

My Sassy President Novel

Chapter 181 – 185

Chapter 181 Potential Danger 4

With that said, she didn't know what she was guilty of.

“So it's like this!” Coco said, and Amy Xia nodded repeatedly. Seeing how they were thinking, Amy Xia hurriedly added a few words, “If you are okay, read design magazines more and less gossip magazines, gossip is not credible!” They nodded after hearing Amy Xia's words.

“But Amy, why do I feel that your relationship with President Mu is not normal?” At this time, a colleague asked. Hearing this, Amy Xia was stunned.

“Seeing that you often go in and out together, wouldn't it? Mr. Mu really likes you, right?!”

“Girl, don't hurt me.

If Ling Xiaoyun hears this, I guess I must resign from here!”

“Amy Xia said.

Listening to her, with her expression, the colleague was amused.

If there was no Ling Xiaoyun, they would definitely think that Sebastian Mu was interesting to Amy Xia, but with Ling Xiaoyun, he didn't think much.

“So it is!”

“Okay, okay, let's work soon, don't gossip!” Amy Xia greeted. With that said, they murmured a few more words before they dispersed. The gossiping group of the design department was finally comforted by Amy Xia, who quietly breathed a sigh of relief.

I originally thought that this was the end of the matter, but I didn't expect that this was just the beginning... Similarly, the Xia family and the Ling family also saw this news.

Of course, the Xia family's reaction was very surprised. He called Amy Xia and was soothed by Amy Xia. However, Sam Xia watched the news, he knew that the news magazines were not as simple as Amy Xia said...

A Sebastian Mu, now another Song Qi...

In the scene in Sam Xia magazine, Sam Xia frowned...

And Lingjia. When Ling Xiaoyun saw this news, holding the newspaper, she was shaking all year long. She had no idea about this matter. He knew that Sebastian Mu had attended the banquet, but he didn't expect to bring Amy Xia, let alone such a scene. Father Ling also looked at him, and then at Ling Xiaoyun, "What's the matter?" Listening to Father Ling's words, Ling Xiaoyun was stunned, "Maybe it was written in a gossip magazine!"

"This Sebastian Mu is also true. Up to now, there are still scandals!" Father Ling said, and then looked up at Ling Xiaoyun, "You can fight for it, and it will be easier to marry into the Mu family soon!" Listening to Father Ling, Ling Xiaoyun frowned, "I see. !" That's what I said, but looking at the newspaper, Ling Xiaoyun's eyes gathered together! It seems that she has to make a move! In the afternoon, Amy Xia received a call.

It was not someone else's, but Ling Xiaoyun's. She asked her to go out for a drink, in name, but for what Amy Xia knew. But she decided to meet, otherwise she seemed too guilty! The important thing is that she is close to the company and she will not look good if she does not go. Therefore, Amy Xia went on time and on time. When she arrived, Ling Xiaoyun had already arrived, sitting by the window, looking like a young lady.

Amy Xia walked over and sat opposite her.

At this moment, the waiter brought two cups of coffee and then stepped back.

Chapter 182

Looking at the coffee, Ling Xiaoyun raised his eyes, "Ms.

Ling is looking for me, what can I do!?" Looking at Amy Xia, how much patience does Ling Xiaoyun need to quarrel with her.

"I think, I came to you for what you should know!" Ling Xiaoyun looked at Amy Xia and said.

Amy Xia smiled, "Ms.

Ling just say anything, I'll go back to work later!" Seeing Amy Xia's tepid look, Ling Xiaoyun looked at her, "Amy Xia, let's talk about it, how much will you cost? Willing to leave Sebastian Mu!?" Amy Xia's hand stirred the coffee casually, but when she heard these words, she stopped the movement in her hand.

Lifted his eyes and looked at Ling Xiaoyun, "Miss Ling, what do you mean?"

“Aren’t you approaching Sedum for money? You set a price, I will give you, from now on, stay away from Sedum!” Ling Xiaoyun looked at She said word by word. Hearing this, Amy Xia smiled suddenly, “Miss Ling, do you think money can buy everything?”

