Chapter 16 – 20

Chapter 16: Deliberate Entanglement

In the office, Sebastian Mu sat at his desk and approved the contract documents. His black shirt made him more mature and attractive. When Amy Xia knocked on the door and went in, he was signing a contract.

After signing, he shared the information and then raised his eyes to look at Amy Xia.

“Mr. Mu!” Looking at Sebastian Mu, Amy Xia gave a faint cry.

“Are you going to resign?” Sebastian Mu looked at her and asked.

“Yes!” Amy Xia said very calmly.

“Why? Give a reason!” Sebastian Mu said. Hearing this, Amy Xia frowned. Why? On the first day, she broke his good deeds and made him unhappy.

On the same day, they made trouble in the restaurant again.

Isn't this a problem? But why does Sebastian Mu look like a okay person? Does he really care at all? I heard that when I was in the LK Group, I was fired because someone accidentally said something he didn't like. Now...

Amy Xia is a little confused. However, Amy Xia naturally wouldn't tell the truth about this, and the corner of her mouth evoked a light smile.

“Private business!”

“Private business?” Hearing this, Sebastian Mu raised his eyebrows lazily, and looked at Amy Xia sharply, as if he wanted to see through Amy Xia, “Miss Xia, what do you think of Yun Rui? Such an excuse to resign!?” Listening to Sebastian Mu's voice, Amy Xia frowned, but she still looked calm, “I'm sorry!”

“I'm sorry? Just a word of sorry can be done? Then the company Who will bear the loss?” Sebastian Mu asked.

Loss? Amy Xia frowned and looked at Sebastian Mu, “Mr. Mu, I don't understand what you mean?”

“What do you mean?” Hearing this, Sebastian Mu sneered, “Miss Xia, Chow Group has always recruited people strictly. , You have a place, and now you have to resign less than a day after joining the company? What do you think of Yun Rui?!” Is this all right?

Why does Amy Xia sound such a far-fetched reason? As long as Yun Rui sends a job offer, how many people do not scalp in? Amy Xia stood there, her face still looking calm, “Mr. Mu laughed.

A group as strong as Yun Rui doesn't want anyone.

As for me, I'm sorry, because some personal matters must be dealt with!” Miss Xia has just returned from abroad, what do you have to deal with?” Sebastian Mu asked back. Hearing this, Amy Xia frowned, “This is my personal business!”

“Miss Xia, this shouldn't be an excuse!” Sebastian Mu asked back. Should he be sharp or unreasonable? Why does Amy Xia think that Sebastian Mu is deliberate? “Mr. Mu, does this have anything to do with my resignation?” Amy Xia looked at Sebastian Mu and asked. Hearing this, Sebastian Mu straightened up, “Of course!” He said, he picked up a document from the table and opened it.

“Ms.

Xia, before you joined the company, you signed a contract with us. The term is two years.

If you resign for two years, you will have to compensate for liquidated damages!” Hearing this, Amy Xia suddenly realized.

Chapter 17

Thinking of resigning, I forgot about it. Standing there, looking at Sebastian Mu, frowned.

“What? Miss Xia, have you considered it?” Sebastian Mu asked with a smile.

Amy Xia stood there, thinking about the things between the two, still felt that it would be better to resign now.

Amy Xia nodded, “I will compensate!” Sebastian Mu's words were unexpected. He squinted and looked at Amy Xia in disbelief, “Double the liquidated damages, it seems that Miss Xia is very rich!”

“Compensation for the liquidated damages is still enough!” Amy Xia said with a faint smile, despite the pain. To die.

After so many years of savings, it is estimated that almost all of them came out all at once.

“OK, in that case, I won't say much, two million. When will Miss Xia pay the compensation, when will I approve it!” What? two millions! ? Amy Xia looked at Sebastian Mu incredulously, “Two million?”

“Yes, what, did you not see clearly when you signed the contract? This did not hold you accountable for your loss to Yun Rui!” Sebastian Mu said. Speaking of this, Amy Xia was a little unbelievable, walked over, picked up the contract on the table and looked at it, opened it, really, that’s it! That’s exactly what the contract says. But in fact, Amy Xia has only one million in his hands during the past few years in London. Go there and collect another million! Amy Xia stood there, not knowing what to say.

“What? Miss Xia didn’t see it clearly when she signed the contract?” Sebastian Mu looked at her and asked.

Amy Xia stood there without speaking.

Indeed, when I signed the contract, I wanted to join the Chow Group and didn’t consider this reason at all. But I didn’t expect that the president of the Chow Group was Sebastian Mu, which disrupted all her plans and arrangements. Standing there, Amy Xia hesitated. Seeing Amy Xia’s appearance, the corner of Sebastian Mu’s mouth evoked a sure smile.

After a long time, Amy Xia recovered, looked at Sebastian Mu, and said, “I need time to prepare!” Hearing this, Sebastian Mu said, “Miss Xia, I don’t have so much time to wait for you!” I will do it as soon as possible!”

“OK, don’t let people say that I am unkind.

I will give you two days.

