking at all.

Moreover, Amy Xia believed that Sebastian Mu could definitely do what he said. Finally, Amy Xia wiped her lips, “Mr. Mu, it’s just a joke, why bother to be so serious!”

“A joke?” Hearing this, Sebastian Mu’s mouth curled up coldly, and his eyes looked at Amy Xia fiercely, “Since you think it’s a joke, then continue, it’s only a consequence, conceited!” Amy Xia, “...” At this moment, she was still a little wronged, and the physical strength between men and women was very different. She didn’t want to anger Sebastian Mu, but she would regret it at that time.

Amy Xia didn’t speak any more, Sebastian Mu glared at her angrily before driving the car out of here.

Chapter 147

At this time, on the way, the two of them did not speak any more.

Amy Xia kept looking out the window to avoid that the sentence was wrong and provoke Sebastian Mu. Upon reaching the destination, Sebastian Mu got off the bus and Amy Xia got off the bus. When he arrived at the entrance of the venue, Sebastian Mu stood there and stretched out his hand.

Amy Xia was taken aback, looking at Sebastian Mu.

“What? Do you want others to watch us go in one after the other!?” Sebastian Mu raised an eyebrow and looked at Amy Xia and asked. Therefore, Amy Xia had to stretch out her hand and took Sebastian Mu’s arm.

At that moment, it felt really strange. Having been married to Sebastian Mu for a year, they have never attended any occasion like this before, and today, they actually appeared in front of everyone arm in arm.

Amy Xia felt a little funny. But without saying anything, the two walked inside. Both of them are like natural pretenders, one in the front and another in the back.

As soon as they walked in, there were decent smiles on their faces. The handsome male and female handsome, their appearance together immediately gained the focus of the audience.

Many Sebastian Mu took women to attend various occasions, and since Ling Xiaoyun, Sebastian Mu has rarely changed women, but now, when they see Amy Xia, their eyes can not help but be attracted. Especially, the beautiful face of Amy Xia.

Many people are now speculating that Amy Xia is the daughter of that family, or that star, but they all shook their heads in private discussions. Never seen.

At this time, someone said, "By the way, Sebastian Mu clarified at the press conference a few days ago that the acquisition of Xia Style is just a rumor, is this woman on the side?" So, someone really responded, "It seems to be!"

"Could it be that she works in Sebastian Mu's company?"

"Secretary?"

"This Sebastian Mu still doesn't let go of anything, even eating grass beside her nest!" The person who was too opposing sneered.

"This is his nature, no wonder!"

"Huh..." At this time, various voices came from her ears.

Amy Xia held Sebastian Mu's hand and looked at their sights. They also misunderstood the relationship between them. But what can I say, I can only keep the smile on my face.

Sebastian Mu didn't care.

If he really wanted to care about the opinions of others, he would not sit in his position today. His face is high-spirited and confident. With Amy Xia, he walked directly to Alexia who was talking directly in front.

"Alexia!" Sebastian Mu walked over and greeted with a smile.

Alexia was talking to others, and when he saw them coming, he greeted the man and the man left.

Sebastian Mu and Amy Xia walked to her and greeted with a smile.

“You are here!?” When she saw them, Alexia also showed a smile on her face, and finally, her eyes remained firmly on Amy Xia’s body.

“Miss Xia, we’re seeing each other again!” Amy Xia smiled, “Yes, today is your banquet, a good journey!” Amy Xia smiled and said.

“Thank you!” Alexia appreciates Amy Xia from the heart, she is not only wise, but also courageous.

“Mr. Mu has handed over your resume to me, how about it, are you interested in joining my design group?” Alexia asked directly without turning around.

Chapter 148

Fortunately, Sebastian Mu had been vaccinated with her before, otherwise Amy Xia would be stunned after hearing what Alexia said.

After thinking for a while, Amy Xia said, “Sorry Alexia, it has always been my dream to join your company before, but now that I won the championship is the best affirmation for me. Thank you very much for giving me this.

Opportunity, but I don’t want to go abroad now.

I like my country, the city I grew up in, and my current job, so I’m sorry!” In the end, Amy Xia still rejected Alexia.