“What do you mean?”

“Not to mention whether I like Sebastian Mu or not.

If I like her, you think you Can the money given to me allow me to leave him? If I approach Sebastian Mu for money, do you think Sebastian Mu’s body is worth the money, or the value you gave me?” Amy Xia asked her while looking at her. Hearing this, Ling Xiaoyun’s face changed immediately, “Do you mean that you refuse to leave?”

“I mean, Miss Ling, money can buy everything, at least externally, no!”

“What then? “I have told you countless times that I am not interested in Sebastian Mu, and you don’t need to speak to me in that tone!” Amy Xia said while watching her. Hearing this, Ling Xiaoyun sneered, “While you tell me that you are not interested in him, you are in pairs with him, and refuse to leave her. How do you make me believe?” Ling Xiaoyun looked at her and sneered.

If it weren’t for the large number of people in the cafe, at this moment, she was afraid that she would shout.

“Miss Ling, that’s a job requirement.

In private, do you see when I doubled with him?” Amy Xia asked back.

“I’m afraid to approach him in the name of work!” Ling Xiaoyun said with a sneer. Hearing this, Amy Xia smiled, “Miss Ling, I don’t think you came to me to talk to me today. Since you have defined me in your heart, what are you talking about?”

“Amy Xia, Song Qi is no better than Sebastian Mu. Bad, why do you have to hold him back!?” Ling Xiaoyun asked when looking at Amy Xia.

Amy Xia, “...”

“It can be seen that Song Qi likes you very much, why do you have to hold Sebastian Mu and not let go?” Ling Xiaoyun asked, for fear that Sebastian Mu would leave her.

Listening to Ling Xiaoyun’s words, Amy Xia frowned, and now she felt as if she was unwilling to leave Sebastian Mu.

“Miss Ling, let me reiterate that I have nothing to do with Mr. Mu, and I did not fawn on letting go.

If you are really worried, please go to Sebastian Mu. Don’t come to me, except for work. Besides, I don’t want to have any contact with him!”

“Then you resign!” Ling Xiaoyun said.

“Resign!?” Hearing this, Amy Xia smiled, “It seems that you don’t know something. When I first joined the company, I had to resign, but I didn’t resign successfully. Now I have an agreement with Mr. Mu, let alone quit! “

Episode 183

“Agreement?” Ling Xiaoyun frowned upon hearing this.

“What agreement?”

“Well, just ask Sebastian Mu!” After that, Amy Xia got up and looked at her, “Miss Ling, if there is nothing else, I will go back first and have to work! “Amy Xia, speak clearly!” Ling Xiaoyun said. Speaking of this, Amy Xia turned her head and looked at Ling Xiaoyun, “Miss Ling, there is another sentence for you.

If a man loves you, it won’t make you so insecure.

If a man doesn’t love you, no matter how many things you do. , To drive away how many women around him, there will still be countless women appearing!” After speaking, Amy Xia smiled and left.

Ling Xiaoyun sat there, listening to Amy Xia’s words, her face was very bad. What she means is that Sebastian Mu doesn’t love her? Is that right! ? Thinking of this, Ling Xiaoyun’s face was even worse.

Amy Xia! ! ! If it weren’t for her appearance, everything is fine for her and Sebastian Mu, it is because of her appearance that everything has changed! Thinking of this, she sat there with a bad face. Seeing people around, she picked up the sunglasses on the table and put them on.

In that case, she doesn’t have to be polite.

At this moment, she got up and walked out, holding her mobile phone, and dialing a number.

“Hey, is it Mr. He?”

“It’s me, Ling Xiaoyun, I have something I want to talk to you, I don’t know if you have time...”

“Okay, I will be there on time!” After speaking, Ling Xiaoyun hung up.

I walked to the car, got in the car directly, and drove away.

And Amy Xia’s side.