If two days are up and Miss Xia has not compensated for the liquidated damages, then I will be embarrassed!” Mu Jing God said. Two days? Hearing this, Amy Xia frowned and looked at Sebastian Mu. He was clearly on purpose.

“Mr. Mu, how can you get two million in two days?”

“That’s your business!” Sebastian Mu said.

Amy Xia, “...” This is clearly intentional! ! ! Seeing Amy Xia looking a little angry, Sebastian Mu smirked, “Miss Xia, if your work can continue, then these things will be gone!” Hearing this, Amy Xia smiled suddenly, “Mr. Mu , Chow is such a big group, shouldn’t it just be short of me, or say...Mr. Mu!” Amy Xia looked at Sebastian Mu and said. Hearing this, Sebastian Mu was taken aback and frowned.

Is this woman challenging him?

Chapter 18

Have ulterior motives? Ah.

Sebastian Mu gave a sneer at the corner of his mouth and looked at Amy Xia, “Don’t have ulterior motives? Miss Xia, what do you say? What do you think I can do with you?”

“Then I don’t know!” Amy Xia said.

An arrogant person like Sebastian Mu can’t stand this kind of agitation.

“Miss Xia, what I value is your work ability and attitude.

As for your ulterior motives...

I’m afraid you have thought a lot!”

“That’s the best!” Amy Xia’s mouth evoked a faint smile. President Mu can rest assured that within two days, I will pay the liquidated damages to the company’s account!”

“Oh, if there is nothing wrong, I will leave first!” After that, Amy Xia stopped talking to Sebastian Mu. What, turn around, straighten your back, and leave.

Looking at Amy Xia’s back, Sebastian Mu’s eyes narrowed. Ha... He actually said he had ulterior motives! How is it! ? He didn’t believe it, she would not compromise! Walking out of Sebastian Mu’s office, Amy Xia suddenly let out a sigh of relief. Those conversations with Sebastian Mu just now seemed like a battle, and now the whole person wanted to collapse.

Sebastian Mu is not an easy role to deal with. Two million... Thinking of this number makes her a headache.

In two days, she lent one million from there! Sebastian Mu was clearly on purpose! Even though she thought so, she decided to leave Chow Group resolutely.

If she really gets along, she will inevitably not go crazy. Thinking of this, he left Chow Group. The next day.

One morning, when Amy Xia was still sleeping, she was woken up by the phone.

Amy Xia stretched out her hand from the bed, took out her mobile phone, answered the phone, “Hey...” However, after hearing what was inside, Amy Xia sat up, “What? Police station? Okay, I’ll be right there!” , Amy Xia quickly got up from the bed, changed her clothes, and went out quickly. They came out of the police station after more than an hour.

“Damn, it’s really unlucky.

It’s just a normal rear-end collision, and it accused me of deliberately hurting people!” Jenny shouted dissatisfied just after coming out of the police station.

“How could this be?” Amy Xia asked.

“Who knows! I’m so mad, this is obviously intentional revenge!” Jenny shouted angrily.

After saying this, she turned her head and looked at Amy Xia, “Nelson Xia, I am very supportive of your decision, like Sebastian Mu. People, the farther away the better!” How can this matter have something to do with Sebastian Mu? “What does it matter to him!?” Amy Xia asked.

“He is the owner of the rear-end vehicle!” Jenny said solemnly.

Amy Xia, “...It’s Sebastian Mu!?”

“Yeah, I think he deliberately retaliated against me!” muttered. Thinking of this, Amy Xia frowned.

“Go away, go back and talk about it, yes, don’t tell my family about this matter, I don’t want them to worry!” Jenny said.

“I see!” Amy Xia responded, but she was a little absent-minded and thoughtful. Sure enough, Sebastian Mu didn’t let go of Jenny’s rear-end case.

It seems that there is a feeling of swearing to the death of Jenny to the end. Finally, Amy Xia still couldn’t hold back and dialed the number of Sebastian Mu’s office.

Chapter 19 Another Purpose

“Hey, Mr. Mu, it’s me!” Amy Xia said. Hearing this, Sebastian Mu was taken aback, and then the corners of his mouth raised up, “Who?” Amy Xia dared to conclude that Sebastian Mu must have heard his voice, and asking this now was clearly intentional.

“Amy Xia!” Amy Xia said every word. Hearing this, Sebastian Mu paused, pretending to be very casual and asked, “Oh, the liquidated damages are ready?” Amy Xia took a deep breath and thought about it, “I’m not looking for you for this thing!”

“Oh? What else!?” Sebastian Mu asked back. Hearing this, Amy Xia took a deep breath, “I’m looking for you to rear-end the car!” As soon as her words fell, Sebastian Mu also stopped his hand movements, instead of focusing on two purposes, but intently responding to the phone.

Inside.

“Oh? What does this have to do with you?”

“Mr. Mu, you should know that Jenny is my friend!” Amy Xia said anxiously.

“So what?” Sebastian Mu asked back.

“Could you please withdraw the accusation against her, it is obviously just a common rear-end incident, why should you accuse her of deliberately hurting others?” Amy Xia asked on the phone. Hearing this, Sebastian Mu smiled at the corner of his mouth, “Miss Xia, I wronged her for what you said?”