Sebastian Mu was watching, but didn’t interrupt. To be honest, he didn’t expect Amy Xia to say this.

Inwardly, I am happy and satisfied.

After hearing Amy Xia’s words, Alexia glanced at Sebastian Mu, then smiled and said, “It seems that Mr. Mu has not explained the situation to you clearly!” Upon hearing this, Amy Xia looked at Alexia and blinked in confusion.

A glance.

“What do you mean?”

“Joining my group does not necessarily have to go abroad with me.

My group knows my style too well and cannot break through, so I want to find some courageous and innovative works.

I appreciate the works very much.

If you can, you just need to hand in some works to me regularly every year!” Alexia looked at Amy Xia and said. Hearing this, Amy Xia was taken aback and looked at Alexia in confusion.

At the same time, her gaze turned to Sebastian Mu who was on the side, and he just smiled at the corner of his mouth and stood there, as if he had understood the situation a long time ago. Now Amy Xia knew that Sebastian Mu was testing her! See if she will quit! Although this man didn’t say anything, he was very careful! Amy Xia couldn’t help but glance at him.

“How about? Miss Xia interested?” Alexia asked.

“Of course, a good thing that kills two birds with one stone, of course she will agree!” At this time, Amy Xia hadn’t spoken yet, but Sebastian Mu spoke on her behalf.

Alexia and Amy Xia both looked at him.

“Miss Xia, is that true?” At this moment, Alexia still looked at Amy Xia and asked.

Amy Xia nodded, “If this is the case, of course I will join.

It has always been my pursuit to join your group!” Hearing this, Alexia laughed.

“In this case, my group will join another strong player!”

“I still have a lot to learn!” Amy Xia said with a modest smile.

Alexia likes Amy Xia’s calm and humble appearance.

“Then in that case, we’re done, we’ll contact again when we go back!” Alexia said.

“Good!” Amy Xia nodded and said.

At this moment, someone came over and said something in Alexia’s ear.

After Alexia heard it, she nodded, “Okay, I get it!” After the assistant left, Alexia looked at them, “There will be another person later.

If you want to come, you are free, I’ll go ahead!” Sebastian Mu nodded, Amy Xia also smiled, so Alexia walked to one side.

At this time, the waiter walked to them, and Sebastian Mu and Amy Xia served champagne from above. The two drank and walked to one side.

Chapter 149

“Mr. Mu, can you explain what Alexia said today?” Amy Xia turned to look at Sebastian Mu and asked.

Sebastian Mu took a sip at random and looked away, “What? Didn’t you understand?”

“You are testing me!?” He asked, but he was sure.

“If you think it’s a temptation, then it’s a temptation, if you think it’s not, then it’s not!” Sebastian Mu said leisurely, his eyes fixed on her, his words were a pun, so Amy Xia didn’t know where to speak. .

Amy Xia looked at him with a smile on her lips. Even if she was angry, she still had a smile on the corner of her mouth.

At this time, Sebastian Mu looked at her, “Even if I test it, shouldn’t you? It shouldn’t be too much to test whether my employees are loyal to me!” Sebastian Mu looked at her and asked.

Listening to his words, Amy Xia had already greeted him many times in his heart! But she still pretended to be nonchalant, she smiled, “Of course, you are the boss, what do you say, how do you count!” Sebastian Mu was not humble, and said directly, “You know it!” Amy Xia, “...

“At this moment, Sebastian Mu’s cell phone rang. When he saw the number, Sebastian Mu frowned.

“I’ll go out and answer the phone!” After speaking, Sebastian Mu stepped up and walked outside.

Amy Xia stood there, looking at Sebastian Mu’s back, saying nothing. You don’t need to think about it, but you know who is on the phone.

Amy Xia stood there, dressed in a purple dress, holding a glass of champagne in her hand, looking very compelling. Especially with the faint smile on her face, it is more pleasing to the eye.

If it weren’t for the people brought by Sebastian Mu, someone would have gone up to say hello already at this time.

Amy Xia didn’t really like such occasions, but she had to participate.