After the negotiation with Ling Xiaoyun, I felt much better.

In fact, she was looking forward to Ling Xiaoyun looking for her so that she could speak clearly once. Thinking of this, she was still in a good mood.

After returning to work, my mood has become different.

In the afternoon, Amy Xia got off work normally, went back to cook and ate, as usual. Until nine o'clock in the evening, when Amy Xia was about to go to bed, her cell phone rang. When she saw Sebastian Mu's call, Amy Xia hesitated and didn't want to answer, but remembering Sebastian Mu's warning, she finally pressed the answer button.

"Hey..."

"Where!?"

"Of course at home!"

"Come and pick me up!" Sebastian Mu said.

"Huh!?"

"Pick me up in miss!" Sebastian Mu said again.

MISS.

Of course Amy Xia knew where it was, the most luxurious and luxurious bar in City A.

"It's late, I'm going to bed!" Amy Xia said, not willing to go.

"Amy Xia!!!" On the other side of the phone, Sebastian Mu called every word.

"Why?"

"I'll wait for you here, if you don't come, then I'll find you later!" Without waiting for her to speak, Sebastian Mu hung up the phone.

Amy Xia frowned and looked at the phone, a little stunned. Thinking of what she had said to Ling Xiaoyun during the day, she thought about it and made a decision.

I found out Ling Xiaoyun's phone number and sent her a text message.

After sending it out, she was in a much better mood, lying on the bed ready to go to sleep...

Chapter 184

At this moment, her cell phone rang again.

Amy Xia frowned and looked at the phone, but when she saw LEO's name, she was stunned, and then immediately picked it up and picked it up.

"Hey!"

"Have you slept?"

"Not yet!"

"Would you like to come out for a drink?" LEO asked on the phone.

"This..."

"I don't know anyone here, except you, so I can't find anyone!" LEO said.

Amy Xia was stunned. She remembered that when she went to London alone, she didn't know anyone. When she first met LEO, she felt that someone had a purpose to help herself. Thinking of this, she couldn't help but smile.

"Okay, where are you?"

"You are willing to accompany me!?"

"Of course, I want to repay!" Amy Xia said with a smile.

Listening to her voice, Song Qi also smiled, "You come down, I will pick you up!"

"Okay!" After saying that, Amy Xia hung up the phone, and then quickly got up to change clothes. Without makeup, without makeup, even so, her face is so beautiful that people can't look away.

After changing her clothes, she went straight downstairs.

As soon as he got downstairs, Song Qi's car also arrived.

Amy Xia smiled, and then got into the car.

"Hi!"

"Hi!" After getting in the car, Song Qi drove away.

"Why do you think of drinking something at night?" Amy Xia looked at him and asked.

"Don't you think the night view tonight is very good?" Song Qi asked rhetorically. Speaking of this, Amy Xia looked out of the car window, then smiled and said, "Every day here, not today!" Song Qi also smiled.

“Just find an excuse to come up with something to drink with you!” Song Qi said. Hearing this, Amy Xia froze for a moment, and then said, “Even if I don’t have to make excuses, I will come out!”

“Really!?” Amy Xia raised her eyebrows and nodded, “Of course!” Looking at Amy Xia, Song Qi smiled. , And then drove away.

Amy Xia is not the kind of person who likes to ask why or where to go, but when he arrived, Amy Xia was dumbfounded.

MISS bar.

Isn’t it the place where Sebastian Mu asked her to pick him up? How could it be such a coincidence? “I heard that the environment here is good, so come here to have a look!” Song Qi said.

Amy Xia looked at the door and could only do a smile. She should have thought that a rich person like Song Qi would choose the best place to choose.

It’s just the same with Sebastian Mu! “What? You don’t like it here?” Song Qi asked, looking at Amy Xia’s expression.

Amy Xia smiled, “No!”

“Then go in!” Song Qi said.

Amy Xia didn’t think so much, got out of the car and followed Song Qi in. The environment inside is really good, different from ordinary bars, messy, at first glance it is a very high-end, luxurious bar.