“Isn’t it, Mr. Mu is very clear in his heart!” Amy Xia said.

Sebastian Mu did this on purpose, and he didn’t admit it yet. Hearing this, Sebastian Mu’s mouth turned into a funny smile, “Miss Xia, please pay attention to your words, how do you know that she did not deliberately hurt people? You know, when eating in the restaurant, we have a little bit Misunderstanding, what if she is dissatisfied and hits me deliberately, is it possible that I will let her go now?” Sure enough, Sebastian Mu is taking revenge! Such a little man! After so many years, it really hasn’t changed at all. However, Amy Xia didn’t know what Sebastian Mu’s purpose was...

“She is my friend, I believe her!” Amy Xia said.

“That’s your friend, it has nothing to do with me!”

“Sebastian Mu, you obviously did it deliberately!” Amy Xia couldn’t help but said anxiously.

“So what?” Sebastian Mu asked, even if it was intentional, what could she do? This sentence almost angered Amy Xia.

“Not only that, I will definitely sue her to go to jail, you should believe that I have this ability!” Sebastian Mu said leisurely, although the voice is not loud, but it contains the power of capturing people.

Amy Xia didn’t know what to say.

“What do you want?” Amy Xia held back her breath and asked, relying on his family and Chow Group to sue Jenny in jail.

It is definitely not a problem.

“What Miss said I seem to have a purpose!”

“Isn’t it?” Amy Xia asked back. Will Sebastian Mu do things that have no purpose? “Know me so!?” Hearing this, Sebastian Mu suddenly asked with a smile, and Amy Xia was taken aback when the magnetic sound spread through the air.

At this, the speaker was unintentional, and the listener was intentional.

Amy Xia felt a little sensitive and was so scared that she quickly changed the subject, “Everyone does something for a purpose.

I believe that the same is true for President Mu!” Hearing this, Mu Sedum smiled, her eyes narrowed slightly, “Is it what I want? You agree?” Why did Amy Xia’s heart shake after hearing this sentence? This sounded too ambiguous.

Chapter 20 Reaching an Agreement

She didn't know what Sebastian Mu thought. She only knew this person.

At this time, there was someone like a mysterious hero, which was unpredictable.

"You, what do you mean by this!?" Amy Xia asked, for some reason, when she asked this sentence, she was a little guilty.

"What do you mean? I don't understand what I mean, and dare to come to me!?" Sebastian Mu sneered and asked. For a while, Amy Xia was blocked and didn't know what to say. Now Sebastian Mu took the initiative, she had no choice. But when she thought of Jenny going to jail for this little thing, she couldn't accept it, and she didn't think this matter had anything to do with her.

Sebastian Mu is helping Ling Xiaoyun get revenge! Amy Xia can only think of this! Thinking of this, Amy Xia thought for a while and said, "Okay, what are you talking about!?" Amy Xia's words, in Sebastian Mu's expectation, thought that she would compromise, but did not expect it to be so fast.

Or it should be said that those who know the current affairs are handsome.

Amy Xia is a smart woman who knows that outdated conditions will get worse.

After thinking about it, Sebastian Mu said leisurely, "Is it clear?"

"Of course, people like Mr. Mu will never give up unless they achieve their goals. Why don't I take this opportunity!?" Amy Xia said. No matter how Sebastian Mu listened to these words, he didn't seem to praise him. However, it cannot be denied that this is the case.

"Actually, it's nothing.

It's just that I have a case on hand, which is a bit tricky.

I believe you will be able to handle Miss Xia after so many years abroad!" Sebastian Mu said.

After speaking, Amy Xia still couldn't believe it, "That's it?"

"That's it, otherwise, what do you think of me?" Sebastian Mu said playfully when he heard Amy Xia's incredible voice.

Amy Xia, "... " Sebastian Mu said so profoundly, who knows what he is thinking. But this is the best.

"Okay, I promise you, and I hope you will keep your word and withdraw the accusation against Jenny!" Amy Xia said. Hearing Amy Xia's words, Sebastian Mu smiled at the corner of Sebastian Mu's mouth, "Miss Xia, don't talk so full, only if you do it, I will consider revoking it!" Sebastian Mu said.

“You—” Amy Xia frowned.

“But don’t worry, I won’t sue her for the time being, and she won’t go in either!” Sebastian Mu said. Hearing this, Amy Xia felt relieved. This can only be done now.

It is almost impossible for Sebastian Mu to give in.

“Okay, it’s a deal!” Amy Xia said.

“A word is final!” Sebastian Mu also said softly, and then said, “Miss Xia, you are welcome to come back to work tomorrow!” After speaking, Sebastian Mu said nothing, and hung up the phone.

Looking at the phone, Sebastian Mu’s deep eyes narrowed slightly, and a sure smile appeared at the corner of his mouth.

As a result, within his expectations...

On the other side of the phone, after hanging up, Amy Xia was also relieved. Unexpectedly, I wanted to leave Chow Group Company, but returned in this way. But it’s worth it for Jenny.

It’s just that Amy Xia doesn’t know that this conspiracy is entirely for her...