Although Sebastian Mu tempted her, she has to admit that since she came back and joined Yun Rui, she has been rising step by step. First won the yuan-style contract, then participated in the cutting-edge competition, and now joined the Alexia design team. These are all within the ranks of her plan, but they are also ahead of schedule, all of which cannot be denied the help of Sebastian Mu.

Amy Xia stood there, thinking while drinking champagne.

At this time, there was a turmoil.

“I heard that there was a mysterious guest who flew back from abroad!”

“I have also heard, and it is said that he is one of the best tycoons in London!”

“That said, he must be a foreigner!” Personally discussing over there. Hearing the words London, Amy Xia heard a few more words. However, at this time, there was turmoil at the door. The door was opened, and a tall figure walked in from outside. The man, about twenty-seven or eighty-eight, was dressed in black, with three-dimensional features, without any expression, but his eyes looked very energetic. He descended from the sky like a king, making the ladies present couldn't help but get excited. Everyone is guessing who he is. The newly born face of city A.

Amy Xia stood aside, and when she saw him, her eyes stayed on him, with a slight smile at the corner of her mouth, but her eyes did not have the exaggeration and excitement of those people.

At this time, he walked directly in.

Alexia stood there, he walked directly over, and then came a standard international meeting ceremony.

Chapter 150

“Alexia, I'm sorry, I'm late!” The man said magnetically, his voice all sounding so charming.

“I'm glad you can come!”

“Sorry, just got off the plane!” the man said.

Alexia smiled, then the two chatted over there.

At this time, everyone is guessing, who is he? The aura is full, and the extraordinary temperament on his body also makes people know that it is rich or expensive.

After they were there for a while, the man said, “Okay, you'll be busy first and talk a while!” Alexia nodded.

At this time, the man's eyes turned to Amy Xia.

And Amy Xia stood there, with a small smile on her mouth, looking at him. Finally, the man walked towards her.

Amy Xia did not move, but waited for him to come up.

“Dear, long time no see!” At this moment, the man looked at Amy Xia with a rare smile. Then, Amy Xia looked at him and laughed. The man stretched out his hand.

At this time, Amy Xia stretched out his hand in cooperation, and the two came to embrace. To so many people. The two gave a hug. To outsiders, they seem to be a bit ambiguous.

Sebastian Mu was answering the phone outside. When he saw such a scene, he frowned, and sparks faintly burst into his eyes! After separation, Amy Xia looked at him, “Why did you come here without telling me!?”

“I originally wanted to surprise you, but I didn’t expect you to give me a surprise. See you here!” the man said.

Listening to the conversation between the two people is already familiar.

At this moment, Alexia walked over from one side and saw that they were chatting so lively, she couldn’t help but walked up, “Leo, do you know?” Leo nodded when she heard Alexia’s words.

Amy Xia smiled and said, “My mentor!” Hearing this, Alexia was a little surprised, “No wonder Miss Xia is so good!” LEO said, “It has nothing to do with me.

I once wanted her to stay in my company, but after all No success!” Leo said. Hearing this, Alexia was even more surprised.

At this moment, LEO turned his head and looked at Amy Xia, “You would call me old like this!”

“Originally, I am not too young anymore!” Amy Xia said with a smile. For this, only Amy Xia dared to say that, and whoever would dare to say that when replaced by others. Seeing the interaction between them, Alexia smiled, “It seems that you are going to be jealous of me, Miss Xia has joined my group!” Hearing this, LEO raised his eyebrows and looked at Amy Xia, who nodded.

LEO was not angry, looking at Alexia, “It seems that my cooperation should be more frequent!” When they heard this, they all smiled.

“Okay, you talk, I’ll entertain others!” LEO nodded, so Alexia smiled and walked away.

At this time, LEO turned his head and looked at Amy Xia, “You are so good to everyone, but I am more ruthless!”

“I’m afraid that you will act as a public servant!” Amy Xia said.

“You’re so sure, I’ll help you out of public affairs!?” LEO raised an eyebrow and asked.

“Huh huh!” Amy Xia smiled and took a sip of champagne elegantly. That action fascinated many people, and likewise, it made many people jealous.