After Amy Xia and Song Qi entered, the two of them sat at the bar, drinking and chatting, looking so uncomfortable.

At this moment, Sebastian Mu walked out of it, drank a lot of wine, and saw Amy Xia sitting at the bar, and of course Song Qi. Suddenly, his brows furrowed, his eyes flashed with a trace of grayness, and he walked up directly without any consideration.

“Amy Xia!” Hearing this gloomy voice, Amy Xia was taken aback, turned around, and Sebastian Mu stood behind her. He who had drunk, his face was a little drunk, his eyes looked at her, as if he wanted to swallow her alive.

Chapter 185

Amy Xia was stunned for a moment, and in the next second, Sebastian Mu walked up directly, dragged her and walked outside.

“Sebastian Mu...” Amy Xia was surprised and called his name.

As if he hadn't heard it, Sebastian Mu led her away. The next second, Song Qi stretched out his hand and grabbed Amy Xia's other hand. Thus, a dramatic scene occurred. Two of them held Amy Xia's hand.

Sebastian Mu frowned and looked at Song Qi, "Let go!"

"Mr. Mu, what do you mean?"

"I let you let go!" Sebastian Mu looked at him and said word by word, seeing it. He was angry.

"It's you who should let go!" Song Qi looked at Sebastian Mu not to be outdone.

Amy Xia stood there, looking at the two of them, and suddenly felt that a scene from the TV series was born on her. There is no sense of superiority that the two compete for, but... very awkward! She doesn't enjoy this feeling at all! "Song Qi, do you know who she is?" At this moment, Sebastian Mu looked at Song Qi and asked. Song Qi was taken aback, knowing that there was something in Sebastian Mu's words, but then he said, "I don't care who she is, I only know that she is Amy Xia!"

"She is my wife!" Sebastian Mu said. Wife? Amy Xia was taken aback, and then added, "Sebastian Mu, we are already divorced!" As soon as Amy Xia had finished speaking, Sebastian Mu's eyes instantly passed away.

Amy Xia frowned because he didn't know why Sebastian Mu wanted to say this to Song Qi.

At this moment, Song Qi stood there, first looked at Amy Xia, then at Sebastian Mu, and then laughed, "What's the matter? As Amy said, you are already divorced!" Divorce... This The two words continue to stimulate Sebastian Mu! "What about the divorce, she is still my ex-wife, my woman!" Sebastian Mu was about to lose his mind at this moment.

And as soon as he finished speaking, Ling Xiaoyun walked in from the door and just heard the words Sebastian Mu said. Ex-wife? Is Amy Xia Sebastian Mu's ex-wife? She stood there, not knowing what to do, looking straight at them. Hearing this, Sebastian Mu's mouth roused, "Mr. Mu, do you still understand the word divorce? What about your ex-wife? You are divorced. Now you are both free and have no relationship!" Song Qi looked at Sebastian Mu and said. Hearing Song Qi's words, Sebastian Mu's face was ugly.

"Even if divorced, she is my woman!" Sebastian Mu said every word.

Amy Xia was there, and Song Qi also looked at Sebastian Mu, but didn't mean to let go.

"Let go!"

"Mr. Mu, she doesn't belong to you anymore!" Song Qi looked at Sebastian Mu and said, he looked calm and calm.

“Shut up!” At this moment, Sebastian Mu suddenly shouted. Standing between the two of them, Amy Xia was uncomfortable, frowning, “You all let go!” At this time, Song Qi and Sebastian Mu both looked at Amy Xia.

“I am a person, not an item!” Amy Xia said displeasedly. Seeing that the two of them did not move, Amy Xia threw them away.

Sebastian Mu looked at her, Amy Xia rubbed the wrist that was scratched by them. The next second, Sebastian Mu ignored so much, grabbed her hand again, and dragged it out.

Amy Xia, “...” She should have expected that Sebastian Mu had never played cards according to common sense!
